Independent Auditor's Report

Board of Directors

Certigroup, Inc.

8302 Gulf of Mexico Blvd.

Marathon, FL 33050

Report on the Financial Statements

I have audited the accompanying statement of financial condition of Certigroup, Inc. as of December 31, 2015 and the related statements of income, changes in stockholder's equity, changes in liabilities to claims of general creditors, and cash flows for the year ended. These financial statements are the responsibility of Certigroup, Inc. management. My responsibility is to express an opinion on these financial statements based on my audit.

Auditor's Responsibility

I conducted this audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Certigroup, Inc. as of December 31, 2015, and results of its operations and its cash flows to the year then ended in conformity with accounting principles generally accepted in the United States.

Other Matters

The Supplemental Information has been subjected to audit procedures performed with audit of Certigroup, Inc. financial statements. Supplemental Information is the responsibility of Certigroup, Inc.'s management. My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming my opinion on the Supplemental Information, I evaluated whether the Net Capital Computation, including its form and content is presented in conformity 17 C.F.R. # 240 17a-5. In my opinion, the Net Capital Computation is fairly stated, in all material respects, in relation to the financial statements as a whole.

Certigroup, Inc.

Notes to Financial Statements

As of and for the Year-Ended December 31, 2015

NOTE 1—ORGANIZATION AND BUSINESS

Organization and Business—The Company was incorporated under the laws of the State of Texas on February 28, 1980 under the name of Norman Werbner Investments, Inc. The Company changed its name effective January 13, 1998 to Certigroup, Inc. The Company's primary source of revenues is from the placement of certificates of deposit and the management of portfolios.

NOTE 2—SUMMARY OF ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of the financial statements. The policies are based on United States generally accepted accounting principles.

Accounts Receivable—The Company records an allowance for uncollectible accounts receivable when management determines that full collection may be doubtful. Company management is not aware of any significant concentrations of credit or market risk related to receivables or other financial instruments reported in these financial statements.

Government and Other Regulation—The Company's business is subject to significant regulation by various government agencies and self-regulatory organizations. Such regulation includes, among other things, periodic examinations by these regulatory bodies to determine whether the Company is conducting and reporting its operations in accordance with the applicable requirements of these organizations.

Property, Equipment, and Related Depreciation—Depreciation of property and equipment is provided by the straight line method of depreciation at rates calculated to amortize the cost of the assets over their estimated useful lives. The lives used in computing depreciation are as follows:

	<u>Years</u>
Furniture and Equipment	5

The costs of maintenance and repairs of the property and equipment are charged to expense as incurred. Costs of renewals and betterments are capitalized in the property accounts. When properties are replaced, retired, or otherwise disposed of, the cost of such properties and accumulated depreciation are deducted from the asset and depreciation reserve accounts. The related profit or loss, if any, is recorded in income.

NOTE 3—SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents—For purposes of the statement of cash flows, the Company considers highly liquid instruments purchased with an original maturity of one year or less or bank certificates of deposit which can be redeemed prior to maturity without significant penalty to be cash equivalents. The Company's cash balances consist of cash held at one commercial bank.

Income Taxes—No provision for income taxes has been provided as the Company and its stockholder have elected "Subchapter S" status, whereby the Company does not pay Federal and State corporate taxes on its taxable income, but instead the stockholder is liable for individual taxes on his respective share of the corporation's taxable income.

Use of Estimates—The financial statements have been prepared in conformity with United States generally accepted accounting principles and, as such, include amounts based on materiality. Actual results could differ from those estimates.

Subsequent Events—The Company has evaluated subsequent events through the date the financial statements are issued.

NOTE 4—NET CAPITAL RULE

As a broker-dealer registered with the Securities and Exchange Commission, the Company must comply with the provisions of the Commission's "Net Capital" rules, which provide that "aggregate indebtedness", as defined, shall not exceed 15 times "Net Capital", as defined, and the "Net Capital", shall not be less than \$250,000. At December 31, 2015, the Company's net capital was \$508,847 which was \$258,847 in excess of its required net capital of \$250,000. At December 31, 2015, the Company's ratio of aggregate indebtedness to net capital was 0 to 1. At no time during the year ended December 31, 2015, was the Company's net capital short of its minimum requirement.

NOTE 5—CONCENTRATION OF CREDIT RISK

The Company maintains its bank accounts at one financial institution. The account is insured by the Federal Deposit Insurance Corporation up to \$250,000. As of December 31, 2015, the Company was fully insured for the balance in its account. The Company also maintains certain certificates of deposit at four (4) different financial institutions. As of December 31, 2015, the company was fully insured for balances of the certificates of deposit.

