REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Operating Committee of
Outcome Capital, LLC
Reston, Virginia

We have audited the accompanying statement of financial condition of Outcome Capital, LLC (the Company) as of December 31, 2015, and the related statements of income, changes in members' capital, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion of these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

The supplemental information (the Statement Pursuant to Paragraph (d)(4) of Rule 17a-5 of the Securities Exchange Commission, the Computation of Net Capital and Aggregate Indebtedness Under Rule 15c3-1 of the Securities Exchange Commission, and the Computation for Determination of Reserve Requirements under Rule 15c3-3 (Exemption) and Information for Possession or Control Requirements Under Rule 15c3-3 (Exemption) of the Securities and Exchange Commission), has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the supplemental information (the Statement Pursuant to Paragraph (d)(4) of Rule 17a-5 of the

OUTCOME CAPITAL, LLC
NOTES TO FINANCIAL STATEMENT
December 31, 2015

NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS

Outcome Capital, LLC (the Company) is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company is a Virginia limited liability corporation (LLC) that is owned 50% by WWC Capital Group, LLC (the Affiliated Company), 25% by Arnold E. Freedman, and 25% by Oded Ben-Joseph. The Company is engaged in a single line of business as a securities broker-dealer, which comprises the investment banking business.

Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, the Company is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934. The Company has claimed exemption from the provisions of Rule 15c3-3, in that the Company's activities are limited to those set forth in the conditions for exemption appearing in paragraph (k)(2)(i) of Rule 15c3-3.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates in Preparing Financial Statements

Accounting principles generally accepted in the United States of America require management to make estimates and assumptions when preparing its financial statements. Actual results could differ from those estimates.

Investment Banking Revenue

Investment banking revenues include fees earned from providing merger-and-acquisition and financial advisory services. Substantially all investment banking advisory fees are recorded when the services are provided and the income is reasonably determinable. A small portion of the fees are attributable to non-refundable retainer fees and are recorded for the period of performance.

Income Taxes

Income taxes are not reflected in the accompanying financial statements as the responsibility for income taxes is that of the members, not of the Company itself.

Cash and Cash Equivalents

Cash equivalents include certain investments in highly liquid debt investments with original maturities of three months or less at the date of purchase. As of December 31, 2015 there were not any cash equivalents.

OUTCOME CAPITAL, LLC
NOTES TO FINANCIAL STATEMENT
December 31, 2015

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Accounts Receivable

Accounts receivable results from non-refundable retainer fees charged to the Company's customers for services rendered. Accounts are regularly assessed for collectability and allowances are established for doubtful accounts. There was no allowance at December 31, 2015.

Fixed Assets and Depreciation

Office furniture, equipment, and leasehold improvements are recorded at cost less accumulated depreciation. The Company defines fixed assets as office furniture and equipment which individually cost more than \$500 and have an estimated useful life in excess of three years. Depreciation is computed using the straight-line method generally over an estimated useful life of five years for office furniture and equipment and the lesser of the life of the lease or seven years for leasehold improvements. Depreciation expense for the year ended December 31, 2015 was \$9,692.

Impairment of Long-Lived Assets

The Company reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or the fair value less costs to sell.

NOTE 3 – CONCENTRATION OF CREDIT RISK

The Company maintains its cash in one commercial bank in Reston, Virginia. All amounts held by the bank are subject to Federal Deposit Insurance Corporation (FDIC) insurance limitations.

NOTE 4 – EMPLOYEE BENEFIT PLAN

The Affiliated Company has a profit-sharing retirement plan in which employees of the Company participate. The plan covers substantially all employees upon completion of three months of continuous service, as defined. The plan has been structured under Section 401(k) of the Internal Revenue Code. Employees may elect to make salary reduction contributions up to six percent of annual compensation, subject to certain annual limitations. The Company matches a portion of the employee contributions and may provide additional discretionary contributions at a rate to be determined annually. For the year ended December 31, 2015, Company contributions totaled \$6,471. Additionally, contributions of \$263,306 are accrued and paid in the first quarter of 2016.

OUTCOME CAPITAL, LLC
NOTES TO FINANCIAL STATEMENT
December 31, 2015

NOTE 5 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (“SEC Rule 15c3-1”), which requires the maintenance of minimum net capital of the greater of \$5,000 or 6 2/3% of aggregate indebtedness and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the “applicable” exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2015, the Company had net capital of \$893,298, which was \$859,123 in excess of its required net capital of \$34,175. The Company’s net capital ratio was .57 to 1.

