To the Board of Directors and Shareholders
of The Bond House, Inc.

We have audited the accompanying statement of financial condition of The Bond House, Inc. as of December 31, 2015, and the related statements of income, changes in shareholders' equity, and cash flows for the year then ended. These financial statements are the responsibility of The Bond House, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Bond House, Inc. as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Computation of Net Capital under SEC Rule 15c3-1 (Schedule I) and Computation for Determination of Reserve Requirements under SEC Rule 15c3-3 (Schedule II) have been subjected to audit procedures performed in conjunction with the audit of The Bond House, Inc.'s financial statements. The supplemental information is the responsibility of The Bond House, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the Computation of Net Capital under SEC Rule 15c3-1 and Computation for Determination of Reserve Requirements under SEC Rule 15c3-3 are fairly stated, in all material respects, in relation to the financial statements as a whole.

During 2007 the name was changed to First Parkville Securities, Inc. and then during 2008 the name was changed to The Bond House, Inc.

B. Management Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at December 31, 2015 and revenues and expenses during the year then ended. To the Board of Directors and Shareholders
of The Bond House, Inc.

We have reviewed management's statements, included in the accompanying SEA Rule 17a-5(d)(4) Exemption Report, in which (1) The Bond House, Inc. (the Company) identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(ii) (the "exemption provisions") and (2) The Bond House, Inc. stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
