REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member
of RIM Securities LLC

We have audited the accompanying statement of financial condition of RIM Securities LLC as of December 31, 2015. This financial statement is the responsibility of RIM Securities LLC's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of RIM Securities LLC as of December 31, 2015 in accordance with accounting principles generally accepted in the United States of America.

NOTES TO STATEMENT OF FINANCIAL CONDITION

December 31, 2015

NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS

General

RIM Securities LLC (the "Company"), a Delaware limited liability company, is a broker-dealer registered with the Securities and Exchange Commission (the "SEC") and a member of the Financial Industry Regulatory Authority ("FINRA"). The Company is a wholly owned subsidiary of City National Rochdale Holdings LLC ("CNRH" or the "Parent"). CNRH is a wholly owned subsidiary of City National Bank (the "Bank").

On November 2, 2015, the Royal Bank of Canada ("RBC") completed its acquisition of City National Corporation ("CNC"), the holding company for the Bank. Effective at the acquisition date, CNC was merged with and into RBC USA Holdco Corporation ("Holdco"), a Delaware corporation, with Holdco surviving the merger as a wholly-owned subsidiary of RBC. Accordingly, the Bank became a direct wholly-owned subsidiary of Holdco.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include demand deposits and money market deposits. Cash held in banks periodically exceeds the Federal Deposit Insurance Corporation's (FDIC) insurance coverage of \$250,000, and as a result there is a concentration of credit risk related to the amount in excess of FDIC insurance coverage. At December 31, 2015, the company held \$304,744 in excess of the FDIC's coverage.

Securities Owned

Securities owned (both long and short positions) are valued at fair value with resulting gains and losses reflected in net income for the year. At December 31, 2015, the company did not hold any investment securities.

Receivables from Clients and Brokers or Dealers

Commissions earned are deposited directly into the Company's accounts by the clearing firm upon settlement of the trade. Accordingly, no allowance for doubtful accounts has been recorded.

Revenue Recognition

The Company records commissions earned on securities transactions on a trade date basis. In addition, realized gains and losses on the sale of investment securities are recorded on a trade date basis.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

Income Taxes

The Company is a single member limited liability company and is considered a disregarded entity for federal and state income tax reporting purposes. Therefore, the Company's assets, liabilities, income and expenses will be reported on the parent company's income tax return.

Credit and Off-Balance-Sheet Risk

In the normal course of business, the Company is involved in the execution of various securities transactions for its customer accounts. Securities transactions are subject to the risk of counterparty or customer nonperformance. However, transactions are collateralized by the underlying security, thereby reducing the associated risk to changes in the fair value of the security through the settlement date or to the extent of margin balances. The settlement of these transactions is not expected to have a material effect on the Company's financial condition or results of operation.

NOTE 3 - FAIR VALUE MEASUREMENTS

Accounting Standards Codification No. 820, *Fair Value Measurements* ("ASC 820"), defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified in accordance with professional standards, are used to measure fair value.

Level 1 - Pricing inputs are unadjusted, quoted prices available in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 - Pricing inputs are quoted prices for similar investments, or inputs that are observable for the asset or liability either directly or indirectly for substantially the full term through corroboration with observable market data.

Level 3 - Pricing inputs are unobservable for the asset or liability and rely on management's own assumptions. The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.

NOTE 4 - NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital (Rule 15c3-1) and is required to maintain minimum net capital, equivalent to \$100,000. As of December 31, 2015, the Company's net capital was \$400,590, which was \$300,590 in excess of its minimum requirement of \$100,000. The Company's aggregate indebtedness to net capital ratio was 2.36 to 1.

RIM SECURITIES LLC

NOTES TO STATEMENT OF FINANCIAL CONDITION

December 31, 2015

NOTE 5 - CUSTOMER PROTECTION RULE

The Company had no items reportable as customers' fully paid securities: (1) not in the Company's possession or control as of the audit date (for which instructions to reduce to possession or control had been issued as of the audit date) but for which the required action was not taken by the Company within the time frames specified under Rule 15c3-3 or (2) for which instructions to reduce to possession or control has not been issued as of the audit date, excluding items arising from "temporary lags which result from normal business operations" as permitted under Rule 15c3-3.

The Company is exempt from SEC Rule 15c3-3 pursuant to the exemptive provisions under sub-paragraph (k)(2)(ii).

NOTE 6 - RELATED PARTIES

The Company receives certain management, general and administrative services and utilizes personnel from affiliated companies which the Company reimburses the affiliated company. These services were transacted in the normal course of business and were recorded as specific expenses in the period provided.

An affiliated company incurs all of the expenses to attract investment advisory clients. The sole source of commission income of the Company is derived from this pool of clients whose assets are managed by the affiliated company. The Company pays 80% of its net revenues to the affiliated company; this fee is waived when the imposition of such fee would cause a monthly operating loss or cause the regulatory net capital of the Company to be below required levels. The affiliated company has the right to recoup the waived fees in subsequent periods.

Frequently throughout the year, transfers of working capital are made between the Company and affiliated companies. These affiliated companies are under common control and are wholly owned by CNRH. As such, payables related to working capital transfers, amounting to \$294,820 at December 31, 2015, may be converted to capital at the discretion of management.

NOTE 7 - SUBSEQUENT EVENTS

The Company evaluated events occurring after December 31, 2015 and through February 24, 2016, the date the financial statements were available to be issued, to determine whether any items were noted, which necessitated adjustments to or disclosure in the financial statements. No such subsequent events were identified.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
RIM Securities LLC

We have reviewed management's statements, included in the accompanying RIM Securities, LLC Exemption Report, in which (1) RIM Securities LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which RIM Securities LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (the "exemption provisions") and (2) RIM Securities LLC stated that RIM Securities LLC met the identified exemption provisions throughout the most recent fiscal year without exception. RIM Securities LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about RIM Securities LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
