Independent Auditors' Report

The Board of Directors
Bats BZX Exchange, Inc.:

We have audited the accompanying financial statements of Bats BZX Exchange, Inc. (formerly known as BATS Exchange, Inc.) (the Company), which comprise the statement of financial condition as of December 31, 2015 and the related statements of income, changes in stockholder's equity (deficit), and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

Notes to Financial Statements

December 31, 2015

(In thousands)

(1) Nature of Operations

Bats BZX Exchange, Inc. (the Company or Bats), a wholly owned subsidiary of Bats Global Markets, Inc. (the Parent), is an electronic market for the trading of listed cash equity securities and listed equity options in the United States (U.S.). The Company is headquartered in the Kansas City, Missouri, area with additional offices in New York, New York and Chicago, Illinois. In addition to equity and options trading, the Company also lists Exchange Traded Products (ETPs) and provides market data products to its member firms.

(2) Summary of Significant Accounting Policies

(a) Principles of Accounting

The Company follows accounting standards established by the Financial Accounting Standards Board (FASB) to report its financial condition, results of operations and cash flows. References to accounting principles generally accepted in the United States (GAAP) in these footnotes are to the FASB Accounting Standards Codification (ASC or Codification).

(b) Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities as well as disclosure of the amounts of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ materially from those estimates. Material estimates that are particularly susceptible to significant change in the near term include unrecognized tax benefits.

(c) Cash and Cash Equivalents

The Company's cash and cash equivalents are exposed to concentrations of credit risk. The Company maintains cash at various financial institutions and brokerage firms which, at times, may be in excess of the federal depository insurance limit. The Company's management regularly monitors these institutions and believes that the potential for future loss is remote. The Company considers all liquid investments with original or acquired maturities of three months or less to be cash equivalents. The Company is funded by its Parent.

(d) Financial Investments

As of January 1, 2015, the Company held U.S. Treasury securities classified as available-for-sale investments. During 2015, the Company's treasury function was transferred to the Parent.

(e) Accounts Receivable

Accounts receivable represent amounts due from the Company's member firms and market data distributors and are carried at cost. On a periodic basis, management evaluates the

Bats BZX Exchange, Inc. (formerly known as BATS Exchange, Inc.)

Notes to Financial Statements

December 31, 2015

(In thousands)

Company's receivables and determines if an allowance for uncollectible accounts receivable based on anticipated collections is required. In circumstances where a specific member firm's or market data distributor's inability to meet its financial obligations is probable, the Company records a specific provision for uncollectible accounts against amounts due to reduce the receivable to the amount the Company estimates will be collected.

(f) *Property and Equipment, Net*

Property and equipment, net is stated at cost less accumulated depreciation. Depreciation is computed using the straight-line method over the estimated lives of the assets, generally ranging from three to seven years. Expenditures for repairs and maintenance are charged to expense as incurred.

Long-lived assets to be held and used are reviewed to determine whether any events or changes in circumstances indicate that the carrying amounts of the assets may not be recoverable. The Company bases this evaluation on such impairment indicators as the nature of the assets, the future economic benefit of the assets, any historical or future profitability measurements, as well as other external market conditions or factors that may be present. If such impairment indicators are present that would indicate that the carrying amount of any asset may not be recoverable, the Company determines whether an impairment has occurred through the use of an undiscounted cash flow analysis of the asset at the lowest level for which identifiable cash flows exist. In the event of impairment, the Company recognizes a loss for the difference between the carrying amount and the estimated fair value of the asset as measured using quoted market prices or, in the absence of quoted market prices, a discounted cash flow analysis.

(g) *Income Taxes*

Deferred taxes are recorded on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards, and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment. The results of the Company's operations are included in the Parent's income tax returns. Income taxes are allocated to the Company using the pro-rata method. Tax accounts are settled periodically in accordance with the tax sharing agreement in place with the Parent.

The Company recognizes the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities, based upon the technical merits of the position. The tax benefit recognized in the financial statements from such a position is measured based on the largest benefit that has a greater than

Bats BZX Exchange, Inc. (formerly known as BATS Exchange, Inc.)

Notes to Financial Statements

December 31, 2015

(In thousands)

50% likelihood of being realized upon ultimate settlement. Also, interest and penalties expense is recognized on the full amount of deferred benefits for uncertain tax positions. The Company's policy is to include interest and penalties related to unrecognized tax benefits in the income tax provision within the statement of income.

(h) Revenue Recognition

Transaction Fees and Liquidity Payments

Under the Company's "maker-taker" pricing model, a member posting an order (the liquidity maker) is paid a rebate (recorded in liquidity payments) for an execution occurring against that order, and a member executing against an order resting on the Company's book (the liquidity taker) is charged a fee (recorded in transaction fees). Transaction fees and liquidity payments are considered earned and incurred upon execution of a trade, are recognized on a trade-date basis and are recorded on a gross basis in revenues and cost of revenues.

Market Data Fees

Market data fees are earned from U.S. tape plans, including the Unlisted Trading Privileges Plan (UTP), the Consolidated Tape Association Plan (CTA), and the Options Price Reporting Authority, LLC (OPRA), and also proprietary market data products. Fees collected from tape plan subscribers, net of plan costs, from UTP and CTA are allocated and distributed to plan participants according to their share of tape fees based on a formula required by Securities and Exchange Commission (SEC) Regulation NMS that takes into account both trading and quoting activity. Market data fees from OPRA are allocated based upon the share of total options transactions cleared for each of the OPRA members. The Company also charges data subscribers directly for proprietary market data. The proprietary market data fees are recognized monthly, as the subscription fees are earned.

Regulatory Transaction and Section 31 Fees

The Company, as a U.S. exchange, is assessed Section 31 fees pursuant to the Securities Exchange Act of 1934, as amended (Exchange Act). Section 31 fees are assessed on the notional value traded and are designed to recover the costs to the government of supervision and regulation of securities markets and securities professionals. These fees are paid directly to the SEC by the Company. The Company, in turn, collects regulatory transaction fees from its members that are designed to equal to the Section 31 fees. The Company acts as the principal versus an agent on these transactions, and therefore these transactions are reported gross in the statement of income. The Company collects the regulatory transaction fees as a pass-through charge from members executing eligible trades and recognizes these amounts in revenues, and the related Section 31 fees in cost of revenues as incurred on a settlement-date basis. Regulatory transaction fees received are included in cash and cash equivalents at the time of receipt. As required by law, the amount due to the SEC is remitted semiannually and recorded as Section 31 fees payable in the statement of financial condition until paid.

Port Fees

Port fees are generated primarily from connectivity services related to each of the electronic markets. Port fees are earned and recognized on a monthly basis.

(3) Recently Issued Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update, or ASU, 2014-09, *Revenue from Contracts with Customers* (Topic 606), which supersedes the revenue recognition guidance in ASC 605, Revenue Recognition. The new revenue recognition standard sets forth a five-step revenue recognition model to determine when and how revenue is recognized. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration it expects to receive in exchange for those goods or services. The standard also requires more detailed disclosures. The standard provides alternative methods of initial adoption and is effective for the Company on January 1, 2018, with early adoption permitted on January 1, 2017.. The Company is currently assessing the impact that this standard will have on the financial statements.

In March 2016, the FASB issued ASU 2016-08, *Revenue for Contracts with Customers* (Topic 606): *Principal versus Agent Considerations*. The update clarifies implementation guidance on principal versus agent considerations by further explaining that the entity is considered a principal if it controls the promised service before transferring it to the customer. This update is effective for the Company along with ASU 2014-09 for the annual reporting period beginning January 1, 2018. This update is not expected to have a material impact on the Company's financial statements.

(4) Accounts payable and Accrued Liabilities

Accounts payable and accrued liabilities consisted of the following as of December 31, 2015:

Accounts payable	\$ 18,859
Unrecognized tax benefits - current portion	4,092
Accrued liabilities	795
	<u>\$ 23,746</u>

(5) Fair Value Measurement

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. The types of investments included in Level 1 include listed equities and listed derivatives.

Level 2: Inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly, and fair value is determined through the use of models or other valuation methodologies. Investments that are generally included in this category include corporate bonds and loans, less liquid and restricted equity securities and certain over-the-counter derivatives. A significant adjustment to a Level 2 input could result in the Level 2 measurement becoming a Level 3 measurement.

Level 3: Inputs are unobservable for the asset or liability and include situations where there is little, if any, market activity for the asset or liability. The inputs into the determination of fair value are based upon the circumstances and the best information available at the time and may require significant management judgment or estimation. Investments that are included in this category generally include equity and debt positions in private companies.

The carrying amounts of accounts receivable, other receivables, accounts payable, and Section 31 fees payable approximate fair value due to their liquid or short-term nature. Accounts receivable, other receivables, accounts payable and Section 31 fees payable are categorized as Level 2.

(6) Related Party Transactions

Certain affiliates of stockholders of the Parent conduct trading activity through the Company. The extent of such activity is presented in the accompanying statements of financial condition, income and cash flows.

The Company routes certain trades to other market centers through an affiliated broker-dealer. Based upon intercompany arrangements in place, the Company remits the revenue earned from customers for routing these transactions to the affiliated broker-dealer. The total expense associated with these arrangements is \$24,257 and is included in routing and clearing in the statement of income.

Bats BZX Exchange, Inc. (formerly known as BATS Exchange, Inc.)

Notes to Financial Statements

December 31, 2015

(In thousands)

The Company also records expenses allocated from the Parent for various operating expenses. Similar results may not be achievable on an arm's length basis. The following table presents the Company's allocation of expenses from the Parent for the year ended December 31, 2015:

Compensation and benefits	\$ 17,317
Systems and data communication	6,485
Occupancy	710
Professional and contract services	1,462
Regulatory costs	171
Management fee	3,740
General and administrative	7,516
	<u>\$ 37,401</u>

(7) Income Taxes

Deferred tax assets consist of the following components as of December 31, 2015:

Deferred tax assets:

Deferred revenue	\$ 207
Property and equipment	210
Other assets	244
Unrecognized tax benefits	<u>2,872</u>
Total deferred tax assets	<u>\$ 3,533</u>

The Company provides a valuation allowance against net deferred tax assets if, based on management's assessment of historical and projected future operating results and other available evidence, it is more likely than not that some or all of the deferred tax assets will not be realized. Management believes it is more likely than not that the deferred tax assets will be realized based upon expectations of future taxable income.

Bats BZX Exchange, Inc. (formerly known as BATS Exchange, Inc.)

Notes to Financial Statements

December 31, 2015

(In thousands)

The income tax provision for the year ended December 31, 2015 consists of the following:

Current tax expense:	
Federal	\$ 25,746
State	6,855
Total current tax expense	<u>32,601</u>
Deferred income tax (benefit) expense:	
Federal	(194)
State	317
Income tax provision	<u>\$ 32,724</u>

The income tax provision differs from the amount of income tax determined by applying the U.S. federal income tax rate to income before income tax provision for the year ended December 31, 2015 due to the following:

Computed "expected" tax provision	\$ 28,266	35.0%
(Decrease) increase in income tax resulting from:		
Section 199 benefits	(1,125)	-1.4%
State income taxes	3,770	4.7%
Change of unrecognized tax benefits	1,701	2.1%
Other	112	0.1%
Income tax provision	<u>\$ 32,724</u>	<u>40.5%</u>

A reconciliation of the unrecognized tax benefits for the year ended December 31, 2015 is as follows:

Balance at beginning of year	\$ 6,285
Additions for current year tax positions	1,539
Additions for prior year tax positions	589
Reductions related to expirations of statute of limitations	<u>(388)</u>
Balance at end of year	<u>\$ 8,025</u>

It is reasonably possible that the total amount of unrecognized tax benefits may decrease by approximately \$3,352 and \$366 within the next twelve months due to tax authority examination adjustments and expiring statutes of limitation, respectively.

Bats BZX Exchange, Inc. (formerly known as BATS Exchange, Inc.)

Notes to Financial Statements

December 31, 2015

(In thousands)

At December 31, 2015, the Company had \$6,106 of unrecognized tax benefits, net of federal benefit that, if recognized, would affect the effective tax rate. The Company had accrued interest and penalties of \$954 related to uncertain tax positions at December 31, 2015. Total interest and penalties increased \$424 in 2015.

The Company's open tax years are 2012 through 2015. The Company is currently under a U.S. federal income tax examination for tax years 2011, 2012 and 2013 and under income tax examinations in certain states. The Company believes the aggregate amount of any additional liabilities that may result from these examinations, if any, will not have a material adverse effect on the financial position, results of operations, or cash flows of the Company.

The Company settled its income tax payable with the Parent as of February 28, 2015.

(8) Commitments and Contingencies

Legal Proceedings

From time to time the Company is involved in various legal proceedings arising in the ordinary course of business. The Company does not believe that the outcome of any of the reviews, inspections or other legal proceedings will have a material impact on the statement of financial position, results of operations or cash flows; however, litigation is subject to many uncertainties, and the outcome of individual litigated matters is not predictable with assurance.

On May 23, 2014 and May 30, 2014, Harold R. Lanier filed three class action lawsuits in the Southern District of New York against Bats and other securities exchanges. The complaints were identical in all substantive respects, but each related to the dissemination of market data under a different market system – (i) the NASDAQ UTP Plan Market System; (ii) the OPRA Market System; and (iii) the Consolidated Quotation System and the Consolidated Tape System. Each of the actions purported to be brought on behalf of all subscribers who entered into contracts with the exchanges for the receipt of market data and were injured as a result of the misconduct detailed in the complaints, which includes allegations that the defendants did not provide market data services in a non-discriminatory manner or provide subscribers with “valid” data (i.e., data that is accurate and not stale). On January 16, 2015, Judge Katherine Forrest of the Southern District of New York held oral argument on the pending Motion to Dismiss and thereafter, on April 28, 2015, the Court filed an Opinion and Order granting the exchange defendants' Motion to Dismiss, terminating all three class action lawsuits with prejudice. On May 20, 2015, Plaintiff filed a Notice of Appeal of the dismissal and on September 1, 2015, Appellant filed its appeal brief. Respondent's brief was filed on November 24, 2015 and Appellant's reply brief was filed on December 8, 2015. Oral argument was held on March 3, 2016. Given the preliminary nature of the proceedings, the Company is unable to estimate what, if any, liability may result from this litigation. However, the Company believes that the claims are without merit and intend to litigate the matter vigorously.

Securities Industry and Financial Markets Association (“SIFMA”) has filed a number of denial of access applications with the SEC to set aside proposed rule changes to establish or modify fees for

Bats BZX Exchange, Inc. (formerly known as BATS Exchange, Inc.)

Notes to Financial Statements

December 31, 2015

(In thousands)

Bats market data products and related services. Each application is being held in abeyance pending a decision on a separate SIFMA denial of access application currently before the SEC's Chief Administrative Law Judge regarding fees proposed by Nasdaq and the NYSE for their respective market data products. An adverse ruling in that matter could cause the SEC to more

closely examine exchange market data fees, which in turn could result in the Company having to reduce the fees it charges for market data.

In addition, as a self-regulatory organization under the jurisdiction of the SEC, the Company is subject to routine reviews and inspections by the SEC. The Company has from time to time received inquiries and investigative requests from the SEC's Office of Compliance Inspections and Examinations as well as the Division of Enforcement seeking information about compliance with the federal securities laws as well as members' compliance with the federal securities laws.

(9) Subsequent Events

The Company has performed an evaluation of events that have occurred subsequent to December 31, 2015 through June 29, 2016, the date the financial statements were issued.

(formerly known as BATS Global Markets, Inc.) and its consolidated subsidiaries (the Company or Bats) is a global financial technology company that provides trade execution, market data, trade reporting, connectivity and risk management solutions to brokers, market makers, asset managers and other market participants, ultimately benefiting retail and institutional investors across multiple asset classes. The Company's asset classes comprise listed cash equity securities in the United States (U.S.) and Europe, listed equity options in the United States, and institutional spot foreign currency (FX) globally. The Company is headquartered in the Kansas City, Missouri, area with additional offices in New York, New York, Chicago, Illinois and London, United Kingdom (U.K.) and Singapore.

In the United States, the Company operates four national securities exchanges, Bats BZX Exchange, Inc. (formerly known as BATS Exchange, Inc.) (BZX), Bats BYX Exchange, Inc. (formerly known as BATS Y-Exchange, Inc.) (BYX), Bats EDGX Exchange, Inc. (formerly known as EDGX Exchange, Inc.) (EDGX) and Bats EDGA Exchange, Inc. (formerly known as EDGA Exchange, Inc.) (EDGA). All trade listed cash equity securities and exchange-traded products (ETPs), such as exchange-traded funds (ETFs), but each target different market segments by offering different pricing alternatives. BZX and EDGX also operate markets for trading listed equity options and the Company lists ETPs on BZX. The Company operates a broker-dealer, Bats Trading, Inc. (formerly known as BATS Trading, Inc.) (Trading), that provides routed transaction services for listed cash equity securities and equity options on BZX, BYX, EDGX and EDGA.

In Europe, the Company's Recognised Investment Exchange (RIE), Bats Trading Limited (BTL), offers trading in listed cash equity securities across 23 European indices and 15 major European markets. In addition, BTL also lists ETPs. Chi-X Europe Limited (Chi-X Europe) provides routed transaction services for listed cash equities within the European market. BTL and Chi-X Europe combined are referred to as Bats Europe.

(2) Summary of Significant Accounting Policies

(a) Principles of Accounting

The Company follows accounting standards established by the Financial Accounting Standards Board (FASB) to report its financial condition, results of operations and cash flows. References to accounting principles generally accepted in the United States. (GAAP) in these footnotes are to the FASB Accounting Standards Codification (ASC or Codification).

(b) Basis of Presentation

The accompanying financial statements are presented on a consolidated basis to include the accounts and transactions of Bats Global Markets, Inc. and its wholly owned subsidiaries and all significant intercompany accounts and transactions have been eliminated. Certain prior period amounts have been reclassified to conform to current period presentation. As of December 31, 2015, the Company changed its name from BATS Global Markets, Inc. to Bats Global Markets, Inc.

Bats Global Markets, Inc. (formerly known as BATS Global Markets, Inc.) and Subsidiaries
Notes to Consolidated Financial Statements
December 31, 2015, 2014, and 2013

(c) Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities as well as disclosure of the amounts of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ materially from those estimates. Material estimates that are particularly susceptible to significant change in the near term include the receivable for market data fees, the valuation of goodwill and unrecognized tax benefits.

(d) Cash and Cash Equivalents

The Company's cash and cash equivalents are exposed to concentrations of credit risk. The Company maintains cash at various financial institutions and brokerage firms which, at times, may be in excess of the federal depository insurance limit. The Company's management regularly monitors these institutions and believes that the potential for future loss is remote. The Company considers all liquid investments with original or acquired maturities of three months or less to be cash equivalents.

(e) Restricted Cash

The Company classifies cash not available for immediate use due to regulatory and other requirements as restricted cash, and presents it separately on the consolidated statements of financial condition.

(f) Financial Investments

Financial investments are classified as trading or available-for-sale.

Trading financial investments represent financial investments held by the broker-dealer subsidiaries that retain the industry-specific accounting classification required for broker-dealers. These investments are recorded at fair value with unrealized gains and losses reflected within interest expense, net in the consolidated statements of income.

Available-for-sale financial investments are comprised of the financial investments not held by the broker-dealer subsidiaries. Unrealized gains and losses, net of income taxes, are included as a component of accumulated other comprehensive (loss) income in the accompanying consolidated statements of financial condition.

Interest on financial investments, including amortization of premiums and accretion of discounts, is recognized as income when earned. Realized gains and losses on financial investments are calculated using the specific identification method and are included in interest expense, net in the accompanying consolidated statements of income.

A decline in the market value of any available-for-sale investment below carrying amount that is deemed to be other-than-temporary results in an impairment to reduce the carrying amount to realizable value. To determine whether an impairment is other-than-temporary, the Company considers all available information relevant to the collectability of the investment, including past events, current conditions, and reasonable and supportable forecasts when developing estimate of cash flows expected to be collected. Evidence considered in this assessment includes the

reasons for the impairment, the severity and duration of the impairment, changes in value subsequent to year-end, forecasted performance of the investee, and the general market condition in the geographic area or industry in which the investee operates.

(g) *Accounts Receivable, Net*

Accounts receivable are concentrated with the Company's member firms and market data distributors and are carried at cost. On a periodic basis, management evaluates the Company's receivables and determines an appropriate allowance for uncollectible accounts receivable based on anticipated collections. In circumstances where a specific customer's inability to meet its financial obligations is probable, the Company records a specific provision for uncollectible accounts against amounts due to reduce the receivable to the amount the Company estimates will be collected. Once the Company determines an allowance for an uncollectible account is necessary, interest on the receivable ceases to be accrued. See note 7 for allowance for doubtful accounts activity.

(h) *Property and Equipment, Net*

Property and equipment, net is stated at cost less accumulated depreciation. Depreciation is computed using the straight-line method over the estimated lives of the assets, generally ranging from three to seven years. Expenditures for repairs and maintenance are charged to expense as incurred. Depreciation of leasehold improvements is calculated using the straight-line method over the shorter of the related lease term or the estimated useful life of the assets.

Long-lived assets to be held and used are reviewed to determine whether any events or changes in circumstances indicate that the carrying amounts of the assets may not be recoverable. The Company bases this evaluation on such impairment indicators as the nature of the assets, the future economic benefit of the assets, any historical or future profitability measurements, as well as other external market conditions or factors that may be present. If such impairment indicators are present that would indicate that the carrying amount of any asset may not be recoverable, the Company determines whether an impairment has occurred through the use of an undiscounted cash flow analysis of the asset at the lowest level for which identifiable cash flows exist. In the event of impairment, the Company recognizes a loss for the difference between the carrying amount and the estimated value of the asset as measured using quoted market prices or, in the absence of quoted market prices, a discounted cash flow analysis.

The Company accounts for software development costs under ASC Topic 350, *Intangibles – Goodwill and Other*. The Company expenses software development costs as incurred during the preliminary project stage, while capitalizing costs incurred during the application development stage, which includes design, coding, installation and testing activities.

(i) *Goodwill and Intangible Assets, Net*

Goodwill represents the excess of purchase price over the value assigned to the net tangible and identifiable intangible assets of a business acquired. Goodwill is allocated to the Company's reporting units based on the assignment of the fair values of each reporting unit of the acquired company. The Company tests goodwill for impairment at the reporting unit level annually, or in interim periods if certain events occur indicating that the carrying value may be impaired. The impairment test is performed during the fourth quarter using December 1st carrying values, and

Bats Global Markets, Inc. (formerly known as BATS Global Markets, Inc.) and Subsidiaries
Notes to Consolidated Financial Statements
December 31, 2015, 2014, and 2013

if the fair value of the reporting unit is found to be less than the carrying value, an impairment loss is recorded. The Company completed its annual goodwill impairment test in the fourth quarter of 2015 and determined that no impairment existed.

Intangible assets, net, primarily include acquired trademarks and trade names, customer relationships, strategic alliance agreements, licenses and registrations and non-compete agreements. Intangible assets with finite lives are amortized based on the discounted cash flow method applied over the estimated useful lives of the intangible assets.

Intangible assets deemed to have indefinite useful lives are not amortized, but instead are tested for impairment at least annually, usually concurrently with goodwill. Impairment exists if the fair value of the asset is less than the carrying amount, and in that case, an impairment loss is recorded. The Company has performed the required intangible assets impairment tests and the determined that the strategic alliance intangible asset was impaired as of December 31, 2013. The value of the asset was written off to impairment of assets in the consolidated statements of income.

(j) Foreign Currency

The financial statements of foreign subsidiaries where the functional currency is not the U.S. dollar are translated into U.S. dollars using the exchange rate in effect as of each statement of financial condition date. Statements of income and cash flow amounts are translated using the average exchange rate during the period. The cumulative effects of translating the statement of financial condition accounts from the functional currency into the U.S. dollar at the applicable exchange rates are included in accumulated other comprehensive (loss) income, net in the statements of financial condition. Foreign currency gains and losses are recorded as other income (expense), net in the consolidated statements of income. The Company's operations in the United Kingdom and Singapore are recorded in Pounds sterling and Singapore dollars, respectively.

(k) Income Taxes

Deferred taxes are recorded on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards, and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

The Company recognizes the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based upon the technical merits of the position. The tax benefit recognized in the consolidated financial statements from such a position is measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. Also, interest and penalties expense is recognized on the full amount of deferred benefits for uncertain tax positions. The Company's policy is to include interest and penalties related to unrecognized tax benefits in the income tax provision within the consolidated statements of income.

(l) Revenue Recognition

Transaction Fees and Liquidity Payments

Under the Company's "maker-taker" pricing model on BZX, EDGX and the Company's RIE, a member posting an order (the liquidity maker) is paid a rebate (recorded in liquidity payments) for an execution occurring against that order, and a member executing against an order resting on the Company's book (the liquidity taker) is charged a fee (recorded in transaction fees). As a result, transaction fees consist of "taker" fees and routing fee revenues charged on securities that are routed to another market center. Transaction fees and liquidity payments are considered earned and incurred upon execution of a trade and are recognized on a trade-date basis and recorded on a gross basis in revenues and cost of revenues.

Under the Company's "taker-maker" pricing model on BYX and EDGA, a liquidity taker is paid a rebate (recorded in liquidity payments) for an execution occurring against that order and a liquidity maker is charged a fee (recorded in transaction fees) for posting such an order. Transaction fees and liquidity payments are considered earned and incurred upon execution of a trade and are recognized on a trade-date basis and recorded on a gross basis in revenues and cost of revenues.

On the Company's FX platform, the customer is charged a transaction fee regardless of whether it is adding or removing liquidity from the market.

Market Data Fees

Market data fees are earned from U.S. tape plans, including the Unlisted Trading Privileges Plan (UTP), the Consolidated Tape Association Plan (CTA), and the Options Price Reporting Authority, LLC (OPRA), and also proprietary market data products. Fees collected from tape plan subscribers, net of plan costs, from UTP and CTA are allocated and distributed to plan participants according to their share of tape fees based on a formula required by Securities and Exchange Commission (SEC) Regulation NMS that takes into account both trading and quoting activity. Fees from the CTA and UTP are estimated and recognized on a monthly basis and received approximately 45 days after quarter end. Market data fees from OPRA are allocated based upon the share of total options transactions cleared for each of the OPRA members. Fees from OPRA are estimated and recognized on a monthly basis and received approximately 30 days after quarter end. The Company also charges data subscribers directly for proprietary market data in its U.S. Equities and European Equities segments. The proprietary market data fees are recognized monthly, as the subscription fees are earned.

Regulatory Transaction and Section 31 Fees

BZX, BYX, EDGX and EDGA, as U.S. exchanges, are assessed Section 31 fees pursuant to the Securities Exchange Act of 1934 (Exchange Act). Section 31 fees are assessed on the notional value traded and are designed to recover the costs to the government of supervision and regulation of securities markets and securities professionals. These fees are paid directly to the SEC by the four exchanges. The exchanges, in turn, collect regulatory transaction fees that are designed to equal to the Section 31 fees from their members. The Company acts as the principal versus an agent on these transactions, and therefore these transactions are reported gross in the consolidated statements of income. BZX, BYX, EDGX and EDGA collect the regulatory

Notes to Consolidated Financial Statements

transaction fees as a pass-through charge from members executing eligible trades and recognize these amounts in revenues, and the related Section 31 fees in cost of revenues as incurred on a settlement-date basis. Regulatory transaction fees received are included in cash and cash equivalents and financial investments in the consolidated statements of financial condition at the time of receipt. As required by law, the amount due to the SEC is remitted semiannually and recorded as Section 31 fees payable in the consolidated statements of financial condition until paid. Because the Company holds the funds received until payment is remitted to the SEC, the Company earns interest on the related balances.

Port Fees

Port fees are generated primarily from connectivity services related to each of the electronic markets. Port fees are recognized on a monthly basis.

Concentrations of Revenue and Liquidity Payments

For the years ended December 31, 2015, 2014 and 2013, one member accounted for 11%, 12% and 10%, respectively, of the Company's transaction fees. For the years ended December 31, 2015, 2014 and 2013, approximately 5%, 9% and 12%, respectively, of total liquidity payments each year were paid to one member, substantially all of which is recorded in the U.S. Equities segment. No other members accounted for more than 10% of the Company's transaction fees or liquidity payments during the years ended December 31, 2015, 2014 and 2013, and no member accounted for more than 10% of the Company's total revenue during the years ended December 31, 2015, 2014 and 2013.

No member is contractually or otherwise obligated to continue to use the Company's services. The loss of, or a significant reduction of, participation by these members may have a material adverse effect on the Company's business, financial position, results of operations and cash flows.

(m) Earnings Per Share

The Company presents both basic and diluted earnings per share. Basic earnings per share is computed by dividing net income by the weighted average number of common shares outstanding during the period. Diluted earnings per share is computed by dividing net income by the sum of the weighted average number of common shares and dilutive common share equivalents outstanding.

(n) Stock-Based Compensation

The Company grants stock-based compensation to its employees through awards of stock options and restricted stock. The Company records stock-based compensation expense for all stock-based compensation granted based on the grant-date fair value. The Company recognizes compensation expense related to stock-based compensation awards with graded vesting that have a service condition on a straight-line basis over the requisite service period of the entire award.

The amount of stock-based compensation expense related to awards of restricted stock is based on the fair value of Bats Global Markets, Inc. common stock at the date of grant. The fair value is based on a current market-based transaction of the Company's common stock. If a market-based transaction of the Company's common stock is not available, then the fair value is based

Bats Global Markets, Inc. (formerly known as BATS Global Markets, Inc.) and Subsidiaries

Notes to Consolidated Financial Statements

on an independent third-party valuation using equal weighting of two valuation analysis techniques, discounted cash flows and valuation multiples observed from publicly traded companies in a similar industry.

The amount of future stock-based compensation expense related to awards of stock options is based on the Black-Scholes valuation model. Assumptions used to estimate the grant-date fair value of stock options are determined as follows:

- Expected term is determined using the simplified method, using the average between the contractual term and vesting period of the award. The simplified method was used due to the lack of historical information;
- Expected volatility of award grants made under the Company's plan is measured using the weighted average of historical daily changes in the market price of the common stock of comparable public companies over the period equal to the expected term of the award or a minimum of two years if comparable public company historical market prices are not available for the entire expected term;
- Expected dividend rate is determined based on expected dividends to be declared;
- Risk-free interest rate is equivalent to the implied yield on zero-coupon U.S. Treasury bonds with a maturity equal to the expected term of the awards; and
- Forfeitures are based on the history of cancellations of awards granted and management's analysis of potential forfeitures.

(o) Business Combinations

The Company accounts for business combinations in accordance with ASC Topic 805, *Business Combinations*, which requires identifiable assets, liabilities and goodwill acquired in a business combination to be recorded at fair value at the acquisition date. Additionally, ASC Topic 805 requires transaction-related costs to be expensed in the period incurred.

(p) Debt Issuance Costs

The Company accounts for debt issuance cost in accordance with ASC Topic 470, *Debt*, which requires that all costs incurred to issue debt be capitalized and amortized over the life of the loan using the interest method.

(q) Equity Method Investment

In general, the equity method of accounting is used when the Company owns 20% to 50% of the outstanding voting stock of a company and when it is able to exercise significant influence over the operating and financial policies of a company. The Company has an investment where it has significant influence and as such accounts for the investments under the equity method of accounting. The Company records the pro-rata share of earnings or losses each period and records any dividends received as a reduction in the investment balance. The equity method investment is evaluated for other-than-temporary declines in value by considering a variety of factors such as the earnings capacity of the investment and the fair value of the investment compared to its carrying amount. If the estimated fair value of the investment is less than the carrying amount and the decline in value is considered to be other than temporary, the excess of

the carrying amount over the estimated fair value is recognized in the financial statements as an impairment.

(3) Recent Accounting Pronouncements

In May 2014, the FASB issued Accounting Standards Update, or ASU, 2014-09, *Revenue from Contracts with Customers* (Topic 606), which supersedes the revenue recognition guidance in ASC 605, *Revenue Recognition*. The new revenue recognition standard sets forth a five-step revenue recognition model to determine when and how revenue is recognized. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration it expects to receive in exchange for those goods or services. The standard also requires more detailed disclosures. The standard provides alternative methods of initial adoption and is effective for the Company on January 1, 2017. Early adoption is not permitted. In August 2015, the FASB issued ASU 2015-14, which deferred the effective date of ASU 2014-09 to January 1, 2018. The Company is currently assessing the impact that this standard will have on the consolidated financial statements.

In February 2015, the FASB issued ASU 2015-02, *Consolidation* (Topic 810). The ASU modifies the way a reporting entity evaluates whether or not it must consolidate certain legal entities into its consolidated financial statements. The standard is effective for the Company on January 1, 2016. Early adoption is permitted, however the Company will implement with the consolidated financial statements for the year ended December 31, 2016. The ASU will have no impact to the consolidated financial statements.

In April 2015, the FASB issued ASU 2015-03, *Interest—Imputation of Interest* (Subtopic 835-30). The ASU simplifies the presentation of debt issuance cost on the consolidated statement of financial condition by requiring that the debt issuance cost related to a recognized debt liability be presented as a direct deduction from the carrying amount of that debt liability, instead of as an asset. The recognition and measurement guidance for debt issuance costs are not affected by this ASU. The ASU is effective for the Company on January 1, 2016 and does not have a material impact to the consolidated financial statements.

In September 2015, the FASB issued ASU 2015-16, *Business Combinations* (Topic 805). This standard simplifies the accounting for adjustments made to provisional amounts recognized in a business combination. First, it requires that the acquirer recognize adjustments to provisional amounts that are identified during the measurement period in the reporting period in which the adjustment amount is determined. The acquirer also should record, in the same period's financial statements, the effect on earnings of changes in depreciation, amortization, or other income effects, if any, as a result of the change to the provisional amounts, calculated as if the accounting had been completed at the acquisition date. The amendments should be applied prospectively to adjustments to provisional amounts that are identified after December 15, 2015 and that are within the measurement period. Upon transition, an entity would be required to disclose the nature of, and reason for, the change in accounting principle. An entity would provide that disclosure in the first annual period of adoption and in the interim periods within the first annual period. This ASU will have no impact on the consolidated financial statements.

December 31, 2015, 2014, and 2013

In November 2015, the FASB issued ASU 2015-17, *Income Taxes- Balance Sheet Classification of Deferred Taxes* (Topic 740). This standard affects only entities that present a classified statement of financial position. Deferred tax liabilities and assets will be classified as noncurrent in a classified statement of financial condition and the current requirement that deferred tax liabilities and assets of a tax-paying component of an entity be offset and presented as a single amount remains the same. The Company will adopt this ASU retrospectively in the first quarter of 2016. Adoption will not have a material effect on the consolidated financial statements.

In January 2016, the FASB issued ASU 2016-01, *Financial Instruments—Overall* (Subtopic 825-10). This standard primarily affects the accounting for equity investments, financial liabilities under the fair value option, and the presentation and disclosure requirements for financial instruments. In addition, the FASB clarified guidance related to the valuation allowance assessment when recognizing deferred tax assets resulting from unrealized losses on available-for-sale debt securities. Under this ASU, unrecognized gains and losses from available-for-sale securities will be recognized through net income. This ASU is effective for the Company on January 1, 2018. Adoption will not have a material effect on the consolidated financial statements.

In February 2016, the FASB issued ASU 2016-02, *Leases*, (Topic 842). The ASU will require organizations that lease assets—referred to as “lessees”—to recognize on the consolidated statement of financial condition the assets and liabilities for the rights and obligations created by those leases. The ASU is effective for the Company beginning on January 1, 2019. The Company is still evaluating the effect of this ASU on the consolidated financial statements.

(4) Acquisitions and Recapitalization

Direct Edge

On January 31, 2014 (the Direct Edge Acquisition Date), the Company acquired 100% of the outstanding common stock of Direct Edge Holdings LLC (Direct Edge) (the Direct Edge Transaction). The Direct Edge Transaction is intended to combine operations to increase market share for the U.S. Equities segment. In conjunction with the Direct Edge Transaction, the Company recapitalized its voting and non-voting common stock into a newly formed parent entity, and one legacy Direct Edge member was issued solely Class A non-voting shares of the new parent entity and, at their request, certain other legacy Bats stockholders and Direct Edge members were issued voting shares and Class B non-voting shares of the new parent entity. All other legacy Bats stockholders and Direct Edge members were issued voting shares in the new parent entity.

The results of Direct Edge’s operations have been included in the consolidated financial statements since the Direct Edge Acquisition Date.

Notes to Consolidated Financial Statements

and a contingent consideration liability estimated at \$62.6 million. This acquisition represents further expansion into non-equity trading businesses for the Company.

The results of Hotspot's operations have been included in the consolidated financial statements since the Hotspot Acquisition Date and were included in the Global FX segment. The Company elected to push down the purchase accounting of Hotspot to the lowest operating entity within that segment.

The acquisition-date fair value of the consideration transferred totaled \$430.1 million, which consisted of the following (in millions):

Cash	\$	365.0
Contingent consideration liability		62.6
Working capital payment		2.5
Total purchase price	\$	<u>430.1</u>

The contingent consideration liability represents a tax sharing arrangement with the seller for payment of 70% of the tax benefit from the amortization resulting from the Hotspot Transaction for the first three years after the Hotspot Acquisition Date and 50% of the tax benefit for the remaining twelve years. For a 30 day period after the third anniversary of the Hotspot Acquisition Date, the Company and the seller have the option to settle the remaining liability for \$50.0 million. If neither the Company nor the former owner exercises such option, the payments will continue through 2030. The payments are contingent on the Company generating sufficient taxable net income to pay such tax benefits to the former owner. The estimated undiscounted outcomes of all future payments are in the range of \$70.0 million to \$91.9 million.

The fair value of the contingent consideration liability at the Hotspot Acquisition Date was estimated using a probability-weighted discounted cash flow method, represents a Level 3 measurement as defined in ASC Topic 820, and changes in fair value are recorded in operating expenses in the statements of income.

(11) Debt

On December 19, 2012, the Company entered into (i) a term loan agreement in the amount of \$300 million and (ii) revolving loans not to exceed \$50 million (the '2012 Loan'). The proceeds received from the term loan were used by the Company to pay a \$298.9 million dividend, or \$13.20 per share, to all shareholders of Bats Global Markets, Inc. common stock during the fourth quarter 2012. The term of the loan was six years ending on December 19, 2018 with a variable interest rate based on 1-month London Interbank Offered Rate (LIBOR) (with a floor of 125 basis points) plus a spread of 575 basis points. The original issue discount was \$12.5 million, or approximately 4.2%. The revolving loans had similar interest rates and a three-year term, ending on December 19, 2015. The Company incurred \$7.1 million of debt issuance costs, which was capitalized and was being amortized over the term of the loans.

Upon consummation of the acquisition of Direct Edge on January 31, 2014, the Company entered into (i) a term loan agreement in the amount of \$470 million and (ii) revolving loans not to exceed \$100 million (the 2014 Loan). The proceeds received from the 2014 Loan were used by the Company to extinguish the 2012 Loan, pay a dividend to the shareholders and for other corporate purposes. The 2012 Loan, related debt issuance costs and debt discount were extinguished resulting in a loss of \$13.6 million that was recorded in non-operating expense on the consolidated statement of income. The term of the 2014 Loan is six years ending on January 31, 2020 with variable interest rate based on 1-month LIBOR (with floor of 100 basis points) plus a spread of 400 basis points (375 if leverage ratio falls below 2.25). The original issue discount was \$1.2 million, or approximately 0.25%. The revolving loans have an interest rate of LIBOR plus 350 basis points and a three-year term, ending on January 31, 2017. The fee on the undrawn portion of the revolver is 0.5%. Principal payments on outstanding balances are made on a quarterly basis. The Company incurred \$8.3 million of debt issuance costs, which was capitalized and is being amortized over the term of the loans.

Upon consummation of the Hotspot Acquisition, the Company amended its 2014 loan (the Amended 2014 Loan). The Amended 2014 Loan increased the spread on the variable interest rate from 400 basis points to 475 basis points and required a 25 basis point amendment fee. The required annual amortization also increased from 5.0% per annum to 7.5% per annum. The impact of the amended terms on the present value of cash flows was less than 10%; therefore the amendment was accounted for as a modification. In addition, the Company entered into a new \$150 million 3-year term loan (the 2015 Term Loan B-1) and a new \$228 million 5-year term loan (the 2015 Term Loan B-2), both of which were funded immediately prior to the Hotspot transaction. The 2015 Term Loan B-1 has an interest rate based on 1-month LIBOR plus a spread of 375 basis points and a 100 basis point original issue discount, or \$1.5 million. The 2015 Term Loan B-2 has an interest rate based on 1-month LIBOR (with floor of 100 basis points) plus a spread of 475 basis points and a 100 basis point original issue discount, or \$2.3 million. In addition, the Company entered into a new \$100 million revolving credit facility with an interest rate based on 1-month LIBOR plus a spread of 350 basis points and an undrawn fee of 50 basis points, replacing the revolving credit facility under the 2014 Loan. Debt issuance costs related to the new and restructured debt were \$16.5 million, of which \$0.2 million was expensed immediately and \$6.6 million and \$9.7 million were capitalized as debt issuance costs and additional debt discount, respectively, and are being amortized over the term of the loans.

Less: current portion	<u>(87.1)</u>	<u>(44.2)</u>
Total long-term debt	<u>\$ 600.4</u>	<u>\$ 430.2</u>

The unamortized debt discount will be amortized as part of interest expense, net through January 31, 2020, the maturity date of the term loan. The effective interest rate on the Amended 2014 term loan was 5.5% for the year ended December 31, 2015. The effective interest rate on the original 2014 term loan was 5.0% for the year ended December 31, 2014.

The credit agreement for the Amended 2014 Loan contains customary reporting requirements, events of default and affirmative and negative covenants, including a financial covenant not to exceed a maximum leverage ratio measured each quarter through the term of the loan, as further described in the credit agreement. The financial covenant places restrictions concerning the Company's ability to declare dividends and obtain additional financing, and requires that any proceeds from the sale of assets first be used to pay down the Amended 2014 Loan. As of December 31, 2015 and 2014, the Company was in compliance with the terms of the credit arrangement for the Amended 2014 Loan.

The Company and certain subsidiaries have guaranteed the repayment of obligations under the credit agreement and have granted pledges of the shares of certain subsidiaries along with a security interest in certain other assets of the Company and certain subsidiaries as collateral.

As of December 31, 2015, aggregate minimum annual maturities of long-term debt are \$90.7 million in 2016, \$110.7 million in 2017, \$101.1 million in 2018, \$73.2 million in 2019 and \$323.0 million in 2020. In addition to the minimum principal payments, the Company is required to pay additional principal payments based on an annual calculation of Excess Cash Flow, as defined by the Term Loan B-2.

(13) Fair Value Measurement

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. The types of investments included in Level 1 include listed equities and listed derivatives.

Level 2: Inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly, and fair value is determined through the use of models or other valuation methodologies. Investments that are generally included in this category include

Bats Global Markets, Inc. (formerly known as BATS Global Markets, Inc.) and Subsidiaries
Notes to Consolidated Financial Statements
December 31, 2015, 2014, and 2013

corporate bonds and loans, less liquid and restricted equity securities and certain over-the-counter derivatives. A significant adjustment to a Level 2 input could result in the Level 2 measurement becoming a Level 3 measurement.

Level 3: Inputs are unobservable for the asset or liability and include situations where there is little, if any, market activity for the asset or liability. The inputs into the determination of fair value are based upon the circumstances and the best information available at the time and may require significant management judgment or estimation. Investments that are included in this category generally include equity and debt positions in private companies.

Instruments Measured at Fair Value on a Recurring Basis

The following table presents the Company's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31, 2015 and 2014 (in millions):

The following is a description of the Company's valuation methodologies used for instruments measured at fair value on a recurring basis:

Trading and Available-for-sale securities

Financial investments classified as trading and available-for-sale consist of U.S. Treasury securities. These securities are valued by obtaining feeds from a number of live data sources, including active market makers and inter-dealer brokers and therefore categorized as Level 1.

Contingent Consideration Liability

The Company entered into a contingent consideration arrangement with the purchase of Hotspot from a related party on March 13, 2015. The fair value of this liability at December 31, 2015 is \$65.4 million.

Bats Global Markets, Inc. (formerly known as BATS Global Markets, Inc.) and Subsidiaries
Notes to Consolidated Financial Statements
December 31, 2015, 2014, and 2013

That value is based on estimates of discounted future cash payments under the tax sharing agreement, a significant unobservable input, and is considered a Level 3 measurement.

Instruments Measured at Fair Value on a Nonrecurring Basis

Certain assets, such as goodwill and intangible assets, are measured at fair value on a non-recurring basis. For goodwill, the process involves using a discounted cash flow method to determine the fair value of each reporting unit on a stand-alone basis. That fair value is compared to the carrying amount of the reporting unit, including its recorded goodwill. Impairment is considered to have occurred if the fair value of the reporting unit is lower than the carrying amount of the reporting unit. For the intangible assets, the process also involves using a discounted cash flow method to determine the fair value of each intangible asset. Impairment is considered to have occurred if the fair value of the intangible asset is lower than the carrying amount. These measurements are considered Level 3 and these assets are recognized at fair value if they are deemed to be impaired. As of December 31, 2015 and 2014, none of these assets were required to be recorded at fair value since no impairment indicators were present.

Fair Value of Financial Instruments

The fair value of the EuroCCP investment at December 31, 2015 is \$11.9 million. That value is based on estimates of free cash flows from the EuroCCP entity, a significant unobservable input, and is also considered a Level 3 measurement. At December 31, 2014, the carrying amount approximated fair value of \$10.9 million. The primary input to the fair value measurement is a risk premium of 6.4%. Should that rate fluctuate by one percentage point, the valuation would change by approximately \$2.0 million.

Long-term debt

The carrying amount of long-term debt approximates its fair value based on traded quotes at December 31, 2015 and quoted LIBOR at December 31, 2014 and is considered a Level 2 measurement.

As a result, the activities for BTL and Chi-X Europe are treated as branches of the Company, and taxable income or loss reported by BTL and Chi-X Europe are included in the U.S. federal income tax return of the Company. The Company assessed the realizability of its U.K. deferred tax assets and released its valuation allowance in 2013. The Company recorded a corresponding U.S. deferred tax liability for the U.K. deferred tax assets. It is anticipated that a portion of the U.K. tax liability will be offset by U.S. foreign tax credits subject to the limitations of Internal Revenue Code Section 901(m). Pursuant to U.K. tax law, net operating losses do not expire as long as the trade or business that generated the losses remains in existence.

Notes to Consolidated Financial Statements
December 31, 2015, 2014, and 2013

The income tax provision differs from the amount of income tax determined by applying the U.S. federal income tax rate to income before income tax provision for the years ended December 31, 2015, 2014 and 2013 due to the following (in millions):

	2015		2014		2013	
Computed "expected" tax provision	\$ 48.6	35.0%	\$ 28.1	35.0%	\$ 26.5	35.0%
Increase (decrease) in income tax resulting from:						
Nondeductible expenses	0.8	0.6	0.2	0.2	1.4	1.9
Section 199 benefits	(2.1)	(1.5)	(1.3)	(1.6)	(1.5)	(2.0)

Income tax provision	<u>\$ 56.5</u>	<u>40.7%</u>	<u>\$ 31.1</u>	<u>38.7%</u>	<u>\$ 28.8</u>	<u>38.1%</u>

The effective tax rate for 2015 was 40.7% compared to 38.7% in 2014 and 38.1% in 2013. The effective tax rate increased from 2013 to 2014 due a reduction in Section 199 benefits and an increase of unrecognized tax benefits. The effective tax rate increased from 2014 to 2015 due to higher non-deductible expenses.

The Company provides a valuation allowance against net deferred tax assets if, based on management's assessment of historical and projected future operating results and other available evidence, it is more likely than not that some or all of the deferred tax assets will not be realized. Management believes it is more likely than not that the deferred tax assets will be realized based upon expectations of future taxable income.

In 2013, the Company released its valuation allowance associated with its U.K. net deferred tax assets. A reconciliation of the U.K. valuation allowance for the year ended December 31, 2013 is as follows (in millions):

	Balance beginning of period	Credited to income	Changes to accumulated other comprehensive income	Releases	Balance end of period

A reconciliation of the unrecognized tax benefits for the years ended December 31, 2015, 2014 and 2013 is as follows (in millions):

	Year ended December 31		
	2015	2014	2013
Balance at beginning of year	\$ 7.9	\$ 6.0	\$ 9.1
Additions for acquired entities	—	0.5	—

Additions for prior year tax positions	1.2	1.0	—
Reductions for prior year tax positions	(0.2)	(0.3)	(5.0)
Reductions related to expirations of statute of limitations	(0.4)	(0.3)	—
Settlements	—	(1.1)	—
Balance at end of year	<u>\$ 12.0</u>	<u>\$ 7.9</u>	<u>\$ 6.0</u>

It is reasonably possible that the total amount of unrecognized tax benefits may decrease by approximately \$4.2 million and 0.5 million within the next twelve months due to potential tax authority examination adjustments and expiring statutes of limitation, respectively.

At December 31, 2015 and 2014, the Company had \$9.0 million and \$4.9 million, respectively, of unrecognized tax benefits, net of federal benefit that, if recognized, would affect the effective tax rate. The Company had accrued interest and penalties of \$1.2 million and \$0.7 million related to uncertain tax positions at December 31, 2015 and 2014. Total interest and penalties increased by \$0.5 million in 2015 and increased by \$0.1 million in 2014.

The Company files a U.S. federal income tax return and tax returns in various jurisdictions, including a U.K. income tax return for its U.K. operations. The Company's open tax years are 2012 through 2015. The Company is currently under a U.S. federal income tax examination for tax year 2011, 2012 and 2013 and in certain states for certain subsidiaries. The Company believes the aggregate amount of any additional liabilities that may result from examinations, if any, will not have a material adverse effect on the financial position, results of operations, or cash flows of the Company.

Other operating lease expense included \$1.7 million, \$2.5 million and \$1.3 million recorded in systems and data communication for the years ended December 31, 2015, 2014 and 2013, respectively, and \$6.0 million and \$5.6 million recorded in general and administrative for the years ended December 31, 2015 and 2014, respectively.

Legal Proceedings

From time to time the Company is involved in various legal proceedings arising in the ordinary course of business. The Company does not believe that the outcome of any of the reviews, inspections or other legal proceedings will have a material impact on the consolidated financial position, results of operations or cash flows; however, litigation is subject to many uncertainties, and the outcome of individual litigated matters is not predictable with assurance.

On April 18, 2014, the City of Providence, Rhode Island filed a securities class action lawsuit in the Southern District of New York against Bats and Direct Edge, as well as 14 other securities exchanges. The action purports to be brought on behalf of all public investors who purchased and/or sold shares of stock in the United States between April 18, 2009 and the present on a registered public stock exchange (Exchange Defendants) or a United States-based alternate trading venue and were injured as a result of the misconduct detailed in the complaint, which includes allegations that the defendants committed fraud through a variety of business practices associated with, among other things, what is commonly referred to as high frequency trading. On May 2, 2014 and May 20, 2014, American European Insurance Company and Harel Insurance Co., Ltd. each filed substantially similar class action lawsuits against the Exchange Defendants which were ultimately consolidated with the City of Providence, Rhode Island securities class action lawsuit. On June 18, 2015, Judge Jesse Furman of the Southern District of New York held oral argument on the pending Motion to Dismiss and thereafter, on August 26, 2015, the Court issued an Opinion and Order granting Defendant's Motion to Dismiss, dismissing the Complaint in full. Plaintiff filed a Notice of Appeal of the dismissal on September 24, 2015. Plaintiff's appeal brief will be due on January 7, 2016 and Respondent's brief will be due on or before April 7, 2016.

Notes to Consolidated Financial Statements
December 31, 2015, 2014, and 2013

On May 23, 2014 and May 30, 2014, Harold R. Lanier filed three class action lawsuits in the Southern District of New York against Bats and other securities exchanges. The complaints were identical in all substantive respects, but each related to the dissemination of market data under a different market system – (i) the NASDAQ UTP Plan Market System; (ii) the OPRA Market System; and (iii) the Consolidated Quotation System and the Consolidated Tape System. Each of the actions purported to be brought on behalf of all subscribers who entered into contracts with the exchanges for the receipt of market data and were injured as a result of the misconduct detailed in the complaints, which includes allegations that the defendants did not provide market data services in a non-discriminatory manner or provide subscribers with “valid” data (i.e., data that is accurate and not stale). On January 16, 2015, Judge Katherine Forrest of the Southern District of New York held oral argument on the pending Motion to Dismiss and thereafter, on April 28, 2015, the Court filed an Opinion and Order granting the exchange defendants’ Motion to Dismiss, terminating all three class action lawsuits with prejudice. On May 20, 2015, Plaintiff filed a Notice of Appeal of the dismissal and on September 1, 2015, Appellant filed its appeal brief. Respondent’s brief was filed on November 24, 2015 and Appellant’s reply brief was filed on December 8, 2015. Oral argument has been scheduled for March 3, 2016.

Securities Industry and Financial Markets Association (“SIFMA”) has filed a number of denial of access applications with the SEC to set aside proposed rule changes to establish or modify fees for Bats market data products and related services. Each application is being held in abeyance pending a decision on a separate SIFMA denial of access application currently before the SEC’s Chief Administrative Law Judge, or ALJ, regarding fees proposed by Nasdaq and the NYSE for their respective market data products. An adverse ruling in that matter could cause the SEC to more closely examine exchange market data fees, which in turn could result in the Company having to reduce the fees it charges for market data.

In addition, as a self-regulatory organization under the jurisdiction of the SEC, the Company is subject to routine reviews and inspections by the SEC, and Bats Trading is subject to reviews and inspections by the Financial Industry Regulatory Authority (“FINRA”). The Company has from time to time received inquiries and investigative requests from the SEC’s Office of Compliance Inspections and Examinations as well as the Division of Enforcement seeking information about the Company’s compliance with the federal securities laws as well as the Company’s members’ compliance with the federal securities laws.

Guarantees

The Company uses Wedbush Securities, Morgan Stanley and Merrill Lynch (collectively, affiliates of stockholders of the Company) to clear its routed cash equities transactions. Wedbush Securities, Morgan Stanley and Merrill Lynch guarantee the trade until one day after the trade date, after which time the National Securities Clearing Corporation (NSCC) provides a guarantee. In the case of a failure to perform on the part on one of its clearing firms of routed cash equities transactions, Wedbush Securities or Morgan Stanley, the Company provides the guarantee to the counterparty to the trade. The Options Clearing Corporation (OCC) acts as a central counterparty on all transactions in listed equity options, and as such, guarantees clearance and settlement of all of the Company’s options transactions. The Company believes that any potential requirement for the Company to make payments under these guarantees is remote and accordingly, has not recorded any liability in the consolidated financial statements for these guarantees.

Independent Auditors' Report

The Board of Directors
Bats BZX Exchange, Inc.:

We have audited the accompanying financial statements of Bats BZX Exchange, Inc. (formerly known as BATS Exchange, Inc.) (the Company), which comprise the statement of financial condition as of December 31, 2015 and the related statements of income, changes in stockholder's equity (deficit), and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

Notes to Financial Statements

December 31, 2015

(1) Nature of Operations

Bats BZX Exchange, Inc. (the Company or Bats), a wholly owned subsidiary of Bats Global Markets, Inc. (the Parent), is an electronic market for the trading of listed cash equity securities and listed equity options in the United States (U.S.). The Company is headquartered in the Kansas City, Missouri, area with additional offices in New York, New York and Chicago, Illinois. In addition to equity and options trading, the Company also lists Exchange Traded Products (ETPs) and provides market data products to its member firms.

(2) Summary of Significant Accounting Policies

(a) Principles of Accounting

The Company follows accounting standards established by the Financial Accounting Standards Board (FASB) to report its financial condition, results of operations and cash flows. References to accounting principles generally accepted in the United States (GAAP) in these footnotes are to the FASB Accounting Standards Codification (ASC or Codification).

(b) Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities as well as disclosure of the amounts of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ materially from those estimates. Material estimates that are particularly susceptible to significant change in the near term include unrecognized tax benefits.

(c) Cash and Cash Equivalents

The Company's cash and cash equivalents are exposed to concentrations of credit risk. The Company maintains cash at various financial institutions and brokerage firms which, at times, may be in excess of the federal depository insurance limit. The Company's management regularly monitors these institutions and believes that the potential for future loss is remote. The Company considers all liquid investments with original or acquired maturities of three months or less to be cash equivalents. The Company is funded by its Parent.

(d) Financial Investments

As of January 1, 2015, the Company held U.S. Treasury securities classified as available-for-sale investments. During 2015, the Company's treasury function was transferred to the Parent.

(e) Accounts Receivable

Accounts receivable represent amounts due from the Company's member firms and market data distributors and are carried at cost. On a periodic basis, management evaluates the

Bats BZX Exchange, Inc. (formerly known as BATS Exchange, Inc.)

Notes to Financial Statements

December 31, 2015

(In thousands)

Company's receivables and determines if an allowance for uncollectible accounts receivable based on anticipated collections is required. In circumstances where a specific member firm's or market data distributor's inability to meet its financial obligations is probable, the Company records a specific provision for uncollectible accounts against amounts due to reduce the receivable to the amount the Company estimates will be collected.

(f) *Property and Equipment, Net*

Property and equipment, net is stated at cost less accumulated depreciation. Depreciation is computed using the straight-line method over the estimated lives of the assets, generally ranging from three to seven years. Expenditures for repairs and maintenance are charged to expense as incurred.

Long-lived assets to be held and used are reviewed to determine whether any events or changes in circumstances indicate that the carrying amounts of the assets may not be recoverable. The Company bases this evaluation on such impairment indicators as the nature of the assets, the future economic benefit of the assets, any historical or future profitability measurements, as well as other external market conditions or factors that may be present. If such impairment indicators are present that would indicate that the carrying amount of any asset may not be recoverable, the Company determines whether an impairment has occurred through the use of an undiscounted cash flow analysis of the asset at the lowest level for which identifiable cash flows exist. In the event of impairment, the Company recognizes a loss for the difference between the carrying amount and the estimated fair value of the asset as measured using quoted market prices or, in the absence of quoted market prices, a discounted cash flow analysis.

(g) *Income Taxes*

Deferred taxes are recorded on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards, and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment. The results of the Company's operations are included in the Parent's income tax returns. Income taxes are allocated to the Company using the pro-rata method. Tax accounts are settled periodically in accordance with the tax sharing agreement in place with the Parent.

The Company recognizes the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities, based upon the technical merits of the position. The tax benefit recognized in the financial statements from such a position is measured based on the largest benefit that has a greater than

Bats BZX Exchange, Inc. (formerly known as BATS Exchange, Inc.)

Notes to Financial Statements

December 31, 2015

(In thousands)

50% likelihood of being realized upon ultimate settlement. Also, interest and penalties expense is recognized on the full amount of deferred benefits for uncertain tax positions. The Company's policy is to include interest and penalties related to unrecognized tax benefits in the income tax provision within the statement of income.

(h) Revenue Recognition

Transaction Fees and Liquidity Payments

Under the Company's "maker-taker" pricing model, a member posting an order (the liquidity maker) is paid a rebate (recorded in liquidity payments) for an execution occurring against that order, and a member executing against an order resting on the Company's book (the liquidity taker) is charged a fee (recorded in transaction fees). Transaction fees and liquidity payments are considered earned and incurred upon execution of a trade, are recognized on a trade-date basis and are recorded on a gross basis in revenues and cost of revenues.

Market Data Fees

Market data fees are earned from U.S. tape plans, including the Unlisted Trading Privileges Plan (UTP), the Consolidated Tape Association Plan (CTA), and the Options Price Reporting Authority, LLC (OPRA), and also proprietary market data products. Fees collected from tape plan subscribers, net of plan costs, from UTP and CTA are allocated and distributed to plan participants according to their share of tape fees based on a formula required by Securities and Exchange Commission (SEC) Regulation NMS that takes into account both trading and quoting activity. Market data fees from OPRA are allocated based upon the share of total options transactions cleared for each of the OPRA members. The Company also charges data subscribers directly for proprietary market data. The proprietary market data fees are recognized monthly, as the subscription fees are earned.

Regulatory Transaction and Section 31 Fees

The Company, as a U.S. exchange, is assessed Section 31 fees pursuant to the Securities Exchange Act of 1934, as amended (Exchange Act). Section 31 fees are assessed on the notional value traded and are designed to recover the costs to the government of supervision and regulation of securities markets and securities professionals. These fees are paid directly to the SEC by the Company. The Company, in turn, collects regulatory transaction fees from its members that are designed to equal to the Section 31 fees. The Company acts as the principal versus an agent on these transactions, and therefore these transactions are reported gross in the statement of income. The Company collects the regulatory transaction fees as a pass-through charge from members executing eligible trades and recognizes these amounts in revenues, and the related Section 31 fees in cost of revenues as incurred on a settlement-date basis. Regulatory transaction fees received are included in cash and cash equivalents at the time of receipt. As required by law, the amount due to the SEC is remitted semiannually and recorded as Section 31 fees payable in the statement of financial condition until paid.

Port Fees

Port fees are generated primarily from connectivity services related to each of the electronic markets. Port fees are earned and recognized on a monthly basis.

(3) Recently Issued Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update, or ASU, 2014-09, *Revenue from Contracts with Customers* (Topic 606), which supersedes the revenue recognition guidance in ASC 605, Revenue Recognition. The new revenue recognition standard sets forth a five-step revenue recognition model to determine when and how revenue is recognized. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration it expects to receive in exchange for those goods or services. The standard also requires more detailed disclosures. The standard provides alternative methods of initial adoption and is effective for the Company on January 1, 2018, with early adoption permitted on January 1, 2017. The Company is currently assessing the impact that this standard will have on the financial statements.

In March 2016, the FASB issued ASU 2016-08, *Revenue for Contracts with Customers* (Topic 606): *Principal versus Agent Considerations*. The update clarifies implementation guidance on principal versus agent considerations by further explaining that the entity is considered a principal if it controls the promised service before transferring it to the customer. This update is effective for the Company along with ASU 2014-09 for the annual reporting period beginning January 1, 2018. This update is not expected to have a material impact on the Company's financial statements.

(4) Accounts payable and Accrued Liabilities

Accounts payable and accrued liabilities consisted of the following as of December 31, 2015:

Accounts payable	\$ 18,859
Unrecognized tax benefits - current portion	4,092
Accrued liabilities	795
	<u>\$ 23,746</u>

(5) Fair Value Measurement

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. The types of investments included in Level 1 include listed equities and listed derivatives.

Level 2: Inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly, and fair value is determined through the use of models or other valuation methodologies. Investments that are generally included in this category include corporate bonds and loans, less liquid and restricted equity securities and certain over-the-counter derivatives. A significant adjustment to a Level 2 input could result in the Level 2 measurement becoming a Level 3 measurement.

Level 3: Inputs are unobservable for the asset or liability and include situations where there is little, if any, market activity for the asset or liability. The inputs into the determination of fair value are based upon the circumstances and the best information available at the time and may require significant management judgment or estimation. Investments that are included in this category generally include equity and debt positions in private companies.

The carrying amounts of accounts receivable, other receivables, accounts payable, and Section 31 fees payable approximate fair value due to their liquid or short-term nature. Accounts receivable, other receivables, accounts payable and Section 31 fees payable are categorized as Level 2.

(6) Related Party Transactions

Certain affiliates of stockholders of the Parent conduct trading activity through the Company. The extent of such activity is presented in the accompanying statements of financial condition, income and cash flows.

The Company routes certain trades to other market centers through an affiliated broker-dealer. Based upon intercompany arrangements in place, the Company remits the revenue earned from customers for routing these transactions to the affiliated broker-dealer. The total expense associated with these arrangements is \$24,257 and is included in routing and clearing in the statement of income.

The Company also records expenses allocated from the Parent for various operating expenses. Similar results may not be achievable on an arm's length basis. The following table presents the Company's allocation of expenses from the Parent for the year ended December 31, 2015:

Compensation and benefits	\$ 17,317
Systems and data communication	6,485
Occupancy	710
Professional and contract services	1,462
Regulatory costs	171
Management fee	3,740
General and administrative	7,516
	<u>\$ 37,401</u>

(7) Income Taxes

Deferred tax assets consist of the following components as of December 31, 2015:

Deferred tax assets:

Deferred revenue	\$ 207
Property and equipment	210
Other assets	244
Unrecognized tax benefits	2,872
Total deferred tax assets	<u>\$ 3,533</u>

The Company provides a valuation allowance against net deferred tax assets if, based on management's assessment of historical and projected future operating results and other available evidence, it is more likely than not that some or all of the deferred tax assets will not be realized. Management believes it is more likely than not that the deferred tax assets will be realized based upon expectations of future taxable income.

Notes to Financial Statements

December 31, 2015

(In thousands)

The income tax provision for the year ended December 31, 2015 consists of the following:

Current tax expense:		
Federal	\$	25,746
State		<u>6,855</u>
Total current tax expense		32,601
Deferred income tax (benefit) expense:		
Federal		(194)
State		<u>317</u>
Income tax provision	\$	<u><u>32,724</u></u>

The income tax provision differs from the amount of income tax determined by applying the U.S. federal income tax rate to income before income tax provision for the year ended December 31, 2015 due to the following:

Computed "expected" tax provision	\$	28,266	35.0%
(Decrease) increase in income tax resulting from:			
Section 199 benefits	(1,125)		-1.4%
State income taxes	3,770		4.7%
Change of unrecognized tax benefits	1,701		2.1%
Other	<u>112</u>		<u>0.1%</u>
Income tax provision	\$	<u><u>32,724</u></u>	<u><u>40.5%</u></u>

A reconciliation of the unrecognized tax benefits for the year ended December 31, 2015 is as follows:

Balance at beginning of year	\$	6,285
Additions for current year tax positions		1,539
Additions for prior year tax positions		589
Reductions related to expirations of statute of limitations		<u>(388)</u>
Balance at end of year	\$	<u><u>8,025</u></u>

It is reasonably possible that the total amount of unrecognized tax benefits may decrease by approximately \$3,352 and \$366 within the next twelve months due to tax authority examination adjustments and expiring statutes of limitation, respectively.

Bats BZX Exchange, Inc. (formerly known as BATS Exchange, Inc.)

Notes to Financial Statements

December 31, 2015

(In thousands)

At December 31, 2015, the Company had \$6,106 of unrecognized tax benefits, net of federal benefit that, if recognized, would affect the effective tax rate. The Company had accrued interest and penalties of \$954 related to uncertain tax positions at December 31, 2015. Total interest and penalties increased \$424 in 2015.

The Company's open tax years are 2012 through 2015. The Company is currently under a U.S. federal income tax examination for tax years 2011, 2012 and 2013 and under income tax examinations in certain states. The Company believes the aggregate amount of any additional liabilities that may result from these examinations, if any, will not have a material adverse effect on the financial position, results of operations, or cash flows of the Company.

The Company settled its income tax payable with the Parent as of February 28, 2015.

(8) Commitments and Contingencies

Legal Proceedings

From time to time the Company is involved in various legal proceedings arising in the ordinary course of business. The Company does not believe that the outcome of any of the reviews, inspections or other legal proceedings will have a material impact on the statement of financial position, results of operations or cash flows; however, litigation is subject to many uncertainties, and the outcome of individual litigated matters is not predictable with assurance.

On May 23, 2014 and May 30, 2014, Harold R. Lanier filed three class action lawsuits in the Southern District of New York against Bats and other securities exchanges. The complaints were identical in all substantive respects, but each related to the dissemination of market data under a different market system – (i) the NASDAQ UTP Plan Market System; (ii) the OPRA Market System; and (iii) the Consolidated Quotation System and the Consolidated Tape System. Each of the actions purported to be brought on behalf of all subscribers who entered into contracts with the exchanges for the receipt of market data and were injured as a result of the misconduct detailed in the complaints, which includes allegations that the defendants did not provide market data services in a non-discriminatory manner or provide subscribers with “valid” data (i.e., data that is accurate and not stale). On January 16, 2015, Judge Katherine Forrest of the Southern District of New York held oral argument on the pending Motion to Dismiss and thereafter, on April 28, 2015, the Court filed an Opinion and Order granting the exchange defendants’ Motion to Dismiss, terminating all three class action lawsuits with prejudice. On May 20, 2015, Plaintiff filed a Notice of Appeal of the dismissal and on September 1, 2015, Appellant filed its appeal brief. Respondent’s brief was filed on November 24, 2015 and Appellant’s reply brief was filed on December 8, 2015. Oral argument was held on March 3, 2016. Given the preliminary nature of the proceedings, the Company is unable to estimate what, if any, liability may result from this litigation. However, the Company believes that the claims are without merit and intend to litigate the matter vigorously.

Securities Industry and Financial Markets Association (“SIFMA”) has filed a number of denial of access applications with the SEC to set aside proposed rule changes to establish or modify fees for

Bats market data products and related services. Each application is being held in abeyance pending a decision on a separate SIFMA denial of access application currently before the SEC's Chief Administrative Law Judge regarding fees proposed by Nasdaq and the NYSE for their respective market data products. An adverse ruling in that matter could cause the SEC to more closely examine exchange market data fees, which in turn could result in the Company having to reduce the fees it charges for market data.

In addition, as a self-regulatory organization under the jurisdiction of the SEC, the Company is subject to routine reviews and inspections by the SEC. The Company has from time to time received inquiries and investigative requests from the SEC's Office of Compliance Inspections and Examinations as well as the Division of Enforcement seeking information about compliance with the federal securities laws as well as members' compliance with the federal securities laws.

(9) Subsequent Events

The Company has performed an evaluation of events that have occurred subsequent to December 31, 2015 through June 29, 2016, the date the financial statements were issued.

There have been no subsequent events that have occurred during such period that would require disclosure in, or adjustment to, the financial statements as of and for the year ended December 31, 2015.

Independent Auditors' Report

The Board of Directors
Bats BYX Exchange, Inc.:

We have audited the accompanying financial statements of Bats BYX Exchange, Inc. (formerly known as BATS Y-Exchange, Inc.) (the Company), which comprise the statement of financial condition as of December 31, 2015 and the related statements of income, changes in stockholder's equity, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

Notes to Financial Statements

December 31, 2015

(In thousands)

(1) Nature of Operations

Bats BYX Exchange, Inc. (the Company or Bats), a wholly owned subsidiary of Bats Global Markets, Inc. (the Parent), is an electronic market for the trading of listed cash equity securities in the United States (U.S.). The Company is headquartered in the Kansas City, Missouri, area with additional offices in New York, New York and Chicago, Illinois.

(2) Summary of Significant Accounting Policies

(a) Principles of Accounting

The Company follows accounting standards established by the Financial Accounting Standards Board (FASB) to report its financial condition, results of operations and cash flows. References to accounting principles generally accepted in the United States (GAAP) in these footnotes are to the FASB Accounting Standards Codification (ASC or Codification).

(b) Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities as well as disclosure of the amounts of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ materially from those estimates. Material estimates that are particularly susceptible to significant change in the near term include unrecognized tax benefits.

(c) Cash and Cash Equivalents

The Company's cash and cash equivalents are exposed to concentrations of credit risk. The Company maintains cash at various financial institutions and brokerage firms which, at times, may be in excess of the federal depository insurance limit. The Company's management regularly monitors these institutions and believes that the potential for future loss is remote. The Company considers all liquid investments with original or acquired maturities of three months or less to be cash equivalents. The Company is funded by its Parent.

(d) Financial Investments

As of January 1, 2015, the Company held U.S. Treasury securities classified as available-for-sale investments. During 2015, the Company's treasury function was transferred to the Parent.

(e) Accounts Receivable

Accounts receivable represent amounts due from the Company's member firms and market data distributors and are carried at cost. On a periodic basis, management evaluates the Company's receivables and determines if an allowance for uncollectible accounts receivable based on anticipated collections is required. In circumstances where a specific member firm or market data distributors' inability to meet its financial obligations is probable, the Company records a specific provision for uncollectible accounts against amounts due to reduce the receivable to the amount the Company estimates will be collected.

(f) Property and Equipment, Net

Property and equipment, net is stated at cost less accumulated depreciation. Depreciation is computed using the straight-line method over the estimated lives of the assets, generally ranging from three to seven years. Expenditures for repairs and maintenance are charged to expense as incurred.

Long-lived assets to be held and used are reviewed to determine whether any events or changes in circumstances indicate that the carrying amounts of the assets may not be recoverable. The Company bases this evaluation on such impairment indicators as the nature of the assets, the future economic benefit of the assets, any historical or future profitability measurements, as well as other external market conditions or factors that may be present. If such impairment indicators are present that would indicate that the carrying amount of any asset may not be recoverable, the Company determines whether an impairment has occurred through the use of an undiscounted cash flow analysis of the asset at the lowest level for which identifiable cash flows exist. In the event of impairment, the Company recognizes a loss for the difference between the carrying amount and the estimated fair value of the asset as measured using quoted market prices or, in the absence of quoted market prices, a discounted cash flow analysis.

(g) Income Taxes

Deferred taxes are recorded on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards, and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment. The results of the Company's operations are included in the Parent's income tax returns. Income taxes are allocated to the Company using the pro-rata method. Tax accounts are settled periodically in accordance with the tax sharing agreement in place with the Parent.

The Company recognizes the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities, based upon the technical merits of the position. The tax benefit recognized in the financial statements from such a position is measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. Also, interest and penalties expense is recognized on the full amount of deferred benefits for uncertain tax positions. The Company's policy is to include interest and penalties related to unrecognized tax benefits in the income tax provision within the statement of income.

(h) Revenue Recognition

Transaction Fees and Liquidity Payments

Under the Company's "taker-maker" pricing model, a liquidity taker is paid a rebate (recorded in liquidity payments) for an execution occurring against that order and a liquidity maker is

Bats BYX Exchange, Inc. (formerly known as BATS Y-Exchange, Inc.)

Notes to Financial Statements

December 31, 2015

(In thousands)

charged a fee (recorded in transaction fees) for posting such an order. Transaction fees and liquidity payments are considered earned and incurred upon execution of a trade, are recognized on a trade-date basis and are recorded on a gross basis in revenues and cost of revenues.

Market Data Fees

Market data fees are earned from U.S. tape plans, including the Unlisted Trading Privileges Plan (UTP), and the Consolidated Tape Association Plan (CTA), and also proprietary market data products. Fees collected from tape plan subscribers, net of plan costs, from UTP and CTA are allocated and distributed to plan participants according to their share of tape fees based on a formula required by Securities and Exchange Commission (SEC) Regulation NMS that takes into account both trading and quoting activity. The Company also charges data subscribers directly for proprietary market data. The proprietary market data fees are recognized monthly, as the subscription fees are earned.

Regulatory Transaction and Section 31 Fees

The Company, as a U.S. exchange, is assessed Section 31 fees pursuant to the Securities Exchange Act of 1934, as amended (Exchange Act). Section 31 fees are assessed on the notional value traded and are designed to recover the costs to the government of supervision and regulation of securities markets and securities professionals. These fees are paid directly to the SEC by the Company. The Company, in turn, collects regulatory transaction fees from its members that are designed to equal to the Section 31 fees. The Company acts as the principal versus an agent on these transactions, and therefore these transactions are reported gross in the statement of income. The Company collects the regulatory transaction fees as a pass-through charge from members executing eligible trades and recognizes these amounts in revenues, and the related Section 31 fees in cost of revenues as incurred on a settlement-date basis. Regulatory transaction fees received are included in cash and cash equivalents at the time of receipt. As required by law, the amount due to the SEC is remitted semiannually and recorded as Section 31 fees payable in the statement of financial condition until paid. Because the Company holds the funds received until payment is remitted to the SEC, the Company earns interest on the related balances.

Port Fees

Port fees are generated primarily from connectivity services related to each of the electronic markets. Port fees are earned and recognized on a monthly basis.

(3) Recently Issued Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update, or ASU, 2014-09, *Revenue from Contracts with Customers* (Topic 606), which supersedes the revenue recognition guidance in ASC 605, Revenue Recognition. The new revenue recognition standard sets forth a five-step revenue recognition model to determine when and how revenue is recognized. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration it expects to

Bats BYX Exchange, Inc. (formerly known as BATS Y-Exchange, Inc.)

Notes to Financial Statements

December 31, 2015

(In thousands)

receive in exchange for those goods or services. The standard also requires more detailed disclosures. The standard provides alternative methods of initial adoption and is effective for the Company on January 1, 2018, with early adoption permitted on January 1, 2017. The Company is currently assessing the impact that this standard will have on the financial statements.

In March 2016, the FASB issued ASU 2016-08, *Revenue for Contracts with Customers* (Topic 606): *Principal versus Agent Considerations*. The update clarifies implementation guidance on principal versus agent considerations by further explaining that the entity is considered a principal if it controls the promised service before transferring it to the customer. This update is effective for the Company along with ASU 2014-09 for the annual reporting period beginning January 1, 2018. This update is not expected to have a material impact on the Company's financial statements.

(4) Accounts Payable and Accrued Liabilities

Accounts payable and accrued liabilities consisted of the following as of December 31, 2015:

Accounts payable	\$	4,528
Unrecognized tax benefits - current portion		<u>671</u>
	\$	<u>5,199</u>

(5) Fair Value Measurement

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP sets out a fair value hierarchy that gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. The types of investments included in Level 1 include listed equities and listed derivatives.

Level 2: Inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly, and fair value is determined through the use of models or other valuation methodologies. Investments that are generally included in this category include corporate bonds and loans, less liquid and restricted equity securities and certain over-the-counter derivatives. A significant adjustment to a Level 2 input could result in the Level 2 measurement becoming a Level 3 measurement.

Level 3: Inputs are unobservable for the asset or liability and include situations where there is little, if any, market activity for the asset or liability. The inputs into the determination of fair value are based upon the circumstances and the best information available at the time and may require significant management judgment or estimation. Investments that are included in this category generally include equity and debt positions in private companies.

Bats BYX Exchange, Inc. (formerly known as BATS Y-Exchange, Inc.)

Notes to Financial Statements

December 31, 2015

(In thousands)

The carrying amounts of accounts receivable, accounts payable and Section 31 fees payable approximate fair value due to their liquid or short-term nature and categorized at Level 2.

(6) Related Party Transactions

Certain affiliates of stockholders of the Parent conduct trading activity through the Company. The extent of such activity is presented in the accompanying statements of financial condition, income and cash flows.

The Company routes certain trades to other market centers through an affiliated broker-dealer. Based upon intercompany arrangements in place, the Company remits the revenue earned from customers for routing these transactions to the affiliated broker-dealer. The total expense associated with these arrangements is \$8,607 and is included in routing and clearing in the statement of income.