NOTE 6 – FOCUS REPORT

There are no material differences between these financial statements and the December 31, 2015 FOCUS report filed with FINRA.

NOTES 7 – RELATED PARTY TRANSACTIONS

The Affiliated Company and the Company have a formal expense sharing agreement where the parties share employees, office space, equipment, systems and office support. The cost of expenses is calculated based on actual employee specific costs for those employees of the Company that perform services for the Affiliated Company, and a pro-rata portion of actual non-employee specific costs based on the portion of full-time equivalents performing services for the Affiliated Company. The Affiliated Company reimburses the Company for these expenses on a quarterly basis. Expenses reimbursed to the Company from the Affiliated Company under this expense sharing agreement totaled \$37,837 for the year ended December 31, 2015, \$8,424 of which was due to the Company from the Affiliated Company relating to fourth quarter 2015 expenses and was reimbursed in the first quarter of 2016. Reimbursed expenses are recorded as a reduction to expenses in the financial statements. \$1008 is due from other affiliated entities, outside of the expense sharing agreement.

The transactions with the Affiliated Company described above and the effect thereof on the accompanying financial statement may not necessarily be indicative of the effect that might have resulted from dealing with nonaffiliated parties.

NOTE 8 – COMMITMENTS AND CONTINGENCIES

The Company leases office space for its Massachusetts office under an operating lease agreement that expires in August 2019. Rent expense of \$97,174 was charged to operations for the year ended December 31, 2015.

The Company leases office space for its Virginia office under an operating lease agreement that expires in December 2020. Rent expense of \$161,594 was charged to operations for the year ended December 31, 2015.

OUTCOME CAPITAL, LLC
NOTES TO FINANCIAL STATEMENT
December 31, 2015

NOTE 8 – COMMITMENTS AND CONTINGENCIES (CONTINUED)

Future annual minimum payments required under non-cancelable leases are as follows:

2016	\$275,211
2017	282,133
2018	289,166
2019	260,291
2020	<u>194,676</u>
Total	<u>\$ 1,301,477</u>

Outcome Capital and two of its Managing Directors, Arnold Freedman and Oded Ben Joseph, were named as defendants in a civil lawsuit. The complaint was filed on July 24, 2015 in Superior Court in the County of Norfolk in the Commonwealth of Massachusetts by Mark Butts, the former business partner of Mr. Freedman, and Boston Equity Advisors, LLC, the corporation that used to be co-owned by Mr. Butts and Mr. Freedman. The complaint alleges breach of fiduciary duty and misappropriation of confidential information. The complaint asks for payment of unspecified monetary damages. The complaint is in the process of discovery and it is not possible to estimate the potential impact. Management of Outcome Capital believes that the suit is without merit and intends to vigorously defend the action.

NOTE 9 – SUBSEQUENT EVENTS

Management evaluated subsequent events through February 22, 2016, the date the financial statements were available to be issued. Events or transactions occurring after December 31, 2015, but prior to February 22, 2016, that provided additional evidence about conditions that existed at December 31, 2015 have been recognized in the financial statements for the year ended December 31, 2015.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2015, which were agreed to by Outcome Capital, LLC (the Company) and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with those requirements. Outcome Capital, LLC's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2015, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2015, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, as follows:
 - a. Compared the \$1,122 aggregate total of deductions reported on page 2, line 2c of Form SIPC-7 for the year ended December 31, 2015 to the Company's supporting schedule, noting no differences.
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers obtained in procedure 3, as follows:
 - a. Recalculated the mathematical accuracy of the SIPC Net Operating Revenues on page 2, line 2d and the General Assessment of 0.0025 on page 2, line 2e of \$4,578,045 and \$11,445, respectively of the Form SIPC-7, noting no differences.

b. Recalculated the Company's supporting schedule's arithmetical accuracy of the \$1,122 aggregate deductions report on page 2, line 2c of Form SIPC-7, noting no differences.

5. There were no overpayments applied to the current assessment with the Form SIPC-7. Accordingly, no procedures were performed relative to this requirement.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Operating Committee of
Outcome Capital, LLC
Reston, Virginia

We have reviewed management's statements, included in the accompanying SEC Rule 17a-5 Exemption Report, in which (1) Outcome Capital, LLC (the Company) identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3, paragraph (k)(2)(i) (the "exemption provisions") and (2) Outcome Capital, LLC stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
