NOTE 1 – NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Partner Capital Group, LLC (“the Company”), a Tennessee limited liability company, is a broker-dealer registered with the Securities and Exchange Commission (“SEC”) and a member of the Financial Industry Regulatory Authority (“FINRA”).

Revenue Recognition

The Company is a securities broker-dealer. Commissions earned generally result from the Company introducing investors to alternative investments and other investments. Fees earned for account supervision and advisory services relate to the introduction of institutional investors to separately managed account programs managed by other investment advisors and quarterly advisory fees charged on accounts advised by the Company. All fees are recorded in the period earned.

Use of Estimates and Subsequent Events

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. The Company has evaluated events and transactions that occurred through February 7, 2016, which is the date the financial statements were available for issuance, for possible disclosure and recognition in the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash in banks, and short-term, highly liquid investments purchased with an original maturity of three months or less.

Receivables from Clients and Investment Managers and Related Payables

Fee income and the related commission expense are accrued on a monthly basis and are generally collectible after the end of each calendar quarter. Commission expense is calculated as a percentage of the related fees earned for investment advisory services and hedge fund activity. Management provides an allowance for doubtful accounts equal to the estimated uncollectible amounts, which is based on historical collection experience and a review of specific current receivables. At December 31, 2015, the Company has determined that no reserve for uncollectible accounts is required.

Partner Capital Group, LLC

Notes to Financial Statement

December 31, 2015

NOTE 2 – INCOME TAXES

The Company is treated as a partnership for income tax purposes. The members of the Company are then taxed on their proportionate share of the Company's taxable income. Accordingly, the Company is not subject to federal income taxes. The Company is liable for state franchise and excise taxes which have been provided for.

NOTE 3 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital of \$5,000 and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2015, the Company had net capital of \$12,043 which was \$7,043 in excess of its required net capital. The Company's aggregate indebtedness to net capital ratio was .76 to 1.

NOTE 4 – REGULATION

The Company is registered as a broker-dealer with the SEC. The securities industry in the United States is subject to extensive regulation under both federal and state laws. The SEC is the federal agency responsible for the administration of the federal securities laws. Much of the regulation of broker-dealers has been delegated to self-regulatory organizations, such as the FINRA, which had been designated by the SEC as the Company's primary regulator. These self-regulatory organizations adopt rules, subject to approval by the SEC, that govern the industry and conduct periodic examinations of the Company's operations. The primary purpose of these requirements is to enhance the protection of customer assets. These laws and regulatory requirements subject the Company to standards of solvency with respect to capital requirements, financial reporting requirements, record keeping and business practices.

NOTE 5 – CUSTOMER PROTECTION RULE

The Company had no items reportable as customers' fully paid securities: (1) not in the Company's possession or control as of the audit date (for which instructions to reduce to possession or control had been issued as of the audit date) but for which the required action was not taken by the Company within the time frames specified under Rule 15c3-3 or (2) for which instructions to reduce to possession or control has not been issued as of the audit date, excluding items arising from "temporary lags which result from normal business operations" as permitted under Rule 15c3-3.

The Company is exempt from SEC Rule 15c3-3 pursuant to the exemptive provisions under sub-paragraph (k)(2)(i).

Partner Capital Group, LLC

Notes to Financial Statement

December 31, 2015

NOTE 6 – CREDIT AND OFF-BALANCE-SHEET RISK

The Company is engaged in various brokerage activities in which counter-parties primarily include investment managers. In the event counter-parties do not fulfill their obligation, the Company may be exposed to risk. The risk of default primarily depends upon the credit worthiness of the counter-party. The Company periodically reviews the credit worthiness of each of the counter-parties. At times the Company may have cash balances that exceed FDIC insured limits. The Company does not hold any financial instruments with off-balance-sheet risk.

NOTE 7 – TRANSACTIONS WITH RELATED PARTIES

The Company pays commissions to registered representatives based on the revenues generated by the respective registered representative. At December 31, 2015, registered representatives were not owed any commissions earned but unpaid.

Report of Independent Registered Public Accounting Firm

We have reviewed management's statements, included in the accompanying Statement of Exemption From SEC Rule 15c3-3, in which (1) Partner Capital Group, LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Partner Capital Group, LLC claimed an exemption from 17 C.F.R. § 240.15c3-3 [(k)(2)(i)] (the "exemption provisions") and (2) Partner Capital Group, LLC stated that Partner Capital Group, LLC met the identified exemption provisions throughout the most recent fiscal year ending December 31, 2015 without exception. Partner Capital Group, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Partner Capital Group, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph(k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
