#### Report of Independent Registered Public Accounting Firm

The Board of Directors of G.A. Repple & Company

We have audited the accompanying statement of financial condition of G.A. Repple & Company (the "Company") as of December 31, 2015, and the related statements of operations, changes in shareholder's equity, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of G.A. Repple & Company as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The information contained in the supplemental schedule listed in the accompanying index has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Notes to Financial Statements For the Year Ended December 31, 2015

## NOTE 1 - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF OPERATIONS AND ORGANIZATION - G. A. Repple & Company (the "Company") is a Florida corporation and a wholly owned subsidiary of G.A. Repple Financial Group, Inc. (the "Parent"). The Company is registered as a broker/dealer and investment advisor under the Securities and Exchange Act of 1934. It is a fully disclosed broker/dealer whereby it does not hold customer funds or securities. The Company is a member of the Financial Industry Regulatory Authority (FINRA), the Municipal Securities Rulemaking Board (MSRB), and the Securities Investor Protection Corporation (SIPC).

In its capacity as a broker/dealer, the Company buys and sells securities for individual clients. It also provides financial planning and asset management services using third party asset managers.

CASH EQUIVALENTS - For purposes of reporting cash flow, cash and cash equivalents include money market accounts and any highly liquid debt instruments purchased with a maturity of three months or less.

CONCENTRATIONS OF CREDIT RISK- The Company maintains cash and cash equivalent deposits at banks and other financial institutions. Cash deposits in banks, at times, exceed federally insured limits. Cash equivalent deposits in other financial institutions are not federally insured. The Company has not experienced any losses in its cash and cash equivalents, and believes that there is no significant risk with respect to these deposits.

CLEARING ACCOUNT DEPOSITS - The Company is required to maintain cash balances with clearing agents, which are restricted as to use.

SECURITIES OWNED – The Company purchased Church bonds and Capstone Church Capital Fund as part of a settlement with two clients. The bonds were purchased at a discount from par and all but one is valued at purchase price, due to the lack of an active market pricing structure for Church bonds. The total value of Church bonds shown at purchase price is \$244,442.80. The remainder of securities owned reflects active pricing and is show at market price.

RECEIVABLES AND ALLOWANCE FOR DOUBTFUL ACCOUNTS - Commissions receivable are recorded on a trade-date basis as securities transactions occur. Receivables are stated at the amount management expects to collect from outstanding balances. The Company accounts for potential losses in receivables utilizing the allowance method. In reviewing aged receivables, the Company considers its knowledge of customers, historical activity and current economic conditions in establishing an allowance for doubtful accounts. Account balances are charged off against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote.

Other accounts receivables include amounts owed by representatives for client settlements and legal fees advanced by the company.

REVENUE RECOGNITION – Revenue for principal transactions are recognized on trade date, while marketing and other income are recognized when earned. Fee income is accrued for the period earned.

Notes to Financial Statements For the Year Ended December 31, 2015

## NOTE 1 - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

USE OF ESTIMATES AND CERTAIN SIGNIFICANT ESTIMATES - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts in the 1), financial statements and accompanying notes. Significant estimates used in preparing these financial statements include those related to determining the valuation of allowance for doubtful accounts (Note 1) contingencies for claims (Note 8), and for determining the fair value of warrants (Note 6). It is at least reasonably possible that the significant estimates used will change within the next year.

COMPUTATION OF CUSTOMER RESERVE - The Company operates pursuant to the (k)(2)(ii) exemptive provision of SEC Rule 15c3-3 and is therefore exempt from the computation for determination of reserve requirements. The Company is exempt from the possession and control requirements under SEC rule 15c3-3 in that it carries no customer accounts and promptly transmits all funds and securities to its clearing broker/dealers.

INCOME TAXES - The Company's financial results are included in the consolidated federal and state income tax returns filed by the Parent. The Parent allocates to the Company its proportionate share of the consolidated federal and state tax liabilities on a separate company basis.

The Company records deferred taxes using the liability method. Deferred taxes are recorded to reflect the tax consequences on future years of temporary differences between the tax bases of assets and liabilities and their financial reporting amounts at year end, based on enacted tax laws and statutory tax rates applicable to periods in which the differences are expected to affect taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized.

