February 14, 2016

To the Stockholders of
The Windmill Group, Inc.
253 Route 202
Somers, New York 10589

I have audited the accompanying balance sheet of The Windmill Group, Inc., as of December 31, 2015 and the related statements of operation, stockholders' equity, cash flows, net capital schedules, and reconciliation of net capital and exemption report, for the year ended December 31, 2015. The financial statements and supplemental information provided are the responsibility of company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Windmill Group, Inc. as of December 31, 2015 and the results of its operations and cash flows for the year ended December 31, 2015 in conformity with accounting principles generally accepted in the United States of America.

The accompanying supplemental information including the Computation of Net Capital Under Rule 15c3-1 of the Securities and Exchange Commission, Reconciliation of Computation of Net Capital Pursuant to Rule 15c3-1, and Schedule of Exemption Provision under SEC Rule 15c3-3 have been subjected to audit procedures performed in conjunction with the audits of the Company's financial statements. The supplemental information provided is the responsibility of Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**To the Stockholders of
The Windmill Group, Inc.

We have reviewed management's statements, included in the accompanying title of exemption report, in which (1) The Windmill Group, Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which The Windmill Group, Inc. (TWG) claimed an exemption from 17 C.F.R. § 240.15c3-3: under exemption provision—(k) (2)(ii), of the "exemption provisions" and (2) The Windmill Group, Inc. stated that they have met the identified exemption provisions throughout the most recent fiscal year without exception. The Windmill Group, Inc. management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about The Windmill Group, Inc. compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k) (2)(ii), of Rule 15c3-3 under the Securities Exchange Act of 1934.
