## Notes to Financial Statements

December 31, 2015

### (1) Organization and Business

Allianz Global Investors Distributors LLC (AGID or the Company) is a single-member limited liability company wholly owned by Allianz Global Investors U.S. Holdings LLC (AGI US Holdings), which in turn is wholly owned by Allianz Asset Management of America L.P. (AAM LP). AGID is a registered broker/dealer with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority (FINRA).

Allianz SE indirectly owns the majority interest of AAM LP. Allianz SE is an international financial services company engaged in property and casualty protection, life and health insurance, and asset management.

AGID serves as the distributor and provides shareholder services to certain affiliated institutional and retail mutual funds (Allianz Funds) for which AGI US Holdings and its subsidiaries provide investment management and advisory services.

AGID does not carry security accounts for customers and does not perform custodial functions relating to customer securities and is, therefore, exempt from the provisions of Rule 15c3-3 of the Securities and Exchange Commission.

### (2) Significant Accounting Policies

#### (a) Cash and Cash Equivalents

AGID considers all liquid financial instruments with an original maturity of less than three months to be cash equivalents. Cash and cash equivalents consist of cash on deposit with financial institutions and nonaffiliated money market deposit accounts, which are carried at cost plus accrued income, which approximates fair value. The Company maintains cash at federally insured banking institutions, which can exceed the Federal Deposit Insurance Corporation's (FDIC) insurance coverage, and as a result, there is a concentration of credit risk related to amounts in excess of FDIC insurance coverage.

#### (b) Income Taxes

Under current federal and applicable state tax laws and regulations, single-member limited liability companies are generally not regarded as separate tax paying entities, and, accordingly, are not themselves subject to income taxes in most jurisdictions. For tax purposes, income, loss, gain, credit, or other elements of AGID are included on the member's separate income tax return. AGID is subject to state and local taxes in certain jurisdictions.

The accounting standard for income taxes requires the evaluation of tax positions taken in the course of preparing AGID's tax returns to determine whether tax positions are "more likely than not" of being sustained by the applicable taxing authority. Tax benefits of positions not deemed to meet the more likely than not threshold, would not be recognized. There were no uncertain tax positions identified in 2015.

AGID's federal income tax returns remain open to examination for tax years 2012 through 2014 and state income tax returns remain open to examination for tax years 2011 through 2014.

### Notes to Financial Statements

December 31, 2015

**(c) *Distribution and Servicing Fees***

Distribution and servicing fees are recognized as the services are performed. Such fees are primarily based on percentages of the fair value of the Allianz Funds.

**(d) *Marketing Service Fees***

AGID, Allianz Global Investors Fund Management LLC (AGIFM), and Allianz Global Investors U.S. LLC (AGI US), wholly owned subsidiaries of AGI US Holdings, have a marketing services agreement whereby AGIFM and AGI US compensate AGID for the acquisition of new assets under management. Effective August 1, 2015, the marketing services agreement was amended to include NFJ Investment Group LLC (NFJ), a wholly owned subsidiary of AGI US, as NFJ is also a beneficiary of the acquisition of new assets under management. Marketing servicing fees are primarily based on a per transaction basis at rates that are scaled based on sales volume and are recognized as revenue by the Company as the services are performed.

**(e) *Sales Fees***

Revenue associated with the sale of Class A shares of Allianz Funds is recorded on a trade-date basis, and is primarily based on a percentage of the share's public offering price.

**(f) *Deferred Sales Charges***

Sales commissions paid to third party intermediaries in connection with the sale of shares of affiliated mutual funds sold without a front-end sales charge are capitalized. These capitalized commission payments are sold to AGIFM at cost in the month subsequent to origination.

**(g) *Use of Estimates***

The preparation of the accompanying financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions about future events. These estimates and the underlying assumptions affect the amounts of assets and liabilities reported, disclosures about contingent assets and liabilities, reported amounts of revenues and expenses, and the accompanying notes. Management evaluates its estimates and assumptions on an ongoing basis using historical experience and other factors, including the current economic environment, which management believes to be reasonable under the circumstances. Management adjusts such estimates and assumptions when facts and circumstances dictate. As future events and their effects cannot be determined with precision, actual results could differ significantly from these estimates. Changes in those estimates resulting from continuing changes in the economic environment will be reflected in the financial statements in future periods.

**(h) *Fair Value of Financial Instruments***

The carrying value of AGID's financial instruments, which include cash and cash equivalents, distribution and servicing fees receivable, receivable from affiliates, payable to affiliates, commissions payable, and accounts payable and accrued expenses approximate fair value due to their short maturity as well as low credit risk.

