REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
AUDITOR'S STANDARD REPORT

To the Board of Directors and Members
of Hudson Capital Advisors BD, LLC

I have audited the accompanying statement of financial condition of Hudson Capital Advisors BD, LLC as of December 31, 2015, and the related statements of income, changes in members' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended. These financial statements are the responsibility of Hudson Capital Advisors BD, LLC's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hudson Capital Advisors BD, LLC as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Computation of Net Capital Under Rule 15c3-1, Computation of Determination of Reserve Requirements Under Rule 15c3-3, Information for Possession or Control Requirements Under Rule 15c3-3, and SIPC Form 7 has been subjected to audit procedures performed in conjunction with the audit of Hudson Capital Advisors BD, LLC's financial statements. The supplemental information is the responsibility of Hudson Capital Advisors BD, LLC's management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In my opinion, the Computation of Net Capital Under Rule 15c3-1, Computation of Determination of Reserve Requirements Under Rule 15c3-3, Information for Possession or Control Requirements Under Rule 15c3-3, and SIPC Form 7 is fairly stated, in all material respects, in relation to the financial statements as a whole.

- **Private placements of securities**
- **Advisor – banking, mergers & acquisitions**

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

The Company records revenue when fees are earned, generally as the services are rendered to the Company's clients.

The Company is subject to examinations by U.S. Federal and State tax authorities from 2012 to the present, generally for three years after they are filed.

Depreciation – Depreciation is provided on a straight-line basis using estimated useful lives of five to ten years. Leasehold improvements are amortized over the lesser of the economic useful life of the improvement or the term of the lease.

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

Note 6 - Net Capital Requirement

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

EXEMPTION REPORT REVIEW

To the Board of Directors and Members
of Hudson Capital Advisors BD, LLC

I have reviewed management's statements, included in the accompanying Exemption Report Review, in which (1) Hudson Capital Advisors BD, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Hudson Capital Advisors BD, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) (the "exemption provisions") and (2) Hudson Capital Advisors BD, LLC stated that Hudson Capital Advisors BD, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Hudson Capital Advisors BD, LLC's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Hudson Capital Advisors BD, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
