**DECEMBER 31, 2015**

**1. DESCRIPTION OF BUSINESS**

Hyde Park Capital Advisors, LLC (the "Company") is a Florida limited liability company that is wholly-owned by Hyde Park Capital Partners, LLC (the "Member"). As of December 31, 2015, Hyde Park Capital Partners, LLC has two members, each of whom has the same rights, privileges, and liabilities.

Operations commenced on January 7, 2000. The corporate headquarters is located in Tampa, Florida. The Company was formed to provide investment banking services to middle market, private and public companies throughout the United States. The Company is a broker dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority (FINRA).

**2. SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Company are prepared under the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

**Use of Management Estimates**

Management uses estimates and assumptions in preparing these financial statements in accordance with GAAP. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

**Cash**

Cash is maintained at several financial institutions and, at times, balances may exceed federally insured limits. The Company has never experienced any losses related to these balances. The Company had no amounts on deposit in excess of federally insured limits at December 31, 2015.

**Accounts Receivable**

Accounts receivable are billed based on the terms of the individual contracts with the Company's customers. An account is considered past due if not paid within 30 days of the invoice date. The allowance for doubtful accounts is estimated on a specific identification basis considering the financial condition of the customer and other specific facts and circumstances. Accounts receivable are written off when they are determined to be uncollectible. As of December 31, 2015, there were two outstanding accounts receivable balances and no related allowances were necessary since the full amount of these accounts receivables were collected in early January 2016. Interest is not typically charged on past due receivables.

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2015**

---

**2. SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

**Furniture and Equipment**

Furniture and equipment are recorded at cost. Depreciation is primarily calculated by the straight-line method over the estimated useful lives of the assets, generally ranging from three to seven years. Maintenance and repairs are charged to operations when incurred. Betterments and renewals are capitalized. When furniture and equipment are sold or otherwise disposed of, the asset account and related accumulated depreciation account are relieved, and any gain or loss is included in operations.

**Investment Banking Revenues**

Investment banking revenues consist of fees earned from providing merger and acquisition, capital raising, and advisory services. Success fees that are contingent upon the success of the services provided are recorded upon successful completion of the transaction. Initial commitment fees and monthly retainer fees are non-refundable and recognized on a monthly basis as earned. Deferred revenue is recorded when cash is received but services have yet to be performed.

**Advertising and Marketing Costs**

Advertising and marketing costs are expensed as incurred. Advertising and marketing costs for the year ended December 31, 2015 amounted to \$14,251.

**Income Taxes**

The Company is treated as a partnership for income tax purposes. As a result, the Member will report the entire taxable income on its income tax return. Therefore, no provision for income taxes has been included in these financial statements.

The Financial Accounting Standards Board Accounting Standards Codification Topic 740, "Income Taxes," requires an entity to recognize the financial statement impact of a tax position when it is more likely than not that the position will not be sustained upon examination. If the tax position meets the more-likely-than-not recognition threshold, the tax effect is recognized at the largest amount of the benefit that is greater than 50 percent likely of being realized upon ultimate settlement. Any difference between the tax position taken in the tax return and the tax position recognized in the financial statements using the criteria above results in the recognition of a liability in the financial statements for the unrecognized benefit. Similarly, if a tax position fails to meet the more-likely-than-not recognition threshold, the benefit taken in the tax return will also result in the recognition of a liability in the financial statements for the full amount of the unrecognized benefit. The Company has evaluated its tax positions and determined that there are none that need to be recognized as of December 31, 2015. The Company's income tax returns are no longer subject to examination by U.S. taxing authorities for years prior to 2012.

**3. FURNITURE AND EQUIPMENT**

As of December 31, 2015, furniture and equipment and the related accumulated depreciation consisted of the following:

Computer equipment	\$ 51,234
Office equipment	32,190
Furniture	6,195
Website	<u>22,328</u>
	111,947
Accumulated depreciation	<u>(77,548)</u>
	<u>\$ 34,399</u>

Depreciation expense amounted to \$15,925 for the year ended December 31, 2015.

**4. LEASE COMMITMENT**

The Company has obligations under an office equipment operating lease with an initial non-cancelable term in excess of one year.

The remaining minimum lease payments due on this operating lease are as follows:

<b>Year Ending</b> <b>December 31,</b>	
2016	<u>2,199</u>
<b>Total</b>	<b><u>\$ 2,199</u></b>

Rent expense under this lease was approximately \$3,300 for the year December 31, 2015.

**5. RETIREMENT PLAN**

The Company sponsors a contributory profit-sharing plan for all employees who have completed one year of service. Contributions to the plan are discretionary. During the year ended December 31, 2015, the Company made contributions totaling \$124,135.

**6. CAPITAL WITHDRAWALS AND CONTRIBUTIONS**

As the Company closes investment banking transactions, it may, at its discretion, withdraw capital from the business to make distributions to its Member. These withdrawals are dependent on the timing and amount of investment banking fees received. In addition, capital contributions may be made as determined necessary by the Member. The Member made contributions of \$190,000 during 2015.

**7. RELATED PARTY TRANSACTIONS**

In May 2006, the building which houses the principal executive offices was purchased by Hyde Park Capital Building, LLC, a company wholly-owned by the Member and an affiliate of the Company. During 2010, the Company entered into an Expense Sharing Agreement with the Member to reimburse the Member for a portion of the expenses incurred by the affiliate company. This agreement is reviewed and updated annually. Under the 2015 agreement, the Company recorded a monthly expense of \$3,950, which is included in occupancy expense on the accompanying statement of operations and changes in member's' equity.

The above amounts and terms are not necessarily indicative of the amounts and terms that would have been incurred had comparable transactions been entered into with independent parties.

**8. NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15-to-1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10-to-1). At December 31, 2015, the Company had net capital of \$44,740, which was \$39,740 in excess of its required net capital of \$5,000. The Company's aggregate indebtedness to net capital ratio was 1.03-to-1.00.
