REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Director and Managing Members of GARRISON SECURITIES LLC

We have audited the financial statements of GARRISON SECURITIES LLC ("Company") which comprise the statement of financial condition as of December 31, 2015, and the related statements of operations, changes in member's equity, and cash flows for the year then ended December 31, 2015 that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of GARRISON SECURITIES LLC as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The information contained in the supplemental schedule listed in the accompanying index has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM (Continued)

The supplemental information has been subjected to audit procedures performed in conjunction with the audit of Garrison Securities LLC's financial statements. The supplemental information is the responsibility of Garrison Securities LLC' management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule17a-5 of the Securities Exchange Act of 1934. In our opinion, the Supplementary Information is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1 Organization and Summary of Significant Accounting Policies

Organization and Business

GARRISON SECURITIES LLC ("Company") is a wholly-owned subsidiary of Garrison Strategic Advisers LLC (the "Parent"), is a limited liability company and was formed on September 20, 2011 under the laws of the State of Delaware. On August 23, 2012, the Company became a brokerdealer, with a perpetual period of duration, registered with the Securities and Exchange Commission ("SEC"). The Company is a member of the Financial Industry Regulatory Authority. The Company acts as a private placement agent with respect to the offer and sale of interests in funds. The liability of the Member is limited to the capital held by the Company.

<u>Rule 15c3-3 Exemption</u> The Company, under Rule 15c3-3(k)(2)(i), is exempt from the reserve and possession or control requirements of Rule 15c3-3 of the Securities and Exchange Commission. The Company does not carry or clear customer accounts.

Revenue Recognition

The Company recognizes revenues at the time fees are earned in accordance with the terms of the service agreements with its clients. This occurs when the Company has provided all services and has no further obligations under the agreement, which typically occurs when the transaction relating to the agreement has consummated.

Cash Equivalents

The Company defines cash equivalents as highly liquid investments, with original maturities of less than 90 days, which are not held for sale in the ordinary course of business.

Income Taxes

The Company is a single member limited liability company and is treated as a disregarded entity for federal income tax reporting purposes. The Internal Revenue Code ("IRC") provides that any income or loss is passed through to the member for federal, state and certain local income taxes. Accordingly, the Company does not file a separate income tax returns for federal, state or local purposes.

At December 31, 2015, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require. The Company's open tax years (2012 through 2015) remain subject to income tax audits.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The Board of Directors and Members of Garrison Securities LLC

1.2

The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquires and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 16c3-3 under the securities Exchange Act of 1934.
