NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2015

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

BMA Securities, LLC (the Company), is a broker-dealer registered with the Securities and Exchange Commission (the SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company, which was formed in the state of Delaware on July 2, 2014 is based in El Segundo, California.

On June 30, 2015, the Company entered into an Assignment and Assumption Agreement whereby the Company agreed to accept the assets and assume the liabilities of Burt Martin Arnold Securities, Inc. (the "Corporation") and immediately thereafter in consideration of such Assignment issue 100% of the membership units of the Company to the Corporation's wholly owned subsidiary's, wholly owned subsidiary.

These financial statements reflect \$162,681 in deferred taxes that arose from previous net operating loss carryforwards, book to tax differences in depreciation and unrealized gains of the Corporation that will not be utilized by the Company due to this transaction.

The accompanying financial statements reflect the combined operations of Burt Martin Arnold Securities, Inc. and BMA Securities, LLC for the twelve months ended December 31, 2015.

The Company's primary source of revenue is securities trading and market making. The Company also generates revenue by providing brokerage services to customers. The Company is considered an introducing broker whereby customer orders are accepted but are cleared through one or more clearing organizations, which are unaffiliated with the Company. The Company is a fully-disclosed broker-dealer and, as such, is exempt from SEC Rule 15c3-3 under exemption provision paragraph (K) (2) (ii).

Revenue recognition

Brokerage commissions and market making, and principal transactions and related clearing expenses are recorded on a trade-date basis as securities transactions occur. Customers' securities and commodities transactions are reported on a settlement date basis.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ significantly from those estimates.

Cash and cash equivalents

The Company considers all liquid investments with original maturities of three months or less to be cash equivalents. From time to time, the Company's cash account balances may exceed federally insured limits. The Company has not experienced any losses to date.

BMA SECURITIES, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2015

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Receivables and convertible note receivable

The allowance for losses on receivables reflects management's best estimate of probable losses determined principally on the basis of historical experience. For notes receivable, the allowance for losses is determined primarily on the basis of management's best estimate of probable losses, including specific allowances for known troubled accounts. All accounts or portions thereof deemed to be uncollectible or to require excessive collection cost are written off to the allowance for losses.

Property and equipment

Property and equipment is recorded at cost. Depreciation is computed using the straight-line method over the asset's estimated useful life of 5 years. Leasehold improvements are amortized over the shorter of the life of the improvement or the term of the lease. Total depreciation and amortization expense for the year ended December 31, 2015, was \$113,002.

Securities owned and securities sold, not yet purchased

Securities owned, which are readily marketable, and securities sold, not yet purchased are recorded at estimated fair value. Securities sold, not yet purchased represent obligations of the Company to deliver specified securities at contracted prices, thereby creating a liability to purchase the securities at prevailing market prices. Securities owned which are not readily marketable, are valued at estimated fair value as determined by management. The resulting difference between cost and estimated fair value is included in income (loss).

Income taxes

The Company is a limited liability company treated as a partnership for federal and state income tax purpose with all income tax and/or benefits of the Company being passed through to the members. As such, no recognition of federal or state income taxes for the Company have been provided in the accompanying financial statement. Any uncertain tax position by any of the members is not an uncertain tax position of the Company.

Fair value of financial instruments

Fair value estimates discussed herein are based upon certain market assumptions and pertinent information available to management as of December 31, 2015. The respective carrying value of certain on-balance-sheet financial instruments approximates their fair values. These financial instruments include cash, receivables from broker-dealers and clearing organizations, other securities, receivables from employees, accounts payable and accrued expenses, securities sold, not yet purchased, and payables to broker-dealers and clearing organizations. Fair values are assumed to approximate carrying values for these items because they are short term in nature.

