REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Management
of Perigee Securities LP

We have audited the accompanying statement of financial position of Perigee Securities LP (the Company) as of December 31, 2015, and the related statements of loss, changes in partners' equity, and cash flows for the year then ended. These financial statements are the responsibility of Perigee Securities LP's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Perigee Securities LP as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The information included in the supplemental schedules has been subjected to audit procedures performed in conjunction with the audit of Perigee Securities LP's financial statements. The supplemental information is the responsibility of Perigee Securities LP's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Organization

Perigee Securities LP the (“Partnership”) was formed as a limited partnership under the laws of the State of Delaware on June 28, 2002. The Partnership will continue until dissolved and liquidated in accordance with the Partnership Agreement. There was one limited partner at December 31, 2015. Perigee Group, LLC is the General Partner, and has full and complete power and authority to take all actions, and execute any and all agreements, contracts, documents, certifications, and instruments, for and on behalf of the Partnership and in its name. The Partnership is registered with the Securities and Exchange Commission (“SEC”) and the Financial Industry Regulatory Authority (“FINRA”) and is subject to regulation under the Securities Exchange Act of 1934. The Partnership is an introducing broker-dealer.

The Partnership does not hold funds or assets for customers. Accordingly, the Partnership is exempt from SEC Rule 15c3-3 pursuant to provision (k)(2)(i) of such rule.

2. Basis of Presentation

The Partnership has adopted the Financial Accounting Standards Board (“FASB”) Codification (“Codification”). The Codification is the single official source of authoritative accounting principles generally accepted in the United States of America (“U.S. GAAP”) recognized by the FASB to be applied by nongovernmental entities, and all of the Codification’s content carries the same level of authority.

3. Revenue and Cost Recognition

The Partnership prepares its financial statements on the accrual basis of accounting. Revenues are recognized when earned, and expenses are recognized when the obligation is incurred.

4. Income Taxes

All tax effects of the Partnership’s income or loss are passed through to the partners individually; thus, the statement of income includes no income tax expense or benefit for the Partnership.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

5. Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

6. Cash

The Partnership maintains its cash accounts at commercial banks. Total cash balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per bank. At December 31, 2015, amounts on deposit at commercial banks were fully insured by the FDIC.

7. Subsequent Events

The Partnership has evaluated subsequent events through February 25, 2016. All subsequent events, if any, requiring recognition as of December 31, 2015, have been incorporated into these financial statements.

Perigee Securities LP

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2015

NOTE B – RELATED PARTY TRANSACTIONS

The Partnership has a management services agreement with Perigee Consulting LLP. In accordance with its most recent amendment, management and back office support services are provided and charged as an overhead allocation service fee. Costs are allocated based on the percentage of time devoted to the Partnership. Perigee Consulting LLP is a related party due to common ownership. The total cost allocated to the Partnership from Perigee Consulting LLP for the year ended December 31, 2015 was \$12,000.

NOTE C – ALLOCATION OF PROFITS AND LOSSES

Profits for each fiscal year will be allocated among the partners in proportion to their percentage interests. Losses for each fiscal year will be allocated among the partners in accordance with their percentage interest, until each limited partners' capital account has been reduced to zero, and thereafter, to the General Partner. If the allocation of losses to the General Partner results in a negative capital balance, future profits are allocated to the General Partner to restore the basis to zero, then to all partners in proportion to their percentage interests.

NOTE E – NET CAPITAL REQUIREMENTS

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Management
of Perigee Securities LP

We have reviewed management's statements, included in the accompanying Perigee Securities LP's Exemption Report, in which (1) Perigee Securities LP identified the following provisions of 17 C.F.R. §15c3-3(k) under which Perigee Securities LP claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) (the "exemption provisions") and (2) Perigee Securities LP stated that Perigee Securities LP met the identified exemption provisions throughout the most recent fiscal year without exception. Perigee Securities LP's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Perigee Securities LP's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
