## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Managers and Members of  
**UAT Resources, LLC**

We have audited the accompanying statement of financial condition of UAT Resources, LLC (the "Company") as of December 31, 2015 that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statement. UAT Resources, LLC's management is responsible for this financial statement. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial position presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial condition of UAT Resources, LLC as of December 31, 2015 in accordance with accounting principles generally accepted in the United States of America.

The accompanying financial statement has been prepared assuming that the Company will continue as a going concern. As discussed in Note 2 to the financial statement, the Company has suffered a net loss from operations and sustained negative cash flows from operations, all of which raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 2. The financial statement does not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

## NOTES TO THE FINANCIAL STATEMENT

DECEMBER 31, 2015

---

### NOTE 1 - ORGANIZATION AND PRINCIPAL BUSINESS ACTIVITY

UAT Resources, LLC (the "Company") was formed on February 13, 2012 as a limited liability company under Delaware law and is indirectly a wholly owned subsidiary of UAT Holdings, LLC ("Parent"). All of the common units are owned by the Parent and all of the preferred units are owned by UAT, Inc. UAT, Inc. is a wholly owned subsidiary of the Parent.

Effective November 12, 2012, the Company became a registered broker-dealer with the Securities and Exchange Commission (the "SEC") and became a member of the Financial Industry Regulatory Authority ("FINRA"). The Company is also a member of the Securities Investor Protection Corporation ("SIPC").

The Company plans to provide cost savings programs through trading automation tools to the asset management industry through an automated, innovative and patented workflow and trading technology (the "Technology"). The Company will receive a percentage of the commission earned on certain securities transactions directed by the Technology to the Company's distribution partner.

The Company claims exemption from SEC Rule 15c3-3 under paragraph (k)(2)(i), as it does not hold customer securities or funds on account, as defined.

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### *BASIS OF PRESENTATION AND CONTINUING OPERATIONS*

The accompanying statement of financial condition ("financial statement") has been prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

The accompanying financial statement has been prepared assuming the Company will continue as a going concern. The Company has not yet begun its primary operations or started generating revenues. The Company incurred a significant net loss from its operations and sustained significant negative cash flows from operations. These factors raise substantial doubt about the Company's ability to continue as a going concern. During the year ended December 31, 2015, the Company also received capital contributions from its Parent of \$1.35 million to fund operations. In view of these losses, continuation of operations is dependent upon the Company's ability to generate sufficient sales volume through existing and new product offerings to new clients to cover its operating expenses.

## NOTES TO THE FINANCIAL STATEMENT

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### *BASIS OF PRESENTATION AND CONTINUING OPERATIONS (CONTINUED)*

The Company's plans include receiving additional capital from its Parent (assuming it has the ability to contribute) and generating revenues. The Company will also consider further cost reductions, as business conditions require.

Management believes that while the Company may have adequate resources to sustain operations after implementing some of these measures for the next twelve months, there can be no assurance that the Company will be able to fully execute the plans described above. The accompanying statement of financial condition does not include any adjustments that might result from the outcome of this uncertainty.

#### *CASH AND CASH EQUIVALENTS*

Cash and cash equivalents include cash maintained at U.S. banks which are payable on demand. The Company considers all highly liquid investments purchased with original maturities of three months or less that are not required to be segregated under federal or other regulations to be cash equivalents. The Company maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts.

#### *EQUIPMENT AND SOFTWARE*

Equipment and software are recorded at cost and depreciated over their estimated useful lives using the straight-line method. Estimated useful lives range from three to five years.

#### *INCOME TAXES*

The Company is a disregarded entity for federal income tax purposes and is, therefore, required to be treated as a division of its single member. The earnings and losses of the Company are included in the tax return of the Parent. The Company is not subject to income taxes in any jurisdiction. Each member of the Parent is responsible for the tax liability, if any, related to its proportionate share of the Company's taxable income. Accordingly, no provision for income taxes is reflected in the accompanying financial statements. Management has concluded that the Company is a pass-through entity and there are no uncertain tax positions that would require recognition in the financial statements. The Company would record an income tax liability in the future in the event one becomes necessary. At December 31, 2015, no tax liabilities were required to be recorded.

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### *INCOME TAXES (CONTINUED)*

Management's conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based upon ongoing analyses of tax laws, regulations and interpretations thereof as well as other factors. Generally, federal, state and local authorities may examine the Company's tax returns (as part of the Parent's returns) for three years from the date of filing. These returns remain subject to examinations from 2012 through the current year.

#### *USE OF ESTIMATES*

The preparation of the statement of financial condition in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the statement of financial condition. Actual results could differ from those estimates.

### NOTE 3 - EQUIPMENT AND SOFTWARE

Equipment and software, net, are comprised of the following:

Equipment	\$ 72,363
Software	<u>23,076</u>
	95,439
Less: accumulated depreciation and amortization	<u>(73,626)</u>
<b>Total</b>	<b><u>\$ 21,813</u></b>

### NOTE 4 - COMMITMENTS AND CONTINGENCIES

#### *LEASES*

The Company leases office space under an operating lease. The lease is currently on month to month terms and may be terminated with 30 days advanced notice.

