M&T SECURITIES, INC.
Notes to Financial Statements
December 31, 2015

1. Organization and operations

M&T Securities, Inc. ("the Company") is a wholly owned subsidiary of M&T Bank and is a registered broker-dealer with the Securities and Exchange Commission ("SEC"). The Company provides securities brokerage, investment advisory and insurance services.

The Company has an agreement with a clearing broker under which customer account records are maintained and individual securities and mutual fund transactions are executed. The Company sells mutual funds, fixed income and other securities, and annuity and insurance products in the banking offices of M&T Bank. The mutual fund and annuity activity is either cleared utilizing the clearing broker or self-cleared directly with the mutual fund or insurance companies. Life insurance products are self-cleared directly with insurance companies.

The Company acts as both principal and riskless principal on municipal security transactions and other fixed income government and corporate securities. As principal, securities are purchased from dealers at the market rate and held until sold at a mark-up to the customer. As riskless principal, the Company purchases securities from dealers at the market rate and simultaneously delivers the securities to the customer at a mark-up. Revenues associated with these activities are included in trading revenues in the statement of income. The Company participates in municipal securities underwriting activities as a syndicate member or as part of a selling group. The Company also acts as manager for the issuance and distribution of municipal notes and bonds. Revenues associated with these activities are included in fee revenues in the statement of income. As distributor, the Company may maintain an inventory of these issues until sold.

The Company provides mutual fund shareholder services to the Wilmington Funds, an affiliated open-end registered investment company. The associated revenues totaled \$35,000 in 2015 and are included in fee revenues in the statement of income.

The Company is subject to applicable federal and state securities laws and regulations, the rules of the Financial Industry Regulatory Authority and the Municipal Securities Rulemaking Board, and state insurance laws and regulations.

2. Summary of significant accounting policies

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles ("GAAP"). The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and to disclose contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

A summary of significant accounting policies used in the preparation of the financial statements follows:

Statement of cash flows

For purposes of the statement of cash flows, cash and cash equivalents consist of cash on deposit with M&T Bank and investment in the Wilmington Prime Money Market Fund.

Securities owned

Securities owned are stated at fair value. Realized gains and losses and unrealized changes in fair value of securities owned are included in trading revenues in the statement of income.

Commissions and clearing broker fees

Commissions from brokerage services, mutual funds and sales of annuities that are reasonably estimable are recorded as income on the trade date. Commissions from life insurance sales are recorded when received from the insurance companies. Clearing broker fees and other expenses are recognized as incurred.

Stock-based compensation

Employees of the Company have been granted restricted stock awards, comprised of restricted stock and restricted stock units, and options to purchase shares of common stock of M&T Bank Corporation ("M&T"), the parent company of M&T Bank, under incentive compensation plans of M&T. In addition, a stock purchase plan provides eligible employees of M&T and its subsidiaries the right to purchase shares of M&T common stock at a discount through accumulated payroll deductions. Information regarding the incentive compensation plans of M&T is included in M&T's Annual Report (Form 10-K) as filed with the SEC.

The Company recognizes expense for stock-based compensation using the fair value method of accounting. Stock-based compensation expense is included in employee compensation and benefits expenses in the statement of income. As of December 31, 2015, outstanding stock options and unvested restricted stock

M&T SECURITIES, INC.
Notes to Financial Statements, continued

awards granted to the Company's employees totaled 40,636 (all of which were exercisable) and 23,368, respectively.

2. Summary of significant accounting policies, continued

Furniture and equipment

Furniture and equipment are stated at cost less accumulated depreciation. Depreciation expense is computed principally using the straight-line method over the estimated useful lives of the assets, which are from three to ten years.

Income taxes

The Company is included in the consolidated federal and various combined state and local income tax returns of M&T. Pursuant to an intercompany tax sharing agreement with M&T, the Company remits tax payments to M&T Bank as if it filed a separate return and receives benefits for losses recognized in consolidation. The Company also files separate income tax returns in other state and local jurisdictions.

Deferred tax assets and liabilities are recognized for the future tax effects attributable to differences between the financial statement value of existing assets and liabilities and their respective tax bases and carry-forwards. Deferred tax assets and liabilities are measured using enacted tax rates and laws.

3. Securities owned

The Company maintains a trading inventory, predominantly comprised of municipal notes and bonds, as both principal and riskless principal. Valuations of securities owned by the Company have been classified as Level 2 in the fair value hierarchy established by GAAP. Level 2 valuations are determined from quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar instruments in markets that are not active, or by model-based techniques in which all significant inputs are observable in the market.

