NOTE 1 - Summary of Significant Accounting Policies

Nature of Operations

UHY Advisors Corporate Finance, LLC (the "Company") is a broker-dealer registered with the Securities and Exchange Commission (SEC) and the Financial Industry Regulatory Authority (FINRA). The Company is a Delaware corporation formed on December 22, 2000 and is a wholly-owned subsidiary of UHY Advisors, Inc. (the "Parent"). The Company began operations on April 1, 2002, as Centerprise Capital, LLC. In 2014, the company changed the name to UHY Advisors Corporate Finance, LLC in order to more accurately represent its affiliation with the Parent.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

The Company maintains its cash balances in an area bank. Cash balances are insured up to \$250,000 per bank by the FDIC.

Reserves and Custody of Securities

The Company is an override broker/dealer under an agreement with Securities Service Network (SSN) and LPL Financial. Securities Service Network and LPL Financial pay commission income on transactions generated by the registered brokers of UHY Advisors Corporate Finance, LLC or its affiliates. The Company does not carry any customer accounts.

Commission Revenue

The Company recognizes revenue as earned at the time commissions on a variety of investment products are reported by non-affiliated broker dealers to the Company. The non-affiliated broker dealers have registered representatives that are affiliated with the affiliates of the Parent company.

Income Taxes

The Company is a limited liability company taxed as a partnership for income tax reporting purposes and as such, is not subject to income tax. Accordingly, no provision for income taxes is provided in the financial statements.

The Company is required to determine whether a tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any tax related appeals or litigation processes, based on the technical merits of the position. The Company files an income tax return in the U.S. federal jurisdiction, and may file income tax returns in various U.S. states. The Company is not subject to income tax return examinations by major taxing authorities for years before 2012. The tax benefit recognized is measured as the largest amount of benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement. De-recognition of a tax benefit previously recognized results in the Company recording a tax liability that reduces net assets. However, the Company's conclusions regarding this policy may be subject to review and adjustment at a later date.

Actual results could differ from those estimates.

NOTE 2 - Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of a minimum amount of net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. To the Member of

UHY Advisors Corporate Finance, LLC's (a wholly owned subsidiary of UHY Advisors, Inc) management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about UHY Advisors Corporate Finance, LLC's (a wholly owned subsidiary of UHY Advisors, Inc) compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
