REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors Lancaster Pollard & Co., LLC

We have reviewed management's statements, included in the accompanying Lancaster Pollard & Co., LLC Exemption Report, in which (1) Lancaster Pollard & Co., LLC (the "Company") identified the following provisions of 17 C.F.R. § 240.15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: paragraph (k)(2)(ii), (the "exemption provisions"), and (2) the Company stated that the Company met the identified exemption provisions throughout the year ended December 31, 2015 without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii), of Rule 15c3-3 under the Securities Exchange Act of 1934.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON APPLYING AGREED-UPON PROCEDURES

The Board of Directors
Lancaster Pollard & Co., LLC

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying General Assessment Reconciliation (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2015, which were agreed to by Lancaster Pollard & Co., LLC (a wholly owned subsidiary of Lancaster Pollard Holdings, LLC) (the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the Form SIPC-7. The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries and copies of checks made payable to SIPC, noting no differences.
- 2. Compared the total revenue amounts of the audited Form X-17A-5 for the year ended December 31, 2015, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2015, noting no differences.
- Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences.
- Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you. This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors Lancaster Pollard & Co., LLC

We have audited the accompanying statement of financial condition of Lancaster Pollard & Co., LLC (a wholly owned subsidiary of Lancaster Pollard Holdings, LLC) (the "Company") as of December 31, 2015, and the related statements of operations, changes in member's capital and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the financial position of Lancaster Pollard & Co., LLC as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The supplementary information contained in schedules I and II listed in the accompanying table of contents have been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental schedules are the responsibility of the Company's management. Our audit procedures included determining whether the supplemental schedules reconcile to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental schedules. In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in compliance with Rule 17a-5 under the Securities Exchange Act of 1934. In our opinion, such schedules are fairly stated, in all material respects, in relation to the financial statements as a whole.

Lancaster Pollard & Co., LLC (a wholly owned subsidiary of Lancaster Pollard Holdings, LLC)

Notes to Financial Statements

As of and for the Year Ended December 31, 2015

1. Nature of Business and Significant Accounting Policies

Nature of Operations

Lancaster Pollard & Co., LLC (the Company) is a wholly owned subsidiary of Lancaster Pollard Holdings, LLC. The Company is registered under the laws of the state of Delaware as a limited liability corporation and is therefore treated as a "Disregarded Entity" for income tax purposes. The Company is engaged predominantly in the underwriting of taxable and tax-exempt securities, financial and mergers and acquisition (M&A) consulting, primarily to the healthcare and senior living industries, as well as secondary trading of taxable mortgage-backed securities. The Company conducts operations principally in Columbus, Ohio and has offices in Atlanta, Austin, Kansas City, Newport Beach, Minneapolis and Philadelphia.

The Company is registered as a securities broker and dealer pursuant to the Securities Act of 1934 and is a member of the Financial Industry Regulatory Authority (FINRA).

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Restricted Cash

Restricted cash consists of good faith deposits as well as a deposit held pursuant to a custodial agreement.

Accounts Receivable

Accounts receivable are stated at net invoice amounts. An allowance for doubtful accounts is established based on a specific assessment of all invoices that remain unpaid following normal payment periods. All amounts deemed to be uncollectible are charged against the allowance for doubtful accounts in the period the determination is made. Management determined that an allowance for doubtful accounts was not necessary as of December 31, 2015.

1. Nature of Business and Significant Accounting Policies (continued)

Investments

Investments are carried at fair value. Changes in unrealized gains and losses are reflected in the statement of operations as part of other revenue. Changes in unrealized gains and losses recognized in the statement of operations related to positions still held were (\$5,089) for the year ended December 31, 2015.

Derivative Assets and Liabilities

As part of its business of selling and trading taxable mortgage-backed securities, the Company's risk management strategy includes executing forward commitments to sell taxable mortgage-backed securities to unaffiliated counterparties. Simultaneously with the execution of a forward sale commitment, the Company enters into a forward purchase commitment with the unaffiliated counterparty which holds the loan commitment with a borrower for the mortgage-backed security specified in the forward sale commitment. These commitments are executed simultaneously to economically hedge changes in fair value of the commitment to purchase the mortgage-backed security that may occur due to movements in interest rates.