### NOTE 4 - COMMITMENTS AND CONTINGENCIES (CONTINUED)

#### *EMPLOYMENT CONTRACTS AND BONUSES*

The Parent has employment contracts with two of its officers. The contracts provide for compensation, a bonus guarantee, and severance compensation if terminated without cause. Total compensation should all the employment contracts be terminated without cause amounts to \$2,900,000.

The Company has a bonus incentive plan with one of its officers, whereby a bonus of approximately \$457,000 is payable at such time that the Company is cash flow positive, has sufficient cash resources and the Board formally authorizes its payment.

#### *LITIGATION*

The Company is not presently the subject of any pending or threatened litigation or arbitrations.

### NOTE 5 - MEMBER INTERESTS

The Company has two classes of member interests, preferred and common. The preferred interests are entitled to liquidation preference payments ahead of the common interest holder and income distribution payments. As of December 31, 2015, there were 11,400,000 units of common interests authorized, issued and outstanding and 1,000 units of preferred interests authorized, issued and outstanding.

### NOTE 6 - NET CAPITAL REQUIREMENTS AND CUSTOMER PROTECTION REQUIREMENTS

Pursuant to the Uniform Net Capital Rule (Rule 15c3-1) under the Securities and Exchange Act of 1934, the Company is required to maintain net capital as defined, equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness. The Company has been in violation of its minimum net capital requirement at certain times during the year ended December 31, 2015. The Company is in compliance with its minimum net capital requirement at December 31, 2015 and through the date of this report. As of December 31, 2015, the Company had net capital of \$165,192, which was \$160,192 in excess of its requirement.

The Company claims exemption from SEC Rule 15c3-3 under paragraph (k)(2)(i), as it does not hold customer securities or funds on account, as defined. The Company has met the identified exemption provisions on paragraph (k) of Rule 15c3-3 throughout the most recent year ended December 31, 2015 without exception.

### **NOTE 6 - NET CAPITAL REQUIREMENTS AND CUSTOMER PROTECTION REQUIREMENTS (CONTINUED)**

The Company is subject to SEC regulations which restrict the Company's ability to enter into transactions that result in a significant reduction in regulatory net capital without prior notification to or approval from the SEC.

### **NOTE 7 - RELATED PARTIES**

The Company had no receivables from and no payables to affiliates at December 31, 2015.

The Company licenses the Technology from UAT, Inc. The license is perpetual and was provided in exchange for the preferred units of the Company.

### **NOTE 8 - CUSTOMER CONCENTRATIONS**

The Company presently has an exclusive distribution agreement for its product with a single firm. If this major partner of the Company were to terminate its relationship, future revenues could be materially impacted.

### **NOTE 9 - EQUITY-BASED COMPENSATION**

In 2012, the Parent adopted its 2012 Equity Incentive Plan (the "Plan"). The Plan provides for the granting of awards in the form of options exercisable into Class B common interest, profits interests and restricted unit awards to employees, managers, eligible consultants, and other service providers who provide valuable services to the Company. The vesting requirements, performance thresholds and other terms and conditions of options granted under the Plan are determined by the Board of Managers of the Parent. At December 31, 2015, 807,498 units were available for future grants under the Plan.

## NOTES TO THE FINANCIAL STATEMENT

### NOTE 9 - EQUITY-BASED COMPENSATION (CONTINUED)

The following is a summary of option activity for the period ended December 31, 2015:

Header	Units	Weighted average exercise price	Weighted average fair value	Total Value
Outstanding at beginning of year	1,174,979	\$ 0.31	\$ 0.26	\$309,682
Granted	55,760	\$ 0.26	\$ 0.24	\$ 13,360
Exercises	--	\$ --	\$ --	\$ --
Canceled/forfeited	--	\$ --	\$ --	\$ --
Outstanding at end of year	1,230,739	\$ 0.30	\$ 0.26	\$323,042
Exercisable at end of year	917,371	\$ 0.29	\$ 0.29	\$266,322

The weighted average remaining life of the options at December 31, 2015 was 7.34 years.

The Company recognizes in its financial statements the cost resulting from all equity-based payment transactions and all equity-based payments to employees and consultants, including grants of unit options of its Parent based on their fair values on the measurement date, and recognized on a straight-line basis over the vesting period.

During the year-ended December 31, 2015, the Company modified the terms of 427,539 options previously issued to three employees. The modification changed the conditions of forfeiture upon termination of employment. The modification did not result in additional compensation costs.

Compensation cost for equity-based payment awards to consultants for specific services rendered is based on the fair value of the services rendered.

Compensation cost for equity-based payment awards is based on the grant date fair value. The Company uses the Black-Scholes model to estimate the fair value of options. The assessment of the estimated compensation charges will be affected by the Parent's unit price as well as assumptions regarding a number of subjective variables. During 2015, the following assumptions were applied: (1) risk-free interest rates of 0.11%, (2) an expected life of 7 years, (3) expected volatility of 51.4%, and (4) expected forfeitures of 19.9%.

### NOTE 10 - SUBSEQUENT EVENTS

In January 2016, the Company received capital contributions from its parent in the amount of \$125,000.

The Company evaluated all subsequent event activity through February 19, 2016, the date these financial statements were available to be issued. The Company has concluded that, except for the item referenced above, no subsequent events have occurred that would require recognition in the financial statement or disclosures in the notes to the financial statement.
