### INDEPENDENT ACCOUNTANT'S REPORT

Consilium Partners LLC Boston, Massachusetts

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, I have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2015, which were agreed to by Consilium Partners LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., SIPC and other designated examining authority, solely to assist you and the other specified parties in evaluating Consilium Partners LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Consilium Partners LLC's management is responsible for the Consilium Partners LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

- 1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursements records entries in the Bank of America account noting no difference.
- 2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2015, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2015, noting no differences.
- 3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers and reports noting no differences.
- 4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.
- 5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7T on which it was originally computed noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

#### REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Consilium Partners LLC Boston, Massachusetts

I have examined management's assertion included in its representation letter dated February 22, 2016 that Consilium Partners LLC maintained effective internal control over financial reporting and safeguarding securities as of December 31, 2015 and the Company was in compliance with 17 C.F.R sec. 240.15c3-1 (the "net capital rule") as of December 31, 2015 and the information used to state that the company was in compliance with the net capital rule was derived from the Company's books and records. The Company's management is responsible for establishing and maintaining a system of internal control over compliance that has the objective of providing the Company with reasonable assurance that non-compliance with the net capital rule be prevented or detected on a timely basis. My responsibility is to express an opinion on the company's statements based on my examination.

I conducted my examination in accordance with the standards of the public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the examination to obtain reasonable assurance about whether the Company's internal control over compliance was effective during the period January 1, 2015 through December 31, 2015; the Company complied with the net capital rule as of December 31. 2015; and the information used to assert compliance with the net capital rule as of December 31, 2015 was derived from the Company's books and records. My examination includes testing and evaluating the design and operating effectiveness of internal control over compliance, testing and evaluating the Company's compliance with the net capital rule and reserve requirements rule, determining whether the information used to assert compliance with the net capital rule and reserve requirements rule was derived from the Company's books and records, and performing such other procedures as we considered necessary in the circumstances.

I believe that my examination provides a reasonable basis for our opinion.

Sincerely,

George J Roberts, CPA, PC

Review Report on Exemption Provision

#### REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

I have reviewed management's statements, included in the accompanying exemption statement report, in which (1) Consilium Partners LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Consilium Partners LLC claimed an exemption from 17 C.F.R. § 240.15c3-3: (exemption provision—(k)(2)(i)) Consilium Partners LLC stated that Consilium Partners LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Consilium Partners LLC 's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Consilium Partners LLC 's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) exemption provision of Rule 15c3-3 under the Securities Exchange Act of 1934.

#### Dear George:

In connection with your annual audit of Consilium, we are providing this letter confirming the exemption we claim under SEC Rule 15c3-3 regarding reserves related to customer funds or securities. As a 'non-carrying' broker, we believe Consilium qualifies for an exemption under paragraph (k)(2)(i) which states "The provisions of this rule shall not be applicable to a broker or dealer that does not hold funds or securities for, or owe money or securities to, customers and effectuates all financial transactions between the broker or dealer and its customers through one or more bank accounts". As you know, Consilium does not and has never held customer funds or securities or owe money for securities to customers.

Further we hereby confirm that Consilium met this exemption provision troughout 2015 without exception.

Please let me know if you have any comments or questions.

Sincerely,

Chief Financial Officer