The Company also records expenses allocated from the Parent and other affiliated subsidiaries of the Parent for various operating expenses. Similar results may not be achievable on an arm's length basis. The following table presents the Company's allocation of expenses from the Parent and other affiliated subsidiaries for the year ended December 31, 2015:

Compensation and benefits	\$	7,395
Systems and data communication		2,856
Occupancy		301
Professional and contract services		504
Regulatory costs		96
Management fee		1,419
General and administrative		3,173
	\$	<u>15,744</u>

(7) Income Taxes

Deferred tax assets consist of the following components as of December 31, 2015:

Deferred tax assets:		
Start-up expenditures	\$	137
Deferred revenue		137
Property and equipment		60
Unrecognized tax benefits		633
Total deferred tax assets	\$	<u>967</u>

The Company provides a valuation allowance against deferred tax assets if, based on management's assessment of historical and projected future operating results and other available evidence, it is more likely than not that some or all of the deferred tax assets will not be realized. Management believes it

Bats BYX Exchange, Inc. (formerly known as BATS Y-Exchange, Inc.)

Notes to Financial Statements

December 31, 2015

(In thousands)

is more likely than not that the deferred tax assets will be realized based upon expectations of future taxable income.

The income tax provision for the year ended December 31, 2015 consists of the following:

Current tax expense:		
Federal	\$	8,766
State		<u>2,558</u>
Total current tax expense		11,324
Deferred income tax (benefit) expense:		
Federal		(401)
State		<u>15</u>
Income tax provision	\$	<u><u>10,938</u></u>

The income tax provision differs from the amount of income tax determined by applying the U.S. federal income tax rate to income before income tax provision for the year ended December 31, 2015 due to the following:

Computed "expected" tax provision	\$	9,429	35.0%
(Decrease) increase in income tax			
resulting from:			
Section 199 benefits		(379)	-1.4%
State income taxes		1,220	4.5%
Recognition of unrecognized tax benefits		640	2.4%
Other		<u>28</u>	<u>0.1%</u>
Income tax provision	\$	<u><u>10,938</u></u>	<u><u>40.6%</u></u>

A reconciliation of the unrecognized tax benefits for the year ended December 31, 2015 is as follows:

Balance at beginning of year	\$	1,030
Additions for current year tax positions		529
Additions for prior year tax positions		298
Reductions related to expirations of statute		
of limitations		<u>(30)</u>
Balance at end of year	\$	<u><u>1,827</u></u>

Bats BYX Exchange, Inc. (formerly known as BATS Y-Exchange, Inc.)

Notes to Financial Statements

December 31, 2015

(In thousands)

It is reasonably possible that the total amount of unrecognized tax benefits may decrease by approximately \$561 and \$84 within the next twelve months due to tax authority examination adjustments and expiring statutes of limitation, respectively.

At December 31, 2015, the Company had \$1,351 of unrecognized tax benefits, net of federal benefit that, if recognized, would affect the effective tax rate. The Company had accrued interest and penalties of \$157 related to uncertain tax positions at December 31, 2015. Total interest and penalties increased \$88 in 2015.

The Company's open tax years are 2012 through 2015. The Company is currently under a U.S. federal income tax examination for tax years 2011, 2012 and 2013 and under income tax examinations in certain states. The Company believes the aggregate amount of any additional liabilities that may result from these examinations, if any, will not have a material adverse effect on the financial positions, results of operations, or cash flows of the Company.

The Company settled its income tax payable with the Parent as of February 28, 2015.

(8) Commitments and Contingencies

Legal Proceedings

From time to time the Company is involved in various legal proceedings arising in the ordinary course of business. The Company does not believe that the outcome of any of the reviews, inspections or other legal proceedings will have a material impact on the statement of financial position, results of operations or cash flows; however, litigation is subject to many uncertainties, and the outcome of individual litigated matters is not predictable with assurance.

On May 23, 2014 and May 30, 2014, Harold R. Lanier filed three class action lawsuits in the Southern District of New York against Bats and other securities exchanges. The complaints were identical in all substantive respects, but each related to the dissemination of market data under a different market system – (i) the NASDAQ UTP Plan Market System; (ii) the OPRA Market System; and (iii) the Consolidated Quotation System and the Consolidated Tape System. Each of the actions purported to

be brought on behalf of all subscribers who entered into contracts with the exchanges for the receipt of market data and were injured as a result of the misconduct detailed in the complaints, which includes allegations that the defendants did not provide market data services in a non-discriminatory manner or provide subscribers with “valid” data (i.e., data that is accurate and not stale). On January 16, 2015, Judge Katherine Forrest of the Southern District of New York held oral argument on the pending Motion to Dismiss and thereafter, on April 28, 2015, the Court filed an Opinion and Order granting the exchange defendants' Motion to Dismiss, terminating all three class action lawsuits with prejudice. On May 20, 2015, Plaintiff filed a Notice of Appeal of the dismissal and on September 1, 2015, Appellant filed its appeal brief. Respondent's brief was filed on November 24, 2015 and Appellant's reply brief was filed on December 8, 2015. Oral argument was held on March 3, 2016. Given the preliminary nature of the proceedings, the Company is unable to estimate what, if any, liability may result from this litigation. However, the Company believes that the claims are without merit and intend to litigate the matter vigorously.

Notes to Financial Statements

December 31, 2015

(In thousands)

Securities Industry and Financial Markets Association (“SIFMA”) has filed a number of denial of access applications with the SEC to set aside proposed rule changes to establish or modify fees for Bats market data products and related services. Each application is being held in abeyance pending a decision on a separate SIFMA denial of access application currently before the SEC’s Chief Administrative Law Judge regarding fees proposed by Nasdaq and the NYSE for their respective market data products. An adverse ruling in that matter could cause the SEC to more closely examine exchange market data fees, which in turn could result in the Company having to reduce the fees it charges for market data.

In addition, as a self-regulatory organization under the jurisdiction of the SEC, the Company is subject to routine reviews and inspections by the SEC. The Company has from time to time received inquiries and investigative requests from the SEC’s Office of Compliance Inspections and Examinations as well as the Division of Enforcement seeking information about compliance with the federal securities laws as well as members’ compliance with the federal securities laws.

(9) Subsequent Events

The Company has performed an evaluation of events that have occurred subsequent to December 31, 2015 through June 29, 2016, the date the financial statements were issued.

There have been no subsequent events that have occurred during such period that would require disclosure in, or adjustment to, the financial statements as of and for the year ended December 31, 2015.

Independent Auditors' Report

The Board of Directors
Bats EDGA Exchange, Inc.:

We have audited the accompanying financial statements of Bats EDGA Exchange, Inc. (formerly known as EDGA Exchange, Inc.) (the Company), which comprise the statement of financial condition as of December 31, 2015 and the related statements of income, changes in stockholder's equity, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

(1) Nature of Operations

Bats EDGA Exchange, Inc. (the Company or EDGA), a wholly owned subsidiary of Bats Global Markets, Inc. (Bats), is an electronic market for the trading of listed cash equity securities in the United States (U.S.). The Company is headquartered in the Kansas City, Missouri, area with additional offices in New York, New York and Chicago, Illinois.

(2) Summary of Significant Accounting Policies

(a) Principles of Accounting

The Company follows accounting standards established by the Financial Accounting Standards Board (FASB) to report its financial condition, results of operations and cash flows. References to accounting principles generally accepted in the United States (GAAP) in these footnotes are to the FASB Accounting Standards Codification (ASC or Codification).

(b) Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities as well as disclosure of the amounts of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ materially from those estimates. Material estimates that are particularly susceptible to significant change in the near term include unrecognized tax benefits.

(c) Cash and Cash Equivalents

The Company's cash and cash equivalents are exposed to concentrations of credit risk. The Company maintains cash at various financial institutions and brokerage firms which, at times, may be in excess of the federal depository insurance limit. The Company's management regularly monitors these institutions and believes that the potential for future loss is remote. The Company considers all liquid investments with original or acquired maturities of three months or less to be cash equivalents. The Company is funded by its Parent.

(d) Accounts Receivable

Accounts receivable represent amounts due from the Company's member firms and market data distributors and are carried at cost. On a periodic basis, management evaluates the Company's receivables and determines if an allowance for uncollectible accounts receivable based on anticipated collections is required. In circumstances where a specific member firm or market data distributors' inability to meet its financial obligations is probable, the Company records a specific provision for uncollectible accounts against amounts due to reduce the receivable to the amount the Company estimates will be collected.

(e) Income Taxes

Deferred taxes are recorded on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards, and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred

Bats EDGA Exchange, Inc. (formerly known as EDGA Exchange, Inc.)

Notes to Financial Statements

(In thousands)

tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment. The results of the Company's operations are included in BATS' income tax returns. Income taxes are allocated to the Company using the pro-rata method. Tax accounts are settled periodically in accordance with the tax sharing agreement in place with BATS.

The Company recognizes the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities, based upon the technical merits of the position. The tax benefit recognized in the financial statements from such a position is measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. Also, interest and penalties expense is recognized on the full amount of deferred benefits for uncertain tax positions. The Company's policy is to include interest and penalties related to unrecognized tax benefits in the income tax provision within the statement of income.

(f) Revenue Recognition

Transaction Fees and Liquidity Payments

Under the Company's "taker-maker" pricing model, a liquidity taker is paid a rebate (recorded in liquidity payments) for an execution occurring against that order and a liquidity maker is charged a fee (recorded in transaction fees) for posting such an order. Transaction fees and liquidity payments are considered earned and incurred upon execution of a trade and are recognized on a trade-date basis and are recorded on a gross basis in revenues and cost of revenues.

Market Data Fees

Market data fees are earned from U.S. tape plans, including the Unlisted Trading Privileges Plan (UTP) and the Consolidated Tape Association Plan (CTA), and also proprietary market data products. Fees collected from tape plan subscribers, net of plan costs, from UTP and CTA are allocated and distributed to plan participants according to their share of tape fees based on a formula required by Securities and Exchange Commission (SEC) Regulation NMS that takes into account both trading and quoting activity. The Company also charges data subscribers directly for proprietary market data. The proprietary market data fees are recognized monthly, as the subscription fees are earned.

Regulatory Transaction and Section 31 Fees

The Company, as a U.S. exchange, is assessed Section 31 fees pursuant to the Securities Exchange Act of 1934, as amended (Exchange Act). Section 31 fees are assessed on the notional value traded and are designed to recover the costs to the government of supervision and regulation of securities markets and securities professionals. These fees are paid directly to the SEC by the Company. The Company, in turn, collects regulatory transaction fees from its members that are designed to equal to the Section 31 fees. The Company acts as the principal versus an agent on these transactions, and therefore these transactions are reported gross in the statement of income. The Company collects the regulatory transaction fees as a pass-through

Bats EDGA Exchange, Inc. (formerly known as EDGA Exchange, Inc.)

Notes to Financial Statements

(In thousands)

charge from members executing eligible trades and recognizes these amounts in revenues, and the related Section 31 fees in cost of revenues as incurred on a settlement-date basis. Regulatory transaction fees received are included in cash and cash equivalents at the time of receipt. As required by law, the amount due to the SEC is remitted semiannually and recorded as Section 31 fees payable in the statement of financial condition until paid. Because the Company holds the funds received until payment is remitted to the SEC, the Company earns interest on the related balances.

Port Fees

Port fees are generated primarily from connectivity services related to each of the electronic markets. Port fees are earned and recognized on a monthly basis.

(3) Recently Issued Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update, or ASU, 2014-09, *Revenue from Contracts with Customers* (Topic 606), which supersedes the revenue recognition guidance in ASC 605, Revenue Recognition. The new revenue recognition standard sets forth a five-step revenue recognition model to determine when and how revenue is recognized. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration it expects to receive in exchange for those goods or services. The standard also requires more detailed disclosures. The standard provides alternative methods of initial adoption and is effective for the Company on January 1, 2018 with early adoption permitted on January 1, 2017. The Company is currently assessing the impact that this standard will have on the financial statements.

In March 2016, the FASB issued ASU 2016-08, *Revenue for Contracts with Customers* (Topic 606): Principal versus Agent Considerations. The update clarifies implementation guidance on principal versus agent considerations by further explaining that the entity is considered a principal if it controls the promised service before transferring it to the customer. This update is effective for the Company along with ASU 2014-09 for the annual reporting period beginning January 1, 2018. This update is not expected to have a material impact on the Company's financial statements.

(4) Accounts Payable and Accrued Liabilities

Accounts payable and accrued liabilities consisted of the following as of December 31, 2015:

Accounts payable	\$	140
Unrecognized tax benefits - current portion		55
	\$	<u>195</u>

(5) Fair Value Measurement

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP sets out a fair value hierarchy that gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined

Bats EDGA Exchange, Inc. (formerly known as EDGA Exchange, Inc.)

Notes to Financial Statements

(In thousands)

as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. The types of investments included in Level 1 include listed equities and listed derivatives.

Level 2: Inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly, and fair value is determined through the use of models or other valuation methodologies. Investments that are generally included in this category include corporate bonds and loans, less liquid and restricted equity securities and certain over-the-counter derivatives. A significant adjustment to a Level 2 input could result in the Level 2 measurement becoming a Level 3 measurement.

Level 3: Inputs are unobservable for the asset or liability and include situations where there is little, if any, market activity for the asset or liability. The inputs into the determination of fair value are based upon the circumstances and the best information available at the time and may require significant management judgment or estimation. Investments that are included in this category generally include equity and debt positions in private companies.

The carrying amounts of accounts receivable, accounts payable and Section 31 fees payable approximate fair value due to their liquid or short-term nature. Accounts receivable, accounts payable and Section 31 fees payable are categorized as Level 2.

(6) Related Party Transactions

Certain affiliates of stockholders of Bats conduct trading activity through the Company. The extent of such activity is presented in the accompanying statements of financial condition, income and cash flows.

The Company routes certain trades to other market centers through an affiliated broker-dealer. Based upon intercompany arrangements in place, the Company remits the revenue earned from customers for routing these transactions to the affiliated broker-dealer. The total expense associated with this arrangement is \$16,090 and is included in routing and clearing in the statement of income.

Bats EDGA Exchange, Inc. (formerly known as EDGA Exchange, Inc.)

Notes to Financial Statements

The Company also records expenses allocated from Bats for various operating expenses. Similar results may not be achievable on an arm's length basis. The following table presents the Company's allocation of expenses from Bats for the year ended December 31, 2015:

Compensation and benefits	\$ 4,854
Systems and data communication	1,640
Occupancy	204
Professional and contract services	280
Regulatory costs	63
Management fee	3,535
General and administrative	2,263
	<u>\$ 12,839</u>

(7) Income Taxes

Deferred tax assets consist of the following components as of December 31, 2015:

Deferred tax assets:	
Net operating losses	\$ 330
Deferred revenue	121
Unrecognized tax benefits	244
Total deferred tax assets	<u>\$ 695</u>

The deferred tax asset associated with operating losses is \$330 for the year ended December 31, 2015. The net operating losses have no expiration.

The Company provides a valuation allowance against net deferred tax assets if, based on management's assessment of historical and projected future operating results and other available evidence, it is more likely than not that some or all of the deferred tax assets will not be realized. Management believes it is more likely than not that the deferred tax assets will be realized based upon expectations of future taxable income.

The income tax provision for the year ended December 31, 2015 consists of the following:

Current tax expense:	
Federal	\$ 11,325
State	2,339
Total current tax expense	<u>13,664</u>
Deferred income tax benefit:	
Federal	(38)
State	(490)
Income tax provision	<u>\$ 13,136</u>

The income tax provision differs from the amount of income tax determined by applying the U.S. federal income tax rate to income before income tax provision for the year ended December 31, 2015 due to the following:

Computed "expected" tax provision	\$ 11,812	35.0%
(Decrease) increase in income tax resulting from:		
Section 199 benefits	(630)	-1.9%
State income taxes	1,499	4.4%
Change of unrecognized tax benefits	475	1.4%
Deferred rate change	3	0.0%
Other	(23)	-0.1%
Income tax provision	<u>\$ 13,136</u>	<u>38.9%</u>

A reconciliation of the unrecognized tax benefits for the year ended December 31, 2015 is as follows:

Balance at beginning of year	\$ 92
Additions for current year tax positions	647
Additions for prior year tax positions	96
Reductions related to expirations of statute of limitations	(46)
Balance at end of year	<u>\$ 789</u>

Bats EDGA Exchange, Inc. (formerly known as EDGA Exchange, Inc.)

Notes to Financial Statements

(In thousands)

The total amount of unrecognized tax benefits may decrease by approximately \$10 within the next twelve months due to tax authority examination adjustments.

At December 31, 2015, the Company had \$565 of unrecognized tax benefits, net of federal benefit that, if recognized, would affect the effective tax rate. The Company had accrued interest and penalties of \$20 related to uncertain tax positions at December 31, 2015.

The Company's open tax years are 2012 through 2015. The Company is currently under a U.S. federal income tax examination for tax years 2011, 2012 and 2013 and under income tax examinations in certain states. The Company believes the aggregate amount of any additional liabilities that may result from these examinations, if any, will not have a material adverse effect on the financial positions, results of operations, or cash flows of the Company.

The Company settled its income tax payable with the Parent as of February 28, 2015.

(8) Commitments and Contingencies

Legal Proceedings

From time to time the Company is involved in various legal proceedings arising in the ordinary course of business. The Company does not believe that the outcome of any of the reviews, inspections or other legal proceedings will have a material impact on the statement of financial position, results of operations or cash flows; however, litigation is subject to many uncertainties, and the outcome of individual litigated matters is not predictable with assurance.

On May 23, 2014 and May 30, 2014, Harold R. Lanier filed three class action lawsuits in the Southern District of New York against Bats and other securities exchanges. The complaints were identical in all substantive respects, but each related to the dissemination of market data under a different market system – (i) the NASDAQ UTP Plan Market System; (ii) the OPRA Market System; and (iii) the Consolidated Quotation System and the Consolidated Tape System. Each of the actions purported to be brought on behalf of all subscribers who entered into contracts with the exchanges for the receipt of market data and were injured as a result of the misconduct detailed in the complaints, which includes allegations that the defendants did not provide market data services in a non-discriminatory manner or provide subscribers with “valid” data (i.e., data that is accurate and not stale). On January 16, 2015, Judge Katherine Forrest of the Southern District of New York held oral argument on the pending Motion to Dismiss and thereafter, on April 28, 2015, the Court filed an Opinion and Order granting the exchange defendants' Motion to Dismiss, terminating all three class action lawsuits with prejudice. On May 20, 2015, Plaintiff filed a Notice of Appeal of the dismissal and on September 1, 2015, Appellant filed its appeal brief. Respondent's brief was filed on November 24, 2015 and Appellant's reply brief was filed on December 8, 2015. Oral argument was held on March 3, 2016. Given the preliminary nature of the proceedings, the Company is unable to estimate what, if any, liability may result from this litigation. However, the Company believes that the claims are without merit and intend to litigate the matter vigorously.

Securities Industry and Financial Markets Association (“SIFMA”) has filed a number of denial of access applications with the SEC to set aside proposed rule changes to establish or modify fees for Bats market data products and related services. Each application is being held in abeyance pending a decision on a separate SIFMA denial of access application currently before the SEC's Chief

Administrative Law Judge regarding fees proposed by Nasdaq and the NYSE for their respective market data products. An adverse ruling in that matter could cause the SEC to more closely examine exchange market data fees, which in turn could result in the Company having to reduce the fees it charges for market data.

In addition, as a self-regulatory organization under the jurisdiction of the SEC, the Company is subject to routine reviews and inspections by the SEC. The Company has from time to time received inquiries and investigative requests from the SEC's Office of Compliance Inspections and Examinations as well as the Division of Enforcement seeking information about compliance with the federal securities laws as well as members' compliance with the federal securities laws.

(9) Subsequent Events

The Company has performed an evaluation of events that have occurred subsequent to December 31, 2015 through June 29, 2016, the date the financial statements were issued.

There have been no other subsequent events that have occurred during such period that would require disclosure in, or adjustment to, the financial statements as of and for the year ended December 31, 2015.

The Board of Directors
Bats EDGA Exchange, Inc.:

We have audited the accompanying financial statements of Bats EDGA Exchange, Inc. (formerly known as EDGA Exchange, Inc.) (the Company), which comprise the statement of financial condition as of December 31, 2015 and the related statements of income, changes in stockholder's equity, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

Accounts receivable represent amounts due from the Company's member firms and market data distributors and are carried at cost. On a periodic basis, management evaluates the Company's receivables and determines if an allowance for uncollectible accounts receivable based on anticipated collections is required. In circumstances where a specific member firm or market data distributors' inability to meet its financial obligations is probable, the Company records a specific provision for uncollectible accounts against amounts due to reduce the receivable to the amount the Company estimates will be collected.

(e) Income Taxes

Deferred taxes are recorded on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards, and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred

tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment. The results of the Company's operations are included in Bats' income tax returns. Income taxes are allocated to the Company using the pro-rata method. Tax accounts are settled periodically in accordance with the tax sharing agreement in place with Bats.

The Company recognizes the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities, based upon the technical merits of the position. The tax benefit recognized in the financial statements from such a position is measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. Also, interest and penalties expense is recognized on the full amount of deferred benefits for uncertain tax positions. The Company's policy is to include interest and penalties related to unrecognized tax benefits in the income tax benefit within the statement of income.

(f) Revenue Recognition

Transaction Fees and Liquidity Payments

Under the Company's "maker-taker" pricing model, a member posting an order (the liquidity maker) is paid a rebate (recorded in liquidity payments) for an execution occurring against that order, and a member executing against an order resting on the Company's book (the liquidity taker) is charged a fee (recorded in transaction fees). Transaction fees and liquidity payments are considered earned and incurred upon execution of a trade, are recognized on a trade-date basis and are recorded on a gross basis in revenues and cost of revenues.

Market Data Fees

Market data fees are earned from U.S. tape plans, including the Unlisted Trading Privileges Plan (UTP) and the Consolidated Tape Association Plan (CTA), and also proprietary market data products. Fees collected from tape plan subscribers, net of plan costs, from UTP and CTA are allocated and distributed to plan participants according to their share of tape fees based on a formula required by Securities and Exchange Commission (SEC) Regulation NMS that takes into account both trading and quoting activity. The Company also charges data subscribers directly for proprietary market data. The proprietary market data fees are recognized monthly, as the subscription fees are earned.

Regulatory Transaction and Section 31 Fees

The Company, as a U.S. exchange, is assessed Section 31 fees pursuant to the Securities Exchange Act of 1934, as amended (Exchange Act). Section 31 fees are assessed on the notional value traded and are designed to recover the costs to the government of supervision and regulation of securities markets and securities professionals. These fees are paid directly to the SEC by the Company. The Company, in turn, collects regulatory transaction fees from its members that are designed to equal to the Section 31 fees. The Company acts as the principal versus an agent on these transactions, and therefore these transactions are reported gross in the statement of income. The Company collects the regulatory transaction fees as a pass-through

Bats EDGX Exchange, Inc. (formerly known as EDGX Exchange, Inc.)

Notes to Financial Statements

(In thousands)

charge from members executing eligible trades and recognizes these amounts in revenues, and the related Section 31 fees in cost of revenues as incurred on a settlement-date basis. Regulatory transaction fees received are included in cash and cash equivalents at the time of receipt. As required by law, the amount due to the SEC is remitted semiannually and recorded as Section 31 fees payable in the statement of financial condition until paid. Because the Company holds the funds received until payment is remitted to the SEC, the Company earns interest on the related balances.

Port Fees

Port fees are generated primarily from connectivity services related to each of the electronic markets. Port fees are earned and recognized on a monthly basis.

(3) Recently Issued Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update, or ASU, 2014-09, *Revenue from Contracts with Customers* (Topic 606), which supersedes the revenue recognition guidance in ASC 605, Revenue Recognition. The new revenue recognition standard sets forth a five-step revenue recognition model to determine when and how revenue is recognized. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration it expects to receive in exchange for those goods or services. The standard also requires more detailed disclosures. The standard provides alternative methods of initial adoption and is effective for the Company on January 1, 2018, with early adoption permitted on January 1, 2017. The Company is currently assessing the impact that this standard will have on the financial statements.

In March 2016, the FASB issued ASU 2016-08, *Revenue for Contracts with Customers* (Topic 606): *Principal versus Agent Considerations*. The update clarifies implementation guidance on principal versus agent considerations by further explaining that the entity is considered a principal if it controls the promised service before transferring it to the customer. This update is effective for the Company along with ASU 2014-09 for the annual reporting period beginning January 1, 2018. This update is not expected to have a material impact on the Company's financial statements.

(4) Accounts Payable and Accrued Liabilities

Accounts payable and accrued liabilities consisted of the following as of December 31, 2015:

Accounts payable	\$	15,107
Unrecognized tax benefits - current portion		193
Accrued liabilities		28
	\$	<u>15,328</u>

(5) Fair Value Measurement

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP sets out a fair value hierarchy that gives the highest priority to quoted prices in active markets for identical assets or

Bats EDGX Exchange, Inc. (formerly known as EDGX Exchange, Inc.)

Notes to Financial Statements

(In thousands)

liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. The types of investments included in Level 1 include listed equities and listed derivatives.

Level 2: Inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly, and fair value is determined through the use of models or other valuation methodologies. Investments that are generally included in this category include corporate bonds and loans, less liquid and restricted equity securities and certain over-the-counter derivatives. A significant adjustment to a Level 2 input could result in the Level 2 measurement becoming a Level 3 measurement.

Level 3: Inputs are unobservable for the asset or liability and include situations where there is little, if any, market activity for the asset or liability. The inputs into the determination of fair value are based upon the circumstances and the best information available at the time and may require significant management judgment or estimation. Investments that are included in this category generally include equity and debt positions in private companies.

The carrying amounts of accounts receivable, other receivables, accounts payable and Section 31 fees payable approximate fair value due to their liquid or short-term nature. Accounts receivable, other receivables, accounts payable and Section 31 fees payable are categorized as Level 2.

(6) Related Party Transactions

Certain affiliates of stockholders of Bats conduct trading activity through the Company. The extent of such activity is presented in the accompanying statements of financial condition, income and cash flows.

The Company routes certain trades to other market centers through an affiliated broker-dealer. Based upon intercompany arrangements in place, the Company remits the revenue earned from customers for routing these transactions to the affiliated broker-dealer. The total expense associated with these arrangements is \$9,279 and is included in routing and clearing in the statement of income.

The Company also records expenses allocated from Bats for various operating expenses. Similar results may not be achievable on an arm's length basis. The following table presents the Company's allocation of expenses from Bats for the year ended December 31, 2015:

Compensation and benefits	\$ 16,654
Systems and data communication	4,912
Occupancy	663
Professional and contract services	895
Regulatory costs	168
Management fee	9,369
General and administrative	6,250
	<u>\$ 38,911</u>

(7) Income Taxes

Deferred tax assets consist of the following components as of December 31, 2015:

Deferred tax assets:	
Net operating losses	\$ 390
Deferred revenue	128
Unrecognized tax benefits	161
Total deferred tax assets	<u>\$ 679</u>

The deferred tax asset associated with net operating losses is \$390 for the year ended December 31, 2015. The net operating losses have no expiration.

The Company provides a valuation allowance against deferred tax assets if, based on management's assessment of historical and projected future operating results and other available evidence, it is more likely than not that some or all of the deferred tax assets will not be realized. Management believes it is more likely than not that the deferred tax assets will be realized based upon expectations of future taxable income.

The income tax provision for the year ended December 31, 2015 consists of the following:

Current tax expense:	
Federal	\$ 6,051
State	479
Total current tax expense	<u>6,530</u>
Deferred income tax expense (benefit):	
Federal	60
State	(395)
Income tax provision	<u>\$ 6,195</u>

The income tax provision differs from the amount of income tax determined by applying the U.S. federal income tax rate to income before income tax provision for the year ended December 31, 2015 due to the following:

Computed "expected" tax provision	\$ 5,493	35.0%
(Decrease) increase in income tax resulting from:		
Section 199 benefits	(143)	-0.9%
State income taxes	675	4.3%
Change of unrecognized tax benefits	165	1.1%
Deferred rate change	4	0.0%
Other	1	0.0%
Income tax provision	<u>\$ 6,195</u>	<u>39.5%</u>

A reconciliation of the unrecognized tax benefits for the year ended December 31, 2015 is as follows:

Balance at beginning of year	\$ 224
Additions for current year tax positions	300
Additions for prior year tax positions	4
Reductions related to expirations of statute of limitations	(57)
Balance at end of year	<u>\$ 471</u>

The total amount of unrecognized tax benefits may decrease by approximately \$40 within the next twelve months due to tax authority examination adjustments.

Bats EDGX Exchange, Inc. (formerly known as EDGX Exchange, Inc.)

At December 31, 2015, the Company had \$370 of unrecognized tax benefits, net of federal benefit that, if recognized, would affect the effective tax rate. The Company had accrued interest and penalties of \$60 related to uncertain tax positions at December 31, 2015. Total interest and penalties increased \$3 in 2015.

The Company's open tax years are 2012 through 2015. The Company is currently under a U.S. federal income tax examination for tax years 2011, 2012 and 2013 and under income tax examinations in certain states. The Company believes the aggregate amount of any additional liabilities that may result from these examinations, if any, will not have a material adverse effect on the financial positions, results of operations, or cash flows of the Company.

The Company settled its income tax payable with the Parent as of February 28, 2015.

(8) Commitments and Contingencies

Legal Proceedings

From time to time the Company is involved in various legal proceedings arising in the ordinary course of business. The Company does not believe that the outcome of any of the reviews, inspections or other legal proceedings will have a material impact on the statement of financial position, results of operations or cash flows; however, litigation is subject to many uncertainties, and the outcome of individual litigated matters is not predictable with assurance.

On May 23, 2014 and May 30, 2014, Harold R. Lanier filed three class action lawsuits in the Southern District of New York against Bats and other securities exchanges. The complaints were identical in all substantive respects, but each related to the dissemination of market data under a different market system – (i) the NASDAQ UTP Plan Market System; (ii) the OPRA Market System; and (iii) the Consolidated Quotation System and the Consolidated Tape System. Each of the actions purported to be brought on behalf of all subscribers who entered into contracts with the exchanges for the receipt of market data and were injured as a result of the misconduct detailed in the complaints, which includes allegations that the defendants did not provide market data services in a non-discriminatory manner or provide subscribers with “valid” data (i.e., data that is accurate and not stale). On January 16, 2015, Judge Katherine Forrest of the Southern District of New York held oral argument on the pending Motion to Dismiss and thereafter, on April 28, 2015, the Court filed an Opinion and Order granting the exchange defendants' Motion to Dismiss, terminating all three class action lawsuits with prejudice. On May 20, 2015, Plaintiff filed a Notice of Appeal of the dismissal and on September 1, 2015, Appellant filed its appeal brief. Respondent's brief was filed on November 24, 2015 and Appellant's reply brief was filed on December 8, 2015. Oral argument was held on March 3, 2016. Given the preliminary nature of the proceedings, the Company is unable to estimate what, if any, liability may result from this litigation. However, the Company believes that the claims are without merit and intend to litigate the matter vigorously.

Securities Industry and Financial Markets Association (“SIFMA”) has filed a number of denial of access applications with the SEC to set aside proposed rule changes to establish or modify fees for Bats market data products and related services. Each application is being held in abeyance pending a

Bats EDGX Exchange, Inc. (formerly known as EDGX Exchange, Inc.)

Notes to Financial Statements

(In thousands)

decision on a separate SIFMA denial of access application currently before the SEC's Chief Administrative Law Judge, or ALJ, regarding fees proposed by Nasdaq and the NYSE for their respective market data products. An adverse ruling in that matter could cause the SEC to more closely examine exchange market data fees, which in turn could result in the Company having to reduce the fees it charges for market data.

In addition, as a self-regulatory organization under the jurisdiction of the SEC, the Company is subject to routine reviews and inspections by the SEC. The Company has from time to time received inquiries and investigative requests from the SEC's Office of Compliance Inspections and Examinations as well as the Division of Enforcement seeking information about compliance with the federal securities laws as well as members' compliance with the federal securities laws.

(9) Subsequent Events

The Company has performed an evaluation of events that have occurred subsequent to December 31, 2015 through June 29, 2016, the date the financial statements were issued.

There have been no other subsequent events that have occurred during such period that would require disclosure in, or adjustment to, the financial statements as of and for the year ended December 31, 2015.

(A) The limitations in clauses (i)(A) and (i)(C) above shall not apply in the case of any class of stock that does not have the right by its terms to vote in the election of members of the Board of Directors of the Corporation or on other matters that may require the approval of the holders of voting shares of the Corporation (other than matters affecting the rights, preferences or privileges of said class of stock); and

(B) The limitations in clauses (i)(A) and (i)(C) above (except with respect to Exchange Members and their Related Persons) may be waived by the Board of Directors of the Corporation pursuant to a resolution duly adopted by the Board of Directors, if, in connection with taking such action, the Board of Directors adopts a resolution stating that it is the determination of such Board that such action will not impair the ability of BATS Exchange, Inc. to carry out its functions and responsibilities as an "exchange" under the Act and the rules and regulations promulgated thereunder, that it is otherwise in the best interests of the Corporation, its stockholders and BATS Exchange, Inc., and that it will not impair the ability of the United States Securities and Exchange Commission (the "Commission") to enforce the Act and the rules and regulations promulgated thereunder, and such resolution shall not be effective until it is filed with and approved by the Commission. In making the determinations referred to in the immediately preceding sentence, the Board of Directors may impose on the Person in question and its Related Persons such conditions and restrictions that it may in its sole discretion deem necessary, appropriate or desirable in furtherance of the objectives of the Act and the rules and regulations promulgated thereunder, and the governance of BATS Exchange, Inc.

(iii) Notwithstanding clauses (ii)(A) and (ii)(B) above, in any case where a Person, either alone or together with its Related Persons, would own or vote more than any of the above percentage limitations upon consummation of any proposed sale, assignment or transfer of the Corporation's capital stock, such sale, assignment or transfer shall not become effective until the Board of Directors of the Corporation shall have determined, by resolution, that such Person and its Related Persons are not subject to any applicable "statutory disqualification" (within the meaning of Section 3(a)(39) of the Act).

(iv) Notwithstanding clauses (ii)(A) and (ii)(B) above, and without giving effect to same, any Exchange Member that, either alone or together with its Related Persons, proposes to own, directly or indirectly, of record or beneficially, shares of the capital stock of the Corporation constituting more than twenty percent (20%) of the outstanding shares of any class of capital stock of the Corporation and any Person that, either alone or together with its Related Persons, proposes to own, directly or indirectly, of record or beneficially, shares of the capital stock of the Corporation constituting more than forty percent (40%) of the outstanding shares of any class of capital stock of the Corporation, or to exercise voting rights, or grant any proxies or consents with respect to shares of the capital stock of the Corporation constituting more than twenty percent (20%) of the voting power of the then issued and outstanding shares of capital stock of the Corporation, shall have delivered to the Board of Directors of the Corporation a notice in writing, not less than forty-five (45) days (or any shorter period to which said Board shall expressly consent), before the proposed ownership of such shares, or the proposed exercise of said voting rights or the granting of said proxies or consents, of its intention to do so.

(c) Required Notices.

(i) Any Person that, either alone or together with its Related Persons, owns, directly or indirectly (whether by acquisition or by a change in the number of shares outstanding), of record or beneficially, five percent (5%) or more of the then outstanding shares of capital stock of the Corporation (excluding shares of any class of stock that does not have the right by its terms to vote generally in the election of members of the Board of Directors of the Corporation) shall, immediately upon acquiring knowledge of its ownership of five percent (5%) or more of the then outstanding shares of such stock, give the Board of Directors written notice of such ownership, which notice shall state: (A) such Person's full legal name; (B) such Person's title or status and the date on which such title or status was acquired; (C) such Person's (and its Related Person's) approximate ownership interest of the Corporation; and (D) whether such Person has the power, directly or indirectly, to direct the management or policies of the Corporation, whether through ownership of securities, by contract or otherwise.

(ii) Each Person required to provide written notice pursuant to subparagraph (c)(i) of this Article FIFTH shall update such notice promptly after any change in the contents of that notice; provided that no such updated notice shall be required to be provided to the Board of Directors: (A) in the event of an increase or decrease in the ownership percentage so reported of less than one percent (1%) of the then outstanding shares of any class of capital stock (such increase or decrease to be measured cumulatively from the amount shown on the last such notice), unless any increase or decrease of less than one percent (1%) results in such Person owning more than twenty percent (20%) or more than forty percent (40%) of the shares of any class of capital stock then outstanding (at a time when such Person previously owned less than such percentages) or such Person owning less than twenty percent (20%) or less than forty percent (40%) of

the shares of any class of capital stock then outstanding (at a time when such Person previously owned more than such percentages); or (B) in the event the Corporation issues additional shares of capital stock (or securities convertible into capital stock) or takes any other action that dilutes the ownership of such Person, or acquires or redeems shares of outstanding capital stock or takes any other action that increases the ownership of such Person, in each case without any change in the number of shares held by such Person.

(iii) The Board of Directors of the Corporation shall have the right to require any Person reasonably believed to be subject to and in violation of this Article FIFTH to provide the Corporation complete information as to all shares of stock of the Corporation owned, directly or indirectly, of record or beneficially, by such Person and its Related Persons and as to any other factual matter relating to the applicability or effect of this Article FIFTH as may reasonably be requested of such Person.

(d) Effect of Purported Transfers and Voting in Violation of this Article. If any stockholder purports to sell, transfer, assign or pledge to any Person, other than the Corporation, any shares of the Corporation that would violate the provisions of this Article FIFTH, then the Corporation shall record on the books of the Corporation the transfer of only that number of shares that would not violate the provisions of this Article FIFTH and shall treat the remaining shares as owned by the purported transferor, for all purposes, including without limitation, voting, payment of dividends and distributions with respect to such shares, whether upon liquidation or otherwise. If any stockholder purports to vote, or to grant any proxy or enter into any agreement, plan or other arrangement relating to the voting of, shares that would violate the provisions of this Article FIFTH, then the Corporation shall not honor such vote, proxy, agreement, plan or other arrangement to the extent that such provisions would be violated, and any shares subject to that arrangement shall not be entitled to be voted to the extent of such violation.

(e) Right to Redeem Shares Purportedly Transferred in Violation of this Article. If any stockholder purports to sell, transfer, assign, pledge, or own any shares of the Corporation in violation of the provisions of this Article Fifth, then the Corporation shall have the right to, and shall promptly after confirming such violation and to the extent funds are legally available, redeem the shares sold, transferred, assigned, pledged, or owned in violation of the provisions of this Article Fifth for a price per share equal to the fair market value of those shares. Written notice shall be given by the Secretary of the Corporation to the holder or holders of record with respect to the redeemable shares at the address of the holder or holders of record appearing on the books of the Corporation, which notice shall specify a date for redemption of the shares that shall be not less than ten (10) days nor more than thirty (30) days from the date of such notice. Any shares that have been so called for redemption shall not be deemed outstanding shares for the purpose of voting or determining the total number of shares entitled to vote on any matter on and after the date on which written notice of redemption has been given to the holder or holders of those shares if a sum sufficient to redeem such shares shall have been irrevocably deposited or set aside to pay the redemption price to the holder or holders of the shares upon surrender of certificates for those shares. Written notice shall be given by the Secretary of the Corporation to all holders of record appearing on the books of the Corporation of any redemption by the

Corporation (including, without limitation, a redemption pursuant to this clause (c)) (in each case, a "Redemption") not more than ten (10) days after consummation of the Redemption, which notice shall specify the number of shares outstanding after the Redemption of each class of the Corporation's capital stock.

Board of Directors

SIXTH: The number of directors may be increased or decreased from time to time by a resolution adopted by the Board of Directors. Directors shall be elected by the stockholders of the Corporation pursuant to and in accordance with this Certificate of Incorporation and the By-Laws of the Corporation. Election of directors need not be by written ballot unless the By-Laws of the Corporation shall so provide. The Board of Directors or any individual director may be removed from office in accordance with the By-Laws of the Corporation.

Duration

SEVENTH: The duration of the Corporation shall be perpetual.

By-Laws

EIGHTH: The Board of Directors shall have the power to adopt, amend or repeal By-Laws of the Corporation. The By-Laws of the Corporation may also be amended or repealed, or new By-Laws of the Corporation may be adopted, by action taken by the stockholders of the Corporation. All amendments to the Corporation's By-Laws must be made in accordance with procedures set out in the By-Laws of the Corporation.

Indemnification and Limitation of Director Liability

NINTH:

(a) Indemnification. The Corporation shall provide indemnification for members of its Board of Directors, members of committees of the Board of Directors and of other committees of the Corporation, and its executive officers, and may provide indemnification for its other officers and its agents and employees, and those serving another corporation, partnership, joint venture, trust or other enterprise at the request of the Corporation, in each case to the maximum extent permitted by Delaware law; provided, however, that the Corporation may limit the extent of such indemnification by individual contracts with its directors and executive officers; and, provided, further, that the Corporation shall not be required to indemnify any person in connection with any proceeding (or part thereof) initiated by such person or any proceeding by such person against the Corporation or its directors, officers, employees or other agents unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Board of Directors of the Corporation or (iii) such indemnification is provided by the Corporation, in its sole discretion, pursuant to the powers vested in the Corporation under the General Corporation Law of Delaware.

(b) Limitation of Liability. To the fullest extent not prohibited by the General Corporation Law of the State of Delaware, as it exists on the date this Certificate of Incorporation is adopted or as such law may later be amended, no director of the Corporation shall be liable to the

Corporation or its stockholders for monetary damages for any breach of fiduciary duty as a director. No amendment to or repeal of this Article shall adversely affect any right or protection of a director of the Corporation that exists at the time of such amendment or repeal with respect to any actions taken, or inactions, prior thereto.

Action without Meeting

TENTH: Action may be taken by the stockholders of the Corporation, without a meeting, by written consent as and to the extent provided at the time by the General Corporation Law of Delaware.

Compromise or Other Arrangement

ELEVENTH: Whenever a compromise or arrangement is proposed between the Corporation and its creditors or any class of them and/or between the Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of the Corporation or of any creditor or stockholder thereof or on the application of any receiver or receivers appointed for the Corporation under Section 291 of Title 8 of the Delaware Code or on the application of trustees in dissolution or of any receiver or receivers appointed for the Corporation under Section 279 of Title 8 of the Delaware Code, order a meeting of the creditors or class of creditors, and/or of the stockholders or class of stockholders of the Corporation, as the case may be, to be summoned in such manner as such court directs. If a majority in number representing three fourths in value of the creditors or class of creditors, and/or of the stockholders or class of stockholders of the Corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of the Corporation as consequences of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if sanctioned by the court to which the said application has been made, be binding on all the creditors or class of creditors, and/or on all the stockholders or class of stockholders, of the Corporation, as the case may be, and also on the Corporation.

Amendment of Certificate of Incorporation

TWELFTH: The Corporation reserves the right to amend this Certificate of Incorporation, and to change or repeal any provision of the Certificate of Incorporation, in the manner prescribed at the time by statute (provided, however, that any such amendment, change or repeal must be first approved by the Board of Directors), and all rights conferred upon stockholders in this Certificate of Incorporation are granted subject to this reservation. For so long as the Corporation shall control, directly or indirectly, BATS Exchange, Inc., before any amendment to or repeal of any provision of this Certificate of Incorporation shall be effective, those changes shall be submitted to the Board of Directors of BATS Exchange, Inc. and if that Board shall determine that the same must be filed with or filed with and approved by the Commission before the changes may be effective, under Section 19 of the Act and the rules and regulations promulgated thereunder by the Commission or otherwise, then the proposed changes to the Certificate of Incorporation of this Corporation shall not be effective until filed with or filed with and approved by the Commission, as the case may be.

The undersigned has caused this Certificate of
Incorporation to be executed this 29th day of June,
2007.

(a) Definitions. As used in this Article FIFTH:

(i) The term "Person" shall mean a natural person, partnership, corporation, limited liability company, entity, government, or political subdivision, agency or instrumentality of a government;

(ii) The term "Related Persons" shall mean with respect to any Person: (A) any "affiliate" of such Person (as such term is defined in Rule 12b-2 under the Securities Exchange Act of 1934, as amended (the "Act")); (B) any other Person with which such first Person has any agreement, arrangement or understanding (whether or not in writing) to act together for the purpose of acquiring, voting, holding or disposing of shares of the capital stock of the Corporation (provided no Person shall be deemed a Related Person pursuant to this clause (B) solely as a result of such Person's being or becoming a party to an Investor Rights Agreement entered into by and among the Corporation and the stockholders named therein on January 1, 2008 (the "Investor Rights Agreement")); (C) in the case of a Person that is a company, corporation or similar entity, any executive officer (as defined under Rule 3b-7 under the Act) or director of such Person and, in the case of a Person that is a partnership or limited liability company, any general partner, managing member or manager of such Person, as applicable; (D) in the case of any Person that is a registered broker or dealer that has been admitted to membership in the national securities exchange known as BATS Exchange, Inc. (iii) The term "beneficially own", "own beneficially" or any derivative thereof shall have the meaning set forth in Rule 3d-3 under the Act.

(b) Limitations.

(i) For so long as the Corporation shall control, directly or indirectly, BATS Exchange, Inc., except as provided in clause (ii) below:

(A) No Person, either alone or together with its Related Persons, may own, directly or indirectly, of record or beneficially, shares constituting more than forty percent (40%) of any class of capital stock of the Corporation;

(B) No Exchange Member, either alone or together with its Related Persons, may own, directly or indirectly, of record or beneficially, shares constituting more than twenty percent (20%) of any class of capital stock of the Corporation; and

(C) No Person, either alone or together with its Related Persons, at any time may, directly, indirectly or pursuant to any voting trust, agreement, plan or other arrangement (other than the Investor Rights Agreement), vote or cause the voting of shares of the capital stock of the Corporation or give any consent or proxy with respect to shares representing more than twenty percent (20%) of the voting power of the then issued and outstanding capital stock of the Corporation, nor may any Person, either alone or together with its Related Persons, enter into any agreement, plan or other arrangement (other than the Investor Rights Agreement) with any other Person, either alone or together with its Related Persons, under circumstances that would result in the shares of capital stock of the Corporation that are subject to such agreement, plan or other arrangement not being voted on any matter or matters or any proxy relating thereto being withheld, where the effect of such agreement, plan or other arrangement would be to enable any Person, either alone or together with its Related Persons, to vote, possess the right to vote or cause the voting of shares of the capital stock of the Corporation that would represent more than twenty percent (20%) of said voting power.

(ii) Subject to clauses (iii) and (iv) below:

(A) The limitations in clauses (i)(A) and (i)(C) above shall not apply in the case of any class of stock that does not have the right by its terms to vote in the election of members of the Board of Directors of the Corporation or on other matters that may require the approval of the holders of voting shares of the Corporation (other than matters affecting the rights, preferences or privileges of said class of stock); and

(B) The limitations in clauses (i)(A) and (i)(C) above (except with respect to Exchange Members and their Related Persons) may be waived by the Board of Directors of the Corporation pursuant to a resolution duly adopted by the Board of Directors. If, in connection with taking such action, the Board of Directors adopts a resolution stating that it is the determination of such Board that such action will not impair the ability of

BATS Exchange, Inc. to carry out its functions and responsibilities as an "exchange" under the Act and the rules and regulations promulgated thereunder; that it is otherwise in the best interests of the Corporation, its stockholders and BATS Exchange, Inc., and that it will not impair the ability of the United States Securities and Exchange Commission (the "Commission") to enforce the Act and the rules and regulations promulgated thereunder, and such resolution shall not be effective until it is filed with and approved by the Commission. In making the determinations referred to in the immediately preceding sentence, the Board of Directors may impose on the Person in question and its Related Persons such conditions and restrictions that it may in its sole discretion deem necessary, appropriate or desirable in furtherance of the objectives of the Act and the rules and regulations promulgated thereunder, and the governance of BATS Exchange, Inc.

(iii) Notwithstanding clauses (ii)(A) and (ii)(B) above, in any case where a Person, either alone or together with its Related Persons, would own or vote more than any of the above percentage limitations upon consummation of any proposed sale, assignment or transfer of the Corporation's capital stock, such sale, assignment or transfer shall not become effective until the Board of Directors of the Corporation shall have determined, by resolution, that such Person and its Related Persons are not subject to any applicable "statutory disqualification" (within the meaning of Section 3(a)(39) of the Act).

(iv) Notwithstanding clauses (ii)(A) and (ii)(B) above, and without giving effect to same, any Exchange Member that, either alone or together with its Related Persons, proposes to own, directly or indirectly, of record or beneficially, shares of the capital stock of the Corporation constituting more than twenty percent (20%) of the outstanding shares of any class of capital stock of the Corporation and any Person that, either alone or together with its Related Persons, proposes to own, directly or indirectly, of record or beneficially, shares of the capital stock of the Corporation constituting more than forty percent (40%) of the outstanding shares of any class of capital stock of the Corporation, or to exercise voting rights, or grant any proxies or consents with respect to shares of the capital stock of the Corporation constituting more than twenty percent (20%) of the voting power of the then issued and outstanding shares of capital stock of the Corporation, shall have delivered to the Board of Directors of the Corporation a notice in writing, not less than forty-five (45) days (or any shorter period to which said Board shall expressly consent), before the proposed ownership of such shares, or the proposed exercise of said voting rights or the granting of said proxies or consents, of its intention to do so.

(c) Required Notices.

(i) Any Person that, either alone or together with its Related Persons, owns, directly or indirectly (whether by acquisition or by a change in the number of shares outstanding), of record or beneficially, five percent (5%) or more of the

then outstanding shares of capital stock of the Corporation (excluding shares of any class of stock that does not have the right by its terms to vote generally in the election of members of the Board of Directors of the Corporation) shall, immediately upon acquiring knowledge of its ownership of five percent (5%) or more of the then outstanding shares of such stock, give the Board of Directors written notice of such ownership, which notice shall state: (A) such Person's full legal name; (B) such Person's title or status and the date on which such title or status was acquired; (C) such Person's (and its Related Person's) approximate ownership interest of the Corporation; and (D) whether such Person has the power, directly or indirectly, to direct the management or policies of the Corporation, whether through ownership of securities, by contract or otherwise.

(ii) Each Person required to provide written notice pursuant to subparagraph (c)(1) of this Article FIFTH shall update such notice promptly after any change in the contents of that notice; provided that no such updated notice shall be required to be provided to the Board of Directors; (A) in the event of an increase or decrease in the ownership percentage so reported of less than one percent (1%) of the then outstanding shares of any class of capital stock (such increase or decrease to be measured cumulatively from the amount shown on the last such notice), unless any increase or decrease of less than one percent (1%) results in such Person owning more than twenty percent (20%) or more than forty percent (40%) of the shares of any class of capital stock then outstanding (at a time when such Person previously owned less than such percentages) or such Person owning less than twenty percent (20%) or less than forty percent (40%) of the shares of any class of capital stock then outstanding (at a time when such Person previously owned more than such percentages); or (B) in the event the Corporation issues additional shares of capital stock (or securities convertible into capital stock) or takes any other action that dilutes the ownership of such Person, or acquires or redeems shares of outstanding capital stock or takes any other action that increases the ownership of such Person, in each case without any change in the number of shares held by such Person.

(iii) The Board of Directors of the Corporation shall have the right to require any Person reasonably believed to be subject to and in violation of this Article FIFTH to provide the Corporation complete information as to all shares of stock of the Corporation owned, directly or indirectly, of record or beneficially, by such Person and its Related Persons and as to any other factual matter relating to the applicability or effect of this Article FIFTH as may reasonably be requested of such Person.

(d) *Effect of Purported Transfers and Voting in Violation of this Article.* If any stockholder purports to sell, transfer, assign or pledge to any Person, other than the Corporation, any shares of the Corporation that would violate the provisions of this Article FIFTH, then the Corporation shall record on the books of the Corporation the transfer of only that number of shares that would not violate the provisions of this Article FIFTH and shall treat the remaining shares as owned by the purported transferor, for all purposes, including without limitation, voting, payment of dividends and distributions with respect to such shares, whether upon

liquidation or otherwise. If any stockholder purports to vote, or to grant any proxy or enter into any agreement, plan or other arrangement relating to the voting of, shares that would violate the provisions of this Article Fifth, then the Corporation shall not honor such vote, proxy, agreement, plan or other arrangement to the extent that such provisions would be violated, and any shares subject to that arrangement shall not be entitled to be voted to the extent of such violation.

(c) Right to Redeem Shares Purportedly Transferred in Violation of this Article. If any stockholder purports to sell, transfer, assign, pledge, or own any shares of the Corporation in violation of the provisions of this Article Fifth, then the Corporation shall have the right to, and shall promptly after confirming such violation and to the extent funds are legally available, redeem the shares sold, transferred, assigned, pledged, or owned in violation of the provisions of this Article Fifth for a price per share equal to the fair market value of those shares. Written notice shall be given by the Secretary of the Corporation to the holder or holders of record with respect to the redeemable shares at the address of the holder or holders of record appearing on the books of the Corporation, which notice shall specify a date for redemption of the shares that shall be not less than ten (10) days nor more than thirty (30) days from the date of such notice. Any shares that have been so called for redemption shall not be deemed outstanding shares for the purpose of voting or determining the total number of shares entitled to vote on any matter on and after the date on which written notice of redemption has been given to the holder or holders of those shares if a sum sufficient to redeem such shares shall have been irrevocably deposited or set aside to pay the redemption price to the holder or holders of the shares upon surrender of certificates for those shares. Written notice shall be given by the Secretary of the Corporation to all holders of record appearing on the books of the Corporation of any redemption by the Corporation (including, without limitation, a redemption pursuant to this clause (c)) (in each case, a "Redemption") not more than ten (10) days after consummation of the Redemption, which notice shall specify the number of shares outstanding after the Redemption of each class of the Corporation's capital stock.

Board of Directors

SIXTH: The number of directors may be increased or decreased from time to time by a resolution adopted by the Board of Directors. Directors shall be elected by the stockholders of the Corporation pursuant to and in accordance with this Certificate of Incorporation and the By-Laws of the Corporation. Election of directors need not be by written ballot unless the By-Laws of the Corporation shall so provide. The Board of Directors or any individual director may be removed from office in accordance with the By-Laws of the Corporation.

Duration

SEVENTH: The duration of the Corporation shall be perpetual.

By-Laws

EIGHTH: The Board of Directors shall have the power to adopt, amend or repeal By-Laws of the Corporation. The By-Laws of the Corporation may also be amended or repealed, or new By-Laws of the Corporation may be adopted, by action taken by the stockholders of the

Corporation. All amendments to the Corporation's By-Laws must be made in accordance with procedures set out in the By-Laws of the Corporation.

Indemnification and Limitation of Director Liability

NINTH:

(a) Indemnification. The Corporation shall provide indemnification for members of its Board of Directors, members of committees of the Board of Directors and of other committees of the Corporation, and its executive officers, and may provide indemnification for its other officers and its agents and employees, and those serving another corporation, partnership, joint venture, trust or other enterprise at the request of the Corporation, in each case to the maximum extent permitted by Delaware law; provided, however, that the Corporation may limit the extent of such indemnification by individual contracts with its directors and executive officers; and, provided, further, that the Corporation shall not be required to indemnify any person in connection with any proceeding (or part thereof) instituted by such person or any proceeding by such person against the Corporation or its directors, officers, employees or other agents unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Board of Directors of the Corporation or (iii) such indemnification is provided by the Corporation, in its sole discretion, pursuant to the powers vested in the Corporation under the General Corporation Law of Delaware.

(b) Limitation of Liability. To the fullest extent not prohibited by the General Corporation Law of the State of Delaware, as it exists on the date this Certificate of Incorporation is adopted or as such law may later be amended, no director of the Corporation shall be liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty as a director. No amendment to or repeal of this Article shall adversely affect any right or protection of a director of the Corporation that exists at the time of such amendment or repeal with respect to any actions taken, or inactions, prior thereto.

Action without Meeting

TENTH: Action may be taken by the stockholders of the Corporation, without a meeting, by written consent as and to the extent provided at the time by the General Corporation Law of Delaware.

Compromise or Other Arrangement

ELEVENTH: Whenever a compromise or arrangement is proposed between the Corporation and its creditors or any class of them and/or between the Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of the Corporation or of any creditor or stockholder thereof or on the application of any receiver or receivers appointed for the Corporation under Section 291 of Title 8 of the Delaware Code or on the application of trustees in dissolution or of any receiver or receivers appointed for the Corporation under Section 299 of Title 8 of the Delaware Code, order a meeting of the creditors or class of creditors, and/or of the stockholders or class of stockholders of the Corporation, as the case may be, to be summoned in such manner as such court directs. If a majority in number representing three fourths in value of

the creditors or class of creditors, and/or of the stockholders or class of stockholders of the Corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of the Corporation as consequence of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if sanctioned by the court to which the said application has been made, be binding on all the creditors or class of creditors, and/or on all the stockholders or class of stockholders, of the Corporation, as the case may be, and also on the Corporation.

Amendment of Certificate of Incorporation

TWELFTH The Corporation reserves the right to amend this Certificate of Incorporation, and to change or repeal any provision of this Certificate of Incorporation, in the manner prescribed at the time by statute (provided, however, that any such amendment, change or repeal must be first approved by the Board of Directors), and all rights conferred upon stockholders in this Certificate of Incorporation are granted subject to this reservation. (iii) The term "beneficially own", "own beneficially" or any derivative thereof shall have the meaning set forth in Rule 13d-3 under the Act.

(b) Limitations.

(i) For so long as the Corporation shall control, directly or indirectly, an Exchange except as provided in clause (ii) below:

(A) No Person, either alone or together with its Related Persons, may own, directly or indirectly, of record or beneficially, shares constituting more than forty percent (40%) of any class of capital stock of the Corporation;

(B) No Exchange Member, either alone or together with its Related Persons, may own, directly or indirectly, of record or beneficially, shares constituting more than twenty percent (20%) of any class of capital stock of the Corporation; and

(C) No Person, either alone or together with its Related Persons, at any time may, directly, indirectly or pursuant to any voting trust, agreement, plan or other arrangement (other than the Investor Rights Agreement), vote or cause the voting of shares of the capital stock of the Corporation or give any consent or proxy with respect to shares representing more than twenty percent (20%) of the voting power of the then issued and outstanding capital stock of the Corporation, nor may any Person, either alone or together with its Related Persons, enter into any agreement, plan or other arrangement (other than the Investor Rights Agreement) with any other Person, either alone or together with its Related Persons, under circumstances that would result in the shares of capital stock of the Corporation that are subject to such agreement, plan or other arrangement not being voted on any matter or matters or any proxy relating thereto being withheld, where the effect of such agreement, plan or other arrangement would be to enable any Person, either alone or together with its Related Persons, to vote, possess the right to vote or cause the voting of shares of the capital stock of the Corporation that would represent more than twenty percent (20%) of said voting power.

(ii) Subject to clauses (iii) and (iv) below:

(A) The limitations in clauses (i)(A) and (i)(C) above shall not apply in the case of any class of stock that does not have the right by its terms to vote in the election of members of the Board of Directors of the Corporation or on other matters that may require the approval of the holders of voting shares of the Corporation (other than matters affecting the rights, preferences or privileges of said class of stock); and

(B) The limitations in clauses (i)(A) and (i)(C) above (except with respect to Exchange Members and their Related Persons) may be waived by the Board of Directors of the Corporation pursuant to a resolution duly adopted by the Board of Directors, if, in connection with taking such action, the Board of Directors adopts a resolution stating that it is the determination of such Board that such action will not impair the ability of

an Exchange to carry out its functions and responsibilities as an "exchange" under the Act and the rules and regulations promulgated thereunder, that it is otherwise in the best interests of the Corporation, its stockholders and the Exchange, and that it will not impair the ability of the United States Securities and Exchange Commission (the "Commission") to enforce the Act and the rules and regulations promulgated thereunder, and such resolution shall not be effective until it is filed with and approved by the Commission. In making the determinations referred to in the immediately preceding sentence, the Board of Directors may impose on the Person in question and its Related Persons such conditions and restrictions that it may in its sole discretion deem necessary, appropriate or desirable in furtherance of the objectives of the Act and the rules and regulations promulgated thereunder, and the governance of the applicable Exchange.

(iii) Notwithstanding clauses (ii)(A) and (ii)(B) above, in any case where a Person, either alone or together with its Related Persons, would own or vote more than any of the above percentage limitations upon consummation of any proposed sale, assignment or transfer of the Corporation's capital stock, such sale, assignment or transfer shall not become effective until the Board of Directors of the Corporation shall have determined, by resolution, that such Person and its Related Persons are not subject to any applicable "statutory disqualification" (within the meaning of Section 3(a)(19) of the Act).

(iv) Notwithstanding clauses (ii)(A) and (ii)(B) above, and without giving effect to same, any Exchange Member that, either alone or together with its Related Persons, proposes to own, directly or indirectly, of record or beneficially, shares of the capital stock of the Corporation constituting more than twenty percent (20%) of the outstanding shares of any class of capital stock of the Corporation and any Person that, either alone or together with its Related Persons, proposes to own, directly or indirectly, of record or beneficially, shares of the capital stock of the Corporation constituting more than forty percent (40%) of the outstanding shares of any class of capital stock of the Corporation, or to exercise voting rights, or grant any proxies or consents with respect to shares of the capital stock of the Corporation constituting more than twenty percent (20%) of the voting power of the then issued and outstanding shares of capital stock of the Corporation, shall have delivered to the Board of Directors of the Corporation a notice in writing, not less than forty-five (45) days (or any shorter period to which said Board shall expressly consent), before the proposed ownership of such shares, or the proposed exercise of said voting rights or the granting of said proxies or consents, of its intention to do so.

(c) Required Notices.

(i) Any Person that, either alone or together with its Related Persons, owns, directly or indirectly (whether by acquisition or by a change in the number of shares outstanding), of record or beneficially, five percent (5%) or more of the

then outstanding shares of capital stock of the Corporation (excluding shares of any class of stock that does not have the right by its terms to vote generally in the election of members of the Board of Directors of the Corporation) shall, immediately upon acquiring knowledge of its ownership of five percent (5%) or more of the then outstanding shares of such stock, give the Board of Directors written notice of such ownership, which notice shall state: (A) such Person's full legal name; (B) such Person's title or status and the date on which such title or status was acquired; (C) such Person's (and its Related Person's) approximate ownership interest of the Corporation; and (D) whether such Person has the power, directly or indirectly, to direct the management or policies of the Corporation, whether through ownership of securities, by contract or otherwise.

(ii) Each Person required to provide written notice pursuant to subparagraph (c)(i) of this Article VIII shall update such notice promptly after any change in the contents of that notice; provided that no such updated notice shall be required to be provided to the Board of Directors: (A) in the event of an increase or decrease in the ownership percentage so reported of less than one percent (1%) of the then outstanding shares of any class of capital stock (such increase or decrease to be measured cumulatively from the amount shown on the last such notice), unless any increase or decrease of less than one percent (1%) results in such Person owning more than twenty percent (20%) or more than forty percent (40%) of the shares of any class of capital stock then outstanding (at a time when such Person previously owned less than such percentages) or such Person owning less than twenty percent (20%) or less than forty percent (40%) of the shares of any class of capital stock then outstanding (at a time when such Person previously owned more than such percentages); or (B) in the event the Corporation issues additional shares of capital stock (or securities convertible into capital stock) or takes any other action that dilutes the ownership of such Person, or acquires or redeems shares of outstanding capital stock or takes any other action that increases the ownership of such Person, in each case without any change in the number of shares held by such Person.

(iii) The Board of Directors of the Corporation shall have the right to require any Person reasonably believed to be subject to and in violation of this Article VIII to provide the Corporation complete information as to all shares of stock of the Corporation owned, directly or indirectly, of record or beneficially, by such Person and its Related Persons and as to any other factual matter relating to the applicability or effect of this Article VIII as may reasonably be requested of such Person.

(d) Effect of Purported Transfers and Voting in Violation of this Article. If any stockholder purports to sell, transfer, assign or pledge to any Person, other than the Corporation, any shares of the Corporation that would violate the provisions of this Article VIII, then the Corporation shall record on the books of the Corporation the transfer of only that number of shares that would not violate the provisions of this Article VIII and shall treat the remaining shares as owned by the purported transferor, for all purposes, including without limitation, voting, payment of dividends and distributions with respect to such shares, whether upon

liquidation or otherwise. If any stockholder purports to vote, or to grant any proxy or enter into any agreement, plan or other arrangement relating to the voting of, shares that would violate the provisions of this Article Fifth, then the Corporation shall not honor such vote, proxy, agreement, plan or other arrangement to the extent that such provisions would be violated, and any shares subject to that arrangement shall not be entitled to be voted to the extent of such violation.

(e) Right to Redeem Shares Purportedly Transferred in Violation of this Article. If any stockholder purports to sell, transfer, assign, pledge, or own any shares of the Corporation in violation of the provisions of this Article Fifth, then the Corporation shall have the right to, and shall promptly after confirming such violation and to the extent funds are legally available, redeem the shares sold, transferred, assigned, pledged, or owned in violation of the provisions of this Article Fifth for a price per share equal to the fair market value of those shares. Written notice shall be given by the Secretary of the Corporation to the holder or holders of record with respect to the redeemable shares at the address of the holder or holders of record appearing on the books of the Corporation, which notice shall specify a date for redemption of the shares that shall be not less than ten (10) days nor more than thirty (30) days from the date of such notice. Any shares that have been so called for redemption shall not be deemed outstanding shares for the purpose of voting or determining the total number of shares entitled to vote on any matter on and after the date on which written notice of redemption has been given to the holder or holders of those shares if a sum sufficient to redeem such shares shall have been irrevocably deposited or set aside to pay the redemption price to the holder or holders of the shares upon surrender of certificates for those shares. Written notice shall be given by the Secretary of the Corporation to all holders of record appearing on the books of the Corporation of any redemption by the Corporation (including, without limitation, a redemption pursuant to this clause (e)) (in each case, a "Redemption") not more than ten (10) days after consummation of the Redemption, which notice shall specify the number of shares outstanding after the Redemption of each class of the Corporation's capital stock.

Board of Directors

SIXTH: The number of directors may be increased or decreased from time to time by a resolution adopted by the Board of Directors. Directors shall be elected by the stockholders of the Corporation pursuant to and in accordance with this Certificate of Incorporation and the By-Laws of the Corporation. Election of directors need not be by written ballot unless the By-Laws of the Corporation shall so provide. The Board of Directors or any individual director may be removed from office in accordance with the By-Laws of the Corporation.

Duration

SEVENTH: The duration of the Corporation shall be perpetual.

By-Laws

EIGHTH: The Board of Directors shall have the power to adopt, amend or repeal By-Laws of the Corporation. The By-Laws of the Corporation may also be amended or repealed, or new By-Laws of the Corporation may be adopted, by action taken by the stockholders of the

Corporation. All amendments to the Corporation's By-Laws must be made in accordance with procedures set out in the By-Laws of the Corporation.

Indemnification and Limitation of Director Liability

NINTH:

(a) Indemnification. The Corporation shall provide indemnification for members of its Board of Directors, members of committees of the Board of Directors and of other committees of the Corporation, and its executive officers, and may provide indemnification for its other officers and its agents and employees, and those serving another corporation, partnership, joint venture, trust or other enterprise at the request of the Corporation, in each case to the maximum extent permitted by Delaware law; provided, however, that the Corporation may limit the extent of such indemnification by individual contracts with its directors and executive officers; and, provided, further, that the Corporation shall not be required to indemnify any person in connection with any proceeding (or part thereof) initiated by such person or any proceeding by such person against the Corporation or its directors, officers, employees or other agents unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Board of Directors of the Corporation or (iii) such indemnification is provided by the Corporation, in its sole discretion, pursuant to the powers vested in the Corporation under the General Corporation Law of Delaware.

(b) Limitation of Liability. To the fullest extent not prohibited by the General Corporation Law of the State of Delaware, as it exists on the date this Certificate of Incorporation is adopted or as such law may later be amended, no director of the Corporation shall be liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty as a director. No amendment to or repeal of this Article shall adversely affect any right or protection of a director of the Corporation that exists at the time of such amendment or repeal with respect to any actions taken, or functions, prior thereto.

Action without Meeting

TENTH: Action may be taken by the stockholders of the Corporation, without a meeting, by written consent as and to the extent provided at the time by the General Corporation Law of Delaware.

Compromise or Other Arrangement

ELEVENTH: Whenever a compromise or arrangement is proposed between the Corporation and its creditors or any class of them and/or between the Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of the Corporation or of any creditor or stockholder thereof or on the application of any receiver or receivers appointed for the Corporation under Section 291 of Title 8 of the Delaware Code or on the application of trustees in dissolution or of any receiver or receivers appointed for the Corporation under Section 279 of Title 8 of the Delaware Code, order a meeting of the creditors or class of creditors, and/or of the stockholders or class of stockholders of the Corporation, as the case may be, to be summoned in such manner as such court directs. If a majority in number representing three fourths in value of

the creditors or class of creditors, and/or of the stockholders or class of stockholders of the Corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of the Corporation as consequence of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if sanctioned by the court to which the said application has been made, be binding on all the creditors or class of creditors, and/or on all the stockholders or class of stockholders, of the Corporation, as the case may be, and also on the Corporation.

Amendment of Certificate of Incorporation

TWELFTH. The Corporation reserves the right to amend this Certificate of Incorporation, and to change or repeal any provision of this Certificate of Incorporation, in the manner prescribed at the time by statute (provided, however, that any such amendment, change or repeal must be first approved by the Board of Directors), and all rights conferred upon stockholders in this Certificate of Incorporation are granted subject to this reservation. For so long as the Corporation shall control, directly or indirectly, an Exchange, before any amendment to or repeal of any provision of this Certificate of Incorporation shall be effective, those changes shall be submitted to the Board of Directors of such Exchange and if the same must be filed with or filed with and approved by the Commission before the changes may be effective, under Section 19 of the Act and the rules and regulations promulgated thereunder by the Commission or otherwise, then the proposed changes to the Certificate of Incorporation of this Corporation shall not be effective until filed with or filed with and approved by the Commission, as the case may be.

The undersigned has caused this Amended and Restated Certificate of Incorporation to be executed this 18th day of November, 2010.

SECOND AMENDED AND RESTATED CERTIFICATE OF
INCORPORATION OF BATS GLOBAL MARKETS, INC.

(Pursuant to Sections 242 and 245 of the
General Corporation Law of the State of Delaware)

BATS Global Markets, Inc., a corporation organized and existing under and by virtue of the provisions of the General Corporation Law of the State of Delaware (the "General Corporation Law"),

DOES HEREBY CERTIFY:

That the name of this corporation is BATS Global Markets, Inc. and that this corporation was originally incorporated pursuant to the General Corporation Law on June 29, 2007 under the name BATS Holdings, Inc. The original Certificate of Incorporation of the Corporation was amended and restated by filing with the Secretary of State of Delaware an Amended and Restated Certificate of Incorporation dated as of November 18, 2010.

That the Board of Directors duly adopted resolutions proposing to amend and restate the Certificate of Incorporation of this corporation as heretofore amended, declaring said amendment and restatement to be advisable and in the best interests of this corporation and its stockholders, and authorizing the appropriate officers of this corporation to solicit the consent of the stockholders therefore, which resolution setting forth the proposed amendment and restatement is as follows:

RESOLVED, that the Certificate of Incorporation of this corporation be amended and restated in its entirety to read as follows:

Name

FIRST: The name of the Corporation is BATS Global Markets, Inc. (the "Corporation").

Registered Office

SECOND: The initial registered office of the Corporation in the State of Delaware is 1209 Orange Street, Wilmington, County of New Castle, Delaware 19801, and the name of its initial registered agent at that address is The Corporation Trust Company.

Purpose

THIRD: The purpose or purposes of the Corporation is to engage in any lawful act or activity for which corporations may be organized under the General Corporation Law of Delaware.

Authorized Stock

FOURTH:

(a) The total number of shares of stock that the Corporation shall have authority to issue is 25,000,000 shares of common stock having a par value of \$.01 per share ("Common Stock") of which 24,500,000 are designated as Voting Common Stock ("Voting Common Stock"), and 500,000 are designated as Non-Voting Common Stock ("Non-Voting Common Stock"). The rights, preferences, powers, privileges, and the restrictions, qualifications and limitations of the Non-Voting Common Stock are identical with those of the Voting Common Stock other than in respect of voting and conversion rights as set forth herein, and for all purposes under this Certificate of Incorporation, the Voting Common Stock and Non-Voting Common Stock shall together constitute a single class of shares of the capital stock of the Corporation.

(b) *Voting Rights.*

(i) *Voting Common Stock.* Except as otherwise required by law or this Certificate of Incorporation, the holders of the Voting Common Stock shall possess exclusively all voting power, and each holder of Voting Common Stock shall have one vote in respect of each share held by him of record on the books of the Corporation for the election of directors and on all matters submitted to a vote of shareholders of the Corporation.

(ii) *Non-Voting Common Stock.* Except as otherwise required by law, shares of Non-Voting Common Stock shall be non-voting; *provided* that so long as any shares of Non-Voting Common Stock are outstanding, the Corporation shall not, without the written consent of a majority of the outstanding shares of Non-Voting Common Stock or the affirmative vote of holders of a majority of the outstanding shares of Non-Voting Common Stock at a meeting of the holders of Non-Voting Common Stock duly called for such purpose, amend, alter or repeal (by merger, consolidation, combination, reclassification or otherwise) its Certificate of Incorporation or bylaws so as to adversely affect (disproportionately relative to the Voting Common Stock) the preferences, rights or powers of the Non-Voting Common Stock.

(c) *Conversion of Non-Voting Common Stock.*

(i) Upon a transfer by any holder of any issued and outstanding shares of Non-Voting Common Stock (other than a subsidiary of the Corporation) to a person other than any Related Person of such holder, the shares of Non-Voting Common Stock so transferred shall automatically, without any action on part of the transferor, the transferee or the Corporation, be converted into an equal number of shares of Voting Common Stock upon the consummation of such transfer. Upon surrender of the certificate or certificates representing the shares so transferred and converted the Corporation shall issue and deliver in accordance with the surrendering holder's instructions the certificate or certificates representing the shares of Voting Common Stock into which such transferred shares of Non-Voting Common Stock have been converted.

(ii) The shares of Non-Voting Common Stock shall be convertible into shares of Voting Common Stock on a one-to-one basis at any time and from time to time at the option of the holder. Any such conversion shall be effected by the surrender to the Corporation of the certificate or certificates representing the Non-Voting Common Stock, together with written notice by the holder of such Non-Voting Common Stock, stating that such holder desires to convert the shares of Non-Voting Common Stock, or a stated number of such shares represented by such certificate or certificates, into an equal number of shares of the Voting Common Stock. Such notice shall also state the name or names (with addresses) and denominations in which the certificate or certificates for shares of Voting Common Stock are to be issued and shall include instructions for the delivery thereof. The Corporation shall promptly upon receipt of such notice and certificates, issue and deliver in accordance with the surrendering holder's instructions the certificate or certificates evidencing the shares of Voting Common Stock issuable upon such conversion, and the Corporation will deliver to the converting holder a certificate representing any Non-Voting Common Stock shares which were represented by the certificate or certificates delivered to the Corporation in connection with such conversion that were not converted. Such conversion, to the extent permitted by law, shall be deemed to have been effected as of the close of business on the date on which such surrendered certificate or certificates shall have been received by the Corporation.

(d) Concurrently with the filing of this Second Amended and Restated Certificate of Incorporation with the Secretary of State of Delaware, all shares of common stock outstanding immediately prior to such filing shall be redesignated as Voting Common Stock, and all rights exercisable or convertible into common stock outstanding immediately prior to such filing shall be redesignated exercisable or convertible into Voting Common Stock.

Limitations on Transfer, Ownership and Voting

FIFTH: In addition to any limitations on the transfer of shares of the Corporation's capital stock set forth in the By-Laws of the Corporation, the following shall apply to the fullest extent permitted by law:

(a) Definitions. As used in this Article FIFTH:

case of a Person that is a company, corporation or similar entity, any executive officer (as defined under Rule 3b-7 under the Act) or director of such Person and, in the case of a Person that is a partnership or limited liability company, any general partner, managing member or manager of such Person, as applicable; (D) in the case of any Person that is a registered broker or dealer that has been admitted to membership in the national securities exchange known as BATS Exchange, Inc. or the national securities exchange known as BATS Y-Exchange, Inc. (hereinafter, either such national securities exchange shall be referred to generally as an "Exchange" and any such Person, an "Exchange Member"), any Person that is associated with the Exchange Member (as determined using the definition of "person associated with a member" as defined under Section 3(a)(21) of the Act); (E) in the case of a Person that is a natural person and Exchange Member, any broker or dealer that is also an Exchange Member with which such Person is associated; (F) in the case of a Person that is a natural person, any relative or spouse of such Person, or any relative of such spouse who has the same home as such Person or who is a director or officer of the Corporation or any of its parents or subsidiaries; (G) in the case of a Person that is an executive officer (as defined under Rule 3b-7 under the Act) or a director of a company, corporation or similar entity, such company, corporation or entity, as applicable; and (H) in the case of a Person that is a general partner, managing member or manager of a partnership or limited liability company, such partnership or limited liability company, as applicable; and

(iii) The term "beneficially own", "own beneficially" or any derivative thereof shall have the meaning set forth in Rule 13d-3 under the Act.

(b) Limitations.

(i) For so long as the Corporation shall control, directly or indirectly, an Exchange except as provided in clause (ii) below:

(A) No Person, either alone or together with its Related Persons, may own, directly or indirectly, of record or beneficially, shares constituting more than forty percent (40%) of any class of capital stock of the Corporation;

(B) No Exchange Member, either alone or together with its Related Persons, may own, directly or indirectly, of record or beneficially, shares constituting more than twenty percent (20%) of any class of capital stock of the Corporation; and

(C) No Person, either alone or together with its Related Persons, at any time may, directly, indirectly or pursuant to any voting trust, agreement, plan or other arrangement (other than the Investor Rights Agreement), vote or cause the voting of shares of the capital stock of the Corporation or give any consent or proxy with respect to shares representing more than twenty percent (20%) of the voting power of the then issued and outstanding capital stock of the Corporation, nor may any Person, either alone or together with its Related Persons, enter into any

agreement, plan or other arrangement (other than the Investor Rights Agreement) with any other Person, either alone or together with its Related Persons, under circumstances that would result in the shares of capital stock of the Corporation that are subject to such agreement, plan or other arrangement not being voted on any matter or matters or any proxy relating thereto being withheld, where the effect of such agreement, plan or other arrangement would be to enable any Person, either alone or together with its Related Persons, to vote, possess the right to vote or cause the voting of shares of the capital stock of the Corporation that would represent more than twenty percent (20%) of said voting power.

