GFG SECURITIES, LLC

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2015

NOTE 1 – ORGANIZATION AND BUSINESS

ORGANIZATION AND NATURE OF BUSINESS

GFG Securities, LLC (the Company) was incorporated on March 3, 2004 in the State of Delaware and is a wholly owned subsidiary of GFG Holdings, LLC (the Parent Company). The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC) and a member of the Financial Industry Regulatory Authority (FINRA) since January 26, 2005. The Company is approved to conduct mergers and acquisitions (being compensated on a “success-fee” basis) and private placements (acting as agent). The Company is subject to regulatory oversight and periodic audit by the SEC, FINRA and the State of Florida.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

REVENUE RECOGNITION

Revenue is recorded when services have been performed. The Company enters into agreements with its customers, which provide for monthly retainer billings for months in which services have been performed. The agreements also provide for success fees to be earned by the Company upon the successful close of a merger and acquisition or capital raising transaction.

CASH EQUIVALENTS

For purposes of reporting cash flows, cash equivalents are demand accounts balances with banks with an original maturity of three months or less.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management’s knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2015

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

GOVERNMENT AND OTHER REGULATIONS

The Company's business is subject to significant regulation by various governmental agencies and self-regulatory organizations. Such regulation includes, among other things, periodic examinations by these regulatory bodies to determine whether the Company is conducting and reporting its operations in accordance with the applicable requirements of these organizations.

PROPERTY AND EQUIPMENT

Depreciation of property and equipment is provided by the straight-line method of depreciation at a rate calculated to amortize the cost of the assets over their estimated useful lives. The lives used in computing depreciation ranges from 5 to 7 years. The cost of maintenance and repairs of property and equipment is charged to expense as incurred. Costs of renewals and betterments are capitalized in the property accounts.

Depreciation expense for the year ended December 31, 2015 amounted to \$ 1,303.

INCOME TAXES

The Company is a limited liability company and has elected to be treated as a partnership under the Internal Revenue Code. In lieu of corporate income taxes, the member is responsible for the tax liability, or loss carry forward, related to their proportionate share of the Company's taxable income and losses. Accordingly, no provision for Federal and State income taxes is reflected in the accompanying financial statements. The Company has concluded that it is a pass-through entity and there are no uncertain tax positions that would require recognition in the financial statements. If the Company were to incur an income tax liability in the future, interest on any income tax liability would be reported as interest expense and penalties on any income tax liability would be reported as income taxes. The Company's conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based upon ongoing analysis of tax laws, regulations and interpretations thereof as well as other factors. Generally, Federal, State and local authorities may examine the Company's tax returns for three years from the date of filing. Therefore, the current year and three preceding years remain subject to examination as of December 31, 2015.

FOR THE YEAR ENDED DECEMBER 31, 2015

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

LOSS CONTINGENCIES

Loss contingencies, including claims and legal actions arising in the ordinary course of business are recorded as liabilities when the likelihood of loss is probable and an amount or range of loss can be reasonably estimated. Management does not believe there are presently such matters that will have a material effect on the financial statements.

NOTE 3 - NET CAPITAL REQUIREMENT

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The Company's net capital as of December 31, 2015 was \$30,460 which was \$25,460 in excess of its required net capital of \$5,000.

NOTE 4 - RELATED PARTY TRANSACTIONS

EXPENSE SHARING AGREEMENT

On January 1, 2012, the Company entered into an Expense Sharing Agreement with its Parent Company. Under the terms of this agreement the Company will be billed monthly for its pro-rata share of certain expenses incurred by the Parent Company for the benefit of the Company. These expenses include, but are not limited to payroll, health insurance, professional fees, rent, office expenses and other operating expenses. During the year ended December 31, 2015, the total amount billed to the Company by its parent was \$ 310,030. For financial statement presentation the expenses incurred under this agreement have been reclassified to their respective expense categories. There is no expiration date on this agreement.

NOTE 5 – COMMITMENTS OR GUARANTEES

RISKS AND UNCERTAINTIES

In the ordinary course of its business, the Company has entered into agreements with third parties to provide, for their benefit, certain merger and acquisition transactions. Such agreements, oftentimes, require a retainer fee and a success fee, as applicable, be paid to the Company and these fees are billed as and when services are performed or a success fee is warranted. Management is not aware of any claims that will create a loss or a future obligation to the Company with regards to these transactions.

The Company has not entered into any off-balance sheet transactions and do not anticipate entering into such transactions over the next twelve months.

LITIGATIONS
