Board of Members
Comstock Partners, LLC
Beverly Hills, California

I have audited the accompanying statement of financial condition of Comstock Partners, LLC as of December 31, 2015 and the related statements of income, changes in members' equity, and cash flows for the year then ended. These financial statements are the responsibility of Comstock Partners, LLC's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Comstock Partners, LLC as of December 31, 2015 and the results of its operations and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental information for the year ended December 31, 2015 (Schedule I, Statement of Net Capital Under Rule 15c3-1, Schedule II, Determination of Determination of Reserve Requirements Under Rule 15c3-3 (exemption), and Schedule III, Information for Possession or Control Requirements Under Rule 15c3-3 (exemption)) has been subjected to audit procedures performed in conjunction with the audit of Comstock Partners, LLC's financial statements. The supplemental information is the responsibility of Comstock Partners, LLC's management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on supplemental information, I evaluated whether the supplemental information, including the form and content is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

This opinion is intended solely for the information and use of the board of members, the Securities and Exchange Commission, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Notes to Financial Statements
For the year ended December 31, 2015

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Comstock Partners, LLC (the "Company"), was formed on April 16, 1995, in the State of California as a limited liability company, and subsequently converted to a Nevada LLC on May 15, 1998. The Company is registered as a broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA") and Securities Investor Protection Corporation ("SIPC"). The Company is authorized to provide financial and business advisory services including investment advisory and private placement services to corporations, financial institutions and other businesses. The Company does not hold customer funds or safeguard customer securities.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

For purposes relating to the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The Company also includes money markets as cash equivalents.

Financial advisory fees are recognized as earned on a pro rata basis over the term of the contract. Fees that are paid on a success basis are recognized in full on the completion of a project.

Property and equipment are stated at cost. Repairs and maintenance to these assets are charged to expense as incurred; major improvements enhancing the function and/or useful life are capitalized. When items are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gains or losses arising from such transactions are recognized. Property and equipment are depreciated over their estimated useful lives of five (5) to forty (40) years by the straight-line method.

The Company, with the consent of its Members, has elected to be a Limited Liability Company. For tax purposes, the Company is treated like a partnership, therefore in lieu of business income taxes, the Members are taxed on the Company's taxable income. Accordingly, no provision or liability for Federal Income Taxes is included in these financial statements. The State of California has similar treatment, although there exists a provision for a minimum Franchise Tax of \$800 plus a fee based upon gross receipts.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Accounting principles generally require that recognized revenue, expense, gains and losses be included in net income. Although certain changes in assets and liabilities, such as unrealized gains and losses on available for sale securities, are reported as a separate component of the equity section of the balance sheet, such items, along with net income, are components of comprehensive income.

The Company is engaged in various trading and brokerage activities in whose counterparties primarily include broker/dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends upon the creditworthiness of the counterparty or issuer of the instrument. To mitigate the risk of loss, the Company maintains its accounts with credit worthy customers and counterparties.

Management has reviewed subsequent events through February 8, 2016, the issuance date of these financials.

The Company is subject to audit by the taxing agencies for years ending December 31, 2012, 2013 and 2014.

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritized the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820 are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

All assets of \$80,570 at December 31, 2015 are considered Level 1.

Note 2: GOING CONCERN:

The Company has not consistently earned enough revenue to support its direct expenses. The viability of the Company to continue as a going concern is a function of the members' capital and future capital contributions and generating revenue.

Note 3: PROPERTY AND EQUIPMENT, NET

Property and equipment are recorded at cost and summarized by major classifications as follows:

Office equipment	\$	14,256
Furniture & fixtures		40,687
Office improvement		<u>109,056</u>
		163,999
Less accumulated depreciation		<u>(97,272)</u>
Property and equipment, net	\$	<u>66,726</u>

For the year ended December 31, 2015 depreciation expense was \$ 2,901.

Note 5: INCOME TAXES

As discussed in the Summary of Significant Accounting Policies (Note 1), the Company is a Nevada LLC doing business in California. The Company is subject to a limited liability company gross receipts fee and a minimum franchise tax of \$800. At December 31, 2015 the Company was only subject to the minimum limited liability company income tax or \$800.

Note: 6: NET CAPITAL

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2015 the Company had net capital of \$12,172 which was \$7,172 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness \$1,530 to net capital was 0.13 to 1, which is less than the 15 to 1 maximum ratio allowed for a broker dealer.

Note: 7 RELATED PARTY:

At December 31, 2015, the Company owed Comstock Investors, a related entity \$1,530 for costs advanced on their behalf during year 2015. This money is expected to be repaid in the first quarter of 2016. While the Company and Comstock Investors share some related expenses, all the costs are paid by Comstock Investors with no repayment by the Company.

Assertions Regarding Exemption Provisions

We, as members of management of Comstock Partners, LLC ("the Company"), are responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements compel a broker or dealer to file annual reports with the Securities Exchange Commission (SEC) and the broker or dealer's designated examining authority (DEA). Comstock Partners, LLC

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) Comstock Partners, LLC, identified the following provisions of 17 C.F.R. §15c3-3(k) under) Comstock Partners, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) (the "exemption provision") and (2)) Comstock Partners, LLC, stated that) Comstock Partners, LLC, met the identified exemption provision throughout the most recent fiscal year without exception.) Comstock Partners, LLC's management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about) Comstock Partners, LLC's compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