(ii) Subject to clauses (iii) and (iv) below:

(A) The limitations in clauses (i)(A) and (i)(C) above shall not apply in the case of any class of stock that does not have the right by its terms to vote in the election of members of the Board of Directors of the Corporation or on other matters that may require the approval of the holders of voting shares of the Corporation (other than matters affecting the rights, preferences or privileges of said class of stock); and

(B) The limitations in clauses (i)(A) and (i)(C) above (except with respect to Exchange Members and their Related Persons) may be waived by the Board of Directors of the Corporation pursuant to a resolution duly adopted by the Board of Directors, if, in connection with taking such action, the Board of Directors adopts a resolution stating that it is the determination of such Board that such action will not impair the ability of an Exchange to carry out its functions and responsibilities as an "exchange" under the Act and the rules and regulations promulgated thereunder, that it is otherwise in the best interests of the Corporation, its stockholders and the Exchange, and that it will not impair the ability of the United States Securities and Exchange Commission (the "Commission") to enforce the Act and the rules and regulations promulgated thereunder, and such resolution shall not be effective until it is filed with and approved by the Commission. In making the determinations referred to in the immediately preceding sentence, the Board of Directors may impose on the Person in question and its Related Persons such conditions and restrictions that it may in its sole discretion deem necessary, appropriate or desirable in furtherance of the objectives of the Act and the rules and regulations promulgated thereunder, and the governance of the applicable Exchange.

(iii) Notwithstanding clauses (ii)(A) and (ii)(B) above, in any case where a Person, either alone or together with its Related Persons, would own or vote more than any of the above percentage limitations upon consummation of any proposed sale, assignment or transfer of the Corporation's capital stock, such sale, assignment or transfer shall not become effective until the Board of Directors of the Corporation shall have determined, by resolution, that such Person and its Related Persons are not subject to any applicable "statutory disqualification" (within the meaning of Section 3(a)(39) of the Act).

(iv) Notwithstanding clauses (ii)(A) and (ii)(B) above, and without giving effect to same, any Exchange Member that, either alone or together with its Related Persons, proposes to own, directly or indirectly, of record or beneficially, shares of the capital stock of the Corporation constituting more than twenty percent (20%) of the outstanding shares of any class of capital stock of the Corporation and any Person that, either alone or together with its Related Persons, proposes to own, directly or indirectly, of record or beneficially, shares of the capital stock of the Corporation constituting more than forty percent (40%) of the outstanding shares of any class of capital stock of the Corporation, or to exercise voting rights, or grant any proxies or consents with respect to shares of the capital stock of the Corporation constituting more than twenty percent (20%) of the voting power of the then issued and outstanding shares of capital stock of the Corporation, shall have delivered to the Board of Directors of the Corporation a notice in writing, not less than forty-five (45) days (or any shorter period to which said Board shall expressly consent), before the proposed ownership of such shares, or the proposed exercise of said voting rights or the granting of said proxies or consents, of its intention to do so.

(c) Required Notices.

(i) Any Person that, either alone or together with its Related Persons, owns, directly or indirectly (whether by acquisition or by a change in the number of shares outstanding), of record or beneficially, five percent (5%) or more of the then outstanding shares of capital stock of the Corporation (excluding shares of any class of stock that does not have the right by its terms to vote generally in the election of members of the Board of Directors of the Corporation) shall, immediately upon acquiring knowledge of its ownership of five percent (5%) or more of the then outstanding shares of such stock, give the Board of Directors written notice of such ownership, which notice shall state: (A) such Person's full legal name; (B) such Person's title or status and the date on which such title or status was acquired; (C) such Person's (and its Related Person's) approximate ownership interest of the Corporation; and (D) whether such Person has the power, directly or indirectly, to direct the management or policies of the Corporation, whether through ownership of securities, by contract or otherwise.

(ii) Each Person required to provide written notice pursuant to subparagraph (c)(i) of this Article FIFTH shall update such notice promptly after any change in the contents of that notice; provided that no such updated notice shall be required to be provided to the Board of Directors: (A) in the event of an increase or decrease in the ownership percentage so reported of less than one percent (1%) of the then outstanding shares of any class of capital stock (such increase or decrease to be measured cumulatively from the amount shown on the last such notice), unless any increase or decrease of less than one percent (1%) results in such Person owning more than twenty percent (20%) or more than forty percent (40%) of the shares of any class of capital stock then outstanding (at a time when such Person previously owned less than such percentages) or such Person owning less than twenty percent (20%) or less than forty percent (40%) of the shares of any class of capital stock then outstanding (at a time when such

Person previously owned more than such percentages); or (B) in the event the Corporation issues additional shares of capital stock (or securities convertible into capital stock) or takes any other action that dilutes the ownership of such Person, or acquires or redeems shares of outstanding capital stock or takes any other action that increases the ownership of such Person, in each case without any change in the number of shares held by such Person.

(iii) The Board of Directors of the Corporation shall have the right to require any Person reasonably believed to be subject to and in violation of this Article FIFTH to provide the Corporation complete information as to all shares of stock of the Corporation owned, directly or indirectly, of record or beneficially, by such Person and its Related Persons and as to any other factual matter relating to the applicability or effect of this Article FIFTH as may reasonably be requested of such Person.

(d) Effect of Purported Transfers and Voting in Violation of this Article. If any stockholder purports to sell, transfer, assign or pledge to any Person, other than the Corporation, any shares of the Corporation that would violate the provisions of this Article FIFTH, then the Corporation shall record on the books of the Corporation the transfer of only that number of shares that would not violate the provisions of this Article FIFTH and shall treat the remaining shares as owned by the purported transferor, for all purposes, including without limitation, voting, payment of dividends and distributions with respect to such shares, whether upon liquidation or otherwise. If any stockholder purports to vote, or to grant any proxy or enter into any agreement, plan or other arrangement relating to the voting of, shares that would violate the provisions of this Article FIFTH, then the Corporation shall not honor such vote, proxy, agreement, plan or other arrangement to the extent that such provisions would be violated, and any shares subject to that arrangement shall not be entitled to be voted to the extent of such violation.

(e) Right to Redeem Shares Purportedly Transferred in Violation of this Article. If any stockholder purports to sell, transfer, assign, pledge, or own any shares of the Corporation in violation of the provisions of this Article Fifth, then the Corporation shall have the right to, and shall promptly after confirming such violation and to the extent funds are legally available, redeem the shares sold, transferred, assigned, pledged, or owned in violation of the provisions of this Article Fifth for a price per share equal to the fair market value of those shares. Written notice shall be given by the Secretary of the Corporation to the holder or holders of record with respect to the redeemable shares at the address of the holder or holders of record appearing on the books of the Corporation, which notice shall specify a date for redemption of the shares that shall be not less than ten (10) days nor more than thirty (30) days from the date of such notice. Any shares that have been so called for redemption shall not be deemed outstanding shares for the purpose of voting or determining the total number of shares entitled to vote on any matter on and after the date on which written notice of redemption has been given to the holder or holders of those shares if a sum sufficient to redeem such shares shall have been irrevocably deposited or set aside to pay the redemption price to the holder or holders of the shares upon surrender of certificates for those shares. Written notice shall be given by the Secretary of the Corporation to all holders of record appearing on the books of the Corporation of any redemption by the Corporation (including, without limitation, a redemption pursuant to this clause (e)) (in each case, a "Redemption") not more than ten (10) days after consummation of the Redemption,

which notice shall specify the number of shares outstanding after the Redemption of each class of the Corporation's capital stock.

Board of Directors

SIXTH: The number of directors may be increased or decreased from time to time by a resolution adopted by the Board of Directors. Directors shall be elected by the stockholders of the Corporation pursuant to and in accordance with this Certificate of Incorporation and the By-Laws of the Corporation. Election of directors need not be by written ballot unless the By-Laws of the Corporation shall so provide. The Board of Directors or any individual director may be removed from office in accordance with the By-Laws of the Corporation.

Duration

SEVENTH: The duration of the Corporation shall be perpetual.

By-Laws

EIGHTH: The Board of Directors shall have the power to adopt, amend or repeal By-Laws of the Corporation. The By-Laws of the Corporation may also be amended or repealed, or new By-Laws of the Corporation may be adopted, by action taken by the stockholders of the Corporation. All amendments to the Corporation's By-Laws must be made in accordance with procedures set out in the By-Laws of the Corporation.

Indemnification and Limitation of Director Liability

NINTH:

(a) Indemnification. The Corporation shall provide indemnification for members of its Board of Directors, members of committees of the Board of Directors and of other committees of the Corporation, and its executive officers, and may provide indemnification for its other officers and its agents and employees, and those serving another corporation, partnership, joint venture, trust or other enterprise at the request of the Corporation, in each case to the maximum extent permitted by Delaware law; provided, however, that the Corporation may limit the extent of such indemnification by individual contracts with its directors and executive officers; and, provided, further, that the Corporation shall not be required to indemnify any person in connection with any proceeding (or part thereof) initiated by such person or any proceeding by such person against the Corporation or its directors, officers, employees or other agents unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Board of Directors of the Corporation or (iii) such indemnification is provided by the Corporation, in its sole discretion, pursuant to the powers vested in the Corporation under the General Corporation Law of Delaware.

(b) Limitation of Liability. To the fullest extent not prohibited by the General Corporation Law of the State of Delaware, as it exists on the date this Certificate of Incorporation is adopted or as such law may later be amended, no director of the Corporation shall be liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty as a director. No amendment to or repeal of this Article shall adversely affect any right or protection

of a director of the Corporation that exists at the time of such amendment or repeal with respect to any actions taken, or inactions, prior thereto.

Action without Meeting

TENTH: Action may be taken by the stockholders of the Corporation, without a meeting, by written consent as and to the extent provided at the time by the General Corporation Law of Delaware.

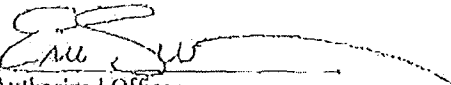

Compromise or Other Arrangement

ELEVENTH: Whenever a compromise or arrangement is proposed between the Corporation and its creditors or any class of them and/or between the Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of the Corporation or of any creditor or stockholder thereof or on the application of any receiver or receivers appointed for the Corporation under Section 291 of Title 8 of the Delaware Code or on the application of trustees in dissolution or of any receiver or receivers appointed for the Corporation under Section 279 of Title 8 of the Delaware Code, order a meeting of the creditors or class of creditors, and/or of the stockholders or class of stockholders of the Corporation, as the case may be, to be summoned in such manner as such court directs. If a majority in number representing three fourths in value of the creditors or class of creditors, and/or of the stockholders or class of stockholders of the Corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of the Corporation as consequence of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if sanctioned by the court to which the said application has been made, be binding on all the creditors or class of creditors, and/or on all the stockholders or class of stockholders, of the Corporation, as the case may be, and also on the Corporation.

Amendment of Certificate of Incorporation

TWELFTH. The Corporation reserves the right to amend this Certificate of Incorporation, and to change or repeal any provision of this Certificate of Incorporation, in the manner prescribed at the time by statute (provided, however, that any such amendment, change or repeal must be first approved by the Board of Directors), and all rights conferred upon stockholders in this Certificate of Incorporation are granted subject to this reservation. For so long as the Corporation shall control, directly or indirectly, an Exchange, before any amendment to or repeal of any provision of this Certificate of Incorporation shall be effective, those changes shall be submitted to the Board of Directors of such Exchange and if the same must be filed with or filed with and approved by the Commission before the changes may be effective; under Section 19 of the Act and the rules and regulations promulgated thereunder by the Commission or otherwise, then the proposed changes to the Certificate of Incorporation of this Corporation shall not be effective until filed with or filed with and approved by the Commission, as the case may be.

The undersigned has caused this Amended and Restated Certificate of Incorporation to be executed this 4th day of May, 2011.

(c) *Voting Rights.* Each holder of Voting Common Stock, as such, shall be entitled to one vote for each share of Voting Common Stock held of record by such holder on all matters on which stockholders generally are entitled to vote, and the shares of Non-Voting Common Stock shall be non-voting; *provided, however,* that:

(i) except as otherwise required by Delaware Law, holders of Common Stock, as such, shall not be entitled to vote on any amendment to this Certificate of Incorporation (including any Certificate of Designation relating to any class or series of Preferred Stock) that relates solely to the terms of one or more outstanding class or series of Preferred Stock if the holders of such affected class or series of Preferred Stock are entitled, either separately or together with the holders of one or more other such series of Preferred Stock, to vote thereon pursuant to this Certificate of Incorporation (including any Certificate of Designation relating to any class or series of Preferred Stock) or pursuant to Delaware Law; and

(ii) so long as any shares of Non-Voting Common Stock are outstanding, the Corporation shall not, without the affirmative vote of holders of a majority of the outstanding shares of Non-Voting Common Stock at a meeting of the holders of Non-Voting Common Stock duly called for such purpose, amend, alter or repeal (by merger, consolidation, combination, reclassification or otherwise) this Certificate of Incorporation or the bylaws of the Corporation (the "Bylaws") so as to adversely affect (disproportionately relative to the Voting Common Stock) the preferences, rights or powers of the Non-Voting Common Stock.

(d) *Conversion of Non-Voting Common Stock.*

(i) The shares of Non-Voting Common Stock shall only be convertible, on a one-for-one basis, into shares of Voting Common Stock following a Qualified Transfer (as defined below). The Corporation shall promptly upon receipt of such notice, certificates and evidence of a Qualified Transfer as it may reasonably request, issue and deliver in accordance with the surrendering holder's instructions the certificate or certificates evidencing the shares of Voting Common Stock issuable upon conversion, and the Corporation will deliver to the converting holder a certificate representing any Non-Voting Common Stock shares which were represented by the certificate or certificates delivered to the Corporation in connection with such conversion that were not converted. Except as otherwise provided herein, such conversion, to the extent permitted by Delaware Law, shall be deemed to have been effected as of the close of business on the date on which such surrendered certificate or certificates shall have been received by the Corporation.

Person or who is a director or officer of the Corporation or any of its parents or subsidiaries; (G) in the case of a Person that is an executive officer (as defined under Rule 3b-7 under the Act) or a director of a company, corporation or similar entity, such company, corporation or entity, as applicable; and (H) in the case of a Person that is a general partner, managing member or manager of a partnership or limited liability company, such partnership or limited liability company, as applicable; and

(iii) The term “beneficially own”, “own beneficially” or any derivative thereof shall have the meaning set forth in Rule 13d-3 under the Act.

(b) *Limitations.*

(i) For so long as the Corporation shall control, directly or indirectly, an Exchange except as provided in clause (ii) below:

(A) no Person, either alone or together with its Related Persons, may own, directly or indirectly, of record or beneficially, shares constituting more than forty percent (40%) of any class of capital stock of the Corporation;

(B) no Exchange Member, either alone or together with its Related Persons, may own, directly or indirectly, of record or beneficially, shares constituting more than twenty percent (20%) of any class of capital stock of the Corporation; and

(C) no Person, either alone or together with its Related Persons, at any time may, directly, indirectly or pursuant to any voting trust, agreement, plan or other arrangement, vote or cause the voting of shares of the capital stock of the Corporation or give any consent or proxy with respect to shares representing more than twenty percent (20%) of the voting power of the then issued and outstanding capital stock of the Corporation, nor may any Person, either alone or together with its Related Persons, enter into any agreement, plan or other arrangement with any other Person, either alone or together with its Related Persons, under circumstances that would result in the shares of capital stock of the Corporation that are subject to such agreement, plan or other arrangement not being voted on any matter or matters or any proxy relating thereto being withheld, where the effect of such agreement, plan or other arrangement would be to enable any Person, either alone or together with its Related Persons, to vote, possess the right to vote or cause the voting of shares of the capital stock of the Corporation that would represent more than twenty percent (20%) of said voting power.

(ii) Subject to clauses (iii) and (iv) below:

(A) The limitations in clauses (i)(A) and (i)(C) above shall not apply in the case of any class of stock that does not have the right by its terms to vote in the election of members of the Board of Directors or on other matters that may require the approval of the holders of voting shares of the Corporation (other than matters affecting the rights, preferences or privileges of said class of stock).

(B) The limitations in clauses (i)(A) and (i)(C) above (except with respect to Exchange Members and their Related Persons) may be waived by the Board of Directors pursuant to a resolution duly adopted by the Board of Directors, if, in connection with taking such action, the Board of Directors adopts a resolution stating that it is the determination of such Board that such action will not impair the ability of an Exchange to carry out its functions and responsibilities as an “exchange” under the Act and the rules and regulations promulgated thereunder, that it is otherwise in the best interests of the Corporation, its stockholders and the Exchange, and that it will not impair the ability of the Commission to enforce the Act and the rules and regulations promulgated thereunder, and such resolution shall not be effective until it is filed with and approved by the Commission. In making the determinations referred to in the immediately preceding sentence, the Board of Directors may impose on the Person in question and its Related Persons such conditions and restrictions that it may in its sole discretion deem necessary, appropriate or desirable in furtherance of the objectives of the Act and the rules and regulations promulgated thereunder, and the governance of the applicable Exchange.

(iii) Notwithstanding clauses (ii)(A) and (ii)(B) above, in any case where a Person, either alone or together with its Related Persons, would own or vote more than any of the above percentage limitations upon consummation of any proposed sale, assignment or transfer of the Corporation’s capital stock, such sale, assignment or transfer shall not become effective until the Board of Directors of the Corporation shall have determined, by resolution, that such Person and its Related Persons are not subject to any applicable “statutory disqualification” (within the meaning of Section 3(a)(39) of the Act).

(iv) Notwithstanding clauses (ii)(A) and (ii)(B) above, and without giving effect to same, any Exchange Member that, either alone or together with its Related Persons, proposes to own, directly or indirectly, of record or beneficially, shares of the capital stock of the Corporation constituting more than twenty percent (20%) of the outstanding shares of any class of capital stock of the Corporation and any Person that, either alone or together with its Related Persons, proposes to own, directly or indirectly, of record or beneficially, shares of the capital stock of the Corporation constituting more than forty percent (40%) of the outstanding shares of any class of capital stock of the Corporation, or to exercise voting rights, or grant any proxies or consents with respect to shares of the capital stock of the Corporation constituting more than twenty percent (20%) of the voting power of the then issued and outstanding shares of capital stock of the Corporation, shall have delivered to the Board of Directors of the Corporation a notice in writing, not less than forty-five (45) days (or any shorter period to which said Board of Directors shall expressly consent), before the proposed ownership of such shares, or the proposed exercise of said voting rights or the granting of said proxies or consents, of its intention to do so.

(c) *Required Notices.*

(i) Any Person that, either alone or together with its Related Persons, owns, directly or indirectly (whether by acquisition or by a change in the number of shares outstanding), of record or beneficially, five percent (5%) or more of the then outstanding shares of capital stock of the Corporation (excluding shares of any class of stock that does not have the right by its terms to vote generally in the election of members of the Board of Directors) shall, immediately upon acquiring knowledge of its ownership of five percent (5%) or more of the then outstanding shares of such stock, give the Board of Directors written notice of such ownership, which notice shall state: (A) such Person's full legal name; (B) such Person's title or status and the date on which such title or status was acquired; (C) such Person's (and its Related Person's) approximate ownership interest of the Corporation; and (D) whether such Person has the power, directly or indirectly, to direct the management or policies of the Corporation, whether through ownership of securities, by contract or otherwise.

(ii) Each Person required to provide written notice pursuant to subparagraph (c)(i) of this Article Fifth shall update such notice promptly after any change in the contents of that notice; *provided* that no such updated notice shall be required to be provided to the Board of Directors: (A) in the event of an increase or decrease in the ownership percentage so reported of less than one percent (1%) of the then outstanding shares of any class of capital stock (such increase or decrease to be measured cumulatively from the amount shown on the last such notice), unless any increase or decrease of less than one percent (1%) results in such Person owning more than twenty percent (20%) or more than forty percent (40%) of the shares of any class of capital stock then outstanding (at a time when such Person previously owned less than such percentages) or such Person owning less than twenty percent (20%) or less than forty percent (40%) of the shares of any class of capital stock then outstanding (at a time when such Person previously owned more than such percentages); or (B) in the event the Corporation issues additional shares of capital stock (or securities convertible into capital stock) or takes any other action that dilutes the ownership of such Person, or acquires or redeems shares of outstanding capital stock or takes any other action that increases the ownership of such Person, in each case without any change in the number of shares held by such Person.

(iii) The Board of Directors shall have the right to require any Person reasonably believed to be subject to and in violation of this Article Fifth to provide the Corporation complete information as to all shares of stock of the Corporation owned, directly or indirectly, of record or beneficially, by such Person and its Related Persons and as to any other factual matter relating to the applicability or effect of this Article Fifth as may reasonably be requested of such Person.

(d) *Effect of Purported Transfers and Voting in Violation of this Article.* If any stockholder purports to sell, transfer, assign or pledge to any Person, other than the Corporation, any shares of the Corporation that would violate the provisions of this Article Fifth, then the Corporation shall record on the books of the Corporation the transfer of only that number of shares that would not violate the provisions of this Article Fifth and shall treat the remaining shares as owned by the purported transferor, for all purposes, including without limitation, voting, payment of dividends and distributions with respect to such shares, whether upon

liquidation or otherwise. If any stockholder purports to vote, or to grant any proxy or enter into any agreement, plan or other arrangement relating to the voting of shares that would violate the provisions of this Article Fifth, then the Corporation shall not honor such vote, proxy, agreement, plan or other arrangement to the extent that such provisions would be violated, and any shares subject to that arrangement shall not be entitled to be voted to the extent of such violation.

(e) *Right to Redeem Shares Purportedly Transferred in Violation of this Article Fifth.* If any stockholder purports to sell, transfer, assign, pledge, or own any shares of the Corporation in violation of the provisions of this Article Fifth, then the Corporation shall have the right to, and shall promptly after confirming such violation and to the extent funds are legally available, redeem the shares sold, transferred, assigned, pledged, or owned in violation of the provisions of this Article Fifth for a price per share equal to the fair market value of those shares (such fair market being determined as the volume-weighted average price per share of the Common Stock during the five (5) business days immediately preceding the date of such redemption). Written notice shall be given by the Secretary of the Corporation to the holder or holders of record with respect to the redeemable shares at the address of the holder or holders of record appearing on the books of the Corporation, which notice shall specify a date for redemption of the shares that shall be not less than ten (10) days nor more than thirty (30) days from the date of such notice. Any shares that have been so called for redemption shall not be deemed outstanding shares for the purpose of voting or determining the total number of shares entitled to vote on any matter on and after the date on which written notice of redemption has been given to the holder or holders of those shares if a sum sufficient to redeem such shares shall have been irrevocably deposited or set aside to pay the redemption price to the holder or holders of the shares upon surrender of certificates for those shares. Written notice shall be given by the Secretary of the Corporation to all holders of record appearing on the books of the Corporation of any redemption by the Corporation (including, without limitation, a redemption pursuant to this clause (e)) (in each case, a "Redemption") not more than ten (10) days after consummation of the Redemption, which notice shall specify the number of shares outstanding after the Redemption of each class of the Corporation's capital stock.

Board of Directors

SIXTH:

(a) *Power and Authority.* The business and affairs of the Corporation shall be managed by or under the Board of Directors. In addition to the powers and authority expressly conferred by Delaware Law, this Certificate of Incorporation or the Bylaws, the Board of Directors is hereby empowered to exercise all such powers and to do all such acts and things as may be exercised or done by the Corporation.

(b) *Number of Directors.* The number of directors may be increased or decreased from time to time by a resolution adopted by the Board of Directors.

(c) *Election of Directors.* (i) The directors shall be divided into three classes, designated Class I, Class II and Class III. Each class shall consist, as nearly as may be practicable, of one-third of the total number of directors constituting the entire Board of Directors. Each director shall serve for a term ending on the date of the third annual meeting of

stockholders next following the annual meeting at which such director was elected; *provided* that directors initially designated as Class I directors shall serve for a term ending on the date of the 2017 annual meeting, directors initially designated as Class II directors shall serve for a term ending on the 2018 annual meeting, and directors initially designated as Class III directors shall serve for a term ending on the date of the 2019 annual meeting. Notwithstanding the foregoing, each director shall hold office until such director's successor shall have been duly elected and qualified or until the earlier of such director's death, resignation or removal. In the event of any change in the number of directors, the Board of Directors shall apportion any newly created directorships among, or reduce the number of directorships in, such class or classes as shall equalize, as nearly as possible, the number of directors in each class. In no event will a decrease in the number of directors shorten the term of any incumbent director.

(ii) The names and mailing addresses of the persons who are to serve initially as directors of each Class are:

	<u>Name</u>	<u>Mailing Address</u>
Class I	Jamil Nazarali, Frank Reardon and Michael Richter	8050 Marshall Drive Lenexa, KS 66214

(e) *Removal of Directors.* The Board of Directors or any individual director may be removed from office in accordance with the Bylaws.

(f) *Directors Elected by Preferred Stockholders.* Notwithstanding anything else contained herein, whenever the holders of one or more classes or series of Preferred Stock shall have the right, voting separately as a class or series, to elect directors, the election, term of office, filling of vacancies, removal and other features of such directorships shall be governed by the terms of the resolution or resolutions adopted by the Board of Directors, and such directors so elected shall not be subject to the provisions of this Article Sixth unless otherwise provided therein.

Duration

SEVENTH: The duration of the Corporation shall be perpetual.

Bylaws

EIGHTH: The Board of Directors shall have the power to adopt, amend or repeal the Bylaws. The Bylaws may also be amended or repealed, or new Bylaws of the Corporation may be adopted, by action taken by the stockholders of the Corporation. All amendments to the Bylaws must be made in accordance with procedures set out in the Bylaws.

Indemnification and Limitation of Director Liability

NINTH:

(a) *Indemnification.* The Corporation shall provide indemnification for members of its Board of Directors, members of committees of the Board of Directors and of other committees of the Corporation, and its executive officers, and may provide indemnification for its other officers and its agents and employees, and those serving another corporation, partnership, joint venture, trust or other enterprise at the request of the Corporation, in each case to the maximum extent permitted by Delaware Law; *provided, however*, that the Corporation may limit the extent of such indemnification by individual contracts with its directors and executive officers; and, *provided, further*, that the Corporation shall not be required to indemnify any person in connection with any proceeding (or part thereof) initiated by such person or any proceeding by such person against the Corporation or its directors, officers, employees or other agents unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Board of Directors or (iii) such indemnification is provided by the Corporation, in its sole discretion, pursuant to the powers vested in the Corporation under Delaware Law.

(b) *Limitation of Liability.* To the fullest extent not prohibited by Delaware Law, as it exists on the date this Certificate of Incorporation is adopted or as such law may later be amended, no director of the Corporation shall be liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty as a director. No amendment to or repeal of this Article shall adversely affect any right or protection of a director of the Corporation that exists at the time of such amendment or repeal with respect to any actions taken, or inactions, prior thereto.

Meetings of Stockholders

TENTH:

(a) *Annual Meetings.* An annual meeting of stockholders for the election of directors to succeed those whose terms expire and for the transaction of such other business as may properly come before the meeting shall be held at such place, on such date, and at such time as the Board of Directors shall determine.

(b) *Special Meetings.* Special meetings of the stockholders may be called only by the Board of Directors acting pursuant to a resolution adopted by a majority of the Board of Directors. Notwithstanding the foregoing, whenever holders of one or more classes or series of Preferred Stock shall have the right, voting separately as a class or series, to elect directors, such holders may call, pursuant to the terms of such class or series of Preferred Stock adopted by

resolution or resolutions of the Board of Directors pursuant to Article Fourth(a)(ii) hereto, special meetings of holders of such Preferred Stock.

(c) *No Action by Written Consent.* Subject to the rights of the holders of any class or series of Preferred Stock then outstanding, as may be set forth in the resolution or resolutions adopted by the Board of Directors pursuant to Article Fourth(c)(i) hereto for such class or series of Non-Voting Common Stock, any action required or permitted to be taken at any annual or special meeting of stockholders may be taken only upon the vote of stockholders at an annual or special meeting duly noticed and called in accordance with Delaware Law, as amended from time to time, and this Article Tenth and may not be taken by written consent of stockholders without a meeting.

Forum Selection

ELEVENTH: The Court of Chancery of the State of Delaware shall be the sole and exclusive forum for (a) any derivative action or proceeding brought on behalf of the Corporation, (b) any action asserting a claim of breach of fiduciary duty owed by any director, officer or other employee of the Corporation to the Corporation or the Corporation's stockholders, (c) any action asserting a claim arising pursuant to any provision of Delaware Law or (d) any action asserting a claim governed by the internal affairs doctrine. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Article Eleventh.

Compromise or Other Arrangement

TWELFTH: Whenever a compromise or arrangement is proposed between the Corporation and its creditors or any class of them and/or between the Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of the Corporation or of any creditor or stockholder thereof or on the application of any receiver or receivers appointed for the Corporation under Section 291 of Title 8 of Delaware Law or on the application of trustees in dissolution or of any receiver or receivers appointed for the Corporation under Section 279 of Title 8 of Delaware Law, order a meeting of the creditors or class of creditors, and/or of the stockholders or class of stockholders of the Corporation, as the case may be, to be summoned in such manner as such court directs. If a majority in number representing three fourths in value of the creditors or class of creditors, and/or of the stockholders or class of stockholders of the Corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of the Corporation as a consequence of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if sanctioned by the court to which the said application has been made, be binding on all the creditors or class of creditors, and/or on all the stockholders or class of stockholders, of the Corporation, as the case may be, and also on the Corporation.

Section 203

THIRTEENTH: The Corporation shall be governed by Section 203 of Delaware Law.

Amendment of Certificate of Incorporation

FOURTEENTH:

(a) The Corporation reserves the right to amend this Certificate of Incorporation, and to change or repeal any provision of this Certificate of Incorporation, in the manner prescribed at the time by statute (*provided, however*, that any such amendment, change or repeal must be first approved by the Board of Directors), and all rights conferred upon stockholders in this Certificate of Incorporation are granted subject to this reservation. Notwithstanding the foregoing, the provisions set forth in Articles Fourth(c) and (d), Fifth through Thirteenth or this Article Fourteenth may not be repealed or amended in any respect, and no other provision may be adopted, amended or repealed which would have the effect of modifying or permitting the circumvention of the provisions set forth in any of Articles Fourth(c) and (d), Fifth, Sixth through Thirteenth or this Article Fourteenth, unless such action is approved by the affirmative vote of the holders of not less than 66²/₃% of the total voting power of all outstanding securities of the Corporation generally entitled to vote in the election of directors, voting together as a single class.

(b) For so long as the Corporation shall control, directly or indirectly, an Exchange, before any amendment to or repeal of any provision of this Certificate of Incorporation shall be effective, those changes shall be submitted to the board of directors of such Exchange and if the same must be filed with or filed with and approved by the Commission before the changes may be effective, under Section 19 of the Act and the rules and regulations promulgated thereunder by the Commission or otherwise, then the proposed changes to this Certificate of Incorporation shall not be effective until filed with or filed with and approved by the Commission, as the case may be.

IN WITNESS WHEREOF, the undersigned has executed this Amended and Restated Certificate of Incorporation this 20th day of April, 2016.

(A) The limitations in clauses (i)(A) and (i)(C) above shall not apply in the case of any class of stock that does not have the right by its

terms to vote in the election of members of the Board of Directors of the Corporation or on other matters that may require the approval of the holders of voting shares of the Corporation (other than matters affecting the rights, preferences or privileges of said class of stock); and

(B) The limitations in clauses (i)(A) and (i)(C) above (except with respect to Exchange Members and their Related Persons) may be waived by the Board of Directors of the Corporation pursuant to a resolution duly adopted by the Board of Directors, if, in connection with taking such action, the Board of Directors adopts a resolution stating that it is the determination of such Board that such action will not impair the ability of an Exchange to carry out its functions and responsibilities as an "exchange" under the Act and the rules and regulations promulgated thereunder, that it is otherwise in the best interests of the Corporation, its stockholders and the Exchange, and that it will not impair the ability of the Commission to enforce the Act and the rules and regulations promulgated thereunder, and such resolution shall not be effective until it is filed with and approved by the Commission. In making the determinations referred to in the immediately preceding sentence, the Board of Directors may impose on the Person in question and its Related Persons such conditions and restrictions that it may in its sole discretion deem necessary, appropriate or desirable in furtherance of the objectives of the Act and the rules and regulations promulgated thereunder, and the governance of the applicable Exchange.

(iii) Notwithstanding clauses (ii)(A) and (ii)(B) above, in any case where a Person, either alone or together with its Related Persons, would own or vote more than any of the above percentage limitations upon consummation of any proposed sale, assignment or transfer of the Corporation's capital stock, such sale, assignment or transfer shall not become effective until the Board of Directors of the Corporation shall have determined, by resolution, that such Person and its Related Persons are not subject to any applicable "statutory disqualification" (within the meaning of Section 3(a)(39) of the Act).

(iv) Notwithstanding clauses (ii)(A) and (ii)(B) above, and without giving effect to same, any Exchange Member that, either alone or together with its Related Persons, proposes to own, directly or indirectly, of record or beneficially, shares of the capital stock of the Corporation constituting more than twenty percent (20%) of the outstanding shares of any class of capital stock of the Corporation and any Person that, either alone or together with its Related Persons, proposes to own, directly or indirectly, of record or beneficially, shares of the capital stock of the Corporation constituting more than forty percent (40%) of the outstanding shares of any class of capital stock of the Corporation, or to exercise voting rights, or grant any proxies or consents with respect to shares of the capital stock of the Corporation constituting more than twenty percent (20%) of the voting power of the then issued and outstanding shares of capital stock of the Corporation, shall have delivered to the Board of Directors of the Corporation a notice in writing, not less than forty-five (45) days (or any shorter period to which

said Board shall expressly consent), before the proposed ownership of such shares, or the proposed exercise of said voting rights or the granting of said proxies or consents, of its intention to do so.

(c) Required Notices.

(i) Any Person that, either alone or together with its Related Persons, owns, directly or indirectly (whether by acquisition or by a change in the number of shares outstanding), of record or beneficially, five percent (5%) or more of the then outstanding shares of capital stock of the Corporation (excluding shares of any class of stock that does not have the right by its terms to vote generally in the election of members of the Board of Directors of the Corporation) shall, immediately upon acquiring knowledge of its ownership of five percent (5%) or more of the then outstanding shares of such stock, give the Board of Directors written notice of such ownership, which notice shall state: (A) such Person's full legal name; (B) such Person's title or status and the date on which such title or status was acquired; (C) such Person's (and its Related Person's) approximate ownership interest of the Corporation; and (D) whether such Person has the power, directly or indirectly, to direct the management or policies of the Corporation, whether through ownership of securities, by contract or otherwise.

(ii) Each Person required to provide written notice pursuant to subparagraph (c)(i) of this Article FIFTH shall update such notice promptly after any change in the contents of that notice; provided that no such updated notice shall be required to be provided to the Board of Directors: (A) in the event of an increase or decrease in the ownership percentage so reported of less than one percent (1%) of the then outstanding shares of any class of capital stock (such increase or decrease to be measured cumulatively from the amount shown on the last such notice), unless any increase or decrease of less than one percent (1%) results in such Person owning more than twenty percent (20%) or more than forty percent (40%) of the shares of any class of capital stock then outstanding (at a time when such Person previously owned less than such percentages) or such Person owning less than twenty percent (20%) or less than forty percent (40%) of the shares of any class of capital stock then outstanding (at a time when such Person previously owned more than such percentages); or (B) in the event the Corporation issues additional shares of capital stock (or securities convertible into capital stock) or takes any other action that dilutes the ownership of such Person, or acquires or redeems shares of outstanding capital stock or takes any other action that increases the ownership of such Person, in each case without any change in the number of shares held by such Person.

(iii) The Board of Directors of the Corporation shall have the right to require any Person reasonably believed to be subject to and in violation of this Article FIFTH to provide the Corporation complete information as to all shares of stock of the Corporation owned, directly or indirectly, of record or beneficially, by such Person and its Related Persons and as to any other factual matter relating

to the applicability or effect of this Article FIFTH as may reasonably be requested of such Person.

(d) Effect of Purported Transfers and Voting in Violation of this Article. If any stockholder purports to sell, transfer, assign or pledge to any Person, other than the Corporation, any shares of the Corporation that would violate the provisions of this Article FIFTH, then the Corporation shall record on the books of the Corporation the transfer of only that number of shares that would not violate the provisions of this Article FIFTH and shall treat the remaining shares as owned by the purported transferor, for all purposes, including without limitation, voting, payment of dividends and distributions with respect to such shares, whether upon liquidation or otherwise. If any stockholder purports to vote, or to grant any proxy or enter into any agreement, plan or other arrangement relating to the voting of, shares that would violate the provisions of this Article FIFTH, then the Corporation shall not honor such vote, proxy, agreement, plan or other arrangement to the extent that such provisions would be violated, and any shares subject to that arrangement shall not be entitled to be voted to the extent of such violation.

(e) Right to Redeem Shares Purportedly Transferred in Violation of this Article. If any stockholder purports to sell, transfer, assign, pledge, or own any shares of the Corporation in violation of the provisions of this Article Fifth, then the Corporation shall have the right to, and shall promptly after confirming such violation and to the extent funds are legally available, redeem the shares sold, transferred, assigned, pledged, or owned in violation of the provisions of this Article Fifth for a price per share equal to the fair market value of those shares. Written notice shall be given by the Secretary of the Corporation to the holder or holders of record with respect to the redeemable shares at the address of the holder or holders of record appearing on the books of the Corporation, which notice shall specify a date for redemption of the shares that shall be not less than ten (10) days nor more than thirty (30) days from the date of such notice. Any shares that have been so called for redemption shall not be deemed outstanding shares for the purpose of voting or determining the total number of shares entitled to vote on any matter on and after the date on which written notice of redemption has been given to the holder or holders of those shares if a sum sufficient to redeem such shares shall have been irrevocably deposited or set aside to pay the redemption price to the holder or holders of the shares upon surrender of certificates for those shares. Written notice shall be given by the Secretary of the Corporation to all holders of record appearing on the books of the Corporation of any redemption by the Corporation (including, without limitation, a redemption pursuant to this clause (e)) (in each case, a "Redemption") not more than ten (10) days after consummation of the Redemption, which notice shall specify the number of shares outstanding after the Redemption of each class of the Corporation's capital stock.

Board of Directors

SIXTH: The number of directors may be increased or decreased from time to time by a resolution adopted by the Board of Directors. Directors shall be elected by the stockholders of the Corporation pursuant to and in accordance with this Certificate of Incorporation and the Bylaws of the Corporation. Election of directors need not be by written ballot unless the Bylaws of the Corporation shall so provide. The Board of Directors or any individual director may be removed from office in accordance with the Bylaws of the Corporation.

Duration

SEVENTH: The duration of the Corporation shall be perpetual.

Bylaws

EIGHTH: The Board of Directors shall have the power to adopt, amend or repeal Bylaws of the Corporation. The Bylaws of the Corporation may also be amended or repealed, or new Bylaws of the Corporation may be adopted, by action taken by the stockholders of the Corporation. All amendments to the Corporation's Bylaws must be made in accordance with procedures set out in the Bylaws of the Corporation.

Indemnification and Limitation of Director Liability

NINTH:

(a) Indemnification. The Corporation shall provide indemnification for members of its Board of Directors, members of committees of the Board of Directors and of other committees of the Corporation, and its executive officers, and may provide indemnification for its other officers and its agents and employees, and those serving another corporation, partnership, joint venture, trust or other enterprise at the request of the Corporation, in each case to the maximum extent permitted by Delaware law; provided, however, that the Corporation may limit the extent of such indemnification by individual contracts with its directors and executive officers; and, provided, further, that the Corporation shall not be required to indemnify any person in connection with any proceeding (or part thereof) initiated by such person or any proceeding by such person against the Corporation or its directors, officers, employees or other agents unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Board of Directors of the Corporation or (iii) such indemnification is provided by the Corporation, in its sole discretion, pursuant to the powers vested in the Corporation under the General Corporation Law of Delaware.

(b) Limitation of Liability. To the fullest extent not prohibited by the General Corporation Law of the State of Delaware, as it exists on the date this Certificate of Incorporation is adopted or as such law may later be amended, no director of the Corporation shall be liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty as a director. No amendment to or repeal of this Article shall adversely affect any right or protection of a director of the Corporation that exists at the time of such amendment or repeal with respect to any actions taken, or inactions, prior thereto.

Action without Meeting

TENTH: Action may be taken by the stockholders of the Corporation, without a meeting, by written consent as and to the extent provided at the time by the General Corporation Law of Delaware.

Compromise or Other Arrangement

ELEVENTH: Whenever a compromise or arrangement is proposed between the Corporation and its creditors or any class of them and/or between the Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of the Corporation or of any creditor or stockholder thereof or on the application of any receiver or receivers appointed for the Corporation under Section 291 of Title 8 of the Delaware Code or on the application of trustees in dissolution or of any receiver or receivers appointed for the Corporation under Section 279 of Title 8 of the Delaware Code, order a meeting of the creditors or class of creditors, and/or of the stockholders or class of stockholders of the Corporation, as the case may be, to be summoned in such manner as such court directs. If a majority in number representing three fourths in value of the creditors or class of creditors, and/or of the stockholders or class of stockholders of the Corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of the Corporation as consequence of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if sanctioned by the court to which the said application has been made, be binding on all the creditors or class of creditors, and/or on all the stockholders or class of stockholders, of the Corporation, as the case may be, and also on the Corporation.

Amendment of Certificate of Incorporation

TWELFTH. The Corporation reserves the right to amend this Certificate of Incorporation, and to change or repeal any provision of this Certificate of Incorporation, in the manner prescribed at the time by statute (provided, however, that any such amendment, change or repeal must be first approved by the Board of Directors), and all rights conferred upon stockholders in this Certificate of Incorporation are granted subject to this reservation. For so long as the Corporation shall control, directly or indirectly, an Exchange, before any amendment to or repeal of any provision of this Certificate of Incorporation shall be effective, those changes shall be submitted to the Board of Directors of such Exchange and if the same must be filed with or filed with and approved by the Commission before the changes may be effective, under Section 19 of the Act and the rules and regulations promulgated thereunder by the Commission or otherwise, then the proposed changes to the Certificate of Incorporation of this Corporation shall not be effective until filed with or filed with and approved by the Commission, as the case may be.

(the “**Corporation**”) in the State of Delaware shall be located at 1209 Orange Street in the City of Wilmington, County of New Castle, Delaware 19801, or at such other location within the State of Delaware as the board of directors of the Corporation (the “**Board of Directors**”) may from time to time designate. The name of its registered agent at such address is The Corporation Trust Company.

Section 1.02. Other Offices. The Corporation may have such other office or offices, either within or without the State of Delaware, as the Board of Directors may from time to time designate or as the purposes of the Corporation may require from time to time.

**ARTICLE II
STOCKHOLDERS MEETINGS**

Section 2.01. Place of Meetings. Meetings of the stockholders of the Corporation (the “**Stockholders**”) shall be held at such place, either within or without the State of Delaware, as may be designated from time to time by the Board of Directors.

Section 2.02. Annual Meeting.

(a) An annual meeting of Stockholders for the election of directors to succeed those whose terms expire and for the transaction of such other business as may properly come before the meeting shall be held at such place, on such date and at such time as the Board of Directors shall determine.

(b) At an annual meeting of the Stockholders, only such business shall be conducted as shall have been properly brought before the meeting. To be properly brought before an annual meeting, business must be: (A) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Board of Directors, (B) otherwise properly brought before the meeting by or at the direction of the Board of Directors, or (C) otherwise properly brought before the meeting by a Stockholder. For business to be properly brought before an annual meeting by a Stockholder, the Stockholder must have given timely notice thereof in writing to the Secretary of the Corporation (the “**Secretary**”). To be timely, a Stockholder’s notice must be delivered to or mailed and received at the principal executive offices of the Corporation not later than the close of business on the one hundred and twentieth (120th) day or earlier than the close of business on the one hundred and fiftieth (150th) day prior to the first anniversary of the preceding year’s annual meeting; *provided, however*, that in the event that no annual meeting was held in the previous year or the date of the annual

meeting has been changed by more than thirty (30) days from the date contemplated at the time of the previous year's proxy statement, notice by the Stockholder to be timely must be so received no earlier than the close of business on the one hundred and twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the seventieth (70th) day prior to such annual meeting or, in the event public announcement of the date of such annual meeting is first made by the Corporation fewer than seventy (70) days prior to the date of such annual meeting, the close of business on the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Corporation. A Stockholder's notice to the Secretary shall set forth as to each matter the Stockholder proposes to bring before the annual meeting: (i) a brief description of the business desired to be brought before the annual meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend these bylaws of the Corporation (the "**Bylaws**") the language of the proposed amendment), and the reasons for conducting such business at the annual meeting, (ii) the name and address, as they appear on the Corporation's books, of the Stockholder proposing such business, and the beneficial owner, if any, on whose behalf the proposal is being made, (iii) the class and number of shares of the Corporation which are beneficially owned by the Stockholder, (iv) any material interest of the Stockholder or such beneficial owner in such business, (v) a description of all arrangements or understandings between the Stockholder and any other person or persons (naming such person or persons) pursuant to which the proposal is to be made by the Stockholder, (vi) a description of any agreement, arrangement or understanding (including, regardless of the form of settlement, any derivative, long or short positions, profit interests, forwards, futures, swaps, options, warrants, convertible securities, stock appreciation or similar rights, hedging transactions and borrowed or loaned shares) that has been entered into by or on behalf of, or any other agreement, arrangement or understanding that has been made, the effect or intent of which is to create or mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of, such Stockholder or any such beneficial owner with respect to the Corporation's securities, (vii) a representation as to whether such Stockholder or any such beneficial owner intends or is part of a group that intends to (A) deliver a proxy statement and/or form of proxy to holders of at least the percentage of the voting power of the Corporation's outstanding capital stock required to approve or adopt the proposal and/or (B) otherwise to solicit proxies from Stockholders in support of such proposal, (viii) any other information that would be required to be provided by the Stockholder pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "**1934 Act**"), in his or her capacity as a proponent of a Stockholder proposal and (ix) such other information relating to any proposed item of business as the Corporation may reasonably require to determine whether such proposed item of business is a proper matter for Stockholder action. Notwithstanding the foregoing, in order to include information with respect to a Stockholder proposal in the proxy statement and form of proxy for a Stockholder's meeting, Stockholders must provide notice as required by the regulations promulgated under the 1934 Act. Notwithstanding anything in these Bylaws to the contrary, no business shall be conducted at any annual meeting except in accordance with the procedures set forth in this paragraph (b). The chairman of the

annual meeting shall, if the facts warrant, determine and declare at the meeting that business was not properly brought before the meeting in accordance with the provisions of this paragraph (b), and, if he or she should so determine, he or she shall so declare at the meeting that any such business not properly brought before the meeting shall not be transacted.

(c) Only persons who are nominated in accordance with the procedures set forth in this paragraph (c) of Section 2.02 shall be eligible for election as directors. Nominations of persons for election to the Board of Directors may be made at a meeting of Stockholders by or at the direction of the Board of Directors or by any Stockholder entitled to vote in the election of directors at the meeting who complies with the notice procedures set forth in this paragraph (c). Such nominations, other than those made by or at the direction of the Board of Directors, shall be made pursuant to timely notice in writing to the Secretary of the Corporation in accordance with the provisions of paragraph (b) of this Section 2.02. Such Stockholder's notice shall set forth (i) as to each person, if any, whom the Stockholder proposes to nominate for election or re-election as a director: (A) the name, age, business address and residence address of such person, (B) the principal occupation or employment of such person, (C) the class and number of shares of the Corporation which are beneficially owned by such person, (D) a description of all arrangements or understandings between the Stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nominations are to be made by the Stockholder, (E) a description of any agreement, arrangement or understanding (including, regardless of the form of settlement, any derivative, long or short positions, profit interests, forwards, futures, swaps, options, warrants, convertible securities, stock appreciation or similar rights, hedging transactions and borrowed or loaned shares) that has been entered into by or on behalf of, or any other agreement, arrangement or understanding that has been made, the effect or intent of which is to create or mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of, such Stockholder or any such beneficial owner or any such nominee with respect to the Corporation's securities, (F) a representation that the Stockholder is a Stockholder of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to bring such nomination or other business before the meeting, (G) a representation as to whether such Stockholder or any such beneficial owner intends or is part of a group that intends to (a) deliver a proxy statement and/or form of proxy to holders of at least the percentage of the voting power of the Corporation's outstanding capital stock required to elect each such nominee and/or (b) otherwise to solicit proxies from Stockholders in support of such nomination and (H) any other information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the 1934 Act (including without limitation such person's written consent to being named in the proxy statement, if any, as a nominee and to serving as a director if elected); and (ii) as to the Stockholder giving notice, and the beneficial owner, if any, on whose behalf the notice was given, the information required to be provided by a Stockholder proposing business pursuant to paragraph (b) of this Section 2.02. At the request of the Board of Directors, any person nominated by a Stockholder for election as a director shall furnish to the Secretary of the Corporation that information required to be set forth in the Stockholder's notice of nomination which

pertains to the nominee. No person shall be eligible for election as a director of the Corporation unless nominated in accordance with the procedures set forth in this paragraph (c). The chairman of the meeting shall, if the facts warrant, determine and declare at the meeting that a nomination was not made in accordance with the procedures prescribed by these Bylaws, and if he or she should so determine, he or she shall so declare at the meeting, and the defective nomination shall be disregarded.

(d) Notwithstanding the foregoing provisions of Section 2.02(b) and Section 2.02(c), unless otherwise required by law, if a Stockholder (or a qualified representative of the Stockholder) does not appear at the annual or special meeting of Stockholders of the Corporation to present a nomination or other proposed business, such nomination shall be disregarded or such proposed business shall not be transacted, as the case may be, notwithstanding that proxies in respect of such vote may have been received by the Corporation and counted for purposes of determining a quorum. For purposes of paragraph (d) of this Section 2.02, to be considered a qualified representative of the Stockholder, a person must be a duly authorized officer, manager or partner of such Stockholder or must be authorized by a writing executed by such Stockholder or an electronic transmission delivered by such Stockholder to act for such Stockholder as proxy at the meeting of Stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of Stockholders.

(e) Without limiting the foregoing provisions of this Section 2.02, a Stockholder shall also comply with all applicable requirements of the 1934 Act, and the rules and regulations thereunder, with respect to the matters set forth in this Section 2.02; *provided, however*, that any references in these Bylaws to the 1934 Act or such rules and regulations are not intended to and shall not limit any requirements applicable to nominations or proposals as to any other business to be considered pursuant to this Section 2.02, and compliance with this Section 2.02 shall be the exclusive means for a Stockholder to make nominations or submit other business (other than as provided in paragraph (f) of this Section 2.02).

(f) Notwithstanding anything to the contrary, the notice requirements set forth herein with respect to the proposal of any business pursuant to paragraph (b) of Section 2.02 shall be deemed satisfied by a Stockholder if such Stockholder has submitted a proposal to the Corporation in compliance with Rule 14a-8 under the 1934 Act and such Stockholder's proposal has been included in a proxy statement that has been prepared by the Corporation to solicit proxies for the meeting of Stockholders.

Section 2.03. Special Meetings. Special meetings of the Stockholders may be called only by the Board of Directors acting pursuant to a resolution adopted by a majority of the Board of Directors. Notwithstanding the foregoing, whenever holders of one or more classes or series of Preferred Stock, as defined in the Corporation's certificate of incorporation, as may be amended from time to time (the "**Certificate of Incorporation**"), shall have the right, voting separately as a class or series, to elect directors, such holders may call, pursuant to the terms of the resolution or resolutions

adopted by the Board of Directors pursuant to the Certificate of Incorporation, special meetings of holders of such Preferred Stock.

Section 2.04. Notice of Meetings. Except as otherwise provided by law or the Certificate of Incorporation, written notice of each meeting of Stockholders shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each Stockholder entitled to vote at such meeting, such notice to specify the place, date and hour and purpose or purposes of the meeting. Notice of the time, place and purpose of any meeting of Stockholders may be waived in writing, signed by the person entitled to notice thereof, either before or after such meeting, and will be waived by any Stockholder by his or her attendance thereat in person or by proxy, except when the Stockholder attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Any Stockholder so waiving notice of such meeting shall be bound by the proceedings of any such meeting in all respects as if due notice thereof had been given.

Section 2.05. Quorum; Vote Requirements. At all meetings of Stockholders, except where otherwise provided by statute or by the Certificate of Incorporation, or by these Bylaws, the presence, in person or by proxy duly authorized, of the holders of a majority of the voting power of all the then-outstanding shares of stock entitled to vote at a meeting of Stockholders shall constitute a quorum for the transaction of business. In the absence of a quorum, any meeting of Stockholders may be adjourned, from time to time, either by the chairman of the meeting or by vote of the holders of a majority of the voting power of the shares represented thereat, but no other business shall be transacted at such meeting. The Stockholders present at a duly called or convened meeting, at which a quorum is present, may continue to transact business until adjournment, notwithstanding the withdrawal of enough Stockholders to leave less than a quorum. Except as otherwise provided by law, the Certificate of Incorporation or these Bylaws, all action taken by the holders of a majority of the votes cast at any meeting at which a quorum is present shall be valid and binding upon the Corporation; *provided, however*, that directors shall be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. Where a separate vote by a class or classes or series is required, except where otherwise provided by the General Corporation Law of the State of Delaware as the same exists or may hereafter be amended (“**Delaware Law**”) or by the Certificate of Incorporation or these Bylaws, a majority of the voting power of the outstanding shares of such class or classes or series, present in person or represented by proxy, shall constitute a quorum entitled to take action with respect to that vote on that matter and, except where otherwise provided by the statute or by the Certificate of Incorporation or these Bylaws, the affirmative vote of the majority (plurality of the votes of the shares present in person or represented by proxy, in the case of the election of directors) of the votes present in person or represented by proxy, excluding abstentions, by the holders of shares of such class or classes or series shall be the act of such class or classes or series. Abstentions and broker non-votes shall not be counted as votes cast.

Section 2.06. Adjournment and Notice of Adjourned Meetings. Any meeting of Stockholders, whether annual or special, may be adjourned from time to time by the

Board of Directors or the chairman of the meeting. When a meeting is adjourned to another time or place, notice need not be given of the adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the Corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than thirty (30) days or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each Stockholder of record entitled to vote at the meeting.

Section 2.07. Voting Rights. For the purpose of determining those Stockholders entitled to vote at any meeting of the Stockholders, except as otherwise provided by law or the Certificate of Incorporation, only persons in whose names shares stand on the stock records of the Corporation on the record date, as provided in Section 6.04, shall be entitled to vote at any meeting of Stockholders. Any share of capital stock of the Corporation held by the Corporation shall have no voting rights, except where such shares are held in a fiduciary capacity by the Corporation. Every person entitled to vote or execute consents shall have the right to do so either in person or by an agent or agents authorized by a proxy granted in accordance with Delaware Law. An agent so appointed need not be a Stockholder. No proxy shall be voted after three (3) years from its date of creation unless the proxy provides for a longer period.

Section 2.08. Joint Owners of Stock. If shares or other securities having voting power stand of record in the names of two (2) or more persons, whether fiduciaries, members of a partnership, joint tenants, tenants in common, tenants by the entirety, or otherwise, or if two (2) or more persons have the same fiduciary relationship respecting the same shares, unless the Secretary is given written notice to the contrary and is furnished with a copy of the instrument or order appointing them or creating the relationship wherein it is so provided, their acts with respect to voting shall have the following effect: (a) if only one (1) votes, his or her act binds all; (b) if more than one (1) votes, the act of the majority so voting binds all; (c) if more than one (1) votes, but the vote is evenly split on any particular matter, each faction may vote the securities in question proportionally, or may apply to the Delaware Court of Chancery for relief as provided in Section 217(b) of Delaware Law. If the instrument filed with the Secretary shows that any such tenancy is held in unequal interests, a majority or even split for the purpose of clause (c) above shall be a majority or even split in interest.

Section 2.09. List of Stockholders. The Secretary shall prepare and make, at least ten (10) days before every meeting of Stockholders, a complete list of the Stockholders entitled to vote at said meeting, arranged in alphabetical order, showing the address of each Stockholder and the number of shares registered in the name of each Stockholder. Such list shall be open to the examination of any Stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not specified, at the place where the meeting is to be held. The list shall be produced and kept at the time and place of meeting during the whole time thereof and may be inspected by any Stockholder who is present.

Section 2.10. Action Without Meeting. Subject to the rights of the holders of any class or series of Preferred Stock then outstanding, as may be set forth in the certificate of designations for such class or series of Preferred Stock, any action required or permitted to be taken at any annual or special meeting of Stockholders may be taken only upon the vote of Stockholders at an annual or special meeting duly noticed and called in accordance with Delaware Law and may not be taken by written consent of Stockholders without a meeting.

Section 2.11. Organization.

(a) At every meeting of Stockholders, the Chairman of the Board of Directors, or, if a Chairman of the Board of Directors has not been appointed or is absent, the Chief Executive Officer, or, if the Chief Executive Officer is absent, a chairman of the meeting chosen by a majority of the voting power of the then-outstanding shares entitled to vote at a meeting of the Stockholders, present in person or by proxy, shall act as chairman. The Secretary, or, in his or her absence, an Assistant Secretary directed to do so by the Chief Executive Officer, shall act as secretary of the meeting.

(b) The Board of Directors shall be entitled to make such rules or regulations for the conduct of meetings of Stockholders as it shall deem necessary, appropriate or convenient. Subject to such rules and regulations of the Board of Directors, if any, the chairman of the meeting shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are necessary, appropriate or convenient for the proper conduct of the meeting, including, without limitation, establishing an agenda or order of business for the meeting, rules and procedures for maintaining order at the meeting and the safety of those present, limitations on participation in such meeting to Stockholders of record of the Corporation and their duly authorized and constituted proxies and such other persons as the chairman shall permit, restrictions on entry to the meeting after the time fixed for the commencement thereof, limitations on the time allotted to questions or comments by participants and regulation of the opening and closing of the polls for balloting on matters which are to be voted on by ballot. Unless and to the extent determined by the Board of Directors or the chairman of the meeting, meetings of Stockholders shall not be required to be held in accordance with rules of parliamentary procedure.

**ARTICLE III
DIRECTORS**

Section 3.01. Number and Term of Office. The Board of Directors shall consist of one or more directors, with the exact number of directors to be determined from time to time solely by resolution adopted by the affirmative vote of a majority of the Board of Directors. As set forth in Article Sixth(c) of the Certificate of Incorporation, the directors shall be divided into three classes, designated Class I, Class II and Class III. Each class shall consist, as nearly as may be practicable, of one-third of the total number of directors constituting the entire Board of Directors. Except as otherwise provided in the Certificate of Incorporation, each director shall serve for a term ending on the date of the third annual meeting of Stockholders next following the annual meeting at which

such director was elected. Notwithstanding the foregoing, each director shall hold office until such director's successor shall have been duly elected and qualified or until the earlier of such director's death, resignation or removal. Directors need not be Stockholders unless so required by the Certificate of Incorporation. If for any cause the directors shall not have been elected at an annual meeting, they may be elected as soon thereafter as convenient at a special meeting of the Stockholders called for that purpose in the manner provided in these Bylaws. No person that is subject to any statutory disqualification (as defined in Section 3(a)(39) of the 1934 Act) may be a director of the Corporation.

Section 3.02. Powers. The business and affairs of the Corporation shall be managed by or under the direction of a Board of Directors, except as may be otherwise provided by statute or by the Certificate of Incorporation. The Board of Directors shall have the power to interpret these Bylaws and any interpretation made by it shall be final and conclusive.

Section 3.03. Vacancies. Unless otherwise provided in the Certificate of Incorporation, vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or otherwise and newly created directorships resulting from any increase in the number of directors shall, except as otherwise required by Delaware Law, be filled solely by a majority of the directors then in office (although less than a quorum) or by the sole remaining director, and each director so elected shall hold office for a term that shall coincide with the term of the Class to which such director shall have been elected. If there are no directors in office, then an election of directors may be held in accordance with Delaware Law. Unless otherwise provided in the Certificate of Incorporation, when one or more directors shall resign from the Board of Directors, effective at a future date, a majority of the directors then in office, including those who have so resigned, shall have the power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective, and each director so chosen shall hold office as provided in the filling of the other vacancies.

Section 3.04. Resignation. Any director may resign at any time by delivering his or her written resignation to the Secretary, such resignation to specify whether it will be effective at a particular time, upon receipt by the Secretary or at the pleasure of the Board of Directors. If no such specification is made, it shall be deemed effective at the pleasure of the Board of Directors.

Section 3.05. Removal. No director may be removed from office by the Stockholders except for cause with the affirmative vote of the holders of not less than a majority of the total voting power of all then-outstanding securities of the Corporation generally entitled to vote in the election of directors, voting together as a single class.

Section 3.06. Meetings.

(a) **Annual Meetings.** The annual meeting of the Board of Directors shall be held immediately before or after the annual meeting of Stockholders and at the place where such meeting is held. No notice of an annual meeting of the Board of Directors

shall be necessary and such meeting shall be held for the purpose of electing officers and transacting such other business as may lawfully come before it.

(b) **Regular Meetings.** Unless otherwise specified by the Certificate of Incorporation, regular meetings of the Board of Directors shall be held at any place within or without the State of Delaware which has been designated by resolution of the Board of Directors or the written consent of all directors.

(c) **Special Meetings.** Unless otherwise specified by the Certificate of Incorporation, special meetings of the Board of Directors may be held at any time and place within or without the State of Delaware whenever called by the Chairman of the Board, the Chief Executive Officer or any two of the directors.

(d) **Telephone Meetings.** Any member of the Board of Directors, or of any committee thereof, may participate in a meeting by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting by such means shall constitute presence in person at such meeting.

(e) **Notice of Meetings.** Notice of the time and place of all special meetings of the Board of Directors shall be orally or in writing, by telephone, facsimile, telegraph or telex, during normal business hours, at least twenty-four (24) hours before the date and time of the meeting, or sent in writing to each director by first class mail, charges prepaid, at least three (3) days before the date of the meeting. Notice of any meeting may be waived in writing at any time before or after the meeting and will be waived by any director by attendance thereat, except when the director attends the meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

(f) **Waiver of Notice.** The transaction of all business at any meeting of the Board of Directors, or any committee thereof, however called or noticed, or wherever held, shall be as valid as though had been brought at a meeting duly held after regular call and notice, if a quorum be present and if, either before or after the meeting, each of the directors not present shall sign a written waiver of notice. All such waivers shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 3.07. Quorum and Voting.

(a) Unless the Certificate of Incorporation requires a greater number, a quorum of the Board of Directors shall consist of a majority of the exact number of directors fixed from time to time by the Board of Directors in accordance with the Certificate of Incorporation; *provided, however,* at any meeting whether a quorum be present or otherwise, a majority of the directors present may adjourn from time to time until the time fixed for the next regular meeting of the Board of Directors, without notice other than by announcement at the meeting.

(b) At each meeting of the Board of Directors at which a quorum is present, all questions and business shall be determined by the affirmative vote of a majority of the

directors present, unless a different vote is required by Delaware Law, the Certificate of Incorporation or these Bylaws.

Section 3.08. Action Without Meeting. Unless otherwise restricted by Delaware Law, the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all members of the Board of Directors or such committee, as the case may be, consent thereto in writing, and such writing or writings are filed with the minutes of proceedings of the Board of Directors or such committee.

Section 3.09. Fees and Compensation. Directors shall be entitled to such compensation for their services as may be approved by the Board of Directors, including, if so approved, by resolution of the Board of Directors, a fixed sum and expenses of attendance, if any, for attendance at each regular or special meeting of the Board of Directors and at any meeting of a committee of the Board of Directors. Nothing herein contained shall be construed to preclude any director from serving the Corporation in any other capacity as an officer, agent, employee, or otherwise and receiving compensation therefor.

Section 3.10. Committees. (a) The Board of Directors may designate one or more committees, each committee to consist of one or more of the directors of the Corporation. Any such committee, to the extent provided in the resolution of the Board of Directors, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation and may authorize the seal of the Corporation to be affixed to all papers which may require it; but no such committee shall have the power or authority in reference to the following matters: (i) approving or adopting, or recommending to the Stockholders, any action or matter expressly required by Delaware Law to be submitted to the Stockholders for approval or (ii) adopting, amending or repealing these Bylaws.

(b) Each member of a committee of the Board of Directors shall serve a term on the committee coexistent with such member's term on the Board of Directors. The Board of Directors, subject to the provisions of paragraph (a) of this Section 3.10, may at any time increase or decrease the number of members of a committee or terminate the existence of a committee. The membership of a committee member shall terminate on the date of his or her death or voluntary resignation from the committee or from the Board of Directors. The Board of Directors may at any time for any reason remove any individual committee member, and the Board of Directors may fill any committee vacancy created by death, resignation, removal or increase in the number of members of the committee. The Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee, and, in addition, in the absence or disqualification of any member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not he or she or they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any such absent or disqualified member.

(c) Unless the Board of Directors shall otherwise provide, regular meetings of any committee appointed pursuant to this Section 3.10(c) shall be held at such times and places as are determined by the Board of Directors, or by any such committee, and when notice thereof has been given to each member of such committee, no further notice of such regular meetings need be given thereafter. Special meetings of any such committee may be held at any place which has been determined from time to time by such committee, and may be called by any director who is a member of such committee, upon written notice to the members of such committee of the time and place of such special meeting given in the manner provided for the giving of written notice to members of the Board of Directors of the time and place of special meetings of the Board of Directors. Notice of any special meeting of any committee may be waived in writing at any time before or after the meeting and will be waived by any director by attendance thereat, except when the director attends such special meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. A majority of the authorized number of members of any such committee shall constitute a quorum for the transaction of business, and the act of a majority of those present at any meeting at which a quorum is present shall be the act of such committee. Each committee shall keep regular minutes of its meetings and report the same to the Board of Directors when required.

Section 3.11. Organization. At every meeting of the directors, the Chairman of the Board of Directors, or, if a Chairman of the Board of Directors has not been appointed or is absent, the Chief Executive Officer, or if the Chief Executive Officer is absent, the President, or if the President is absent, the most senior Vice President, or, in the absence of any such officer, a chairman of the meeting chosen by a majority of the directors present, shall preside over the meeting. The Secretary, or in his or her absence, an Assistant Secretary directed to do so by the Chief Executive Officer, shall act as secretary of the meeting.

Section 3.12. Preferred Stock Directors. Notwithstanding anything else contained herein, whenever the holders of one or more classes or series of Preferred Stock shall have the right, voting separately as a class or series, to elect directors (“**Preferred Stock Directors**”), the election, term of office, filling of vacancies, removal and other features of such preferred stock directorships shall be governed by the terms of the applicable provisions of the Certificate of Incorporation, and the provisions of this Article III regarding such matters shall not be applicable to Preferred Stock Directors unless otherwise expressly provided therein.

ARTICLE IV OFFICERS

Section 4.01. Officers Designated. The officers of the Corporation shall include, if and when designated by the Board of Directors, the Chief Executive Officer, the President, one or more Vice Presidents, the Secretary, the Chief Financial Officer, the Treasurer, and the Controller, all of whom shall be elected at the annual meeting of the Board of Directors. The Board of Directors may also appoint one or more Assistant Secretaries, Assistant Treasurers, Assistant Controllers and such other officers and agents

with such powers and duties as it shall deem necessary. The Board of Directors may assign such additional titles to one or more of the officers as it shall deem appropriate. Any one person may hold any number of offices of the Corporation at any one time unless specifically prohibited therefrom by law. The salaries and other compensation of the officers of the Corporation shall be fixed by or in the manner designated by the Board of Directors.

Section 4.02. Tenure and Duties of Officers.

(a) **General.** All officers shall hold office at the pleasure of the Board of Directors and until their successors shall have been duly elected and qualified, unless sooner removed. Any officer elected or appointed by the Board of Directors may be removed at any time by the Board of Directors. If the office of any officer becomes vacant for any reason, the vacancy may be filled by the Board of Directors. No person that is subject to any statutory disqualification (as defined in Section 3(a)(39) of the 1934 Act) may be an officer of the Corporation.

(b) **Duties of Chief Executive Officer.** The Chief Executive Officer shall preside at all meetings of the Stockholders and at all meetings of the Board of Directors, unless the Chairman of the Board of Directors has been appointed and is present. Unless some other officer has been elected Chief Executive Officer of the Corporation, the Chief Executive Officer shall be the chief executive officer of the Corporation and shall, subject to the control of the Board of Directors, have general supervision, direction and control of the business and affairs of the Corporation. The Chief Executive Officer shall perform other duties commonly incident to his or her office and shall also perform such other duties and have such other powers as the Board of Directors shall designate from time to time. In the absence or disability of the Chief Executive Officer, or if there is no Chief Executive Officer, the President shall serve as the chief executive officer of the Corporation and shall have the powers and duties prescribed in this paragraph (b).

(c) **Duties of President.** The President shall be a senior executive officer of the Corporation and shall perform such duties and have such powers as the Board of Directors or the Chief Executive Officer shall designate from time to time. In the absence or disability of the Chief Executive Officer, or if there is no Chief Executive Officer, the President shall serve as the chief executive officer of the Corporation and shall have the powers and duties prescribed in paragraph (b) of this Section 4.02.

(d) **Duties of Vice Presidents.** The Vice Presidents shall perform duties commonly incident to their office and shall also perform such other duties and have such other powers as the Board of Directors or the Chief Executive Officer shall designate from time to time.

(e) **Duties of Secretary.** The Secretary shall attend all meetings of the Stockholders and of the Board of Directors and shall record all acts and proceedings thereof in the minute book of the Corporation. The Secretary shall give notice in conformity with these Bylaws of all meetings of the Stockholders and of all meetings of the Board of Directors and any committee thereof requiring notice. The Secretary shall

perform all other duties given to him or her in these Bylaws and other duties commonly incident to his or her office and shall also perform such other duties and have such other powers as the Board of Directors shall designate from time to time. The Chief Executive Officer may direct any Assistant Secretary to assume and perform the duties of the Secretary in the absence or disability of the Secretary, and each Assistant Secretary shall perform other duties commonly incident to his or her office and shall also perform such other duties and have such other powers as the Board of Directors or the Chief Executive Officer shall designate from time to time.

(f) **Duties of Chief Financial Officer.** The Chief Financial Officer shall keep or cause to be kept the books of account of the Corporation in a thorough and proper manner and shall render statements of the financial affairs of the Corporation in such form and as often as required by the Board of Directors or the President and Chief Executive Officer. The Chief Financial Officer, subject to the order of the Board of Directors, shall have the custody of all funds and securities of the Corporation. The Chief Financial Officer shall perform other duties commonly incident to his or her office and shall also perform such other duties and have such other powers as the Board of Directors or the Chief Executive Officer shall designate from time to time. The Chief Executive Officer may direct the Treasurer or any Assistant Treasurer, or the Controller or any Assistant Controller to assume and perform the duties of the Chief Financial Officer in the absence or disability of the Chief Financial Officer, and each Treasurer and Assistant Treasurer and each Controller and Assistant Controller shall perform other duties commonly incident to his or her office and shall also perform such other duties and have such other powers as the Board of Directors or the Chief Executive Officer shall designate from time to time.

Section 4.03. Delegation of Authority. The Board of Directors may from time to time delegate the powers or duties of any officer to any other officer or agent, notwithstanding any provision hereof.

Section 4.04. Resignations. Any officer may resign at any time by giving written notice to the Board of Directors or to the Chief Executive Officer or to the Secretary. Any such resignation shall be effective when received by the person or persons to whom such notice is given, unless a later time is specified therein, in which event the resignation shall become effective at such later time. Unless otherwise specified in such notice, the acceptance of any such resignation shall not be necessary to make it effective. Any resignation shall be without prejudice to the rights, if any, of the Corporation under any contract with the resigning officer.

Section 4.05. Removal. Any officer may be removed from office at any time, either with or without cause, by the affirmative vote of a majority of the directors in office at the time, or by the unanimous written consent of the directors in office at the time, or by any committee or superior officers upon whom such power of removal may have been conferred by the Board of Directors.

ARTICLE V
EXECUTION OF CORPORATE INSTRUMENTS AND VOTING
OF SECURITIES OWNED BY THE CORPORATION

Section 5.01. Execution of Corporate Instruments. The Board of Directors may, in its discretion, determine the method and designate the signatory officer or officers, or other person or persons, to execute on behalf of the Corporation any corporate instrument or document, or to sign on behalf of the Corporation the corporate name without limitation, or to enter into contracts on behalf of the Corporation, except where otherwise provided by law or these Bylaws, and such execution or signature shall be binding upon the Corporation.

Unless otherwise specifically determined by the Board of Directors or otherwise required by law, promissory notes, deeds of trust, mortgages and other evidences of indebtedness of the Corporation, and other corporate instruments or documents requiring the corporate seal, and certificates of shares of stock owned by the Corporation, shall be executed, signed or endorsed by the Chairman of the Board of Directors, or the Chief Executive Officer, the President, or any Vice President, and by the Secretary or Treasurer or any Assistant Secretary or Assistant Treasurer. All other instruments and documents requiring the corporate signature, but not requiring the corporate seal, may be executed as aforesaid or in such other manner as may be directed by the Board of Directors.

All checks and drafts drawn on banks or other depositories on funds to the credit of the Corporation or in special accounts of the Corporation shall be signed by such person or persons as the Board of Directors shall authorize.

Unless authorized or ratified by the Board of Directors or within the agency power of an officer, no officer, agent or employee shall have any power or authority to bind the Corporation by any contract or engagement or to pledge its credit or to render it liable for any purpose or for any amount.

Section 5.02. Voting of Securities Owned by the Corporation. Unless otherwise instructed by the Board of Directors, the Chief Executive Officer of the Corporation shall have the power and authority on behalf of the Corporation to attend and to vote at any meeting of Stockholders, members, partners or equity holders of any corporation, limited liability company, partnership or any other entity in which the Corporation may hold stock, partnership or other equity interests, as the case may be, and may exercise on behalf of the Corporation any and all of the rights and powers incident to the ownership of such stock, partnership or other equity interest at such meeting, and shall have the power and authority to execute and deliver proxies, waivers and consents on behalf of the Corporation in connection with the exercise by the Corporation of the rights and powers incident to the ownership of such stock, partnership or other equity interest. The Board of Directors may from time to time confer like powers upon any other person or persons.

ARTICLE VI SHARES OF STOCK

Section 6.01. Form and Execution of Certificates. The shares of the Corporation shall be represented by certificates, *provided* that the Board of Directors may provide by resolution or resolutions that some or all of any or all classes or series of its stock shall be uncertificated shares or a combination of certificated and uncertificated shares. Any such resolution that the shares of a class or series will only be uncertificated shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation. Except as otherwise provided by Delaware Law, the rights and obligations of the holders of uncertificated shares and the rights and obligations of the holders of shares represented by certificates of the same class and series shall be identical. Every holder of stock in the Corporation shall be entitled to have a certificate signed by or in the name of the Corporation by the Chairman of the Board of Directors, or the President or Chief Executive Officer or any Vice President and by the Treasurer or Assistant Treasurer or the Secretary or Assistant Secretary, certifying the number of shares owned by such holder in the Corporation. Any or all of the signatures on the certificate may be facsimiles. In case any officer, transfer agent, or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued with the same effect as if he, she or it were such officer, transfer agent, or registrar at the date of issue. Each certificate shall state upon the face or back thereof, in full or in summary, all of the powers, designations, preferences, and rights and the limitations or restrictions of the shares authorized to be issued or shall, except as otherwise required by Delaware Law, set forth on the face or back a statement that the Corporation will furnish without charge to each Stockholder who so requests the powers, designations, preferences and relative, participating, optional, or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights. Within a reasonable time after the issuance or transfer of uncertificated stock, the Corporation shall send to the registered owner thereof a written notice containing the information required to be set forth or stated on certificates pursuant to this Section 6.01 or otherwise required by Delaware Law or pursuant to this Section 6.01 a statement that the Corporation will furnish without charge to each Stockholder who so requests the powers, designations, preferences and relative participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights. The Corporation shall not have power to issue a certificate in bearer form.

Section 6.02. Lost Certificates. A new certificate or certificates shall be issued in place of any certificate or certificates theretofore issued by the Corporation alleged to have been lost, stolen, or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen, or destroyed. The Corporation may require, as a condition precedent to the issuance of a new certificate or certificates, the owner of such lost, stolen or destroyed certificate or certificates, or the owner's legal representative, to advertise the same in such manner as it shall require or to give the Corporation and/or transfer agent and/or registrar a surety bond in such form and amount

as it may direct as indemnity against any claim that may be made with respect to the certificate alleged to have been lost, stolen or destroyed.

Section 6.03. Transfers.

(a) Transfers of record of shares of stock of the Corporation shall be made only upon its books by the holders thereof, in person or by attorney duly authorized, and upon the surrender of a properly endorsed certificate or certificates for a like number of shares.

(b) The Corporation shall have power to enter into and perform any agreement with any number of Stockholders of any one or more classes of stock of the Corporation to restrict the transfer of shares of stock of the Corporation of any one or more classes owned by such Stockholders in any manner not prohibited by Delaware Law.

(c) The Corporation shall have the right by appropriate action to impose restrictions upon the transfer of any shares of its stock, or any interest therein, from time to time, so long as such restrictions are consistent with the provisions of the Certificate of Incorporation.

(d) The Board of Directors shall have the power and authority to make all such rules and regulations as it may deem expedient concerning the issue, transfer and registration of certificated or uncertificated shares of the stock of the Corporation, as well as for the issuance of new certificates in lieu of those which may be lost or destroyed.

Section 6.04. Fixing Record Dates.

(a) In order that the Corporation may determine the Stockholders entitled to notice of or to vote at any meeting of Stockholders or any adjournment thereof, the Board of Directors may fix, in advance, a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If no record date is fixed by the Board of Directors, the record date for determining Stockholders entitled to notice of or to vote at a meeting of Stockholders shall be at the close of business on the day next preceding the day on which notice is given, or if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of Stockholders of record entitled to notice of or to vote at a meeting of Stockholders shall apply to any adjournment of the meeting; *provided* that the Board of Directors may in its discretion or as required by Delaware Law fix a new record date for determination of Stockholders entitled to vote at the adjourned meeting, and in such case shall fix the same date or an earlier date as the record date for Stockholders entitled to notice of such adjourned meeting.

(b) In order that the Corporation may determine the Stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the Stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date, which record date shall not precede the date upon

which the resolution fixing the record date is adopted, and which record date shall be not more than sixty (60) days prior to such action. (b) **Notice to Directors.** Any notice required to be given to any director may be given by the method stated in paragraph (a), or by facsimile, telex, telegram or electronic mail, except that such notice other than one which is delivered personally shall be sent to such address as such director shall have filed in writing with the Secretary, or, in the absence of such filing, to the last known post-office address of such director.

