Report of Independent Registered Public Accounting Firm

To The Board of Directors of:
Park City Capital, Inc.

We have audited the accompanying statement of financial condition of Park City Capital, Inc. as of December 31, 2015, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended. These financial statements are the responsibility of Park City Capital Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Park City Capital, Inc. as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

The computation of net capital pursuant to Rule 15c3-1 of the Securities and Exchange Commission and the reserve requirements and possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission has been subjected to audit procedures performed in conjunction with the audit of Park City Capital, Inc.'s financial statements. The computation of net capital pursuant to Rule 15c3-1 of the Securities and Exchange Commission and the reserve requirements and possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission is the responsibility of Park City Capital, Inc.'s management. Our audit procedures included determining whether the computation of net capital pursuant to Rule 15c3-1 of the Securities and Exchange Commission and the reserve requirements and possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission reconciled to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the computation of net capital pursuant to Rule 15c3-1 of the

Securities and Exchange Commission and the reserve requirements and possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission. In forming our opinion on the computation of net capital pursuant to Rule 15c3-1 of the Securities and Exchange Commission and the reserve requirements and possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission, we evaluated whether the computation of net capital pursuant to Rule 15c3-1 of the Securities and Exchange Commission and the reserve requirements and possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission, including its form and content is presented in conformity with 17 C.F.R. & 240.17a-5. In our opinion, the computation of net capital pursuant to Rule 15c3-1 of the Securities and Exchange Commission and the reserve requirements and possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

Organization

Park City Capital, Inc. was incorporated in the State of Delaware on February 8, 1985 for the purpose of acting as a securities broker-dealer. The Company is registered with the U.S. Securities and Exchange Commission ("SEC"), the Financial Industry Regulatory Authority ("FINRA") and is a member of the Securities Investor Protection Corporation ("SIPC"). Its' primary business is the sale of redeemable shares of registered investment companies, insurance annuity contracts to public customers and private placement agent fees.

Estimates

The preparation of financial statements in conformity with general accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Mutual Fund Fees

Broker-dealers acting as mutual fund distributors may earn 12b-1 fees, paid by the fund to the broker-dealer to cover distribution expenses which encompass marketing and selling of fund shares.

Accounting for Uncertainty in Income Taxes

Effective January 1, 2009, the Company adopted the provision of FASB Accounting Standards Codification 740-10 (formerly FIN 48) "Accounting for Uncertainty in Income Taxes" ("ASC 740-10"). ASC 740-10 Clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements by prescribing a recognition threshold and measurement attributes for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. ASC 740-10 also provides guidance on derecognition, classification, interest and penalties accounting for interim periods,

disclosure and transition. It is the Company's policy to record interest and penalties related to uncertain income tax positions, if any, as a component of income tax expense. Prior to adopting ASC 740-10, the company used the guidance in ASC 450 (formerly SFAS No. 5 "Accounting for Contingencies"). The adoption of ASC 740-10 had no effect on the financial statements of the Company.

As of December 31, 2015, the Company had no uncertain tax positions that would require recognition or disclosure in the financial statements. The Company files U.S. and Pennsylvania income tax returns. Returns for the years ended December 31, 2012 to 2015 remain open for audit.

NOTE 2 - INCOME TAXES

Deferred income tax assets and liabilities are determined using the liability (or balance sheet) method. Under this method, the net deferred tax asset or liability is determined based on the tax effects of the difference between the book and tax basis of the various balance sheet assets and liabilities and gives current recognition to changes in tax rates and laws. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion of the deferred tax assets will not be realized.

At December 31, 2015, the Company had net operating loss carryovers for federal income tax purposes of approximately \$65,242.

The provision for deferred federal and state income benefit for the year ended December 31, 2015 consisted of the following:

Federal	\$ 1161
State	<u>860</u>
	<u>\$ 2,021</u>

Net deferred tax assets consist of the following components as of December 31, 2015:

Deferred tax assets:	
Loss carry forward	<u>\$ 18,398</u>

PARK CITY CAPITAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015

NOTE 3 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital of the greater of \$5,000 or 6 2/3% of aggregate indebtedness and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The rule also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2015, the Company had net capital of \$29,188, which was \$24,188 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was .4059 to 1 as of December 31, 2015.

NOTE 4 - CAPITAL STOCK

On February 28, 1993, the Company adopted and filed an amendment to the Certificate of Incorporation authorizing 100,000 shares of capital stock with a par value of one cent (\$.01) per share. Since that date, no other changes have occurred.

NOTE 5 - SUBSEQUENT EVENTS

Events of the Company, subsequent to December 31, 2015 have been evaluated through February 25, 2016. This is the date the financial statements were available to be issued for the purpose of identifying events requiring recording or disclosure in the financial statements for the year ended December 31, 2015. No subsequent events were identified that require disclosure.
