REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors and Stockholder Falkenberg Capital Corporation Denver, Colorado

We have audited the accompanying statements of financial condition of Falkenberg Capital Corporation (an S-Corporation) as of December 31, 2015 and 2014, and the related statements of operations, changes in retained earnings and cash flows for the years then ended. These financial statements are the responsibility of Falkenberg Capital Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluation the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Falkenberg Capital Corporation as of December 31, 2015 and 2014, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States.

The supplementary information contained in Schedules I and II has been subjected to audit procedures performed in conjunction with the audit of Falkenberg Capital Corporation's financial statements. The supplementary information contained in Schedules I and II is the responsibility of Falkenberg Capital Corporation's management. Our audit procedures included determining whether the supplementary information contained in Schedules I and II reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplementary information contained in Schedules I and II. In forming our opinion on the supplementary information contained in Schedules I and II, we evaluated whether the supplementary information contained in Schedules I and II, including its form and content is presented in conformity with 17 C.F.R. Section 240.17a-5. In our opinion, the supplementary information contained in Schedules I and II is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2015 AND 2014

1. Summary of Significant Accounting Policies

Organization

Falkenberg Capital Corporation (an S corporation) provides merger and acquisition and corporate finance services, exclusively in the United States, to companies engaged in the telecommunications and media industries.

Cash and Cash Equivalents

Cash on hand and investments with original maturities of three months or less are classified as cash equivalents.

Concentration of Credit Risk

The Company often maintains cash balances in excess of the FDIC insurance limit resulting in a concentration of credit risk with the financial institutions that hold the Company's cash balances. The Company maintains such cash balances only with financial institutions with high credit standing.

Property and Equipment

Property and equipment are stated at cost. Depreciation is calculated principally by the straight-line method using a useful life of three to eight years. Maintenance and repairs are expensed as incurred. Major betterments are capitalized. The Company takes advantage of Internal Revenue Code Section 179 allowing depreciation write-offs of up to \$500,000 in year of acquisition. This method of writing off up to \$500,000 in the year of acquisition is not a generally accepted accounting principle; however, the GAAP calculated depreciation did not vary materially from the tax method considering the financial statements taken as a whole.

Advertising Costs

Advertising costs are expensed as incurred.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2015 AND 2014

1. Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

The Company is not a taxpaying entity for federal or state income tax purposes. Accordingly, no income tax expense has been recorded in the financial statements. Income of the Company is taxed to the shareholder in his individual return.

Reclassifications

Certain prior year amounts have been reclassified for comparability with the 2015 presentation.

Subsequent Events

Management has reviewed subsequent events through February 23, 2016, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2015 AND 2014

2. Significant Clients

The Company generally derives significant revenue from a few key clients. However, the makeup of the Company's client base varies from year to year. Accordingly, an annual concentration in revenue from the same clients is remote. The Company derived approximately 99% of total revenue from two clients in 2015 and 79% of total revenue from five clients in 2014.

3. Statutory Requirements

Pursuant to Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain minimum net capital of \$5,000. At December 31, 2015, the Company's net capital was \$141,688.

The Company is exempt from certain provisions of Rule 15c3-3 of the Securities Exchange Act of 1934 and, accordingly, is not required to maintain a "Special Account for Exclusive Benefit of Customers". Such exemption is in accordance with paragraph (k) (2) (i) of the Rule.

4. Commitment

Lease Commitment

The Company incurred rental expense of \$59,174 in 2015 and \$48,963 in 2014 under a non-cancelable operating lease agreement for office space. In May 2014, the lease was extended through October 31, 2017.

Future minimum lease payments under this lease through October, 2017 are:

2016	\$ 56,474
2017	48,038
Total	\$104 512

DECEMBER 31, 2015

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Falkenberg Capital Corporation identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Falkenberg Capital Corporation claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(i) (the "exemption provisions") and (2) Falkenberg Capital Corporation stated that Falkenberg Capital Corporation met the identified exemption provisions throughout the most recent fiscal year without exception. Falkenberg Capital Corporation's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Falkenberg Capital Corporation's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