(c) **Affidavit of Mailing.** An affidavit of mailing, executed by a duly authorized and competent employee of the Corporation or its transfer agent appointed with respect to the class of stock affected, specifying the name and address or the names and addresses of the Stockholder or Stockholders, or director or directors, to whom any such notice or notices was or were given, and the time and method of giving the same, shall in the absence of fraud, be *prima facie* evidence of the facts therein contained.

(d) **Time Notices Deemed Given.** All notices given by mail, as above provided, shall be deemed to have been given as at the time of mailing, and all notices given by facsimile, telex or telegram shall be deemed to have been given as of the sending time recorded at the time of transmission.

(e) **Methods of Notice.** It shall not be necessary that the same method of giving notice be employed in respect of all directors, but one permissible method may be employed in respect of any one or more, and any other permissible method or methods may be employed in respect of any other or others.

(f) **Failure to Receive Notice.** The period or limitation of time within which any Stockholder may exercise any option or right, or enjoy any privilege or benefit, or be required to act, or within which any director may exercise any power or right, or enjoy any privilege, pursuant to any notice sent to such Stockholder or director in the manner above provided, shall not be affected or extended in any manner by the failure of such Stockholder or such director to receive such notice.

(g) **Notice to Person with Whom Communication Is Unlawful.** Whenever notice is required to be given, under any provision of Delaware Law or of the Certificate of Incorporation or these Bylaws, to any person with whom communication is unlawful, the giving of such notice to such person shall not be required and there shall be no duty to apply to any governmental authority or agency for a license or permit to give such notice to such person. Any action or meeting which shall be taken or held without notice to any such person with whom communication is unlawful shall have the same force and effect as if such notice had been duly given. In the event that the action taken by the Corporation is such as to require the filing of a certificate under any provision of Delaware Law, the certificate shall state, if such is the fact and if notice is required, that notice was given to all persons entitled to receive notice except such persons with whom communication is unlawful.

(h) **Notice to Person with Undeliverable Address.** Whenever notice is required to be given, under any provision of Delaware Law or the Certificate of Incorporation or these Bylaws, to any Stockholder to whom (i) notice of two (2) consecutive annual meetings, and all notices of meetings or of the taking of action by written consent without a meeting to such person during the period between such two consecutive annual meetings, or (ii) all, and at least two (2), payments (if sent by first class mail) of dividends or interest on securities during a twelve-month period, have been mailed to such person at such person's address as shown on the records of the Corporation and have been returned undeliverable, the giving of such notice to such person shall not be required. If any such person shall deliver to the Corporation a written notice setting forth such person's then current address, the requirement that notice be given to such person shall be reinstated. In the event that the action taken by the Corporation is such as to require the filing of a certificate under any provision of Delaware Law, the certificate need not state that notice was not given to persons to whom notice was not required to be given pursuant to this paragraph (h).

ARTICLE XI AMENDMENTS

These Bylaws or any of them, may be altered, amended or repealed, or new Bylaws may be made, by the Stockholders entitled to vote thereon at any annual or special meeting thereof or by the Board of Directors. The officers, directors, employees and agents of the Corporation, by virtue of their acceptance of such position, shall comply with the federal securities laws and the rules and regulations promulgated thereunder and shall be deemed to agree to cooperate with the Commission and the Exchange in respect of the Commission's oversight responsibilities regarding the Exchange and the self-regulatory functions and responsibilities of the Exchange, and the Corporation shall take reasonable steps necessary to cause its officers, directors, employees and agents to so cooperate. No present or past Stockholder, employee, beneficiary, agent, customer, creditor, regulatory authority (or member thereof) or other person or entity shall have any rights against the Corporation or any director, officer, employee or agent of the Corporation under this Section 12.04.

Section 12.05. Consent to Jurisdiction. The Corporation and its officers, directors, employees and agents by virtue of their acceptance of such positions, shall be deemed to irrevocably submit to the jurisdiction of the United States federal courts, the Commission, and the Exchange, for the purposes of any suit, action or proceeding pursuant to the United States federal securities laws, and the rules or regulations thereunder, arising out of, or relating to, the activities of the Exchange, and by virtue of their acceptance of any such position, shall be deemed to waive, and agree not to assert by way of motion, as a defense or otherwise in any such suit, action or proceeding, any claims that it or they are not personally subject to the jurisdiction of the United States federal courts, the Commission or the Exchange, that the suit, action or proceeding is an inconvenient forum or that the venue of the suit, action or proceeding is improper, or that the subject matter of that suit, action or proceeding may not be enforced in or by such courts or agency. The Corporation and its officers, directors, employees and agents also agree that they will maintain an agent, in the United States, for the service of process of a claim arising out of, or relating to, the activities of the Exchange.

Section 12.06. Consent to Application. The Corporation shall take reasonable steps necessary to cause its officers, directors and employees, prior to accepting a position as an officer, director or employee, as applicable, of the Corporation to consent in writing to the applicability to them of this Article XII, as applicable, with respect to their activities related to the Exchange.

All Transfers in violation of this Agreement shall be void. INVESTOR RIGHTS AGREEMENT

temporary and/or permanent injunction restraining any such Transfer (no bond or other security shall be required in connection with such action). The Company shall refuse to recognize any purported transferee as a Stockholder and shall continue to treat the Stockholder as a Stockholder for all purposes, including without limitation for purposes of dividend and voting rights, until all applicable provisions of this Agreement have been complied with. The remedies provided herein are cumulative and not exclusive of any other remedies provided herein or by law. Each transferee of any Stock who or which is not already a Stockholder, in addition to complying with the terms and conditions for any Transfer of Stock, shall as a condition precedent to the effectiveness of such Transfer execute and deliver an instrument of adherence hereto in a form acceptable to the Company (an "Instrument of Adherence"), thereby becoming a party hereto and a Stockholder hereunder, an Instrument of Adherence in the forms of Exhibit I and II hereto being forms acceptable to the Company and, (x) with respect to a Transfer from an Investor, such party shall be deemed an Investor for all purposes hereunder, and (y) with respect to a Transfer from a Common Holder, such party shall be deemed a Common Holder for all purposes hereunder. (a) Offer of Stock to the Company and the Investors. If at any time any Stockholder (the "Selling Stockholder") desires to Transfer all or any portion of his, her or its Common Stock pursuant to a bona fide offer from a third party (the "Proposed Transferee"), the Selling Stockholder shall, within five (5) business days after the Proposed Transferee has delivered such offer to the Selling Stockholder, submit a written notice to the Company and the other Stockholders, which notice shall contain an offer (the "Offer") to the Company and the Investors to Transfer the Stock proposed to be Transferred (the "Offered Shares") on terms and conditions, including price, not less favorable to the Company and the Investors than those on which the Selling Stockholder proposes to Transfer such Offered Shares to the Proposed Transferee. The Offer shall disclose the identity of the Proposed Transferee, the number of Offered Shares, the total number of shares of Stock owned by the Selling Stockholder, the terms and conditions, including price, of the proposed Transfer, and any other material facts relating to the proposed Transfer. The Offer shall further state that each of the Company and the Investors may acquire, in accordance with the provisions of this Section 2.2, all or any portion of the Offered Shares, for the price, including deferred payment terms (without having to comply with any other, non-monetary terms), set forth therein; provided that the rights of the Company and the Investors to acquire the Offered Shares shall be conditioned upon the Company's and/or the Investors' acquiring all of the Offered Shares, in accordance with the provisions of this Section 2.2, for the price and upon the other terms and conditions, including deferred payment, if applicable, set forth in the Offer.

(b) Right of First Refusal of the Company. If the Company (or any assignee of the Company) desires, or determines not, to acquire all or any portion of the Offered Shares, the Company (or its assignee) shall communicate in writing such determination relating to the Offered Shares to the Selling Stockholder and to the other Stockholders within twenty (20) days after the date of receipt of the Offer (the "Company Election"), which communication shall state the number of Offered Shares that the Company (or its assignee) desires to purchase, if applicable.

INVESTOR RIGHTS AGREEMENT

(c) Right of First Refusal of the Investors. If the Company (or its assignee) does not elect to purchase all or any portion of the Offered Shares, the Investors shall have the right to purchase up to that number of remaining Offered Shares. Each Investor desiring to purchase any remaining Offered Shares shall deliver written notice to the Selling Stockholder, the other Stockholders and the Company within ten (10) days of the date of receipt of the Company Election, which notice shall state the number of remaining Offered Shares such Investor desires to purchase. In the event the Investors indicated that they desire to purchase in excess of the remaining Offered Shares after the Company or its assignee has elected to acquire or declined to acquire the Offered Shares, then the amount of Offered Shares to be acquired by each Investor shall be allocated among such Investors based upon the percentage of the Common Stock held by each such Investor to the Common Stock held by all Investors who have elected to exercise their right to acquire the Offered Shares under this Section 2.2(c).

(d) Agreement to Purchase and Sell; Closing. In the event that the Company (or its assignee) and/or the Investors (together, the "Purchasers") elect to purchase, in the aggregate, all of the Offered Shares, then the written notice by the Company (or its assignee) pursuant to Section 2.2(b) and, if there are any remaining Offered Shares, by the Investors pursuant to Section 2.2(c), shall, when taken in conjunction with the Offer, each be deemed to constitute valid, legally binding and enforceable agreements for the sale by the Selling Stockholder to each of the Purchasers of the Offered Shares. Such sales shall be made at the offices of the Company not more than sixty (60) days following the date of receipt of the Offer by the Company and the other Stockholders (or such later date not to exceed sixty (60) additional days to obtain regulatory approvals) (the "First Refusal Closing Date"), or such other date or place agreed to by the Selling Stockholder and the Purchasers. Such sales shall be effected by the Selling Stockholder's delivery to the Purchasers of stock assignment(s) duly endorsed for Transfer of ownership of, and all certificates representing, the Offered Shares, free and clear of any Encumbrances, to the Purchasers against payment to the Selling Stockholder of the purchase price therefor by the Purchasers; provided that the Purchasers shall not be required to meet any non-monetary terms of the Offer, including, without limitation, delivery of other securities in exchange for the Offered Shares, but instead, shall be required to deliver to the Selling Stockholder cash in an amount equal to the fair market value of such securities, as determined by the Board in good faith.

(e) Transfer to Proposed Transferee. Subject to Section 3, but notwithstanding anything to the contrary in this Section 2.2, if the Company and the Investors do not elect to purchase all of the Offered Shares within the time periods required by Section 2.2(b) and 2.2(c), or if the closing of any such accepted offer does not occur by the First Refusal Closing Date (and the failure to close by such date is not due to the Selling Stockholder), the Selling Stockholder shall not be required to Transfer any Offered Shares to the Company or the Investors, the rights given under this Section 2.2 to the Company and the Investors shall be without further effect and the Selling Stockholder shall be free to Transfer the Offered Shares to the Proposed Transferee at any time within ninety (90) days after the date of receipt of the Offer by the Company and the other Stockholders; provided that any such Transfer shall be at not less than the price and upon other terms and conditions, if any, not more favorable to the Proposed Transferee than those specified in the Offer. Any Offered Shares not Transferred within such period of ninety (90) days shall thereafter again become subject to the requirements of a prior offer pursuant to this Section 2.2.

INVESTOR RIGHTS AGREEMENT

(f) Permitted Transferees. The provisions of Section 2.1, this Section 2.2 and Section 3 shall not apply to (i) Transfers by any Stockholder to any member of such Stockholder's family or to any trust for the benefit of such Stockholder or any family member of such Stockholder; (ii) if the Stockholder is an individual, (X) Transfers by the Stockholder to his, her or its guardian or conservator; (Y) Transfers by the Stockholder in the event of his or her death, to his or her executor(s) or administrator(s) or to trustee(s) under his or her will, or otherwise by will or the laws of descent and distribution; and (Z) Transfers by the Stockholder to a corporation or limited liability company, 100% of the securities of which are solely owned by such Stockholder; (iii) if the Stockholder is a corporation, partnership, or limited liability company, Transfers by such Stockholder to its Affiliates, stockholders, partners or members, or to any other Person or entity that controls, is controlled by or is under common control with (as defined in the Securities Act) such Stockholder; or (iv) the Company's repurchase of capital stock of the Company from an employee, director or consultant pursuant to the terms of any stock restriction agreement or stock purchase agreement between the holder of such capital stock and the Company (collectively, "Permitted Transferees"); provided that, in any such event, the Stock so Transferred in the hands of each such Permitted Transferee shall remain subject to this Agreement. Upon execution of an Instrument of Adherence, the Permitted Transferee shall become a Stockholder, and the Company shall take all such action required to effectuate such transfer to a Permitted Transferee at the transferring Stockholder's cost and such transfer shall be deemed effective regardless of whether any such action has been taken by the Company. No Transfer of Stock to a Permitted Transferee shall be effective if the purpose of such Transfer shall have been to circumvent the provisions of this Agreement. As used in this Section 2.2(f), the word "family," with respect to a Person, shall include any spouse, lineal ancestor or descendant (whether natural or adopted), brother or sister of such Person and any spouse of any such lineal ancestor or descendant, brother or sister.

(g) Restricted Stock. Notwithstanding anything to the contrary contained herein, shares of Restricted Stock shall not be subject to Transfer under this Section 2.2 and shall not be included in Offered Shares; provided, however, that shares of Restricted Stock may be subject to Transfer pursuant to Sections 2.2(f)(i) and 2.2(f)(ii) so long as the Restricted Stock remains subject to a substantial risk of forfeiture in the hands of a Permitted Transferee as if, and to the extent that, the Restricted Stock would be subject to a substantial risk of forfeiture if it had remained in the hands of the Stockholder.

(h) ISE Stockholder Purchases. Notwithstanding anything to the contrary contained herein, if the ISE Stockholder purchases and acquires any Offered Shares pursuant to the rights of first refusal granted to the Investors pursuant to this Section 2, to the extent such Offered Shares are shares of Voting Common Stock or Class B Non-Voting Common Stock, such Offered Shares shall be converted automatically (with no further action required by the Company, the Board, any Stockholder or any Person) to shares of Class A Non-Voting Common Stock. In connection with such conversion, the transferor shall surrender such Offered Shares to the Company and the Company shall issue shares of Class A Non-Voting Common Stock to ISE Stockholder.

(i) Non-ISE Non-Voting Stockholder Purchases. Notwithstanding anything to the contrary contained herein, if any holder of Non-Voting Common Stock other than the ISE Stockholder (a "Non-ISE Non-Voting Stockholder") purchases and acquires any

INVESTOR RIGHTS AGREEMENT

Offered Shares pursuant to the rights of first refusal granted to the Investors pursuant to this Section 2, to the extent such Offered Shares are shares of Voting Common Stock or, in the case of a holder of Class B Non-Voting Common Stock, Class A Non-Voting Common Stock, such Offered Shares shall be converted automatically (with no further action required by the Company, the Board, any Stockholder or any Person) to shares of Non-Voting Common Stock (of the class and type held by such Non-ISE Non-Voting Stockholder or if such Non-ISE Non-Voting Stockholder holds both Class A Non-Voting Common Stock and Class B Non-Voting Common Stock, a combination of such classes of Non-Voting Common Stock as is proportionate to the classes of Non-Voting Common Stock held by such Non-ISE Non-Voting Stockholder). In connection with such conversion, the transferor shall surrender such Offered Shares to the Company and the Company shall issue shares of Non-Voting Common Stock (of the class and type to be received by such Non-ISE Non-Voting Stockholder) to such Non-ISE Non-Voting Stockholder.

(j) Non-Voting ISE Conversion Event. (i) Upon termination of this Agreement, (ii) if ISE Stockholder Transfers any shares of Class A Non-Voting Common Stock to a Person other than any Related Person (as defined in the Charter) of ISE Stockholder or (iii) if ISE Stockholder includes any shares of Class A Non-Voting Common Stock in any public offering of stock of the Company (each, a "Non-Voting ISE Conversion Event"), then such shares (or all shares if upon termination of this Agreement) of Class A Non-Voting Common Stock shall be converted automatically (with no further action required by the Company, the Board, any Stockholder or any Person) to the same number of shares of Voting Common Stock. In the case of a Transfer described in clause (ii) above, the transferee shall be eligible to be deemed a "Non-Founder" for purposes of this Agreement in accordance with the definition thereof. ISE Stockholder and the Company shall take all such action in connection with such conversion as contemplated by the Charter. ISE Stockholder agrees that the shares of Class A Non-Voting Common Stock held by ISE Stockholder shall only be convertible to shares of Voting Common Stock in the circumstances provided in this Section 2.2(j), and any other purported conversion of such shares shall be void.

Section 3. Participation in Sales.

(a) Take-Along Right. In the event that a Stockholder (the "Offeree") receives a bona fide offer from a third party or parties other than the Company, any other Stockholder, or a Permitted Transferee (the "Third-Party Buyer") to purchase Stock owned by the Offeree (the "Take-Along Shares"), for a specified price payable in cash or other consideration and on specified terms and conditions (the "Take-Along Offer"), and the Offeree proposes to Transfer the Take-Along Shares to the Third-Party Buyer pursuant to the Take-Along Offer, the Offeree shall not effect such Transfer unless, in the event the Company and the other Stockholders have not purchased all such Take-Along Shares pursuant to Section 2.2, each other Stockholder is first given the right to sell to the Third-Party Buyer, at the same price per share and on the same terms and conditions as stated in the Take-Along Offer or as otherwise agreed by the Offeree and the other Stockholders with the Third Party Buyer, up to the number of shares of Stock equal to the Take-Along Shares multiplied by a fraction, the numerator of which shall be the aggregate number of shares of Stock owned by such other Stockholder calculated on a Fully Diluted Basis and the denominator of which shall be the aggregate number

INVESTOR RIGHTS AGREEMENT

of shares of Stock outstanding on a Fully Diluted Basis. Each Stockholder with a right to participate in a Take Along Offer is hereinafter referred to as a "Right Holder."

(b) Notices of Offer and Intent to Participate. If a Right Holder wishes to participate in any sale pursuant to Section 3(a), it shall notify the Offeree in writing of such intention and the number of shares of Stock it wishes to sell pursuant to this Section 3(b) within the period of ten (10) days referred to in Section 2.2(c) above. If the Offeree does not receive such notice from the Right Holder within such period, the Offeree shall be free to consummate the proposed transaction in compliance herewith without any obligation to include such Right Holder's Stock in such transaction.

(c) Sale of Take-Along Shares. The Offeree and any Right Holder that has provided timely notice in accordance with Section 3(b) above shall sell to the Third-Party Buyer all, or at the option of the Third-Party Buyer, any part of the Stock proposed to be sold by them at not less than the price and upon other terms and conditions, if any, not more favorable to the Third-Party Buyer than those stated in the Offer; provided, however, that any purchase of less than all of such Stock by the Third-Party Buyer shall be made from the Offeree and such Right Holders pro rata based upon the relative amount of the Stock that each of the Offeree and each Right Holder are entitled to sell pursuant to Section 3(a).

(d) Restricted Stock. Notwithstanding anything to the contrary contained herein, a Stockholder who only holds shares of Restricted Stock shall not be eligible to participate in any sales as described in this Section 3.

Section 4. Board of Directors.

4.1. Election of Directors. Each Stockholder shall take or cause to be taken such actions as may be required from time to time to establish and maintain:

(a) The number of persons comprising the Board shall be not more than fifteen (15), unless increased by resolution of the Board;

(b) The election to the Board of:

(i) for each Founder, together with its Affiliates, owning 3% or more of the outstanding Common Stock on a Fully Diluted Basis, one (1) individual to be designated by such Founder and its Affiliates (in each case, for so long as the Founder remains a Founder) (the "Founder Directors");

(ii) for each Non-Founder, together with its Affiliates, owning 10% or more of the outstanding Common Stock on a Fully Diluted Basis, one (1) individual to be designated by such Non-Founder and its Affiliates (in each case, for so long as the Non-Founder remains a Non-Founder and continues to own 7% or more of the outstanding Common Stock on a Fully Diluted Basis) (the "Non-Founder Directors"); and

(iii) that number of individuals designated by Stockholders holding Voting Common Stock necessary to fill any vacancies on the Board.

INVESTOR RIGHTS AGREEMENT

For the avoidance of doubt, notwithstanding anything to the contrary in this Agreement, ISE Stockholder shall not be entitled to designate any individuals to serve on the Board.

4.2. Appointment of Directors; Removal of Directors; Filling of Vacancies; Observers.

(a) A Stockholder having the right to designate a director pursuant to Section 4.1(b) shall designate a Person to serve on the Board by providing written notice to the Company within ninety (90) days of becoming eligible to designate a Person to serve on the Board. If a Stockholder fails to designate a Person to serve on the Board within this 90-day period, such Stockholder permanently forfeits the right to appoint a Person to serve on the Board, unless, solely in the case of a Founder, the Stockholder subsequently meets the ownership requirements of a Non-Founder set forth in Section 4.1(b)(ii), in which case (i) such Stockholder shall be re-classified by the Board as a Non-Founder, (ii) this Agreement shall be deemed amended as such without any further action by the Board or Stockholders, and (iii) the Non-Founder shall be entitled to designate a Person to serve on the Board within ninety (90) days of becoming a Non-Founder pursuant to this Section 4.2(a). Notwithstanding the foregoing, if any Stockholder has designated a Person to serve on the board of directors of BATS prior to the date of this Agreement and such Person has become a member of the Board by operation of the Merger Agreement, such Stockholder shall not be required to re-designate such Person to the Board upon the execution of this Agreement. If, however, a Stockholder seeks to replace the Person it designated to serve on the board of directors of BATS with a new Founder Director or Non-Founder Director, as applicable, in conjunction with the consummation of the transactions contemplated by the Merger Agreement and the execution of this Agreement, such Stockholder must make such designation in accordance with this Section 4.2(a).

(b) Each Stockholder shall take all action necessary to remove forthwith any director when (and only when) such removal is requested for any reason, with or without cause, by the Person(s) that designated such director for election. In the case of the death, resignation or removal as herein provided of a director, each Stockholder shall vote all Stock owned by him, her or it to elect another individual designated by the same Person(s) that designated the deceased, resigning or removed director if, at the time such vacancy occurs, such Person(s) shall have the right to designate a director pursuant to Section 4.1. If a director is removed in accordance with this Section 4.2(b), the Person(s) that designated such director shall designate a replacement director to serve on the Board within sixty (60) days of such removal by providing written notice to the Company. If a Stockholder fails to designate a replacement director to serve on the Board within this 60-day period, such Stockholder permanently forfeits the right to appoint a Person to serve on the Board, unless, solely in the case of a Founder, the Stockholder subsequently meets the ownership requirements of a Non-Founder set forth in Section 4.1(b)(ii), in which case (i) such Stockholder shall be re-classified by the Board as a Non-Founder, (ii) this Agreement shall be deemed amended as such without any further action by the Board or Stockholders, (iii) and the Non-Founder shall be entitled to designate a Person to serve on the Board in accordance with Section 4.2(a).

(c) Notwithstanding anything to the contrary in this Agreement, each Founder and Non-Founder will have the right to have one representative present during all meetings of the Board and any committee thereof (the "Observer"). The Observer will have the

INVESTOR RIGHTS AGREEMENT

right to be present (either in person or by teleconference or video conference) and address the Board or any committee thereof at all meetings the Board or any committee thereof, and receive copies of all materials and correspondence delivered to the members of the Board or any committee thereof. For purposes of clarity, the Observer is not entitled to vote at any meeting of the Board or any committee thereof as a member of the Board or such committee. Each Founder and Non-Founder will cause its Observer to agree to abide by and be subject to the obligations imposed upon directors of the Company pursuant to Article XIV of the Company's bylaws.

4.3. Limitation on Certain Actions by the Company. Without the prior affirmative vote of the holders of at least 70% of the then outstanding shares of Voting Common Stock, the Company shall not:

(a) adopt or effect any plan of sale, merger, consolidation, dissolution, reorganization or recapitalization of the Company;

(b) offer to sell, offer to license, offer to pledge, offer to lease, offer to assign or offer to otherwise dispose, or sell, license, pledge, lease, assign or otherwise dispose, of all or substantially all of the assets of the Company;

(c) issue, sell, deliver or grant any right to purchase any Derivative Securities (except in accordance with Section 5.2(ii)) or any shares of capital stock, or any interest therein, of the Company, other than as contemplated by this Agreement; or

(d) amend or restate the Company's certificate of incorporation or bylaws.

4.4. [Intentionally Omitted].

4.5. Specific Enforcement. Each party hereto agrees that its obligations under this Section 4 are necessary and reasonable in order to protect the other parties to this Agreement, and each party expressly agrees and understands that monetary damages would inadequately compensate an injured party for the breach of this Section 4 by any party, that this Section 4 shall be specifically enforceable, and that, in addition to any other remedies that may be available at law, in equity or otherwise, any breach or threatened breach of this Section 4 shall be the proper subject of a temporary or permanent injunction or restraining order, without the necessity of proving actual damages. Further, each party hereto waives any claim or defense that there is an adequate remedy at law for such breach or threatened breach.

Section 5. Percentage Maintenance.

5.1. Notice of New Issuance. Subject to the terms and conditions of this Section 5 and applicable securities laws, if, at any time after the date hereof, the Company proposes to offer or sell or offers or sells any New Issuances, the Company shall first offer such New Issuances to each Stockholder; provided, however, such Stockholder shall have no right to purchase any such New Issuances if such Stockholder cannot demonstrate to the Company's reasonable satisfaction that such Stockholder is at the time of the proposed issuance of such New Securities an "accredited investor" as such term is defined in Regulation D under the Securities

INVESTOR RIGHTS AGREEMENT

Act. Each Stockholder shall be entitled to apportion the right of first offer hereby granted to it among itself and its Affiliates in such proportions as it deems appropriate.

(a) The Company shall give notice (the "Offer Notice") to each Stockholder, stating (i) its bona fide intention to offer such New Issuances, (ii) the number of such New Issuances to be offered, and (iii) the price and terms, if any, upon which it proposes to offer such New Issuances.

(b) By notification to the Company within twenty (20) days after the Offer Notice is given, each Stockholder may elect to purchase or otherwise acquire, at the price and on the terms specified in the Offer Notice, up to that portion of such New Issuances (i) with respect to holders of Voting Common Stock, in Voting Common Stock or such New Issuance convertible, exchangeable or exercisable into Voting Common Stock, (ii) in the case of the ISE Stockholder, Class A Non-Voting Common Stock or such New Issuance convertible, exchangeable or exercisable into Class A Non-Voting Common Stock, (iii) in the case of a Non-ISE Non-Voting Stockholder, the amount and type of Non-Voting Common Stock in proportion to the amount and type of Non-Voting Common Stock held by such Non-ISE Non-Voting Stockholder or such New Issuance convertible, exchangeable or exercisable into amounts and types of such Non-Voting Common Stock and (iv), in the case of holders of Restricted Stock, shares of Restricted Stock or such New Issuance convertible, exchangeable or exercisable into shares of Restricted Stock but in each case only in the proportions that the Common Stock and shares of Restricted Stock issued and held by such Stockholder bear to the total Common Stock of the Company then outstanding (on a Fully Diluted Basis). At the expiration of such twenty (20) day period, the Company shall promptly notify each Stockholder that elects to purchase or acquire all the shares available to it (each, a "Fully Exercising Stockholder") of any other Stockholder's failure to do likewise (each Stockholder who does not elect to purchase or acquire all available shares, a "Non-Electing Stockholder"). During the ten (10) day period commencing after the Company has given such notice, each Fully Exercising Stockholder may, by giving notice to the Company, elect to purchase or acquire, in addition to the number of shares specified above, in the form of Common Stock of the voting or non-voting class held by such Stockholder and, if applicable, shares of Restricted Stock up to that portion of the New Issuances not subscribed for by the Non-Electing Stockholders equal to the proportions that the Common Stock and shares of Restricted Stock issued and held by such Fully Exercising Stockholder bear to the Common Stock issued and held by all Fully Exercising Stockholders who wish to purchase such unsubscribed shares. The closing of any sale pursuant to this Section 5.1(b) shall occur within sixty (60) days of the date that the Offer Notice is given.

(c) If all New Issuances referred to in the Offer Notice are not elected to be purchased or acquired as provided in Section 5.1(b), the Company may, during the ninety (90) day period following the expiration of the periods provided in Section 5.1(b), offer and sell the remaining unsubscribed portion of such New Issuances to any Person or Persons at a price not less than, and upon terms no more favorable to the offeree than, those specified in the Offer Notice. If the Company does not enter into an agreement for the sale of the New Issuances within such period, or if such agreement is not consummated within thirty (30) days of the execution thereof, the right provided hereunder shall be deemed to be revived and such New Issuances shall not be offered unless first reoffered to the Stockholders in accordance with this Section 5.1.

INVESTOR RIGHTS AGREEMENT

(d) Any shares of Restricted Stock purchased or acquired pursuant to this Section 5.1 shall be governed by the New Equity Plan and applicable award agreements thereunder and shall vest at the same time and in the same proportions as the shares of Restricted Stock held by such Stockholder as of the date of the New Issuance.¹

5.2. Exempt Issuances. The obligation to provide an Offer Notice and the right of first offer in this Section 5 shall not be applicable in the following instances: (i) a dividend or distribution payable pro rata to all holders of Common Stock; (ii) pursuant to the grant or exercise of options to purchase shares of Common Stock or the grant or vesting of shares of Restricted Stock (subject to ratable adjustment in the event of any stock dividend, stock split, combination, reorganization, recapitalization, reclassification, or other similar event affecting such shares) issued to employees, officers, directors or consultants of the Company or any subsidiary thereof pursuant to the New Equity Plan (or any other compensation plan or arrangement previously approved by the Board); (iii) in connection with any acquisition (by merger or otherwise) by the Company or any subsidiary of the Company of all or substantially all of the assets or equity interests of any other entity; provided that, the issuance of such securities does not exceed one percent (1%) of the then total number of shares of outstanding Common Stock on a Fully Diluted Basis; (iv) in connection with joint ventures, strategic alliances, corporate partnerings, equipment lease financings or bank credit arrangements entered into for non-equity financing purposes provided that, the issuance of such securities does not exceed one percent (1%) of the then total number of shares of outstanding Common Stock on a Fully Diluted Basis; or (v) pursuant to a Qualified Public Offering covering the offer and sale of Common Stock.

5.3. Rights of New Purchasers. Any purchaser in a New Issuance who is not currently a Stockholder shall be required, as a condition to the purchase, to execute an Instrument of Adherence. Upon such execution of an Instrument of Adherence, such purchaser shall become a Stockholder. In the event that any Stockholder, whether through participation in a New Issuance or a transfer of previously issued Stock, becomes the owner of more than 5% of the issued and outstanding Stock (on a Fully Diluted Basis), then such Stockholder shall be deemed to be, and to have all the rights and obligations hereunder of, an "Investor" for purposes of this Agreement (provided, however, that any Stockholder which, when together with its Affiliates, owns more than 5% of the issued and outstanding Stock (on a Fully Diluted Basis) shall, together as a group, be considered an "Investor"), and the parties hereto agree to take all commercially reasonable action as is necessary to amend this Agreement to provide such rights to such Stockholder.

Section 6. Registration Rights.

¹ For example: If on June 1, 2013 (the date of a New Issuance), a Stockholder has an award of 150 shares of Restricted Stock which vests in equal annual installments of 33% each on January 1 of each of 2014 through 2016 and has a second award of 400 shares of Restricted Stock which vests in equal annual installments of 25% each on June 1 of each of 2014 through 2017, then the shares of Restricted Stock purchased or acquired as a result of the New Issuance shall vest as follows: 9.1% of the shares of Restricted Stock shall vest on January 1 of each of 2014 through 2016 and 18.2% of the shares of Restricted Stock shall vest on June 1 of each of 2014 through 2017.

INVESTOR RIGHTS AGREEMENT

6.1. Restrictive Legend. Each certificate representing Stock shall, except as otherwise provided in this Section 6, be stamped or otherwise imprinted with a legend substantially in the following form (in addition to any legend required under applicable state securities laws):

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR ANY OTHER SECURITIES LAWS. THESE SECURITIES HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO DISTRIBUTION OR RESALE. SUCH SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, DELIVERED AFTER SALE, TRANSFERRED, PLEDGED OR HYPOTHECATED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT COVERING SUCH SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND ANY OTHER APPLICABLE SECURITIES LAWS, UNLESS THE HOLDER SHALL HAVE OBTAINED AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED.

THE SALE, TRANSFER, ASSIGNMENT, PLEDGE OR ENCUMBRANCE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO THE TERMS AND CONDITIONS OF AN INVESTOR RIGHTS AGREEMENT AMONG BATS GLOBAL MARKETS, INC. AND CERTAIN HOLDERS OF THE OUTSTANDING CAPITAL STOCK OF SUCH COMPANY. COPIES OF SUCH AGREEMENT MAY BE OBTAINED AT NO COST BY WRITTEN REQUEST MADE BY THE HOLDER OF RECORD OF THIS CERTIFICATE TO THE SECRETARY OF SUCH COMPANY.

Upon request of a holder of such a certificate, the Company shall remove the foregoing legend from the certificate or issue to such holder a new certificate therefor free of any transfer legend, if there is an effective registration statement covering the securities represented by such certificate or, with such request, the Company shall have received either the opinion referred to in Section 6.3(i) below or the "no-action" letter referred to in Section 6.3(ii) below.

6.2. Restricted Stock. In addition, Restricted Stock shall also bear the following legend:

BY ITS ACQUISITION HEREOF, THE HOLDER AGREES TO BE BOUND BY THE PROVISIONS OF THE RESTRICTED STOCK AWARD AGREEMENT DATED AS OF [], BY AND BETWEEN THE COMPANY AND THE HOLDER, INCLUDING PROVISIONS GOVERNING FORFEITURE.

On or following the vesting of any Restricted Stock, upon the request of the holder and the return of the original certificate(s) (if certificates representing the Restricted Stock were issued), the Company shall deliver to the holder a certificate evidencing the number of shares of such Restricted Stock without the legend described in Section 6.2; provided, however, that such newly issued certificate shall comply with Section 6.1.

INVESTOR RIGHTS AGREEMENT

6.3. Notice of Proposed Transfer. Prior to any proposed sale, pledge, hypothecation or other transfer of any Registrable Securities (other than under the circumstances described in Section 6.4 or 6.5 or to an Affiliate), the holder thereof shall give written notice to the Company of its intention to effect such sale, pledge, hypothecation or other transfer. Each such notice shall describe the manner of the proposed sale, pledge, hypothecation or other transfer and, if requested by the Company, shall be accompanied by either (i) an opinion of counsel reasonably satisfactory to the Company to the effect that the proposed sale, pledge, hypothecation or other transfer may be effected without registration under the Securities Act, or (ii) a “no action” letter from the Commission to the effect that the distribution of such securities without registration will not result in a recommendation by the staff of the Commission that action be taken with respect thereto, whereupon the holder of such stock shall be entitled to transfer such stock in accordance with the terms of its notice; provided, however, that no such opinion of counsel shall be required for a distribution to one or more partners (in the case of a transferor that is a partnership), stockholders (in the case of a transferor that is a corporation) or members (in the case of a transferor that is a limited liability company) of the transferor, in each case in respect of the beneficial interest of such partner, stockholder or member. Each certificate for Registrable Securities transferred as above provided shall bear the appropriate restrictive legend set forth in Section 6.1, except that such certificate shall not bear such legend if (i) such transfer is in accordance with the provisions of Rule 144 (or any other rule permitting public sale without registration under the Securities Act) or (ii) the opinion of counsel or “no-action” letter referred to above is to the further effect that the transferee and any subsequent transferee (other than an Affiliate of the Company) would be entitled to transfer such securities in a public sale without registration under the Securities Act. Notwithstanding any other provision hereof, the restrictions provided for in this Section 6.3 shall not apply to securities which are not required to bear the legend prescribed by Section 6.1 in accordance with the provisions of that Section.

6.4. Required Registration.

(a) At any time after the date that is six (6) months after the closing of the Company’s first underwritten public offering of its Common Stock under the Securities Act (“IPO”), any Investor may request that the Company register for sale under the Securities Act all or any portion of the shares of Registrable Securities held by such requesting holder or holders for sale in the manner specified in such notice; provided, however, that the anticipated gross proceeds of any offering and registration pursuant to this Section 6.4 shall be at least \$10,000,000.

(b) Following receipt of any notice under this Section 6.4, the Company shall immediately notify all holders of Registrable Securities from whom notice has not been received and such holders shall then be entitled within thirty (30) days after receipt of such notice from the Company to request the Company to include in the requested registration all or any portion of their shares of Registrable Securities. The Company shall use its best efforts to register under the Securities Act, for public sale in accordance with the method of disposition specified in the notice from requesting holders described in paragraph (a) above, the number of shares of Registrable Securities specified in such notice (and in all notices received by the Company from other holders within thirty (30) days after the receipt of such notice by such holders). The Company shall be obligated to register the Registrable Securities pursuant to this Section 6.4 on two (2) occasions only, and not more than once in any consecutive twelve (12)

INVESTOR RIGHTS AGREEMENT

month period. Notwithstanding anything to the contrary contained herein, the Company shall not be required to effect a registration pursuant to this Section 6.4 during the period commencing sixty (60) days prior to the estimated filing date of, and ending on the date which is one hundred twenty (120) days after the effective date of a registration statement filed by the Company covering an underwritten public offering of the Common Stock under the Securities Act; provided that, the Company is actively employing in good faith reasonable efforts to cause such registration statement to become effective and such estimate of the filing date is made in good faith.

(c) If the holder intends to distribute the Registrable Securities covered by its request by means of an underwriting, it shall so advise the Company as a part of their request made pursuant to this Section 6.4 and the Company shall include such information in the written notice referred to in paragraph (b) above. The right of any holder to registration pursuant to this Section 6.4 shall be conditioned upon such holder's agreeing to participate in such underwriting and to permit inclusion of such holder's Registrable Securities in the underwriting. If such method of disposition is an underwritten public offering, the holder shall designate the managing underwriter of such offering, which underwriter shall be reasonably acceptable to the Company. A holder may elect to include in such underwriting all or a part of the Registrable Securities it holds, subject to the limitations required by the managing underwriter as provided for in Section 6.4(d) below.

(d) Without the prior written consent of the Investors, the Company will not include in any registration under this Section 6.4 any securities other than (a) Registrable Securities, (b) shares of stock pursuant to Section 6.5 hereof, and (c) securities to be registered for offering and sale on behalf of the Company. If the managing underwriter(s) advise the Company in writing that in their opinion the number of shares of Registrable Securities and, if permitted hereunder, other securities in such offering, exceeds the number of shares of Registrable Securities and other securities, if any, which can be sold in an orderly manner in such offering within a price range acceptable to the Investor, the Company will include in such registration, prior to the inclusion of any securities which are not shares of Registrable Securities, the number of shares of Registrable Securities requested to be included that in the opinion of such underwriters can be sold in an orderly manner within the price range of such offering, subject to the following order of priority: (A) first, the securities requested to be included therein by the Investors, pro rata among the Investors on the basis of the number of shares of stock requested to be included in such registration; and (B) second, any other securities requested to be included in such registration by other Stockholders of the Company, pro rata among such stockholders on the basis of the number of shares of Stock requested to be included in such registration; and (C) third, the securities to be registered on behalf of the Company.

6.5. Incidental Registration. If the Company at any time (other than with respect to its IPO) proposes to register any of its securities under the Securities Act for sale to the public, whether for its own account or for the account of other security holders or both (except with respect to registration statements on Forms S-4, S-8 or any successor to such forms or another form not available for registering the Registrable Securities for sale to the public), each such time it will promptly give written notice to all holders of the Registrable Securities of its intention to do so after the initial filing but before effectiveness of the registration statement relating thereto. Upon the written request of any such holder, received by the Company within

INVESTOR RIGHTS AGREEMENT

ten (10) days after the giving of any such notice by the Company, to register any or all of its Registrable Securities, the Company will use its best efforts to cause the Registrable Securities as to which registration shall have been so requested to be included in the securities to be covered by the registration statement proposed to be filed by the Company, all to the extent required to permit the sale or other disposition by the holder (in accordance with its written request) of such Registrable Securities so registered. If the registration of which the Company gives notice is for a registered public offering involving an underwriting, the Company shall so advise the holders of Registrable Securities as a part of the written notice given pursuant to this Section 6.5. In such event the right of any holder of Registrable Securities to registration pursuant to this Section 6.5 shall be conditioned upon such holder's participation in such underwriting to the extent provided herein. All holders of Registrable Securities proposing to distribute their securities through such underwriting shall enter into an underwriting agreement in customary form and otherwise consistent with this Section 6 with the underwriter or underwriters selected for underwriting by the Company. Notwithstanding any other provision of this Section 6.5, if the underwriter determines that marketing factors require a limitation on the number of shares to be underwritten, the Company shall include in such registration (i) first, the securities the Company proposes to sell, (ii) second, the Registrable Securities requested to be included in by the Investors, allocated pro rata among the Investors based on the number of shares owned by each such Investor, (iii) the Registrable Securities requested to be included in such registration by all other holders of Registrable Securities, allocated pro rata among the holders of such Registrable Securities on the basis of the number of shares owned by such holder, and (iv) fourth, other securities requested to be included in such registration. Notwithstanding the foregoing provisions, the Company may withdraw any registration statement referred to in this Section 6.5 without thereby incurring any liability to the holders of Registrable Securities. If any holder of Registrable Securities disapproves of the terms of any such underwriting, it may elect to withdraw therefrom by written notice to the Company and the underwriters of the offering. Any Registrable Securities or other securities excluded or withdrawn from such underwriting shall be withdrawn from such registration.

6.6. Registration on Form S-3.

(a) If at any time (i) the holders of the Registrable Securities constituting at least twenty percent (20%) of the total Registrable Securities then outstanding request that the Company file a registration statement on Form S-3 or any successor form thereto for a public offering of all or any portion of the shares of Registrable Securities held by such requesting holder or holders, the reasonably anticipated aggregate price to the public of which would exceed \$5,000,000 and (ii) the Company is a registrant entitled to use Form S-3 or any successor form thereto to register such shares, then the Company shall use its best efforts to register the offer and resale of the number of shares of Registrable Securities specified in such notice under the Securities Act on Form S-3 or any successor form thereto, for public sale in accordance with the method of disposition specified in such notice. Whenever the Company is required by this Section 6.6 to use its best efforts to effect the registration of Registrable Securities, each of the applicable procedures and requirements of Sections 6.3 and 6.4, including, but not limited to, the requirement that the Company notify all holders of Registrable Securities from whom notice has not been received and provide them with the opportunity to participate in the offering (provided, however, that holders shall have no more than fifteen (15) days to reply to the Company's notice in order to participate in the offering), shall apply to such registration.

INVESTOR RIGHTS AGREEMENT

(b) The Company shall use its best efforts to qualify for registration on Form S-3 or any successor form or forms and to that end the Company shall register (whether or not required by law to do so) the Common Stock under the Exchange Act in accordance with the provisions of that Act following the effective date of the first registration of any securities of the Company on Form S-1 or any comparable or successor form.

6.7. Registration Procedures. If and whenever the Company is required by the provisions of Section 6.4, 6.5 or 6.6 to use its best efforts to effect the registration of any Registrable Securities under the Securities Act, the Company will, as expeditiously as possible:

(a) Prepare and file with the Commission a registration statement with respect to such securities including executing an undertaking to file post-effective amendments and use its best efforts to cause such registration statement to become and remain effective for the period of the distribution contemplated thereby;

(b) Prepare and file with the Commission such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective for the period specified herein and comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities covered by such registration statement in accordance with the sellers' intended method of disposition set forth in such registration statement for such period;

(c) Furnish to each seller of Registrable Securities and to each underwriter such number of copies of the registration statement and each such amendment and supplement thereto (in each case including all exhibits) and the prospectus included therein (including each preliminary prospectus) as such persons reasonably may request in order to facilitate the public sale or other disposition of the Registrable Securities covered by such registration statement;

(d) Use its commercially reasonable best efforts to register or qualify the Registrable Securities covered by such registration statement under the securities or "blue sky" laws of such jurisdictions as the sellers of Registrable Securities or, in the case of an underwritten public offering, the managing underwriter reasonably shall request; provided, however, that the Company shall not for any such purpose be required to qualify generally to transact business as a foreign corporation in any jurisdiction where it is not so qualified or to consent to general service of process in any such jurisdiction, unless the Company is already subject to service in such jurisdiction;

(e) Use its commercially reasonable best efforts to list the Registrable Securities covered by such registration statement with any securities exchange on which the Common Stock of the Company is then listed;

(f) Immediately notify each seller of Registrable Securities and each underwriter under such registration statement, at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of the happening of any event of which the Company has knowledge as a result of which the prospectus contained in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a

INVESTOR RIGHTS AGREEMENT

material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing, and promptly prepare and furnish to such seller a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing and all holders hereby agree that they shall not use any such prospectus or registration statement once so notified;

(g) If the offering is underwritten and at the request of any seller of Registrable Securities, use its commercially reasonable best efforts to furnish on the date that Registrable Securities are delivered to the underwriters for sale pursuant to such registration (i) an opinion dated such date of counsel representing the Company for the purposes of such registration, addressed to the underwriters to such effect as reasonably may be requested by counsel for the underwriters, and delivers copies of such opinion to the sellers of Registrable Securities and (ii) a letter dated such date from the independent public accountants retained by the Company addressed to the underwriters stating that they are independent public accountants within the meaning of the Securities Act and that, in the opinion of such accountants, the financial statements of the Company included in the registration statement or the prospectus, or any amendment or supplement thereof, comply as to form in all material respects with the applicable accounting requirements of the Securities Act, and such letter shall additionally cover such other financial matters (including information as to the period ending no more than five (5) business days prior to the date of such letter) with respect to such registration as such underwriters reasonably may request;

(h) Upon reasonable notice and at reasonable times during normal business hours, provide each seller of Registrable Securities, any underwriter participating in any distribution pursuant to such registration statement, and any attorney, accountant or other agent retained by such seller or underwriter, reasonable access to all financial and other records, pertinent corporate documents and properties of the Company, as such parties may reasonably request, and cause the Company's officers, directors and employees to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with such registration statement;

(i) Cooperate with the selling holders of Registrable Securities and the managing underwriter, if any, to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold, such certificates to be in such denominations and registered in such names as such holders or the managing underwriter may request at least two business days prior to any sale of Registrable Securities;

(j) Permit any holder of Registrable Securities which holder, in the sole and exclusive judgment, exercised in good faith, of such holder, might be deemed to be a controlling person of the Company, to participate in good faith in the preparation of such registration or comparable statement and to require the insertion therein of material, furnished to the Company in writing, which in the reasonable judgment of such holder and its counsel should be included; and

INVESTOR RIGHTS AGREEMENT

(k) Cooperate with the holders requesting registration pursuant to this Section 6, the underwriters participating in the offering and their counsel in any due diligence investigation reasonably requested by the holders or the underwriters in connection therewith, and participate, to the extent reasonably requested by the managing underwriter for the offering or the holders, in efforts to sell the Registrable Securities under the offering (including without limitation, participating in “roadshow” meetings with prospective investors) that would be customary for underwritten primary offerings of a comparable amount of equity securities by the Company.

In connection with each registration pursuant to this Section 6, the holders of Registrable Securities will timely furnish to the Company in writing such information requested by the Company with respect to themselves and the proposed distribution by them as shall be deemed necessary in order to assure compliance with federal and applicable state securities laws and such Sellers shall provide the Company with appropriate representations with respect to the accuracy of such information and shall, in connection with any underwritten offering, become party to an underwriting agreement in connection therewith in form and substance reasonably acceptable to the underwriters and the Company.

6.8. Expenses.

(a) All expenses incurred by the Company in complying with Sections 6.4, 6.5 and 6.6, including, without limitation, all registration and filing fees, printing expenses, fees and disbursements of counsel and independent public accountants for the Company, fees and expenses (including counsel fees) incurred in connection with complying with state securities or “blue sky” laws, fees of the National Association of Securities Dealers, Inc., transfer taxes, reasonable fees and disbursements of counsel to Sellers of Registrable Securities and fees of transfer agents and registrars, costs of any insurance which might be obtained by the Company with respect to the offering by the Company, excluding any Selling Expenses, are called “Registration Expenses.” All underwriting discounts and selling commissions applicable to the sale of Registrable Securities are called “Selling Expenses.”

(b) The Company will pay all Registration Expenses in connection with each registration statement under Section 6.4, 6.5 or 6.6. All Selling Expenses in connection with each registration statement under Section 6.4, 6.5 or 6.6 shall be borne by the participating sellers in proportion to the number of shares registered by each, or by such participating sellers other than the Company (except to the extent the Company shall be a seller) as they may agree.

6.9. Indemnification and Contribution.

(a) In the event of a registration of any of the Registrable Securities under the Securities Act pursuant to Section 6.4, 6.5 or 6.6, the Company will indemnify, defend and hold harmless each holder of Registrable Securities, its officers, directors, members and partners, each underwriter of such Registrable Securities thereunder and each other person, if any, who controls such holder or underwriter within the meaning of the Securities Act, against any losses, claims, damages or liabilities, joint or several, to which such holder, officer, director, member, partner, underwriter or controlling person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof)

INVESTOR RIGHTS AGREEMENT

arise out of or are based upon (i) any untrue statement or alleged untrue statement of any material fact contained in any prospectus, offering circular or other document incident to such registration (including any related notification, registration statement under which such Registrable Securities were registered under the Securities Act pursuant to Section 6.4, 6.5 or 6.6, any preliminary prospectus or final prospectus contained therein, or any amendment or supplement thereof) or (ii) any blue sky application or other document executed by the Company specifically for that purpose or based upon written information furnished by the Company filed in any state or other jurisdiction in order to qualify any or all of the Registrable Securities under the securities laws thereof (any such application, document or information herein called a “Blue Sky Application”) and will reimburse each such seller, and such officer, director, member and partner, each such underwriter and each such controlling person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action, promptly after being so incurred; provided, however, that the Company will not be liable in any such case if and to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with written information furnished by any such holder, any such underwriter or any such controlling person in writing specifically for use in such registration statement or prospectus.

(b) In the event of a registration of any of the Registrable Securities under the Securities Act pursuant to Section 6.4, 6.5 or 6.6, each seller of such Registrable Securities thereunder, severally and not jointly, will indemnify, defend and hold harmless the Company, each person, if any, who controls the Company within the meaning of the Securities Act, each officer of the Company who signs the registration statement, each director of the Company, each other seller of Registrable Securities, each underwriter and each person who controls any underwriter within the meaning of the Securities Act, against all losses, claims, damages or liabilities, joint or several, to which the Company or such officer, director, other seller, underwriter or controlling person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any prospectus offering circular or other document incident to such registration (including any related notification, registration statement under which such Registrable Securities were registered under the Securities Act pursuant to Section 6.4, 6.5 or 6.6, any preliminary prospectus or final prospectus contained therein, or any amendment or supplement thereof), or any Blue Sky Application or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse the Company and each such officer, director, other seller, underwriter and controlling person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action, promptly after being so incurred, provided, however, that such seller will be liable hereunder in any such case if and only to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with information pertaining to such seller, as such, furnished in writing to the Company by such seller specifically for use in such registration statement or prospectus. The liability of each seller hereunder shall be limited to the net proceeds received by such seller from the sale of such Registrable Securities. Not in limitation of the foregoing, it is understood and agreed that the indemnification

obligations of any seller hereunder pursuant to any underwriting agreement entered into in connection herewith shall be limited to the obligations contained in this subparagraph (b).

(c) Promptly after receipt by an indemnified party hereunder of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party hereunder, notify the indemnifying party in writing thereof, but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to such indemnified party other than under this Section 6.9 and shall only relieve it from any liability which it may have to such indemnified party under this Section 6.9 if and to the extent the indemnifying party is prejudiced by such omission. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate in and, to the extent it shall wish, to assume and undertake the defense thereof with counsel reasonably satisfactory to such indemnified party, and, after notice from the indemnifying party to such indemnified party of its election so to assume and undertake the defense thereof, the indemnifying party shall not be liable to such indemnified party under this Section 6.9 for any legal expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation and of liaison with counsel so selected; provided, however, that, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded, based on a written opinion of counsel, that there may be reasonable defenses available to it which are different from or additional to those available to the indemnifying party or that the interests of the indemnified party reasonably may be deemed to conflict with the interests of the indemnifying party, the indemnified party shall have the right to select one separate counsel and to assume such legal defenses and otherwise to participate in the defense of such action, with the reasonable expenses and fees of such separate counsel and other expenses related to such participation to be reimbursed by the indemnifying party as incurred. No indemnifying party, in the defense of any such claim or action, shall, except with the consent of each indemnified party, consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or action; provided that no such consent shall be required for any settlement which provides a full release for such indemnified party and solely for the payment of money. Each indemnified party shall furnish such information regarding itself or the claim in question as an indemnifying party may reasonably request in writing and as shall be reasonably required in connection with defense of such claim and litigation resulting therefrom.

(d) In order to provide for just and equitable contribution to joint liability under the Securities Act in any case in which either (i) any holder of Registrable Securities exercising rights under this Agreement, or any controlling person of any such holder, makes a claim for indemnification pursuant to this Section 6.9 but it is judicially determined (by the entry of a final judgment or decree by a court of competent jurisdiction and the expiration of time to appeal or the denial of the last right of appeal) that such indemnification may not be enforced in such case notwithstanding the fact that this Section 6.9 provides for indemnification in such case, or (ii) contribution under the Securities Act may be required on the part of any such selling holder or any such controlling person in circumstances for which indemnification is provided under this Section 6.9; then, and in each such case, the Company and such holder will

INVESTOR RIGHTS AGREEMENT

contribute to the aggregate losses, claims, damages or liabilities to which they may be subject (after contribution from others) in such proportion so that such holder is responsible for the portion represented by the percentage that the public offering price of its Registrable Securities offered by the registration statement bears to the public offering price of all securities offered by such registration statement, and the Company is responsible for the remaining portion; provided, however, that, in any such case, (A) no such holder of Registrable Securities will be required to contribute any amount in excess of the net proceeds received from the sale of all such Registrable Securities offered by it pursuant to such registration statement and (B) no person or entity guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any person or entity who was not guilty of such fraudulent misrepresentation.

(e) The indemnities and obligations provided in this Section 6.9 shall survive the transfer of any Registrable Securities by such holder.

6.10. Changes in Common Stock. If, and as often as, there is any change in the Common Stock by way of a stock split, stock dividend, combination or reclassification, or through a merger, consolidation, reorganization or recapitalization, or by any other means, appropriate adjustment shall be made in the provisions hereof so that the rights and privileges granted hereby shall continue with respect to the Common Stock as so changed.

6.11. Rule 144 Reporting. With a view to making available the benefits of certain rules and regulations of the Commission which may at any time permit the sale of the Registrable Securities to the public without registration, except as provided in paragraph (c) below, at all times after ninety (90) days after any registration statement covering a public offering of securities of the Company under the Securities Act shall have become effective, the Company agrees to:

(a) Make and keep public information available, as those terms are understood and defined in Rule 144 under the Securities Act (or any successor rule);

(b) Use its best efforts to file with the Commission in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act; and

(c) Furnish to each holder of Registrable Securities forthwith upon request a written statement by the Company as to its compliance with the reporting requirements of such Rule 144 (or any successor rule) and, at any time after it has become subject to such reporting requirements, of the Securities Act and the Exchange Act, a copy of the most recent annual or quarterly report of the Company, and such other reports and documents so filed by the Company as such holder may reasonably request in availing itself of any rule or regulation of the Commission allowing such holder to sell any Registrable Securities without registration.

6.12. "Market Stand-Off" Agreement. Each Stockholder agrees, if requested by the Company and an underwriter of Common Stock (or other securities) of the Company, (i) not to lend, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or

INVESTOR RIGHTS AGREEMENT

dispose of, directly or indirectly, any shares of Common Stock or any securities convertible into or exercisable or exchangeable for Common Stock (whether such shares or any such securities are then owned by such holder or are thereafter acquired), or (ii) not to enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Common Stock, whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of Common Stock or such other securities, in cash or otherwise, whether in privately negotiated or open market transactions, during the one hundred eighty (180) day period following the effective date of a registration statement of the Company filed under the Securities Act, provided that:

(a) Such agreement only applies to the Company's first underwritten public offering of its Common Stock under the Securities Act; and

(b) Only so long as all holders of Registrable Securities, all officers and directors of the Company, all persons including shares in such offering and all holders of one percent (1%) or more of the outstanding shares of all classes of capital stock of the Company are bound by similar agreements.

The Company may impose stop-transfer instructions with respect to the shares (or securities) subject to the foregoing restriction until the end of said one hundred eighty (180) day period.

Notwithstanding anything to the contrary in this Section 6.12, none of the provisions or restrictions set forth in this Section 6.12 shall in any way limit any such holder or any Affiliate thereof from engaging in any brokerage, investment advisory, financial advisory, antiraid advisory, principal, merger advisory, financing, asset management, trading, market making, arbitrage, investment activity and other similar activities conducted in the ordinary course of business by such holder or any of its Affiliates.

6.13. Miscellaneous.

(a) The rights granted to the Investors under this Section 6 with respect to Registrable Securities may be transferred to any Permitted Transferee of any Investor; provided that (i) such transferee agrees in writing to be bound by the provisions of this Agreement by signing an Instrument of Adherence and (ii) at the time of transfer the Company is given written notice of the name and address of the transferee and the number and type of Shares being transferred.

(b) The rights granted to the Investors under this Section 6 shall terminate on the earlier of: (i) the fourth anniversary of a Qualified Public Offering; or (ii) the date when all Registrable Securities may be sold to the public in accordance with Rule 144 under the Securities Act by a person that is not an "affiliate" (as defined in Rule 144 under the Securities Act) of the Company where no conditions of Rule 144 are then applicable (other than the holding period requirement in paragraph (d)(1)(ii) of Rule 144 so long as such holding period requirement is satisfied at such time of determination).

(c) The Company shall not grant any other registration rights without the consent of the Investors.

Section 7. Covenants of the Company.

7.1. Financial Reports and Litigation Information.

(a) Financial Reports. The Company will maintain proper books of account and records in accordance with generally accepted accounting principles applied on a consistent basis. The Company will deliver the following to the Investors:

(i) Within forty five (45) days after the end of each month in each fiscal year (other than the last month in each fiscal year), a consolidated balance sheet of the Company and the statements of income and cash flows unaudited but prepared in accordance with generally accepted accounting principles, such balance sheet to be as of the end of such month and such statements of income and cash flows to be for such month and for the period from beginning of the fiscal year to the end of such month; provided that quarterly financial statements may be substituted for monthly financial statements if the Board unanimously consents to such substitution;

(ii) Within one hundred thirty-five (135) days after the end of each fiscal year of the Company, a balance sheet of the Company as of the end of such fiscal year and the related consolidated statements of income and cash flows for the fiscal year then ended, prepared in accordance with generally accepted accounting principles and reviewed by a firm of independent public accountants of recognized national or regional standing selected by the Board; and

7.3. D&O Insurance. The Company shall use its commercially reasonable efforts to maintain directors and officers liability insurance in an amount acceptable to the Board.

This Agreement may not be amended, modified or discharged orally, nor may any waivers or consents be given orally hereunder, and every such amendment, modification, waiver and consent shall be in writing and, except as otherwise provided in this Agreement, shall be signed by the Person against which enforcement thereof is sought. This Agreement may be amended or any waiver of any term or condition hereof consented to with the written consent of the Company and holders of at least a majority of the outstanding shares of Registrable Securities; provided, however, that, (i) this Section 14 and Section 4.1(b)(ii) may only be amended with the written consent of the Company and holders of at least a majority of the outstanding shares of Voting Common Stock, (ii) this Section 14 and Sections 2 through and including 7 may only be amended with the written consent of the Company and Investors holding a majority of aggregate number of shares of Voting Common Stock owned by all the Investors, and (iii) any amendment to any provision of this Agreement that materially adversely affects the rights of any Investor shall not be effective against such Investor unless and until consented to in writing by such Investor. Section 15. Headings. The headings of the sections of this Agreement have been inserted for convenience of reference only and shall not be deemed to be a part of this Agreement.

Section 16. Jurisdiction and Service of Process. Any legal dispute with respect to this Agreement shall be brought in the federal or state courts located in Wilmington, Delaware. By execution and delivery of this Agreement, each of the parties hereto accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of the aforesaid courts and acknowledges and agrees that venue therein is proper and not inconvenient. Each of the parties hereto irrevocably consents to the service of process of any of the aforementioned courts in any such action or proceeding by the mailing of copies thereof by certified mail, postage prepaid, to the party at its address provided pursuant to and determined in accordance with Section 13 hereof.

Section 17. Enforcement. Each of the parties hereto acknowledges and agrees that the rights acquired by each party hereunder are unique and that irreparable damage would occur in the event that any of the provisions of this Agreement to be performed by the other parties were not performed in accordance with their specific terms or were otherwise breached. Accordingly, in addition to any other remedy to which the parties hereto are entitled at law or in equity or pursuant hereto, each party hereto shall be entitled to an injunction or injunctions to prevent breaches of this Agreement by any other party and to enforce specifically the terms and provisions hereof in any federal or state court to which the parties have agreed hereunder to submit to jurisdiction.

party. No single or partial exercise of any right, power or remedy under this Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

Section 19. Survival of Representations and Warranties. All representations and warranties made by the parties hereto in this Agreement shall survive (i) the execution and delivery hereof, and (ii) any investigations made by or on behalf of the parties, and shall remain in full force and effect following the execution and delivery of this Agreement. ARTICLE I

STOCKHOLDERS

1.1 Place of Meetings. All meetings of stockholders shall be held at such place as may be designated from time to time by the board of directors (the “Board of Directors”) of BATS Global Markets Holdings, Inc. (the “Corporation”), the chairman of the Board of Directors (the “Chairman”), the chief executive officer (the “Chief Executive Officer”) or the president (the “President”) or, if not so designated, at the principal office of the Corporation.

1.2 Annual Meeting. The annual meeting of stockholders for the election of directors and for the transaction of such other business as may properly be brought before the meeting shall be held on a date and at a time designated by the Board of Directors, the Chairman, the Chief Executive Officer or the President (which date shall not be a legal holiday in the place where the meeting is to be held).

1.3 Special Meetings. Special meetings of stockholders for any purpose or purposes may be called at any time by only the Board of Directors, the Chairman, the Chief Executive Officer or the President, and may not be called by any other person or persons. The Board of Directors may postpone or reschedule any previously scheduled special meeting of stockholders. Business transacted at any special meeting of stockholders shall be limited to matters relating to the purpose or purposes stated in the notice of meeting.

1.4 Notice of Meetings. Except as otherwise provided by law, notice of each meeting of stockholders, whether annual or special, shall be given not less than 10 nor more than 60 days before the date of the meeting to each stockholder entitled to vote at such meeting. Without limiting the manner by which notice otherwise may be given to stockholders, any notice shall be effective if given by a form of electronic transmission consented to (in a manner consistent with the General Corporation Law of the State of Delaware) by the stockholder to whom the notice is given. The notices of all meetings shall state the place, if any, date and time of the meeting and the means of remote communications, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at such meeting. The notice of a special meeting shall state, in addition, the purpose or purposes for which the meeting is called. If notice is given by mail, such notice shall be deemed given when deposited in the United States mail, postage prepaid, directed to the stockholder at such stockholder’s address as it appears on the records of the Corporation. If notice is given by electronic transmission, such notice shall be deemed given at the time specified in Section 232 of the General Corporation Law of the State of Delaware.

1.5 Voting List. The secretary of the Corporation (the “Secretary”) shall prepare, at least 10 days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, for a period of at least 10 days prior to the meeting: (a) on a reasonably

accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or (b) during ordinary business hours, at the principal place of business of the Corporation. If the meeting is to be held at a physical location (and not solely by means of remote communication), then the list shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting. The list shall presumptively determine the identity of the stockholders entitled to vote at the meeting and the number of shares held by each of them.

1.6 Quorum. Except as otherwise provided by law, the certificate of incorporation of the Corporation (the "Certificate of Incorporation") or these bylaws (these "Bylaws"), the holders of a majority in voting power of the shares of the capital stock of the Corporation issued and outstanding and entitled to vote at the meeting, present in person, present by means of remote communication in a manner, if any, authorized by the Board of Directors in its sole discretion, or represented by proxy, shall constitute a quorum for the transaction of business; provided, however, that where a separate vote by a class or classes or series of capital stock is required by law or the Certificate of Incorporation, the holders of a majority in voting power of the shares of such class or classes or series of the capital stock of the Corporation issued and outstanding and entitled to vote on such matter, present in person, present by means of remote communication in a manner, if any, authorized by the Board of Directors in its sole discretion, or represented by proxy, shall constitute a quorum entitled to take action with respect to the vote on such matter. A quorum, once established at a meeting, shall not be broken by the withdrawal of enough votes to leave less than a quorum.

1.7 Adjournments. Any meeting of stockholders may be adjourned from time to time to any other time and to any other place at which a meeting of stockholders may be held under these Bylaws by the chairman of the meeting or by the stockholders present or represented at the meeting and entitled to vote, although less than a quorum. It shall not be necessary to notify any stockholder of any adjournment of less than 30 days if the time and place, if any, of the adjourned meeting, and the means of remote communication, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at such adjourned meeting, are announced at the meeting at which adjournment is taken, unless after the adjournment a new record date is fixed for the adjourned meeting. At the adjourned meeting, the Corporation may transact any business which might have been transacted at the original meeting.

1.8 Voting and Proxies. Each stockholder shall have one vote for each share of stock entitled to vote held of record by such stockholder and a proportionate vote for each fractional share so held, unless otherwise provided by law or the Certificate of Incorporation. Each stockholder of record entitled to vote at a meeting of stockholders, or to express consent or dissent to corporate action without a meeting, may vote or express such consent or dissent in person (including by means of remote communications, if any,

by which stockholders may be deemed to be present in person and vote at such meeting) or may authorize another person or persons to vote or act for such stockholder by a proxy executed or transmitted in a manner permitted by the General Corporation Law of the State of Delaware by the stockholder or such stockholder's authorized agent and delivered (including by electronic transmission) to the Secretary. No such proxy shall be voted or acted upon after three years from the date of its execution, unless the proxy expressly provides for a longer period.

1.9 Action at Meeting. When a quorum is present at any meeting, any matter other than the election of directors to be voted upon by the stockholders at such meeting shall be decided by the vote of the holders of shares of stock having a majority in voting power of the votes cast by the holders of all of the shares of stock present or represented at the meeting and voting affirmatively or negatively on such matter (or if there are two or more classes or series of stock entitled to vote as separate classes, then in the case of each such class or series, the holders of a majority in voting power of the shares of stock of that class or series present or represented at the meeting and voting affirmatively or negatively on such matter), except when a different vote is required by law, the Certificate of Incorporation or these Bylaws. When a quorum is present at any meeting, any election by stockholders of directors shall be determined by a plurality of the votes cast by the stockholders entitled to vote on the election.

1.10 Conduct of Meetings.

(a) Chairman of Meeting. Meetings of stockholders shall be presided over by the Chairman, if any, or in the Chairman's absence by the vice chairman of the Board of Directors (the "Vice Chairman"), if any, or in the Vice Chairman's absence by the Chief Executive Officer, or in the Chief Executive Officer's absence, by the President, or in the President's absence by a vice president of the Corporation (a "Vice President"), or in the absence of all of the foregoing persons by a chairman designated by the Board of Directors, or in the absence of such designation by a chairman chosen by vote of the stockholders at the meeting. The Secretary shall act as secretary of the meeting, but in the Secretary's absence the chairman of the meeting may appoint any person to act as secretary of the meeting.

(b) Rules, Regulations and Procedures. The Board of Directors may adopt by resolution such rules, regulations and procedures for the conduct of any meeting of stockholders of the Corporation as it shall deem appropriate including, without limitation, such guidelines and procedures as it may deem appropriate regarding the participation by means of remote communication of stockholders and proxyholders not physically present at a meeting. Except to the extent inconsistent with such rules, regulations and procedures as adopted by the Board of Directors, the chairman of any meeting of stockholders shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the chairman of the meeting, may include, without limitation, the

following: (i) the establishment of an agenda or order of business for the meeting; (ii) rules and procedures for maintaining order at the meeting and the safety of those present; (iii) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as shall be determined; (iv) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (v) limitations on the time allotted to questions or comments by participants. Unless and to the extent determined by the Board of Directors or the chairman of the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure.

1.11 Action without Meeting.

(a) Taking of Action by Consent. Any action required or permitted to be taken at any annual or special meeting of stockholders of the Corporation may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, is signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote on such action were present and voted. Except as otherwise provided by the Certificate of Incorporation, stockholders may act by written consent to elect directors; provided, however, that, if such consent is less than unanimous, such action by written consent may be in lieu of holding an annual meeting only if all of the directorships to which directors could be elected at an annual meeting held at the effective time of such action are vacant and are filled by such action.

(b) Electronic Transmission of Consents. A telegram, cablegram or other electronic transmission consenting to an action to be taken and transmitted by a stockholder or proxyholder, or by a person or persons authorized to act for a stockholder or proxyholder, shall be deemed to be written, signed and dated for the purposes of this Section 1.11, provided that any such telegram, cablegram or other electronic transmission sets forth or is delivered with information from which the Corporation can determine (i) that the telegram, cablegram or other electronic transmission was transmitted by the stockholder or proxyholder or by a person or persons authorized to act for the stockholder or proxyholder and (ii) the date on which such stockholder or proxyholder or authorized person or persons transmitted such telegram, cablegram or electronic transmission. The date on which such telegram, cablegram or electronic transmission is transmitted shall be deemed to be the date on which such consent was signed. No consent given by telegram, cablegram or other electronic transmission shall be deemed to have been delivered until such consent is reproduced in paper form and until such paper form shall be delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the Corporation's registered office shall be made by hand or by certified or registered mail, return receipt requested. Notwithstanding the foregoing limitations on delivery, consents

given by telegram, cablegram or other electronic transmission may be otherwise delivered to the principal place of business of the Corporation or to an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded if, to the extent and in the manner provided by resolution of the Board of Directors. Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in lieu of the original writing for any and all purposes for which the original writing could be used, provided that such copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing.

(c) Notice of Taking of Corporate Action. Prompt notice of the taking of corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of holders to take the action were delivered to the Corporation.

ARTICLE II

The directors shall be elected at the annual meeting of stockholders by such stockholders as have the right to vote on such election. Election of directors need not be by written ballot. Directors need not be stockholders of the Corporation.

2.3 Chairman; Vice Chairman. The Board of Directors may appoint from its members a Chairman and a Vice Chairman, neither of whom need be an employee or officer of the Corporation. If the Board of Directors appoints a Chairman, such Chairman shall perform such duties and possess such powers as are assigned by the Board of Directors and, if the Chairman is also designated as the corporation's Chief Executive Officer, shall have the powers and duties of the Chief Executive Officer prescribed in Section 3.7 of these Bylaws. If the Board of Directors appoints a Vice Chairman, such Vice Chairman shall perform such duties and possess such powers as are assigned by the Board of Directors. Unless otherwise provided by the Board of Directors, the Chairman or, in the Chairman's absence, the Vice Chairman, if any, shall preside at all meetings of the Board of Directors.

2.4 Tenure. Each director shall hold office until the next annual meeting of stockholders and until a successor is elected and qualified, or until such director's earlier death, resignation or removal.

2.5 Quorum. The greater of (a) a majority of the directors at any time in office and (b) one-third of the number of directors fixed pursuant to Section 2.2 of these Bylaws shall constitute a quorum of the Board of Directors. If at any meeting of the Board of Directors there shall be less than such a quorum, a majority of the directors present may adjourn the meeting from time to time without further notice other than announcement at the meeting, until a quorum shall be present.

2.6 Action at Meeting. Every act or decision done or made by a majority of the directors present at a meeting of the Board of Directors duly held at which a quorum is present shall be regarded as the act of the Board of Directors, unless a greater number is required by law or by the Certificate of Incorporation.

2.7 Removal. Except as otherwise provided by the General Corporation Law of the State of Delaware, any one or more or all of the directors of the Corporation may be removed, with or without cause, by the holders of a majority of the shares then entitled to vote at an election of directors, except that the directors elected by the holders of a

particular class or series of stock may be removed without cause only by vote of the holders of a majority of the outstanding shares of such class or series.

2.8 Vacancies. Unless and until filled by the stockholders, any vacancy or newly-created directorship on the Board of Directors, however occurring, may be filled by vote of a majority of the directors then in office, although less than a quorum, or by a sole remaining director. A director elected to fill a vacancy shall be elected for the unexpired term of such director's predecessor in office, and a director chosen to fill a position resulting from a newly-created directorship shall hold office until the next annual meeting of stockholders and until a successor is elected and qualified, or until such director's earlier death, resignation or removal.

2.9 Resignation. Any director may resign by delivering a resignation in writing or by electronic transmission to the Corporation at its principal office or to the Chairman, the Chief Executive Officer, the President or the Secretary. Such resignation shall be effective upon delivery unless it is specified to be effective at some later time or upon the happening of some later event.

2.10 Regular Meetings. Regular meetings of the Board of Directors may be held without notice at such time and place as shall be determined from time to time by the Board of Directors; provided that any director who is absent when such a determination is made shall be given notice of the determination. A regular meeting of the Board of Directors may be held without notice immediately after and at the same place as the annual meeting of stockholders.

2.11 Special Meetings. Special meetings of the Board of Directors may be held at any time and place designated in a call by the Chairman, the Chief Executive Officer, the President, two or more directors, or by one director in the event that there is only a single director in office.

2.12 Notice of Special Meetings. Notice of the date, place, if any, and time of any special meeting of directors shall be given to each director by the Secretary or by the officer or one of the directors calling the meeting. Notice shall be duly given to each director (a) in person or by telephone at least 24 hours in advance of the meeting, (b) by sending written notice by reputable overnight courier, telecopy, facsimile or electronic transmission, or delivering written notice by hand, to such director's last known business, home or electronic transmission address at least 48 hours in advance of the meeting, or (c) by sending written notice by first-class mail to such director's last known business or home address at least 72 hours in advance of the meeting. A notice or waiver of notice of a meeting of the Board of Directors need not specify the purposes of the meeting.

2.13 Meetings by Conference Communications Equipment. Directors may participate in meetings of the Board of Directors or any committee thereof by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and participation by such means shall constitute presence in person at such meeting.

2.14 Action by Consent. Any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all members of the Board of Directors or committee, as the case may be, consent to the action in writing or by electronic transmission, and the written consents or electronic transmissions are filed with the minutes of proceedings of the Board of Directors or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

2.15 Provisions Regarding the Election of Directors of Subsidiaries.

(a) Subject to this Section 2.15: (i) the Board of Directors may constitute any officer of the Corporation as the Corporation's proxy, with power of substitution, to vote the equity of any subsidiary of the Corporation and to exercise, on behalf of the Corporation, any and all rights and powers incident to the ownership of that equity, including the authority to execute and deliver proxies, waivers and consents; (ii) in the absence of specific action by the Board of Directors, the Chief Executive Officer shall have authority to represent the Corporation and to vote, on behalf of the Corporation, the equity of other entities, both domestic and foreign, held by the Corporation; and (iii) the Chief Executive Officer shall also have the authority to exercise any and all rights incident to the ownership of that equity, including the authority to execute and deliver proxies, waivers and consents.

(b) At any meeting of the stockholders of BATS Exchange, Inc. held for the purpose of electing directors and members of the Member Nominating Committee of BATS Exchange, Inc. (as set forth in the Bylaws of BATS Exchange, Inc., the "BZX Member Nominating Committee"), or in the event written consents are solicited or otherwise sought from the stockholders of BATS Exchange, Inc. with respect thereto, the Corporation shall cause all outstanding shares of BATS Exchange, Inc. owned by the Corporation and entitled to vote at such election to be voted in favor of only those BATS Exchange, Inc. member representative directors and nominees for the BZX Member Nominating Committee nominated in accordance with the Bylaws of BATS Exchange, Inc. and, with respect to any such written consents, shall cause to be validly executed only such written consents electing only such directors and members of the BZX Member Nominating Committee.

(c) At any meeting of the stockholders of BATS Y-Exchange, Inc. held for the purpose of electing directors and members of the Member Nominating Committee of BATS Y-Exchange, Inc. (as set forth in the Bylaws of BATS Y-Exchange, Inc., the "BYX Member Nominating Committee"), or in the event written consents are solicited or otherwise sought from the stockholders of BATS Y-Exchange, Inc. with respect thereto, the Corporation shall cause all outstanding shares of BATS Y-Exchange, Inc. owned by the Corporation and entitled to vote at such election to be voted in favor of only those BATS Y-Exchange, Inc. member representative directors and nominees for the BYX Member Nominating Committee nominated in accordance with the Bylaws of BATS Y-Exchange, Inc. and, with respect to any such written consents, shall cause to be validly executed

only such written consents electing only such directors and members of the BYX Member Nominating Committee.

ARTICLE III

The Board of Directors may appoint such other officers as it may deem appropriate.

3.2 Election. The Chief Executive Officer, President, Treasurer and Secretary shall be elected annually by the Board of Directors at its first meeting following the annual meeting of stockholders. Other officers may be appointed by the Board of Directors at such meeting or at any other meeting.

3.5 Resignation and Removal. Any officer may resign by delivering a written resignation to the Corporation at its principal office or to the Chief Executive Officer, the President or the Secretary. Any officer may be removed at any time, with or without cause, by vote of a majority of the directors then in office. Except as the Board of Directors may otherwise determine, no officer who resigns or is removed shall have any right to any compensation as an officer for any period following such officer's resignation or removal, or any right to damages on account of such removal, whether such officer's compensation be by the month or by the year or otherwise, unless such compensation is expressly provided for in a duly authorized written agreement with the Corporation.

3.6 Vacancies. The Board of Directors may fill any vacancy occurring in any office for any reason and may, in its discretion, leave unfilled for such period as it may determine any offices other than those of Chief Executive Officer, President, Treasurer and Secretary. Each such successor shall hold office for the unexpired term of such officer's predecessor and until a successor is elected and qualified, or until such officer's earlier death, resignation or removal.

