**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Board of Directors  
H2C Securities Inc.  
San Diego, California

I have audited the accompanying consolidated statement of financial condition of H2C Securities Inc. as of December 31, 2015 and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended. These financial statements are the responsibility of H2C Securities Inc.'s management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of H2C Securities Inc. as of December 31, 2015 and the results of its operations and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental information for the year ended December 31, 2015 (Schedule I, Statement of Net Capital Under Rule 15c3-1, Schedule II, Determination of Reserve Requirements Under Rule 15c3-3 (exemption), and Schedule III, Information Relating to Possession or Control Requirements Under Rule 15c3-3 (exemption)) has been subjected to audit procedures performed in conjunction with the audit of H2C Securities Inc.'s financial statements. The supplemental information is the responsibility of H2C Securities Inc.'s management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including the form and content is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

This opinion is intended solely for the information and use of the board of directors, the Securities and Exchange Commission, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Notes to Financial Statements  
For the year ended December 31, 2015

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*General*

H2C Securities Inc., (the "Company"), was formed in 1970, in the State of Illinois as a corporation. The Company is registered as a broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA") and Securities Investor Protection Corporation ("SIPC"). The Company is authorized to engage in private placements of securities and merger and acquisition advisory services. The Company does not hold customer funds or safeguard customer securities.

On September 18, 2012, G Equity Investment Group Ltd., an Illinois corporation and member of FINRA, was acquired by Hammond Hanlon Camp LLC as a fully-owned subsidiary. On October 29, 2012, G Equity Investment Group Ltd. changed its name to H2C Securities Inc.

*Summary of Significant Accounting Policies*

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

For purposes relating to the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The Company also includes money markets as cash equivalents.

Accounting principles generally require that recognized revenue, expense, gains and losses be included in net income. Although certain changes in assets and liabilities, such as unrealized gains and losses on available for sale securities, are reported as a separate component of the equity section of the balance sheet, such items, along with net income, are components of comprehensive income.

Notes to Financial Statements  
For the year ended December 31, 2015

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(Continued)

Accounts receivable are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

The company maintains cash balances and deposits with financial institutions that exceed federally insured limits. Management performs periodic evaluations of the relative credit standing of these institutions. The Company has not sustained any material credit losses from these instruments.

Management has reviewed subsequent events through February 12, 2016.

The Company is subject to audit by the taxing agencies for years ending December 31, 2012, 2013 and 2014.

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritized the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820 are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

All assets of \$3,920,058 are considered level 1 at December 31, 2015.

Note 2: NET CAPITAL

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2015 the Company had net capital of \$307,687, which was \$207,687 in excess of its required net capital of \$100,000; and the Company's ratio of aggregate indebtedness to net capital was 0.07 to 1, which is less than the 15 to 1 maximum ratio allowed for a broker dealer.

Note 3: INCOME TAXES

The company and its stockholders have elected S-Corporation status under the federal and state tax laws. As a result, the company is not liable for corporate income taxes but a portion of state taxes. Instead, the stockholders are taxed on the company's taxable income on their individual tax returns. However, the Company was subject to the state of California minimum franchise tax. Income tax expense for yearend December 31, 2015 was \$863.

Note 4: RELATED PARTY

H2C Securities Inc is a fully-owned subsidiary of Hammond Hanlon Camp LLC. Throughout the year, H2C Securities Inc paid expenses (expense reports and payroll charges) totaling \$3,552,160.33 on behalf of Hammond Hanlon Camp LLC. Hammond Hanlon Camp LLC charged H2C Securities \$2,270,947.94 for related charges to client expenses and client payments received by related entity. The end resulting balance as of 12/31/2015 is \$2,580,057.10 owed to H2C Securities Inc from Hammond Hanlon Camp LLC.

Board of Directors  
H2C Securities Inc.  
San Diego, California

In accordance with Rule 17a-5 (e)(4) under the Securities Exchange Act of 1934, I have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the Year Ended December 31, 2015, which were agreed to by H2C Securities Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating H2C Securities Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). H2C Securities Inc.'s management is responsible for H2C Securities Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

1. Compared the listed assessment payment in Form SIPC-7 with respective cash disbursement records entries from the cash disbursements journal and related bank statements and reconciliations, noting no differences;
2. Compared the amounts reported on the audited Form X-17a-5 for the year ended December 31, 2015, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2015, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, such as clearing firms records supporting securities revenues, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers, such as revenues from third party support and bank records supporting the adjustments, noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

## Assertions Regarding Exemption Provisions

We, as members of management of H2C Securities Inc. ("the Company"), are responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements compel a broker or dealer to file annual reports with the Securities Exchange Commission (SEC) and the broker or dealer's designated examining authority (DEA). One of the reports to be included in the annual filing is an exemption report prepared by an independent public accountant based upon a review of assertions provided by the broker or dealer. Pursuant to that requirement, the management of the Company hereby makes the following assertions:

### Identified Exemption Provision:

The Company claims exemption from the custody and reserve provisions of Rule 15c3-3 by operating under the exemption provided by Rule 15c3-3, Paragraph (k)(2)(i)

### Statement Regarding Meeting Exemption Provision:

The Company met the identified exemption provision without exception throughout the period ending January 1, 2015 through December 31, 2015.

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) H2C Securities Inc., identified the following provisions of 17 C.F.R. §15c3-3(k) under which H2C Securities Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k) (2) (i) (the "exemption provision") and (2) H2C Securities Inc., stated that H2C Securities Inc., met the identified exemption provision throughout the most recent fiscal year without exception. H2C Securities Inc.'s management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about H2C Securities Inc.'s compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
