**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors and Stockholder of  
Gelband & Co., Inc.

We have audited the accompanying financial statements of Gelband & Co., Inc. (a New York State corporation), which comprise the statement of financial condition as of December 31, 2015, and the related statements of operations, changes in stockholder's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information including the statement regarding changes in liabilities subordinated to claims of general creditors. Gelband & Co., Inc.'s management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Gelband & Co., Inc. as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Schedule of Computation of Net Capital of Gelband & Co., Inc. and the Statement Regarding Changes in Liabilities Subordinated to Claims of General Creditors have been subjected to audit procedures performed in conjunction with the audit of Gelband & Co., Inc.'s financial statements. The supplemental information is the responsibility of Gelband & Co., Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**GELBAND & CO., INC.**  
**Notes to Financial Statements**  
**December 31, 2015**

(1) **Summary of Significant Accounting Policies**

**Principal Business Activity**

Gelband & Co., Inc. ("GELCO"), is a registered broker and dealer in securities pursuant to the Securities Exchange Act of 1934 and is a member of the Financial Industry Regulatory Authority (FINRA).

**Basis of Accounting**

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America.

**Revenue Recognition**

GELCO records its advisory fees as they are earned based on the services provided or in the case of success fees, upon successful completion of the service or consummation of the related transaction.

In May 2014, the Financial Accounting Standards Board issued Accounting Standards Update ("ASU") No. 2014-09, "Revenue from Contracts with Customers (Topic 606)." The guidance in this ASU supersedes the revenue recognition requirements in Topic 605, "Revenue Recognition." Under the new guidance, an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The amendments in ASU No. 2014-09 are effective for annual periods beginning after December 15, 2018 (FASB entities), and interim reporting periods beginning one year later, December 15, 2019. Early adoption is permitted for annual reporting periods beginning after December 15, 2016, and this includes interim reporting periods within that reporting period. GELCO is currently evaluating the impact of adopting this ASU on its financial statements.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at year-end and the reported amounts of revenues and expenses during the year. Actual results could differ from these estimates.

**Fair Value Measurement**

GELCO accounts for all of its financial instruments at fair value. GELCO values its investments in accordance with Accounting Standards Codification 820 – Fair Value Measurements ("ASC 820"). Under ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

**GELBAND & CO., INC.**  
**Notes to Financial Statements**  
**December 31, 2015**

(2) **Investment in Securities**

GELCO has an investment in a security in the amount of \$7,938 (whose transferability is currently restricted).

(3) **Commitments**

GELCO is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2015, GELCO had net capital of \$90,632 which was \$85,632 in excess of its required net capital. GELCO's net capital ratio was 0 to 1 based on aggregate indebtedness of \$-0-. GELCO does not have any possession or control of customer funds or securities and, therefore, claims an exemption from Rule 15c3-3.

(4) **Income Taxes**

The provision for income taxes consists of the following:

NYS Franchise Tax	\$ 251
NYC General Corporation Tax	<u>131</u>
Total	<u>\$ 382</u>

Effective January 1, 2009, GELCO adopted the authoritative guidance for uncertainty in income taxes included in ASC 740, *Income Taxes*, as amended by Accounting Standards Update ("ASU") 2009-06, *Implementation Guidance on Accounting for Uncertainty in Taxes and Disclosures Amendments for Nonpublic Entities*. This guidance requires GELCO to determine whether a tax position of GELCO is more likely than not to be sustained upon examination by the applicable taxing authority, including the resolution of any related appeals or litigation processes, based on the technical merits of the position. GELCO determined there are no uncertain tax positions that require financial statement recognition. GELCO's tax returns remain open for examination by tax authorities for a period of three years from when they are filed; the 2012, 2013, and 2014 Federal, New York State and New York City income tax returns are currently open for examination.

(5) **Evaluation of Subsequent Events**

GELCO has evaluated subsequent events through February 26, 2016, the date which the financial statements were available to be issued. GELCO does not note any subsequent events requiring disclosure or adjustment to the financial statements.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them be to fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
