BREARD & ASSOCIATES, INC.  
CERTIFIED PUBLIC ACCOUNTANTS

Report of Independent Registered Public Accounting Firm

To the Partners of  
Meyers Associates, L.P.:

We have audited the accompanying statement of financial condition of Meyers Associates, L.P. ("the Company") as of December 31, 2015, and the related notes (the "financial statements"). These financial statements are the responsibility of Meyers Associates, L.P.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Meyers Associates, L.P. as of December 31, 2015, in conformity with accounting principles generally accepted in the United States.

**1. Summary of Business and Significant Accounting Policies**

**Business**

Meyers Associates, LP (the "Partnership") is a New York limited partnership organized primarily to provide brokerage and investment banking services. The Partnership is registered as a broker-dealer in securities with the Securities Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority (the "FINRA").

The Partnership has agreements (the "Agreements") with the clearing brokers ("Brokers") to clear securities transactions, carry customers' accounts on a fully-disclosed basis and perform certain recordkeeping functions. Accordingly, the Partnership operates under the exemptive provisions of SEC Rule 15c3-3(k)(2)(ii).

**Securities Transactions**

Securities transactions and related commission revenues and expenses are recorded on a trade date basis. Securities listed on a national exchange are valued at the last sales price on the date of valuation. Securities not listed on a national exchange are valued at the last sales price on the date of valuation or, if such price is not available, at the bid price for securities owned and the ask price for securities sold but not yet repurchased at the close of business.

Unrealized gains (losses) on securities are reflected in trading gains on the statement of income. Dividends are recorded on the ex-dividend date.

**Fair Value of Financial Instruments**

The carrying value of the Company's financial instruments (i.e., cash and cash equivalents, due from and deposits with clearing brokers) approximates their fair value due to their short-term maturity. For securities that are owned at market, fair values are based on quoted prices in active markets

**Income Taxes**

The Partnership is a limited partnership and is not subject to Federal and State income taxes as a separate entity. The partners are individually required to report their respective share of partnership income (loss) in their individual income tax returns.

**Cash and Cash Equivalents**

The Partnership considers cash equivalents which are highly liquid investments purchased with original maturities of three months or less.

The Partnership maintains its cash balances in financial institutions which, at times, exceed federally-insured limits. The Partnership has not experienced any losses in such accounts and believes it is not exposed to any significant risk on cash and cash equivalents.

**Meyers Associates, LP**  
**Notes to the Financial Statement**  
**Year Ended December 31, 2015**

---

**Advances to Employees**

The Partnership has made certain employee advances which are non-interest bearing and have no terms for repayment. Most of these advances consist of commissions paid in advance that will be earned by these employees in the future. The number shown on the balance sheet is the net number and includes an allowance for doubtful accounts of \$1,887,464 relating to former employees.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

**2. Clearing Agreements**

The Partnership has agreements with one brokerage clearing firm to carry its account and the accounts of its customers. The brokers have custody of the Partnership's securities and, in the normal course of business, cash balances which may be due from or to these brokers.

These securities and cash positions serve as collateral for any amounts due to the brokers or for securities sold short or purchased on margin as well against losses due to nonperformance.

Pursuant to the agreements, the Partnership is required to have cash or security deposits aggregating \$150,000 at COR Clearing. At December 31, 2015, a deposit held amounted to \$152,085 at the brokerage clearing firm.

**3. Regulatory Net Capital Requirements**

The Partnership is subject to the net capital requirements of rule 15c3-1 of the SEC which requires a broker-dealer to have at all times sufficient liquid assets to cover current indebtedness. In accordance with the rule, the Partnership is required to maintain defined minimum net capital of the greater of \$100,000 or 1/15 of aggregate indebtedness. At no time may the ratio of aggregate indebtedness to net capital as defined, exceed 15 to 1.

At December 31, 2015, the Partnership has net capital of \$242,397 which is \$142,397 in excess of its minimum net capital required of \$100,000. The Partnership has aggregate indebtedness of \$535,161. The Partnership's ratio of aggregate indebtedness to net capital is 2.21 to 1 at December 31, 2015.

**4. Commitment and Contingencies**

**Litigation**

In the normal course of business, the Partnership is a defendant, or otherwise has possible exposure, in legal actions arising out of its activities as a broker-dealer. These legal actions seek compensatory damages of approximately \$993,000. While predicting the outcome of litigation and regulatory inquiries is inherently very difficult and the ultimate resolution, range of loss and impact on operating results cannot be reliably estimated, management believes, based upon its understanding of the facts and the advice of applicable legal counsels, that it has a meritorious defense for these actions and it intends to defend this vigorously. During the year ended December 31, 2015, certain arbitration matters were settled for \$706,611, of which \$6,000 is currently open and accrued on the books of Meyers Associates, LP.