M&T SECURITIES, INC.
Notes to Financial Statements, continued

4. Pension plans and other postretirement benefits

The Company participates in M&T's noncontributory defined benefit and defined contribution pension plans covering substantially all full-time employees. Pension benefits accrue to participants based on their level of compensation and number of years of service. M&T makes contributions to its funded qualified defined benefit pension plan as required by government regulation or as deemed appropriate by management after considering factors such as the fair value of plan assets, expected returns on such assets, and the present value of benefit obligations of the plan. The Company recognized a net periodic pension expense in 2015 related to the defined benefit plan of \$1,002,000. Expense recorded by the Company in 2015 related to the defined contribution plan was \$1,247,000. Expenses (benefits) related to the pension plans are included in employee compensation and benefits expenses in the statement of income.

The Company also participates in M&T's defined benefit health care and life insurance plans, which provide benefits for qualified retired employees who reached the age of 55 while working for M&T or its subsidiaries. Substantially all salaried employees are eligible to select coverage in the plans. Net postretirement benefits expense recognized by the Company in 2015 was \$58,000. Such expense is included in employee compensation and benefits expenses.

Additionally, the Company participates in the M&T Bank Corporation Retirement Savings Plan and Trust ("RSP") that is a defined contribution plan in which eligible employees may defer up to 50% of qualified compensation via contributions to the plan. The Company makes an employer matching contribution in an amount equal to 75% of an employee's contribution, up to 4.5% of the employee's qualified compensation. Employee benefits expense resulting from the Company's contributions to the RSP totaled \$1,660,000 in 2015.

Commissions expense paid by the Company for sales of its products by M&T Bank and certain of its subsidiaries are included in employee compensation and benefits and totaled \$134,000 in 2015.

M&T SECURITIES, INC.
Notes to Financial Statements, continued

7. Net capital requirements

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital shall not exceed 15 to 1. The Company's net capital calculated in accordance with SEC Rule 15c3-1 (see Schedule I) was \$31,619,000 at December 31, 2015, which was \$30,772,000 in excess of the minimum required net capital. The Company's ratio of aggregate indebtedness to net capital was 0.40 to 1 at December 31, 2015.

8. Contingent liabilities

In the normal course of business, the Company executes transactions on behalf of customers. If such transactions do not settle because of failure to perform by a party to the transaction the Company may be required to discharge the obligation of the nonperforming party and, as a result, may incur a loss if the market value of the securities is different from the contract amount of the transaction. The Company has not incurred any material losses as a result of this type of nonperformance.

The Company clears certain of its securities transactions through a clearing broker on a fully disclosed basis. Pursuant to the terms of the agreements between the Company and the clearing broker, the clearing broker has the right to charge the Company for losses that result from a counterparty's failure to fulfill its contractual obligations. As the right to charge the Company has no maximum amount and applies to all trades executed through the clearing broker, the Company believes there is no maximum amount assignable to this right. The Company has not incurred any material losses as a result of these guarantees.

The Company has the right to pursue collection or performance from the counterparties who do not perform under their contractual obligations. The Company monitors the credit standing of the clearing broker with which it conducts business.

In the normal course of business, the Company enters into underwriting commitments. At December 31, 2015 the Company had a commitment in the amount of \$763,000 for municipal bonds and notes purchased on a when-issued basis and not settled as of December 31, 2015.

The Company is subject, in the normal course of business, to various pending and threatened legal proceedings in which claims for monetary damages are asserted. Management, after consultation with legal counsel, does not anticipate that the aggregate ultimate liability, if any, arising out of litigation pending and threatened against the Company will be material to the Company's financial position, but at the present time is not in a position to determine whether such litigation will have a material adverse effect on the Company's results of operations in any future reporting period.

Report of Independent Registered Public Accounting Firm

To the Board of Directors and
Management of M&T Securities, Inc.

We have reviewed M&T Securities, Inc.'s (the "Company") assertions, included in the accompanying M&T Securities, Inc.'s Exemption Report, in which (1) the Company identified 17 C.F.R. § 240.15c3-3(k)(2)(i) and (k)(2)(ii) as the provisions under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3 (the "exemption provisions") and (2) the Company stated that it met the identified exemption provisions throughout the year ended December 31, 2015 except as described in its exemption report with respect to the exceptions listed on Appendix A to this report. The Company's management is responsible for the assertions and for compliance with the identified exemption provisions throughout the year ended December 31, 2015.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's assertions referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) and (k)(2)(ii) of 17 C.F.R. § 240.15c3-3.