## ALLIANZ GLOBAL INVESTORS DISTRIBUTORS LLC

### Notes to Financial Statements

December 31, 2015

**(i) Comprehensive Income**

AGID did not have items of other comprehensive income for the year ended December 31, 2015.

**(3) Revenues**

Pursuant to the distribution agreements with the Allianz Funds, AGID acts as principal underwriter for such funds. For providing such services, AGID receives distribution and servicing fees, along with sales commission income.

AGID receives distribution fees generally ranging from 0.25% to 0.75% of the average daily net assets attributable to the Class C, and R shares of the Allianz Funds, and servicing fees equal to 0.25% of the average daily net assets attributable to Class A, B, C, D, and R shares of the Allianz Funds, except for the Class A and C shares of the Allianz Money Market fund, for which the fee is charged at a rate of 0.10%. All Class D and Class B shares of the Allianz Funds were converted to Class A shares of the same Allianz Funds on November 13, 2015 and December 4, 2015, respectively, and these share classes are no longer available for sale.

AGID receives a sales commission (up to 5.50% of the public offering price per share) less any applicable commission to participating brokers (ranging from 0.25% to 4.75% of the public offering price per share) on certain sales of the Class A shares of the Allianz Funds.

**(4) Deferred Sales Charges and Other Commission Payments**

AGID pays initial commissions with respect to the Allianz Funds to participating brokers at rates set by management. Initial commissions are generally paid at a rate of up to 1% for Class A shares (on sales of \$1 million or more) and for Class C shares.

Trail commissions consist of distribution and servicing payments to participating brokers for the distribution of shares, providing personal services to shareholders, and maintaining shareholder accounts. Such trail commissions, in total, can range from 0.10% to 1.00% of the average daily net assets for the Allianz Funds.

In connection with the distribution of the Class A and Class C shares, AGID advances commissions to third party intermediaries, which are capitalized as AGID is entitled to recoup its marketing costs through an ongoing fee stream from the respective funds as well as contingent deferred sales charges. The contingent deferred sales charges are collected on certain early redemptions of such shares, unless the redemption relates to balances accumulated through reinvested dividends and capital gain distributions or appreciation on the account over the amount that was invested. The contingent deferred sales charge rate on Class C shares is 1% if redeemed during the first year following purchase of the Allianz Funds.

Contingent deferred sales charges may also be received on the redemption of Class A shares at a rate of 1% of the net asset value of the redeemed shares, if the initial purchase of such Class A shares exceeded certain thresholds.

These capitalized commission payments are sold to AGIFM at cost in the month subsequent to origination. Total sales of the deferred sales charge asset to AGIFM amounted to \$5,665,740 during the year ended December 31, 2015.

Notes to Financial Statements

December 31, 2015

**(5) Related-Party Transactions**

These expenses generally consist of salaries and related benefits for finance, legal, human resources, information technology, and other general and administrative services. Costs allocated to AGID for the year ended December 31, 2015 were \$1,591,648, which is included in general and administrative expenses in the accompanying statement of operations. Certain management and other employees at AGI US Holdings, AGIFM and AGI US provide services to AGID. These services generally consist of executive management, account management, product management, finance, marketing, legal, compliance, information technology, and other general and administrative services. In addition, AGID receives the benefit of external services and various overhead that is initially paid by AGI US Holdings, AGIFM and AGI US. AGID reimburses AGI US Holdings, AGIFM and AGI US monthly for these services, which are allocated based on estimated time and usage factors for each AGI US Holdings, AGIFM and AGI US department that is providing such services. The total amount of allocated expenses for these services, which is included within each respective expense item in the accompanying statement of operations, is as follows:

<u>Expense</u>	<u>Allocation</u>
Compensation and benefits	\$ 16,386,660
General and administrative	8,179,415
Occupancy and equipment	3,537,386
Marketing and promotional	1,967,080
Professional	786,424
Other	99,525
Total	<u>\$ 30,956,490</u>

The payable to affiliates balance in the accompanying statement of financial condition represents a liability to be paid to AAM LP, AGI US Holdings, AGIFM and AGI US in connection with these services in addition to payables due to other affiliates that have arisen in the ordinary course of business transactions. As of December 31, 2015, \$4,550,711 was payable to such affiliates.

AGID earned \$23,206,301, \$44,855,740, and \$17,188,868 of marketing service fees from AGI US, AGIFM, and NFJ, respectively, during 2015, which is included in marketing service fees in the accompanying statement of operations. Certain administrative costs to oversee AGI US Holdings and its subsidiaries, including AGID, are managed centrally by AllianzGI GmbH, an indirect subsidiary of Allianz SE. These costs are allocated to different entities benefiting from these services based on the proportion of revenue earned in each entity.

