We have audited the accompanying statement of financial condition of Watson Management Associates, LLC as of December 31, 2015. This financial statement is the responsibility of Watson Management Associates, LLC's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial position. WATSON MANAGEMENT ASSOCIATES, LLC
(A Limited Liability Company)
NOTES TO THE STATEMENT OF FINANCIAL CONDITION
DECEMBER 31, 2015

1. ORGANIZATION AND DESCRIPTION OF BUSINESS

Watson Management Associates, LLC (the "Company") was formed as a Delaware limited liability company on May 2, 2005. The Company is registered as a broker-dealer in securities with the Securities and Exchange Commission ("SEC") and was approved as a member of the Financial Industry Regulatory Authority, Inc. ("FINRA") on April 26, 2006. The Company was formed to act as an introducing broker of investors to investment funds, private placements or private offerings, private fund managers, and investment advisors. The sole member of the Company (the "member") is also the sole member of a related entity that provides services and receives referral fees for non-securities-related transactions (see Note 4).

Since the Company is a limited liability company, the member is not liable for the debts, obligations, or liabilities of the Company, whether arising in contract, tort or otherwise, unless the member has signed a specific guarantee. The limited liability agreement provides for the dissolution of the Company on December 31, 2035, unless dissolved earlier by the member.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. INCOME TAXES

The Company is a single-member limited liability company and is treated as a "disregarded entity" for tax purposes. The Company's assets, liabilities, and items of income, deductions, and tax credits are treated as those of the member, who is responsible for any taxes thereon. The Company is subject to the New York City Unincorporated Business Tax ("UBT").

At December 31, 2015, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. The Company is no longer subject to local income tax examinations by taxing authorities for years before 2012.

4. RELATED-PARTY TRANSACTIONS

In accordance with an agreement between the member and the Company, operating expenses of the Company are paid by the member. Under the agreement, the member allocates to the Company its share of these operating expenses, including rent, telephone and other expenses normally associated with the operation of the Company.

5. NET CAPITAL REQUIREMENTS

The Company is subject to the uniform net capital requirements of Rule 15c3-1 (the "Rule") of the Securities and Exchange Act, as amended, which requires the Company to maintain, at all times, sufficient liquid assets to cover indebtedness. In accordance with the Rule, the Company is required to maintain defined minimum net capital of the greater of \$5,000 or 6 2/3% of aggregate indebtedness.

At December 31, 2015, the Company had net capital, as defined, of \$140,770, which exceeded the required minimum net capital of \$5,000 by \$135,770. Aggregate indebtedness at December 31, 2015 totaled \$19,432. The Company's percentage of aggregate indebtedness to net capital was 13.8% at December 31, 2015.

6. SUBSEQUENT EVENTS

Management of the Company has evaluated events and transactions that have occurred since December 31, 2015 and determined that there are no material events that would require disclosures in the Company's statement of financial condition.
