REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To: The Stockholder
The Winning Edge Financial Group, Inc.

I have audited the accompanying financial statements of The Winning Edge Financial Group, Inc. (a New Jersey Corporation) which comprise the statement of financial condition as of December 31, 2015, and the related statements of operations, changes in liabilities subordinated to claims of creditors, changes in stockholder's equity and cash flows for the year then ended, that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934 and the related notes to the financial statements and supplemental information. The Winning Edge Financial Group, Inc.'s management is responsible for these financial statements. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor was I engaged to perform, an audit of its internal control over financial reporting. My audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, I express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of The Winning Edge Financial Group, Inc. as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Supplemental Information

The Schedule I Computation of Net Capital under Rule 15c3-1, Schedule II Computation for Determination of Reserve Requirements under Rule 15c3-3 (Exemption), Schedule III Information for Possession or Control Requirements under Rule 15c3-3 (Exemption), and Schedule of Aggregate Indebtedness has been subjected to audit procedures performed in conjunction with the audit of The Winning Edge Financial Group, Inc.'s financial statements. The supplemental information is the responsibility of The Winning Edge Financial Group, Inc.'s management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Notes to Financial Statements
Year Ended December 31, 2015

1 Organization and Nature of Business

The Winning Edge Financial Group, Inc. (The Company) is a New Jersey corporation conducting business as securities broker dealer. The Company holds no customer funds or securities and does not participate in the underwriting of Securities. The Company is registered with the SEC and is a member of the Financial Industry Regulatory Authority - ("FINRA").

2 Significant Accounting Policies

(a) Basis of Presentation

The financial statements and accompanying notes are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") unless otherwise disclosed.

(b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

(c) Statement of Cash Flows

For purposes of the statement of cash flows the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months, that are not held for sale in the ordinary course of business. The company has adopted the indirect method of presenting the statement of cash flows in accordance with current authoritative pronouncements.

(d) Accounts Receivable

The Company establishes an allowance for uncollectible trade accounts receivable based on managements evaluation of the collectibility of outstanding accounts receivable. Management has evaluated accounts receivable at December 31, 2015 and believes they are all collectible. Accounts receivable are not collateralized.

(e) Depreciation

Depreciation is provided on a straight-line basis using estimated useful lives of three years for equipment.

Equipment is recorded at cost. Maintenance, repairs and renewals that neither materially add to the value of the property nor appreciably prolong its life are charged to expense as incurred. Gains and losses on disposition of property and equipment are included in income.

THE WINNING EDGE FINANCIAL GROUP, INC.

Notes to Financial Statements
Year Ended December 31, 2015

(f) Revenue Recognition

The Company earns commissions from executing customer transactions in mutual fund securities and variable annuities. The Company recognizes revenue from other fees in the period earned, that is when the transaction has been completed or the services have been rendered.

(g) Income Taxes

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes related primarily to unrealized gain on investments. The deferred tax liability represents the future tax return consequences that will be realized when the asset is settled. No recognition for uncertain tax provisions have been included because the Company believes there are none.

Certain transactions of the Company may be subject to accounting methods for federal and state income tax purposes which differ significantly from the accounting methods used in preparing the financial statements. Accordingly, the net income or loss of the Company and the resulting balances in the shareholder's capital account reported for federal and state income tax purposes may differ from the balances reported for those same items in these financial statements.

The Company recognizes and measures its unrecognized tax benefits in accordance with ASC Topic 740, Income Taxes. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of the financial reporting period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change.

Management has determined that there are no uncertain tax positions which require adjustment or disclosure on the financial statements at December 31, 2015 and there are no open tax years prior to 2011. In addition, no income related penalties & interest have been recorded for the year ended December 31, 2015.

(h) Advertising and Marketing

Advertising and marketing costs are expensed as incurred.

(i) General and Administrative Expenses

General and administrative costs are expensed as incurred.

THE WINNING EDGE FINANCIAL GROUP, INC.

Notes to Financial Statements

Year Ended December 31, 2015

(j) Subsequent Events

The Company has evaluated subsequent events occurring after the statement of financial condition date through the date of February 6, 2016 which is the date the financial statements were available to be issued. Based on this evaluation, the Company has determined that no subsequent events have occurred which require disclosure in or adjustment to the financial statements.

