REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors and Management
Moody Capital Solutions, Inc.

We have audited the accompanying statement of financial condition of Moody Capital Solutions, Inc. as of December 31, 2015, and the related statements of operations, changes in stockholder's equity, and cash flows for the year then ended. These financial statements are the responsibility of Moody Capital Solutions, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Moody Capital Solutions, Inc. as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Schedule I has been subjected to audit procedures performed in conjunction with the audit of Moody Capital Solutions, Inc.'s financial statements. The supplemental information is the responsibility of Moody Capital Solutions, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the Schedule I is fairly stated, in all material respects, in relation to the financial statements as a whole.

MOODY CAPITAL SOLUTIONS, INC.
(a wholly-owned subsidiary of Moody Capital, LLC)

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2015

1. Description of Business

Moody Capital Solutions, Inc. (the "Company") is a registered broker-dealer headquartered in the Atlanta, Georgia metropolitan area. The Company is registered with the Securities and Exchange Commission ("SEC") and the Financial Industry Regulatory Authority ("FINRA"). The Company is engaged in investment banking and corporate finance consulting services with companies throughout the U.S. and Canada.

The Company is a wholly-owned subsidiary of Moody Capital, LLC. The Company's President is the manager and sole member of Moody Capital, LLC, thus both companies are operated under common management. Moody Capital, LLC is a non-broker-dealer corporate finance consulting firm with a client market extending throughout the U.S. and Canada.

2. Summary of Significant Accounting Policies

Revenue Recognition

The Company recognizes revenues at the time investment banking and consulting fees are earned in accordance with the terms of the service agreements with its clients. This occurs when the Company has provided all services and has no further obligations under the agreement, which for investment banking activities typically occurs when the transaction relating to the agreement has consummated.

Cash Equivalents

The Company defines cash equivalents as highly liquid investments, with original maturities of less than 90 days, which are not held for sale in the ordinary course of business.

Property and Equipment

Property and equipment are recorded at cost. Depreciation is provided by the straight-line method over the estimated useful life of the asset, which ranges from five to seven years. Depreciation expense was \$839 for the year ended December 31, 2015.

Income Taxes

The Company files its income tax returns separately from that of its parent using the cash basis of accounting. Deferred income taxes are provided using a liability method. Under the liability method, deferred income tax assets and liabilities are computed annually for differences between the financial statement and tax bases of assets and liabilities that will result in taxable or deductible amounts in future periods based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to an amount expected to be realized. Income tax expense is the tax payable or refundable for the period, plus or minus the change during the period in deferred tax assets and liabilities.

The Company assesses the likelihood, based on their technical merit, that tax positions taken in its tax returns will be sustained upon examination of the facts, circumstances and information available at the end of each financial statement period. Unrecognized tax benefits are measured and recorded as a liability where the Company has determined it to be probable a tax position would not be sustained in the event of an examination by a taxing authority and the amount of the unrecognized tax benefit can be reasonably estimated. The amount recognized is subject to estimate and management judgment with respect to the likely outcome of each uncertain tax position. The amount that is ultimately sustained for an individual uncertain tax position, or for all uncertain tax positions in the aggregate, could differ from the amount recognized.

MOODY CAPITAL SOLUTIONS, INC.
(a wholly-owned subsidiary of Moody Capital, LLC)

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2015

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Management evaluates conditions occurring subsequent to the most recent financial statement reporting period for potential financial statement or disclosure effects. No subsequent events have been identified by management through February 24, 2016, which is the date the financial statements were available for issue.

3. Securities Owned

Securities owned consist entirely of marketable equity securities of publicly-traded companies, normally acquired from the issuer companies as compensation for services. The Company classifies these investments as trading securities and thus reports them at fair value. Changes in unrealized gains and losses due to market price changes of shares held are included in current year earnings. Realized gains and losses from the sales of securities, in addition to unrealized gains and losses are reported together in the statement of operations as net gain or loss on securities owned. Fair values of the securities owned are based on quoted market sources. Realized gains and losses are determined on the basis of specific identification.

4. Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by ASC 820, are used to measure fair value. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad areas:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

Level 2 – Inputs to the valuation methodology are:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability, and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability, including assumptions regarding risk.

MOODY CAPITAL SOLUTIONS, INC.
(a wholly-owned subsidiary of Moody Capital, LLC)

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2015

Investments as measured at fair value on a recurring basis by input type consisted of the following at December 31, 2015:

Description	Level 1	Level 2	Level 3
Common stock - small cap	\$ 9,689	\$ -	\$ -

The Company had no assets or liabilities that were measured and recognized at fair value as of December 31, 2015 on a non-recurring basis.

5. Contingencies and Commitments

The Company can be subject to litigation, arbitration settlements, and regulatory assessments which arise in the ordinary course of business as a registered broker-dealer. The Company recognizes a liability and expense for any such matters at the time exposure to loss is more than remote and an amount of the loss is reasonably determinable. In the opinion of management, there are no outstanding matters at December 31, 2015 requiring contingent loss recognition.