3.7 President; Chief Executive Officer. Unless the Board of Directors has designated another person as the Corporation's Chief Executive Officer, the President shall be the Chief Executive Officer. The Chief Executive Officer shall have general charge and

supervision of the business of the Corporation subject to the direction of the Board of Directors, and shall perform all duties and have all powers that are commonly incident to the office of chief executive or that are delegated to such officer by the Board of Directors. The President shall perform such other duties and shall have such other powers as the Board of Directors or the Chief Executive Officer (if the President is not the Chief Executive Officer) may from time to time prescribe. In the event of the absence, inability or refusal to act of the Chief Executive Officer or the President (if the President is not the Chief Executive Officer), the Vice President (or if there shall be more than one, the Vice Presidents in the order determined by the Board of Directors) shall perform the duties of the Chief Executive Officer and when so performing such duties shall have all the powers of and be subject to all the restrictions upon the Chief Executive Officer.

3.8 Vice Presidents. Each Vice President shall perform such duties and possess such powers as the Board of Directors or the Chief Executive Officer may from time to time prescribe. The Board of Directors may assign to any Vice President the title of Executive Vice President, Senior Vice President or any other title selected by the Board of Directors.

3.9 Secretary. The Secretary shall perform such duties and shall have such powers as the Board of Directors or the Chief Executive Officer may from time to time prescribe. In addition, the Secretary shall perform such duties and have such powers as are incident to the office of the secretary, including without limitation the duty and power to give notices of all meetings of stockholders and special meetings of the Board of Directors, to attend all meetings of stockholders and the Board of Directors and keep a record of the proceedings, to maintain a stock ledger and prepare lists of stockholders and their addresses as required, to be custodian of corporate records and the corporate seal and to affix and attest to the same on documents. In the absence of the Secretary at any meeting of stockholders or directors, the chairman of the meeting shall designate a temporary secretary to keep a record of the meeting.

3.10 Treasurer. The Treasurer shall perform such duties and shall have such powers as may from time to time be assigned by the Board of Directors or the Chief Executive Officer. In addition, the Treasurer shall perform such duties and have such powers as are incident to the office of treasurer, including without limitation the duty and power to keep and be responsible for all funds and securities of the Corporation, to deposit funds of the Corporation in depositories selected in accordance with these Bylaws, to disburse such funds as ordered by the Board of Directors, to make proper accounts of such funds, and to render as required by the Board of Directors statements of all such transactions and of the financial condition of the Corporation.

3.11 Salaries. Officers of the Corporation shall be entitled to such salaries, compensation or reimbursement as shall be fixed or allowed from time to time by the Board of Directors.

3.12 Delegation of Authority. The Board of Directors may from time to time delegate the powers or duties of any officer to any other officer or agent, notwithstanding any provision hereof.

ARTICLE IV

CAPITAL STOCK

- 4.1 Issuance of Stock. Subject to the provisions of the Certificate of Incorporation, the whole or any part of any unissued balance of the authorized capital stock of the Corporation or the whole or any part of any shares of the authorized capital stock of the Corporation held in the Corporation's treasury may be issued, sold, transferred or otherwise disposed of by vote of the Board of Directors in such manner, for such lawful consideration and on such terms as the Board of Directors may determine.
- 4.2 Stock Certificates; Uncertificated Shares.
- (a) The shares of the Corporation may be represented by certificates, provided that the Board of Directors may provide by resolution or resolutions that some or all of any or all classes or series of the Corporation's stock shall be uncertificated shares. Every holder of stock of the Corporation represented by certificates shall be entitled to have a certificate, in such form as may be prescribed by law and by the Board of Directors, representing the number of shares held by such holder registered in certificate form. Each such certificate shall be signed in a manner that complies with Section 158 of the General Corporation Law of the State of Delaware.
- (b) Each certificate for shares of stock which are subject to any restriction on transfer pursuant to the Certificate of Incorporation, these Bylaws, applicable securities laws or any agreement among any number of stockholders or among such holders and the Corporation shall have conspicuously noted on the face or back of the certificate either the full text of the restriction or a statement of the existence of such restriction.
- (c) If the Corporation shall be authorized to issue more than one class of stock or more than one series of any class, the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights shall be set forth in full or summarized on the face or back of each certificate representing shares of such class or series of stock, provided that in lieu of the foregoing requirements there may be set forth on the face or back of each certificate representing shares of such class or series of stock a statement that the Corporation will furnish without charge to each stockholder who so requests a copy of the full text of the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights.
- (d) Within a reasonable time after the issuance or transfer of uncertificated shares, the Corporation shall send to the registered owner thereof a written notice containing the information required to be set forth or stated on certificates

pursuant to Sections 151, 202(a) or 218(a) of the General Corporation Law of the State of Delaware or, with respect to Section 151 of General Corporation Law of the State of Delaware, a statement that the Corporation will furnish without charge to each stockholder who so requests the powers, designations, preferences and relative participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights.

4.3 Transfers. Shares of stock of the Corporation shall be transferable in the manner prescribed by law and in these Bylaws. Transfers of shares of stock of the Corporation shall be made only on the books of the Corporation or by transfer agents designated to transfer shares of stock of the Corporation. Subject to applicable law, shares of stock represented by certificates shall be transferred only on the books of the Corporation by the surrender to the Corporation or its transfer agent of the certificate representing such shares properly endorsed or accompanied by a written assignment or power of attorney properly executed, and with such proof of authority or the authenticity of signature as the Corporation or its transfer agent may reasonably require. Except as may be otherwise required by law, by the Certificate of Incorporation or by these Bylaws, the Corporation shall be entitled to treat the record holder of stock as shown on its books as the owner of such stock for all purposes, including the payment of dividends and the right to vote with respect to such stock, regardless of any transfer, pledge or other disposition of such stock until the shares have been transferred on the books of the Corporation in accordance with the requirements of these Bylaws.

4.4 Lost, Stolen or Destroyed Certificates. The Corporation may issue a new certificate of stock in place of any previously issued certificate alleged to have been lost, stolen or destroyed, upon such terms and conditions as the Board of Directors may prescribe, including the presentation of reasonable evidence of such loss, theft or destruction and the giving of such indemnity and posting of such bond as the Board of Directors may require for the protection of the Corporation or any transfer agent or registrar.

4.5 Record Date. The Board of Directors may fix in advance a date as a record date for the determination of the stockholders entitled to notice of or to vote at any meeting of stockholders or to express consent (or dissent) to corporate action without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action. Such record date shall not precede the date on which the resolution fixing the record date is adopted, and such record date shall not be more than 60 nor less than 10 days before the date of such meeting, nor more than 10 days after the date of adoption of a record date for a consent without a meeting, nor more than 60 days prior to any other action to which such record date relates. If no record date is fixed, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day before the day on which notice is given, or, if notice is waived, at the close of business on the day before the day on which the meeting is held. If no record date is fixed, the record date for determining stockholders entitled to express consent to corporate action without a meeting, when no

prior action by the Board of Directors is necessary, shall be the day on which the first consent is properly delivered to the Corporation. If no record date is fixed, the record date for determining stockholders for any other purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating to such purpose. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

4.6 Regulations; Limitations on Dividends.

(a) The issue, transfer, conversion and registration of shares of stock of the Corporation shall be governed by such other regulations as the Board of Directors may establish.

(b) The Corporation shall not make a dividend payment to any stockholder of the Corporation if, and to the extent, such dividend payment would violate the General Corporation Law of the State of Delaware or other applicable law.

ARTICLE V

GENERAL PROVISIONS

5.1 Fiscal Year. Except as from time to time otherwise designated by the Board of Directors, the fiscal year of the Corporation shall begin on the first day of January of each year and end on the last day of December in each year.

5.2 Corporate Seal. The corporate seal shall be in such form as shall be approved by the Board of Directors.

5.3 Waiver of Notice. Whenever notice is required to be given by law, by the Certificate of Incorporation or by these Bylaws, a written waiver, signed by the person entitled to notice, or a waiver by electronic transmission by the person entitled to notice, whether before, at or after the time of the event for which notice is to be given, shall be deemed equivalent to notice required to be given to such person. Neither the business nor the purpose of any meeting need be specified in any such waiver. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

5.4 Voting of Securities. Except as the Board of Directors may otherwise designate, the Chief Executive Officer, the President or the Treasurer may waive notice of, vote, or appoint any person or persons to vote, on behalf of the Corporation at, and act as, or appoint any person or persons to act as, proxy or attorney-in-fact for this Corporation (with or without power of substitution) at, any meeting of stockholders or securityholders of any other entity, the securities of which may be held by this Corporation.

5.5 Evidence of Authority. A certificate by the Secretary or a temporary Secretary, as to any action taken by the stockholders, directors, a committee or any officer or representative of the Corporation shall as to all persons who rely on the certificate in good faith be conclusive evidence of such action.

5.6 Severability. Any determination that any provision of these Bylaws is for any reason inapplicable, illegal or ineffective shall not affect or invalidate any other provision of these Bylaws.

5.7 Pronouns. All pronouns used in these Bylaws shall be deemed to refer to the masculine, feminine or neuter, singular or plural, as the identity of the person or persons may require.

5.8 Books and Records.

(a) To the fullest extent permitted by law, all books and records of an Exchange Subsidiary reflecting confidential information pertaining to the self-regulatory function of such Exchange Subsidiary (including disciplinary matters, trading data, trading practices and audit information) that shall come into the

possession of the Corporation, and the information contained in those books and records, shall be retained in confidence by the Corporation, the stockholders of the Corporation, the Board of Directors, officers, employees and agents of the Corporation and shall not be used for any non-regulatory purposes. For purpose of these Bylaws, "Exchange Subsidiary" shall mean any subsidiary of the Corporation that is registered with the Securities and Exchange Commission (the "SEC") as a national securities exchange as provided in Section 6 of the Securities Exchange Act of 1934 (the "Exchange Act"). Notwithstanding the foregoing sentences, nothing herein shall be interpreted so as to limit or impede the rights of the SEC or any Exchange Subsidiary to access and examine such confidential information pursuant to the U.S. federal securities laws and the rules and regulations thereunder, or to limit or impede the ability of any officers, directors, agents, employees or stockholders of the Corporation to disclose such information to the SEC or an Exchange Subsidiary.

(b) All books and records of the Corporation shall be maintained at a location within the United States. To the extent they are related to the operation or administration of an Exchange Subsidiary, the books, records, premises, officers, directors, agents, and employees of the Corporation shall be deemed to be the books, records, premises, officers, directors, agents and employees of such Exchange Subsidiary for the purpose of, and subject to oversight pursuant to, the Exchange Act. For so long as the Corporation shall control, directly or indirectly, an Exchange Subsidiary, the Corporation's books and records shall be subject at all times to inspection and copying by the SEC and the applicable Exchange Subsidiary, provided that such books and records are related to the operation or administration of an Exchange Subsidiary.

ARTICLE VI

AMENDMENTS

6.1 By the Board of Directors. These Bylaws may be altered, amended or repealed, in whole or in part, or new Bylaws may be adopted by the Board of Directors.

6.2 By the Stockholders. These Bylaws may be altered, amended or repealed, in whole or in part, or new Bylaws may be adopted, by the affirmative vote of the holders of a majority of the shares of the capital stock of the Corporation issued and outstanding and entitled to vote at any annual meeting of stockholders, or at any special meeting of stockholders, provided notice of such alteration, amendment, repeal or adoption of new Bylaws shall have been stated in the notice of such special meeting.

6.3 Exceptions and Limitations. The approval contemplated by this Article VI shall not be required to the extent that: (a) such approval requirements would cause the Corporation not to be in compliance with U.S. federal securities laws and the rules and regulations thereunder; or (b) would adversely impact the regulatory authority of an Exchange Subsidiary.

6.4 For so long as the Corporation shall control, directly or indirectly, an Exchange Subsidiary, before any amendment to or repeal of any provision of these Bylaws shall be effective, those changes shall be submitted to the board of directors of each Exchange Subsidiary and if the same must be filed with, or filed with and approved by, the SEC before the changes may be effective under Section 19 of the Exchange Act and the rules promulgated under the Exchange Act or otherwise, then the proposed changes to these Bylaws shall not be effective until filed with, or filed with and approved by, the SEC, as the case may be.

ARTICLE VII

SRO FUNCTION

7.1 Preservation of Independence. For so long as the Corporation shall, directly or indirectly, control an Exchange Subsidiary, the Board of Directors, officers, employees and agents of the Corporation shall give due regard to the preservation of the independence of the self-regulatory function of such Exchange Subsidiary, as well as to its obligations to investors and the general public and shall not take any actions that would interfere with the effectuation of any decisions by a board of directors of an Exchange Subsidiary relating to its regulatory functions (including disciplinary matters) or which would interfere with the ability of such Exchange Subsidiary to carry out its responsibilities under the Exchange Act. To the fullest extent permitted by law, no present or past director, employee, beneficiary, agent, customer, creditor, regulatory authority (or member thereof) or other person shall have any rights against the Corporation or any director, officer, employee or agent of the Corporation under this Section 7.1.

7.2 Compliance with Securities Laws; Cooperation with the SEC. The Corporation shall comply with the U.S. federal securities laws and the rules and regulations thereunder and shall cooperate with the SEC and each Exchange Subsidiary, as applicable, pursuant to and to the extent of their respective regulatory authority. The officers, directors, employees and agents of the Corporation, by virtue of their acceptance of such position, shall be deemed to agree (i) to comply with the U.S. federal securities laws and the rules and regulations thereunder and (ii) to cooperate with the SEC and each Exchange Subsidiary in respect of the SEC's oversight responsibilities regarding the Exchange Subsidiaries and the self-regulatory functions and responsibilities of the Exchange Subsidiaries. The Corporation shall take reasonable steps necessary to cause its officers, directors, employees and agents to so cooperate. To the fullest extent permitted by law, no present or past director, employee, beneficiary, agent, customer, creditor, regulatory authority (or member thereof) or other person shall have any rights against the Corporation or any director, officer, employee or agent of the Corporation under this Section 7.2.

7.3 Consent to Jurisdiction. To the fullest extent permitted by law, the Corporation and its officers, directors, employees and agents, by virtue of their acceptance of such position, shall be deemed to irrevocably submit to the jurisdiction of the United States federal courts, the SEC, each Exchange Subsidiary, as applicable, for the purposes of any

suit, action or proceeding pursuant to the U.S. federal securities laws and the rules and regulations thereunder arising out of, or relating to, the activities of an Exchange Subsidiary, and by virtue of their acceptance of any such position, shall be deemed to waive, and agree not to assert by way of motion, as a defense or otherwise in any such suit, action or proceeding, any claims that it or they are not personally subject to the jurisdiction of the United States federal courts, the SEC and the Exchange Subsidiaries that the suit, action or proceeding is an inconvenient forum or that the venue of the suit, action or proceeding is improper, or that the subject matter of that suit, action or proceeding may not be enforced in or by such courts or agency. The Corporation and its officers, directors, employees and agents also agree that they will maintain an agent, in the United States, for the service of process of a claim arising out of, or relating to, the activities of an Exchange Subsidiary.

7.4 Consent to Applicability. The Corporation shall take reasonable steps necessary to cause its current officers, directors, employees and agents and prospective officers, directors, employees and agents prior to such person's employment, appointment or otherwise, to consent in writing to the applicability of Section 5.8 of these Bylaws and this Article VII with respect to activities related to an Exchange Subsidiary.

ARTICLE I

STOCKHOLDERS

1.1 Place of Meetings. All meetings of stockholders shall be held at such place as may be designated from time to time by the board of directors (the “**Board of Directors**”) of Bats Global Markets Holdings, Inc. (the “**Corporation**”), the chairman of the Board of Directors (the “**Chairman**”), the chief executive officer (the “**Chief Executive Officer**”) or the president (the “**President**”) or, if not so designated, at the principal office of the Corporation.

1.2 Annual Meeting. The annual meeting of stockholders for the election of directors and for the transaction of such other business as may properly be brought before the meeting shall be held on a date and at a time designated by the Board of Directors, the Chairman, the Chief Executive Officer or the President (which date shall not be a legal holiday in the place where the meeting is to be held).

1.3 Special Meetings. Special meetings of stockholders for any purpose or purposes may be called at any time by only the Board of Directors, the Chairman, the Chief Executive Officer or the President, and may not be called by any other person or persons. The Board of Directors may postpone or reschedule any previously scheduled special meeting of stockholders. Business transacted at any special meeting of stockholders shall be limited to matters relating to the purpose or purposes stated in the notice of meeting.

1.4 Notice of Meetings. Except as otherwise provided by law, notice of each meeting of stockholders, whether annual or special, shall be given not less than 10 nor more than 60 days before the date of the meeting to each stockholder entitled to vote at such meeting. Without limiting the manner by which notice otherwise may be given to stockholders, any notice shall be effective if given by a form of electronic transmission consented to (in a manner consistent with the General Corporation Law of the State of Delaware) by the stockholder to whom the notice is given. The notices of all meetings shall state the place, if any, date and time of the meeting and the means of remote communications, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at such meeting. The notice of a special meeting shall state, in addition, the purpose or purposes for which the meeting is called. If notice is given by mail, such notice shall be deemed given when deposited in the United States mail, postage prepaid, directed to the stockholder at such stockholder’s address as it appears on the records of the Corporation. If notice is given by electronic transmission, such notice shall be deemed given at the time specified in Section 232 of the General Corporation Law of the State of Delaware.

1.5 Voting List. The secretary of the Corporation (the “**Secretary**”) shall prepare, at least 10 days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, for a period of at least 10 days prior to the meeting: (a) on a reasonably

accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or (b) during ordinary business hours, at the principal place of business of the Corporation. If the meeting is to be held at a physical location (and not solely by means of remote communication), then the list shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting. The list shall presumptively determine the identity of the stockholders entitled to vote at the meeting and the number of shares held by each of them.

1.6 Quorum. Except as otherwise provided by law, the certificate of incorporation of the Corporation (the “**Certificate of Incorporation**”) or these bylaws (these “**Bylaws**”), the holders of a majority in voting power of the shares of the capital stock of the Corporation issued and outstanding and entitled to vote at the meeting, present in person, present by means of remote communication in a manner, if any, authorized by the Board of Directors in its sole discretion, or represented by proxy, shall constitute a quorum for the transaction of business; provided, however, that where a separate vote by a class or classes or series of capital stock is required by law or the Certificate of Incorporation, the holders of a majority in voting power of the shares of such class or classes or series of the capital stock of the Corporation issued and outstanding and entitled to vote on such matter, present in person, present by means of remote communication in a manner, if any, authorized by the Board of Directors in its sole discretion, or represented by proxy, shall constitute a quorum entitled to take action with respect to the vote on such matter. A quorum, once established at a meeting, shall not be broken by the withdrawal of enough votes to leave less than a quorum.

1.7 Adjournments. Any meeting of stockholders may be adjourned from time to time to any other time and to any other place at which a meeting of stockholders may be held under these Bylaws by the chairman of the meeting or by the stockholders present or represented at the meeting and entitled to vote, although less than a quorum. It shall not be necessary to notify any stockholder of any adjournment of less than 30 days if the time and place, if any, of the adjourned meeting, and the means of remote communication, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at such adjourned meeting, are announced at the meeting at which adjournment is taken, unless after the adjournment a new record date is fixed for the adjourned meeting. At the adjourned meeting, the Corporation may transact any business which might have been transacted at the original meeting.

1.8 Voting and Proxies. Each stockholder shall have one vote for each share of stock entitled to vote held of record by such stockholder and a proportionate vote for each fractional share so held, unless otherwise provided by law or the Certificate of Incorporation. Each stockholder of record entitled to vote at a meeting of stockholders, or to express consent or dissent to corporate action without a meeting, may vote or express such consent or dissent in person (including by means of remote communications, if any,

by which stockholders may be deemed to be present in person and vote at such meeting) or may authorize another person or persons to vote or act for such stockholder by a proxy executed or transmitted in a manner permitted by the General Corporation Law of the State of Delaware by the stockholder or such stockholder's authorized agent and delivered (including by electronic transmission) to the Secretary. No such proxy shall be voted or acted upon after three years from the date of its execution, unless the proxy expressly provides for a longer period.

1.9 Action at Meeting. When a quorum is present at any meeting, any matter other than the election of directors to be voted upon by the stockholders at such meeting shall be decided by the vote of the holders of shares of stock having a majority in voting power of the votes cast by the holders of all of the shares of stock present or represented at the meeting and voting affirmatively or negatively on such matter (or if there are two or more classes or series of stock entitled to vote as separate classes, then in the case of each such class or series, the holders of a majority in voting power of the shares of stock of that class or series present or represented at the meeting and voting affirmatively or negatively on such matter), except when a different vote is required by law, the Certificate of Incorporation or these Bylaws. When a quorum is present at any meeting, any election by stockholders of directors shall be determined by a plurality of the votes cast by the stockholders entitled to vote on the election.

1.10 Conduct of Meetings.

(a) Chairman of Meeting. Meetings of stockholders shall be presided over by the Chairman, if any, or in the Chairman's absence by the vice chairman of the Board of Directors (the "**Vice Chairman**"), if any, or in the Vice Chairman's absence by the Chief Executive Officer, or in the Chief Executive Officer's absence, by the President, or in the President's absence by a vice president of the Corporation (a "**Vice President**"), or in the absence of all of the foregoing persons by a chairman designated by the Board of Directors, or in the absence of such designation by a chairman chosen by vote of the stockholders at the meeting. The Secretary shall act as secretary of the meeting, but in the Secretary's absence the chairman of the meeting may appoint any person to act as secretary of the meeting.

(b) Rules, Regulations and Procedures. The Board of Directors may adopt by resolution such rules, regulations and procedures for the conduct of any meeting of stockholders of the Corporation as it shall deem appropriate including, without limitation, such guidelines and procedures as it may deem appropriate regarding the participation by means of remote communication of stockholders and proxyholders not physically present at a meeting. Except to the extent inconsistent with such rules, regulations and procedures as adopted by the Board of Directors, the chairman of any meeting of stockholders shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the chairman of the meeting, may include, without limitation, the

following: (i) the establishment of an agenda or order of business for the meeting; (ii) rules and procedures for maintaining order at the meeting and the safety of those present; (iii) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as shall be determined; (iv) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (v) limitations on the time allotted to questions or comments by participants. Unless and to the extent determined by the Board of Directors or the chairman of the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure.

1.11 Action without Meeting.

(a) Taking of Action by Consent. Any action required or permitted to be taken at any annual or special meeting of stockholders of the Corporation may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, is signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote on such action were present and voted. Except as otherwise provided by the Certificate of Incorporation, stockholders may act by written consent to elect directors; provided, however, that, if such consent is less than unanimous, such action by written consent may be in lieu of holding an annual meeting only if all of the directorships to which directors could be elected at an annual meeting held at the effective time of such action are vacant and are filled by such action.

(b) Electronic Transmission of Consents. A telegram, cablegram or other electronic transmission consenting to an action to be taken and transmitted by a stockholder or proxyholder, or by a person or persons authorized to act for a stockholder or proxyholder, shall be deemed to be written, signed and dated for the purposes of this Section 1.11, provided that any such telegram, cablegram or other electronic transmission sets forth or is delivered with information from which the Corporation can determine (i) that the telegram, cablegram or other electronic transmission was transmitted by the stockholder or proxyholder or by a person or persons authorized to act for the stockholder or proxyholder and (ii) the date on which such stockholder or proxyholder or authorized person or persons transmitted such telegram, cablegram or electronic transmission. The date on which such telegram, cablegram or electronic transmission is transmitted shall be deemed to be the date on which such consent was signed. No consent given by telegram, cablegram or other electronic transmission shall be deemed to have been delivered until such consent is reproduced in paper form and until such paper form shall be delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the Corporation's registered office shall be made by hand or by certified or registered mail, return receipt requested. Notwithstanding the foregoing limitations on delivery, consents

given by telegram, cablegram or other electronic transmission may be otherwise delivered to the principal place of business of the Corporation or to an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded if, to the extent and in the manner provided by resolution of the Board of Directors. Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in lieu of the original writing for any and all purposes for which the original writing could be used, provided that such copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing.

(c) Notice of Taking of Corporate Action. Prompt notice of the taking of corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of holders to take the action were delivered to the Corporation.

ARTICLE II

DIRECTORS

2.1 General Powers. The business and affairs of the Corporation shall be managed by or under the direction of a Board of Directors, who may exercise all of the powers of the corporation except as otherwise provided by law or the Certificate of Incorporation.

2.2 Number, Election and Qualification. The number of directors of the corporation shall be established from time to time by the stockholders or the Board of Directors. The directors shall be elected at the annual meeting of stockholders by such stockholders as have the right to vote on such election. Election of directors need not be by written ballot. Directors need not be stockholders of the Corporation.

2.3 Chairman; Vice Chairman. The Board of Directors may appoint from its members a Chairman and a Vice Chairman, neither of whom need be an employee or officer of the Corporation. If the Board of Directors appoints a Chairman, such Chairman shall perform such duties and possess such powers as are assigned by the Board of Directors and, if the Chairman is also designated as the corporation's Chief Executive Officer, shall have the powers and duties of the Chief Executive Officer prescribed in Section 3.7 of these Bylaws. If the Board of Directors appoints a Vice Chairman, such Vice Chairman shall perform such duties and possess such powers as are assigned by the Board of Directors. Unless otherwise provided by the Board of Directors, the Chairman or, in the Chairman's absence, the Vice Chairman, if any, shall preside at all meetings of the Board of Directors.

2.4 Tenure. Each director shall hold office until the next annual meeting of stockholders and until a successor is elected and qualified, or until such director's earlier death, resignation or removal.

2.5 Quorum. The greater of (a) a majority of the directors at any time in office and (b) one-third of the number of directors fixed pursuant to Section 2.2 of these Bylaws shall constitute a quorum of the Board of Directors. If at any meeting of the Board of Directors there shall be less than such a quorum, a majority of the directors present may adjourn the meeting from time to time without further notice other than announcement at the meeting, until a quorum shall be present.

2.6 Action at Meeting. Every act or decision done or made by a majority of the directors present at a meeting of the Board of Directors duly held at which a quorum is present shall be regarded as the act of the Board of Directors, unless a greater number is required by law or by the Certificate of Incorporation.

2.7 Removal. Except as otherwise provided by the General Corporation Law of the State of Delaware, any one or more or all of the directors of the Corporation may be removed, with or without cause, by the holders of a majority of the shares then entitled to vote at an election of directors, except that the directors elected by the holders of a

particular class or series of stock may be removed without cause only by vote of the holders of a majority of the outstanding shares of such class or series.

2.8 Vacancies. Unless and until filled by the stockholders, any vacancy or newly-created directorship on the Board of Directors, however occurring, may be filled by vote of a majority of the directors then in office, although less than a quorum, or by a sole remaining director. A director elected to fill a vacancy shall be elected for the unexpired term of such director's predecessor in office, and a director chosen to fill a position resulting from a newly-created directorship shall hold office until the next annual meeting of stockholders and until a successor is elected and qualified, or until such director's earlier death, resignation or removal.

2.9 Resignation. Any director may resign by delivering a resignation in writing or by electronic transmission to the Corporation at its principal office or to the Chairman, the Chief Executive Officer, the President or the Secretary. Such resignation shall be effective upon delivery unless it is specified to be effective at some later time or upon the happening of some later event.

2.10 Regular Meetings. Regular meetings of the Board of Directors may be held without notice at such time and place as shall be determined from time to time by the Board of Directors; provided that any director who is absent when such a determination is made shall be given notice of the determination. A regular meeting of the Board of Directors may be held without notice immediately after and at the same place as the annual meeting of stockholders.

2.11 Special Meetings. Special meetings of the Board of Directors may be held at any time and place designated in a call by the Chairman, the Chief Executive Officer, the President, two or more directors, or by one director in the event that there is only a single director in office.

2.12 Notice of Special Meetings. Notice of the date, place, if any, and time of any special meeting of directors shall be given to each director by the Secretary or by the officer or one of the directors calling the meeting. Notice shall be duly given to each director (a) in person or by telephone at least 24 hours in advance of the meeting, (b) by sending written notice by reputable overnight courier, telecopy, facsimile or electronic transmission, or delivering written notice by hand, to such director's last known business, home or electronic transmission address at least 48 hours in advance of the meeting, or (c) by sending written notice by first-class mail to such director's last known business or home address at least 72 hours in advance of the meeting. A notice or waiver of notice of a meeting of the Board of Directors need not specify the purposes of the meeting.

2.13 Meetings by Conference Communications Equipment. Directors may participate in meetings of the Board of Directors or any committee thereof by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and participation by such means shall constitute presence in person at such meeting.

2.14 Action by Consent. Any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all members of the Board of Directors or committee, as the case may be, consent to the action in writing or by electronic transmission, and the written consents or electronic transmissions are filed with the minutes of proceedings of the Board of Directors or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

2.15 Provisions Regarding the Election of Directors of Subsidiaries.

(a) Subject to this Section 2.15: (i) the Board of Directors may constitute any officer of the Corporation as the Corporation's proxy, with power of substitution, to vote the equity of any subsidiary of the Corporation and to exercise, on behalf of the Corporation, any and all rights and powers incident to the ownership of that equity, including the authority to execute and deliver proxies, waivers and consents; (ii) in the absence of specific action by the Board of Directors, the Chief Executive Officer shall have authority to represent the Corporation and to vote, on behalf of the Corporation, the equity of other entities, both domestic and foreign, held by the Corporation; and (iii) the Chief Executive Officer shall also have the authority to exercise any and all rights incident to the ownership of that equity, including the authority to execute and deliver proxies, waivers and consents.

(b) At any meeting of the stockholders of Bats BZX Exchange, Inc. held for the purpose of electing directors and members of the Member Nominating Committee of Bats BZX Exchange, Inc. (as set forth in the bylaws of Bats BZX Exchange, Inc., the "**BZX Member Nominating Committee**"), or in the event written consents are solicited or otherwise sought from the stockholders of Bats BZX Exchange, Inc. with respect thereto, the Corporation shall cause all outstanding shares of Bats BZX Exchange, Inc. owned by the Corporation and entitled to vote at such election to be voted in favor of only those Bats BZX Exchange, Inc. member representative directors and nominees for the BZX Member Nominating Committee nominated in accordance with the bylaws of Bats BZX Exchange, Inc. and, with respect to any such written consents, shall cause to be validly executed only such written consents electing only such directors and members of the BZX Member Nominating Committee.

(c) At any meeting of the stockholders of Bats BYX Exchange, Inc. held for the purpose of electing directors and members of the Member Nominating Committee of Bats BYX Exchange, Inc. (as set forth in the bylaws of Bats BYX Exchange, Inc., the "**BYX Member Nominating Committee**"), or in the event written consents are solicited or otherwise sought from the stockholders of Bats BYX Exchange, Inc. with respect thereto, the Corporation shall cause all outstanding shares of Bats BYX Exchange, Inc. owned by the Corporation and entitled to vote at such election to be voted in favor of only those Bats BYX Exchange, Inc. member representative directors and nominees for the BYX Member Nominating Committee nominated in accordance with the bylaws of Bats BYX Exchange, Inc. and, with respect to any such written consents, shall

cause to be validly executed only such written consents electing only such directors and members of the BYX Member Nominating Committee.

ARTICLE III

OFFICERS

3.1 Titles. The officers of the Corporation shall consist of a Chief Executive Officer, a President, a Secretary, a Treasurer and such other officers with such other titles as the Board of Directors shall determine, including one or more Vice Presidents. The Board of Directors may appoint such other officers as it may deem appropriate.

3.2 Election. The Chief Executive Officer, President, Treasurer and Secretary shall be elected annually by the Board of Directors at its first meeting following the annual meeting of stockholders. Other officers may be appointed by the Board of Directors at such meeting or at any other meeting.

3.3 Qualification. No officer need be a stockholder. Any two or more offices may be held by the same person.

3.4 Tenure. Except as otherwise provided by law, by the Certificate of Incorporation or by these Bylaws, each officer shall hold office until such officer's successor is elected and qualified, unless a different term is specified in the resolution electing or appointing such officer, or until such officer's earlier death, resignation or removal.

3.5 Resignation and Removal. Any officer may resign by delivering a written resignation to the Corporation at its principal office or to the Chief Executive Officer, the President or the Secretary. Such resignation shall be effective upon receipt unless it is specified to be effective at some later time or upon the happening of some later event. Any officer may be removed at any time, with or without cause, by vote of a majority of the directors then in office. Except as the Board of Directors may otherwise determine, no officer who resigns or is removed shall have any right to any compensation as an officer for any period following such officer's resignation or removal, or any right to damages on account of such removal, whether such officer's compensation be by the month or by the year or otherwise, unless such compensation is expressly provided for in a duly authorized written agreement with the Corporation.

3.6 Vacancies. The Board of Directors may fill any vacancy occurring in any office for any reason and may, in its discretion, leave unfilled for such period as it may determine any offices other than those of Chief Executive Officer, President, Treasurer and Secretary. Each such successor shall hold office for the unexpired term of such officer's predecessor and until a successor is elected and qualified, or until such officer's earlier death, resignation or removal.

3.7 President; Chief Executive Officer. Unless the Board of Directors has designated another person as the Corporation's Chief Executive Officer, the President shall be the Chief Executive Officer. The Chief Executive Officer shall have general charge and

supervision of the business of the Corporation subject to the direction of the Board of Directors, and shall perform all duties and have all powers that are commonly incident to the office of chief executive or that are delegated to such officer by the Board of Directors. The President shall perform such other duties and shall have such other powers as the Board of Directors or the Chief Executive Officer (if the President is not the Chief Executive Officer) may from time to time prescribe. In the event of the absence, inability or refusal to act of the Chief Executive Officer or the President (if the President is not the Chief Executive Officer), the Vice President (or if there shall be more than one, the Vice Presidents in the order determined by the Board of Directors) shall perform the duties of the Chief Executive Officer and when so performing such duties shall have all the powers of and be subject to all the restrictions upon the Chief Executive Officer.

3.8 Vice Presidents. Each Vice President shall perform such duties and possess such powers as the Board of Directors or the Chief Executive Officer may from time to time prescribe. The Board of Directors may assign to any Vice President the title of Executive Vice President, Senior Vice President or any other title selected by the Board of Directors.

3.9 Secretary. The Secretary shall perform such duties and shall have such powers as the Board of Directors or the Chief Executive Officer may from time to time prescribe. In addition, the Secretary shall perform such duties and have such powers as are incident to the office of the secretary, including without limitation the duty and power to give notices of all meetings of stockholders and special meetings of the Board of Directors, to attend all meetings of stockholders and the Board of Directors and keep a record of the proceedings, to maintain a stock ledger and prepare lists of stockholders and their addresses as required, to be custodian of corporate records and the corporate seal and to affix and attest to the same on documents. In the absence of the Secretary at any meeting of stockholders or directors, the chairman of the meeting shall designate a temporary secretary to keep a record of the meeting.

3.10 Treasurer. The Treasurer shall perform such duties and shall have such powers as may from time to time be assigned by the Board of Directors or the Chief Executive Officer. In addition, the Treasurer shall perform such duties and have such powers as are incident to the office of treasurer, including without limitation the duty and power to keep and be responsible for all funds and securities of the Corporation, to deposit funds of the Corporation in depositories selected in accordance with these Bylaws, to disburse such funds as ordered by the Board of Directors, to make proper accounts of such funds, and to render as required by the Board of Directors statements of all such transactions and of the financial condition of the Corporation.

3.11 Salaries. Officers of the Corporation shall be entitled to such salaries, compensation or reimbursement as shall be fixed or allowed from time to time by the Board of Directors.

3.12 Delegation of Authority. The Board of Directors may from time to time delegate the powers or duties of any officer to any other officer or agent, notwithstanding any provision hereof.

ARTICLE IV

CAPITAL STOCK

4.1 Issuance of Stock. Subject to the provisions of the Certificate of Incorporation, the whole or any part of any unissued balance of the authorized capital stock of the Corporation or the whole or any part of any shares of the authorized capital stock of the Corporation held in the Corporation's treasury may be issued, sold, transferred or otherwise disposed of by vote of the Board of Directors in such manner, for such lawful consideration and on such terms as the Board of Directors may determine.

4.2 Stock Certificates; Uncertificated Shares.

(a) The shares of the Corporation may be represented by certificates, provided that the Board of Directors may provide by resolution or resolutions that some or all of any or all classes or series of the Corporation's stock shall be uncertificated shares. Every holder of stock of the Corporation represented by certificates shall be entitled to have a certificate, in such form as may be prescribed by law and by the Board of Directors, representing the number of shares held by such holder registered in certificate form. Each such certificate shall be signed in a manner that complies with Section 158 of the General Corporation Law of the State of Delaware.

(b) Each certificate for shares of stock which are subject to any restriction on transfer pursuant to the Certificate of Incorporation, these Bylaws, applicable securities laws or any agreement among any number of stockholders or among such holders and the Corporation shall have conspicuously noted on the face or back of the certificate either the full text of the restriction or a statement of the existence of such restriction.

(c) If the Corporation shall be authorized to issue more than one class of stock or more than one series of any class, the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights shall be set forth in full or summarized on the face or back of each certificate representing shares of such class or series of stock, provided that in lieu of the foregoing requirements there may be set forth on the face or back of each certificate representing shares of such class or series of stock a statement that the Corporation will furnish without charge to each stockholder who so requests a copy of the full text of the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights.

(d) Within a reasonable time after the issuance or transfer of uncertificated shares, the Corporation shall send to the registered owner thereof a written notice containing the information required to be set forth or stated on certificates

pursuant to Sections 151, 202(a) or 218(a) of the General Corporation Law of the State of Delaware or, with respect to Section 151 of General Corporation Law of the State of Delaware, a statement that the Corporation will furnish without charge to each stockholder who so requests the powers, designations, preferences and relative participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights.

4.3 Transfers. Shares of stock of the Corporation shall be transferable in the manner prescribed by law and in these Bylaws. Transfers of shares of stock of the Corporation shall be made only on the books of the Corporation or by transfer agents designated to transfer shares of stock of the Corporation. Subject to applicable law, shares of stock represented by certificates shall be transferred only on the books of the Corporation by the surrender to the Corporation or its transfer agent of the certificate representing such shares properly endorsed or accompanied by a written assignment or power of attorney properly executed, and with such proof of authority or the authenticity of signature as the Corporation or its transfer agent may reasonably require. Except as may be otherwise required by law, by the Certificate of Incorporation or by these Bylaws, the Corporation shall be entitled to treat the record holder of stock as shown on its books as the owner of such stock for all purposes, including the payment of dividends and the right to vote with respect to such stock, regardless of any transfer, pledge or other disposition of such stock until the shares have been transferred on the books of the Corporation in accordance with the requirements of these Bylaws.

4.4 Lost, Stolen or Destroyed Certificates. The Corporation may issue a new certificate of stock in place of any previously issued certificate alleged to have been lost, stolen or destroyed, upon such terms and conditions as the Board of Directors may prescribe, including the presentation of reasonable evidence of such loss, theft or destruction and the giving of such indemnity and posting of such bond as the Board of Directors may require for the protection of the Corporation or any transfer agent or registrar.

4.5 Record Date. The Board of Directors may fix in advance a date as a record date for the determination of the stockholders entitled to notice of or to vote at any meeting of stockholders or to express consent (or dissent) to corporate action without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action. Such record date shall not precede the date on which the resolution fixing the record date is adopted, and such record date shall not be more than 60 nor less than 10 days before the date of such meeting, nor more than 10 days after the date of adoption of a record date for a consent without a meeting, nor more than 60 days prior to any other action to which such record date relates. If no record date is fixed, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day before the day on which notice is given, or, if notice is waived, at the close of business on the day before the day on which the meeting is held. If no record date is fixed, the record date for determining stockholders entitled to express consent to corporate action without a meeting, when no

prior action by the Board of Directors is necessary, shall be the day on which the first consent is properly delivered to the Corporation. If no record date is fixed, the record date for determining stockholders for any other purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating to such purpose. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

4.6 Regulations; Limitations on Dividends.

(a) The issue, transfer, conversion and registration of shares of stock of the Corporation shall be governed by such other regulations as the Board of Directors may establish.

(b) The Corporation shall not make a dividend payment to any stockholder of the Corporation if, and to the extent, such dividend payment would violate the General Corporation Law of the State of Delaware or other applicable law.

ARTICLE V

GENERAL PROVISIONS

5.1 Fiscal Year. Except as from time to time otherwise designated by the Board of Directors, the fiscal year of the Corporation shall begin on the first day of January of each year and end on the last day of December in each year.

5.2 Corporate Seal. The corporate seal shall be in such form as shall be approved by the Board of Directors.

5.3 Waiver of Notice. Whenever notice is required to be given by law, by the Certificate of Incorporation or by these Bylaws, a written waiver, signed by the person entitled to notice, or a waiver by electronic transmission by the person entitled to notice, whether before, at or after the time of the event for which notice is to be given, shall be deemed equivalent to notice required to be given to such person. Neither the business nor the purpose of any meeting need be specified in any such waiver. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

5.4 Voting of Securities. Except as the Board of Directors may otherwise designate, the Chief Executive Officer, the President or the Treasurer may waive notice of, vote, or appoint any person or persons to vote, on behalf of the Corporation at, and act as, or appoint any person or persons to act as, proxy or attorney-in-fact for this Corporation (with or without power of substitution) at, any meeting of stockholders or securityholders of any other entity, the securities of which may be held by this Corporation.

5.5 Evidence of Authority. A certificate by the Secretary or a temporary Secretary, as to any action taken by the stockholders, directors, a committee or any officer or representative of the Corporation shall as to all persons who rely on the certificate in good faith be conclusive evidence of such action.

5.6 Severability. Any determination that any provision of these Bylaws is for any reason inapplicable, illegal or ineffective shall not affect or invalidate any other provision of these Bylaws.

5.7 Pronouns. All pronouns used in these Bylaws shall be deemed to refer to the masculine, feminine or neuter, singular or plural, as the identity of the person or persons may require.

5.8 Books and Records.

(a) To the fullest extent permitted by law, all books and records of an Exchange Subsidiary reflecting confidential information pertaining to the self-regulatory function of such Exchange Subsidiary (including disciplinary matters, trading data, trading practices and audit information) that shall come into the

possession of the Corporation, and the information contained in those books and records, shall be retained in confidence by the Corporation, the stockholders of the Corporation, the Board of Directors, officers, employees and agents of the Corporation and shall not be used for any non-regulatory purposes. For purpose of these Bylaws, "Exchange Subsidiary" shall mean any subsidiary of the Corporation that is registered with the Securities and Exchange Commission (the "SEC") as a national securities exchange as provided in Section 6 of the Securities Exchange Act of 1934 (the "Exchange Act"). Notwithstanding the foregoing sentences, nothing herein shall be interpreted so as to limit or impede the rights of the SEC or any Exchange Subsidiary to access and examine such confidential information pursuant to the U.S. federal securities laws and the rules and regulations thereunder, or to limit or impede the ability of any officers, directors, agents, employees or stockholders of the Corporation to disclose such information to the SEC or an Exchange Subsidiary.

(b) All books and records of the Corporation shall be maintained at a location within the United States. To the extent they are related to the operation or administration of an Exchange Subsidiary, the books, records, premises, officers, directors, agents, and employees of the Corporation shall be deemed to be the books, records, premises, officers, directors, agents and employees of such Exchange Subsidiary for the purpose of, and subject to oversight pursuant to, the Exchange Act. For so long as the Corporation shall control, directly or indirectly, an Exchange Subsidiary, the Corporation's books and records shall be subject at all times to inspection and copying by the SEC and the applicable Exchange Subsidiary, provided that such books and records are related to the operation or administration of an Exchange Subsidiary.

ARTICLE VI

AMENDMENTS

6.1 By the Board of Directors. These Bylaws may be altered, amended or repealed, in whole or in part, or new Bylaws may be adopted by the Board of Directors.

6.2 By the Stockholders. These Bylaws may be altered, amended or repealed, in whole or in part, or new Bylaws may be adopted, by the affirmative vote of the holders of a majority of the shares of the capital stock of the Corporation issued and outstanding and entitled to vote at any annual meeting of stockholders, or at any special meeting of stockholders, provided notice of such alteration, amendment, repeal or adoption of new Bylaws shall have been stated in the notice of such special meeting.

6.3 Exceptions and Limitations. The approval contemplated by this Article VI shall not be required to the extent that: (a) such approval requirements would cause the Corporation not to be in compliance with U.S. federal securities laws and the rules and regulations thereunder; or (b) would adversely impact the regulatory authority of an Exchange Subsidiary.

6.4 For so long as the Corporation shall control, directly or indirectly, an Exchange Subsidiary, before any amendment to or repeal of any provision of these Bylaws shall be effective, those changes shall be submitted to the board of directors of each Exchange Subsidiary and if the same must be filed with, or filed with and approved by, the SEC before the changes may be effective under Section 19 of the Exchange Act and the rules promulgated under the Exchange Act or otherwise, then the proposed changes to these Bylaws shall not be effective until filed with, or filed with and approved by, the SEC, as the case may be.

ARTICLE VII

SRO FUNCTION

7.1 Preservation of Independence. For so long as the Corporation shall, directly or indirectly, control an Exchange Subsidiary, the Board of Directors, officers, employees and agents of the Corporation shall give due regard to the preservation of the independence of the self-regulatory function of such Exchange Subsidiary, as well as to its obligations to investors and the general public and shall not take any actions that would interfere with the effectuation of any decisions by a board of directors of an Exchange Subsidiary relating to its regulatory functions (including disciplinary matters) or which would interfere with the ability of such Exchange Subsidiary to carry out its responsibilities under the Exchange Act. To the fullest extent permitted by law, no present or past director, employee, beneficiary, agent, customer, creditor, regulatory authority (or member thereof) or other person shall have any rights against the Corporation or any director, officer, employee or agent of the Corporation under this Section 7.1.

7.2 Compliance with Securities Laws; Cooperation with the SEC. The Corporation shall comply with the U.S. federal securities laws and the rules and regulations thereunder and shall cooperate with the SEC and each Exchange Subsidiary, as applicable, pursuant to and to the extent of their respective regulatory authority. The officers, directors, employees and agents of the Corporation, by virtue of their acceptance of such position, shall be deemed to agree (i) to comply with the U.S. federal securities laws and the rules and regulations thereunder and (ii) to cooperate with the SEC and each Exchange Subsidiary in respect of the SEC's oversight responsibilities regarding the Exchange Subsidiaries and the self-regulatory functions and responsibilities of the Exchange Subsidiaries. The Corporation shall take reasonable steps necessary to cause its officers, directors, employees and agents to so cooperate. To the fullest extent permitted by law, no present or past director, employee, beneficiary, agent, customer, creditor, regulatory authority (or member thereof) or other person shall have any rights against the Corporation or any director, officer, employee or agent of the Corporation under this Section 7.2.

7.3 Consent to Jurisdiction. To the fullest extent permitted by law, the Corporation and its officers, directors, employees and agents, by virtue of their acceptance of such position, shall be deemed to irrevocably submit to the jurisdiction of the United States federal courts, the SEC, each Exchange Subsidiary, as applicable, for the purposes of any

suit, action or proceeding pursuant to the U.S. federal securities laws and the rules and regulations thereunder arising out of, or relating to, the activities of an Exchange Subsidiary, and by virtue of their acceptance of any such position, shall be deemed to waive, and agree not to assert by way of motion, as a defense or otherwise in any such suit, action or proceeding, any claims that it or they are not personally subject to the jurisdiction of the United States federal courts, the SEC and the Exchange Subsidiaries that the suit, action or proceeding is an inconvenient forum or that the venue of the suit, action or proceeding is improper, or that the subject matter of that suit, action or proceeding may not be enforced in or by such courts or agency. The Corporation and its officers, directors, employees and agents also agree that they will maintain an agent, in the United States, for the service of process of a claim arising out of, or relating to, the activities of an Exchange Subsidiary.

7.4 Consent to Applicability. The Corporation shall take reasonable steps necessary to cause its current officers, directors, employees and agents and prospective officers, directors, employees and agents prior to such person's employment, appointment or otherwise, to consent in writing to the applicability of Section 5.8 of these Bylaws and this Article VII with respect to activities related to an Exchange Subsidiary.

The rights, powers, duties, obligations and liabilities of the Member shall be determined pursuant to the Act and this Agreement. (b) The Company shall not:

- (i) assume the liabilities of any of its Affiliates unless such assumption is approved in accordance with this Agreement; or

The management of the Company is fully reserved to the Member, and the Company shall not have “managers” as that term is used in the Act. The powers of the Company shall be exercised by or under the authority of, and the business and affairs of the Company shall be managed under the direction of, the Member, who shall make all decisions and take all actions for the Company. In managing the business and affairs of the Company and exercising its powers, the Member shall act through resolutions adopted in written consents. Decisions or actions taken by the Member in accordance with this Agreement shall constitute decisions or action by the Company and shall be binding on the Company.

(a) The Chief Executive Officer and the General Counsel shall each be appointed by the Member.

(b) The Chief Executive Officer shall appoint such other officers of the Company as he or she shall from time to time deem necessary and may assign any title to any such officer as he or she deems appropriate. Such officers shall have such terms of employment or service, shall receive such compensation and shall exercise such powers and perform such duties as the Member (or, if the Member delegates to the Chief Executive Officer, the Chief Executive Officer) shall from time to time determine. Any number of offices may be held by the same person.

(c) The Chief Executive Officer shall have the authority to remove any officer; provided that the Chief Executive Officer shall not have the authority to remove any members of senior level management of the Company specifically selected and appointed by the Member.

(d) No person subject to a “statutory disqualification” (as defined in Section 3(a)(39) of the Exchange Act) may serve as an officer of the Company.

(e) Subject to the Member’s oversight and consent, the Chief Executive Officer shall be responsible for the day-to-day management of the business of the Company, and shall see that all orders and resolutions of the Member are carried into effect. The Chief Executive Officer shall have the authority to retain and terminate employees, agents and consultants of the Company and to delegate such duties to any such employees, agents and consultants as the Chief Executive Officer deems appropriate.

(f) To the extent that any certificate is required to be filed with the Delaware Secretary of State, each of the Chief Executive Officer and General Counsel is designated as an “authorized person” of the Company within the meaning of the Act.

Section 3.03. **Officers as Agents; Duties of Officers.**

(a) The officers of the Company, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Member not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business, and the actions of the officers of the Company taken in accordance with such powers shall bind the Company.

(b) Except to the extent otherwise provided herein, each officer of the Company shall have fiduciary duties identical to those of officers of business corporations organized under the General Corporation Law of the State of Delaware.

Section 3.04. **Subsidiaries.**

(a) Subject to this Section 3.04, the Member may constitute any officer of the Company as the Company's proxy, with power of substitution, to vote the equity of any subsidiary of the Company and to exercise, on behalf of the Company, any and all rights and powers incident to the ownership of that equity, including the authority to execute and deliver proxies, waivers and consents. Subject to this Section 3.04, in the absence of specific action by the Member, the Chief Executive Officer shall have authority to represent the Company and to vote, on behalf of the Company, the equity of other Persons, both domestic and foreign, held by the Company. Subject to this Section 3.04, the Chief Executive Officer shall also have the authority to exercise any and all rights incident to the ownership of that equity, including the authority to execute and deliver proxies, waivers and consents.

(b) At any meeting of the equity holders of an Exchange Subsidiary held for the purpose of electing directors (other than the Chief Executive Officer of EDGA Exchange, Inc. ("**EDGA**") or EDGX Exchange, Inc. ("**EDGX**", and, together with EDGA, the "**Exchange Subsidiaries**", and each individually, an "**Exchange Subsidiary**"), as applicable) or members of the Nominating Committee or Member Nominating Committee of the Board of Directors of any such Exchange Subsidiary, as applicable, or in the event written consents are solicited or otherwise sought from the equity holders of an Exchange Subsidiary with respect thereto, the Company shall cause all outstanding equity of such Exchange Subsidiary owned directly or indirectly by the Company and entitled to vote with respect to such election to be voted in favor of the election of only those directors nominated by the Nominating Committee of such Exchange Subsidiary and those nominees for the Nominating Committee and those nominees for the Member Nominating Committee nominated in accordance with the governance documents of such Exchange Subsidiary, and, with respect to any such written consents, shall cause to be validly executed only such written consents electing only such directors nominated by the Nominating Committee of such Exchange Subsidiary, such members of the Nominating Committee of such Exchange Subsidiary and such members of the Member Nominating Committee of such Exchange Subsidiary.

(c) With respect to the Chief Executive Officer of each of EDGA and EDGX, the Company shall take all actions in its capacity as a direct or indirect stockholder of EDGA and EDGX to vote or consent with respect to the election of such Chief Executive Officer as a member of the Boards of Directors of EDGA and EDGX. With respect to Member

If the Board of Directors of EDGA or EDGX determines that a director of EDGA or EDGX, as applicable, (i) no longer satisfies the classification for which the director was elected, (ii) would, if such director continued service in such capacity, violate the compositional requirements of the Board of Directors of EDGA or EDGX as set forth in its governance documents, or (iii) has become subject to a “statutory disqualification” (as defined in Section 3(a)(39) of the Exchange Act), the Company shall take all actions in its capacity as a direct or indirect stockholder of EDGA and EDGX, as applicable, to remove such director from the Board of Directors of EDGA or EDGX, as applicable.

ARTICLE IV CAPITAL STRUCTURE AND CONTRIBUTIONS

Section 4.02. **Capital Contributions.**

A capital contributions account shall be maintained for the Member, to which contributions shall be credited and against which distributions of capital contributions shall be charged. From time to time, the Member may determine that the Company requires capital and may make capital contributions in an amount determined by the Member, and such contributions shall be credited to the Member’s capital contributions account.

ARTICLE V PROFITS, LOSSES AND DISTRIBUTIONS

Section 5.01. **Profits and Losses.**

A profit and loss account shall be maintained for the Member, to which profits shall be credited and against which losses and distributions of profits shall be charged. For financial accounting and tax purposes, the Company’s net profits or net losses shall be determined on an annual basis in accordance with the manner determined by the Member. In each year, profits and losses shall be allocated entirely to the Member’s profit and loss account.

Section 5.02. **Distributions.**

The Member shall determine profits available for distribution and the amount, if any, to be distributed to the Member, and shall authorize and distribute on the Common Interests, the determined amount when, as and if declared by the Member. The distributions of profits of the Company shall be paid to the Member out of the Member’s profit and loss account. No distribution shall be declared or paid which shall impair the capital of the Company nor shall any distribution of assets be made to the Member unless the value of the assets of the Company

remaining after such payment or distribution is at least equal to the aggregate of its debts and liabilities, including capital.

ARTICLE VI
DISSOLUTION

The Company shall be dissolved and its affairs wound up upon the occurrence of any of the following events: (a) the Member votes for dissolution; or (b) a judicial dissolution of the Company under Section 18-802 of the Act.

ARTICLE VII
TRANSFER OF INTERESTS IN THE COMPANY

The Member may not sell, assign, transfer, convey, gift, exchange or otherwise dispose of any or all of its Common Interests except pursuant to an amendment to this Agreement, which shall not be effective until filed with and approved by the SEC under Section 19 of the Exchange Act and the rules and regulations promulgated thereunder by the SEC or otherwise, as the case may be. After such amendment is effective, upon receipt by the Company of a written agreement executed by the person or entity to whom such Common Interests are to be transferred agreeing to be bound by the terms of this Agreement, such person shall be admitted as a member of the Company.

ARTICLE VIII
EXCULPATION AND INDEMNIFICATION

Section 8.01. Exculpation.

Notwithstanding any other provisions of this Agreement, whether express or implied, or any obligation or duty at law or in equity, neither the Member, any officers, directors, stockholders, partners, employees, affiliates, representatives or agents of any of the Member, the Company, nor any officer, employee, representative or agent of the Company (individually, a "Covered Person" and, collectively, the "Covered Persons") shall be liable to the Company or any other person for any act or omission (in relation to the Company, its property or the conduct of its business or affairs, this Agreement, any related document or any transaction or investment contemplated hereby or thereby) taken or omitted by a Covered Person in the reasonable belief that such act or omission is in or is not contrary to the best interests of the Company and is within the scope of authority granted to such Covered Person by the Agreement; provided that such act or omission does not constitute fraud, willful misconduct, bad faith, or gross negligence.

Section 8.02. No Duties.

(a) Neither the Member nor any officer of the Company, other than the Chief Executive Officer, to the fullest extent permitted by applicable law, shall have any duty (fiduciary or otherwise) to the Company or to the Member otherwise existing at law or in equity.

(b) Notwithstanding anything to the contrary in this Agreement, to the extent that, at law or in equity, the Member or an officer of the Company does have duties (including fiduciary duties) or liabilities relating to the Company, the Member or any other Person, such

Member or officer of the Company acting pursuant to this Agreement shall not be liable to the Company, the Member or any other Person for breach of fiduciary duty by reason of such Member or officer of the Company placing good faith reliance on the provisions of this Agreement. The Member hereby agrees that, to the extent the provisions of this Agreement restrict or eliminate duties (including fiduciary duties) or liabilities of the Member and the officers of the Company that may otherwise exist at law or in equity, such provisions replace such other duties and liabilities of such Member or officer to the Company, the Member or any other Person.

(c) The foregoing provisions of this Section 8.02 shall not limit in any way the duties or obligations of the Member or the officers of the Company under any of the provisions of Section 11.02 or Article X.

Section 8.03. Indemnification.

To the fullest extent permitted by law, the Company shall indemnify and hold harmless each Covered Person from and against any and all losses, claims, demands, liabilities, expenses, judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative (“Claims”), in which the Covered Person may be involved, or threatened to be involved, as a party or otherwise, by reason of its management of the affairs of the Company or which relates to or arises out of the Company or its property, business or affairs. A Covered Person shall not be entitled to indemnification under this Section 8.03 with respect to (i) any Claim with respect to which such Covered Person has engaged in fraud, willful misconduct, bad faith or gross negligence or (ii) any Claim initiated by such Covered Person unless such Claim (or part thereof) (A) was brought to enforce such Covered Person’s rights to indemnification hereunder or (B) was authorized or consented to by the Member. Expenses incurred by a Covered Person in defending any Claim shall be paid by the Company in advance of the final disposition of such Claim upon receipt by the Company of an undertaking by or on behalf of such Covered Person to repay such amount if it shall be ultimately determined that such Covered Person is not entitled to be indemnified by the Company as authorized by this Section 8.03.

Section 8.04. Amendments.

Any repeal or modification of this Article VIII by the Member shall not adversely affect any rights of such Covered Person pursuant to this Article VIII, including the right to indemnification and to the advancement of expenses of a Covered Person existing at the time of such repeal or modification with respect to any acts or omissions occurring prior to such repeal or modification.

ARTICLE IX CONFIDENTIALITY

Section 9.01. Duty of Confidentiality.

(a) The Member, during the period starting from the date on which such Member became a member of the Company through and ending on the date that is the one year anniversary of the date on which such Member shall have ceased to be a member of the

Company, shall not, without the Company's prior written consent, disclose to any Person other than an Exempt Person (as defined below) of such Member any confidential, non-public information obtained from the Company or one of its Affiliates concerning any of the following (collectively, "**Confidential Information**"):

(i) any (a) inventions and discoveries (whether patentable or unpatentable and whether or not reduced to practice), all improvements thereto, all patents, registrations, invention disclosures and applications therefor, including divisions, revisions, supplementary protection certificates, continuations, continuations-in-part and renewal applications, and including renewals, extensions, reissues and re-examinations thereof; (b) published and unpublished works of authorship, whether copyrightable or not (including without limitation databases and other compilations of information, mask works and semiconductor chip rights), copyrights therein and thereto, and registrations and applications therefor, and all renewals, extensions, restorations and reversions thereof; and (c) trade secrets and other technical information (which may include ideas, research and development, know-how, formulae and other processes, business methods, customer lists and supplier lists), in each case that is owned or used by the Company or any of its subsidiaries;

(ii) any dealings between the Company or any of its subsidiaries, on the one hand, and any Person to whom the Company or any of its subsidiaries provides or receives services under any agreement, lease, license, contract, note, mortgage, indenture, arrangement or other obligation or any employee, director, officer, manager or member of the Company or any of its subsidiaries, on the other hand;

(iii) any financial information or results of operations of the Company or any of its subsidiaries; or

(iv) any business plans, pricing information, customer information or regulatory information of the Company or any of its subsidiaries.

For purposes of this Agreement, "**Exempt Person**" means, with respect to any Person, any Affiliate of such Person or any Representative of the Company, such Person or such Person's Affiliate, in each case, who (x) has a reasonable need to know the contents of the Confidential Information, (y) is informed of the confidential nature of the Confidential Information and (z) agrees to keep such information confidential in accordance with the terms of this Agreement and any other restrictions that the Member or any governmental or regulatory authority may determine is appropriate.

(b) Notwithstanding the foregoing, Confidential Information shall not include, with respect to any Person, any information that:

(a) For so long as the Company shall, directly or indirectly, control an Exchange Subsidiary, the Member and the officers, employees and agents of the Company shall give due regard to the preservation of the independence of the self-regulatory function of such Exchange Subsidiary, as well as to its obligations to investors and the general public and shall not take any actions that would interfere with the effectuation of any decisions by a board of directors of an Exchange Subsidiary relating to its regulatory functions (including disciplinary matters) or which would interfere with the ability of such Exchange Subsidiary to carry out its responsibilities under the Exchange Act.

(b) To the fullest extent permitted by law, no present or past member of the Company, employee, beneficiary, agent, customer, creditor, regulatory authority (or member thereof) or other Person shall have any rights against the Company or any manager, officer, employee or agent of the Company under this Section 10.01.

Notwithstanding the foregoing sentence, nothing herein shall be interpreted so as to limit or impede the rights of the SEC or an Exchange Subsidiary to access and examine such confidential information pursuant to the U.S. federal securities laws and the rules and regulations thereunder, or to limit or impede the ability of the Member or any officer, employee or agent of the Company to disclose such information to the SEC or an Exchange Subsidiary.

Section 2. Composition of the Board

(a) The Board of Directors shall consist of four (4) or more Directors, the number thereof to be determined from time to time by resolution of the Board of Directors, subject to the compositional requirements of the Board set forth in Article III, Section 2(b).

Upon completion, the List of Candidates shall be sent by the Secretary to all Exchange Members that were Exchange Members on the Record Date, by any means, including electronic transmission, to confirm the nominees for the Member Representative Director positions. The List of

Candidates shall be accompanied by a notice regarding the time and date of an election to be held at least twenty (20) days prior to the annual or special stockholders' meeting to confirm the Exchange Members' selections of nominees for Member Representative Directors.

(f) With respect to the election held to determine the final nomination of Member Representative Directors, each Exchange Member shall have the right to cast one (1) vote for each available Member Representative Director nomination; provided, however, that any such vote must be cast for a person on the List of Candidates and that no Exchange Member, together with its affiliates, may account for more than twenty percent (20%) of the votes cast for a candidate, and any votes cast by such Exchange Member, together with its affiliates, in excess of such twenty percent (20%) limitation shall be disregarded. The votes shall be cast by written ballot, electronic transmission or any other means as set forth in a notice to the Exchange Members sent by the Company prior to such election. Only votes received prior to 4:00 p.m. Central Time on the date of the election shall count for the nomination of a Member Representative Director. The persons on the List of Candidates who receive the most votes shall be selected as the nominees for the Member Representative Director positions to be elected by stockholders.

(g) The initial Directors of the Board of Directors shall be appointed by the stockholder and shall serve until the first annual meeting of stockholders.

Section 5. Chairman of the Board

The Chief Executive Officer shall be the Chairman of the Board ("Chairman"). The Chairman shall preside at all meetings of the Board at which the Chairman is present; provided, however, that he or she shall not participate in executive sessions of the Board. The Chairman shall exercise such other powers and perform such other duties as may be assigned to the Chairman from time to time by the Board. The Board of Directors shall designate a Lead Director from among the Board's Independent Directors to preside over executive sessions of the Board. The Board shall publicly disclose the identity of the Lead Director and the means by which interested parties may communicate with the Lead Director.

Section 6. Vacancies

(a) Whenever any Director position, other than a Member Representative Director position, becomes vacant prior to the election of a successor at the end of such Director's term, whether because of death, disability, disqualification, removal, or resignation, and whenever any newly-created Director position, other than a Member Representative Director position, becomes available because of an increase in the number of Directors, the Nominating Committee shall nominate, and stockholders shall elect, a person satisfying the classification (Industry, Non-Industry, or Independent Director), if applicable, for the directorship to fill such vacancy until the expiration of the remaining term or to fill such newly-created Director position until the expiration of such position's designated term; *provided*, however, that the Board shall not be deemed to be in violation of Article III, Section 2(b) by virtue of a Director's vacancy if such position is filled by the later of (i) 60 days from the date of such vacancy or (ii) the date of the next annual stockholders' meeting.

(b) Whenever any Member Representative Director position becomes vacant prior to the election of a successor at the end of such Member Representative Director's term, whether because of death, disability, disqualification, removal, or resignation, and whenever any newly-created Member Representative Director position becomes available because of an increase in the number of Directors, then the stockholders shall follow the procedures set forth in this Section 6(b). In such event, the Member Nominating Committee shall either (i) recommend an individual to the stockholders to be elected to fill such vacancy or (ii) provide a list of recommended individuals to the stockholders from which the stockholders shall elect the individual to fill such vacancy. A Member Representative Director elected pursuant to this Section 6(b) shall serve until the expiration of the remaining term or until the expiration of such position's designated term; *provided*, however, that the Board shall not be deemed to be in violation of Article III, Section 2(b) by virtue of a Member Representative Director's vacancy if such position is filled by the later of (i) 60 days from the date of such vacancy or (ii) the date of the next annual stockholders' meeting.

Section 7. Removal and Resignation

(a) Except as hereinafter provided, any Director may be removed or expelled with or without cause by majority vote of stockholders, and may be removed by the Board of Directors in the manner provided by Article III, Section 7(b) below; provided, however, that any Member Representative Director may only be removed for cause, which shall include, without limitation, such Director being subject to a statutory disqualification.

(b) A Director shall be removed immediately upon a determination by the Board, by a majority vote of the remaining Directors, (a) that the Director no longer satisfies the classification for which the Director was elected; and (b) that the Director's continued service as such would violate the compositional requirements of the Board set forth in Article III, Section 2(b).

(c) Any Director may resign at any time either upon notice of resignation to the Chairman of the Board, the President or the Secretary. Any such resignation shall take effect at the time specified therein or, if the time is not specified, upon receipt thereof, and the acceptance of such resignation, unless required by the terms thereof, shall not be necessary to make such resignation effective.

Section 8. Place of Meetings; Mode

Any meeting of the Board may be held at such place, within or without the State of Delaware, as shall be designated in the notice of such meeting, but if no such designation is made, then the meeting will be held at the principal business office of the Company. Members of the Board or any committee of the Board may participate in a meeting of the Board or committee by conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting.

Section 9. Regular Meetings

Regular meetings of the Board may be held, with or without notice, at such time or place as may from time to time be specified in a resolution adopted by the Board.

Section 10. Special Meetings

(a) Special meetings of the Board may be called on a minimum of two (2) days' notice to each Director by the Chairman or the President, and shall be called by the Secretary upon the written request of three (3) Directors then in office.

(b) The person or persons calling a special meeting of the Board shall fix the time and place at which the meeting shall be held, and such time and place shall be specified in the notice of such meeting. Notice of any special meeting shall be given to each Director at his or her business address or such other address as he or she may have advised the Secretary to use for such purpose. If delivered, notice shall be deemed to be given when delivered to such address or to the Director to be notified. If mailed, such notice shall be deemed to be given five (5) business days after deposit in the United States mail, postage prepaid, of a letter addressed to the appropriate location. Notice may also be given by telephone, electronic transmission or other means not specified in this section, and in each such case shall be deemed to be given when actually received by the Director to be notified.

Section 11. Exchange Member Meetings

The Company shall not be required to hold meetings of the Exchange Members.

Section 12. Voting, Quorum and Action by the Board

Each Director shall be entitled to one (1) vote. At all meetings of the Board, the presence of a majority of the number of Directors then in office shall constitute a quorum for the transaction of business. If a quorum shall not be present at any meeting of the Board, the Directors present at such meeting may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present. The act of a majority of the Directors present at any meeting at which there is a quorum shall be the act of the Board except as may be otherwise specifically provided by statute, the Certificate of Incorporation, or these Bylaws.

Section 13. Presumption of Assent

A Director of the Company who is present at a duly convened meeting of the Board or of a committee of the Board at which action on any corporate matter is taken shall be conclusively presumed to have assented to the action taken unless his or her dissent or election to abstain shall be entered in the minutes of the meeting or unless he or she shall file his or her written dissent or election to abstain to such action with the person acting as the secretary of the meeting before the adjournment of the meeting or shall forward such dissent or election to abstain by registered or certified mail to the Secretary of the Company immediately after the adjournment of the meeting. Such right to dissent or abstain shall not apply to a Director who voted in favor of such action.

Section 14. Action in Lieu of Meeting

Unless otherwise restricted by statute, the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board or any committee thereof may be taken without a meeting if all members of the Board or committee, as the case may be, consent thereto in writing or by electronic transmission, and such writing(s) or electronic transmission(s) are filed with the minutes of proceedings of the Board or the committee.

Section 15. Waiver of Notice

(a) Whenever notice is required to be given by law, the Certificate of Incorporation or these Bylaws, a waiver thereof by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board, or members of a committee, need be specified in any waiver of notice.

(b) Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

Section 16. Compensation of Board and Committee Members

The Board may provide for reasonable compensation of the Chairman, the Directors and the members of committees. The Board may also provide for reimbursement of reasonable expenses incurred by such persons in connection with the business of the Company.

Section 17. Interpretation of Bylaws

The Board shall have the power to interpret these Bylaws and any interpretation made by it shall be final and conclusive.

Section 18. Conflicts of Interest; Contracts and Transactions Involving Directors

(a) A Director or a member of any committee may not participate in the consideration or decision of any matter relating to a particular Exchange Member, company, or individual if such Director or committee member has a material interest in, or a professional, business, or personal relationship with, that Exchange Member, company, or individual, or if such participation shall create an appearance of impropriety. In any such case, the Director or committee member shall recuse himself or herself or shall be disqualified. If a member of the Board or any committee is recused from consideration of a matter, any decision on the matter shall be by a vote of a majority of the remaining members of the Board or applicable committee.

(b) No contract or transaction between the Company and one or more of its Directors or officers, or between the Company and any other corporation, partnership, association, or other organization in which one or more of its Directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely for this reason if: (i) the material facts pertaining to such Director's or officer's relationship or interest and the contract or transaction

are disclosed or are known to the Board or the committee, and the Board or committee in good faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors be less than a quorum; or (ii) the material facts are disclosed or become known to the Board or committee after the contract or transaction is entered into, and the Board or committee in good faith ratifies the contract or transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors be less than a quorum.

Article IV STOCKHOLDERS

Section 1. Annual Meeting; Election of Directors and Other Matters

(a) The annual meeting of the stockholders shall be held at such place and time as determined by the Board for the purpose of electing Directors and members of the Nominating Committee and Member Nominating Committee, and for conducting such other business as may properly come before the meeting. Written notice of the annual meeting stating the place, date and hour of the meeting shall be given to each stockholder entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting.

(b) The first annual meeting of the stockholders shall be held prior to the Company's commencement of operations as an Exchange.

Section 2. Special Meetings

Special meetings of the stockholders, for any purpose or purposes, may be called by the Chairman, the Board or the President, and shall be called by the Secretary at the request in writing of stockholders owning not less than a majority of the then issued and outstanding capital stock of the Company entitled to vote. Written notice of a special meeting stating the place, date and hour of the meeting and the purpose or purposes for which the meeting is called, shall be given to each stockholder entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting. Business transacted at any special meeting of stockholders shall be limited to the purpose(s) stated in the notice of the meeting.

Section 3. List of Stockholders

The Secretary of the Company, or such other person designated by the Secretary or the Board, shall have charge of the stock ledger of the Company and shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time of the meeting, and may be inspected by any stockholder who is present.

Section 4. Quorum and Vote Required for Action

(a) The holders of a majority of the capital stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business except as otherwise provided by statute, the Certificate of Incorporation or these Bylaws. If, however, such quorum shall not be present or represented at any meeting of the stockholders, the stockholders entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

(b) When a quorum is present at any meeting, the vote of the holders of a majority of the capital stock having voting power present in person or represented by proxy shall decide any question brought before such meeting, unless the question is one upon which by express provision of statute or of the Certificate of Incorporation, a different vote is required, in which case such express provision shall govern and control the decision of such question.

Section 5. Voting of Shares; Proxies

Unless otherwise provided in the Certificate of Incorporation or these Bylaws, each stockholder of the Company shall at every meeting of the stockholders be entitled to one (1) vote in person or by proxy for each share of the capital stock having voting power held by such stockholder, but no proxy shall be voted on after three (3) years from its date, unless the proxy provides for a longer period. Any such proxy shall be in writing and shall be filed with the Secretary of the Company before or at the time of the meeting.

Section 6. Action in Lieu of Meeting

As set forth in the Certificate of Incorporation of the Company, any action upon which a vote of stockholders is required or permitted, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding capital stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Company in the manner required by law, provided that the matter to be acted upon by such written consent previously has been directed by the Board to be submitted to the stockholders for their action by written consent. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not so consented in writing.

Section 7. Assignment

The stockholder may not transfer or assign, in whole or in part, its ownership interest(s) in the Company.

Article V Committees of the Board

Section 1. Number of Committees

The committees of the Board shall consist of a Compensation Committee, an Audit Committee, a Regulatory Oversight Committee, an Appeals Committee, and such other committees as may be from time to time established by the Board. Committees shall have such authority as is vested in them by these Bylaws or the Rules, or as is delegated to them by the Board. All committees are subject to the control and supervision of the Board.

Section 2. Appointment and Removal; Vacancies; Term

(a) The Chairman, with the approval of the Board, shall appoint, consistent with these Bylaws, the members of all committees of the Board, as well as the chair of each committee, and the Chairman may, at any time, with or without cause, remove any member of a committee so appointed, with the approval of the Board. Each committee shall be comprised of at least three (3) people and may include persons who are not members of the Board; provided, however, that such committee members who are not also members of the Board shall only participate in committee actions to the extent permitted by law. In appointing members to committees of the Board, the Chairman is responsible for determining that any such committee meets the composition requirements set forth in this Article V.

(b) Upon request of the Secretary, each prospective committee member who is not a Director shall provide to the Secretary such information as is reasonably necessary to serve as the basis for a determination of the prospective committee member's classification as an Industry, Non-Industry, or Independent member. The Secretary shall certify to the Board each prospective committee member's classification. Such committee members shall update the information submitted under this subsection at least annually and upon request of the Secretary, and shall report immediately to the Secretary any change in such information.

(c) The term of office of a committee member shall terminate immediately upon a determination by the Board, by a majority vote of the Directors, (i) that the committee member no longer satisfies the classification for which the committee member was selected; and (ii) that the committee member's continued service as such would violate the compositional requirements of such committee set forth in this Article V.

(d) Any vacancy occurring in a committee shall be filled by the Chairman for the remainder of the term, with the approval of the Board.

(e) Except as otherwise provided by the Bylaws, members of a committee shall hold office for a one-year period.

Section 3. Powers and Duties of Committees

To the extent provided in the resolution of the Board, any committee that consists solely of one or more Directors shall have and may exercise all the powers and authority of the Board in the management of the business and affairs of the Company.

Section 4. Conduct of Proceedings

Except as otherwise provided in these Bylaws or by the Board, each committee may adopt its own rules of procedure and may meet at stated times or on such notice as such committee may determine. Each committee shall keep regular minutes of its meetings and report the same to the Board when required.

Section 5. Voting, Quorum and Action by Committees

Each committee member shall be entitled to one (1) vote. Unless otherwise required by the Bylaws, the presence of a majority of the number of committee members serving on a committee shall constitute a quorum for the transaction of business of such committee. If a quorum shall not be present at any meeting of a committee, the committee members present at such meeting may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present. The act of a majority of the committee members present at any meeting at which there is a quorum shall be the act of such committee except as may be otherwise specifically provided by statute or these Bylaws.

Section 6. Specified Committees

The Compensation Committee shall consider and recommend compensation policies, programs, and practices for officers and other employees of the Company. Each voting member of the Compensation Committee shall be a Non-Industry Director.

(b) The Chairman, with the approval of the Board, shall appoint an Audit Committee consisting of Directors. A majority of the Audit Committee members shall be Non-Industry Directors. A Non-Industry Director shall serve as Chairman of the Audit Committee. The Audit Committee shall have exclusive authority to: (A) hire or terminate the head of the Company's Internal Audit Department; (B) determine the compensation of the head of the Internal Audit Department; and (C) determine the budget for the Internal Audit Department. The Internal Audit Department and its head shall report directly to the Audit Committee. The Audit Committee may, in its discretion, direct that the Internal Audit Department also report to senior management of the Company on matters the Audit Committee deems appropriate and may

request that senior management of the Company perform such operational oversight as necessary and proper, consistent with preservation of the independence of the internal audit function.

(c) The Chairman, with the approval of the Board, shall appoint a Regulatory Oversight Committee. The Regulatory Oversight Committee shall oversee the adequacy and effectiveness of Exchange's regulatory and self-regulatory organization responsibilities, including those responsibilities with regard to each of its facilities, as defined in Section 3(a)(2) of the Act, assess Exchange's regulatory performance, assist the Board and committees of the Board in reviewing the regulatory plan and the overall effectiveness of Exchange's regulatory functions and, in consultation with the Chief Executive Officer of the Company, establish the goals, assess the performance, and fix the compensation of the Chief Regulatory Officer of the Company. Each member of the Regulatory Oversight Committee shall be a Non-Industry Director.

(d) The Chairman, with the approval of the Board, shall appoint an Appeals Committee. The Appeals Committee shall preside over all appeals related to disciplinary and adverse action determinations in accordance with the Exchange Rules. The Appeals Committee shall consist of one Independent Director, one Industry Director, and one Member Representative Director. If the Independent Director recuses himself or herself from an appeal, due to a conflict of interest or otherwise, such Independent Director may be replaced by a Non-Industry Director for purposes of the applicable appeal if there is no other Independent Director able to serve as the replacement.

(e) The Chairman, with the approval of the Board, may appoint an Executive Committee, which shall, to the fullest extent permitted by Delaware law and other applicable law, have and be permitted to exercise all the powers and authority of the Board in the management of the business and affairs of the Company between meetings of the Board. The number of Non-Industry Directors on the Executive Committee shall equal or exceed the number of Industry Directors on the Executive Committee. The percentage of Independent Directors on the Executive Committee shall be at least as great as the percentage of Independent Directors on the whole Board, and the percentage of Member Representative Directors on the Executive Committee shall be at least as great as the percentage of Member Representative Directors on the whole Board.

(f) The Chairman, with the approval of the Board, may appoint a Finance Committee. The Finance Committee shall advise the Board with respect to the oversight of the financial operations and conditions of the Company, including recommendations for Company's annual operating and capital budgets.