NOTE 6—CONTINGENT LIABILITIES

The Company is not aware of any potential claims which might become obligations of the Company.

NOTE 7—SUBORDINATED DEBENTURES

On June 17, 1998, Norman Werbner, the 100% owner and President of the Company, entered into a subordinated loan agreement for the equity capital of the Company, whereby Mr. Werbner loaned the Company \$100,000. The NASD accepted the provisions of the subordinated loan agreement for equity capital effective July 18, 1998. On December 5, 2013, with the approval of the proper regulatory authorities, the maturity date was extended until December 31, 2017. Interest on this subordinated debenture is 18% per annum and is payable monthly.

On November 29, 2004, Mr. Werbner entered into an additional subordinated loan agreement for the equity capital of the Company, whereby Mr. Werbner loaned the Company an additional \$250,000. The NASD accepted the provisions of this subordinate loan agreement for equity capital effective December 15, 2004. On December 5, 2013, with the approval of the proper regulatory authorities, the maturity date was extended until December 31, 2017. Interest on this subordinated debenture is 18% and is payable monthly.

NOTE 8—RELATED PARTY TRANSACTION

On November 12, 2012, the Company entered into a marketing agreement with an affiliated entity, whereby the Company agreed to pay for certain expenses for the development of a certain product owned by the affiliate in exchange for potential future revenues to be generated by the sales of this product. The agreement provides for the Company to receive on December 31, 2016, the sum of \$100,000 plus the reimbursement of expenses paid by the Company for the product's development. If the cumulative net income generated by the sales of this product through December 31, 2016, are less than \$100,000, then the Company will accept the lesser amount as full payment under this agreement.

As of the date of these financial statements, no revenues had been generated by the sale of this product. During the year ended December 31, 2015, the Company incurred expenses of \$20,189 for legal fees and \$41,221 for engineering expenses which are included in the Company's statement of operations under the caption Other Expenses. The Company can elect not to pay the future development costs, in which case, it would forfeit its rights to future payments to be received under this agreement.

NOTE 9—DATE OF MANAGEMENT'S REVIEW

The Company has evaluated subsequent events through February 22, 2016, which is the date the financial statements were available to be issued. There have been no subsequent events as of the date of the financial statements were available to be issued which need to be disclosed in the accompanying financial statements.

NOTE 10—OTHER COMMITMENTS AND CONTINGENCIES

The Company has a cancelable operating lease on Office space. As part of the lease, the Company pays for its share of telephone usage, repairs, and other sundry services, as invoiced by the building owner. The Company may terminate the lease at any time without penalty.

NOTE 11—SUBSEQUENT EVENTS

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through February 22, 2016, which is the date the financial statement were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

Statement Related to Uniform Net Capital Rule

The Company is a member of the FINRA and is subject to the SEC Uniform Net Capital Rule 15c3-1. This rule requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500% (15 to 1), or, during its first year of operations, 800% (8:1). Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2015, the Company had net capital of \$508,847 which was \$258,847 in excess of its required net capital of \$250,000. The Company's net capital ratio was 0%. The Company has elected to use the basic computation method, as is permitted by the rule, which requires that the Company maintain minimum Net Capital pursuant to a fixed dollar amount or 6-2/3% percent of total aggregate

indebtedness, as defined, whichever is greater, and does not, therefore, calculate its net capital requirement under the alternative reserve requirement method.

Statement Related to Exemptive Provision (Possession and Control)

The Company does not have possession or control of customer's funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of SEA Rule [15c3-3(k)(2)(ii)]; All customer transactions cleared through another broker-dealer on a fully disclosed basis.

Statement Related to Material Inadequacies

This audit did not disclose any material inadequacies since the previous audit of the financial statements contained within the audit report of the Computation of Minimum Net Capital Requirement as reported in the Supplemental Schedules contained within the audit report or the filed Financial and Operational Combined Uniform Single Report filed pursuant to SEA Rule 15c3-1. The firm is exempt from 15c3-3; it does not maintain customer funds or securities and therefore does not maintain customer funds to segregate nor does it maintain separate accounts for customers.

Statement Related to SIPC Reconciliation

A reconciliation report for SIPC is not required because the firm's revenues were less than \$500,000.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

I have reviewed management's statements, included in the accompanying Representation Letter of Exemptions, in which (1) Certigroup, Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Certigroup, Inc. claimed an exemption from 17 C.F.R. § 15c3-3(k)(2)(1), and (2) Certigroup, Inc. stated that Certigroup, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Certigroup, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Certigroup, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I'm not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(1) of Rule 15c3-3 under the Securities Exchange Act of 1934.