6. Income Taxes

The Company had \$583 of current deferred tax assets and \$88 of non-current deferred income tax assets at December 31, 2015. Temporary differences giving rise to the deferred income tax assets in 2015 consisted substantially of estimated future tax effects arising from net operating losses in prior periods, in addition to differences in depreciation methods and useful lives for long-lived assets used for financial reporting purposes versus methods and useful lives required for income tax purposes. The Company has available at December 31, 2015 an unused operating loss carry-forward of \$3,887 which may be applied against future taxable income, and which expires in 2033.

Management has determined that there is no tax liability resulting from unrecognized tax benefits relating to uncertain income tax positions taken or expected to be taken in the Company's tax return for the year ended December 31, 2015 or in tax returns for prior periods which remain open to examination. No income tax returns are currently under examination. The statute of limitations on the Company's income tax returns remains open for the years ended on or after December 31, 2012.

7. Related Party Transactions

During the year ended December 31, 2015, the Company paid its parent \$22,500 in management fees. No amounts were due to or from the Company's parent as of December 31, 2015.

As of December 31, 2015, the Company was due \$33,368 from its officer for advances made during the year.

The Company's office is co-located with its parent company, however all of the Company's direct business transactions and most of its administrative expenses are transacted, accounted for, and settled independently of its parent. The Company and its parent share limited administrative expenses such as rent and certain office expenses, which are defined along with the expense allocation methodology to be used in an expense sharing agreement.

MOODY CAPITAL SOLUTIONS, INC.
(a wholly-owned subsidiary of Moody Capital, LLC)

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2015

8. Concentration of Revenue

The Company earned revenue from one major customer that accounted for 35% of commission and consulting fees revenue for the year ended December 31, 2015.

9. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (15c3-1) (the "Rule"), which requires the maintenance of minimum net capital. The Rule prohibits the Company from engaging in securities transactions at any time the Company's net capital, as defined by the Rule, is less than \$5,000, or if the ratio of aggregate indebtedness to net capital, both as defined, exceeds 1500% (and the rule of "applicable" exchange provides that equity capital may not be withdrawn, or cash dividends paid, if aggregate indebtedness exceeds 1000% of net capital).

At December 31, 2015, the Company has net allowable capital of \$26,503, which is \$21,503 in excess of the required net capital of \$5,000. The Company's percentage of aggregate indebtedness to net capital is 6.53% as of December 31, 2015. Property and equipment, officer advances, and deferred tax assets reflected in the accompanying financial statements are not allowable assets for the purpose of computing minimum net capital under the Rule. The Company's exemption from the reserve requirements of Rule 15c3-3 (Customer Protection Rule) is under the provisions of Paragraph (k)(2)(i), in that the Company does not receive or hold customer funds or securities in the course of providing its services.

Report of Independent Registered Public Accounting Firm

Board of Directors and Management
Moody Capital Solutions, Inc.

We have reviewed management's statements, included in the accompanying Moody Capital Solutions, Inc. Exemption Report, in which (1) Moody Capital Solutions, Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Moody Capital Solutions, Inc. claimed an exemption from 17 C.F.R. § 240.15c3-3: (2)(i) (the "exemption provisions") and (2) Moody Capital Solutions, Inc. stated that Moody Capital Solutions, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Moody Capital Solutions, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Moody Capital Solutions, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

MOODY CAPITAL

January 21, 2016

To Whom it May Concern:

Moody Capital Solutions, Inc. (the "Company") is a registered broker-dealer subject to Rule 17a-5 promulgated by the Securities and Exchange Commission (17 C.F.R. §240.17a5, "Reports to be made by certain brokers and dealers"). This exemption Report was prepared as required by C.F.R. §240.17a-5(d)(1) and (4). To the best of its knowledge and belief, the Company states the following:

- (1) The Company claimed an exemption from 17 C.F.R. 240.15c3-3 under the following provisions of 17 C.F.R. §240.15c3-3 (k) (2) (i):
and
- (2) The Company met the identified exemption provisions in 17 C.F.R. §240.15c3-3 (k) (2) (i) throughout the most recent fiscal year without exception.¹

I, Tim Moody, affirm that, to my best knowledge and belief, this Exemption Report is true and correct.

Sincerely,

Timothy C. Moody

To the Stockholders
Moody Capital Solutions, Inc.
208 Summitrail Lane
Dawsonville, GA 30534-7781

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2015, which were agreed to by Moody Capital Solutions, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC, solely to assist you and the other specified parties in evaluating Moody Capital Solutions, Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Moody Capital Solutions, Inc.'s management is responsible for the Moody Capital Solutions, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2015, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2015 noting no differences;
3. There were no adjustments reported in Form SIPC-7.
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers (Focus Reports and General Ledger) supporting there were no adjustments, noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences. There was no overpayment noted.
