REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholder of Primex Prime Electronic Execution, Inc.

We have audited the accompanying financial statements of Primex Prime Electronic Execution, Inc. which comprise the statement of financial condition as of December 31, 2015, and the related statements of operations, changes in stockholder's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. Primex Prime Electronic Execution, Inc. management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis of our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Primex Prime Electronic Execution, Inc. as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

The information contained in Schedules I and II has been subjected to audit procedures performed in conjunction with the audit of Primex Prime Electronic Execution, Inc. financial statements. The information is the responsibility of Primex Prime Electronic Execution, Inc. management. Our audit procedures included determining whether the information in Schedules I and II reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the accompanying schedules. In forming our opinion on the accompanying schedules, we evaluated whether the supplemental information, including its form and content, is presented in conformity Rule17a-5 of the Securities Exchange Act of 1934. In our opinion, the aforementioned supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

PRIMEX PRIME ELECTRONIC EXECUTION, INC. NOTESTOFINANCIAL STATEMENTS December 31, 2015

NOTE 1-NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Organization and Description of Business:</u> The Company is an independent registered brokerdealer and a member of the Financial Industry Regulatory Authority. The Company's business is to act as a broker for transactions in securities.

<u>Consideration of Credit Risk:</u> The Company maintains its cash in bank deposit accounts at high credit quality financial institutions. The balances, at times, may exceed federally insured limits.

Cash equivalents consist of highly liquid investments purchased with a maturity date of three months or less, that are not held for sale in the ordinary course of business.

<u>Account Receivable</u>: Accounts receivable are non-interest bearing uncollateralized obligations receivable arising from sales of mutual funds and private placements that are due in accordance with the terms agreed upon.

The carrying amount of accounts receivable is reduced by a valuation allowance that reflects management's best estimate of the amounts that will not be collected. Management individually reviews all delinquent accounts receivable balances and based on an assessment of current creditworthiness, estimates the portion, if any, of the balance that will not be collected. Generally, receivables are believed to be fully collectible; accordingly, no allowance for doubtful accounts is reflected in the accompanying financial statements.

<u>Office Furniture and Equipment:</u> Office furniture and equipment are being depreciated on a straight-line basis over estimated useful lives office to seven years.

Income Taxes: The Company has adopted the provisions of FASB Accounting Standards Codification 740-10, Accounting for Uncertainty in Income Taxes. Under ASC 740-10, the Company is required to evaluate each of its tax positions to determine if they are more likely than not to be sustained if the taxing authority examines the respective position. A tax position includes an entity's status, including its status as a pass-through entity, and the decision not to file a tax return. The Company has evaluated each of its tax positions and has determined that no provision or liability for income taxes is necessary.

PRIMEX PRIME ELECTRONIC EXECUTION, INC. NOTES TO FINANCIAL STATEMENTS December 31, 2015

NOTE 1-NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Company has adopted the provisions of FASB Accounting Standards Codification 740-10, Accounting for Uncertainty in Income Taxes. Under FASB ASC 740-10 the Company is required to evaluate each of its tax positions to determine if they are more likely than not to be sustained if the taxing authority examines the respective position. A tax position includes an entity's status and the decision not to file a return. The Company has evaluated each of its tax positions and has determined that it has no uncertain tax positions for which a provision or liability for uncertain tax positions is necessary.

The Company, which files income tax returns in the U.S. federal jurisdiction and various state jurisdictions, is no longer subject to U.S. federal income tax examination by tax authorities for years before 2012.

<u>Estimates:</u> The preparation of financial statements in accordance with generally accepted accounting principles requires the use of estimates in determining assets, liabilities, revenues and expenses. Actual results may differ from these estimates.

<u>Revenue Recognition</u>: Placement fees are recognized in accordance with terms agreed upon with each client and are generally based on (1) a percentage of capital raised or (2) profit allocated and management fees earned by a client on funds received from investors introduced by the Company.

<u>Date of Management's Review</u> – Subsequent events were evaluated through the date the financial statements were issued.