On March 24, 2015, a consent order was entered into with the State of Connecticut in response to Connecticut's notice of February 2014 revoking the Company's registration in that state for violating certain provisions of the State's Securities Act. The consent order called for payment of a \$50,000 fine, which was made on June 17, 2015. In addition the consent order called for firm principal Bruce Meyers to withdraw his Connecticut registration as a broker-dealer agent of the Company, the Company to retain an independent consultant to review firm compliance procedures, and to notify the state Securities Division of any reportable disciplinary items within seven days.

**Customer Transactions**

The Partnership executes, as agent, securities transactions on behalf of its customers. If the agency transactions do not settle because of failure to perform by either customer or the counterparty, the Partnership may be obligated to discharge the obligation of the nonperforming party and, as a result, is subject to market risk if the market value of the securities is different from the contract amount of the transactions.

The Partnership does not anticipate nonperformance by customers or counterparties in the above situations. The Partnership's policy is to monitor its market exposure and counterparty risk. In addition, the Partnership has a policy of reviewing, as considered necessary, the credit standing of each counterparty and customer with which it conducts business.

**5. Leases**

The Company has a non-cancellable lease agreement for its office space in New York. The new lease agreement is for a period of 10 years effective from December 1, 2011. Net approximate minimum rental payments attributable to the operating lease agreements are:

**Meyers Associates, LP**  
**Notes to the Financial Statement**  
**Year Ended December 31, 2015**

---

<u>Year Ending December 31,</u>	<u>Minimum Rental Payments</u>
2016	363,131
2017	371,301
2018	379,656
2019	388,198
Thereafter	<u>730,573</u>
	<u>\$ 2,232,859</u>

**6. Fair Value Measurements of Investments**

The Company uses fair value measurements to record certain assets and liabilities and to determine fair value disclosures.

The three -level hierarchy for fair value measurements is defined as follows:

Level 1 – inputs to the valuation methodology are quoted prices for identical assets or liabilities in active markets.

Level 2- inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and the inputs that are observable for the asset or liability, either directly or indirectly.

Level 3- inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Company's securities owned at market are recorded at fair value on a recurring basis, with any unrealized gains or losses, reported in the statement of income. At December 31, 2015, the securities owned at market consist of one security amounting to \$1,670.

Assets measured at fair value on a recurring basis at December 31, 2015:

	<u>December 31, 2015</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Equity securities industries:				
Consumer	\$ 1,670	\$ -	\$ -	\$ 1,670
Total, securities owned at market	<u>\$ 1,670</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,670</u>

The fair values for the securities owned at market are based on quoted prices for identical instruments traded in active markets which are considered as "Level 1" input to the valuation technique used to measure fair value in accordance with the standard.

## **7. Subsequent Events**

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

## **8. Income Taxes**

As discussed in the Summary of Significant Accounting Policies (Note 1), the Company operates as a limited partnership for tax purposes. Accordingly, all tax effects of the Company's income or loss are passed through to the partners and no provision or liability for Federal Income Taxes is included in these financial statements.

The Company is required to file income tax returns in both federal and state tax jurisdictions. The Company's tax returns are subject to examination by taxing authorities in the jurisdictions in which it operates in accordance with the normal statutes of limitations in the applicable jurisdiction. For federal purposes, the statute of limitations is three years. Accordingly, the Company is no longer subject to examination of federal returns filed more than three years prior to the date of these financial statements. The statute of limitations for state purposes is generally three years, but may exceed this limitation depending upon the jurisdiction involved. Returns that were filed within the applicable statute remain subject to examination. As of December 31, 2014, the IRS has not proposed any adjustment to the Company's tax position.

## **9. Guarantees**

FASB ASC 460, Guarantees, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of indebtedness of others.

The Company has issued no guarantees at December 31, 2015 or during the year then ended.

**Meyers Associates, LP**  
**Notes to the Financial Statement**  
**Year Ended December 31, 2015**

---

**10. Due from Affiliated Entity**

As of December 31, 2015, the Company carried a balance due of \$130,222 from Meyers Securities LP, an affiliated holding company, which is included in "Other Assets" on the accompanying Statement of Financial Condition. This balance has been outstanding for more than a year and has subsequently been recorded as a distribution of capital. It is treated as a non- allowable asset for net capital calculation purposes.