(k) Fair Value Hierarchy

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1. Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.

Level 2. Inputs other than quoted prices included in level 1 that are observable for the assets or liability either directly or indirectly.

Level 3. Inputs are unobservable for the assets or liability.

The availability of observable inputs can vary from security to security and is affected by a wide variety of factors, including, for example, the type of security, the liquidity of markets, and other characteristics particular to the security. To the extent the valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining the fair value is greatest for instruments categorized in level 3.

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

For further discussion of fair value, see "Note 9 Fair Value"

Notes to Financial Statements

Year Ended December 31, 2015

3 Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform New Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the “applicable” exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2015, the Company had net capital of \$82,238, which was \$77,238 in excess of its required minimum net capital of \$5,000. The Company’s net capital ratio was .5087 to 1.

4 Financial Instruments

Investments are presented in the financial statements at market value and is considered a level one input due to the fact that there are quoted prices for identical items in an active, visible and liquid market. The Company uses actual cost paid to determine the cost basis of shares of common stock held. The following is a summary of investments at December 31, 2015:

<u>Common Stock - Level 1 Input</u>	<u>Fair Value</u>
1,500 shares NASDAQ Stock, cost \$18,907	\$87,255

5 Concentrations

The Company maintains its operating cash in a bank deposit account with one major financial institution in amounts which, at times, may exceed federally insured limits. The Federal Deposit insurance Corporation insures the Company’s bank account up to \$250,000. The Company has not experienced any losses on these accounts and believes it is not subject to any significant credit risk.

A significant amount of the Company’s revenues are derived from the sale of open-end mutual funds and variable annuities.

6 Related Party Transactions

The Company leases office space from an affiliated company that is owned by its principal stockholder. There is no written lease agreement and currently the lease is on a month to month basis. The annual rent paid to this related party was \$42,000.

In addition, the Company paid a salary to its principal shareholder of \$58,000, made matching contributions of \$11,600 to the 401K plan and paid \$27,820 for various travel & overhead expenses.

7 Income Taxes

The Company has net operating loss carry forwards that may be offset against future taxable income. The loss carry forwards at December 31, 2015 total approximately \$13,490 and will expire on December 31, 2032.

THE WINNING EDGE FINANCIAL GROUP, INC.

Notes to Financial Statements

Year Ended December 31, 2015

8 Pension Plan

The Company has a 401 Uni(k) Plan which covers the Company's only employee and sole shareholder. Contributions to the plan included the statement of operations for the year ended December 31, 2015 totaled \$11,600.

9 Fair Value

Cash and cash equivalents, receivables, accounts payable and other current liabilities are reflected in the financial statements at carrying value which approximates fair value because of the short-term maturity of these instruments.

10 Commitments and Contingencies

Pursuant to Securities and Exchange Commission Rule 15c3-1(e)(2) the Company may not authorize distributions to its shareholders if such distributions cause the Company's net capital to fall below 120% of the Company's minimum net capital requirement. As of December 31, 2015 the Company was not in violation of this requirement.

The Company had no lease or equipment rental commitments (except as disclosed in Note 6 above), no underwriting commitments, no contingent liabilities, and had not been named as a defendant in any lawsuit at December 31, 2015 or during the year then ended.

12 Exemption from Rule 15c3-3

The Company is exempt from the Securities and Exchange Commission Rule 15c3-3 and, therefore, is not required to maintain a "Special Reserve Bank Account for the Exclusive Benefit of Customers".

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To: The Stockholder

The Winning Edge Financial Group, Inc.

I have reviewed management's statements, included in the accompanying Schedule I Computation of Net Capital under Rule 15c3-1, Schedule II Computation for Determination of Reserve Requirements under Rule 15c3-3 (Exemption), in which (1) The Winning Edge Financial Group, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which The Winning Edge Financial Group, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: under—(k)(1), (the "exemption provisions") and (2) The Winning Edge Financial Group, Inc. stated that The Winning Edge Financial Group, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception and Schedule III Information for Possession or Control Requirements under Rule 15c3-3 (Exemption). The Winning Edge Financial Group, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about The Winning Edge Financial Group, Inc.'s compliance with the exemption provisions. Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(1) of Rule 15c3-3 under the Securities Exchange Act of 1934.