The commitments meet the definition of a derivative in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 815, *Derivative Instruments and Hedging*, and are recorded at fair value in the statement of financial condition. As of December 31, 2015, the Company had mandatory commitments to deliver \$216,952,582 of fixed-rate mortgage-backed securities and written commitments to purchase \$216,952,582 of the identical securities from unaffiliated counterparties. The adjustment to fair value as of December 31, 2015 is \$567,941 and is reflected as a component of net trading gains in the statement of operations.

Property and Equipment

Property and equipment are recorded at cost less accumulated depreciation. Depreciation is computed using the straight-line method based on estimated useful lives of the related assets. Furniture, fixtures and equipment are depreciated over 5 to 7 years. Leasehold improvements are depreciated over 7 years. Expenditures for maintenance and repairs are charged to expense as incurred.

1. Nature of Business and Significant Accounting Policies (continued)

Deposits and Advances

Deposits and advances include good faith deposits. On underwriting and financial advisory engagements, when the transaction closes, the deposits are recognized into income in accordance with the contractual terms. If a deal is deemed to be no longer viable, the deposit is either recognized as revenue or refunded in accordance with the contractual terms. For secondary trades, good faith deposits are refunded to the counterparty upon settlement in accordance with the contractual terms.

Recognition of Revenue

Revenues from underwriting fees and financial and M&A advisory services are recognized on the closing date. Fees for underwriting, financial and M&A advisory services are recorded net of direct expenses, including legal, travel, printing and filing expenses. Revenues from remarketing fees and management fees are billed on a quarterly or an annual basis and are recognized in the period in which the services are provided. Deferred revenue consists of unearned remarketing fees collected in advance by the Company. Securities transactions, including related trading gains and losses, are recorded on a trade-date basis.

Advertising

The Company expenses advertising costs as incurred. Development costs are charged to expense the first time an advertisement runs.

Income Taxes

The Company has elected to be treated as a limited liability corporation for income tax purposes. Under this election, the member reports taxable income and pays any federal income tax. Accordingly, no provision for federal income taxes has been recorded by the Company.

Subsequent Events

The financial statements and related disclosures include evaluation of subsequent events through the date the financial statements were issued.

2. Recent Accounting Pronouncements

In May 2014, the FASB issued Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers, which clarifies existing accounting literature relating to how and when a company recognizes revenue. Under ASU 2014-09, a company will recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods and services. ASU 2014-09 will be effective for the Company in fiscal 2018. The Company is in the process of determining what impact, if any, the adoption of this ASU will have on its statement of financial condition, statement of operations and cash flows.

3. Investments

The Company's investments as of December 31, 2015 were comprised of fixed-rate municipal bonds. As of December 31, 2015, the fair value of the securities was \$68,355 and the cost basis was \$65,004. These investments mature in April 2018.

4. Property and Equipment

Major classes of property and equipment at December 31, 2015 were as follows:

| Leasehold improvements | \$ 47,363 |
|-----------------------------------|-------------|
| Furniture, fixtures and equipment | 1,934,519 |
| Total cost | 1,981,882 |
| Accumulated depreciation | (1,143,763) |
| Property and equipment, net | \$ 838,119 |

Depreciation expense was \$297,314 for the year ended December 31, 2015.

5. Operating Leases

The Company leases office facilities, copiers and vehicles under noncancellable operating lease agreements expiring at various dates through December 2019. Lease expense pursuant to these agreements for the year ended December 31, 2015 was \$905,590, and is reflected in the statement of operations as part of occupancy expense, supplies and office expense and travel and entertainment.