Notwithstanding the preceding sentence, a Director may serve on the Nominating Committee in his or her final year of service on the Board. Following that year, that member may not stand for election to the Board until such time as he or she is no longer a member of the Nominating Committee.

The Company shall indemnify its Directors and executive officers to the fullest extent not prohibited by the Delaware General Corporation Law; provided, however, that the Company may limit the extent of such indemnification by individual contracts with its Directors and executive officers; and, provided, further, that the Company shall not be required to indemnify any Director or executive officer in connection with any proceeding (or part thereof) initiated by such person or any proceeding by such person against the Company or its Directors, officers, employees or other agents unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Board of Directors of the Company or (iii) such indemnification is provided by the Company, in its sole discretion, pursuant to the powers vested in the Company under the Delaware General Corporation Law.

(a) *Other Officers, Employees and Other Agents.* The Company shall have the power to indemnify its other officers, employees and other agents as set forth in the Delaware General Corporation Law.

(b) *Expenses.* The Company shall advance to any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a Director or executive officer, of the Company, or is or was serving at the request of the Company as a Director or executive officer of another corporation, partnership, joint venture, trust or other enterprise, prior to the final disposition of the proceeding, promptly following request therefor, all expenses incurred by any Director or executive officer in connection with such proceeding upon receipt of an undertaking by or on behalf of such person to repay said amounts if it should be determined ultimately that such person is not entitled to be indemnified under this Article VIII or otherwise.

Notwithstanding the foregoing, unless otherwise determined pursuant to paragraph (e) of this Article VIII, Section 1, no advance shall be made by the Company to an executive officer of the Company (except by reason of the fact that such executive officer is or was a Director of the Company in which event this paragraph shall not apply) in any action, suit or proceeding, whether civil, criminal, administrative or investigative, if a determination is reasonably and promptly made (i) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to the proceeding, or (ii) if such quorum is not obtainable, or, even if obtainable, a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion, that the facts known to the decision-making party at the time such determination is made demonstrate clearly and convincingly that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the Company.

(c) *Enforcement.* Without the necessity of entering into an express contract, all rights to indemnification and advances to Directors and executive officers under this Article VIII shall be deemed to be contractual rights and be effective to the same extent and as if provided for in a contract between the Company and the Director or executive officer. Any right to indemnification or advances granted by this Article VIII to a Director or executive officer shall be enforceable by or on behalf of the person holding such right in the forum in which the proceeding is or was pending or, if such forum is not available or a determination is made that such forum is not convenient, in any court of competent jurisdiction if (i) the claim for indemnification or advances is denied, in whole or in part, or (ii) no disposition of such claim is made within ninety (90) days of request therefor. The claimant in such enforcement action, if successful in whole or in part, shall be entitled to be paid also the expense of prosecuting his claim. The Company shall be entitled to raise as a defense to any such action that the claimant has not met the standards of conduct that make it permissible under the Delaware General Corporation Law for the Company to indemnify the claimant for the amount claimed. Neither the failure of the Company (including its Board of Directors, independent legal counsel or its Stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he has met the applicable standard of conduct set forth in the Delaware General Corporation Law, nor an actual determination by the Company (including its Board of Directors, independent legal

counsel or its Stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that claimant has not met the applicable standard of conduct.

(d) *Non Exclusivity of Rights.* To the fullest extent permitted by the Company's Certificate of Incorporation and the Delaware General Corporation Law, the rights conferred on any person by this Article VIII shall not be exclusive of any other right which such person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, Bylaws, agreement, vote of Stockholders or disinterested Directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding office. The Company is specifically authorized to enter into individual contracts with any or all of its Directors, officers, employees or agents respecting indemnification and advances, to the fullest extent permitted by the Delaware General Corporation Law and the Company's Certificate of Incorporation.

(e) *Survival of Rights.* The rights conferred on any person by this Article VIII shall continue as to a person who has ceased to be a Director or executive officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

(f) *Insurance.* The Company, upon approval by the Board of Directors, may purchase insurance on behalf of any person required or permitted to be indemnified pursuant to this Article VIII.

(g) *Amendments.* Any repeal or modification of this Article VIII shall only be prospective and shall not affect the rights under this Article VIII in effect at the time of the alleged occurrence of any action or omission to act that is the cause of any proceeding against any agent of the Company.

(h) *Saving Clause.* If this Article VIII or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify each Director and executive officer to the fullest extent permitted by any applicable portion of this Article VIII that shall not have been invalidated, or by any other applicable law.

(i) *Certain Definitions.* For the purposes of this Article VIII, the following definitions shall apply:

(i) The term "proceeding" shall be broadly construed and shall include, without limitation, the investigation, preparation, prosecution, defense, settlement and appeal of any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, arbitral or investigative.

(ii) The term "expenses" shall be broadly construed and shall include, without limitation, court costs, attorneys' fees, witness fees, fines, amounts paid in settlement or judgment and any other costs and expenses of any nature or kind incurred in connection with any proceeding, including expenses of establishing a right to indemnification under this Article VIII or any applicable law.

(iii) The term the "Company" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, limited liability company, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Article VIII with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued.

(iv) References in this Article VIII to a "Director," "officer," "employee," or "agent" of the Company shall include, without limitation, situations where such person is serving at the request of the Company as a director, officer, employee, trustee or agent of another corporation, partnership, joint venture, trust or other enterprise.

Section 2. Exchange Not Liable

To the fullest extent permitted by applicable law and these Bylaws the Board may delegate any of its powers to a committee appointed pursuant to Article V or to any officer, employee or agent of the Company.

(b) The Board shall have the power to adopt, amend or repeal the Rules in accordance with Article X, Section 1.

(c) The Board may adopt such rules, regulations and requirements for the conduct of the business and management of the Company, not inconsistent with law, the Certificate of Incorporation or these Bylaws, as the Board may deem proper. A Director shall, in the performance of such Director's duties, be fully protected, to the fullest extent permitted by law, in relying in good faith upon the books of account or reports made to the Company by any of its officers, by an independent certified public accountant, by an appraiser selected with reasonable care by the Board or any committee of the Board or by any agent of the Company, or in relying in good faith upon other records of the Company.

(d) In connection with managing the business and affairs of the Company, the Board shall consider applicable requirements for registration as a national securities exchange under Section 6(b) of the Act, including, without limitation, the requirements that (a) the Rules shall be designed to protect investors and the public interest and (b) the Exchange shall be so organized and have the capacity to carry out the purposes of the Act and to enforce compliance by its "members," as that term is defined in Section 3 of the Act (such statutory members being referred to in these Bylaws as "Exchange Members") and persons associated with Exchange Members, with the provisions of the Act, the rules and regulations under the Act, and the Rules of the Exchange.

(e) In light of the unique nature of the Company and its operations and in light of the

Company's status as a self-regulatory organization, the Board, when evaluating any proposal, shall, to the fullest extent permitted by applicable law, take into account all factors that the Board deems relevant, including, without limitation, to the extent deemed relevant: (i) the potential impact thereof on the integrity, continuity and stability of the national securities exchange operated by the Company and the other operations of the Company, on the ability to prevent fraudulent and manipulative acts and practices and on investors and the public, and (ii) whether such would promote just and equitable principles of trade, foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to and facilitating transactions in securities or assist in the removal of impediments to or perfection of the mechanisms for a free and open market and a national market system.

Section 2. Composition of the Board

(a) The Board of Directors shall consist of four (4) or more Directors, the number thereof to be determined from time to time by resolution of the Board of Directors, subject to the compositional requirements of the Board set forth in Article III, Section 2(b).

(b) At all times the Board of Directors shall consist of one (1) Director who is the Chief Executive Officer of the Company and who shall be considered to be an Industry Director, and sufficient numbers of Non-Industry (including Independent), Industry and Member Representative Directors to meet the following composition requirements:

- (i) the number of Non-Industry Directors, including at least one Independent Director, shall equal or exceed the sum of the number of Industry Directors and Member Representative Directors elected pursuant to Article III, Section 4; and
- (ii) the number of Member Representative Directors shall be at least twenty (20) percent of the Board.

(c) The Secretary shall collect from each nominee for Director such information as is reasonably necessary to serve as the basis for a determination of the nominee's classification as a Member Representative, Non-Industry, or Independent Director, if applicable, and the Secretary shall certify to the Nominating Committee or the Member Nominating Committee each nominee's classification, if applicable. Directors shall update the information submitted under this subsection at least annually and upon request of the Secretary, and shall report immediately to the Secretary any change in such information.

(d) A Director may not be subject to a statutory disqualification.

Section 3. Terms of Office; Classes

(a) The Board term of the Chief Executive Officer shall expire when such individual ceases to be Chief Executive Officer of the Company.

(b) Each of the Non-Industry and Industry Directors (excluding the Chief Executive

Officer, but including Member Representative Directors) shall be divided into three (3) classes, designated Class I, Class II and Class III, which shall be as nearly equal in number and classification as the total number of such Directors then serving on the Board permits. Directors other than the Chief Executive Officer shall serve staggered three-year terms, with the term of office of one class expiring each year. A Director may serve for any number of terms, consecutive or otherwise. In order to commence such staggered three-year terms, Directors in Class I shall hold office until the second annual election of the Board of Directors, Directors in Class II shall initially hold office until the third annual election of the Board of Directors, and Directors in Class III shall initially hold office until the fourth annual election of the Board of Directors. Commencing with the second annual election of the Board of Directors, the term of office for each class of Directors elected at such time shall be three years from the date of their election. Notwithstanding the foregoing, in the case of any new Director as contemplated by Article III, Section 2(a), such Director shall be added to a class, as determined by the Board at the time of such Director's initial election or appointment, and shall have an initial term expiring at the same time as the term of the class to which such Director has been added.

Section 4. Nomination and Election

(a) The Nominating Committee each year shall nominate Directors for each Director position standing for election at the annual meeting of stockholders that year, or, to the extent necessary, at a special meeting of stockholders. For positions requiring persons who qualify as Member Representative Directors, the Nominating Committee shall nominate only those persons whose names have been approved and submitted by the Member Nominating Committee, and approved by, if applicable, Exchange Members pursuant to the procedures set forth below in this Section 4.

(b) The Member Nominating Committee shall consult with the Nominating Committee, the Chairman and Chief Executive Officer, and shall solicit comments from Exchange Members for the purpose of approving and submitting names of candidates for election to the position of Member Representative Director. A Member Representative Director must be an officer, director, employee, or agent of an Exchange Member that is not a Stockholder Exchange Member.

(c) Not later than sixty (60) days prior to the date announced as the date for the annual or special meeting of stockholders, the Member Nominating Committee shall report to the Nominating Committee and the Secretary the initial nominees for Member Representative Director positions on the Board that have been approved and submitted by the Member Nominating Committee. The Secretary shall promptly notify Exchange Members of those initial nominees. Exchange Members may identify other candidates ("Petition Candidates" for purposes of this Section 4) for the Member Representative Director positions by delivering to the Secretary, at least thirty-five (35) days before the date announced as the date for the annual or special meeting of stockholders (the "Record Date" for purposes of this Section 4), a written petition, which shall designate the candidate by name and office and shall be signed by Executive Representatives of ten percent (10%) or more of the Exchange Members. An Exchange Member may endorse as many candidates as there are Member Representative Director positions to be filled. No Exchange Member, together with its affiliates, may account

for more than fifty percent (50%) of the signatures endorsing a particular candidate, and any signatures of such Exchange Member, together with its affiliates, in excess of the fifty percent (50%) limitation shall be disregarded.

(d) Each petition for a Petition Candidate must include a completed questionnaire used to gather information concerning Member Representative Director candidates and must be filed with the Company (the Company shall provide the form of questionnaire upon the request of any Exchange Member).

(e) If no valid petitions from Exchange Members are received by the Record Date, the initial nominees approved and submitted by the Member Nominating Committee shall be nominated as Member Representative Directors by the Nominating Committee. If one or more valid petitions from Exchange Members are received by the Record Date, the Secretary shall include such additional nominees, along with the initial nominees nominated by the Member Nominating Committee, on a list of nominees (the "List of Candidates"). Upon completion, the List of Candidates shall be sent by the Secretary to all Exchange Members that were Exchange Members on the Record Date, by any means, including electronic transmission, to confirm the nominees for the Member Representative Director positions. The List of Candidates shall be accompanied by a notice regarding the time and date of an election to be held at least twenty (20) days prior to the annual or special stockholders' meeting to confirm the Exchange Members' selections of nominees for Member Representative Directors.

(f) With respect to the election held to determine the final nomination of Member Representative Directors, each Exchange Member shall have the right to cast one (1) vote for each available Member Representative Director nomination; *provided*, however, that any such vote must be cast for a person on the List of Candidates, and that no Exchange Member, together with its affiliates, may account for more than twenty percent (20%) of the votes cast for a candidate, and any votes cast by such Exchange Member, together with its affiliates, in excess of such twenty percent (20%) limitation shall be disregarded. The votes shall be cast by written ballot, electronic transmission or any other means as set forth in a notice to the Exchange Members sent by the Company prior to such election. Only votes received prior to 5:00 p.m. Eastern Time on the date of the election shall count for the nomination of a Member Representative Director. The persons on the List of Candidates who receive the most votes shall be selected as the nominees for the Member Representative Director positions to be elected by stockholders.

Section 5. Chairman of the Board

The Chief Executive Officer shall be the Chairman of the Board ("Chairman"). The Chairman shall preside at all meetings of the Board at which the Chairman is present; *provided*, however, that he or she shall not participate in executive sessions of the Board. The Chairman shall exercise such other powers and perform such other duties as may be assigned to the Chairman from time to time by the Board. The Board of Directors shall designate a Lead Director from among the Board's Independent Directors to preside over executive sessions of the Board. The Board shall publicly disclose the identity of the Lead Director and the means by which interested parties may communicate with the Lead Director.

Section 6. Vacancies

(a) Whenever any Director position, other than a Member Representative Director position, becomes vacant prior to the election of a successor at the end of such Director's term, whether because of death, disability, disqualification, removal or resignation, and whenever any newly-created Director position, other than a Member Representative Director position, becomes available because of an increase in the number of Directors, the Nominating Committee shall nominate, and stockholders shall elect, a person satisfying the classification (Industry, Non-Industry, or Independent Director), if applicable, for the directorship to fill such vacancy until the expiration of the remaining term or to fill such newly-created Director position until the expiration of such position's designated term; *provided*, however, that if the remaining term of office of a Director at the time of such Director's vacancy is not more than six (6) months, during the period of vacancy the Board shall not be deemed to be in violation of Article III, Section 2(b) by virtue of such vacancy.

(b) Whenever any Member Representative Director position becomes vacant prior to the election of a successor at the end of such Member Representative Director's term, whether because of death, disability, disqualification, removal, or resignation, and whenever any newly-created Member Representative Director position becomes available because of an increase in the number of Directors, then the stockholders shall follow the procedures set forth in this Section 6(b). In such event, the Member Nominating Committee shall either (i) recommend an individual to the stockholders to be elected to fill such vacancy or (ii) provide a list of recommended individuals to the stockholders from which the stockholders shall elect the individual to fill such vacancy. A Member Representative Director elected pursuant to this Section 6(b) shall serve until the expiration of the remaining term or until the expiration of such position's designated term; *provided*, however, that if the remaining term of office of a Member Representative Director at the time of such Director's vacancy is not more than six (6) months, during the period of vacancy the Board shall not be deemed to be in violation of Article III, Section 2(b) by virtue of such vacancy.

Section 7. Removal and Resignation

(a) Except as hereinafter provided, any Director may be removed or expelled with or without cause by majority vote of stockholders, and may be removed by the Board of Directors in the manner provided by Article III, Section 7(b) below; *provided*, however, that any Member Representative Director may only be removed for cause, which shall include, without limitation, such Director being subject to a statutory disqualification.

(b) A Director shall be removed immediately upon a determination by the Board, by a majority vote of the remaining Directors, (a) that the Director no longer satisfies the classification for which the Director was elected; and (b) that the Director's continued service as such would violate the compositional requirements of the Board set forth in Article III, Section 2(b).

(c) Any Director may resign at any time either upon notice of resignation to the Chairman

of the Board, the President or the Secretary. Any such resignation shall take effect at the time specified therein or, if the time is not specified, upon receipt thereof, and the acceptance of such resignation, unless required by the terms thereof, shall not be necessary to make such resignation effective.

Section 8. Place of Meetings; Mode

Any meeting of the Board may be held at such place, within or without the State of Delaware, as shall be designated in the notice of such meeting, but if no such designation is made, then the meeting will be held at the principal business office of the Company. Members of the Board or any committee of the Board may participate in a meeting of the Board or committee by conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting.

Section 9. Regular Meetings

Regular meetings of the Board may be held, with or without notice, at such time or place as may from time to time be specified in a resolution adopted by the Board.

Section 10. Special Meetings

(a) Special meetings of the Board may be called on a minimum of two (2) days' notice to each Director by the Chairman or the President, and shall be called by the Secretary upon the written request of three (3) Directors then in office.

(b) The person or persons calling a special meeting of the Board shall fix the time and place at which the meeting shall be held, and such time and place shall be specified in the notice of such meeting. Notice of any special meeting shall be given to each Director at his or her business address or such other address as he or she may have advised the Secretary to use for such purpose. If delivered, notice shall be deemed to be given when delivered to such address or to the Director to be notified. If mailed, such notice shall be deemed to be given five (5) business days after deposit in the United States mail, postage prepaid, of a letter addressed to the appropriate location. Notice may also be given by telephone, electronic transmission or other means not specified in this section, and in each such case shall be deemed to be given when actually received by the Director to be notified.

Section 11. Exchange Member Meetings

The Company shall not be required to hold meetings of the Exchange Members.

Section 12. Voting, Quorum and Action by the Board

Each Director shall be entitled to one (1) vote. At all meetings of the Board, the presence of a majority of the number of Directors then in office shall constitute a quorum for the transaction of business. If a quorum shall not be present at any meeting of the Board, the Directors present at such meeting may adjourn the meeting from time to time, without notice

other than announcement at the meeting, until a quorum shall be present. The act of a majority of the Directors present at any meeting at which there is a quorum shall be the act of the Board except as may be otherwise specifically provided by statute, the Certificate of Incorporation, or these Bylaws.

Section 13. Presumption of Assent

A Director of the Company who is present at a duly convened meeting of the Board or of a committee of the Board at which action on any corporate matter is taken shall be conclusively presumed to have assented to the action taken unless his or her dissent or election to abstain shall be entered in the minutes of the meeting or unless he or she shall file his or her written dissent or election to abstain to such action with the person acting as the secretary of the meeting before the adjournment of the meeting or shall forward such dissent or election to abstain by registered or certified mail to the Secretary of the Company immediately after the adjournment of the meeting. Such right to dissent or abstain shall not apply to a Director who voted in favor of such action.

Section 14. Action in Lieu of Meeting

Unless otherwise restricted by statute, the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board or any committee thereof may be taken without a meeting if all members of the Board or committee, as the case may be, consent thereto in writing or by electronic transmission, and such writing(s) or electronic transmission(s) are filed with the minutes of proceedings of the Board or the committee.

Section 15. Waiver of Notice

(a) Whenever notice is required to be given by law, the Certificate of Incorporation or these Bylaws, a waiver thereof by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board, or members of a committee, need be specified in any waiver of notice.

(b) Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

Section 16. Compensation of Board and Committee Members

The Board may provide for reasonable compensation of the Chairman, the Directors and the members of committees. The Board may also provide for reimbursement of reasonable expenses incurred by such persons in connection with the business of the Company.

Section 17. Interpretation of Bylaws

The Board shall have the power to interpret these Bylaws and any interpretation made by it shall be final and conclusive.

Section 18. Conflicts of Interest; Contracts and Transactions Involving Directors

(a) A Director or a member of any committee may not participate in the consideration or decision of any matter relating to a particular Exchange Member, company, or individual if such Director or committee member has a material interest in, or a professional, business, or personal relationship with, that Exchange Member, company, or individual, or if such participation shall create an appearance of impropriety. In any such case, the Director or committee member shall recuse himself or herself or shall be disqualified. If a member of the Board or any committee is recused from consideration of a matter, any decision on the matter shall be by a vote of a majority of the remaining members of the Board or applicable committee.

(b) No contract or transaction between the Company and one or more of its Directors or officers, or between the Company and any other corporation, partnership, association or other organization in which one or more of its Directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely for this reason if: (i) the material facts pertaining to such Director's or officer's relationship or interest and the contract or transaction are disclosed or are known to the Board or the committee, and the Board or committee in good faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors be less than a quorum; or (ii) the material facts are disclosed or become known to the Board or committee after the contract or transaction is entered into, and the Board or committee in good faith ratifies the contract or transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors be less than a quorum.

ARTICLE IV

Stockholders

Section 1. Annual Meeting; Election of Directors and Other Matters

(a) The annual meeting of the stockholders shall be held at such place and time as determined by the Board for the purpose of electing Directors and members of the Nominating Committee and Member Nominating Committee, and for conducting such other business as may properly come before the meeting. Written notice of the annual meeting stating the place, date and hour of the meeting shall be given to each stockholder entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting.

(b) The first annual meeting of the stockholders shall be held prior to the Company's commencement of operations as an Exchange.

Section 2. Special Meetings

Special meetings of the stockholders, for any purpose or purposes, may be called by the

Chairman, the Board or the President, and shall be called by the Secretary at the request in writing of stockholders owning not less than a majority of the then issued and outstanding capital stock of the Company entitled to vote. Written notice of a special meeting stating the place, date and hour of the meeting and the purpose or purposes for which the meeting is called, shall be given to each stockholder entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting. Business transacted at any special meeting of stockholders shall be limited to the purpose(s) stated in the notice of the meeting.

Section 3. List of Stockholders

The Secretary of the Company, or such other person designated by the Secretary or the Board, shall have charge of the stock ledger of the Company and shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time of the meeting, and may be inspected by any stockholder who is present.

Section 4. Quorum and Vote Required for Action

(a) The holders of a majority of the capital stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business except as otherwise provided by statute, the Certificate of Incorporation or these Bylaws. If, however, such quorum shall not be present or represented at any meeting of the stockholders, the stockholders entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

(b) When a quorum is present at any meeting, the vote of the holders of a majority of the capital stock having voting power present in person or represented by proxy shall decide any question brought before such meeting, unless the question is one upon which by express provision of statute or of the Certificate of Incorporation, a different vote is required, in which case such express provision shall govern and control the decision of such question.

Section 5. Voting of Shares; Proxies

Unless otherwise provided in the Certificate of Incorporation or these Bylaws, each

stockholder of the Company shall at every meeting of the stockholders be entitled to one (1) vote in person or by proxy for each share of the capital stock having voting power held by such stockholder, but no proxy shall be voted on after three (3) years from its date, unless the proxy provides for a longer period. Any such proxy shall be in writing and shall be filed with the Secretary of the Company before or at the time of the meeting.

Section 6. Action in Lieu of Meeting

As set forth in the Certificate of Incorporation of the Company, any action upon which a vote of stockholders is required or permitted, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding capital stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Company in the manner required by law, *provided* that the matter to be acted upon by such written consent previously has been directed by the Board to be submitted to the stockholders for their action by written consent. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not so consented in writing.

Section 7. Assignment

The stockholder may not transfer or assign, in whole or in part, its ownership interest(s) in the Company.

ARTICLE V

Committees of the Board

Section 1. Number of Committees

The committees of the Board shall consist of a Compensation Committee, an Audit Committee, a Regulatory Oversight Committee, an Appeals Committee, and such other committees as may be from time to time established by the Board. Committees shall have such authority as is vested in them by these Bylaws or the Rules, or as is delegated to them by the Board. All committees are subject to the control and supervision of the Board.

Section 2. Appointment and Removal; Vacancies; Term

(a) The Chairman, with the approval of the Board, shall appoint, consistent with these Bylaws, the members of all committees of the Board, as well as the chair of each committee, and the Chairman may, at any time, with or without cause, remove any member of a committee so appointed, with the approval of the Board. Each committee shall be comprised of at least three (3) people and may include persons who are not members of the Board; *provided*, however, that such committee members who are not also members of the Board shall only participate in committee actions to the extent permitted by law. In appointing members to committees of the Board, the Chairman is responsible for determining that any such committee meets the

composition requirements set forth in this Article V.

(b) Upon request of the Secretary, each prospective committee member who is not a Director shall provide to the Secretary such information as is reasonably necessary to serve as the basis for a determination of the prospective committee member's classification as an Industry, Non-Industry, or Independent member. The Secretary shall certify to the Board each prospective committee member's classification. Such committee members shall update the information submitted under this subsection at least annually and upon request of the Secretary, and shall report immediately to the Secretary any change in such information.

(c) The term of office of a committee member shall terminate immediately upon a determination by the Board, by a majority vote of the Directors, (i) that the committee member no longer satisfies the classification for which the committee member was selected; and (ii) that the committee member's continued service as such would violate the compositional requirements of such committee set forth in this Article V.

(d) Any vacancy occurring in a committee shall be filled by the Chairman for the remainder of the term, with the approval of the Board.

(e) Except as otherwise provided by the Bylaws, members of a committee shall hold office for a one-year period.

Section 3. Powers and Duties of Committees

To the extent provided in the resolution of the Board, any committee that consists solely of one or more Directors shall have and may exercise all the powers and authority of the Board in the management of the business and affairs of the Company.

Section 4. Conduct of Proceedings

Except as otherwise provided in these Bylaws or by the Board, each committee may adopt its own rules of procedure and may meet at stated times or on such notice as such committee may determine. Each committee shall keep regular minutes of its meetings and report the same to the Board when required.

Section 5. Voting, Quorum and Action by Committees

Each committee member shall be entitled to one (1) vote. Unless otherwise required by the Bylaws, the presence of a majority of the number of committee members serving on a committee shall constitute a quorum for the transaction of business of such committee. If a quorum shall not be present at any meeting of a committee, the committee members present at such meeting may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present. The act of a majority of the committee members present at any meeting at which there is a quorum shall be the act of such committee except as may be otherwise specifically provided by statute or these Bylaws.

Section 6. Specified Committees

(a) The Chairman, with the approval of the Board, shall appoint a Compensation Committee. The Compensation Committee shall consider and recommend compensation policies, programs, and practices for officers and other employees of the Company. Each voting member of the Compensation Committee shall be a Non-Industry Director.

(b) The Chairman, with the approval of the Board, shall appoint an Audit Committee consisting of Directors. A majority of the Audit Committee members shall be Non-Industry Directors. A Non-Industry Director shall serve as Chairman of the Audit Committee. The Audit Committee shall perform the following primary functions, as well as such other functions as may be specified in the charter of the Audit Committee: (A) provide oversight over the Company's financial reporting process and the financial information that is provided to stockholders and others; (B) provide oversight over the systems of internal controls established by management and the Board and the Company's legal and compliance process; (C) select, evaluate and, where appropriate, replace the Company's independent auditors (or nominate the independent auditors to be proposed for ratification by stockholders); and (D) direct and oversee all the activities of the Company's internal audit function, including but not limited to management's responsiveness to internal audit recommendations. The Audit Committee shall have exclusive authority to: (A) hire or terminate the head of the Company's Internal Audit Department; (B) determine the compensation of the head of the Internal Audit Department; and (C) determine the budget for the Internal Audit Department. The Internal Audit Department and its head shall report directly to the Audit Committee. The Audit Committee may, in its discretion, direct that the Internal Audit Department also report to senior management of the Company on matters the Audit Committee deems appropriate and may request that senior management of the Company perform such operational oversight as necessary and proper, consistent with preservation of the independence of the internal audit function.

(c) The Chairman, with the approval of the Board, shall appoint a Regulatory Oversight Committee. The Regulatory Oversight Committee shall oversee the adequacy and effectiveness of the Exchange's regulatory and self-regulatory organization responsibilities, including those responsibilities with regard to each of its facilities, as defined in Section 3(a)(2) of the Act, assess Exchange's regulatory performance, assist the Board and committees of the Board in reviewing the regulatory plan and the overall effectiveness of Exchange's regulatory functions and, in consultation with the Chief Executive Officer of the Company, establish the goals, assess the performance, and fix the compensation of the Chief Regulatory Officer of the Company. Each member of the Regulatory Oversight Committee shall be a Non-Industry Director.

(d) The Chairman, with the approval of the Board, shall appoint an Appeals Committee. The Appeals Committee shall preside over all appeals related to disciplinary and adverse action determinations in accordance with the Exchange Rules. The Appeals Committee shall consist of one Independent Director, one Industry Director, and one Member Representative Director. If the Independent Director recuses himself or herself from an appeal, due to a conflict of interest or otherwise, such Independent Director may be replaced by a Non-Industry Director for purposes of the applicable appeal if there is no other Independent Director able to serve as the replacement.

(e) The Chairman, with the approval of the Board, may appoint an Executive Committee, which shall, to the fullest extent permitted by Delaware law and other applicable law, have and be permitted to exercise all the powers and authority of the Board in the management of the business and affairs of the Company between meetings of the Board. The number of Non-Industry Directors on the Executive Committee shall equal or exceed the number of Industry Directors on the Executive Committee. The percentage of Independent Directors on the Executive Committee shall be at least as great as the percentage of Independent Directors on the whole Board, and the percentage of Member Representative Directors on the Executive Committee shall be at least as great as the percentage of Member Representative Directors on the whole Board.

(f) The Chairman, with the approval of the Board, may appoint a Finance Committee. The Finance Committee shall advise the Board with respect to the oversight of the financial operations and conditions of the Company, including recommendations for Company's annual operating and capital budgets.

ARTICLE VI

Nominating Committees

Section 1. Election of Nominating Committee and Member Nominating Committee

The Nominating Committee and the Member Nominating Committee shall each be elected on an annual basis by a vote of the stockholders. The stockholder shall appoint the initial Nominating Committee and Member Nominating Committee consistent with the compositional requirements of this Article VI. In each subsequent year, each of the Nominating Committee and Member Nominating Committee, after completion of its respective duties for nominating Directors for election to the Board for that year, shall nominate candidates to serve on the succeeding year's Nominating Committee or Member Nominating Committee, as applicable, such candidates to be voted on by stockholders at the annual meeting of stockholders. Additional candidates for the Member Nominating Committee may be nominated and elected pursuant to the same process as provided for in Article III, Section 4.

Section 2. Nominating Committee

The Nominating Committee shall nominate candidates for election to the Board at the annual stockholder meeting and all other vacant or new Director positions on the Board. The Nominating Committee, in making such nominations, is responsible for ensuring that candidates meet the compositional requirements of Article III, Section 2(b). The number of Non-Industry members on the Nominating Committee shall equal or exceed the number of Industry members on the Nominating Committee. A Nominating Committee member may simultaneously serve on the Nominating Committee and the Board, unless the Nominating Committee is nominating Director candidates for the Director's class, as explained in Article III, Section 3. Notwithstanding the preceding sentence, a Director may serve on the Nominating Committee in

his or her final year of service on the Board. Following that year, that member may not stand for election to the Board until such time as he or she is no longer a member of the Nominating Committee.

Section 3. Member Nominating Committee

The Member Nominating Committee shall nominate candidates for each Member Representative Director position on the Board that is to be elected by Exchange Members or stockholders under the terms of these Bylaws. Each member of the Member Nominating Committee shall be a Member Representative member.

ARTICLE VII

Officers, Agents and Employees

Section 1. General

The officers of the Company shall include a Chief Executive Officer, a President, a Chief Regulatory Officer, a Secretary, a Treasurer, and such other officers as in the Board's opinion are desirable for the conduct of the business of the Company. Any two or more offices may be held by the same person, except that the offices of the President and Secretary may not be held by the same person.

Section 2. Appointment and Tenure

Each officer of the Company shall be appointed by the Board on an annual basis, and shall hold office until his or her successor is appointed and qualified or until his or her earlier death, disability, disqualification, removal or resignation. An officer may serve for any number of terms, consecutive or otherwise.

Section 3. Resignation and Removal of Officers; Vacancies

(a) Any officer may resign at any time upon notice of resignation to the Chairman and Chief Executive Officer, the President or the Secretary. Any such resignation shall take effect upon receipt of such notice or at any later time specified therein, or if the time is not specified, upon receipt thereof, and the acceptance of such resignation, unless required by the terms thereof, shall not be necessary to make such resignation effective.

ARTICLE VIII

Indemnification

Section 1. Indemnification of Directors, Officers, Employees and Other Agents

The Company shall indemnify its Directors and executive officers to the fullest extent not prohibited by the Delaware General Corporation Law; provided, however, that the Company may limit the extent of such indemnification by individual contracts with its Directors and executive officers; and, provided, further, that the Company shall not be required to indemnify any Director or executive officer in connection with any proceeding (or part thereof) initiated by such person or any proceeding by such person against the Company or its Directors, officers, employees or other agents unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Board of Directors of the Company or (iii) such indemnification is provided by the Company, in its sole discretion, pursuant to the powers vested in the Company under the Delaware General Corporation Law.

(a) *Other Officers, Employees and Other Agents.* The Company shall have the power to indemnify its other officers, employees and other agents as set forth in the Delaware General Corporation Law.

(b) *Expenses.* The Company shall advance to any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a Director or executive officer, of the Company or is or was serving at the request of the Company as a Director or executive officer of another corporation, partnership, joint venture, trust or other enterprise, prior to the final disposition of the proceeding, promptly following request therefor, all expenses incurred by any Director or executive officer in connection with such proceeding upon receipt of an undertaking by or on behalf of such person to repay said amounts if it should be determined ultimately that such person is not entitled to be indemnified under this Article VIII or otherwise.

Notwithstanding the foregoing, unless otherwise determined pursuant to paragraph (e) of this Article VIII, Section 1, no advance shall be made by the Company to an executive officer of the Company (except by reason of the fact that such executive officer is or was a Director of the Company in which event this paragraph shall not apply) in any action, suit or proceeding,

whether civil, criminal, administrative or investigative, if a determination is reasonably and promptly made (i) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to the proceeding, or (ii) if such quorum is not obtainable, or, even if obtainable, a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion, that the facts known to the decision-making party at the time such determination is made demonstrate clearly and convincingly that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the Company.

(c) *Enforcement.* Without the necessity of entering into an express contract, all rights to indemnification and advances to Directors and executive officers under this Article VIII shall be deemed to be contractual rights and be effective to the same extent and as if provided for in a contract between the Company and the Director or executive officer. Any right to indemnification or advances granted by this Article VIII to a Director or executive officer shall be enforceable by or on behalf of the person holding such right in the forum in which the proceeding is or was pending or, if such forum is not available or a determination is made that such forum is not convenient, in any court of competent jurisdiction if (i) the claim for indemnification or advances is denied, in whole or in part, or (ii) no disposition of such claim is made within ninety (90) days of request therefor. The claimant in such enforcement action, if successful in whole or in part, shall be entitled to be paid also the expense of prosecuting his claim. The Company shall be entitled to raise as a defense to any such action that the claimant has not met the standards of conduct that make it permissible under the Delaware General Corporation Law for the Company to indemnify the claimant for the amount claimed. Neither the failure of the Company (including its Board of Directors, independent legal counsel or its Stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he has met the applicable standard of conduct set forth in the Delaware General Corporation Law, nor an actual determination by the Company (including its Board of Directors, independent legal counsel or its Stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that claimant has not met the applicable standard of conduct.

(d) *Non Exclusivity of Rights.* To the fullest extent permitted by the Company's Certificate of Incorporation and the Delaware General Corporation Law, the rights conferred on any person by this Article VIII shall not be exclusive of any other right which such person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, Bylaws, agreement, vote of Stockholders or disinterested Directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding office. The Company is specifically authorized to enter into individual contracts with any or all of its Directors, officers, employees or agents respecting indemnification and advances, to the fullest extent permitted by the Delaware General Corporation Law and the Company's Certificate of Incorporation.

(e) *Survival of Rights.* The rights conferred on any person by this Article VIII shall continue as to a person who has ceased to be a Director or executive officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

(f) *Insurance.* The Company, upon approval by the Board of Directors, may purchase

insurance on behalf of any person required or permitted to be indemnified pursuant to this Article VIII.

(g) *Amendments.* Any repeal or modification of this Article VIII shall only be prospective and shall not affect the rights under this Article VIII in effect at the time of the alleged occurrence of any action or omission to act that is the cause of any proceeding against any agent of the Company.

(h) *Saving Clause.* If this Article VIII or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify each Director and executive officer to the fullest extent permitted by any applicable portion of this Article VIII that shall not have been invalidated or by any other applicable law.

(i) *Certain Definitions.* For the purposes of this Article VIII, the following definitions shall apply:

- (i) The term “proceeding” shall be broadly construed and shall include, without limitation, the investigation, preparation, prosecution, defense, settlement and appeal of any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, arbitral or investigative.
- (ii) The term “expenses” shall be broadly construed and shall include, without limitation, court costs, attorneys’ fees, witness fees, fines, amounts paid in settlement or judgment and any other costs and expenses of any nature or kind incurred in connection with any proceeding, including expenses of establishing a right to indemnification under this Article VIII or any applicable law.
- (iii) The term the “Company” shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, limited liability company, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Article VIII with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued.
- (iv) References in this Article VIII to a “Director,” “officer,” “employee,” or “agent” of the Company shall include, without limitation, situations where such person is serving at the request of the Company as a director, officer,

employee, trustee or agent of another corporation, partnership, joint venture, trust or other enterprise.

Section 2. Exchange Not Liable

Except as provided in the Exchange Rules, the Company shall not be liable for any loss or damage sustained by any current or former Exchange Member growing out of the use or enjoyment by such Exchange Member of the facilities afforded by the Company (or any predecessor or successor thereof) or its subsidiaries.

ARTICLE IX

The Board may adopt emergency Bylaws subject to repeal or change by action of the stockholders of the Company which shall, notwithstanding any different provision of law, the Certificate of Incorporation or these Bylaws, be operative during any emergency resulting from any nuclear or atomic disaster, an attack on the United States or on a locality in which the Company conducts its business or customarily holds meetings of the Board, any catastrophe, or other emergency condition, as a result of which a quorum of the Board or a committee thereof cannot readily be convened for action. Such emergency Bylaws may make any provision that may be practicable and necessary under the circumstances of the emergency.

Section 3. Authority to Take Action Under Extraordinary Market Conditions

The Board, or such person or persons as may be designated by the Board, in the event of extraordinary market conditions, shall have the authority to take any action regarding:

(a) the trading in or operation of the national securities exchange operated by the Company or any other organized securities markets that may be operated by the Company, the operation of any automated system owned or operated by the Company, and the participation in any such system of any or all persons or the trading therein of any or all securities; and

Section 5. Reserves

A Director shall, in the performance of such Director's duties, be fully protected, to the fullest extent permitted by law, in relying in good faith upon the books of account or reports made to the Company by any of its officers, by an independent certified public accountant, by an appraiser selected with reasonable care by the Board or any committee of the Board or by any agent of the Company, or in relying in good faith upon other records of the Company.

Section 2. Composition of the Board

(a) The Board of Directors shall consist of four (4) or more Directors, the number thereof to be determined from time to time by resolution of the Board of Directors, subject to the compositional requirements of the Board set forth in Article III, Section 2(b).

Directors other than the Chief Executive Officer shall serve staggered three-year terms, with the term of office of one class expiring each year. A Director may serve for any number of terms, consecutive or otherwise. In order to commence such staggered three-year terms, Directors in Class I shall hold office until the second annual election of the Board of Directors, Directors in Class II shall initially hold office until the third annual election of the Board of Directors, and Directors in Class III shall initially hold office until the fourth annual election of the Board of Directors. Commencing with the second annual election of the Board of Directors, the term of office for each class of Directors elected at such time shall be three years from the date of their election. Notwithstanding the foregoing, in the case of any new Director as contemplated by Article III, Section 2(a), such Director shall be added to a class, as determined by the Board at the time of such Director's initial election or appointment, and shall have an initial term expiring at the same time as the term of the class to which such Director has been added.

Section 4. Nomination and Election

A Member Representative Director must be an officer, director, employee, or agent of an Exchange Member that is not a Stockholder Exchange Member.

(c) Not later than sixty (60) days prior to the date announced as the date for the annual or special meeting of stockholders, the Member Nominating Committee shall report to the Nominating Committee and the Secretary the initial nominees for Member Representative Director positions on the Board that have been approved and submitted by the Member Nominating Committee. The Secretary shall promptly notify Exchange Members of those initial nominees. Exchange Members may identify other candidates ("Petition Candidates" for purposes of this Section 4) for the Member Representative Director positions by delivering to the Secretary, at least thirty-five (35) days before the date announced as the date for the annual or special meeting of stockholders (the "Record Date" for purposes of this Section 4), a written petition, which shall designate the candidate by name and office and shall be signed by Executive Representatives of ten percent (10%) or more of the Exchange Members. An Exchange Member may endorse as many candidates as there are Member Representative Director positions to be filled. No Exchange Member, together with its affiliates, may account

for more than fifty percent (50%) of the signatures endorsing a particular candidate, and any signatures of such Exchange Member, together with its affiliates, in excess of the fifty percent (50%) limitation shall be disregarded.

(d) Each petition for a Petition Candidate must include a completed questionnaire used to gather information concerning Member Representative Director candidates and must be filed with the Company (the Company shall provide the form of questionnaire upon the request of any Exchange Member).

(e) If no valid petitions from Exchange Members are received by the Record Date, the initial nominees approved and submitted by the Member Nominating Committee shall be nominated as Member Representative Directors by the Nominating Committee. If one or more valid petitions from Exchange Members are received by the Record Date, the Secretary shall include such additional nominees, along with the initial nominees nominated by the Member Nominating Committee, on a list of nominees (the "List of Candidates"). Upon completion, the List of Candidates shall be sent by the Secretary to all Exchange Members that were Exchange Members on the Record Date, by any means, including electronic transmission, to confirm the nominees for the Member Representative Director positions. The List of Candidates shall be accompanied by a notice regarding the time and date of an election to be held at least twenty (20) days prior to the annual or special stockholders' meeting to confirm the Exchange Members' selections of nominees for Member Representative Directors.

(f) With respect to the election held to determine the final nomination of Member Representative Directors, each Exchange Member shall have the right to cast one (1) vote for each available Member Representative Director nomination; *provided*, however, that any such vote must be cast for a person on the List of Candidates, and that no Exchange Member, together with its affiliates, may account for more than twenty percent (20%) of the votes cast for a candidate, and any votes cast by such Exchange Member, together with its affiliates, in excess of such twenty percent (20%) limitation shall be disregarded. The votes shall be cast by written ballot, electronic transmission or any other means as set forth in a notice to the Exchange Members sent by the Company prior to such election. Only votes received prior to 5:00 p.m. Eastern Time on the date of the election shall count for the nomination of a Member Representative Director. The persons on the List of Candidates who receive the most votes shall be selected as the nominees for the Member Representative Director positions to be elected by stockholders.

Section 5. Chairman of the Board

The Chief Executive Officer shall be the Chairman of the Board ("Chairman"). The Chairman shall preside at all meetings of the Board at which the Chairman is present; *provided*, however, that he or she shall not participate in executive sessions of the Board. The Chairman shall exercise such other powers and perform such other duties as may be assigned to the Chairman from time to time by the Board. The Board of Directors shall designate a Lead Director from among the Board's Independent Directors to preside over executive sessions of the Board. The Board shall publicly disclose the identity of the Lead Director and the means by which interested parties may communicate with the Lead Director.

Section 6. Vacancies

(a) Whenever any Director position, other than a Member Representative Director position, becomes vacant prior to the election of a successor at the end of such Director's term, whether because of death, disability, disqualification, removal or resignation, and whenever any newly-created Director position, other than a Member Representative Director position, becomes available because of an increase in the number of Directors, the Nominating Committee shall nominate, and stockholders shall elect, a person satisfying the classification (Industry, Non-Industry, or Independent Director), if applicable, for the directorship to fill such vacancy until the expiration of the remaining term or to fill such newly-created Director position until the expiration of such position's designated term; *provided*, however, that if the remaining term of office of a Director at the time of such Director's vacancy is not more than six (6) months, during the period of vacancy the Board shall not be deemed to be in violation of Article III, Section 2(b) by virtue of such vacancy.

(b) Whenever any Member Representative Director position becomes vacant prior to the election of a successor at the end of such Member Representative Director's term, whether because of death, disability, disqualification, removal, or resignation, and whenever any newly-created Member Representative Director position becomes available because of an increase in the number of Directors, then the stockholders shall follow the procedures set forth in this Section 6(b). In such event, the Member Nominating Committee shall either (i) recommend an individual to the stockholders to be elected to fill such vacancy or (ii) provide a list of recommended individuals to the stockholders from which the stockholders shall elect the individual to fill such vacancy. A Member Representative Director elected pursuant to this Section 6(b) shall serve until the expiration of the remaining term or until the expiration of such position's designated term; *provided*, however, that if the remaining term of office of a Member Representative Director at the time of such Director's vacancy is not more than six (6) months, during the period of vacancy the Board shall not be deemed to be in violation of Article III, Section 2(b) by virtue of such vacancy.

Section 7. Removal and Resignation

(a) Except as hereinafter provided, any Director may be removed or expelled with or without cause by majority vote of stockholders, and may be removed by the Board of Directors in the manner provided by Article III, Section 7(b) below; *provided*, however, that any Member Representative Director may only be removed for cause, which shall include, without limitation, such Director being subject to a statutory disqualification.

(b) A Director shall be removed immediately upon a determination by the Board, by a majority vote of the remaining Directors, (a) that the Director no longer satisfies the classification for which the Director was elected; and (b) that the Director's continued service as such would violate the compositional requirements of the Board set forth in Article III, Section 2(b).

(c) Any Director may resign at any time either upon notice of resignation to the Chairman

of the Board, the President or the Secretary. Any such resignation shall take effect at the time specified therein or, if the time is not specified, upon receipt thereof, and the acceptance of such resignation, unless required by the terms thereof, shall not be necessary to make such resignation effective.

Section 8. Place of Meetings; Mode

Any meeting of the Board may be held at such place, within or without the State of Delaware, as shall be designated in the notice of such meeting, but if no such designation is made, then the meeting will be held at the principal business office of the Company. Members of the Board or any committee of the Board may participate in a meeting of the Board or committee by conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting.

Section 9. Regular Meetings

Regular meetings of the Board may be held, with or without notice, at such time or place as may from time to time be specified in a resolution adopted by the Board.

Section 10. Special Meetings

(a) Special meetings of the Board may be called on a minimum of two (2) days' notice to each Director by the Chairman or the President, and shall be called by the Secretary upon the written request of three (3) Directors then in office.

(b) The person or persons calling a special meeting of the Board shall fix the time and place at which the meeting shall be held, and such time and place shall be specified in the notice of such meeting. Notice of any special meeting shall be given to each Director at his or her business address or such other address as he or she may have advised the Secretary to use for such purpose. If delivered, notice shall be deemed to be given when delivered to such address or to the Director to be notified. If mailed, such notice shall be deemed to be given five (5) business days after deposit in the United States mail, postage prepaid, of a letter addressed to the appropriate location. Notice may also be given by telephone, electronic transmission or other means not specified in this section, and in each such case shall be deemed to be given when actually received by the Director to be notified.

Section 11. Exchange Member Meetings

The Company shall not be required to hold meetings of the Exchange Members.

Section 12. Voting, Quorum and Action by the Board

Each Director shall be entitled to one (1) vote. At all meetings of the Board, the presence of a majority of the number of Directors then in office shall constitute a quorum for the transaction of business. If a quorum shall not be present at any meeting of the Board, the Directors present at such meeting may adjourn the meeting from time to time, without notice

other than announcement at the meeting, until a quorum shall be present. The act of a majority of the Directors present at any meeting at which there is a quorum shall be the act of the Board except as may be otherwise specifically provided by statute, the Certificate of Incorporation, or these Bylaws.

Section 13. Presumption of Assent

A Director of the Company who is present at a duly convened meeting of the Board or of a committee of the Board at which action on any corporate matter is taken shall be conclusively presumed to have assented to the action taken unless his or her dissent or election to abstain shall be entered in the minutes of the meeting or unless he or she shall file his or her written dissent or election to abstain to such action with the person acting as the secretary of the meeting before the adjournment of the meeting or shall forward such dissent or election to abstain by registered or certified mail to the Secretary of the Company immediately after the adjournment of the meeting. Such right to dissent or abstain shall not apply to a Director who voted in favor of such action.

Section 14. Action in Lieu of Meeting

Unless otherwise restricted by statute, the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board or any committee thereof may be taken without a meeting if all members of the Board or committee, as the case may be, consent thereto in writing or by electronic transmission, and such writing(s) or electronic transmission(s) are filed with the minutes of proceedings of the Board or the committee.

Section 15. Waiver of Notice

(a) Whenever notice is required to be given by law, the Certificate of Incorporation or these Bylaws, a waiver thereof by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board, or members of a committee, need be specified in any waiver of notice.

(b) Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

Section 16. Compensation of Board and Committee Members

The Board may provide for reasonable compensation of the Chairman, the Directors and the members of committees. The Board may also provide for reimbursement of reasonable expenses incurred by such persons in connection with the business of the Company.

Section 17. Interpretation of Bylaws

The Board shall have the power to interpret these Bylaws and any interpretation made by it shall be final and conclusive.

Section 18. Conflicts of Interest; Contracts and Transactions Involving Directors

(a) A Director or a member of any committee may not participate in the consideration or decision of any matter relating to a particular Exchange Member, company, or individual if such Director or committee member has a material interest in, or a professional, business, or personal relationship with, that Exchange Member, company, or individual, or if such participation shall create an appearance of impropriety. In any such case, the Director or committee member shall recuse himself or herself or shall be disqualified. If a member of the Board or any committee is recused from consideration of a matter, any decision on the matter shall be by a vote of a majority of the remaining members of the Board or applicable committee.

(b) No contract or transaction between the Company and one or more of its Directors or officers, or between the Company and any other corporation, partnership, association or other organization in which one or more of its Directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely for this reason if: (i) the material facts pertaining to such Director's or officer's relationship or interest and the contract or transaction are disclosed or are known to the Board or the committee, and the Board or committee in good faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors be less than a quorum; or (ii) the material facts are disclosed or become known to the Board or committee after the contract or transaction is entered into, and the Board or committee in good faith ratifies the contract or transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors be less than a quorum.

ARTICLE IV

Stockholders

Section 1. Annual Meeting; Election of Directors and Other Matters

(a) The annual meeting of the stockholders shall be held at such place and time as determined by the Board for the purpose of electing Directors and members of the Nominating Committee and Member Nominating Committee, and for conducting such other business as may properly come before the meeting. Written notice of the annual meeting stating the place, date and hour of the meeting shall be given to each stockholder entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting.

(b) The first annual meeting of the stockholders shall be held prior to the Company's commencement of operations as an Exchange.

Section 2. Special Meetings

Special meetings of the stockholders, for any purpose or purposes, may be called by the

Chairman, the Board or the President, and shall be called by the Secretary at the request in writing of stockholders owning not less than a majority of the then issued and outstanding capital stock of the Company entitled to vote. Written notice of a special meeting stating the place, date and hour of the meeting and the purpose or purposes for which the meeting is called, shall be given to each stockholder entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting. Business transacted at any special meeting of stockholders shall be limited to the purpose(s) stated in the notice of the meeting.

Section 3. List of Stockholders

The Secretary of the Company, or such other person designated by the Secretary or the Board, shall have charge of the stock ledger of the Company and shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time of the meeting, and may be inspected by any stockholder who is present.

Section 4. Quorum and Vote Required for Action

(a) The holders of a majority of the capital stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business except as otherwise provided by statute, the Certificate of Incorporation or these Bylaws. If, however, such quorum shall not be present or represented at any meeting of the stockholders, the stockholders entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

(b) When a quorum is present at any meeting, the vote of the holders of a majority of the capital stock having voting power present in person or represented by proxy shall decide any question brought before such meeting, unless the question is one upon which by express provision of statute or of the Certificate of Incorporation, a different vote is required, in which case such express provision shall govern and control the decision of such question.

Section 5. Voting of Shares; Proxies

Unless otherwise provided in the Certificate of Incorporation or these Bylaws, each

stockholder of the Company shall at every meeting of the stockholders be entitled to one (1) vote in person or by proxy for each share of the capital stock having voting power held by such stockholder, but no proxy shall be voted on after three (3) years from its date, unless the proxy provides for a longer period. Any such proxy shall be in writing and shall be filed with the Secretary of the Company before or at the time of the meeting.

Section 6. Action in Lieu of Meeting

As set forth in the Certificate of Incorporation of the Company, any action upon which a vote of stockholders is required or permitted, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding capital stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Company in the manner required by law, *provided* that the matter to be acted upon by such written consent previously has been directed by the Board to be submitted to the stockholders for their action by written consent. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not so consented in writing.

Section 7. Assignment

The stockholder may not transfer or assign, in whole or in part, its ownership interest(s) in the Company.

ARTICLE V

Committees of the Board

Section 1. Number of Committees

The committees of the Board shall consist of a Compensation Committee, an Audit Committee, a Regulatory Oversight Committee, an Appeals Committee, and such other committees as may be from time to time established by the Board. All committees are subject to the control and supervision of the Board.

Section 2. Appointment and Removal; Vacancies; Term

(a) The Chairman, with the approval of the Board, shall appoint, consistent with these Bylaws, the members of all committees of the Board, as well as the chair of each committee, and the Chairman may, at any time, with or without cause, remove any member of a committee so appointed, with the approval of the Board. Each committee shall be comprised of at least three (3) people and may include persons who are not members of the Board; *provided*, however, that such committee members who are not also members of the Board shall only participate in committee actions to the extent permitted by law. In appointing members to committees of the Board, the Chairman is responsible for determining that any such committee meets the

composition requirements set forth in this Article V.

(b) Upon request of the Secretary, each prospective committee member who is not a Director shall provide to the Secretary such information as is reasonably necessary to serve as the basis for a determination of the prospective committee member's classification as an Industry, Non-Industry, or Independent member. The Secretary shall certify to the Board each prospective committee member's classification. Such committee members shall update the information submitted under this subsection at least annually and upon request of the Secretary, and shall report immediately to the Secretary any change in such information.

(c) The term of office of a committee member shall terminate immediately upon a determination by the Board, by a majority vote of the Directors, (i) that the committee member no longer satisfies the classification for which the committee member was selected; and (ii) that the committee member's continued service as such would violate the compositional requirements of such committee set forth in this Article V.

(d) Any vacancy occurring in a committee shall be filled by the Chairman for the remainder of the term, with the approval of the Board.

(e) Except as otherwise provided by the Bylaws, members of a committee shall hold office for a one-year period.

Section 3. Powers and Duties of Committees

In each subsequent year, each of the Nominating Committee and Member Nominating Committee, after completion of its respective duties for nominating Directors for election to the Board for that year, shall nominate candidates to serve on the succeeding year's Nominating Committee or Member Nominating Committee, as applicable, such candidates to be voted on by stockholders at the annual meeting of stockholders. ARTICLE VIII

Indemnification

Section 1. Indemnification of Directors, Officers, Employees and Other Agents

The Company shall indemnify its Directors and executive officers to the fullest extent not prohibited by the Delaware General Corporation Law; provided, however, that the Company may limit the extent of such indemnification by individual contracts with its Directors and executive officers; and, provided, further, that the Company shall not be required to indemnify any Director or executive officer in connection with any proceeding (or part thereof) initiated by such person or any proceeding by such person against the Company or its Directors, officers, employees or other agents unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Board of Directors of the Company or (iii) such indemnification is provided by the Company, in its sole discretion, pursuant to the powers vested in the Company under the Delaware General Corporation Law.

(a) *Other Officers, Employees and Other Agents.* The Company shall have the power to indemnify its other officers, employees and other agents as set forth in the Delaware General Corporation Law.

(b) *Expenses.* The Company shall advance to any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a Director or executive officer, of the Company or is or was serving at the request of the Company as a Director or executive officer of another corporation, partnership, joint venture, trust or other enterprise, prior to the final disposition of the proceeding, promptly following request therefor, all expenses incurred by any Director or executive officer in connection with such proceeding upon receipt of an undertaking by or on behalf of such person to repay said amounts if it should be determined ultimately that such person is not entitled to be indemnified under this Article VIII or otherwise.

Notwithstanding the foregoing, unless otherwise determined pursuant to paragraph (e) of this Article VIII, Section 1, no advance shall be made by the Company to an executive officer of the Company (except by reason of the fact that such executive officer is or was a Director of the Company in which event this paragraph shall not apply) in any action, suit or proceeding,

whether civil, criminal, administrative or investigative, if a determination is reasonably and promptly made (i) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to the proceeding, or (ii) if such quorum is not obtainable, or, even if obtainable, a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion, that the facts known to the decision-making party at the time such determination is made demonstrate clearly and convincingly that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the Company.

(c) *Enforcement.* Without the necessity of entering into an express contract, all rights to indemnification and advances to Directors and executive officers under this Article VIII shall be deemed to be contractual rights and be effective to the same extent and as if provided for in a contract between the Company and the Director or executive officer. Any right to indemnification or advances granted by this Article VIII to a Director or executive officer shall be enforceable by or on behalf of the person holding such right in the forum in which the proceeding is or was pending or, if such forum is not available or a determination is made that such forum is not convenient, in any court of competent jurisdiction if (i) the claim for indemnification or advances is denied, in whole or in part, or (ii) no disposition of such claim is made within ninety (90) days of request therefor. The claimant in such enforcement action, if successful in whole or in part, shall be entitled to be paid also the expense of prosecuting his claim. The Company shall be entitled to raise as a defense to any such action that the claimant has not met the standards of conduct that make it permissible under the Delaware General Corporation Law for the Company to indemnify the claimant for the amount claimed. Neither the failure of the Company (including its Board of Directors, independent legal counsel or its Stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he has met the applicable standard of conduct set forth in the Delaware General Corporation Law, nor an actual determination by the Company (including its Board of Directors, independent legal counsel or its Stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that claimant has not met the applicable standard of conduct.

(d) *Non Exclusivity of Rights.* To the fullest extent permitted by the Company's Certificate of Incorporation and the Delaware General Corporation Law, the rights conferred on any person by this Article VIII shall not be exclusive of any other right which such person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, Bylaws, agreement, vote of Stockholders or disinterested Directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding office. The Company is specifically authorized to enter into individual contracts with any or all of its Directors, officers, employees or agents respecting indemnification and advances, to the fullest extent permitted by the Delaware General Corporation Law and the Company's Certificate of Incorporation.

(e) *Survival of Rights.* The rights conferred on any person by this Article VIII shall continue as to a person who has ceased to be a Director or executive officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

(f) *Insurance.* The Company, upon approval by the Board of Directors, may purchase

insurance on behalf of any person required or permitted to be indemnified pursuant to this Article VIII.

(g) *Amendments.* Any repeal or modification of this Article VIII shall only be prospective and shall not affect the rights under this Article VIII in effect at the time of the alleged occurrence of any action or omission to act that is the cause of any proceeding against any agent of the Company.

(h) *Saving Clause.* If this Article VIII or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify each Director and executive officer to the fullest extent permitted by any applicable portion of this Article VIII that shall not have been invalidated or by any other applicable law.

(i) *Certain Definitions.* For the purposes of this Article VIII, the following definitions shall apply:

- (i) The term “proceeding” shall be broadly construed and shall include, without limitation, the investigation, preparation, prosecution, defense, settlement and appeal of any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, arbitral or investigative.
- (ii) The term “expenses” shall be broadly construed and shall include, without limitation, court costs, attorneys’ fees, witness fees, fines, amounts paid in settlement or judgment and any other costs and expenses of any nature or kind incurred in connection with any proceeding, including expenses of establishing a right to indemnification under this Article VIII or any applicable law.
- (iii) The term the “Company” shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, limited liability company, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Article VIII with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued.
- (iv) References in this Article VIII to a “Director,” “officer,” “employee,” or “agent” of the Company shall include, without limitation, situations where such person is serving at the request of the Company as a director, officer,

employee, trustee or agent of another corporation, partnership, joint venture, trust or other enterprise.

Section 2. Exchange Not Liable

Except as provided in the Exchange Rules, the Company shall not be liable for any loss or damage sustained by any current or former Exchange Member growing out of the use or enjoyment by such Exchange Member of the facilities afforded by the Company (or any predecessor or successor thereof) or its subsidiaries.

ARTICLE IX

Amendments; Emergency Bylaws

Section 1. By Stockholders or Board

These Bylaws may be altered, amended or repealed, or new Bylaws may be adopted, (i) by the written consent of the stockholders of the Company, or (ii) at any regular or special meeting of the Board by a resolution adopted by the Board.

Section 2. Emergency Bylaws

The Board may adopt emergency Bylaws subject to repeal or change by action of the stockholders of the Company which shall, notwithstanding any different provision of law, the Certificate of Incorporation or these Bylaws, be operative during any emergency resulting from any nuclear or atomic disaster, an attack on the United States or on a locality in which the Company conducts its business or customarily holds meetings of the Board, any catastrophe, or other emergency condition, as a result of which a quorum of the Board or a committee thereof cannot readily be convened for action. Such emergency Bylaws may make any provision that may be practicable and necessary under the circumstances of the emergency.

Section 3. Authority to Take Action Under Extraordinary Market Conditions

The Board, or such person or persons as may be designated by the Board, in the event of extraordinary market conditions, shall have the authority to take any action regarding:

(a) the trading in or operation of the national securities exchange operated by the Company or any other organized securities markets that may be operated by the Company, the operation of any automated system owned or operated by the Company, and the participation in any such system of any or all persons or the trading therein of any or all securities; and

(b) the operation of any or all offices or systems of Exchange Members, if, in the opinion of the Board or the person or persons hereby designated, such action is necessary or appropriate for the protection of investors or the public interest or for the orderly operation of the marketplace or the system.

ARTICLE X

Section 1. Rules

The Board, acting in accordance with the terms of these Bylaws and the Rules, shall be vested with all powers necessary for the governance of the Company as an “exchange” within the meaning of the Act. - (iv) failure by an Exchange Member or person associated with an Exchange Member to adhere to any ruling, order, direction, or decision of, or to pay any sanction, fine, or costs imposed by the Board or any entity to which the Board has delegated its powers.

Section 3. Membership Qualifications

(a) The Board shall have authority to adopt rules and regulations applicable to Exchange Members, applicants seeking to become Exchange Members, and persons associated with applicants or Exchange Members, establishing specified and appropriate standards with respect to the training, experience, competence, financial responsibility, operational capability, and such other qualifications as the Board finds necessary or desirable.

(b) The Board may from time to time make such changes in such rules, regulations, and standards as it deems necessary or appropriate.

(c) Uniform standards for regulatory and other access issues, such as admission to membership and conditions to becoming an Exchange market maker, shall be promulgated and applied on a consistent basis, and the Company shall institute safeguards to ensure fair and evenhanded access to all of its services and facilities.

The Board shall have authority to fix and levy the amount of fees, dues, assessments, and other charges to be paid by Exchange Members and issuers and any other persons using any facility or system that the Company operates or controls; *provided*, however, that such fees, dues, assessments, and other charges shall be equitably allocated among Exchange Members and issuers and any other persons using any facility or system that the Company operates or controls. Any revenues received by the Company from fees derived from its regulatory function or regulatory penalties will not be used for non-regulatory purposes or distributed to the stockholder, but rather, shall be applied to fund the legal and regulatory operations of the Company (including surveillance and enforcement activities), or, as the case may be, shall be used to pay restitution and disgorgement of funds intended for customers.

Section 5. Reserves

Before payment of any dividends, there may be set aside out of any funds of the Company available for dividends such sum or sums as the Board from time to time, in its absolute discretion, determines to be proper as a reserve or reserves to meet contingencies, or for equalizing dividends, or for repairing or maintaining any property of the Company, or for such other purpose as the Board shall determine to be conducive to the interests of the Company, and the Board may modify or abolish any such reserve in the manner in which it was created.

THIRD AMENDED AND RESTATED BYLAWS

OF

BATS TRADING, INC.

(a Delaware corporation)

ARTICLE I.

OFFICES

1.1. Principal and Business Offices. The corporation may have such principal and other business offices, either within or without the State of Delaware, as the Board of Directors may designate or as the business of the corporation may require from time to time.

1.2. Registered Office. The registered office of the corporation required by the Delaware General Corporation Law to be maintained in the State of Delaware may be, but need not be, identical with the principal office in the State of Delaware, and the address of the registered office may be changed from time to time by the Board of Directors or by the registered agent. The business office of the registered agent of the corporation shall be identical to such registered office.

ARTICLE II.

STOCKHOLDERS

2.1. Annual Meeting. The annual meeting of the stockholders shall be held on the 1st Monday in November of each year (unless that date shall be a non-business day or legal holiday, in which event the annual meeting of the stockholders shall be held the first business day immediately following such date) for the purposes of electing directors and for the transaction of such other business as may come before the meeting.

2.2. Special Meeting. Special meetings of the stockholders, for any purpose or purposes, unless otherwise prescribed by statute, may be called by the Board of Directors or the President or the Secretary or by the person, or in the manner, designated by the Board of Directors.

2.3. Place of Meeting. The Board of Directors may designate any place, either within or without the State of Delaware, as the place of meeting for any annual meeting or for any special meeting of stockholders called by the Board of Directors. If no designation is made, or if a special meeting be otherwise called, the place of meeting shall be the registered office of the corporation in the State of Delaware.

2.4. Notice of Meeting. Written notice stating the place, day and hour of the meeting of stockholders and, in case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered to each stockholder of record entitled to vote at such meeting not less than ten (10) days (unless a longer period is required by law or the articles of incorporation) not more than sixty (60) days before the date of the meeting, either personally or by mail, by or at the direction of the Board of Directors, the President, the Secretary, or any other officer or persons calling the meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the

stockholder at his address as it appears on the stock record books of the corporation, with postage thereon prepaid.

2.5. Adjournment. Any meeting of stockholders may be adjourned to reconvene at any place designated by vote of a majority of the shares represented thereat. At the adjourned meeting, the corporation may transact any business which might have been transacted at the original meeting. No notice of the time or place of an adjournment need be given if the time and place are announced at the meeting at which an adjournment is taken, unless the adjournment is for more than thirty (30) days or a new record date is fixed for the adjourned meeting, in which case notice of the adjourned meeting shall be given to each stockholder. Unless a new record date for the adjourned meeting is fixed, the determination of stockholders of record entitled to notice or to vote at the meeting at which adjournment is taken shall apply to the adjourned meeting.

2.6. Fixing of Record Date. For the purpose of determining stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or stockholders entitled to receive payment of any dividend, or in order to make a determination of stockholders for any other proper purpose, the Board of Directors may fix in advance a date as the record date for any such determination of stockholders, such date in any case to be not more than sixty (60) days, and, in case of a meeting of stockholders, not less than ten (10) days prior to the date on which the particular action requiring such determination of stockholders is to be taken. If no record date is fixed, the record date for determining:

(a) stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held;

(b) stockholders entitled to express consent to a corporate action in writing without meeting shall be the day on which the first written consent is expressed; or

(c) stockholders for any other purpose shall be the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

2.7. Voting Records. The officer having charge of the stock transfer books for shares of the corporation shall, at least ten (10) days before each meeting of stockholders, make a complete record of the stockholders entitled to vote at such meeting, arranged in alphabetical order, with the address of and the number of shares held by each. Such record shall be produced and kept open for the examination of any stockholders, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city where the meeting is to be held as specified in the notice of the meeting or at the place of the meeting. The record shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholders present. The original stock transfer books shall be the only evidence as to who are the stockholders entitled to examine such record or transfer books or to vote at any meeting of stockholders.

2.8. Quorum. Except as otherwise provided in the certificate of incorporation, a majority of the shares entitled to vote, represented in person or by proxy, shall constitute a quorum at a meeting of stockholders, but in no event shall less than one-third of the shares entitled to vote constitute a quorum. If a quorum is present, the affirmative vote of the majority of the shares represented at the meeting and entitled to vote on the subject matter shall be the act of the stockholders unless the vote of a greater number or voting by classes is required by law or the certificate of incorporation. Though less than a quorum of the outstanding shares are represented at a meeting, a majority of the shares represented

at a meeting which initially had a quorum may adjourn the meeting from time to time without further notice.

2.9. Conduct of Meeting. The President or, in his absence, a Vice President in the order provided under Section 4.6 or, in their absence, any person chosen by the stockholders present, shall call the meeting of the stockholders to order and shall act as chairman of the meeting. The Secretary of the corporation shall act as secretary of all meetings of the stockholders, but, in the absence of the Secretary, the presiding officer may appoint any other person to act as secretary of the meeting.

2.10. Proxies. At all meetings of stockholders, a stockholder entitled to vote may vote in person, by proxy, appointed in writing by the stockholder, or by his duly authorized attorney in fact. Such proxy shall be filed with the Secretary of the Corporation before or at the time of the meeting. Unless otherwise provided in the proxy and supported by sufficient interest, a proxy may be revoked at any time before it is voted, either by written notice filed with the Secretary or the acting secretary, or by oral notice given by the stockholder to the presiding officer during the meeting. The presence of a stockholder who has filed a proxy shall not of itself constitute a revocation. No proxy shall be valid after three (3) years from the date of its execution, unless otherwise provided in the proxy. The Board of Directors shall have the power and authority to make rules establishing presumptions as to the validity and sufficiency of proxies.

2.11. Voting of Shares. Each outstanding share shall be entitled to one vote upon each matter submitted to a vote at a meeting of stockholders, except to the extent that the voting rights of the shares of any class or classes are enlarged, limited or denied by the certificate of incorporation.

2.12. Voting of Shares by Certain Holders.

(a) Other Corporations. Shares standing in the name of another corporation may be voted either in person or by proxy, by the president of such corporation or any other officer appointed by such president. A proxy executed by any principal officer of such other corporation or assistant thereof shall be conclusive evidence of the signer's authority to act, in the absence of express notice to this corporation, given in writing to the Secretary of this corporation, of the designation of some other person by the board of directors or the bylaws of such other corporation.

(b) Legal Representatives and Fiduciaries. Shares held by any administrator, executor, guardian, conservator, trustee in bankruptcy, receiver, or assignee for creditors may be voted by a duly executed proxy, without a transfer of such shares to his name. Shares standing in the name of a fiduciary may be voted by him, either in person or by proxy. A proxy executed by a fiduciary, shall be conclusive evidence of the signer's authority to act, in the absence of express notice to this corporation, given in writing to the Secretary of this corporation, that such manner of voting is expressly prohibited or otherwise directed by the document creating the fiduciary relationship.

(c) Pledges. A stockholder whose shares are pledged shall be entitled to vote such shares, unless in the transfer of the shares the pledgor has expressly authorized the pledgee to vote the shares and thereafter the pledgee, or his proxy, shall be entitled to vote the shares so transferred.

(d) Treasury Stock and Subsidiories. Neither treasury shares, nor shares held by another corporation if a majority of the shares entitled to vote for the election of directors of such other corporation is held by this corporation, shall be voted at any meeting or counted in determining the total number of outstanding shares entitled to vote, but shares of its own issue held by its corporation in a fiduciary capacity, or held by such other corporation in a fiduciary capacity, may be voted and shall be counted in determining the total number of outstanding shares entitled to vote.

(c) Joint Holders. Shares of record in the names of two or more persons or shares to which two or more persons have the same fiduciary relationship, unless the Secretary of the corporation is given notice otherwise and furnished with a copy of the instrument creating the relationship, may be voted as follows: (i) if voted by an individual, his vote binds all holders; or (ii) if voted by more than one holder, the majority vote binds all, unless the vote is evenly split in which case the shares may be voted proportionately, or according to the ownership interest as shown in the instrument filed with the Secretary of the corporation.

2.13. Waiver of Notice by Stockholders. Whenever any notice is required to be given to any stockholder of the corporation under the certificate of incorporation or bylaws or any provision of the Delaware General Corporation Law, a waiver thereof in writing, signed at any time, whether before or after the time of meeting, by the stockholder entitled to such notice, shall be deemed equivalent to the giving of such notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except where the person attends for the express purpose of objecting to the transaction of any business. Neither the business nor the purpose of any regular or special meeting of stockholders, directors or members of a committee of directors need be specified in the waiver.

2.14. Stockholders Consent Without Meeting. Any action required or permitted by the certificate of incorporation or bylaws or any provision of law to be taken at a meeting of the stockholders, may be taken without a meeting, prior notice or vote, if a consent in writing, setting forth the action so taken, shall be signed by the number of stockholders required to authorize such action at a meeting. If the action is authorized by less than unanimous consent, notice of the action shall be given to nonconsenting stockholders.

ARTICLE III.

BOARD OF DIRECTORS

3.1. General Powers and Number. The business and affairs of the corporation shall be managed by its Board of Directors. The number of directors of the corporation shall be one (1) or such other specific number as may be designated from time to time by resolution of the Board of Directors.

3.2. Term and Qualifications. Each director shall hold office until the next annual meeting of stockholders and until his successor shall have been qualified and elected, or until his prior death, resignation or removal. A director may be removed from office by affirmative vote of a majority of the outstanding shares entitled to vote for the election of such director, taken at a meeting of stockholders called for that purpose. A director may resign at any time by filing his written resignation with the Secretary of the corporation. Directors need not be residents of the State of Delaware or stockholders of the corporation.

3.3. Regular Meetings. A regular meeting of the Board of Directors shall be held without other notice than this by-law immediately after the annual meeting of stockholders, and each adjourned session thereof. The place of such regular meeting shall be the same as the place of the meeting of stockholders which precedes it, or such other suitable place as may be announced at such meeting of stockholders. The Board of Directors may provide, by resolution, the time and place, either within or without the State of Delaware, for the holding of additional regular meetings without other notice than such resolution.

3.4. Special Meetings. Special meetings of the Board of Directors may be called by or at the request of the President, Secretary or Treasurer. The President or Secretary calling any special meeting of the Board of Directors may fix any place, either within or without the State of Delaware, as

the place for holding any special meeting of the Board of Directors called by them, and if no other place is fixed the place of the meeting shall be the registered office of the corporation in the State of Delaware.

3.5. Notice; Waiver. Notice of each meeting of the Board of Directors (unless otherwise provided in or pursuant to Section 3.3) shall be given to each director not less than twenty-four (24) hours prior to the meeting by giving oral, telephone or written notice to a director in person, or by telegram, or not less than three (3) days prior to a meeting by delivering or mailing notice to the business address or such other address as a director shall have designated in writing and filed with the Secretary. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail so addressed, with postage thereon prepaid. If notice be given by telegram, such notice shall be deemed to be delivered when the telegram is delivered to the telegraph company. Whenever any notice is required to be given to any director of the corporation under the certificate of incorporation or bylaws or any provision of law, a waiver thereof in writing, signed at any time, whether before or after the time of meeting, by the director entitled to such notice, shall be deemed equivalent to the giving of such notice. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting and objects thereto to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting.

3.6. Quorum. Except as otherwise provided by law or by the certificate of incorporation or these bylaws, a majority of the directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, but in no event shall less than one-third of the directors constitute a quorum. A majority of the directors present (though less than such quorum) may adjourn the meeting from time to time without further notice.

3.7. Manner of Acting. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, unless the act of a greater number is required by law or by the certificate of incorporation or these bylaws.

3.8. Conduct of Meetings. The President, or, in his absence a Vice President in the order provided under Section 4.6, or, in their absence, any director chosen by the directors present, shall call meetings of the Board of Directors to order and shall act as chairman of the meeting. The Secretary of the corporation shall act as secretary of all meetings of the Board of Directors but in the absence of the Secretary, the presiding officer may appoint any Assistant Secretary or any director or other person present to act as secretary of the meeting.

3.9. Vacancies. Any vacancy occurring in the Board of Directors, including a vacancy created by an increase in the number of directors, may be filled until the next succeeding annual election by the affirmative vote of a majority of the directors then in office, though less than a quorum of the Board of Directors; provided, that in case of a vacancy created by the removal of a director by vote of the stockholders, the stockholders shall have the right to fill such vacancy at the same meeting or any adjournment thereof.

3.10. Compensation. The Board of Directors, by affirmative vote of a majority of the directors then in office, and irrespective of any personal interest of any of its members, may establish reasonable compensation of all directors for services to the corporation as directors, officers or otherwise, or may delegate such authority to an appropriate committee. The Board of Directors also shall have authority to provide for or delegate authority to an appropriate committee to provide for reasonable pensions, disability or death benefits, and other benefits or payments, to directors, officers and employees

and to their estates, families, dependents or beneficiaries on account of prior services rendered by such directors, officers and employees to the corporation.

3.11. Presumption of Assent. A director of the corporation who is present at a meeting of the Board of Directors or a committee thereof of which he is a member at which action on any corporate matter is taken unless his dissent shall be entered in the minutes of the meeting or unless he shall file his written dissent to such action with the person acting as the secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the Secretary of the corporation immediately after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

3.12. Committees. The Board of Directors by resolution adopted by the affirmative vote of a majority of the directors may designate one or more committees, each committee to consist of one or more directors elected by the Board of Directors, which to the extent provided in said resolution as initially adopted, and as thereafter supplemented or amended by further resolution adopted by a like vote, shall have and may exercise the powers of the Board of Directors in the management of the business and affairs of the corporation and may authorize the seal of the corporation to be affixed to all papers which may require it. Each such committee shall fix its own rules governing the conduct of its activities and shall make such reports to the Board of Directors of its activities as the Board of Directors may request.

3.13. Unanimous Consent Without Meeting. Any action required or permitted by the certificate of incorporation or bylaws or any provision of law to be taken by the Board of Directors at a meeting or by a resolution of any committee thereof may be taken without a meeting if a consent in writing, setting forth the action so taken, filed with the minutes of the proceedings, shall be signed by all of the directors then in office.

3.14. Telephonic Meetings. Members of the Board of Directors, or any committee designated by the Board, may participate in a meeting of such Board or committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this by-law shall constitute presence in person at such meeting.

ARTICLE IV.

OFFICERS

4.1. Number. The principal officers of the corporation shall be a President, or any number of Vice Presidents, and a Secretary, each of whom shall be elected by the Board of Directors. Such other officers and assistant officers as may be deemed necessary may be elected or appointed by the Board of Directors. Any number of offices may be held by the same person.

4.2. Election and Term of Office. The officers of the corporation to be elected by the Board of Directors shall be elected annually by the Board of Directors at the first meeting of the Board of Directors held after each annual meeting of the stockholders. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as conveniently may be. Each officer shall hold office until his successor shall have been duly elected or until his prior death, resignation or removal. Any officer may resign at any time upon written notice to the corporation. Failure to elect officers shall not dissolve or otherwise affect the corporation.

4.3. Removal. Any officer or agent may be removed by the Board of Directors whenever in its judgment the best interests of the corporation will be served thereby, but such removal

shall be without prejudice to the contract rights, if any, of the person so removed. Election or appointment shall not of itself create contract rights.