Temporary differences giving rise to the deferred tax asset consist of contingencies for claims that are recorded for financial statement purposes, but not for income tax purposes.

UNCERTAIN TAX POSITIONS - The Company has not recognized any respective liability for unrecognized tax benefits as it has no known tax positions that would subject the Company to any material income tax exposure. A reconciliation of the beginning and ending amount of unrecognized tax benefits is not included, nor is there any interest accrued related to unrecognized tax benefits in interest expense or penalties in operating expenses as there are no unrecognized tax benefits. The tax years that remain subject to examination are the periods beginning on January 1, 2010 for all major tax jurisdictions.

OVERHEAD EXPENSES - This category reflect all expenses related to payroll and employee benefits as well as rent and the management fee paid to the Parent.

#### **NOTE 2 - RELATED PARTY TRANSACTIONS**

The Company is managed by its Parent and sole shareholder, G.A. Repple Financial Group, Inc. Consequently, operating results and financial position may be different than if the entities were autonomous. The Company pays the Parent for management fees. The management fees through December 31, 2015 represents reimbursements for the costs associated with maintenance of office equipment and furnishings, consolidated tax filing, board of directors meetings, and other related expenses. Management fees for the year ended December 31, 2015 totaled \$660,000.

Notes to Financial Statements
For the Year Ended December 31, 2015

#### NOTE 2 - RELATED PARTY TRANSACTIONS (CONTINUED)

Due to parent consists of interest-free amounts owed to the Firm by the Parent and are due on demand.

The Company paid the trust of a family member of the Parent's owner for rent and related taxes of the office building of \$72,744.96 during the year ended December 31, 2015.

#### **NOTE 3 - NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (rule 15c3-1), which requires the maintenance of minimum net capital at an amount equal to the greater of \$50,000 or 6 3% of aggregate indebtedness, and requires that the ratio of aggregate indebtedness to net capital not exceed 15 to 1.

At December 31, 2015, the Company had excess net capital of \$175,220 and a net capital ratio of 1.69 to 1.

#### NOTE 4 - LIABILITIES SUBORDINATED TO CLAIMS OF CREDITORS

None of the Company's liabilities have been subordinated to the claims of general creditors at December 31, 2015.

#### **NOTE 5 - INCOME TAXES**

The provision (benefit) from income tax at December 31, 2015, consisted of the following:

Current:		
Federal	_\$	(60,206)
State	****	3,575
Deferred:		
Federal		14,486
State		5,620
	\$	(36,525)

The components of the net deferred tax asset as of December 31, 2015 are as follows:

Deferred tax asset Deferred tax liability Valuation allowance	\$ 22,814
	\$ 22,814

The benefit from income tax differs from the amount that would result from applying a statutory rate to the loss before benefit from income tax primarily due to surtax exemptions.

Notes to Financial Statements For the Year Ended December 31, 2015

#### NOTE 6 – FAIR VALUE MEASUREMENTS

FASB ASC No. 820, Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels with Level 1 inputs consisting of unadjusted quoted prices in active markets for identical assets and having the highest priority and Level 3 inputs having the lowest priority. The Company uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Company measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value, No Level 2 inputs were available to the Company and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Warrants received in conjunction with a private placement agreement are measured at fair value using Level 3 inputs. Management has determined the fair value of these warrants using the Black-Scholes Model using an interest rate of 5.24% (200% of the Long-Term IRS Applicable Federal Rates), volatility of 30% because the warrants are for an emerging growth company, and an expected term of 5 years at December 31, 2015. The fair value of the warrants was less than the exercise price; therefore, no value was recorded on the accompanying statement of financial condition for the warrants as of December 31, 2015.

#### **Independent Auditor's Report on Internal Control**

#### Required by SEC Rule 17A-5 for a Broker-Dealer Claiming Exemption from SEC Rule 15c3-3

The Board of Directors of G.A. Repple & Company

We have reviewed management's statements, included in the accompanying management assertion statement, in which (1) G.A. Repple & Company (the "Company") identified the following provisions of 17 C.F.R. §15c-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3 (2)(ii) (the "exemption provisions") and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

### INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
