Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Compak Securitires, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

## Notes to Financial Statements

### 1. THE COMPANY AND ITS SIGNIFICANT ACCOUNTING POLICIES

**The Company.** Compak Securities, Inc. (the "Company"), a California corporation, is a registered broker-dealer licensed by the United States Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority. The Company provides broker-dealer services as an introducing broker-dealer clearing customer transactions through another broker-dealer on a fully disclosed basis.

**Accounting Estimates.** The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

**Cash and Cash Equivalents.** Cash and cash equivalents are highly liquid investments, with original maturities of less than 90 days. Cash and cash equivalents are composed of interest-bearing deposits, non-interest-bearing deposits and money market funds.

**Investments.** Investments are stated at market value, based on quoted market prices.

**Revenue Recognition.** Security transactions and the related commission revenue are recorded on a trade date basis.

**Income Taxes.** The Company has elected S corporation status under the state and federal tax laws. Accordingly, income or losses pass through to the Company's stockholders, and no provision for federal income taxes has been reflected in the accompanying financial statements. State income taxes have been provided at the reduced rate applicable to S corporations.

**Concentration of Credit Risk.** The Company maintains bank accounts with cash balances that exceed federally insured limits. No credit losses have been experienced on these accounts. Management believes that any potential credit losses would be minimal and, accordingly, no reserve for such losses has been established.

**Financial Instruments.** The carrying values reflected in the statement of financial condition at December 31, 2015 reasonably approximate the fair values for financial instruments. In making such assessment, the Company has utilized discounted cash flow analyses, estimates, and quoted market prices as appropriate. No allowance for potential credit losses was considered necessary at December 31, 2015.

### 2. RELATED PARTY TRANSACTIONS

During the year ended December 31, 2015, the Company paid approximately \$27,000 to Compak Asset Management for the leasing of employees and facilities.

The Company has a non-interest bearing loan receivable of \$50,000, due on demand.

It is possible that the terms of certain of the related party transactions are not the same as those that would result for transactions among wholly unrelated parties.

## Notes to Financial Statements

### 3. NET CAPITAL REQUIREMENTS

Under Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital (as defined) and a ratio of aggregate indebtedness to net capital (as defined) not exceeding 15 to 1.

The Company's ratio at December 31, 2015 was 0.76 to 1. The basic concept of the Rule is liquidity, its object being to require a broker-dealer in securities to have at all times sufficient liquid assets to cover its current indebtedness. At December 31, 2015, the Company had net capital of \$42,917 which was \$37,917 in excess of the amount required by the SEC.

### 4. COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS AND INFORMATION RELATING TO THE POSSESSION AND CONTROL REQUIREMENTS UNDER SEC RULE 15c3-3

The Company relies on Section K(2)(i) of the SEC Rule 15c3-3 to exempt them from the provisions of these rules.

### 5. INCOME TAXES

As discussed in the Summary of Significant Accounting Policies (Note 1), the Company has elected the Subchapter S Corporation tax status; therefore, no provision or liability for federal income taxes is included in these financial statements. The State of California recognizes Subchapter S Corporations for state tax purposes. However, the state imposes a 1.5% tax on the net income and a minimum Franchise Tax of \$800, whichever is greater. For the year ended December 31, 2015, the state income tax provision totaled \$1,955.

### 6. SUBSEQUENT EVENTS

The Company has evaluated subsequent events from the statement of financial condition date through the date at which the financial statements were available to be issued, and determined there were no events which took place that would have a material impact on its financial statements.

### 7. RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

The Company management has reviewed the accounting standards updates issued by the FASB that were either newly issued or had effective implementation dates that would require these provisions to be reflected in the financial statements for the year ending December 31, 2015. Based upon this review, the Company has implemented the pronouncements that require adoption (if any). They have also concluded that the remaining pronouncements have either limited or no application to the Company and in all cases implementation would not have a material impact on the financial comments taken as a whole.
