#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Furniture and Equipment

Furniture and equipment are recorded at historical cost and depreciated using the straightline method over the estimated useful lives of the respective assets which range from five to ten years. The cost of repairs and maintenance is expensed as incurred. When furniture and equipment are retired, or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in income for the period. #### Income Taxes

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes related primarily to differences between the bases of certain assets and liabilities for financial and tax reporting. The amount of current and deferred taxes payable or refundable is recognized as of the date of the financial statements utilizing currently enacted tax laws and rates. Deferred tax expense or benefit is recognized in the financial statements for the changes in deferred tax liabilities or assets between years.

The Company recognizes interest accrued related to unrecognized tax benefits in interest expense and any penalties as operating expenses.

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent events past this date, as they pertain to the year ended December 31, 2015, have not been evaluated by the Company.

#### 2. CONCENTRATION OF CREDIT RISK

The Company is engaged in various trading and brokerage activities with banks, other financial institutions and other broker-dealers. In the event one of these parties does not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the credit worthiness of the other party to the transaction.

The Company maintains cash balances at several financial institutions. Accounts at these institutions are insured by the Federal Deposit Insurance Corporation up to \$250,000. During the year, the balances at these financial institutions may exceed the FDIC insured limits.

#### 3. ACCOUNTS AND NOTES RECEIVABLE

Payment is generally received in the month subsequent to year-end. Lexington Investment Company, Inc. does not require collateral under its present arrangement with these broker-dealers. #### 4. FURNITURE AND EQUIPMENT

Net furniture and equipment	<u>\$</u>	2,176

#### 7. INDEMNIFICATIONS

The Company indemnifies clients against potential losses incurred in the event certain thirdparty service providers, including sub-custodians and third-party brokers, execute transactions improperly. The potential future payments under this indemnification policy cannot be estimated. However, the Company believes that it is unlikely it will incur material obligations under this agreement; therefore, no contingent liability has been recognized in the accompanying financial statements.

## 8. PROVISION FOR INCOME TAXES

Lexington Investment Company, Inc. is taxed as a corporation. The amount provided for income taxes is based on income reported for financial statement purposes adjusted for permanent differences between reported financial and taxable income. Deferred income taxes are provided for timing differences related to certain income and expense items which are recognized for financial accounting purposes in one accounting period and for tax purposes in another accounting period.

These temporary timing differences relate to the recognition of depreciation expense for income tax and financial statement purposes, to contributions that are not allowed for income tax purposes in the current year that carry forward to reduce future taxable income.

Income tax expense pertaining to continuing operations for 2015, consists of the following:

Current expense (benefit):		
Federal	\$	6,925
State and local	<u></u>	3,271
		10,196
Deferred		616
Total provision for income tax	<u>\$</u>	<u>10,812</u>

## 8. PROVISION FOR INCOME TAXES (CONTINUED)

Net deferred tax asset as of December 31, 2015, consists of the following:

Deferred tax asset: Capital loss carryforward Contributions carryforward	\$    8,701 
Gross deferred tax assets	8,982
Deferred tax liabilities: Depreciation Valuation allowance	(827) <u>(8,701)</u>
Gross deferred tax liabilities	(9,528)
Deferred tax liability, net	<u>\$                                    </u>

A valuation allowance is provided for the excess of the deferred tax asset over the deferred tax liability related to the capital loss carry forward, since it is uncertain if the tax benefits will ever be realized. The valuation allowance related to deferred tax assets decreased by \$2,772 in 2015.

The total income tax provision differs from the amount that would be obtained by applying the federal statutory rate of 35% to income from continuing operations before income taxes, as follows:

Expected income tax expense	\$ 12,016
State and local income taxes Non-deductible expenses Graduated rates Deferred tax accrual	3,271 5,394 (1,531) <u>616</u> 7,750
Total provision for income tax	<u>\$ 10.812</u>

As of December 31, 2015, there are no identified uncertain tax positions. The Company files income tax returns in the U.S. federal jurisdiction and the state of Kentucky. The Company is no longer subject to U.S. federal income tax examinations by tax authorities for the years before 2012. With respect to the state of Kentucky, the Company is no longer subject to income tax audits for years before 2011.

At December 31, 2015, the Company has a capital loss carry forward totaling \$22,898, which expires in 2019. These losses may offset against future capital gains should capital gains be realized before the expiration of the losses. To the Shareholder of Lexington Investment Company, Inc.

We have reviewed management's statements, included in assertions made in Part 11A of Lexington Investment Company, Inc.'s (the "Company") Financial and Operational Combined Uniform Single Report ("Focus Report"), in which (1) the Company identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(ii) (the "exemption provisions") and (2) the Company stated that they met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board ("United States") and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
