Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes:

The Company is treated as a partnership for federal and state income tax purposes; therefore, the taxable income or loss from the Company's operations is allocated to the Company's member.

The Company follows accounting standards that provide clarification on accounting for uncertainty in income taxes recognized in the Company's financial statements. The guidance prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return and, also provides guidance on derecognition, classification, interest and penalties, disclosure and transition. We have reviewed management's statements, included in the accompanying Exemption Report in which (1) DAK Capital, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which DAK Capital, LLC claimed an exemption from 17 C.F.R. §240.15c3-3:(2)(i) ("exemption provisions") and (2) DAK Capital, LLC stated that DAK Capital, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about DAK Capital, LLC's compliance with the exemption provisions. Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
