REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To: The Member
CapFi Partners LLC

I have audited the accompanying financial statements of CapFi Partners LLC (a Delaware Limited Liability Company) which comprise the statement of financial condition as of December 31, 2015, and the related statements of operations, changes in member equity and cash flows for the year then ended, that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934 and the related notes to the financial statements and supplemental information. CapFi Partners LLC's management is responsible for these financial statements. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor was I engaged to perform, an audit of its internal control over financial reporting. My audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, I express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of CapFi Partners LLC as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Schedule I Computation of Net Capital under Rule 15c3-1, Schedule II Computation for Determination of Reserve Requirements under Rule 15c3-3 (Exemption), Schedule III Information for Possession or Control Requirements under Rule 15c3-3 (Exemption), and Schedule of Aggregate Indebtedness has been subjected to audit procedures performed in conjunction with the audit of CapFi Partners LLC's financial statements. The supplemental information is the responsibility of CapFi Partners's management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

CAPI PARTNERS LLC

Notes to Financial Statements
Year Ended December 31, 2015

1 Organization and Nature of Business

CapFi Partners, LLC (Formerly K&Z Partners, LLC) (the Company) is a Delaware limited liability company located in Washington, DC. The Company is a broker dealer registered with the Securities Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA) and the Securities Investor Protection Corporation - SIPC.

The Company is a financial services firm specializing in the business of providing asset and risk management consulting advice to high net worth individuals and institutions. The Company holds no customer funds or securities and does not participate in the underwriting of Securities. Accordingly, the Company claims exemption from the requirements of Rule 15c3-3 under section (k)(2)(i) of the rule.

2 Significant Accounting Policies

(a) Basis of Presentation

The financial statements and accompanying notes are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") unless otherwise disclosed.

(b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

(c) Statement of Cash Flows

For purposes of the statement of cash flows the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months, that are not held for sale in the ordinary course of business. The company has adopted the indirect method of presenting the statement of cash flows in accordance with current authoritative pronouncements. The Company includes as cash and cash equivalents amounts invested in money market funds. The Company's cash is held by a major financial institution and is insured by the Federal Deposit Insurance Corporation up to \$250,000.

(d) Accounts Receivable

There were no accounts receivable at December 31, 2015.

CAPFI PARTNERS LLC

Notes to Financial Statements Year Ended December 31, 2015

(e) Depreciation

Depreciation is provided on a straight-line basis using estimated useful lives of the equipment.

Equipment is recorded at cost. Maintenance, repairs and renewals that neither materially add to the value of the property nor appreciably prolong its life are charged to expense as incurred. Gains and losses on disposition of property and equipment are included in income.

(f) Revenue Recognition

The Company recognizes revenue from advisory, commissions and retainer fees in the period received, generally when the assignment has been completed or as the advisory services are delivered.

(g) Income Taxes

The Company is treated as a sole proprietorship (disregarded entity) for federal income tax purposes. Therefore, no provision or liability for federal or state income taxes has been included in the financial statements. The Company's tax returns and the amount of income or loss allocable to the member are subject to examination by federal and state taxing authorities. In the event of an examination of the Company's tax return, the tax liability of the member could be changed if an adjustment in the Company's income or loss is ultimately determined by the taxing authorities.

Certain transactions of the Company's may be subject to accounting methods for federal and state income tax purposes which differ significantly from the accounting methods used in preparing the financial statements. Accordingly, the net income or loss of the Company and the resulting balances in the members' capital account reported for federal and state income tax purposes may differ from the balances reported for those same items in these financial statements.

The Company recognizes and measures its unrecognized tax benefits in accordance with ASC Topic 740, Income Taxes. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of the financial reporting period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change.

Management has determined that the Company has no uncertain tax positions that would require financial statement recognition at December 31, 2014. This determination will always be subject to ongoing evaluation as facts and circumstances may require. The Company remains subject to U.S. federal and state income tax audits for all years subsequent to 2011.

In addition, no income tax related penalties or interest have been recorded for the year ended December 31, 2015.

CAPFI PARTNERS LLC

Notes to Financial Statements Year Ended December 31, 2015

(h) Subsequent Events

The Company has evaluated subsequent events occurring after the statement of financial condition date through the date of February 4, 2016 which is the date the financial statements were available to be issued. Based on this evaluation, the Company has determined that no subsequent events have occurred which require disclosure in or adjustment to the financial statements.

(i) Fair Value Hierarchy

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1. Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.

Level 2. Inputs other than quoted prices included in Level 1 that are observable for the assets or liability either directly or indirectly.

Level 3. Inputs are unobservable for the assets or liability.

The availability of observable inputs can vary from security to security and is affected by a wide variety of factors, including, for example, the type of security, the liquidity of markets, and other characteristics particular to the security. To the extent the valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining the fair value is greatest for instruments categorized in level 3.

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

For further discussion of fair value, see "Note 6 Fair Value"

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To: The Member
CapFi Partners LLC

I have reviewed management's statements, included in the accompanying Schedule I Computation of Net Capital under Rule 15c3-1, Schedule II Computation for Determination of Reserve Requirements under Rule 15c3-3 (Exemption), in which (1) CapFi Partners LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which CapFi Partners LLC claimed an exemption from 17 C.F.R. §240.15c3-3: under—(k)(2)(i), (the "exemption provisions") and (2) CapFi Partners LLC stated that CapFi Partners LLC met the identified exemption provisions throughout the most recent fiscal year without exception and Schedule III Information for Possession or Control Requirements under Rule 15c3-3 (Exemption). CapFi Partners LLC's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about CapFi Partners LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

1. Compared listed assessment payments on SIPC-7 with respective cash disbursements journals, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2015, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2015, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences, and
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences.

My findings are included on the attached SIPC General Assessment Reconciliation schedule. I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