4.4. Vacancies. A vacancy in any principal office because of death, resignation, removal, disqualification or otherwise, shall be filled by the Board of Directors for the unexpired portion of the term.

4.5. President. The President shall be the principal executive officer of the corporation and, subject to the control of the Board of Directors, shall, in general, supervise and control all of the business and affairs of the corporation. He shall, when present, preside at all meetings of the stockholders and of the Board of Directors. He shall have authority, subject to such rules as may be prescribed by the Board of Directors, to appoint such agents and employees of the corporation as he shall deem necessary, to prescribe their powers, duties and compensation, and to delegate authority to them. Such agents and employees shall hold office at the discretion of the President. He shall have authority to sign, execute and acknowledge, on behalf of the corporation, all deeds, mortgages, bonds, stock certificates, contracts, leases, reports and all other documents or instruments, of every conceivable kind and character whatsoever, necessary or proper to be executed in the course of the corporation's regular business, or which shall be authorized by resolution of the Board of Directors; and, except as otherwise provided by law or the Board of Directors, he may authorize any Vice President or other officer or agent of the corporation to sign, execute and acknowledge such documents or instruments in his place and stead. In general he shall perform all duties incident to the office of President and such other duties as may be prescribed by the Board of Directors from time to time.

4.6. The Vice President. In the absence of the President or in the event of his death, inability or refusal to act, or in the event for any reason it shall be impracticable for the President to act personally, the Vice President, if one is elected, (or in the event there be more than one Vice President, the Vice Presidents in the order designated by the Board of Directors, or in the absence of any designation, then in the order of their election) shall perform the duties of the President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President. OF
OMICRON ACQUISITION CORP.

ARTICLE I
OFFICES

Section 1.01. *Registered Office.* The registered office of the Corporation shall be in the City of Wilmington, County of New Castle, State of Delaware.

Section 1.02. *Other Offices.* The Corporation may also have offices at such other places both within and without the State of Delaware as the Board of Directors may from time to time determine or the business of the Corporation may require.

Section 1.03. *Books.* The books of the Corporation may be kept within or without the State of Delaware as the Board of Directors may from time to time determine or the business of the Corporation may require.

ARTICLE 2
MEETINGS OF STOCKHOLDERS

Section 2.01. *Time and Place of Meetings.* All meetings of stockholders shall be held at such place, either within or without the State of Delaware, on such date and at such time as may be determined from time to time by the Board of Directors (or the Chairman in the absence of a designation by the Board of Directors).

Section 2.02. *Annual Meetings.* Unless directors are elected by written consent in lieu of an annual meeting as permitted by the General Corporation Law of the State of Delaware as the same exists or may hereafter be amended ("Delaware Law"), an annual meeting of stockholders, commencing with the year 2012, shall be held for the election of directors and to transact such other business as may properly be brought before the meeting. Stockholders may, unless the certificate of incorporation otherwise provides, act by written consent to elect directors; *provided, however*, that if such consent is less than unanimous, such action by written consent may be in lieu of holding an annual meeting only if all of the directorships to which directors could be elected at an annual meeting held at the effective time of such action are vacant and are filled by such action.

Section 2.03. *Special Meetings.* Special meetings of stockholders may be called by the Board of Directors or the Chairman of the Board and shall be called by the Secretary at the request in writing of holders of record of a majority of the outstanding capital stock of the Corporation entitled to vote. Such request shall state the purpose or purposes of the proposed meeting.

Section 2.04. *Notice of Meetings and Adjourned Meetings; Waivers of Notice.* (a) Whenever stockholders are required or permitted to take any action at a meeting, a written notice of the meeting shall be given which shall state the place, if any, date and hour of the meeting, the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called. Unless otherwise provided by Delaware Law, such notice shall be given not less than 10 nor more than 60 days before the date of the meeting to each stockholder of record entitled to vote at such meeting. Unless these bylaws otherwise require, when a meeting is adjourned to another time or place (whether or not a quorum is present), notice need not be given of the adjourned meeting if the time, place, if any, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the Corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 30 days, or after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

(b) A written waiver of any such notice signed by the person entitled thereto, or a waiver by electronic transmission by the person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends the meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Business transacted at any special meeting of stockholders shall be limited to the purposes stated in the notice.

Section 2.05. *Quorum.* Unless otherwise provided under the certificate of incorporation or these bylaws and subject to Delaware Law, the presence, in person or by proxy, of the holders of a majority of the outstanding capital stock of the Corporation entitled to vote at a meeting of stockholders shall constitute a quorum for the transaction of business. If, however, such quorum shall not be present or represented at any meeting of the stockholders, a majority in voting interest of the stockholders present in person or represented by proxy may adjourn the meeting, without notice other than announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a

quorum shall be present or represented any business may be transacted which might have been transacted at the meeting as originally notified.

Section 2.06. *Voting.* (a) Unless otherwise provided in the certificate of incorporation and subject to Delaware Law, each stockholder shall be entitled to one vote for each outstanding share of capital stock of the Corporation held by such stockholder. Any share of capital stock of the Corporation held by the Corporation shall have no voting rights. Except as otherwise provided by law, the Certificate of Incorporation or these By-Laws, in all matters other than the election of directors, the affirmative vote of the majority of the shares of capital stock of the Corporation present in person or represented by proxy at the meeting and entitled to vote on the subject matter shall be the act of the stockholders.

(b) Each stockholder entitled to vote at a meeting of stockholders or to express consent or dissent to a corporate action in writing without a meeting may authorize another person or persons to act for such stockholder by proxy, appointed by an instrument in writing, subscribed by such stockholder or by his attorney thereunto authorized, or by proxy sent by cable, telegram or by any means of electronic communication permitted by law, which results in a writing from such stockholder or by his attorney, and delivered to the secretary of the meeting. No proxy shall be voted after three (3) years from its date, unless said proxy provides for a longer period.

(c) In determining the number of votes cast for or against a proposal or nominee, shares abstaining from voting on a matter will not be treated as a vote cast.

Section 2.07. *Action by Consent.* (a) Unless otherwise provided in the certificate of incorporation and subject to the proviso in Section 2.02, any action required to be taken at any annual or special meeting of stockholders, or any action which may be taken at any annual or special meeting of stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding capital stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Corporation by delivery to its registered office in Delaware, its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of stockholders to take the action were delivered to the Corporation as provided in Section 2.07(b).

(b) Every written consent shall bear the date of signature of each stockholder who signs the consent, and no written consent shall be effective to take the corporate action referred to therein unless, within 60 days of the earliest dated consent delivered in the manner required by this section and Delaware Law to the Corporation, written consents signed by a sufficient number of holders to take action are delivered to the Corporation by delivery to its registered office in Delaware, its principal place of business or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested.

Section 2.08. *Organization.* At each meeting of stockholders, the Chairman of the Board, if one shall have been elected, or in the Chairman's absence or if one shall not have been elected, the director designated by the vote of the majority of the directors present at such meeting, shall act as chairman of the meeting. The Secretary (or in the Secretary's absence or inability to act, the person whom the chairman of the meeting shall appoint secretary of the meeting) shall act as secretary of the meeting and keep the minutes thereof.

Section 2.09. *Order of Business.* The order of business at all meetings of stockholders shall be as determined by the chairman of the meeting.

ARTICLE 3 DIRECTORS

Section 3.01. *General Powers.* Except as otherwise provided in Delaware Law or the certificate of incorporation, the business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

Section 3.02. *Number, Election and Term Of Office.* (a) The number of directors which shall constitute the whole Board shall be fixed from time to time by resolution of the Board of Directors but shall not be less than two or more than nine. The directors shall be elected at the annual meeting of the stockholders by written ballot, except as provided in Section 2.02 and Section 3.12 herein, and each director so elected shall hold office until such director's successor is elected and qualified or until such director's earlier death, resignation or removal. Directors need not be stockholders.

(b) Subject to the rights of the holders of any series of preferred stock to elect additional directors under specific circumstances, directors shall be elected by a plurality of the votes of the shares of capital stock of the Corporation present in person or represented by proxy at the meeting and entitled to vote on the election of directors.

Section 3.03. *Quorum and Manner of Acting.* Unless the certificate of incorporation or these bylaws require a greater number, a majority of the total

number of directors shall constitute a quorum for the transaction of business, and the affirmative vote of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors. When a meeting is adjourned to another time or place (whether or not a quorum is present), notice need not be given of the adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the Board of Directors may transact any business which might have been transacted at the original meeting. If a quorum shall not be present at any meeting of the Board of Directors the directors present thereat shall adjourn the meeting, from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

Section 3.04. *Time and Place of Meetings.* The Board of Directors shall hold its meetings at such place, either within or without the State of Delaware, and at such time as may be determined from time to time by the Board of Directors (or the Chairman in the absence of a determination by the Board of Directors).

Section 3.05. *Annual Meeting.* The Board of Directors shall meet for the purpose of organization, the election of officers and the transaction of other business, as soon as practicable after each annual meeting of stockholders, on the same day and at the same place where such annual meeting shall be held. Notice of such meeting need not be given. In the event such annual meeting is not so held, the annual meeting of the Board of Directors may be held at such place either within or without the State of Delaware, on such date and at such time as shall be specified in a notice thereof given as hereinafter provided in Section 3.07 herein or in a waiver of notice thereof signed by any director who chooses to waive the requirement of notice.

Section 3.06. *Regular Meetings.* After the place and time of regular meetings of the Board of Directors shall have been determined and notice thereof shall have been once given to each member of the Board of Directors, regular meetings may be held without further notice being given.

Section 3.07. *Special Meetings.* Special meetings of the Board of Directors may be called by the Chairman of the Board or the President and shall be called by the Chairman of the Board, President or Secretary on the written request of two directors. Notice of special meetings of the Board of Directors shall be given to each director at least three days before the date of the meeting in such manner as is determined by the Board of Directors.

Section 3.08. *Committees.* The Board of Directors may designate one or more committees, each committee to consist of one or more of the directors of the Corporation. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee, the member or members present at any meeting and not

disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any such absent or disqualified member. Any such committee, to the extent provided in the resolution of the Board of Directors, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it; but no such committee shall have the power or authority in reference to the following matter: (a) approving or adopting, or recommending to the stockholders, any action or matter expressly required by Delaware Law to be submitted to the stockholders for approval or (b) adopting, amending or repealing any bylaw of the Corporation. Each committee shall keep regular minutes of its meetings and report the same to the Board of Directors when required.

Section 3.09. *Action by Consent.* Unless otherwise restricted by the certificate of incorporation or these bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all members of the Board or committee, as the case may be, consent thereto in writing or by electronic transmission, and the writing or writings or electronic transmission or transmissions, are filed with the minutes of proceedings of the Board or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

Section 3.10. *Telephonic Meetings.* Unless otherwise restricted by the certificate of incorporation or these bylaws, members of the Board of Directors, or any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors, or such committee, as the case may be, by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting.

Section 3.11. *Resignation.* Any director may resign at any time by giving notice in writing or by electronic transmission to the Board of Directors or to the Secretary of the Corporation. The resignation of any director shall take effect upon receipt of notice thereof or at such later time as shall be specified in such notice; and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 3.12. *Vacancies.* Unless otherwise provided in the certificate of incorporation, vacancies and newly created directorships resulting from any increase in the authorized number of directors elected by all the stockholders having the right to vote as a single class may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director. Whenever the holders of any class or classes of stock or series thereof are entitled to elect one or more directors by the certificate of incorporation, vacancies and newly created directorships of such class or classes or series may

be filled by a majority of directors elected by such class or classes or series thereof then in office, or by a sole remaining director so elected. Each director so chosen shall hold office until his or her successor is elected and qualified, or until his or her earlier death, resignation or removal. If there are no directors in office, then an election of directors may be held in accordance with Delaware Law. Unless otherwise provided in the certificate of incorporation, when one or more directors shall resign from the Board, effective at a future date, a majority of the directors then in office shall have the power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective, and each director so chosen shall hold office as provided in the filling of other vacancies.

Section 3.13. *Removal.* Any director or the entire Board of Directors may be removed, with or without cause, at any time by the affirmative vote of the holders of a majority of the outstanding capital stock of the Corporation then entitled to vote at any election of directors and the vacancies thus created may be filled in accordance with Section 3.12, herein.

Section 3.14. *Compensation.* Unless otherwise restricted by the certificate of incorporation or these bylaws, the Board of Directors shall have authority to fix the compensation of directors, including fees and reimbursement of expenses.

ARTICLE 4 OFFICERS

Section 4.01. *Principal Officers.* The principal officers of the Corporation shall be a President, one or more Vice Presidents, a Treasurer and a Secretary who shall have the duty, among other things, to record the proceedings of the meetings of stockholders and directors in a book kept for that purpose. The Corporation may also have such other principal officers, including one or more Controllers, as the Board may in its discretion appoint. One person may hold the offices and perform the duties of any two or more of said offices, except that no one person shall hold the offices and perform the duties of President and Secretary.

17. Indemnification and Insurance. (a) Right to Indemnification. Each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a

"proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a Manager or officer of the Company or is or was serving at the request of the Company as a manager, director or officer, employee or agent of another company, corporation, partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent or in any other capacity while serving as a director, officer, employee or agent, shall be indemnified and held harmless by the Company to the fullest extent authorized by the Act, as the same exists or may hereafter be amended (but, in the case of any such amendment, to the fullest extent permitted by law, only to the extent that such amendment permits the Company to provide broader indemnification rights than said law permitted the Company to provide prior to such amendment), against all expense, liability and loss (including attorneys' fees, judgments, fines, amounts paid or to be paid in settlement, and excise taxes or penalties arising under the Employee Retirement Income Security Act of 1974) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to be a Manager, director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that, except as provided in paragraph (b) hereof, the Company shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Manager. The right to indemnification conferred in this Section shall be a contract right and shall include the right to be paid by the Company the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that, if the Act requires, the payment of such expenses incurred by a Manager or officer in his or her capacity as a Manager or officer (and not in any other capacity in which service was or is rendered by such person while a director or officer, including, without limitation, service to an employee benefit plan) in advance of the final disposition of a proceeding, shall be made only upon delivery to the Company of an undertaking, by or on behalf of such Manager or officer, to repay all amounts so advanced if it shall ultimately be determined that such Manager or officer is not entitled to be indemnified under this Section or otherwise. The Company may, by action of the Manager, provide indemnification to employees and agents of the Company with the same scope and effect as the foregoing indemnification of the Manager and officers.

(b) Right of Claimant to Bring Suit. If a claim under paragraph (a) of this Section is not paid in full by the Company within thirty days after a written claim has been received by the Company, the claimant may at any time thereafter bring suit against the Company to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Company) that the claimant has not met the standards of conduct which make it permissible under the Act for the Company to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Company. Neither the failure of the Company (including its Manager, independent legal counsel, or its Member(s)) to have

made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the Act, nor an actual determination by the Company (including its Manager, independent legal counsel, or its Member(s)) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

(c) Non Exclusivity of Rights. The right to indemnification and the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in this Section shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, provision of this Agreement, other agreement, action of the Manager or otherwise.

(d) Insurance. The Company may maintain insurance, at its expense, to protect itself and any Manager, officer, employee or agent of the Company or another company, corporation, partnership, joint venture, trust or other enterprise against any such expense, liability or loss, whether or not the Company would have the power to indemnify such person against such expense, liability or loss under the Act.

18. Expenses. To the fullest extent permitted by applicable law, expenses (including attorneys' fees and disbursements) incurred by a Covered Person in defending any claim, demand, action, suit or proceeding shall, from time to time, be advanced by the Company prior to the final disposition of such claim, demand, action, suit or proceeding, subject to recapture by the Company following a later determination that such Covered Person was not entitled to be indemnified hereunder.
19. Tax Treatment. As long as there is only one (1) Member of the Company, the Company shall be treated as a disregarded entity for tax purposes. In the event that there is more than one (1) Member of the Company, the Members shall agree by their subscription hereto to treat the Company as a partnership for tax purposes. In such event, the initial Member shall serve as "tax matters partner" of the Company within the meaning of Section 6231(a)(7) of the Internal Revenue Code of 1986, as amended.
20. Amendment, Waiver, Etc. This Agreement may not be amended or supplemented, and no waiver of or consent to departures from the provisions hereof shall be effective, unless set forth in a writing signed by the Member.
21. Miscellaneous. This Agreement constitutes the entire agreement of the Member with respect to the subject matter hereof and supersedes all prior agreements and understandings pertaining thereto. This Agreement shall be binding upon and inure to the benefit of the Member and his successors and permitted assigns. The invalidity or unenforceability of any particular provision of this Agreement shall not affect the other provisions hereof, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision was omitted. Except as provided in Sections 16 through 19 with respect to the exculpation and indemnification of Covered Persons, nothing in this Agreement shall confer any rights upon any person or entity other than the Member and his successors and permitted assigns.

22. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED UNDER, THE LAWS OF THE STATE OF DELAWARE (WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES), ALL RIGHTS AND REMEDIES BEING GOVERNED BY SUCH LAWS.

IN WITNESS WHEREOF, the undersigned Member of the Company, intending to be legally bound hereby, have duly executed this Agreement as of the date first above written.

ARTICLE VIII
Exculpation and Indemnification

8.1 *Exculpation.* Notwithstanding any other provisions of this Agreement, whether express or implied, or any obligation or duty at law or in equity,

none of the Manager, or any officers, directors, stockholders, partners, employees, affiliates, representatives or agents of any of the Manager, nor any officer, employee, representative or agent of the Company (individually, a "Covered Person" and, collectively, the "Covered Persons") shall be liable to the Company or any other person for any act or omission (in relation to the Company, its property or the conduct of its business or affairs, this Agreement, any related document or any transaction or investment contemplated hereby or thereby) taken or omitted by a Covered Person in the reasonable belief that such act or omission is in or is not contrary to the best interests of the Company and is within the scope of authority granted to such Covered Person by the Agreement, provided such act or omission does not constitute fraud, willful misconduct, bad faith, or gross negligence.

8.2 *Indemnification.* To the fullest extent permitted by law, the Company shall indemnify and hold harmless each Covered Person from and against any and all losses, claims, demands, liabilities, expenses, judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative ("Claims"), in which the Covered Person may be involved, or threatened to be involved, as a party or otherwise, by reason of its management of the affairs of the Company or which relates to or arises out of the Company or its property, business or affairs. ARTICLE IX

Section 3.1. Members. The name, present mailing address, taxpayer identification number and Percentage Interest of each Member are set forth on Exhibit A. A Majority-in-Interest of the Members shall have the right to admit additional Members from time to time as it determines in its sole discretion. If at any time a Majority-in-Interest of the Members deems it to be in the best interest of the Company to raise additional equity capital to properly carry out the Company's business and affairs, the Company shall have the right to (a) raise additional equity capital for infusion into the Company from Members or other Persons and issue Interests on terms that may be senior to, junior to, or on parity with, the terms of the Interests held by then-existing Members; and (b) admit the Persons investing such equity capital as additional Members. In addition, the Company may obtain funds through loans (which may be made by a Member) having such terms and conditions as a Majority-in-Interest of the Members, in its reasonable discretion, deems to be in the best interest of the Company. The Company shall amend Exhibit A from time to time to reflect changes in the identity of the Members and changes in information set forth on Exhibit A.

Section 3.2. Capital. It is acknowledged that Bats Hotspot Holdings has made all capital contributions to the capital of the Company required to be made by Bats Hotspot Holdings as of the Effective Date. From time to time the Members may, but shall not be obligated to, contribute additional capital or make loans to the Company, all at such times and upon such terms as the Board shall approve. No Member or Interest Holder shall be required to contribute any additional capital to the Company, and no Member or Interest Holder shall have any personal liability for any obligations of the Company.

Section 3.3. Profit, Loss and Distributions. Cash Flow for each taxable year of the Company shall be distributed to the Interest Holders, at such time as determined by the Board, in proportion to the Interest Holders' respective Percentage Interest. All Profit or Loss shall be allocated to the Interest Holders in proportion to their respective Percentage Interest. If the Company is dissolved, the assets of the Company shall be distributed as provided in Article IV.

ARTICLE IV

Dissolution

The Company shall be dissolved only if the Board determines to dissolve the Company or if the Company has no Members and no Interest Holder agrees in writing, within thirty (30) days after the occurrence of the event pursuant to which the last Person ceased to be a Member, to become a Member and be bound by the terms and conditions of this Agreement. If the Company is dissolved, the affairs of the Company shall be wound up. On winding up of the Company, the assets of the Company shall be distributed, first, to non-Interest Holder creditors of the Company in satisfaction of the liabilities of the Company, second, to creditors of the Company who are also Interest Holders in satisfaction of the liabilities of the Company but not including those liabilities to the Interest Holders in their capacity as Interest Holders, and then to the Interest Holders in proportion to their Percentage Interest.

ARTICLE V

Transfer and Resignation

Except as otherwise expressly permitted by this Agreement, no Member shall have the right, without the prior written consent of the Board, to Transfer all or any part of such Member's Membership Rights; *provided, however*, that if the Transfer is a transfer by operation of law, the dissolution of a non-individual Person or otherwise, and if the result of such transfer would be the Resignation of the last remaining Member in the Company, then the transferee(s) will be automatically admitted as Member(s) in the Company; *provided, further* that any of such transferee(s) may elect, at any time on or before ninety (90) days after such Transfer to such transferee, to Resign as a Member in the Company, such Resignation to be effective retroactive to the date of such Transfer. Except as provided in the preceding sentence, no Member shall have the right to Resign without the prior written consent of Bats Hotspot Holdings. The Company shall not be obligated to purchase the Interests of any Person who has Resigned for its fair value or otherwise. Notwithstanding any provision contained in this Agreement to the contrary, Bats Hotspot Holdings shall have the right, without the consent of the Board, to Transfer all or any part of Bats Hotspot Holdings' Membership Rights, and such transferees shall automatically be deemed to be admitted as a Member in the Company. The Interests and other Membership Rights are securities governed by Article 8 of the Uniform Commercial Code as in effect in the state of Delaware. Interests and Membership Rights shall not be certificated. The transferee of a Transfer for collateral purposes shall not be admitted as a Member in the Company until such time, if any, as the transferee has realized upon the Membership Rights pledged to it or has acquired such Membership Rights in lieu of such realization and such transferee expressly agrees in writing to be bound to the terms and conditions of this Agreement.

ARTICLE VI

Powers, Rights and Duties of the Board

Section 6.1. Management of the Company.

(a) Board. Except as otherwise provided in this Agreement, the business and affairs of the Company shall be exclusively managed under the direction of a Board, subject to any power and authority delegated to the Officers as provided in Article VIII, and the Board shall have all right and powers of a "manager" under the Act. Except as otherwise specifically provided herein or by Applicable Law, the Board has the power by itself or through agents, and is authorized and empowered on behalf and in the name of the Company, to carry out all of the objects and purposes of the Company and to perform all acts and enter into and perform all acts and other undertakings that it may in its sole discretion deem necessary or advisable in that regard. A member of the Board acting individually in his or her capacity has the power to act or bind the Company to the extent expressly authorized to do so by the Board. The Chairman of the Board, the President and the Secretary of the Company from time to time shall be deemed to be authorized persons within the meaning of the Act, to execute and file any amendments to, or restatements of, the Company's Certificate with the Secretary and any applicable filings as a foreign limited liability company in any state where such filings may be necessary or desirable. The Board may establish such other rules and procedures for its deliberations as it may deem necessary or desirable.

(b) Number; Election. The Board shall initially consist of five (5) directors elected by Bats Hotspot Holdings for such purpose. A Majority-in-Interest of the Members may increase or decrease the number of directors from time to time; provided, however, that the Board shall consist of at least three (3) directors. Bats Hotspot Holdings shall appoint a Chairman of the Board from among the directors, who shall hold office until his or her successor is appointed and qualified or until his or her earlier resignation or removal.

(c) Composition of the Board. At all times following the appropriate compliance date of CFTC regulations applicable to the Company's governance, the members of the Board shall include no fewer than the minimum number or percentage of "Public Directors" required by such CFTC regulations.

(d) Resignation; Removal; Vacancies. Any member of the Board may resign at any time upon written notice to the Company directed to the Board or the Secretary. Such resignation shall take effect at the time specified therein and, unless otherwise specified therein, no acceptance of such resignation shall be necessary to make it effective. Any member of the Board may be removed at any time, without or without cause, by a Majority-in-Interest of the Members. The Board shall have procedures, as may be further set forth in policies that the Company may adopt, to remove a member from the Board where the conduct of such member is likely to be prejudicial to the sound and prudent management of the Company. Vacancies and newly created director positions resulting from an increase in the authorized number of directors shall be filled by a Majority-in-Interest of the Members.

(e) Compensation of Directors. Members of the Board may be paid such compensation for their services and such reimbursement for expenses of attendance at meetings as the Board may from time to time determine. No such payment shall preclude any director from serving the Company or any of its Affiliates in any other capacity and receiving compensation for such service. The compensation of Public Directors shall not be linked to the business performance of the Company.

(f) Meetings of the Board.

(i) Time and Place. Meetings of the Board will be held at such times, on such dates and at such places as the Board may from time to time establish by resolution or otherwise in accordance with this Agreement. Any or all members of the Board may participate in such meetings by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting will constitute presence in person at such a meeting.

(ii) Quorum and Voting. At each meeting of the Board, a whole number of directors equal to at least a majority of the total number of directors then in office shall constitute a quorum for the transaction of business. The directors present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough directors to leave less than a quorum. In case at any meeting of the Board a quorum shall not be present, the members or a majority of the members of the Board present may adjourn the meeting from time to time until a quorum shall be present

(iii) Special Meetings. Special meetings of the Board may be called by the Chairman of the Board or upon the written request of any two members of the Board. The Chairman will give at least two (2) business days' notice of such meetings to each member of the Board, unless all members of the Board agree to a shorter time period for such notice.

(iv) Decisions of the Board. Decisions of the Board will require the approval of a majority of the members of the Board present at a meeting; *provided* that should the Board be unable to render a decision due to either a tie in the vote or more than one Board member being recused with respect to the issue being voted upon, then Bats Hotspot Holdings, as the sole Member of the Company, may make the decision in lieu of the Board.

(v) Written Consents in Lieu of a Meeting. Any action required or permitted to be taken at any meeting of the Board, or of any committee thereof, may be taken without a meeting if all members of the Board or of such committee, as the case may be, then in office consent thereto in writing or by electronic transmission, which such writing or electronic transmission shall be filed with the minutes of proceedings of the Board or committee.

Section 6.2. Committees of the Board.

(a) The Board may from time to time designate one or more committees of the Board, with such lawfully delegable powers and duties as it thereby confers, to serve at the pleasure of the Board and shall, for those committees and any others provided for herein, elect a director or directors to serve as the member or members, designating, if it desires, other directors as alternate members who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of any member of any committee and any alternate member in his or her place, the member or members of the committee present at the meeting and not disqualified from voting, whether or not he or she or they constitute a quorum, may by unanimous vote appoint another member of the Board to act at the meeting in the place of the absent or disqualified member. The Board shall have power at any time to fill vacancies in, or to change the membership of, or to dissolve, any such committee. Nothing herein shall be deemed to prevent the Board from appointing one or more committees consisting in whole or in part of persons who are not directors of the Company; *provided, however*, that no such committee shall have or may exercise any authority of the Board.

(b) Each committee may determine the procedural rules for meeting and conducting its business and shall act in accordance therewith, except as otherwise provided herein or required by law. A majority of any committee may fix the time and place of its meetings, unless the Board shall otherwise provide. Adequate provision shall be made for notice of such meetings to be given to members of the committees.

(c) Unless the Board otherwise provides, each committee designated by the Board may adopt, amend and repeal rules for the conduct of its business. In the absence of a provision by the Board or a provision in the rules of such committee to the contrary, a majority of the entire authorized number of members of such committee shall constitute a quorum for the transaction of business, unless the committee shall consist of one (1) or two (2) members, in which event one (1) member shall constitute a quorum. The vote of a majority of the members present at a meeting at the time of such vote if a quorum is then present shall be the act of such committee. Action may be taken by any committee without a meeting if all members thereof consent thereto in writing or by electronic transmission, which such writing or electronic transmission shall be filed with the minutes of the proceedings of such committee.

ARTICLE VII

Liability and Indemnification

Section 7.1. Except as otherwise required by non-waivable provisions of Applicable Law or as expressly set forth in this Agreement, no Interest Holder shall have any personal liability whatsoever in such Interest Holder's capacity as an Interest Holder in excess of its capital contribution, whether to the Company, to any of the other Interest Holders, to the creditors of the Company or to any other third party, for the debts, liabilities, commitments or any other obligations of the Company or for any losses of the Company, other than arising out of a breach of this Agreement by such Interest Holder.

Section 7.2. None of the Members, the directors or the Officers shall be personally liable for the return of any portion of the capital contributions (or any return thereon) of the Interest Holders and the return, if any, of such capital contributions (or any return thereon) shall be made solely from assets of the Company. None of the Members or the directors or Officers shall be required to pay to the Company or any Interest Holder any deficit in any Interest Holder's capital account upon dissolution of the Company or otherwise. None of the Members, directors or the Officers shall be liable, responsible or accountable, in damages or otherwise, to any Interest Holder or to the Company for any act performed by such Member, director or such Officer within the scope of the authority conferred on the Members, directors or the Officers by this Agreement, except for gross negligence, fraud, bad faith or a material breach of this Agreement.

Section 7.3. The Company shall, to the fullest extent permitted by the Act, indemnify and hold harmless the Interest Holders, Members, directors, Officers and their respective partners, shareholders, members, officers, trustees, advisory board, directors, employees, attorneys and agents and other affiliates (collectively, the "**Indemnified Parties**") from and against any loss, expense, damage or injury suffered or sustained by them by reason of any acts, omissions or alleged acts or omissions arising out of their activities on behalf of the Company or in furtherance of the interests of the Company or by reason of the fact that such Person is or was an Interest Holder, Member, director, Officer, employee or agent of the Company, or is or was serving at the request of the Company as a director, trustee, member, manager, officer, employee or agent of another limited liability company, corporation, partnership, joint venture, trust or other enterprise, including, but not limited to, any judgment, award, settlement, reasonable attorneys' fees and other costs or expenses incurred in connection with the investigation and defense of any actual or threatened action, proceeding or claim, unless the acts, omissions or alleged acts or omissions upon which such actual or threatened action, proceeding or claim is based arose out

of such Indemnified Party's gross negligence or were performed or omitted fraudulently or in bad faith by such Indemnified Party or constituted a material breach of this Agreement. If any claim for indemnification is based on a claim by a third party (a "Third Party Claim"), the Indemnified Party in question shall give prompt written notice thereof to the Company and shall permit the Company to defend and/or settle such Third Party Claim, so long as it does so diligently and in good faith; *provided, however,* that no compromise or settlement of any claim may be effected by the Company without the Indemnified Party's consent (which will not be unreasonably withheld, conditioned or delayed) unless the sole relief provided is monetary damages that are paid in full by the Company. Any such indemnification shall only be from the assets or insurance of the Company and no Interest Holder shall be required to contribute capital to the Company to satisfy any such indemnification. Any such indemnification shall be paid by the Company in advance of the final disposition of any such action, proceeding or claim upon receipt of an undertaking by or on behalf of the Indemnified Party seeking advancement to repay the amount advanced should it ultimately be determined that the Indemnified Party was not entitled to be indemnified hereunder or under the Act.

ARTICLE VIII

Officers

Section 8.1. Officers: Election or Appointment. The Board at any time and from time to time may elect a Chief Executive Officer, President, Vice President, Secretary, Chief Compliance Officer and one or more other Officers to the extent the Board deems necessary or desirable. The Board at any time and from time to time may authorize any Officer of the Company to appoint one or more Officers. Except with respect to the position of Chief Compliance Officer, any number of offices may be held by the same person and directors may hold any office unless this Agreement otherwise provides. Any Officer may also be a director, officer, partner or employee of the Company or any of its Affiliates.

Section 8.2. Term of Office; Resignation; Removal; Vacancies. Unless otherwise provided in the resolution of the Board electing or authorizing the appointment of any Officer, each Officer shall hold office until his or her successor is elected or appointed and qualified or until his or her earlier resignation or removal. Any Officer may resign at any time upon written notice to the Board or to such Person(s) as the Board may designate. Such resignation shall take effect at the time specified therein, and unless otherwise specified therein no acceptance of such resignation shall be necessary to make it effective. The Board may remove any Officer with or without cause at any time. Any Officer authorized by the Board to appoint a person to hold an office of the Company may also remove such person from such office with or without cause at any time, unless otherwise provided in the resolution of the Board providing such authorization. Any vacancy occurring in any office of the Company by death, resignation, and removal or otherwise may be filled by the Board at any regular or special meeting or by an Officer authorized by the Board to appoint a person to hold such office.

Section 8.3. Powers and Duties. The Officers of the Company shall have such powers and duties in the management of the Company as shall be stated in this Agreement or in a resolution of the Board which is not inconsistent with this Agreement and, to the extent not so stated, as generally pertain to their respective offices, subject to the control of the Board.

ARTICLE IX

Books, Accounting, and Tax Matters Partner

All funds of the Company shall be deposited in such bank or other investment accounts as the Board shall approve. All such accounts shall be in the Company's name. The annual accounting period of the Company shall be the calendar year. Bats Hotspot Holdings shall be the tax matters partner unless the Member selects a different tax matters partner, to the extent a tax matters partner is required or permitted by Applicable Law.

ARTICLE X

General Provisions

Any notice, demand, consent, election, offer, approval, request, or other communication (collectively, a "notice") required or permitted under this Agreement must be in writing and either delivered personally, sent by certified or registered mail, postage prepaid, return receipt requested, or sent by recognized overnight delivery service. A notice must be addressed to an Interest Holder or Member at the Interest Holder's or Member's last known address on the records of the Company. A notice to the Company must be addressed to the Company's principal office. Notices shall be deemed given upon receipt or refusal to accept delivery. Any party may designate, by notice to all of the others, substitute addresses or addressees for notices; and, thereafter, notices are to be directed to those substitute addresses or addressees. This Agreement constitutes the complete and exclusive statement of the agreement among the Members and supersedes all prior written and oral statements, including any prior representation, statement, condition or warranty. This Agreement may not be amended without the written consent of the Majority-in-Interest of the Members. This Agreement shall be governed by the internal law, not the law of conflicts, of the State of Delaware. The headings herein are inserted as a matter of convenience only, and do not define, limit, or describe the scope of this Agreement or the intent of the provisions hereof. This Agreement is binding upon, and inures to the benefit of, the parties hereto and their respective heirs, executors, administrators, personal and legal representatives, successors, and permitted assigns. Nouns and pronouns shall be deemed to refer to the masculine, feminine, neuter, singular and plural, as the identity of the Person may in the context require. Each provision of this Agreement shall be considered separable; and if, for any reason, any provision or provisions herein are determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those portions of this Agreement which are valid.

Liability of members

2. The liability of the members is limited to the amount, if any, unpaid on the shares held by them.

PART 2

DIRECTORS

DIRECTORS' POWERS AND RESPONSIBILITIES

Directors' general authority

3. Subject to the articles, the directors are responsible for the management of the company's business, for which purpose they may exercise all the powers of the company.

Shareholders' reserve power

- 4.—(1) The shareholders may, by special resolution, direct the directors to take, or refrain from taking, specified action.
(2) No such special resolution invalidates anything which the directors have done before the passing of the resolution.

Directors may delegate

- 5.—(1) Subject to the articles, the directors may delegate any of the powers which are conferred on them under the articles—
 - (a) to such person or committee;
 - (b) by such means (including by power of attorney);

(c) to such an extent;
(d) in relation to such matters or territories; and
(e) on such terms and conditions;
as they think fit.

(2) If the directors so specify, any such delegation may authorise further delegation of the directors' powers by any person to whom they are delegated.
(3) The directors may revoke any delegation in whole or part, or alter its terms and conditions.

Committees

6.—(1) Committees to which the directors delegate any of their powers must follow procedures which are based as far as they are applicable on those provisions of the articles which govern the taking of decisions by directors.

(2) The directors may make rules of procedure for all or any committees, which prevail over rules derived from the articles if they are not consistent with them.

DECISION-MAKING BY DIRECTORS

Directors to take decisions collectively

7.—(1) The general rule about decision-making by directors is that any decision of the directors must be either a majority decision at a meeting or a decision taken in accordance with article 8.

(2) If—

(a) the company only has one director, and

(b) no provision of the articles requires it to have more than one director,
the general rule does not apply, and the director may take decisions without regard to any of the provisions of the articles relating to directors' decision-making.

Unanimous decisions

8.—(1) A decision of the directors is taken in accordance with this article when all eligible directors indicate to each other by any means that they share a common view on a matter.

(2) Such a decision may take the form of a resolution in writing, copies of which have been signed by each eligible director or to which each eligible director has otherwise indicated agreement in writing.

(3) References in this article to eligible directors are to directors who would have been entitled to vote on the matter had it been proposed as a resolution at a directors' meeting.

(4) A decision may not be taken in accordance with this article if the eligible directors would not have formed a quorum at such a meeting.

Calling a directors' meeting

9.—(1) Any director may call a directors' meeting by giving notice of the meeting to the directors or by authorising the company secretary (if any) to give such notice.

- (2) Notice of any directors' meeting must indicate—
- (a) its proposed date and time;
 - (b) where it is to take place; and
 - (c) if it is anticipated that directors participating in the meeting will not be in the same place, how it is proposed that they should communicate with each other during the meeting.
- (3) Notice of a directors' meeting must be given to each director, but need not be in writing.
- (4) Notice of a directors' meeting need not be given to directors who waive their entitlement to notice of that meeting, by giving notice to that effect to the company not more than 7 days after the date on which the meeting is held. Where such notice is given after the meeting has been held, that does not affect the validity of the meeting, or of any business conducted at it.

Participation in directors' meetings

- 10.—(1) Subject to the articles, directors participate in a directors' meeting, or part of a directors' meeting, when—
- (a) the meeting has been called and takes place in accordance with the articles, and
 - (b) they can each communicate to the others any information or opinions they have on any particular item of the business of the meeting.
- (2) In determining whether directors are participating in a directors' meeting, it is irrelevant where any director is or how they communicate with each other.
- (3) If all the directors participating in a meeting are not in the same place, they may decide that the meeting is to be treated as taking place wherever any of them is.

Quorum for directors' meetings

- 11.—(1) At a directors' meeting, unless a quorum is participating, no proposal is to be voted on, except a proposal to call another meeting.
- (2) The quorum for directors' meetings may be fixed from time to time by a decision of the directors, but it must never be less than two, and unless otherwise fixed it is two.
- (3) If the total number of directors for the time being is less than the quorum required, the directors must not take any decision other than a decision—
- (a) to appoint further directors, or
 - (b) to call a general meeting so as to enable the shareholders to appoint further directors.

Chairing of directors' meetings

- 12.—(1) The directors may appoint a director to chair their meetings.
- (2) The person so appointed for the time being is known as the chairman.
- (3) The directors may terminate the chairman's appointment at any time.
- (4) If the chairman is not participating in a directors' meeting within ten minutes of the time at which it was to start, the participating directors must appoint one of themselves to chair it.

Casting vote

13.—(1) If the numbers of votes for and against a proposal are equal, the chairman or other director chairing the meeting has a casting vote.

(2) But this does not apply if, in accordance with the articles, the chairman or other director is not to be counted as participating in the decision-making process for quorum or voting purposes.

Conflicts of interest

14.—(1) If a proposed decision of the directors is concerned with an actual or proposed transaction or arrangement with the company in which a director is interested, that director is not to be counted as participating in the decision-making process for quorum or voting purposes.

(2) But if paragraph (3) applies, a director who is interested in an actual or proposed transaction or arrangement with the company is to be counted as participating in the decision-making process for quorum and voting purposes.

(3) This paragraph applies when—

(a) the company by ordinary resolution disapplies the provision of the articles which would otherwise prevent a director from being counted as participating in the decision-making process;

(b) the director's interest cannot reasonably be regarded as likely to give rise to a conflict of interest; or

(c) the director's conflict of interest arises from a permitted cause.

(4) For the purposes of this article, the following are permitted causes—

(a) a guarantee given, or to be given, by or to a director in respect of an obligation incurred by or on behalf of the company or any of its subsidiaries;

(b) subscription, or an agreement to subscribe, for shares or other securities of the company or any of its subsidiaries, or to underwrite, sub-underwrite, or guarantee subscription for any such shares or securities; and

(c) arrangements pursuant to which benefits are made available to employees and directors or former employees and directors of the company or any of its subsidiaries which do not provide special benefits for directors or former directors.

(5) For the purposes of this article, references to proposed decisions and decision-making

processes include any directors' meeting or part of a directors' meeting.

(6) Subject to paragraph (7), if a question arises at a meeting of directors or of a committee of directors as to the right of a director to participate in the meeting (or part of the meeting) for voting or quorum purposes, the question may, before the conclusion of the meeting, be referred to the chairman whose ruling in relation to any director other than the chairman is to be final and conclusive.

(7) If any question as to the right to participate in the meeting (or part of the meeting) should arise in respect of the chairman, the question is to be decided by a decision of the directors at that meeting, for which purpose the chairman is not to be counted as participating in the meeting (or that part of the meeting) for voting or quorum purposes.

Records of decisions to be kept

15. The directors must ensure that the company keeps a record, in writing, for at least 10 years from the date of the decision recorded, of every unanimous or majority decision taken by the directors.

Directors' discretion to make further rules

16. Subject to the articles, the directors may make any rule which they think fit about how they take decisions, and about how such rules are to be recorded or communicated to directors.

APPOINTMENT OF DIRECTORS

Methods of appointing directors

17.—(1) Any person who is willing to act as a director, and is permitted by law to do so, may be appointed to be a director—

- (a) by ordinary resolution, or
- (b) by a decision of the directors.

(2) In any case where, as a result of death, the company has no shareholders and no directors, the personal representatives of the last shareholder to have died have the right, by notice in writing, to appoint a person to be a director.

(3) For the purposes of paragraph (2), where 2 or more shareholders die in circumstances

rendering it uncertain who was the last to die, a younger shareholder is deemed to have survived an older shareholder.

Termination of director's appointment

18. A person ceases to be a director as soon as—

- (a) that person ceases to be a director by virtue of any provision of the Companies Act 2006 or is prohibited from being a director by law;
- (b) a bankruptcy order is made against that person;
- (c) a composition is made with that person's creditors generally in satisfaction of that person's debts;
- (d) a registered medical practitioner who is treating that person gives a written opinion to the company stating that that person has become physically or mentally incapable of acting as a director and may remain so for more than three months;
- (e) *[paragraph omitted pursuant to The Mental Health (Discrimination) Act 2013]*
- (f) notification is received by the company from the director that the director is resigning from office, and such resignation has taken effect in accordance with its terms.

Directors' remuneration

- 19.—(1) Directors may undertake any services for the company that the directors decide.
- (2) Directors are entitled to such remuneration as the directors determine—
- (a) for their services to the company as directors, and
 - (b) for any other service which they undertake for the company.
- (3) Subject to the articles, a director's remuneration may—
- (a) take any form, and
 - (b) include any arrangements in connection with the payment of a pension, allowance or gratuity, or any death, sickness or disability benefits, to or in respect of that director.
- (4) Unless the directors decide otherwise, directors' remuneration accrues from day to day.
- (5) Unless the directors decide otherwise, directors are not accountable to the company for any remuneration which they receive as directors or other officers or employees of the company's subsidiaries or of any other body corporate in which the company is interested.

Directors' expenses

20. The company may pay any reasonable expenses which the directors properly incur in connection with their attendance at—
- (a) meetings of directors or committees of directors,
 - (b) general meetings, or
 - (c) separate meetings of the holders of any class of shares or of debentures of the company, or otherwise in connection with the exercise of their powers and the discharge of their responsibilities in relation to the company.

PART 3

SHARES AND DISTRIBUTIONS

SHARES

All shares to be fully paid up

- 21.—(1) No share is to be issued for less than the aggregate of its nominal value and any premium to be paid to the company in consideration for its issue.
- (2) This does not apply to shares taken on the formation of the company by the subscribers to the company's memorandum.

Powers to issue different classes of share

- 22.—(1) Subject to the articles, but without prejudice to the rights attached to any existing share, the company may issue shares with such rights or restrictions as may be determined by ordinary resolution.

(2) The company may issue shares which are to be redeemed, or are liable to be redeemed at the option of the company or the holder, and the directors may determine the terms, conditions and manner of redemption of any such shares.

Company not bound by less than absolute interests

23. Except as required by law, no person is to be recognised by the company as holding any share upon any trust, and except as otherwise required by law or the articles, the company is not in any way to be bound by or recognise any interest in a share other than the holder's absolute ownership of it and all the rights attaching to it.

Share certificates

24.—(1) The company must issue each shareholder, free of charge, with one or more certificates in respect of the shares which that shareholder holds.

(2) Every certificate must specify—

- (a) in respect of how many shares, of what class, it is issued;
- (b) the nominal value of those shares;
- (c) that the shares are fully paid; and
- (d) any distinguishing numbers assigned to them.

(3) No certificate may be issued in respect of shares of more than one class.

(4) If more than one person holds a share, only one certificate may be issued in respect of it.

(5) Certificates must—

- (a) have affixed to them the company's common seal, or
- (b) be otherwise executed in accordance with the Companies Acts.

Replacement share certificates

25.—(1) If a certificate issued in respect of a shareholder's shares is—

- (a) damaged or defaced, or
- (b) said to be lost, stolen or destroyed, that shareholder is entitled to be issued with a replacement certificate in respect of the same shares.

(2) A shareholder exercising the right to be issued with such a replacement certificate—

- (a) may at the same time exercise the right to be issued with a single certificate or separate certificates;
- (b) must return the certificate which is to be replaced to the company if it is damaged or defaced; and
- (c) must comply with such conditions as to evidence, indemnity and the payment of a reasonable fee as the directors decide.

Share transfers

26.—(1) Shares may be transferred by means of an instrument of transfer in any usual form or any other form approved by the directors, which is executed by or on behalf of the transferor.

- (2) No fee may be charged for registering any instrument of transfer or other document relating to or affecting the title to any share.
- (3) The company may retain any instrument of transfer which is registered.
- (4) The transferor remains the holder of a share until the transferee's name is entered in the register of members as holder of it.
- (5) The directors may refuse to register the transfer of a share, and if they do so, the instrument of transfer must be returned to the transferee with the notice of refusal unless they suspect that the proposed transfer may be fraudulent.

Transmission of shares

- 27.—(1) If title to a share passes to a transmittee, the company may only recognise the transmittee as having any title to that share.
- (2) A transmittee who produces such evidence of entitlement to shares as the directors may properly require—
- (a) may, subject to the articles, choose either to become the holder of those shares or to have them transferred to another person, and
 - (b) subject to the articles, and pending any transfer of the shares to another person, has the same rights as the holder had.
- (3) But transmittees do not have the right to attend or vote at a general meeting, or agree to a proposed written resolution, in respect of shares to which they are entitled, by reason of the holder's death or bankruptcy or otherwise, unless they become the holders of those shares.

Exercise of transmittees' rights

- 28.—(1) Transmittees who wish to become the holders of shares to which they have become entitled must notify the company in writing of that wish.
- (2) If the transmittee wishes to have a share transferred to another person, the transmittee must execute an instrument of transfer in respect of it.
- (3) Any transfer made or executed under this article is to be treated as if it were made or executed by the person from whom the transmittee has derived rights in respect of the share, and as if the event which gave rise to the transmission had not occurred.

Transmittees bound by prior notices

29. If a notice is given to a shareholder in respect of shares and a transmittee is entitled to those shares, the transmittee is bound by the notice if it was given to the shareholder before the transmittee's name has been entered in the register of members.

DIVIDENDS AND OTHER DISTRIBUTIONS

Procedure for declaring dividends

- 30.—(1) The company may by ordinary resolution declare dividends, and the directors may decide to pay interim dividends.

- (2) A dividend must not be declared unless the directors have made a recommendation as to its amount. Such a dividend must not exceed the amount recommended by the directors.
- (3) No dividend may be declared or paid unless it is in accordance with shareholders' respective rights.
- (4) Unless the shareholders' resolution to declare or directors' decision to pay a dividend, or the terms on which shares are issued, specify otherwise, it must be paid by reference to each shareholder's holding of shares on the date of the resolution or decision to declare or pay it.
- (5) If the company's share capital is divided into different classes, no interim dividend may be paid on shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrear.
- (6) The directors may pay at intervals any dividend payable at a fixed rate if it appears to them that the profits available for distribution justify the payment.
- (7) If the directors act in good faith, they do not incur any liability to the holders of shares conferring preferred rights for any loss they may suffer by the lawful payment of an interim dividend on shares with deferred or non-preferred rights.

Payment of dividends and other distributions

- 31.—(1) Where a dividend or other sum which is a distribution is payable in respect of a share, it must be paid by one or more of the following means—
- (a) transfer to a bank or building society account specified by the distribution recipient either in writing or as the directors may otherwise decide;
 - (b) sending a cheque made payable to the distribution recipient by post to the distribution recipient at the distribution recipient's registered address (if the distribution recipient is a holder of the share), or (in any other case) to an address specified by the distribution recipient either in writing or as the directors may otherwise decide;
 - (c) sending a cheque made payable to such person by post to such person at such address as the distribution recipient has specified either in writing or as the directors may otherwise decide; or
 - (d) any other means of payment as the directors agree with the distribution recipient either in writing or by such other means as the directors decide.
- (2) In the articles, "the distribution recipient" means, in respect of a share in respect of which a dividend or other sum is payable—
- (a) the holder of the share; or
 - (b) if the share has two or more joint holders, whichever of them is named first in the register of members; or
 - (c) if the holder is no longer entitled to the share by reason of death or bankruptcy, or otherwise by operation of law, the transmittee.

No interest on distributions

32. The company may not pay interest on any dividend or other sum payable in respect of a share unless otherwise provided by—
- (a) the terms on which the share was issued, or

(b) the provisions of another agreement between the holder of that share and the company.

Unclaimed distributions

- 33.—(1) All dividends or other sums which are—
- (a) payable in respect of shares, and
 - (b) unclaimed after having been declared or become payable,
- may be invested or otherwise made use of by the directors for the benefit of the company until claimed.
- (2) The payment of any such dividend or other sum into a separate account does not make the company a trustee in respect of it.
- (3) If—
- (a) twelve years have passed from the date on which a dividend or other sum became due for payment, and
 - (b) the distribution recipient has not claimed it,
- the distribution recipient is no longer entitled to that dividend or other sum and it ceases to remain owing by the company.

Non-cash distributions

- 34.—(1) Subject to the terms of issue of the share in question, the company may, by ordinary resolution on the recommendation of the directors, decide to pay all or part of a dividend or other distribution payable in respect of a share by transferring non-cash assets of equivalent value (including, without limitation, shares or other securities in any company).
- (2) For the purposes of paying a non-cash distribution, the directors may make whatever arrangements they think fit, including, where any difficulty arises regarding the distribution—
- (a) fixing the value of any assets;
 - (b) paying cash to any distribution recipient on the basis of that value in order to adjust the rights of recipients; and
 - (c) vesting any assets in trustees.

Waiver of distributions

35. Distribution recipients may waive their entitlement to a dividend or other distribution payable in respect of a share by giving the company notice in writing to that effect, but if—
- (a) the share has more than one holder, or
 - (b) more than one person is entitled to the share, whether by reason of the death or
- bankruptcy of one or more joint holders, or otherwise,
- the notice is not effective unless it is expressed to be given, and signed, by all the holders or persons otherwise entitled to the share.

Authority to capitalise and appropriation of capitalised sums

- 36.—(1) Subject to the articles, the directors may, if they are so authorised by an ordinary resolution—
- (a) decide to capitalise any profits of the company (whether or not they are available for distribution) which are not required for paying a preferential dividend, or any sum standing to the credit of the company's share premium account or capital redemption reserve; and
 - (b) appropriate any sum which they so decide to capitalise (a "capitalised sum") to the persons who would have been entitled to it if it were distributed by way of dividend (the "persons entitled") and in the same proportions.
- (2) Capitalised sums must be applied—
- (a) on behalf of the persons entitled, and
 - (b) in the same proportions as a dividend would have been distributed to them.
- (3) Any capitalised sum may be applied in paying up new shares of a nominal amount equal to the capitalised sum which are then allotted credited as fully paid to the persons entitled or as they may direct.
- (4) A capitalised sum which was appropriated from profits available for distribution may be applied in paying up new debentures of the company which are then allotted credited as fully paid to the persons entitled or as they may direct.
- (5) Subject to the articles the directors may—
- (a) apply capitalised sums in accordance with paragraphs (3) and (4) partly in one way and partly in another;
 - (b) make such arrangements as they think fit to deal with shares or debentures becoming distributable in fractions under this article (including the issuing of fractional certificates or the making of cash payments); and
 - (c) authorise any person to enter into an agreement with the company on behalf of all the persons entitled which is binding on them in respect of the allotment of shares and debentures to them under this article.

PART 4

DECISION-MAKING BY SHAREHOLDERS

ORGANISATION OF GENERAL MEETINGS

Attendance and speaking at general meetings

- 37.—(1) A person is able to exercise the right to speak at a general meeting when that person is in a position to communicate to all those attending the meeting, during the meeting, any information or opinions which that person has on the business of the meeting.
- (2) A person is able to exercise the right to vote at a general meeting when—
- (a) that person is able to vote, during the meeting, on resolutions put to the vote at the meeting, and
 - (b) that person's vote can be taken into account in determining whether or not such

resolutions are passed at the same time as the votes of all the other persons attending the meeting.

(3) The directors may make whatever arrangements they consider appropriate to enable those attending a general meeting to exercise their rights to speak or vote at it.

(4) In determining attendance at a general meeting, it is immaterial whether any two or more members attending it are in the same place as each other.

(5) Two or more persons who are not in the same place as each other attend a general meeting if their circumstances are such that if they have (or were to have) rights to speak and vote at that meeting, they are (or would be) able to exercise them.

Quorum for general meetings

38. No business other than the appointment of the chairman of the meeting is to be transacted at a general meeting if the persons attending it do not constitute a quorum.

Chairing general meetings

39.—(1) If the directors have appointed a chairman, the chairman shall chair general meetings if present and willing to do so.

(2) If the directors have not appointed a chairman, or if the chairman is unwilling to chair the meeting or is not present within ten minutes of the time at which a meeting was due to start—

(a) the directors present, or

(b) (if no directors are present), the meeting,

must appoint a director or shareholder to chair the meeting, and the appointment of the chairman of the meeting must be the first business of the meeting.

(3) The person chairing a meeting in accordance with this article is referred to as “the chairman of the meeting”.

Attendance and speaking by directors and non-shareholders

40.—(1) Directors may attend and speak at general meetings, whether or not they are shareholders.

(2) The chairman of the meeting may permit other persons who are not—

(a) shareholders of the company, or

(b) otherwise entitled to exercise the rights of shareholders in relation to general meetings,

to attend and speak at a general meeting.

Adjournment

41.—(1) If the persons attending a general meeting within half an hour of the time at which the meeting was due to start do not constitute a quorum, or if during a meeting a quorum ceases to be present, the chairman of the meeting must adjourn it.

(2) The chairman of the meeting may adjourn a general meeting at which a quorum is present if—

(a) the meeting consents to an adjournment, or

- (b) it appears to the chairman of the meeting that an adjournment is necessary to protect the safety of any person attending the meeting or ensure that the business of the meeting is conducted in an orderly manner.
- (3) The chairman of the meeting must adjourn a general meeting if directed to do so by the meeting.
- (4) When adjourning a general meeting, the chairman of the meeting must—
 - (a) either specify the time and place to which it is adjourned or state that it is to continue at a time and place to be fixed by the directors, and
 - (b) have regard to any directions as to the time and place of any adjournment which have been given by the meeting.
- (5) If the continuation of an adjourned meeting is to take place more than 14 days after it was adjourned, the company must give at least 7 clear days' notice of it (that is, excluding the day of the adjourned meeting and the day on which the notice is given)—
 - (a) to the same persons to whom notice of the company's general meetings is required to be given, and
 - (b) containing the same information which such notice is required to contain.
- (6) No business may be transacted at an adjourned general meeting which could not properly have been transacted at the meeting if the adjournment had not taken place.

VOTING AT GENERAL MEETINGS

Voting: general

42. A resolution put to the vote of a general meeting must be decided on a show of hands unless a poll is duly demanded in accordance with the articles.

Errors and disputes

43.—(1) No objection may be raised to the qualification of any person voting at a general meeting except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting is valid.

(2) Any such objection must be referred to the chairman of the meeting, whose decision is final.

Poll votes

44.—(1) A poll on a resolution may be demanded—

- (a) in advance of the general meeting where it is to be put to the vote, or
- (b) at a general meeting, either before a show of hands on that resolution or immediately after the result of a show of hands on that resolution is declared.

(2) A poll may be demanded by—

- (a) the chairman of the meeting;
- (b) the directors;
- (c) two or more persons having the right to vote on the resolution; or

- (d) a person or persons representing not less than one tenth of the total voting rights of all the shareholders having the right to vote on the resolution.
- (3) A demand for a poll may be withdrawn if—
 - (a) the poll has not yet been taken, and
 - (b) the chairman of the meeting consents to the withdrawal.
- (4) Polls must be taken immediately and in such manner as the chairman of the meeting directs.

Content of proxy notices

45.—(1) Proxies may only validly be appointed by a notice in writing (a “proxy notice”) which—

- (a) states the name and address of the shareholder appointing the proxy;
 - (b) identifies the person appointed to be that shareholder’s proxy and the general meeting in relation to which that person is appointed;
 - (c) is signed by or on behalf of the shareholder appointing the proxy, or is authenticated in such manner as the directors may determine; and
 - (d) is delivered to the company in accordance with the articles and any instructions contained in the notice of the general meeting to which they relate.
- (2) The company may require proxy notices to be delivered in a particular form, and may specify different forms for different purposes.
- (3) Proxy notices may specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.
- (4) Unless a proxy notice indicates otherwise, it must be treated as—
 - (a) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting, and
 - (b) appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.

Delivery of proxy notices

- 46.—(1) A person who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a general meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid proxy notice has been delivered to the company by or on behalf of that person.
- (2) An appointment under a proxy notice may be revoked by delivering to the company a notice in writing given by or on behalf of the person by whom or on whose behalf the proxy notice was given.
- (3) A notice revoking a proxy appointment only takes effect if it is delivered before the start of the meeting or adjourned meeting to which it relates.
- (4) If a proxy notice is not executed by the person appointing the proxy, it must be accompanied by written evidence of the authority of the person who executed it to execute it on the appointor’s behalf.

Amendments to resolutions

47.—(1) An ordinary resolution to be proposed at a general meeting may be amended by ordinary resolution if—

- (a) notice of the proposed amendment is given to the company in writing by a person entitled to vote at the general meeting at which it is to be proposed not less than 48 hours before the meeting is to take place (or such later time as the chairman of the meeting may determine), and
 - (b) the proposed amendment does not, in the reasonable opinion of the chairman of the meeting, materially alter the scope of the resolution.
- (2) A special resolution to be proposed at a general meeting may be amended by ordinary resolution, if—
- (a) the chairman of the meeting proposes the amendment at the general meeting at which the resolution is to be proposed, and
 - (b) the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the resolution.
- (3) If the chairman of the meeting, acting in good faith, wrongly decides that an amendment to a resolution is out of order, the chairman's error does not invalidate the vote on that resolution.

PART 5

ADMINISTRATIVE ARRANGEMENTS

Means of communication to be used

48.—(1) Subject to the articles, anything sent or supplied by or to the company under the articles may be sent or supplied in any way in which the Companies Act 2006 provides for documents or information which are authorised or required by any provision of that Act to be sent or supplied by or to the company.

(2) Subject to the articles, any notice or document to be sent or supplied to a director in connection with the taking of decisions by directors may also be sent or supplied by the means by which that director has asked to be sent or supplied with such notices or documents for the time being.

(3) A director may agree with the company that notices or documents sent to that director in a particular way are to be deemed to have been received within a specified time of their being sent, and for the specified time to be less than 48 hours.

Company seals

49.—(1) Any common seal may only be used by the authority of the directors.

(2) The directors may decide by what means and in what form any common seal is to be used.

(3) Unless otherwise decided by the directors, if the company has a common seal and it is

affixed to a document, the document must also be signed by at least one authorised person in the presence of a witness who attests the signature.

(4) For the purposes of this article, an authorised person is—

- (a) any director of the company;
- (b) the company secretary (if any); or
- (c) any person authorised by the directors for the purpose of signing documents to which the common seal is applied.

No right to inspect accounts and other records

50. Except as provided by law or authorised by the directors or an ordinary resolution of the company, no person is entitled to inspect any of the company's accounting or other records or documents merely by virtue of being a shareholder.

Provision for employees on cessation of business

51. The directors may decide to make provision for the benefit of persons employed or formerly employed by the company or any of its subsidiaries (other than a director or former director or shadow director) in connection with the cessation or transfer to any person of the whole or part of the undertaking of the company or that subsidiary.

DIRECTORS' INDEMNITY AND INSURANCE

Indemnity

52.—(1) Subject to paragraph (2), a relevant director of the company or an associated company may be indemnified out of the company's assets against—

- (a) any liability incurred by that director in connection with any negligence, default, breach of duty or breach of trust in relation to the company or an associated company,
- (b) any liability incurred by that director in connection with the activities of the company or an associated company in its capacity as a trustee of an occupational pension scheme (as defined in section 235(6) of the Companies Act 2006),
- (c) any other liability incurred by that director as an officer of the company or an associated company.

(2) This article does not authorise any indemnity which would be prohibited or rendered void by any provision of the Companies Acts or by any other provision of law.

(3) In this article—

- (a) companies are associated if one is a subsidiary of the other or both are subsidiaries of the same body corporate, and
- (b) a "relevant director" means any director or former director of the company or an associated company.

Insurance

53.—(1) The directors may decide to purchase and maintain insurance, at the expense of the company, for the benefit of any relevant director in respect of any relevant loss.

(2) In this article—

- (a) a "relevant director" means any director or former director of the company or an associated company,
- (b) a "relevant loss" means any loss or liability which has been or may be incurred by a relevant director in connection with that director's duties or powers in relation to the company, any associated company or any pension fund or employees' share scheme of the company or associated company, and

Liability of members

2. The liability of the members is limited to the amount, if any, unpaid on the shares held by them.

PART 2

DIRECTORS

DIRECTORS' POWERS AND RESPONSIBILITIES

Directors' general authority

3. Subject to the articles, the directors are responsible for the management of the company's business, for which purpose they may exercise all the powers of the company.

Shareholders' reserve power

- 4.—(1) The shareholders may, by special resolution, direct the directors to take, or refrain from taking, specified action.
(2) No such special resolution invalidates anything which the directors have done before the passing of the resolution.

Directors may delegate

- 5.—(1) Subject to the articles, the directors may delegate any of the powers which are conferred on them under the articles—
 - (a) to such person or committee;
 - (b) by such means (including by power of attorney);

- (c) to such an extent;
- (d) in relation to such matters or territories; and
- (e) on such terms and conditions;

as they think fit.

(2) If the directors so specify, any such delegation may authorise further delegation of the

directors' powers by any person to whom they are delegated.

(3) The directors may revoke any delegation in whole or part, or alter its terms and conditions.

Committees

6.—(1) Committees to which the directors delegate any of their powers must follow procedures which are based as far as they are applicable on those provisions of the articles which govern the taking of decisions by directors.

(2) The directors may make rules of procedure for all or any committees, which prevail over rules derived from the articles if they are not consistent with them.

DECISION-MAKING BY DIRECTORS

Directors to take decisions collectively

7.—(1) The general rule about decision-making by directors is that any decision of the directors must be either a majority decision at a meeting or a decision taken in accordance with article 8.

(2) If—

(a) the company only has one director, and

(b) no provision of the articles requires it to have more than one director,

the general rule does not apply, and the director may take decisions without regard to any of the provisions of the articles relating to directors' decision-making.

Unanimous decisions

8.—(1) A decision of the directors is taken in accordance with this article when all eligible directors indicate to each other by any means that they share a common view on a matter.

(2) Such a decision may take the form of a resolution in writing, copies of which have been signed by each eligible director or to which each eligible director has otherwise indicated agreement in writing.

(3) References in this article to eligible directors are to directors who would have been entitled to vote on the matter had it been proposed as a resolution at a directors' meeting.

(4) A decision may not be taken in accordance with this article if the eligible directors would not have formed a quorum at such a meeting.

Calling a directors' meeting

9.—(1) Any director may call a directors' meeting by giving notice of the meeting to the

directors or by authorising the company secretary (if any) to give such notice.

- (2) Notice of any directors' meeting must indicate—
 - (a) its proposed date and time;
 - (b) where it is to take place; and
 - (c) if it is anticipated that directors participating in the meeting will not be in the same place, how it is proposed that they should communicate with each other during the meeting.
- (3) Notice of a directors' meeting must be given to each director, but need not be in writing.
- (4) Notice of a directors' meeting need not be given to directors who waive their entitlement to notice of that meeting, by giving notice to that effect to the company not more than 7 days after the date on which the meeting is held. Where such notice is given after the meeting has been held, that does not affect the validity of the meeting, or of any business conducted at it.

Participation in directors' meetings

- 10.—(1) Subject to the articles, directors participate in a directors' meeting, or part of a directors' meeting, when—
- (a) the meeting has been called and takes place in accordance with the articles, and
 - (b) they can each communicate to the others any information or opinions they have on any particular item of the business of the meeting.
- (2) In determining whether directors are participating in a directors' meeting, it is irrelevant where any director is or how they communicate with each other.
- (3) If all the directors participating in a meeting are not in the same place, they may decide that the meeting is to be treated as taking place wherever any of them is.

Quorum for directors' meetings

- 11.—(1) At a directors' meeting, unless a quorum is participating, no proposal is to be voted on, except a proposal to call another meeting.
- (2) The quorum for directors' meetings may be fixed from time to time by a decision of the directors, but it must never be less than two, and unless otherwise fixed it is two.
- (3) If the total number of directors for the time being is less than the quorum required, the directors must not take any decision other than a decision—
- (a) to appoint further directors, or
 - (b) to call a general meeting so as to enable the shareholders to appoint further directors.

Chairing of directors' meetings

- 12.—(1) The directors may appoint a director to chair their meetings.
- (2) The person so appointed for the time being is known as the chairman.
- (3) The directors may terminate the chairman's appointment at any time.
- (4) If the chairman is not participating in a directors' meeting within ten minutes of the time at which it was to start, the participating directors must appoint one of themselves to chair it.

Casting vote

13.—(1) If the numbers of votes for and against a proposal are equal, the chairman or other director chairing the meeting has a casting vote.

(2) But this does not apply if, in accordance with the articles, the chairman or other director is not to be counted as participating in the decision-making process for quorum or voting purposes.

Conflicts of interest

14.—(1) If a proposed decision of the directors is concerned with an actual or proposed transaction or arrangement with the company in which a director is interested, that director is not to be counted as participating in the decision-making process for quorum or voting purposes.

(2) But if paragraph (3) applies, a director who is interested in an actual or proposed transaction or arrangement with the company is to be counted as participating in the decision-making process for quorum and voting purposes.

(3) This paragraph applies when—

(a) the company by ordinary resolution disapplies the provision of the articles which would otherwise prevent a director from being counted as participating in the decision-making process;

(b) the director's interest cannot reasonably be regarded as likely to give rise to a conflict of interest; or

(c) the director's conflict of interest arises from a permitted cause.

(4) For the purposes of this article, the following are permitted causes—

(a) a guarantee given, or to be given, by or to a director in respect of an obligation incurred by or on behalf of the company or any of its subsidiaries;

(b) subscription, or an agreement to subscribe, for shares or other securities of the company or any of its subsidiaries, or to underwrite, sub-underwrite, or guarantee subscription for any such shares or securities; and

(c) arrangements pursuant to which benefits are made available to employees and directors or former employees and directors of the company or any of its subsidiaries which do not provide special benefits for directors or former directors.

(5) For the purposes of this article, references to proposed decisions and decision-making

processes include any directors' meeting or part of a directors' meeting.

(6) Subject to paragraph (7), if a question arises at a meeting of directors or of a committee of directors as to the right of a director to participate in the meeting (or part of the meeting) for voting or quorum purposes, the question may, before the conclusion of the meeting, be referred to the chairman whose ruling in relation to any director other than the chairman is to be final and conclusive.

(7) If any question as to the right to participate in the meeting (or part of the meeting) should arise in respect of the chairman, the question is to be decided by a decision of the directors at that meeting, for which purpose the chairman is not to be counted as participating in the meeting (or that part of the meeting) for voting or quorum purposes.

Records of decisions to be kept

15. The directors must ensure that the company keeps a record, in writing, for at least 10 years from the date of the decision recorded, of every unanimous or majority decision taken by the directors.

Directors' discretion to make further rules

16. Subject to the articles, the directors may make any rule which they think fit about how they take decisions, and about how such rules are to be recorded or communicated to directors.

APPOINTMENT OF DIRECTORS

Methods of appointing directors

17.—(1) Any person who is willing to act as a director, and is permitted by law to do so, may be appointed to be a director—

- (a) by ordinary resolution, or
- (b) by a decision of the directors.

(2) In any case where, as a result of death, the company has no shareholders and no directors, the personal representatives of the last shareholder to have died have the right, by notice in writing, to appoint a person to be a director.

(3) For the purposes of paragraph (2), where 2 or more shareholders die in circumstances

rendering it uncertain who was the last to die, a younger shareholder is deemed to have survived an older shareholder.

Termination of director's appointment

18. A person ceases to be a director as soon as—

- (a) that person ceases to be a director by virtue of any provision of the Companies Act 2006 or is prohibited from being a director by law;
- (b) a bankruptcy order is made against that person;
- (c) a composition is made with that person's creditors generally in satisfaction of that person's debts;
- (d) a registered medical practitioner who is treating that person gives a written opinion to the company stating that that person has become physically or mentally incapable of acting as a director and may remain so for more than three months;
- (e) *[paragraph omitted pursuant to The Mental Health (Discrimination) Act 2013]*
- (f) notification is received by the company from the director that the director is resigning from office, and such resignation has taken effect in accordance with its terms.

Directors' remuneration

- 19.—(1) Directors may undertake any services for the company that the directors decide.
- (2) Directors are entitled to such remuneration as the directors determine—
- (a) for their services to the company as directors, and
 - (b) for any other service which they undertake for the company.
- (3) Subject to the articles, a director's remuneration may—
- (a) take any form, and
 - (b) include any arrangements in connection with the payment of a pension, allowance or gratuity, or any death, sickness or disability benefits, to or in respect of that director.
- (4) Unless the directors decide otherwise, directors' remuneration accrues from day to day.
- (5) Unless the directors decide otherwise, directors are not accountable to the company for any remuneration which they receive as directors or other officers or employees of the company's subsidiaries or of any other body corporate in which the company is interested.

Directors' expenses

20. The company may pay any reasonable expenses which the directors properly incur in connection with their attendance at—
- (a) meetings of directors or committees of directors,
 - (b) general meetings, or
 - (c) separate meetings of the holders of any class of shares or of debentures of the company, or otherwise in connection with the exercise of their powers and the discharge of their responsibilities in relation to the company.

PART 3

SHARES AND DISTRIBUTIONS

SHARES

All shares to be fully paid up

- 21.—(1) No share is to be issued for less than the aggregate of its nominal value and any premium to be paid to the company in consideration for its issue.
- (2) This does not apply to shares taken on the formation of the company by the subscribers to the company's memorandum.

Powers to issue different classes of share

- 22.—(1) Subject to the articles, but without prejudice to the rights attached to any existing share, the company may issue shares with such rights or restrictions as may be determined by ordinary resolution.

(2) The company may issue shares which are to be redeemed, or are liable to be redeemed at the option of the company or the holder, and the directors may determine the terms, conditions and manner of redemption of any such shares.

Company not bound by less than absolute interests

23. Except as required by law, no person is to be recognised by the company as holding any share upon any trust, and except as otherwise required by law or the articles, the company is not in any way to be bound by or recognise any interest in a share other than the holder's absolute ownership of it and all the rights attaching to it.

Share certificates

24.—(1) The company must issue each shareholder, free of charge, with one or more certificates in respect of the shares which that shareholder holds.

(2) Every certificate must specify—

- (a) in respect of how many shares, of what class, it is issued;
- (b) the nominal value of those shares;
- (c) that the shares are fully paid; and
- (d) any distinguishing numbers assigned to them.

(3) No certificate may be issued in respect of shares of more than one class.

(4) If more than one person holds a share, only one certificate may be issued in respect of it.

(5) Certificates must—

- (a) have affixed to them the company's common seal, or
- (b) be otherwise executed in accordance with the Companies Acts.

Replacement share certificates

25.—(1) If a certificate issued in respect of a shareholder's shares is—

- (a) damaged or defaced, or
- (b) said to be lost, stolen or destroyed, that shareholder is entitled to be issued with a replacement certificate in respect of the same shares.

(2) A shareholder exercising the right to be issued with such a replacement certificate—

- (a) may at the same time exercise the right to be issued with a single certificate or separate certificates;
- (b) must return the certificate which is to be replaced to the company if it is damaged or defaced; and
- (c) must comply with such conditions as to evidence, indemnity and the payment of a reasonable fee as the directors decide.

Share transfers

26.—(1) Shares may be transferred by means of an instrument of transfer in any usual form or any other form approved by the directors, which is executed by or on behalf of the transferor.

- (2) No fee may be charged for registering any instrument of transfer or other document relating to or affecting the title to any share.
- (3) The company may retain any instrument of transfer which is registered.
- (4) The transferor remains the holder of a share until the transferee's name is entered in the register of members as holder of it.
- (5) The directors may refuse to register the transfer of a share, and if they do so, the instrument of transfer must be returned to the transferee with the notice of refusal unless they suspect that the proposed transfer may be fraudulent.

Transmission of shares

- 27.—(1) If title to a share passes to a transmittee, the company may only recognise the transmittee as having any title to that share.
- (2) A transmittee who produces such evidence of entitlement to shares as the directors may properly require—
- (a) may, subject to the articles, choose either to become the holder of those shares or to have them transferred to another person, and
 - (b) subject to the articles, and pending any transfer of the shares to another person, has the same rights as the holder had.
- (3) But transmittees do not have the right to attend or vote at a general meeting, or agree to a proposed written resolution, in respect of shares to which they are entitled, by reason of the holder's death or bankruptcy or otherwise, unless they become the holders of those shares.

Exercise of transmittees' rights

- 28.—(1) Transmittees who wish to become the holders of shares to which they have become entitled must notify the company in writing of that wish.
- (2) If the transmittee wishes to have a share transferred to another person, the transmittee must execute an instrument of transfer in respect of it.
- (3) Any transfer made or executed under this article is to be treated as if it were made or executed by the person from whom the transmittee has derived rights in respect of the share, and as if the event which gave rise to the transmission had not occurred.

Transmittees bound by prior notices

29. If a notice is given to a shareholder in respect of shares and a transmittee is entitled to those shares, the transmittee is bound by the notice if it was given to the shareholder before the transmittee's name has been entered in the register of members.

DIVIDENDS AND OTHER DISTRIBUTIONS

Procedure for declaring dividends

- 30.—(1) The company may by ordinary resolution declare dividends, and the directors may decide to pay interim dividends.

- (2) A dividend must not be declared unless the directors have made a recommendation as to its amount. Such a dividend must not exceed the amount recommended by the directors.
- (3) No dividend may be declared or paid unless it is in accordance with shareholders' respective rights.
- (4) Unless the shareholders' resolution to declare or directors' decision to pay a dividend, or the terms on which shares are issued, specify otherwise, it must be paid by reference to each shareholder's holding of shares on the date of the resolution or decision to declare or pay it.
- (5) If the company's share capital is divided into different classes, no interim dividend may be paid on shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrear.
- (6) The directors may pay at intervals any dividend payable at a fixed rate if it appears to them that the profits available for distribution justify the payment.
- (7) If the directors act in good faith, they do not incur any liability to the holders of shares conferring preferred rights for any loss they may suffer by the lawful payment of an interim dividend on shares with deferred or non-preferred rights.

Payment of dividends and other distributions

- 31.—(1) Where a dividend or other sum which is a distribution is payable in respect of a share, it must be paid by one or more of the following means—
- (a) transfer to a bank or building society account specified by the distribution recipient either in writing or as the directors may otherwise decide;
 - (b) sending a cheque made payable to the distribution recipient by post to the distribution recipient at the distribution recipient's registered address (if the distribution recipient is a holder of the share), or (in any other case) to an address specified by the distribution recipient either in writing or as the directors may otherwise decide;
 - (c) sending a cheque made payable to such person by post to such person at such address as the distribution recipient has specified either in writing or as the directors may otherwise decide; or
 - (d) any other means of payment as the directors agree with the distribution recipient either in writing or by such other means as the directors decide.
- (2) In the articles, "the distribution recipient" means, in respect of a share in respect of which a dividend or other sum is payable—
- (a) the holder of the share; or
 - (b) if the share has two or more joint holders, whichever of them is named first in the register of members; or
 - (c) if the holder is no longer entitled to the share by reason of death or bankruptcy, or otherwise by operation of law, the transmittee.

No interest on distributions

32. The company may not pay interest on any dividend or other sum payable in respect of a share unless otherwise provided by—
- (a) the terms on which the share was issued, or

- (b) the provisions of another agreement between the holder of that share and the company.

Unclaimed distributions

- 33.—(1) All dividends or other sums which are—
- (a) payable in respect of shares, and
 - (b) unclaimed after having been declared or become payable,
- may be invested or otherwise made use of by the directors for the benefit of the company until claimed.
- (2) The payment of any such dividend or other sum into a separate account does not make the company a trustee in respect of it.
- (3) If—
- (a) twelve years have passed from the date on which a dividend or other sum became due for payment, and
 - (b) the distribution recipient has not claimed it,
- the distribution recipient is no longer entitled to that dividend or other sum and it ceases to remain owing by the company.

Non-cash distributions

- 34.—(1) Subject to the terms of issue of the share in question, the company may, by ordinary resolution on the recommendation of the directors, decide to pay all or part of a dividend or other distribution payable in respect of a share by transferring non-cash assets of equivalent value (including, without limitation, shares or other securities in any company).
- (2) For the purposes of paying a non-cash distribution, the directors may make whatever arrangements they think fit, including, where any difficulty arises regarding the distribution—
- (a) fixing the value of any assets;
 - (b) paying cash to any distribution recipient on the basis of that value in order to adjust the rights of recipients; and
 - (c) vesting any assets in trustees.