5. Operating Leases (continued)

A summary of future minimum lease payments is as follows:

Years ending December 31:

| 2016 | \$ 910,815 |
|------------|---------------|
| 2017 | 856,270 |
| 2018 | 742,790 |
| 2019 | 692,186 |
| Thereafter | _ |

6. Related Party Transactions

The Company earned \$8,104,945 in management fees from companies under common ownership during the year ended December 31, 2015. The management fees are mutually agreed upon on an annual basis and include reimbursements for employee compensation and benefits, occupancy costs, overhead, and other management services provided by the Company. The Company also pays certain operating and employee compensation expenses on behalf of companies under common ownership for which they are reimbursed. At December 31, 2015, the related party receivables were \$119,105 and the related party payables were \$103,996, both of which represented expense reimbursements.

7. Employee Benefit Plan

The Company maintains a safe harbor 401(k) plan covering all full-time employees who meet certain age and length of service requirements. Employees may contribute up to 100 percent of their compensation subject to certain limits based on federal tax laws. The expense associated with the safe harbor contribution was \$284,673 and is included in employee compensation and benefits on the statement of operations for the year ended December 31, 2015.

The plan also provides a discretionary profit-sharing contribution in an amount determined by management on an annual basis. The Company did not make any discretionary contributions to the plan for the year ended December 31, 2015. Discretionary profit-sharing contributions to the plan vest after three years. All other contributions to the plan vest immediately.

8. Contingencies and Indemnifications

Liabilities for loss contingencies arising from claims, assessments, litigation, fines, and penalties and other sources are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated. Legal costs incurred in connection with loss contingencies are expensed as incurred. The Company provides representations and warranties to counterparties in connection with a variety of commercial transactions and occasionally indemnifies them against

8. Contingencies and Indemnifications (continued)

potential losses caused by the breach of those representations and warranties. These indemnifications generally are standard contractual terms and are entered into in the normal course of business. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any liability in the financial statements for any contingencies or indemnifications.

9. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission (SEC) Uniform Net Capital Rule (15c3-1), which requires the maintenance of minimum net capital of the greater of 6.67 percent of aggregate indebtedness or \$100,000, and a ratio of aggregate indebtedness to net capital (net capital ratio) which shall not exceed 15 to 1, as those terms are defined by 15c3-1. At December 31, 2015, the Company was in compliance with both minimum requirements. At December 31, 2015, the Company's net capital and excess net capital were \$4,482,759 and \$3,959,338, respectively, and its net capital ratio was 1.75 to 1.

10. Fair Value Measurements

ASC Topic 820 requires certain assets and liabilities be reported at fair value in the financial statements and provides a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

- Level 1 inputs are quoted prices in active markets for identical assets or liabilities that the Company has the ability to access.
- Level 2 inputs are observable inputs other than quoted prices included in Level 1. These Level 2 inputs include quoted prices for similar assets and liabilities in active markets, and other inputs such as interest rates and yield curves that are observable at commonly quoted intervals.
- Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset. Significant Level 3 inputs include forecasted future cash flows, interest rates and discount rates.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input

E

10. Fair Value Measurements (continued)

that is significant to the valuation. The Company's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset or liability. A description of the valuation methodologies used for assets and liabilities measured at fair value is set forth below. These valuation methodologies were applied to all of the Company's assets and liabilities carried at fair value:

- Investments The Company measures its investment in its fixed-rate municipal bonds on a recurring basis. The fair value is based on Level 2 inputs as described above. The fair value has been determined through the use of third-party pricing services utilizing market observable inputs. The Company does not adjust prices received from third parties; however, the Company does analyze the third-party pricing services' valuation methodologies and related inputs to evaluate reasonableness and determine the appropriate level within the fair value hierarchy.
- Derivative assets and liabilities—The forward purchase and sale commitments are reported at fair value using the market approach. The market approach utilizes observable inputs such as Treasury rates, swap spreads and market spreads for similar assets considering the underlying terms of the securities to derive the fair value. As such, these derivative instruments are classified as Level 2.

The following table summarizes financial assets and financial liabilities measured at fair value on a recurring basis as of December 31, 2015, segregated by the level of the valuation inputs within the fair value hierarchy used to measure fair value.

| | Lev | el 1 |] | Level 2 | Leve | el 3 | Total |