## ALLIANZ GLOBAL INVESTORS DISTRIBUTORS LLC

### Notes to Financial Statements

December 31, 2015

Costs allocated to AGID for these services, which include global management, finance, operations, technology, risk and legal, for the year ended December 31, 2015 were \$4,081,243, and are included in general and administrative expense in the accompanying statement of operations.

#### (6) Benefit Plans

AAM LP is the sponsor of a defined contribution employee savings and retirement plan covering AGID employees. The plan qualifies under Section 401(k) of the Internal Revenue Code and allows eligible employees to contribute up to 100% of their annual compensation, as defined, and subject to a maximum dollar amount determined from time to time by the Internal Revenue Code. New employees are generally eligible on the first day of the month following the start date. After the completion of one year of credited service, the Company matches an amount up to the first 5% of annual compensation, subject to Internal Revenue Code limits, contributed by the employees. The amount of expense recorded by AGID related to this plan during the year was \$1,154,693. Under the plan, AGID may also make discretionary contributions ranging from 5.4% to 10.8% of eligible compensation. The amount of expense recorded in 2015 by AGID related to discretionary contributions was \$1,850,317. These amounts are included in compensation and benefits in the accompanying statement of operations.

AAM LP has a nonqualified deferred compensation plan pursuant to which a portion of the compensation otherwise payable to certain eligible employees will be mandatorily deferred, and pursuant to which such eligible employees may elect to defer additional amounts of compensation. The plan is maintained primarily for the purpose of providing deferred compensation for a select group of highly compensated management employees, within the meaning of Sections 201(2), 301(a)(3), and 401(a)(1) of the Employee Retirement Income Security Act of 1974, as amended. Amounts deferred under the plan are invested in marketable securities as directed by the employees and are held in trust at AAM LP.

AGID has various incentive compensation programs that compensate participants on the basis of increase in certain sales and provides discretionary bonuses. Compensation under these programs was \$19,690,432 for the year ended December 31, 2015 and is included in compensation and benefits in the accompanying statement of operations.

AAM LP has a long-term incentive plan to reward certain key employees for AGID's long-term growth and profitability. Awards are primarily based on achieving certain company growth targets and are paid at the end of three years from the date of grant. Compensation expense is recognized over the vesting period. Total expense under this program was \$3,377,609 for the year ended December 31, 2015 and is included in compensation and benefits in the accompanying statement of operations.

AGID also has a long-term deferral plan to reward certain key employees for long-term growth and profitability of Allianz Funds. Awards are primarily based on achieving certain company growth targets and are funded on grant date into a deferred trust held at AAM LP. Compensation expense of the notional award is recognized over the three year vesting period. Compensation expense and unrealized gains or losses are also recognized to the extent the underlying investments (Allianz Funds) appreciate or depreciate in value. Total compensation expense under this program was \$1,496,071 and net unrealized losses were \$13,558 for the year ended December 31, 2015, which are included in compensation and benefits and other expenses, respectively, in the accompanying statement of operations.

**(7) Contingencies**

AGID is subject to various pending and threatened legal actions and regulatory inquiries, which arise in the normal course of business. The Company's management, upon the advice of legal counsel, believes that the outcome of these matters will not have a material adverse effect on AGID's financial condition or results of operations. The Company expenses related legal fees as incurred.

**(8) Net Capital**

AGID is subject to the Uniform Net Capital Rule (Rule 15c3-1) under the Securities Exchange Act of 1934, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15-to-1. As of December 31, 2015, AGID had net capital of \$21,471,429 for regulatory purposes, which was \$19,286,517 in excess of its required net capital of \$2,184,912. AGID's aggregate indebtedness to net capital ratio was 1.53-to-1 as of December 31, 2015.

**(9) Subsequent Events**

No such events were identified.

### **Report of Independent Registered Public Accounting Firm**

The Member  
Allianz Global Investors Distributors LLC:

We have reviewed management's statements, included in the accompanying Allianz Global Investors Distributors LLC Exemption Report (the Exemption Report), in which (1) Allianz Global Investors Distributors LLC (the Company) identified the following provisions of 17 C.F.R. § 15c3-3 (k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3 (k)(1) (the exemption provisions); and (2) the Company stated that it met the identified exemption provisions for the year ended December 31, 2015 except as described in its Exemption Report. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(1) of Rule 15c3-3 under the Securities Exchange Act of 1934.
