Report of Independent Registered Public Accounting Firm

Board of Directors and Stockholders
Penrod Financial Services, Inc.

We have audited the accompanying statement of financial condition of Penrod Financial Services, Inc. as of December 31, 2015 and 2014, and the related statements of income, changes in stockholders' equity, and cash flows for the years then ended. These financial statements are the responsibility of Penrod Financial Services, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Penrod Financial Services, Inc. as of December 31, 2015 and 2014, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

The supplemental information located on pages 11-14 have been subjected to audit procedures performed in conjunction with the audit of Penrod Financial Services, Inc.'s financial statements. The supplemental information is the responsibility of Penrod Financial Services, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Report of Independent Registered Public Accounting Firm

Board of Directors and Stockholders
Penrod Financial Services, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1), Penrod Financial Services, Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Penrod Financial Services, Inc. claimed an exemption from 17. C.F.R. § 240.15c3.3: (2) (ii) (the "exemption provision") and (2) Penrod Financial Services, Inc. stated that Penrod Financial Services, Inc. met the identified exemption provisions through the most recent fiscal year without exception. Penrod Financial Services, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the Standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Penrod Financial Services, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

PENROD FINANCIAL SERVICES, INC.

Notes to the Financial Statements

For the Year Ended December 31, 2015 and 2014

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant policies is presented to assist in understanding the Company's financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Business Activity

Penrod Financial Services, Inc. (the Company) is a registered broker/dealer company. The Company is a member of the Financial Industry Regulatory Authority (FINRA). The FINRA, which operates subject to Securities and Exchange oversight, is the largest non-government regulatory for all securities firms doing business in the United States.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Net Cash and Cash Equivalents

At times during 2015 the Company's cash and cash equivalents could have exceeded the federally insured limits. The Company is at risk for amounts in excess of this limit. To date the Company has not incurred any losses on deposits in excess of federally insured limits.

For purposes of the statements of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Commissions Receivables

The Company considers commissions receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when the determination is made.

Securities Transactions

Customers' securities and commodities transactions are reported on a trade date basis with related commission income and expenses reported on a trade date basis.

PENROD FINANCIAL SERVICES, INC.

Notes to the Financial Statements

For the Year Ended December 31, 2015 and 2014

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

The Company implemented FASB Accounting Standards Codification 740-10. Included in this is a requirement under Accounting for Uncertainty in Income Taxes that realization of an uncertain income tax position must be “more likely than not” (i.e. greater than 50% likelihood of receiving a benefit or expense) before it should be recognized in the financial statements as the amount most likely to be realized assuming a review by the authorities having all relevant information and applying current conventions. The code section also clarifies the financial statement classification of potential tax-related penalties and interest and sets forth new disclosures regarding unrecognized tax benefits or expenses.

The Company assessed its federal and state tax positions. It was determined there were no uncertainties or possible related effects that need to be recorded as of or for the year ended December 31, 2015.

The federal and state income tax returns for the Corporation for 2012, 2013, 2014 and 2015 are subject to examination by respective taxing authorities generally for three years after they are filed.

The Company’s policy for reporting interest and penalties related to income taxes is to expense as they are incurred. The Company feels there is a more likely than not chance that all tax positions will be fully recognized; therefore, no provision for potential interest or penalties on these tax positions have been made. The total penalties and interest the Company paid for 2015 was \$-0-.

The Company has elected S corporation status for federal income tax and Missouri franchise tax reporting purposes. As an S corporation, substantially all income tax liability flows through to the shareholders with the exception of various state corporate level taxes. Accordingly, the financial statements do not include a provision for federal income taxes. Should the Company convert to a C corporation status for federal and state income tax purposes, deferred tax balances, as calculated on the date of the conversion, would be recorded as a reduction in shareholder’s equity.

NOTE 2 – CASH AND SECURITIES SEGREGATED UNDER FEDERAL AND OTHER REGULATIONS

No cash has been segregated in a special reserve bank account for the benefit of customers under Rule 15c3-3 of the Securities and Exchange Commission. The company does not hold any customer funds; accordingly, no reserve account is required.

NOTE 3 – RELATED PARTY TRANSACTIONS

The sole stockholder of Penrod Financial Services, Inc. is also the sole stockholder of Penrod Agency, Inc., dba Penrod Financial Group, an insurance agency. Penrod Financial Services, Inc. reimburses Penrod Agency, Inc. for their pro rata share of overhead expenses. The allocation percentage used for the year ended December 31, 2015 was 94%.

At December 31, 2015, Penrod Financial Services, Inc. owed Penrod Agency, Inc. \$3,294.

PENROD FINANCIAL SERVICES, INC.

Notes to the Financial Statements

For the Year Ended December 31, 2015 and 2014

NOTE 4 – ADVERTISING COST

Non-direct-response advertising costs are expensed in the year incurred. This amount at December 31, 2015 and 2014 totaled \$235 and (\$188), respectively. Company did not incur any direct-response advertising cost during the year.

NOTE 5 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the “applicable” exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2015 and 2014, the Company had net capital of \$19,489 and \$19,265, respectively, which was \$14,489 and \$14,265 in excess of its required net capital of \$5,000.

NOTE 6 – EXEMPTIVE PROVISION UNDER RULE 15c3-3

An exemption from Rule 15c3-3 is claimed as the broker-dealer does not hold customer funds or securities. All accounts are on a fully disclosed basis.

Therefore, the schedules of “Computation for Determination of Reserve Requirements under Rule 15c3-3” and “Information Relating to Possession or Control Requirements Under Rules 15c3-3” are not applicable.

NOTE 7 – DATE OF MANAGEMENT’S REVIEW

In accordance with the Statement of Accounting Standards No. 165, *Subsequent Events*, the date through which subsequent events were evaluated was February 26, 2016, the date the Management Representation Letter was signed.

NOTE 8 – COMMITMENTS AND CONTINGENCIES

The Company has no commitments or contingencies to report for years ending December 31, 2015.
