Report of Independent Registered Public Accounting Firm

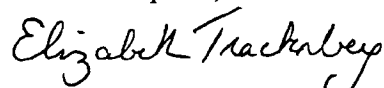

To the Board of Directors
Brockett Tamny & Co. Incorporated
Los Angeles, CA 90071

I have audited the accompanying statement of financial condition of Brockett Tamny & Co. Incorporated (the "Company"), a California corporation, as of December 31, 2015 and the related statements of income (loss), changes in shareholders' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company's management is responsible for these financial statements. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of the Company as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The information contained in Schedules I, II and III (the "supplemental information") has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Notes to Financial Statements
December 31, 2015

Note 1 – Organization and Nature of Business

Brockett Tamny & Co. Incorporated (the “Company”), was incorporated in the State of California on July 13, 1990. The Company is a registered broker-dealer with the Securities and Exchange Commission (SEC), the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investor Protection Corporation (“SIPC”).

Note 2 – Significant Accounting Policies

Basis of Presentation – The Company conducts the following types of business as a securities broker-dealer, which comprises several classes of services, including:

- Acting as Agent in the Private Placement of Securities
- Providing Advise on Mergers and Acquisitions

Under its membership agreement with FINRA and pursuant to Rule 15c3 (k) (2) (i), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Securities Owned – Profit and loss arising from all securities and commodities transactions entered into for the account and risk of the Company are recorded on a trade date basis.

Investment Banking – Investment banking revenues include fees earned from providing merger and acquisition and financial restructuring advisory services and fees earned in the placement of equity and debt securities for corporate clients.

Revenue Recognition - The Company recognizes revenue upon rendering of services. Advisory fees are billed at the beginning of each month, unless prepaid by the client. Prepaid advisory fees are recognized as revenue upon receipt.

Income Taxes – The amount of current and deferred taxes payable or refundable is recognized as of the date of the financial statements, utilizing currently enacted tax laws and rates. Deferred tax expenses or benefits are recognized normally in the financial statements for the changes in deferred tax liabilities or assets between years.

Brockett Tamny & Co. Incorporated
Notes to Financial Statements
December 31, 2015

Note 2 – Significant Accounting Policies (continued)

Income Taxes – (continued)

The Company recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, *Income Taxes*. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change. The Company is subject to examinations by U.S. Federal and State tax authorities from 2012 to the present, generally for three years after they are filed.

Note 3 - Fair Value

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.
- Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

The following table presents the Company's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2015.

Fair Value Measurements on a Recurring Basis
As of December 31, 2015

	Level 1	Level 2	Level 3	Total
Cash	\$16,859	\$ -	\$ -	\$16,859
Securities (common stock)	<u>54,960</u>	<u>-</u>	<u>-</u>	<u>54,960</u>
Total	<u>\$71,819</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$71,819</u>

Note 4 – Related Party

The Company provided advisory support services to an affiliated partnership for a management fee of \$500 per month through June 30, 2015. \$3,500 was received during the year. The Company also advances funds toward payment of expenses on behalf of, and borrows funds from, several affiliated entities in which the officers of the Company have majority ownership. At December 31, 2015, the amount due from these affiliated entities was \$57,854 and due to these affiliates was \$0. These temporary loans are interest free. It is possible that the terms of the related party transactions are not the same as those that would result from transactions among wholly unrelated parties.

Timing of repayment of advances to affiliated entities is based upon the sale of certain assets owned by those entities for which the advance was used in part or in whole to finance. Timing of repayments of advances from affiliated entities is solely at the discretion of the Company.

Note 5 – Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2015, the Company had net capital of \$62,984 which was \$57,984 in excess of its required net capital of \$5,000. The Company's net capital ratio was 0.01 to 1.

Note 6 - Income Taxes

At December 31, 2015 there was a federal NOL carry forward of approximately \$281,800 and California NOL carry forward of approximately \$193,000. The Federal tax can be carried forward for 20 years. California carryforward period is 10 years for the 2000 to 2007 tax years, and 20 years for tax years beginning in 2008. At December 31, 2015, the Company recorded the minimum franchise tax of \$800 and did not record deferred tax benefits.

Note 7 – Operating Lease Commitments

The Company leases office space under a non-cancellable operating lease expiring January 31, 2017. At December 31, 2015, future minimum lease payments under this agreement are:

2016	\$58,656
2017	<u>4,888</u>
Total	<u>\$63,544</u>

In addition, the Company subleases part of its facilities, on a month-to-month basis, at \$1,728 per month. Rent expense for the year ended December 31, 2015, net of the sublease, was \$34,825.

Brockett Tamny & Co. Incorporated
Notes to Financial Statements
December 31, 2015

Note 8– Exemption from the SEC Rule 15c3-3

Rule 15c3-3(k)(2)(i) provides an exemption from the SEC's so-called "customer protection rule" for firms that: carry no margin accounts; promptly transmit all customer funds and deliver all securities received in connection with their broker-dealer activities; do not otherwise hold funds or securities for, or owe money or securities to, customers; and effectuate all financial transactions with customers through one or more bank accounts designated as "Special Account for the Exclusive Benefit of Customers" of the Company.

Note 9 – SIPC Supplementary Report Requirement

The Company is not required to complete the SIPC Supplementary Report under SEC Rule 17a-5(e) (4) for fiscal year ending December 31, 2015 because the Company's SIPC Net Operating Revenues are under \$500,000.

Note 10 – Subsequent Events

Management has reviewed the results of operations for the period of time from its year end December 31, 2015 through February 16, 2016, the date the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying combined financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

Report of Independent Registered Public Accounting Firm – Exemption Report

To the Board of Directors
Brockett Tamny & Co. Incorporated

I have reviewed management's statements, included in the accompanying Brockett Tamny & Co. Incorporated (the "Company") Exemption Report in which (1) the Company identified the following provisions of 17C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: ((k) (2) (i)) (the "exemption provisions"), and (2) the Company stated that they met the identified exemption provisions from January 1, 2015 to December 31, 2015 (the Company's fiscal year end) without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k) (2) (i) of Rule 15c3-3 under the Securities Exchange Act of 1934 for the periods noted in paragraph 1 above.