BMA SECURITIES, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2015

NOTE 2 – RECEIVABLES FROM AND PAYABLES BROKER-DEALERS AND CLEARING ORGANIZATIONS

At the end of 2015, the Company had fully disclosed clearing agreements with two clearing organizations: COR Clearing LLC and Industrial & Commercial Bank of China Financial Services. Each agreement states that the agent clears securities transactions for the Company's customers and also performs certain "back office" functions for the Company. These functions include, among other things, processing customer orders as they are transmitted to the clearing agent, preparing and mailing transaction confirmations and customer statements directly to the customers and performing all cashiering functions for customer accounts.

The Company receives commission and fee income from the clearing agents based on the number and size of transactions. The Company generally pays all costs associated with transactions executed through the clearing agents plus a fee per transaction based on the amount of business transacted during the month. Each agreement requires that the Company maintain a cash deposit with the agent. At year end, the cash deposits totaled \$350,034; \$99,965 deposited with COR and \$250,069 deposited with ICBC. These deposits were included in receivables from broker-dealers and clearing organizations at December 31, 2015.

It is the Company's policy to continually review the performance of its clearing agents to ascertain their credit standing and financial viability. The Company may be exposed to risk if a clearing agent is unable to continue to perform under their agreement. Based upon future circumstances, the Company may add or delete one or more clearing organizations.

Receivables from and payables to broker-dealers and clearing organizations at December 31, 2015, consist of the following:

	Receivables	Payables
Receivable from clearing organizations	\$ 1,571,438	\$ -

NOTE 3 – CONVERTIBLE NOTE RECEIVABLE

On June 30, 2014, the Company purchased a secured convertible promissory note from CorGreen Technologies with a principal amount of \$92,625. Interest accrued on the note at a rate of 10% per annum and matured on December 27, 2014. The conversion price of the note is \$1.00 per share. No payment was received from CorGreen Technologies as of the date of these financial statements.

BMA SECURITIES, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2015

NOTE 3 – CONVERTIBLE NOTE RECEIVABLE (continued)

The Company considers a note to be impaired when, based on current information and events, it is probable that the Company will be unable to collect all amounts in accordance with the contractual terms of the promissory note. The Company bases the measurement of convertible note receivable on the fair market value of the note's conversion. During 2014, the Company recognized an impairment expense of \$86,790 resulting from nonpayment and fair value of the note's conversion.

NOTE 4 – DISCLOSURES ABOUT FAIR VALUE OF ASSETS AND LIABILITIES

ASC Topic 820, *Fair Value Measurements*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Topic 820 also specifies a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying balance sheets measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2015:

		December 31, 2015		
		Fair Value Measurements Using		
		Quoted Prices	Significant	Significant

NOTE 9 – CONCENTRATIONS OF CREDIT RISK

In the normal course of business the Company's customer activities involve the execution and settlement of various customer securities that settle in accordance with industry practices, which for most securities, is currently three business days after the trade date. These activities may expose the Company to off-balance sheet credit and market risk in the event the customer or other broker is unable to fulfill its contracted obligations and the Company is required to purchase or sell the financial instrument underlying the contract at a loss. The risk of default depends on the creditworthiness of the customer or issuer of the financial instrument held as collateral.

The Company had a \$1,000,000 subordinated loan beginning October 2013 with an employee in the form of an unsecured promissory note that was due on or before October 31, 2016. We have reviewed management's statements, included in the accompanying Assertions Regarding Exemption Provisions, in which (1) BMA Securities, LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which BMA Securities, LLC claimed an exemption from 17 C.F.R. § 240.15c3-3(k)(2)(ii) (the "exemption provisions") and (2) BMA Securities, LLC stated that BMA Securities, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. BMA Securities, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about BMA Securities, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

BMA Securities, LLC's management is responsible for BMA Securities, LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries contained in the client general ledger noting no differences;
2. Compared amounts reported on the unaudited Form X-17A-5 for the year ended December 31, 2015, with the amounts reported in General Assessment Reconciliation (Form SIPC-7) for the year ended December 31, 2015, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with client prepared supporting schedules and working papers contained in our "A" work papers noting no differences;
4. Proved the arithmetical accuracy of the calculations in the Form SIPC-7 and in the related schedules and working papers prepared by BMA Securities, LLC supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