Waiver of distributions

35. Distribution recipients may waive their entitlement to a dividend or other distribution payable in respect of a share by giving the company notice in writing to that effect, but if—
- (a) the share has more than one holder, or
 - (b) more than one person is entitled to the share, whether by reason of the death or
- bankruptcy of one or more joint holders, or otherwise,
- the notice is not effective unless it is expressed to be given, and signed, by all the holders or persons otherwise entitled to the share.

Authority to capitalise and appropriation of capitalised sums

36.—(1) Subject to the articles, the directors may, if they are so authorised by an ordinary resolution—

- (a) decide to capitalise any profits of the company (whether or not they are available for distribution) which are not required for paying a preferential dividend, or any sum standing to the credit of the company's share premium account or capital redemption reserve; and
- (b) appropriate any sum which they so decide to capitalise (a "capitalised sum") to the persons who would have been entitled to it if it were distributed by way of dividend (the "persons entitled") and in the same proportions.

(2) Capitalised sums must be applied—

- (a) on behalf of the persons entitled, and
- (b) in the same proportions as a dividend would have been distributed to them.

(3) Any capitalised sum may be applied in paying up new shares of a nominal amount equal to the capitalised sum which are then allotted credited as fully paid to the persons entitled or as they may direct.

(4) A capitalised sum which was appropriated from profits available for distribution may be applied in paying up new debentures of the company which are then allotted credited as fully paid to the persons entitled or as they may direct.

(5) Subject to the articles the directors may—

- (a) apply capitalised sums in accordance with paragraphs (3) and (4) partly in one way and partly in another;
- (b) make such arrangements as they think fit to deal with shares or debentures becoming distributable in fractions under this article (including the issuing of fractional certificates or the making of cash payments); and
- (c) authorise any person to enter into an agreement with the company on behalf of all the persons entitled which is binding on them in respect of the allotment of shares and debentures to them under this article.

PART 4

DECISION-MAKING BY SHAREHOLDERS

ORGANISATION OF GENERAL MEETINGS

Attendance and speaking at general meetings

37.—(1) A person is able to exercise the right to speak at a general meeting when that person is in a position to communicate to all those attending the meeting, during the meeting, any information or opinions which that person has on the business of the meeting.

(2) A person is able to exercise the right to vote at a general meeting when—

- (a) that person is able to vote, during the meeting, on resolutions put to the vote at the meeting, and
- (b) that person's vote can be taken into account in determining whether or not such

resolutions are passed at the same time as the votes of all the other persons attending the meeting.

(3) The directors may make whatever arrangements they consider appropriate to enable those attending a general meeting to exercise their rights to speak or vote at it.

(4) In determining attendance at a general meeting, it is immaterial whether any two or more members attending it are in the same place as each other.

(5) Two or more persons who are not in the same place as each other attend a general meeting if their circumstances are such that if they have (or were to have) rights to speak and vote at that meeting, they are (or would be) able to exercise them.

Quorum for general meetings

38. No business other than the appointment of the chairman of the meeting is to be transacted at a general meeting if the persons attending it do not constitute a quorum.

Chairing general meetings

39.—(1) If the directors have appointed a chairman, the chairman shall chair general meetings if present and willing to do so.

(2) If the directors have not appointed a chairman, or if the chairman is unwilling to chair the meeting or is not present within ten minutes of the time at which a meeting was due to start—

(a) the directors present, or

(b) (if no directors are present), the meeting,

must appoint a director or shareholder to chair the meeting, and the appointment of the chairman of the meeting must be the first business of the meeting.

(3) The person chairing a meeting in accordance with this article is referred to as “the chairman of the meeting”.

Attendance and speaking by directors and non-shareholders

40.—(1) Directors may attend and speak at general meetings, whether or not they are shareholders.

(2) The chairman of the meeting may permit other persons who are not—

(a) shareholders of the company, or

(b) otherwise entitled to exercise the rights of shareholders in relation to general meetings,

to attend and speak at a general meeting.

Adjournment

41.—(1) If the persons attending a general meeting within half an hour of the time at which the meeting was due to start do not constitute a quorum, or if during a meeting a quorum ceases to be present, the chairman of the meeting must adjourn it.

(2) The chairman of the meeting may adjourn a general meeting at which a quorum is present if—

(a) the meeting consents to an adjournment, or

- (b) it appears to the chairman of the meeting that an adjournment is necessary to protect the safety of any person attending the meeting or ensure that the business of the meeting is conducted in an orderly manner.
- (3) The chairman of the meeting must adjourn a general meeting if directed to do so by the meeting.
- (4) When adjourning a general meeting, the chairman of the meeting must—
 - (a) either specify the time and place to which it is adjourned or state that it is to continue at a time and place to be fixed by the directors, and
 - (b) have regard to any directions as to the time and place of any adjournment which have been given by the meeting.
- (5) If the continuation of an adjourned meeting is to take place more than 14 days after it was adjourned, the company must give at least 7 clear days' notice of it (that is, excluding the day of the adjourned meeting and the day on which the notice is given)—
 - (a) to the same persons to whom notice of the company's general meetings is required to be given, and
 - (b) containing the same information which such notice is required to contain.
- (6) No business may be transacted at an adjourned general meeting which could not properly have been transacted at the meeting if the adjournment had not taken place.

VOTING AT GENERAL MEETINGS

Voting: general

42. A resolution put to the vote of a general meeting must be decided on a show of hands unless a poll is duly demanded in accordance with the articles.

Errors and disputes

43.—(1) No objection may be raised to the qualification of any person voting at a general meeting except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting is valid.

(2) Any such objection must be referred to the chairman of the meeting, whose decision is final.

Poll votes

44.—(1) A poll on a resolution may be demanded—

- (a) in advance of the general meeting where it is to be put to the vote, or
- (b) at a general meeting, either before a show of hands on that resolution or immediately after the result of a show of hands on that resolution is declared.

(2) A poll may be demanded by—

- (a) the chairman of the meeting;
- (b) the directors;
- (c) two or more persons having the right to vote on the resolution; or

- (d) a person or persons representing not less than one tenth of the total voting rights of all the shareholders having the right to vote on the resolution.
- (3) A demand for a poll may be withdrawn if—
 - (a) the poll has not yet been taken, and
 - (b) the chairman of the meeting consents to the withdrawal.
- (4) Polls must be taken immediately and in such manner as the chairman of the meeting directs.

Content of proxy notices

45.—(1) Proxies may only validly be appointed by a notice in writing (a “proxy notice”) which—

- (a) states the name and address of the shareholder appointing the proxy;
 - (b) identifies the person appointed to be that shareholder’s proxy and the general meeting in relation to which that person is appointed;
 - (c) is signed by or on behalf of the shareholder appointing the proxy, or is authenticated in such manner as the directors may determine; and
 - (d) is delivered to the company in accordance with the articles and any instructions contained in the notice of the general meeting to which they relate.
- (2) The company may require proxy notices to be delivered in a particular form, and may specify different forms for different purposes.
- (3) Proxy notices may specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.
- (4) Unless a proxy notice indicates otherwise, it must be treated as—
 - (a) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting, and
 - (b) appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.

Delivery of proxy notices

- 46.—(1) A person who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a general meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid proxy notice has been delivered to the company by or on behalf of that person.
- (2) An appointment under a proxy notice may be revoked by delivering to the company a notice in writing given by or on behalf of the person by whom or on whose behalf the proxy notice was given.
- (3) A notice revoking a proxy appointment only takes effect if it is delivered before the start of the meeting or adjourned meeting to which it relates.
- (4) If a proxy notice is not executed by the person appointing the proxy, it must be accompanied by written evidence of the authority of the person who executed it to execute it on the appointor’s behalf.

Amendments to resolutions

47.—(1) An ordinary resolution to be proposed at a general meeting may be amended by ordinary resolution if—

- (a) notice of the proposed amendment is given to the company in writing by a person entitled to vote at the general meeting at which it is to be proposed not less than 48 hours before the meeting is to take place (or such later time as the chairman of the meeting may determine), and
 - (b) the proposed amendment does not, in the reasonable opinion of the chairman of the meeting, materially alter the scope of the resolution.
- (2) A special resolution to be proposed at a general meeting may be amended by ordinary resolution, if—
- (a) the chairman of the meeting proposes the amendment at the general meeting at which the resolution is to be proposed, and
 - (b) the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the resolution.
- (3) If the chairman of the meeting, acting in good faith, wrongly decides that an amendment to a resolution is out of order, the chairman's error does not invalidate the vote on that resolution.

A call may be revoked or postponed as the Directors may determine.

Calls on shares.

32. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed and may be made payable by instalments.

Time when made.

33. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum due from the day appointed for payment thereof to the time of actual payment at such rate not exceeding ten per cent per annum as the Directors determine, but the Directors shall be at liberty to waive payment of such interest wholly or in part.

Interest on calls.

34. Any sum which by the terms of issue of a share becomes payable upon allotment or at any fixed date, shall for all purposes of these Articles be deemed to be a call duly made and payable on the date, on which, by the terms of issue, the same becomes payable, and in case of non-payment all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

35. The Directors may on the issue of shares differentiate between the holders as to the amount of calls to be paid and the times of payments.

Power to differentiate.

36. The Directors may, if they think fit, receive from any Member willing to advance the same all or any part of the moneys uncalled and unpaid upon the shares held by him and such payments in advance of calls shall extinguish, so far as the same shall extend, the liability upon the shares in respect of which they are made, and upon the moneys so received or so much thereof as from time to time exceeds the amount of the calls then made upon the shares concerned the Company may pay interest at such rate not exceeding eight per cent per annum as the Member paying such sum and the Directors agree upon.

Payment in advance of calls.

FORFEITURE AND LIEN

37. If any Member fails to pay in full any call or instalment of a call on the day appointed for payment thereof, the Directors may at any time thereafter serve a notice on such Member requiring payment of so much of the call or instalment as is unpaid together with any interest and expenses which may have accrued.

Notice requiring payment of calls.

38. The notice shall name a further day (not being less than fourteen days from the date of service of the notice) on or before which and the place where the payment required by the notice is to be made, and shall state that in the event of non-payment in accordance therewith the shares on which the call was made will be liable to be forfeited.

Notice to state time and place.

39. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may at any time thereafter, before payment of all calls and interest and expenses due in respect thereof be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited share and not actually paid before the forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder.

Forfeiture on non-compliance with notice.

40. A share so forfeited or surrendered shall become the property of the Company and may be sold, re-allotted or otherwise disposed of either to the person who was before such forfeiture or surrender the holder thereof or entitled thereto, or to any other person, upon such terms and in such manner as the Directors shall think fit, and at any time before a sale, re-allotment or disposition the forfeiture or surrender may be cancelled on such terms as the Directors think fit. To give effect to any such sale, the Directors may, if necessary, authorise some person to transfer a forfeited or surrendered share to any such person as aforesaid.

Sale of shares forfeited.

41. A Member whose shares have been forfeited or surrendered shall cease to be a Member in respect of the shares, but shall notwithstanding the forfeiture or surrender remain liable to pay to the Company all moneys which at the date of forfeiture or surrender were payable by him to the Company in respect of the shares with interest thereon at eight per cent per annum (or such lower rate as the Directors may approve) from the date of forfeiture or surrender until payment, but such liability shall cease if and when the Company receives payment in full of all such moneys in respect of the shares and the Directors may waive payment of such interest either wholly or in part.

ARTICLES OF ASSOCIATION OF

BAT'S Trading Limited

1. PRELIMINARY

1.1 The regulations contained in Table A in the Schedule to the Companies (Tables A to F) Regulations 1985 (SI 1985 No. 805) as amended by The Companies (Tables A to F) (Amendment) Regulations 1985 (SI 1985 No. 1052), The Companies Act 1985 (Electronic Communications) Order 2000 (SI 2000 No. 3373), the Companies (Tables A to F) (Amendment) Regulations 2007 (SI 2007 No. 2541) and the Companies (Tables A to F) (Amendment) (No 2) Regulations 2007 (SI 2007 No. 2826) so far as it relates to private companies limited by shares (such Table being hereinafter called "Table A") shall apply to the Company save in so far as they are excluded or varied hereby and such regulations (save as so excluded or varied) and the Articles hereinafter contained shall be the Articles of Association of the Company.

1.2 In these Articles the expression "the Act" means the Companies Act 1985 and "the 2006 Act" means the Companies Act 2006, but so that any reference in these Articles to any provision of the Act or the 2006 Act shall be deemed to include a reference to any statutory modification or re-enactment of that provision for the time being in force.

2. ALLOTMENT OF SHARES

2.1 Shares which are comprised in the authorised share capital with which the Company is incorporated shall be under the control of the directors who may (subject to section 80 of the Act and to article 2.4 below) allot, grant options over or otherwise dispose of the same, to such persons, on such terms and in such manner as they think fit,

2.2 All shares which are not comprised in the authorised share capital with which the Company is incorporated and which the directors propose to issue shall first be offered to the members in proportion as nearly as may be to the number of the existing shares held by them respectively unless the Company in general meeting shall by special resolution otherwise direct. The offer shall be made by notice specifying the number of shares offered, and fixing a period (not being less than 14 days) within which the offer, if not accepted, will be deemed to be declined. After the expiration of that period, those shares so deemed to be declined shall be offered in the proportion aforesaid to the persons who have, within the said period, accepted all the shares offered to them; such further offer shall be made in like terms in the same manner and limited by a like period as the original offer. Any shares not accepted pursuant to such offer or further offer as aforesaid or not capable of being offered as aforesaid except by way of fractions and any shares released from the provisions of this article by any such special resolution as aforesaid shall be under the control of the directors, who may allot, grant options over or otherwise dispose of the same to such persons, on such terms, and in such manner as they think fit, provided that, in the case of shares not accepted as aforesaid, such shares shall not be disposed of on terms which are more favourable to the subscribers thereof than the terms on which they were offered to the members. The foregoing provisions of this article 2.2 shall have effect subject to section 80 of the Act.

2.3 In accordance with section 81(1) of the Act sections 89(1) and 90(1) to (6) (inclusive) of the Act shall not apply to the Company.

2.4 The directors are generally and unconditionally authorised for the purposes of section 80 of the Act to exercise any power of the Company to allot and grant rights to subscribe for or convert securities into shares of the Company up to the amount of the authorised share capital with which the Company is incorporated at any time or times during the period of five years from the date of incorporation and the directors may, after that period, allot any shares or grant any such rights under this authority in pursuance of an offer or agreement so to do made by the Company within that period. The authority hereby given may at any time (subject to the said section 80) be renewed, revoked or varied by ordinary resolution.

3. SHARES

3.1 The lien conferred by regulation 8 in Table A shall attach also to fully paid-up shares, and the Company shall also have a first and paramount lien on all shares, whether fully paid or not, standing registered in the name of any person indebted or under liability to the Company, whether he shall be the sole registered holder thereof or shall be one of two or more joint holders, for all moneys presently payable by him or his estate to the Company. Regulation 8 in Table A shall be modified accordingly.

3.2 The liability of any member in default in respect of a call shall be increased by the addition at the end of the first sentence of regulation 18 in Table A of the words "and all expenses that may have been incurred by the Company by reason of such non-payment".

4. GENERAL MEETINGS AND RESOLUTIONS

4.1 Every notice convening a general meeting shall comply with the provisions of section 325(1) of the 2006 Act as to giving information to members in regard to their right to appoint proxies; and notices of and other communications relating to any general meeting which any member is entitled to receive shall be sent to the directors and to the auditors for the time being of the Company.

4.2.1 No business shall be transacted at any general meeting unless a quorum is present. Subject to article 4.2.2 below, two persons entitled to vote upon the business to be transacted, each being a member or a proxy for a member or a duly authorised representative of a corporation, shall be a quorum.

4.2.2 If and for so long as the Company has only one member, that member present in person or by proxy or (if that member is a corporation) by a duly authorised representative shall be a quorum.

4.2.3 If a quorum is not present within half an hour from the time appointed for a general meeting the general meeting shall stand adjourned to the same day in the next week at the same time and place or to such other day and at such other time and place as the directors may determine; and if at the adjourned general meeting a quorum is not present within half an hour from the time appointed therefor such adjourned general meeting shall be dissolved.

4.2.4 Regulations 40 and 41 in Table A shall not apply to the Company.

4.3.1 If and for so long as the Company has only one member and that member takes any decision which is required to be taken in general meeting or by means of a written resolution, that decision shall be as valid and effectual as if agreed by the Company in general meeting, subject as provided in article 4.3.3 below.

4.3.2 Any decision taken by a sole member pursuant to article 4.3.1 above shall be recorded in writing and delivered by that member to the Company for entry in the Company's minute book.

4.3.3 Resolutions under section 160 of the 2006 Act for the removal of a director before the expiration of his period of office and under section 391 of the Act for the removal of an auditor before the expiration of his period of office shall only be considered by the Company in general meeting.

4.4 A member present at a meeting by proxy shall be entitled to speak at the meeting and shall be entitled to one vote on a show of hands. In any case where the same person is appointed proxy for more than one member he shall on a show of hands have as many votes as the number of members for whom he is proxy. A member present at a meeting by more than one proxy shall be entitled to speak at the meeting through each of the proxies but the proxies together shall be entitled to only one vote on a show of hands. In the event that the proxies do not reach agreement as to how their vote should be exercised on a show of hands, the voting power is treated as not exercised. Regulation 54 in Table A shall be modified accordingly.

4.5 Unless resolved by ordinary resolution that regulation 62 in Table A shall apply without modification, the appointment of a proxy and any authority under which the proxy is appointed or a copy of such authority certified notidally or in some other way approved by the directors may be deposited or received at the place specified in regulation 62 in Table A up to the commencement of the meeting or (in any case where a poll is taken otherwise than at the meeting) of the taking of the poll or may be handed to the chairman of the meeting prior to the commencement of the business of the meeting.

5.4.2 The directors may appoint a person who is willing to act to be a director, either to fill a vacancy or as an additional director, provided that the appointment does not cause the number of directors to exceed any number determined in accordance with article 5.1.2 above as the maximum number of directors and for the time being in force.

5.5 In any case where as the result of death or deaths the Company has no members and no directors the personal representatives of the last member to have died shall have the right by notice in writing to appoint a person to be a director of the Company and such appointment shall be as effective as if made by the Company in general meeting pursuant to article 5.4.1 above. 7.2 A director, or any such other person as is mentioned in regulation 65 in Table A, may act as an alternate director to represent more than one director, and an alternate director shall be entitled at any meeting of the directors or of any committee of the directors to one vote for every director whom he represents in addition to his own vote (if any) as a director, but he shall count as only one for the purpose of determining whether a quorum is present.

8. GRATUITIES AND PENSIONS

8.1.1 The directors may exercise the powers of the Company conferred by its Memorandum of Association in relation to the payment of pensions, gratuities and other benefits and shall be entitled to retain any benefits received by them or any of them by reason of the exercise of any such powers.

8.1.2 Regulation 87 in Table A shall not apply to the Company.

9. PROCEEDINGS OF DIRECTORS

9.1.1 A director may vote, at any meeting of the directors or of any committee of the directors, on any resolution, notwithstanding that it in any way concerns or relates to a matter in which he has, directly or indirectly, any kind of interest whatsoever, and if he shall vote on any such resolution his vote shall be counted; and in relation to any such resolution as aforesaid he shall (whether or not he shall vote on the same) be taken into account in calculating the quorum present at the meeting.

ARTICLES OF ASSOCIATION

CHI-X EUROPE LIMITED

(adopted by written resolution passed on

2012)

1 The Company's articles of association

1.1 The Company's articles of association (the "articles") comprise:

1.1.1 the model articles of association for private companies contained in Schedule 1 to The Companies (Model Articles) Regulations 2008 ("Model Articles") as in force at the date of adoption of these Articles, subject as expressly excluded or modified by (or to the extent inconsistent with) the following articles; and

1.1.2 the following articles ("these Articles");

to the exclusion of all previous articles, including any regulations formerly known as Table A and any provisions incorporated from the Company's memorandum of association.

1.2 In these Articles, reference to a numbered Model Article is to the article with that number in the Model Articles and reference to a numbered Article is to the article with that number in these Articles.

2 Definitions and interpretation

2.1 In these Articles, terms defined in Model Article 1 have the same meanings when used in these Articles (except where the context otherwise requires) and the following words and expressions have the following meanings:

Act: the Companies Act 2006;

Conflict Situation: a situation in which a director has, or can have, a direct or indirect interest that conflicts, or may possibly conflict, with the interests of the Company, including in relation to the exploitation of any property, information or opportunity and regardless of whether the Company could take advantage of the property, information or opportunity itself, but excluding a situation which could not reasonably be regarded as likely to give rise to a conflict of interest;

Controlling Shareholder: the holder or holders, for the time being of more than one half in nominal value of the issued ordinary share capital of the Company (including, for the avoidance of doubt, any holder of the whole of the issued ordinary share capital of the Company); and

member: a shareholder.

- 2.2 Except as expressly provided otherwise in these Articles, or where expressly defined in Model Article 1, words or expressions contained in the Model Articles and in these Articles bear the same meaning as in the Act. The last paragraph of Model Article 1 (beginning "Unless the context otherwise requires") shall not apply.
- 2.3 In the Model Articles and in these Articles, except in Article 1.1 or as expressly provided otherwise in these Articles, any reference to any statute, statutory provision or subordinate legislation ("Legislation") includes a reference to that Legislation as from time to time amended or re-enacted (whether with or without modification).
- 2.4 For the purposes of the articles, "clear days" in relation to a period of notice excludes the day on which the notice is treated as given and the day of the meeting or other matter for which the notice is given and Model Article 41(5) shall apply as if the following words were deleted: "(that is, excluding the date of the adjourned meeting and the day on which the notice is given)-".

3 Company name

The name of the Company may be changed by:

- 3.1 special resolution of the members; or
- 3.2 otherwise in accordance with the Act.

4 Unanimous decisions of directors

- 4.1 Model Article 8(2) shall apply as if the words "copies of which have been signed by each eligible director" were deleted and replaced with the words "of which each eligible director has signed one or more copies".
- 4.2 References in Model Article 8 to eligible directors mean directors who would have been entitled to vote on the matter had it been proposed as a resolution at a directors' meeting excluding, in respect of the authorisation of a Conflict Situation, the director subject to that Conflict Situation. Model Article 8(3) shall not apply.

5 Quorum for directors' meetings

- 5.1 The quorum for directors' meetings may be fixed from time to time by a decision of the directors but, except as set out in Articles 5.2 and 5.3, it must never be less than two, and unless otherwise fixed it is two. Model Article 11(2) shall not apply.
- 5.2 At any time when there is only one director in office, the quorum for directors' meetings will be that one director (without prejudice to the powers of the sole director to take decisions without a meeting, as provided in Model Article 7(2)).

6 Chairman

The directors participating at a meeting of directors may appoint one of their number to act as Chairman. The Chairman shall not have a casting vote. Model Articles 12 and 13 shall not apply.

7 Conflicts of interest - Directors' authorisation, voting and counting in the quorum

- 7.1 If a Conflict Situation arises, the directors may authorise it for the purposes of section 175(4)(b) of the Act by a resolution of the directors made in accordance with that section and these Articles. At the time of the authorisation, or at any time afterwards, the directors may impose any limitations or conditions or grant the authority subject to such terms which (in each case) they consider appropriate and reasonable in all the circumstances. Any authorisation may be revoked or varied at any time at the discretion of the directors.

- 7.2 For the purposes of any directors' meeting (or part of a meeting) at which it is proposed to authorise a Conflict Situation in respect of one or more directors, if there is only one director in office other than the director or directors subject to the Conflict Situation, the quorum for such meeting (or part of a meeting) shall be that one director.

Unless a new record date for the adjourned meeting is fixed, the determination of stockholders of record entitled to notice or to vote at the meeting at which adjournment is taken shall apply to the adjourned meeting.

The presence of a stockholder who has filed a proxy shall not of itself constitute a revocation. The Board of Directors shall have the power and authority to make rules establishing presumptions as to the validity and sufficiency of proxies.

2.11. Voting of Shares by Certain Holders.

(a) Other Corporations. Shares standing in the name of another corporation may be voted either in person or by proxy, by the president of such corporation or any other officer appointed by such president. A proxy executed by any principal officer of such other corporation or assistant thereto shall be conclusive evidence of the signer's authority to act, in the absence of express notice to this corporation, given in writing to the Secretary of this corporation, of the designation of some other person by the board of directors or the bylaws of such other corporation.

may be voted proportionately, or according to the ownership interest as shown in the instrument filed with the Secretary of the corporation.

2.12. Waiver of Notice by Stockholders. Whenever any notice is required to be given to any stockholder of the corporation under the certificate of incorporation or bylaws or any provision of the Delaware General Corporation Law, a waiver thereof in writing, signed at any time, whether before or after the time of meeting, by the stockholder entitled to such notice, shall be deemed equivalent to the giving of such notice. ARTICLE I

DEFINED TERMS

Section 1.1 Definitions. Unless the context otherwise requires, the terms defined in this Article I shall, for the purposes of this Agreement, have the meanings herein specified.

"Act" means the Delaware Limited Liability Company Act (the "Act"), as amended from time to time.

“Board of Managers” means as defined in Section 6.1.

(c) the Gross Asset Value of any Company asset distributed to any Member shall be the gross fair market value of such asset on the date of distribution, as determined by the Board of Managers; and

(d) the Gross Asset Values of Company assets shall be adjusted to reflect any adjustments to the adjusted basis of such assets pursuant to Code Section 734(b) or Code Section 743(b), but only to the extent that such adjustments are taken into account in determining Capital Accounts pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m).

If the Gross Asset Value of an asset has been determined or adjusted pursuant to Paragraph (a) or Paragraph (b) above, such Gross Asset Value shall thereafter be adjusted by the Depreciation taken into account with respect to such asset for purposes of computing Profits and Losses.

“Gross Revenue” means the gross revenue of the Company for each Fiscal Year, or part thereof, arising from the ordinary course of the Company’s business. Gross revenue shall not include Capital Contributions or, unless otherwise agreed by the Board of Managers, any loan proceeds received by the Company.

Code (but including in taxable income or loss, for this purpose, all items of income, gain, loss or deduction required to be stated separately pursuant to Section 703(a)(1) of the Code), with the following adjustments:

(a) any income of the Company exempt from federal income tax and not otherwise taken into account in computing Profits or Losses pursuant to this definition shall be added to such taxable income or loss;

(b) any expenditures of the Company described in Section 705(a)(2)(B) of the Code (or treated as expenditures described in Section 705(a)(2)(B) of the Code pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(i)) and not otherwise taken into account in computing Profits or Losses pursuant to this definition shall be subtracted from such taxable income or loss;

(c) in the event the Gross Asset Value of any Company asset is adjusted in accordance with Paragraph (b) or Paragraph (c) of the definition of "Gross Asset Value" above, the amount of such adjustment shall be taken into account as gain or loss from the disposition of such asset for purposes of computing Profits or Losses;

(d) gain or loss resulting from any disposition of any asset of the Company with respect to which gain or loss is recognized for federal income tax purposes shall be computed by reference to the Gross Asset Value of the asset disposed of, notwithstanding that the adjusted tax basis of such asset differs from its Gross Asset Value;

Trade Secrets do not include any data or information that has been voluntarily disclosed to the public by the Company or that has been independently developed and disclosed by others, or that otherwise enters the public domain through lawful means.

“Transfer” means any transfer, assignment, sale, conveyance, hypothecation, license, lease, partition, pledge or grant of a security interest in a Member’s Units in the Company, and includes any “involuntary transfer” such as a sale of any part of the Units therein in connection with any bankruptcy or similar insolvency proceedings, or a divorce or other marital settlement involving any Member, or any other disposition or encumbrance of a Member’s Units. For purposes of this Agreement, any transfer, exchange or series of transfers (or exchanges), directly or indirectly, of the stock, partnership, member or other ownership interests of any Member that is a business organization or an entity (or any combination of such transfers or exchanges, whether direct or in connection with a merger, acquisition, sale, or similar reorganization or transaction, including issues of new stock or other ownership interests, or the exercise of options, warrants, debentures or other convertible instruments, or a redemption of other interests in the Member, and any similar transactions involving the stock or other ownership interests of such Member), the effect of which is that the Persons who owned at least fifty-one percent (51%) of the outstanding stock or other ownership interests in such Member at the time this Agreement is signed, no longer own at least fifty-one (51%) of such stock or other ownership interests, then a Transfer shall also be deemed to have occurred with regard to the Units owned by such Member.

ARTICLE IV

CAPITAL CONTRIBUTIONS, MEMBER INTERESTS,

CAPITAL ACCOUNTS AND FUTURE CAPITAL REQUIREMENTS

Section 4.1 Capital Contributions.

(a) As of the date hereof, the Members have made Capital Contributions to the Company in the amounts set forth on Schedule A hereto. Each Member shall initially have the Percentage Interest and the number of Units set forth on Schedule A hereto. In the event that the Board of Managers admits Additional Members, such Additional Members shall make Capital Contributions as determined by the Board of Managers at its sole discretion.

(b) No Member or Affiliate thereof shall receive any interest, return, compensation or drawing with respect to its Capital Contributions or its Capital Account or for services rendered or resources provided on behalf of the Company, except as otherwise specifically provided in this Agreement or except as otherwise determined by the Members or the Board of Managers in the case of compensation or reimbursements for services performed for the Company.

(c) No Member shall be required to lend any funds or make Capital Contributions to the Company to make any additional Capital Contributions to the Company. No Member shall have any personal liability for the repayment of any other Member's Capital Contribution.

Section 4.4 Capital Accounts.

(a) A separate Capital Account shall be established and maintained for each Member. The original Capital Account established for any Member who acquires Units by virtue of an assignment in accordance with the terms of this Agreement shall be in the same amount as and shall replace the Capital Account of the assignor of such Units, and, for purposes of this Agreement, such Member shall be deemed to have made the Capital Contributions made by the assignor of such Units (or made by such assignor's predecessor in interest). To the extent such Member acquires less than all of the Units of the assignor of the Units so acquired by such Member, the original Capital Account of such Member and its Capital Contributions shall be in proportion to the Units it acquires, and the Capital Account of the assignor who retains Units, and the amount of its Capital Contributions, shall be reduced in proportion to the Units it retains.

(b) The Capital Account of each Member shall be maintained in accordance with the following provisions:

(iii) in determining the amount of any liability for purposes of this Section 4.4(b), there shall be taken into account Section 752(c) of the Code and any other applicable provisions of the Code and the Treasury Regulations; and

(iv) provided that in the event that there are outstanding Options, the provisions of Proposed Treasury Regulation Section 1.704-1(b)(2)(iv)(h)(2) shall be applicable.

Section 4.5 Capital Accounts Generally.

(a) Except as otherwise provided in this Agreement, whenever it is necessary to determine the Capital Account of any Member for any purpose hereunder, the Capital Account of such Member shall be determined after giving effect to all adjustments provided for in Section 4.4 hereof for the current Fiscal Year in respect of transactions effected prior to the date such determination is to be made.

(b) No Member shall be entitled to withdraw any part of its Capital Account, or to receive any distribution from the Company except as specifically provided in this Agreement.

(a) The Board of Managers is authorized to cause the Company to issue Options to officers, directors, employees, consultants, independent contractors or other service providers of the Company or its Affiliates, in its sole discretion, pursuant to written agreements.

(b) Exercise of Options. In the event of the exercise of an Option, the exercising Person shall have a Capital Account equal to the exercise price of such Option plus the Profits or Losses allocated to the exercising Person in accordance with this Section 4.6. Upon exercise of an Option, the provisions of Proposed Treasury Regulation Section 1.704-1(b)(2)(iv)(h)(2) and (s) shall apply (or in the event that Proposed or Final Treasury Regulations applicable to compensatory options are promulgated, at the sole discretion of the Board, such Proposed or Final Treasury Regulations) to adjust the Capital Accounts of the Members so that the Capital Account of each Member equals the amount such Member would receive in the event all of the assets of the Company were sold for their Gross Asset Value, all of the liabilities of the Company were paid (including the payment for any outstanding Options) and the proceeds distributed in accordance with Section 13.4.

ARTICLE V

MEMBERS, MEETINGS AND AMENDMENTS

Section 5.1 Powers of Members. The Members shall have the power to exercise any and all rights or powers granted to the Members pursuant to the express terms of this Agreement including without limitation (a) the right to remove a member of the Board of Managers other than the Investor Board Members (as hereinafter defined) by a vote of the holders of not less than two-thirds of the Percentage Interests outstanding; or (b) the right by a vote of the holders of not less than a majority of the Percentage Interests outstanding to approve the merger or consolidation of the Company or any Subsidiary with any other Person, or the sale of all or substantially all the Property.

Section 5.2 Withdrawal of Members. Except as expressly provided in this Agreement, a Member may not withdraw from the Company prior to the dissolution and winding up of the Company. If a Member withdraws in violation of the foregoing prohibition, such Member shall not be entitled to receive any distributions and shall not otherwise be entitled to receive the fair market value of its Units except as otherwise expressly provided for in this Agreement.

Section 5.3 Meetings or Other Approvals of the Members. There shall be no regularly scheduled meetings of the Members. A special meeting of the Members may be held on the call of any Member or group of Members owning twenty percent (20%) or more of the outstanding Units of the Company. Unless otherwise waived in writing by all Members, such Members shall provide ten (10) days notice of the meeting, and the notice shall set forth the purpose or purposes of the special meeting. Only business within the purpose or purposes described in the notice may be conducted at a special meeting. Subject to any express provision of law or this Agreement, the presence, in person or by proxy, of Members holding a majority of the votes

shall constitute a quorum for the transaction of business at such meetings. Members may also agree to conduct such meetings by telephone conference.

Section 5.4 Additional Members.

(a) With the approval of the Board of Managers, in its sole discretion, the Company is authorized to admit any Person as an additional member of the Company (each, an "Additional Member" and collectively, the "Additional Members"). Each such Person shall be admitted as an Additional Member at the time such Person (i) executes this Agreement and (ii) is designated as a Member (with a corresponding Percentage Interest) on an amended or supplemental Schedule A hereto. Subject to compliance with paragraph (b) below, the Board of Managers may cause the issuance Units to an Additional Member in exchange for cash, property or services or any combination thereof, at the sole discretion of the Board of Managers.

(b) If the Company determines to issue any membership interests for the principal purpose of raising capital, then the Company shall first invite CS to provide a term sheet or other expression of interest with regard to the proposed transaction. CS shall have a period of up to fifteen business days to provide (or to cause one of its Affiliates to provide) such a term sheet or expression of interest, during which period the Company shall not take any action to receive or solicit proposals in respect of such a transaction from any third parties. For avoidance of doubt the Company (by vote of its Board of Managers) shall be free to reject any such proposal from CS for any reason or no reason and shall not be restricted from pursuing an alternative transaction (including one on similar or inferior terms compared to any proposed by CS). If the Company rejects such a proposal from CS (or if CS elects not to make such a proposal) then the Company shall have a period of up to 90 days to enter into a bona fide term sheet or 180 days to enter into a definitive agreement with regard to such a transaction. Following the expiration of such 90 or 180 day period, the Company's obligation under this paragraph (b) would be re-instated.

(c) Additional Members shall not be entitled to any retroactive allocation of the Company's income, gains, losses, deductions, credits or other items; provided that, subject to the restrictions of Section 706(d) of the Code, Additional Members shall be entitled to their respective share of the Company's income, gains, losses, deductions, credits and other items arising under contracts entered into before the effective date of the admission of any Additional Members to the extent that such income, gains, losses, deductions, credits and other items arise after such effective date. To the extent consistent with Section 706(d) of the Code and Treasury Regulations promulgated thereunder, the Company's books may be closed at the time Additional Members are admitted (as though the Company's tax year had ended) or the Company may credit to the Additional Members pro rata allocations of the Company's income, gains, losses, deductions, credits and items for that portion of the Company's Fiscal Year after the effective date of the admission of the Additional Members.

Section 5.5 Amendments. Any amendment to this Agreement or the Certificate shall be adopted and be effective as an amendment thereto if it receives the approval of the Board of Managers; except that (i) no amendment may affect the allocations or distributions of a Member without the written approval of such Member except as otherwise provided for in this Agreement

and (ii) no amendment may adversely affect CS, Chartered or Rodber in such a way as to discriminate against any of such Members compared to any of the other Members without the prior written approval of the affected Member.

Section 5.6 Confidentiality Obligations of Members. Each Member expressly covenants and agrees that neither such Member nor any of its Affiliates (to the extent any such Affiliate has received Confidential Information or Trade Secrets) will disclose, divulge, furnish or make accessible to anyone (other than the Company or any of its Affiliates or representatives) any Confidential Information or Trade Secrets, or in any way use any Confidential Information or Trade Secrets in the conduct of any business; provided, however, that nothing in this Section 5.6 will prohibit the disclosure of any Confidential Information or Trade Secrets (i) which is required to be disclosed by the Member or any such Affiliate in connection with any court action or any proceeding before any Authority; (ii) in connection with the enforcement of any of the rights of the Member hereunder; or (iii) in connection with the defense by the Member of any claim asserted against it hereunder; (iv) to its employees, agents and advisors who have a reasonable need to know such information and who are bound (either by duty or contract) to preserve the confidentiality of such information; or (v) with regard to Confidential Information but not Trade Secrets, to current or prospective investors, acquirors or transferees who reasonably require access to such information for evaluative purposes and who are bound by commercially reasonable non-disclosure agreement; provided, however, that in the case of a disclosure contemplated by clause (i), to the extent reasonably practicable no disclosure shall be made until the Member shall give notice to the Company of the intention to disclose such Confidential Information or Trade Secrets so that the Company may contest the need for disclosure, and the Member will cooperate (and will cause its Affiliates and their respective representatives to cooperate) with the Company in connection with any such proceeding.

Section 5.7 Drag-Along Right.

(a) In the event that Members holding a majority of the Units ("Transferring Member(s)") propose to Transfer Units representing at least a majority of the outstanding Units in one or more related transactions (a "Company Sale") to a bona fide third party purchaser (the "Proposed Purchaser"), then the Transferring Members shall have the right to require that the other Members (the "Drag-Along Sellers") sell their Units to the Proposed Purchaser on the same terms and conditions as are applicable to the proposed Transfer by the Transferring Member.

(b) The Transferring Members shall notify the Drag-Along Sellers in writing of such proposed Transfer (the "Company Sale Notice"). The Company Sale Notice shall set forth: (i) the name and address of the Proposed Purchaser; (ii) a copy of the written proposal pursuant to which a Company Sale will be effected containing all of the material terms and conditions thereof, including the number of Units proposed to be Transferred by the Transferring Members; (iii) the price to be paid (the "Drag-Along Purchase Price"); (iv) the terms and conditions of payment offered by the Proposed Purchaser; (v) that the Proposed Purchaser has been informed of the Drag-Along Right and has agreed to purchase the Units of the Drag-Along Sellers in accordance with the terms hereof and to be bound by such terms subsequent to such purchase; and (vi) the date and location of and procedures for selling the Units to the Proposed

Purchaser. The Drag-Along Right shall be exercised by delivery of a written notice to the Drag-Along Sellers.

(c) The closing of any purchase by the Proposed Purchaser under this Section 5.7 shall be held at the principal offices of the Company or at such other locations as the Transferring Members and the Proposed Purchaser shall agree, on the closing date set forth in the Company Sale Notice. At the closing of any purchase by the Proposed Purchaser, (i) the Drag-Along Sellers shall deliver their Units free and clear of all liens and encumbrances other than liens or encumbrances created pursuant to this Agreement accompanied by all other documents necessary for the effective transfer thereof; and (ii) the Proposed Purchaser shall deliver to the Drag-Along Sellers the Drag-Along Purchase Price for their Units in accordance with the terms and conditions set forth in the Company Sale Notice.

Section 5.8 Tag-Along Right

(a) If Member(s) ("Selling Member") holding more than twenty-five percent (25%) of the Units proposes to Transfer to any Proposed Purchaser any Units, then, as a condition precedent thereto, the Selling Member shall afford the other Members ("Participation Members") the right to participate in such transfer in accordance with this Section 5.8. The Selling Member shall give written notice to the Participation Members (a "Notice of Transfer") not less than ten (10) nor more than sixty (60) days prior to any proposed transfer. Each such Notice of Transfer shall include: (i) the name and address of the Proposed Purchaser; (ii) a copy of the written proposal pursuant to which a sale of the Units will be effected containing all of the material terms and conditions thereof, including the number of Units proposed to be Transferred by the Selling Member; (iii) the price to be paid (the "Tag-Along Purchase Price"); (iv) the terms and conditions of payment offered by the Proposed Purchaser; and (v) the date and location of and procedures for selling the Units to the Proposed Purchaser.

(b) Each Participation Member shall have the right to Transfer to the Proposed Purchaser that number of Units which is equal to (i) a fraction of which the numerator is such Participation Member's Percentage Interest (or, if a Participation Member shall elect, any lesser percentage) and the denominator is the Percentage Interests of all Participation Members electing to sell plus the Percentage Interest of the Selling Member times (ii) the number of Units proposed to be purchased, at the same price per Unit and on the same terms and conditions as are applicable to the proposed transfer by the Selling Member (and, if and to the extent a Participation Member shall exercise such right, then the Units to be transferred by the Selling Member shall be correspondingly reduced). A Participation Member must notify the Selling Member within twenty (20) days after receipt of the Notice of Transfer, if it desires to accept such offer and to Transfer any of its Units in accordance with this Section 5.8. The failure to provide such notice within such twenty (20) day period shall, for the purposes of this Section 5.8, be deemed to constitute an irrevocable waiver of the right to Transfer any Units in connection with the proposed transfer described in such Notice of Transfer. The Selling Member shall use all commercially reasonable efforts to obtain the agreement of the Proposed Purchaser to the participation of the Participation Members, if a Participation Member properly elects to participate in such proposed Transfer, and shall not consummate any such proposed Transfer

unless the Participation Members are permitted to participate in accordance with the provisions of this Section 5.8.

(c) The closing of any purchase by the Proposed Purchaser under this Section 5.8 shall be held at the principal offices of the Company or at such other locations as the Selling Member and the Proposed Purchaser shall agree, on the closing date set forth in the Company Sale Notice. At the closing of any purchase by the Proposed Purchaser, (i) each Participation Member shall deliver its Units that it is selling free and clear of all liens and encumbrances other than liens or encumbrances created pursuant to this Agreement accompanied by all other documents necessary for the effective transfer thereof; and (ii) the Proposed Purchaser shall deliver to the Participation Members the Tag-Along Purchase Price for such Units in accordance with the terms and conditions set forth in the Notice of Transfer.

Section 5.9 Preemptive Rights.

(a) Except with respect to the exercise of options to purchase Units or the issuance of Units to employees as compensation, and subject to compliance with Section 5.4(b), in the event of any proposed issuance of Units by the Company, the Company shall give all Members written notice ("Preemptive Rights Notice") stating the number of Units proposed to be issued and the terms of the proposed issuance of Units. Upon receiving the Preemptive Rights Notice, the Members shall have the right to elect to purchase that number of Units offered equal to their then current Percentage Interest times the number of Units proposed to be issued on the terms and conditions contained in the Preemptive Rights Notice, for a period of thirty (30) days from the date that the Members receive the Preemptive Rights Notice ("Election Period"). If any or all Members elect to exercise such preemptive rights, the closing of such purchases shall occur within fifteen (15) days after the expiration of the Election Period.

(b) If any or all of the Members fail to exercise their preemptive rights within the Election Period, the Units covered by the Preemptive Rights Notices that are not to be purchased by Members pursuant to this Section 5.9, may then be issued to Persons for exactly the same consideration and other terms and conditions provided therein; provided, however, that such Person acquiring the Units in question shall not become a Substitute Member unless he has been approved in such capacity under the provisions of Article VII.

ARTICLE VI

MANAGEMENT

Section 6.1 Management of the Company.

(a) The Company shall be managed by a Board of Managers. The initial members of the Board of Managers shall be James C. Wiandt, Donald Friedman, one person (the "Charter Designee") to be designated by Charter, initially Charles Stroller, one person (the "CS Designee") to be designated by CS, initially Phil Mackintosh, and a fifth member to be appointed by agreement of James C. Wiandt and Donald Friedman. The CS Designee and the Charter Designee are each sometimes referred to herein as an "Investor Board Member" and collectively

as the "Investor Board Members". Each member of the Board of Managers shall serve until he dies, resigns, is removed because he is Permanently Disabled, is removed by the Members (except that the Charter Designee may only be removed by Charter and the CS Designee may only be removed by CS), terminates employment with the Company (if now employed by the Company), or until a disposition of all of the Units owned by such member of the Board of Managers or his Affiliates (or CS or Charter, in the case of the CS Designee or Charter Designee) to other than a Permitted Transferee. Upon the death, resignation, removal or disability of a member of the Board of Managers, the Members shall elect a new member of the Board of Managers. In the event of the death, removal, resignation or disability of an Investor Board Member, the Members agree to vote their Units in favor of the individual designated by Charter or CS, as applicable, as the Investor Board Member to succeed the prior Investor Board Member.

(b) The Board of Managers may from time to time elect to increase the number of members of the Board of Managers; provided that such increase is approved by at least one of the Investor Board Members. Such additional members of the Board of Managers shall be selected by the then current Board of Managers.

(c) The authority to vote on management affairs and other actions affecting the Company shall be shared equally between the individuals serving as members of the Board of Managers. Except as otherwise specifically provided herein, the affirmative vote of a majority of the Board of Managers shall constitute approval of the matter being acted upon. If there should ever be two (2) members of the Board of Managers, the affirmative vote of both members of the Board of Managers shall constitute approval of the matter being acted upon. The Board of Managers shall meet as often as may be reasonably necessary, as determined in the reasonable discretion of James C. Wiandt. The actions of the Board of Managers, when taken in accordance with this Agreement, shall bind the Company.

(d) No decision of the Board of Managers shall be made except at a meeting duly called with at least one (1) day's written notice, specifying the agenda for the meeting (which notice may be waived by any of the Managers, and such notice and agenda requirements will be deemed to have been waived if the member of the Board of Managers participates in the meeting and has been provided with an agenda for the meeting, unless the member of the Board of Managers objects at the outset of such meeting). Meetings may be held telephonically whereby each of the members of the Board of Managers participating can hear each of the other members of the Board of Managers. Action by the Board of Managers may also be taken and represented by the written consent of the majority of the members of the Board of Managers. The Company's Secretary shall be responsible for taking minutes of the meetings and safekeeping them on behalf of the Company. In the case of an emergency, a meeting of the Board of Managers may be called without notice.

(e) The Board of Managers may appoint individuals with such other titles as it may select, including the titles of Chairman, President, Vice President, Treasurer and Secretary, to act on behalf of the Company, with such power and authority as the Board of Managers may delegate to any such Person.

(f) A member of the Board of Managers may resign at any time by giving at least three (3) days' written notice to all of the Members of the Company. Unless otherwise specified in such notice, the acceptance of such resignation shall not be necessary to make it effective. Any officer may be removed at any time, with or without cause, by the Board of Board of Managers and his replacement shall be selected and approved by the Members at the time of such removal.

(g) Effective on the date of this Agreement and for so long as Rodber is a Member, Rodber shall be entitled to appoint a representative (the "Observer") who shall be permitted to attend all meetings of the Board of Managers in a non-voting observer capacity (except as expressly provided herein), which observation right shall include the ability to participate in discussions of the Board of Managers, and shall provide such representative with copies of all notices, minutes, written consents, and other materials that it provides to members of the Board of Managers, at the time it provides them to such members. The observation right must be exercised in person. The Observer agrees that so long as he shall exercise his observation right (i) he shall hold in strict confidence all information and materials that he may receive or be given access to in connection with meetings of the Board of Managers and to act in a fiduciary manner with respect to all information so provided (provided that this shall not limit his ability to discuss such matters with his legal counsel, as necessary), and (ii) the Board of Managers may withhold from him certain information or material furnished or made available to the Board of Managers or exclude it from certain confidential "closed sessions" of the Board of Managers if the furnishing or availability of such information or material or its presence at such "closed sessions" would jeopardize the Company's attorney-client privilege or if the Board of Managers otherwise reasonably so requires.

(h) If at any time, Rodber, Graham Tuckwell or any of their Affiliates are not owners of equity or debt securities in any entity which the Company rates or otherwise covers in the course of the Company's business, and Rodber does so certify to the Board of Managers, Rodber shall have the right to appoint its representative to the Board of Managers and the Board of Managers shall take all steps reasonably necessary to effect such appointment. Notwithstanding the foregoing, if at any time Rodber, Graham Tuckwell or any of their Affiliates become the owner of equity or debt securities in any entity which the Company rates or otherwise covers in the course of the Company's business, the representative of Rodber shall immediately resign from the Board of Managers.

Section 6.2 Powers of the Board of Managers.

(a) Except as otherwise specifically provided in this Agreement or in any agreement to which the Company is a party, the Board of Managers shall have full, exclusive and complete discretion, right, power, and authority to manage, control and make all decisions affecting the business and affairs of the Company and to do or cause to be done any and all acts, at the expense of the Company on the terms provided herein, deemed by the Board of Managers to be necessary or appropriate to effectuate the business of the Company purposes and objectives of the Company as set forth in this Agreement.

(b) The following actions shall not be taken by the Company without the approval of the Board of Managers.

(i) Using the Company's or causing the use of a Subsidiary's funds or capital in any way other than for the Business;

(ii) Selling, exchanging, conveying, transferring or otherwise disposing of all or any part of any property held by the Company or causing the sale, exchange, conveyance, transfer or disposition of the property of any Subsidiary in excess of \$250,000.00 in a single or series of transactions;

(iii) Borrowing or raising monies through the issuance of Units or otherwise for the purposes of the Company or its Subsidiaries from any source and causing the Company or any Subsidiary to issue a promissory note (or any other evidence of indebtedness) and securing repayment thereof by pledging or granting a security interest in all or any part of the Company's assets, in excess of \$250,000.00 in a single or series of transactions, provided however, that the Company shall have the right without further approval of the Board of Managers to raise up to \$4,000,000 through the sale of Units at \$1,000 per Unit in the period ending December 31, 2010;

(iv) Entering into any single agreement or arrangement on behalf of the Company or causing any Subsidiary to enter into any single agreement or arrangement pursuant to which it would be reasonable to anticipate revenues or expenditures in excess of \$500,000.00 per annum;

(v) Settlement of any single claim in excess of \$250,000.00;

(vi) Approving the budget of the Company or causing any Subsidiary to approve its budget;

(vii) The issuance of options, restricted stock, phantom appreciation rights or any other incentive grants to acquire an aggregate of greater than 200,000 Units (or their equivalent) to employees and consultants of the Company; all of such options must have an exercise price equal to the fair market value of such Units at the time of grant as determined in accordance with Section 409A of the Code; or

(viii) The compensation of executive officers of the Company other than James C. Wiandt or Donald Friedman.

(c) Notwithstanding anything contained herein to the contrary, the approval by the Board of Managers of the annual compensation of James C. Wiandt and Donald Friedman shall require the approval of a majority of the members of the Board of Managers, including at least one of the Investor Board Members, and shall be consistent with the following: The Members and the Board of Managers acknowledge and agree that (i) the annual salaries of James C. Wiandt and Donald Friedman effective July 1, 2010 are \$270,000 and \$180,000, respectively, (ii) the annual salaries of James C. Wiandt and Donald Friedman effective January 1, 2011 will be \$330,000 and \$220,000, respectively, and (iii) in no event shall the annual salaries of James

C. Wiandt and Donald Friedman be in a ratio other than \$3 for James C. Wiandt and \$2 for Donald Friedman (as they are set forth in (i) and (ii) above).

(d) The following actions shall not be taken by the Company without the approval of at least one of the Investor Board Members.

(i) Acquiring substantially all the assets, equity or business of any Person (in a single transaction or series of related transactions) unless the aggregate consideration to be paid in respect of such acquisition does not exceed the greater of (x) \$2,500,000 or (y) 3.5 times the Company's EBITDA for the most recently completed fiscal year;

(ii) Incurring indebtedness for money borrowed in an aggregate excess of the greater of (x) \$2,500,000 or (y) two times the Company's EBITDA for the most recently completed fiscal year;

(iii) The adoption or amendment of any management equity plan other than adoption of a plan or plans providing for the issuance of options, restricted stock, phantom appreciation rights or any other incentive grants to acquire up to 200,000 Units (or their equivalent) to employees and consultants of the Company; or

(iv) The entry into, or amendment of the terms of, any transaction between the Company and any Member, manager or officer thereof (or their respective Affiliates and family members).

Section 6.3 No Management by Other Persons. Except as described in this Agreement or as authorized by further action of the Board of Managers, no Person other than the members of the Board of Managers and the duly appointed officers of the Company and its authorized employees and agents shall take part in the management, or the operation or control of the business and affairs of the Company. Except as expressly delegated by the Board of Managers or as required by the Act, no Person other than the Board of Managers and the duly appointed officers or other authorized agents of the Company shall be an agent of the Company or have any right, power or authority to transact any business in the name of the Company or to act for or on behalf of or to bind the Company.

Section 6.4 Reliance by Third Parties. Any Person dealing with the Company or the Board of Managers may rely upon a certificate signed by a member of the Board of Managers as to:

(a) the identity of the members of the Board of Managers;

(b) the existence or non-existence of any fact or facts which constitute a condition precedent to acts by the Board of Managers or in any other manner germane to the affairs of the Company;

(c) the Persons who are authorized to execute and deliver any instrument or document of or on behalf of the Company; or

(d) any act or failure to act by the Company or as to any other matter whatsoever involving the Company or any Member.

ARTICLE VII

ASSIGNABILITY OF MEMBER INTERESTS

Section 7.1 Assignability of Units. Except as otherwise provided in this Article VII, no Member may Transfer the whole or any part of its Units or any fractional or beneficial interest therein. In no event may a Member Transfer any Units, other than in accordance with Section 7.2, without the prior written consent of the Board of Managers. If a Member transfers Units in accordance with this Article VII, such Transfer shall, nevertheless, not entitle the assignee to become a Substitute Member or to be entitled to exercise or receive any of the rights, powers or benefits of a Member other than the right to receive distributions to which the assigning Member would be entitled, unless the assigning Member designates, in a written instrument delivered to the Board of Managers, its assignee to become a Substitute Member and the Board of Managers consents to the admission of such assignee as a Member; and provided further, that such assignee shall not become a Substitute Member without having first executed an instrument reasonably satisfactory to the Board of Managers which shall at a minimum include an acceptance and agreement by the Substitute Member to abide by all the terms and conditions of this Agreement. The Transfer shall be conditioned upon the Company receiving a fee from such assignee or the assigning Member sufficient to cover all reasonable expenses of the Company in connection with such assignee's admission as a Substitute Member.

Section 7.2 Permitted Transfers. Notwithstanding the foregoing, a Member shall be permitted to assign, at any time and from time to time, all or any part of his Units to a Permitted Assignee. For this purpose "Permitted Assignee" means with respect to a particular Member, a Person that is (i) a natural or adoptive lineal ancestor or descendent of such Member; (ii) a spouse, (iii) a trust, estate, guardianship or custodianship, including those established under any Uniform Gifts to Minors Act of any state, established for such Member or one or more Permitted Assignees of such Member; (iv) entities under the control of such Member and one or more other Permitted Assignees of such Member; or (v) an officer of the Company or any Affiliate of the Company. Without limiting the foregoing, if CS directly or indirectly transfers all of its Units to an investment fund (however structured) that is managed by Credit Suisse Securities (USA) LLC or any of its Affiliates, such investment fund shall be deemed a Permitted Assignee of CS.

(a) The subsequent Transfer of any Units by a Permitted Assignee shall be subject to the same restrictions of this Article VII in the same manner as if the Units to be Transferred was still owned by the Member from whom such Permitted Assignee acquired such Units; and for this purpose references herein to a Transfer by a Member (or a specific Member), shall include any Transfer by the Permitted Assignee(s) that acquired such Member's Units, and references to a specific Member by name shall include his Permitted Assignees.

(b) If a Member assigns all or a portion of his Units in the Company and the Permitted Assignee or other assignee thereof, as the case may be, is entitled to become a Substitute Member, such assignee shall be admitted to the Company effective immediately prior

to the effective date of the assignment (as set forth in Section 7.3 hereof), and, immediately following such admission, the assigning Member shall cease to be a Member of the Company to the extent of the portion of the Units assigned hereunder.

Section 7.3 Recognition of Assignment by Company or Other Members. No assignment, or any part thereof, that is in violation of this Article VII shall be valid or effective, and neither the Company nor the Board of Managers or any Member shall recognize the same for any purpose of this Agreement, including the purpose of making distributions of Net Cash Flow pursuant to this Agreement with respect to such Units or part thereof. Neither the Company nor the Board of Managers shall incur any liability as a result of refusing to make any such distributions to the assignee of any such invalid assignment.

Section 7.4 Effective Date of Assignment. Any valid assignment of a Member's Units, or part thereof, pursuant to the provisions of this Article VII shall be effective as of the close of business on the day preceding the closing of the transaction evidencing the assignment. The Company shall, from the effective date of such assignment, thereafter pay all further distributions on account of the Units (or part thereof), so assigned, to the assignee of such Units, or part thereof. As between any Member and its assignee, Profits and Losses for the Fiscal Year of the Company in which such assignment occurs shall be apportioned for federal income tax purposes in accordance with any convention permitted under Section 706(d) of the Code and selected by the Board of Managers.

Section 7.5 Right of First Refusal on Transfers.

(a) Except in the case of a Transfer to a Permitted Assignee, if a Member (a "Selling Member") proposes to Transfer any Units to another Person (the "Offered Units"), such Selling Member shall first provide written notice (the "Selling Member's Notice") of such offer to the Company and to all other Members specifying in reasonable detail the identity of the prospective transferee(s), the number of Units to be Transferred and the terms and conditions of the proposed Transfer, including the purchase price for such Units (the "Offering Price"). The Company shall forward each Selling Member's Notice to the other Members (the "Offeree Members") within three business days after its receipt of such Selling Member's Notice.

(b) During the 15-day period following the Company's receipt of a Selling Member's Notice (the "Company's Option Period"), the Company will have the right of first refusal to purchase all or any portion of the Offered Units from the Selling Member at the Offering Price and subject to the same material terms and conditions as described in the Selling Member's Notice. The Company may exercise such right of first refusal and, thereby, purchase all (or a portion) of the Offered Units by notifying the Selling Member in writing before the expiration of the Company Option Period as to the number of Offered Units it wishes to purchase (the "Company's Election Notice"). If the Company fails to purchase all of the Offered Units by exercising its right of first refusal in accordance with this Section 7.5(b), the Offered Units not so purchased shall be subject to the right of first refusal of the Offeree Members pursuant to Section 7.5(c). If the Company does not exercise its right of first refusal to purchase all of the Offered Units, the Company shall promptly give the Offeree Members written notice (the

“Second Option Notice”), which shall identify the Offered Units that the Company has declined to purchase (the “Rejected Units”).

(c) During the 60-day period commencing on the expiration of the Company Option Period (the “Offerees’ Option Period”), the Offeree Members will have the right of first refusal to purchase their pro rata share of the Rejected Units from the Selling Member at the same price and subject to the same material terms and conditions as described in the Selling Member’s Notice. If less than all of the Offeree Members desire to purchase the Rejected Units, those members desiring to purchase the Rejected Units shall have the right to purchase all remaining Rejected Units in a pro rata manner up to and including all remaining Rejected Units in the same proportion to the pro rata share that each owns as compared to the pro rata share owned by all Members desiring to purchase the remaining Rejected Units. The Offeree Members may exercise such right of first refusal and, thereby, purchase their pro rata share of the Rejected Units by notifying the Selling Member in writing before the expiration of the Offeree’s Option Period (an “Offeree’s Election Notice”).

(d) Payment of the purchase price for Offered Units will be made within 10 days after the latest of the Company’s Election Notice or an Offeree’s Election Notice, as the case may be, was provided and will be made for Offered Units purchased by the Company and the Offeree Members in cash or by check. If the Offering Price includes consideration other than cash, the cash equivalent value of the non-cash consideration will be determined by the Board of Managers in good faith, which determination will be binding upon all of the parties to such transaction, absent fraud.

Section 7.6 Limitations on Transfer. No Transfer of Units may be effectuated unless in the opinion of counsel satisfactory to the Board of Managers, the Transfer (a) would not result in the close of the Company’s tax year or the termination of the Company within the meaning of Section 708(b) of the Code; (b) would comply with the Securities Act of 1933 and applicable securities laws of any other jurisdiction; and (c) would not violate any other applicable laws.

ARTICLE VIII

DISTRIBUTIONS TO MEMBERS

Section 8.1 Net Cash Flow

(a) Subject to Section 8.1(b), Net Cash Flow shall be distributed at such times as determined by the Board of Managers. Except as otherwise provided in this Article VIII, all distributions of Net Cash Flow, other than upon a liquidation of the Company, shall be made to the Members in accordance with their Percentage Interests. The Company shall adjust subsequent distributions of Net Cash Flow to the Members as necessary to assure that the relative amounts of Net Cash Flow received in respect of operations or capital transactions in a particular Fiscal Year correspond with the Members’ Percentage Interests (as finally determined for such Fiscal Year in accordance with the definition of “Percentage Interest” in Article I hereof).

(b) Notwithstanding the foregoing, to the extent Net Cash Flow is available, the total distributions ("Minimum Distributions") to a Member for each Fiscal Year (and the 90-day period following such Fiscal Year) shall not be less than an amount equal to the product of (x) the Company's net taxable income allocated to such Member for such Fiscal Year and all prior Fiscal Years for federal income tax purposes other than as a result of the application of Section 704(c) of the Code, multiplied by (y) the highest marginal federal tax rate for an individual set forth in Section 1 of the Code plus the rate of tax for residents of the state of California, after taking into account the federal income tax deduction for such taxes, reduced by all prior distributions pursuant to this Section 8.1, regardless of the actual federal tax rates applicable to the Members. To the extent that such Minimum Distributions requirement increases the amount of distributed Cash Flow beyond the amount to which a Member would be entitled in the absence thereof, the excess portion shall be considered a prepayment of future distributions of Cash Flow allocable to such Member; provided that adjustments to any such future distributions to that Member shall not decrease his aggregate Cash Flow distributions below an amount necessary to meet the Minimum Distribution requirement for such Member for subsequent Fiscal Years. If upon termination of a Member's interest in the Company, such Member shall have received distributions pursuant to this Section 8.1(b) in excess of the Member's net tax liability as computed herein, such Member shall contribute such excess to the Company within ten (10) days of termination of his interest.

Section 8.2 Withholding. All amounts withheld pursuant to the Code or any provision of any foreign, state or local tax law or treaty with respect to any payment, distribution or allocation to the Company or the Members shall be treated as amounts distributed to the Members pursuant to this Article VIII for all purposes of this Agreement. The Board of Managers is authorized to withhold from distributions, or with respect to allocations, to the Members and to pay over to any federal, foreign, state or local government any amounts required to be so withheld pursuant to the Code or any provision of any other federal, foreign, state or local law or treaty and shall allocate such amounts to those Members with respect to which such amounts were withheld.

Section 8.3 Limitations on Distribution. Except as provided in this Agreement, no Member shall be entitled to any distribution of cash or other property from the Company. Except at the time of a liquidation pursuant to Article XIII, the Company shall not, without the prior written consent of CS, make any distribution to the Members other than from Net Cash Flow. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not make a distribution to any Member on account of its Units in the Company if such distribution would violate the Act or other applicable law.

ARTICLE IX

ALLOCATIONS

Section 9.1 Profits and Losses. All Profits and Losses from operations (as distinguished from gains or losses from a liquidation and winding up of the Company as described in Article XIII) for each Fiscal Year (or part thereof), as determined by the Company's accountants, shall be allocated as follows:

(a) Profits. After giving effect to the special allocations set forth this Article IX, Profits for each Fiscal Year shall be allocated in the following order and priority:

(i) First, among the Members in proportion to and in the reverse order to which any Losses were allocated to them pursuant to Section 9.1(b) below until the cumulative Profits allocated pursuant to this Section 9.1(a)(i) equal the cumulative Losses allocated pursuant to Section 9.1(b); and

(ii) Second, to the Members in accordance with their Percentage Interests, as finally calculated and determined as of the last day of such Fiscal Year (in accordance with the definition of "Percentage Interest" under Article I).

(b) Losses. After giving effect to the special allocations set forth this Article IX, Losses for each Fiscal Year shall be allocated in the following order and priority:

(i) First, to the extent that the balance in a Member's Capital Account exceeds its Unrecovered Capital (an "Excess Profit Balance"), in the same proportion that such Member's Excess Profit Balance bears to the Excess Profit Balances of all of the Members, until all of such Excess Profit Balances are reduced to zero;

(ii) Second, to the Members, in proportion to their positive Capital Account balances, until such balances shall be reduced to zero; and

(iii) The balance to the Members in accordance with their Percentage Interests, as finally calculated and determined as of the last day of such Fiscal Year (in accordance with the definition of "Percentage Interest" under Article I).

No Losses shall be allocated to any Member to the extent that such Losses would result in an Adjusted Capital Account Deficit. Any Losses disallowed under the foregoing sentence shall be reallocated among the remaining Members. "Adjusted Capital Account Deficit" means the Member has a deficit balance in its "Capital Account" after giving effect to any amounts the Member is obligated to contribute or restore to the Company pursuant to the penultimate sentences of Treasury Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5).

Section 9.2 Special Allocations. The following special allocations shall be made in the following order:

(a) Company Minimum Gain Chargeback. If there is a net decrease in Company Minimum Gain during a Company fiscal year so that an allocation is required by Treasury Regulations Section 1.704-2(f), then each Member shall be specially allocated items of income and gain for such year (and, if necessary, subsequent fiscal years) equal to such Member's share of the net decrease in Company Minimum Gain as determined by Treasury Regulations Section 1.704-2(g). Such allocations shall be made in a manner and at a time which will satisfy the minimum gain chargeback requirements of Treasury Regulations Section 1.704-2(f) and this Section shall be interpreted consistently therewith. "Company

Minimum Gain” shall have the meaning set forth in Treasury Regulations Sections 1.704-2(b)(2) and 1.704-2(d).

(b) Member Nonrecourse Minimum Gain Chargeback. If there is a net decrease in the Member Nonrecourse Debt Minimum Gain during any Company fiscal year, any Member who has a share of such Member Nonrecourse Debt Minimum Gain (as determined in the same manner as partner nonrecourse debt minimum gain under Treasury Regulations Section 1.704-2(i)(5)) shall be specially allocated items of income or gain for such year (and, if necessary, subsequent fiscal years) equal to such Member’s share of the net decrease in the Member Nonrecourse Debt Minimum Gain in the manner and to the extent required by Treasury Regulations Section 1.704-2(i)(4). This Section shall be interpreted in a manner consistent with such Treasury Regulations. “Member Nonrecourse Debt Minimum Gain” shall have the meaning set forth in Treasury Regulation Section 1.704-2(i)(3).

(c) Qualified Income Offset. If a Member unexpectedly receives an adjustment, allocation, or distribution described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5) or (6), any of which causes or increases an “Adjusted Capital Account Deficit” in such Member’s Capital Account, then such Member will be specially allocated items of income and gain in an amount and manner sufficient to eliminate such deficit balance created or increased by such adjustment, allocation, or distribution as quickly as possible; provided, however, an allocation pursuant to this Section 9.2(c) will be made if and only to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article IX have been tentatively made as if this Section 9.2(c) were not in the Agreement. For this purpose “Adjusted Capital Account Deficit” means the Member has a deficit balance in its “Capital Account” after giving effect to any amounts the Member is obligated to contribute or restore to the Company pursuant to the penultimate sentences of Treasury Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5).

(d) Allocation of Nonrecourse Liability Deductions. Deductions attributable to any Company Nonrecourse Liability shall be allocated among the Members in proportion to their respective Percentage Interests. “Company Nonrecourse Liability” has the meaning set forth in Treasury Regulations Section 1.704-2(b)(3)

(e) Member Nonrecourse Debt Deductions. Deductions attributable to any Member Nonrecourse Debt shall be allocated to the Member who bears the economic risk of loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Treasury Regulations Section 1.704-2(i)(1). “Member Nonrecourse Debt” has the meaning set forth in Treasury Regulations Section 1.704-1(b)(4).

(f) Advice of Accountants. Allocations made by the Board of Managers under this Section 9.2 in reliance upon the advice of the Company’s accountants shall be deemed to be made pursuant to any fiduciary obligation to the Company and the Members.

(g) Section 754 Election. To the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Code Section 734(b) or Code Section 743(b) is required, pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m), to be taken into account in

determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if such gain or loss increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Section of the Treasury Regulations.

(h) Imputed Interest. If any Member makes a loan to the Company, or the Company makes a loan to any Member, and interest in excess of the amount actually payable is imputed under Code Sections 7872, 483, or 1271 through 1288 or corresponding provisions of subsequent Federal income tax law, then any item of income or expense attributable to any such imputed interest shall be allocated solely to the Member who made or received the loan and shall be credited or charged to its Capital Account, as appropriate.

(i) Contributed Property. Income, gain, loss or deduction with respect to any property contributed by a Member shall, solely for tax purposes, be allocated among the Members, to the extent required by Code Section 704(c) and the related Treasury Regulations under Code Sections 704(b) and 704(c), to take account of the variation between the adjusted tax basis of such property and its Gross Asset Value at the time of its contribution to the Company. If the Gross Asset Value of any Company property is adjusted, as provided in Treasury Regulations Section 1.704-1(b)(2)(iv), then subsequent allocations of income, gain, loss and deduction and the gain asset value of such property shall be adjusted as provided in Code Section 704(c) and the related Treasury Regulations. If Code Section 704(c) and the Treasury Regulations thereunder allow alternative methods of making such acquired allocations, Board of Managers shall determine which alternative method to use. Allocations under this Section 9.2(i) are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Profits, Losses, or other items or distributions under any provision of this Agreement.

(j) Share of Excess Nonrecourse Liabilities. For purposes of calculating a Member's share of "excess nonrecourse liabilities" of the Company (within the meaning of Treasury Regulation Section 1.752-3(a)(3)), the Members intend that they be considered as sharing profits of the Company in proportion to their respective Percentage Interests.

(k) Curative Allocations. The allocations set forth in this Section 9.2 (collectively the "Regulatory Allocations") are intended to comply with certain requirements of Treasury Regulations Section 1.704-1 and Section 1.704-2. Notwithstanding any other provisions of this Article IX (other than the Regulatory Allocations), the Board of Managers shall, with the advice and assistance of the Company's tax accountants, take the Regulatory Allocations into account in allocating other Profits, Losses, and items of income, gain, loss, deduction and Code Section 705(a)(2)(B) expenditures among the Members so that, to the extent possible, the net amount of such allocations of other Profits, Losses, and other items and the Regulatory Allocations to each Member shall be equal to the net amount that would have been allocated to each such Member if the Regulatory Allocations had not occurred.

Section 9.3 Allocation and Other Rules.

(a) In the event Members are admitted to the Company pursuant to this Agreement on different dates, the Profits (or Losses) allocated to the Members for each Fiscal Year during which Members are so admitted shall be allocated among the Members in proportion to their Percentage Interests during such Fiscal Year in accordance with Section 706 of the Code, using any convention permitted by law and selected by the Board of Managers.

(b) For purposes of determining the Profits, Losses or any other items allocable to any period, Profits, Losses and any such other items shall be determined on a daily, monthly or other basis, as determined by the Board of Managers using any method that is permissible under Section 706 of the Code and the Treasury Regulations thereunder.

(c) Except as otherwise provided in this Agreement, all items of Company income, gain, loss, deduction and any other allocations not otherwise provided for shall be divided among the Members in the same proportions as they share Profits and Losses for the Fiscal Year in question.

(d) The Members are aware of the income tax consequences of the allocations made by this Article IX and hereby agree to be bound by the provisions of this Article IX in reporting their shares of Company income and loss for income tax purposes.

Section 10.5 Accounting Method. For both financial and tax reporting purposes and for purposes of determining Profits and Losses, the books and records of the Company shall be kept on such method of accounting as determined by the Board of Managers and shall reflect all Company transactions and be appropriate and adequate for the Company's business.

ARTICLE XI

Section 11.3 Member Tax Return Information. The Company, at its expense, shall cause to be delivered to each Member such information as shall be necessary (including a statement for that year of each Member's share of net income, net losses and other items of the Company) for the preparation by the Members of their Federal, state and local income and other tax returns.

Section 11.4 Tax Matters Representative.

(a) The "Tax Matters Member" of the Company for purposes of Section 6231(a)(7) of the Code shall be James C. ARTICLE XII

LIABILITY, EXCULPATION AND INDEMNIFICATION

Section 12.1 Liability.

(a) Except as otherwise provided by the Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Covered Person shall be obligated

personally for any such debt, obligation or liability of the Company solely by reason of being a Covered Person.

(b) Except as otherwise expressly required by law, a Member, in its capacity as Member, shall have no liability in excess of (i) the amount of its Capital Contributions; (ii) its share of any assets and undistributed profits of the Company; (iii) its obligation to make other payments expressly provided for in this Agreement; and (iv) the amount of any distributions wrongfully distributed to it.

Section 12.2 Exculpation.

(a) No Covered Person shall be liable to the Company or any other Covered Person for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of authority conferred on such Covered Person by this Agreement, except that a Covered Person shall be liable for any such loss, damage or claim incurred by reason of such Covered Person's gross negligence or willful misconduct.

(b) A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements presented to the Company by any Person as to matters the Covered Person reasonably believes are within such other Person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Company, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, Profits, Losses or Net Cash Flow or any other facts pertinent to the existence and amount of assets from which distributions to Members might properly be paid.

Section 12.3 Indemnification. To the fullest extent permitted by applicable law, a Covered Person shall be entitled to indemnification from the Company for any loss, damage or claim incurred by such Covered Person by reason of any act or omission performed or omitted by such Covered Person provided that: (i) any such action was undertaken in good faith on behalf of the Company and in a manner reasonably believed to be in, or not opposed to, the best interests of the Company; (ii) any such action was reasonably believed to be within the scope of authority conferred on such Covered Person by this Agreement; and (iii) with respect to any criminal action or proceeding, such Covered Person had no reasonable cause to believe his action or omission was unlawful, except that no Covered Person shall be entitled to be indemnified in respect of any loss, damage or claim incurred by such Covered Person by reason of gross negligence or willful misconduct with respect to such acts or omissions; provided, however, that any indemnity under this Section 12.3 shall be provided out of and to the extent of Company assets only (including the proceeds of any insurance policy obtained pursuant to Section 12.5 hereof), and no Covered Person shall have any personal liability on account thereof.

Section 12.4 Expenses. To the fullest extent permitted by applicable law, expenses (including legal fees) incurred by a Covered Person in defending any claim, demand, action, suit or proceeding shall, from time to time, be advanced by the Company prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Company of an

undertaking by or on behalf of the Covered Person to repay such amount if it shall be determined that the Covered Person is not entitled to be indemnified as authorized in Section 12.3 hereof.

Section 12.5 Insurance. The Company may purchase and maintain insurance, to the extent and in such amounts as the Board of Managers shall, in its sole discretion, deem reasonable, on behalf of Covered Persons and such other Persons as the Board of Managers shall determine, against any liability that may be asserted against or expenses that may be incurred by any such Person in connection with the activities of the Company or such indemnities, regardless of whether the Company would have the power to indemnify such Person against such liability under the provisions of this Agreement. The Board of Managers and the Company may enter into indemnity contracts with Covered Persons and such other Persons as the Board of Managers shall determine and adopt written procedures pursuant to which arrangements are made for the advancement of expenses and the funding of obligations under Section 12.4 hereof and containing such other procedures regarding indemnification as are appropriate.

Section 12.6 Payments to Third Parties. The Members shall indemnify and hold harmless each other in respect of payments to any third party for valid Company debts within the permitted scope of this Company that any Member makes in excess of its pro rata share thereof as determined in accordance with their Company Units existing at the time of the payment in question.

Section 12.7 Certain Liabilities. Each Member agrees to be liable for the Capital Contributions required to be made by such Member, and subject to the other provisions of this Agreement, in the event a Member becomes liable for any liabilities of the Company, the Members shall bear such liability in proportion to their then existing Company Units. Each Member agrees to indemnify and save harmless the other Member to the extent that any Member bears a disproportionate share of any such losses or liabilities of the Company. Notwithstanding the above, no Member shall be indemnified and held harmless by the other Members to the extent that such losses or liabilities arise from fraud, gross negligence, or dishonest conduct on the part of such Member.

Section 12.8 Acts Performed Outside the Scope of the Company. Each Member (the "Indemnitor") shall indemnify, defend, save and hold harmless the other Member (the "Indemnitee") from any and all claims, liabilities, demands, actions and rights of action that shall or may arise by virtue of any act or thing done or omitted to be done by the Indemnitor (directly or through agents or employees) outside the scope of, or in breach of, the terms of this Agreement; provided, however, that the Indemnitor shall be properly notified of the existence of the claim, demand, action or right of action, and shall be given reasonable opportunity to cure any act or omission causing liability, and participate in the defense thereof. The Indemnitee's failure to give such notice shall not affect the Indemnitor's obligations hereunder, except to the extent of any actual prejudice arising therefrom.

Section 12.9 Liability of Members to Company. Unless otherwise provided in this Agreement, no Member shall be liable to any the other Member or to the Company by reason of such Member's actions in connection with the Company, except in the event of a violation of any provision of this Agreement, fraud, gross negligence or dishonest conduct.

Section 12.10 Attorneys' Fees. All of the indemnities provided in this Agreement shall include reasonable attorneys' fees, including appellate attorneys' fees and court costs.

Section 12.11 Subordination of Other Rights to Indemnity. The interests of the Members in any proceeds of the Company by way of repayment of loans, return of any Capital Contributions, or any distributions from the Company, shall be subordinated to the right of Member to the indemnities provided by this Article XII.

Section 12.12 Survival of Indemnity Provisions. Except as otherwise specifically provided herein, all of the indemnity provisions contained in this Agreement shall survive a Member's ceasing to be a Member hereunder.

ARTICLE XIII

DISSOLUTION, LIQUIDATION AND TERMINATION

Section 13.1 No Dissolution. The Company shall not be dissolved by the admission of Additional Members or Substitute Members in accordance with the terms of this Agreement, or the withdrawal of a Member.

Section 13.2 Events Causing Dissolution. The Company shall be dissolved and its affairs shall be wound up upon the occurrence of any of the following events:

- (a) the determination of the Board of Managers;
- (b) at such time as there are no Members;
- (c) the entry of a decree of judicial dissolution under the Act; or
- (d) the sale or disposition of all or substantially all of the Property.

Notwithstanding the foregoing, the prior written consent of CS shall be required for any dissolution of the Company prior to August 17, 2011, if in such dissolution the proceeds that would be paid to CS would be less than \$1,500,000. From and after August 17, 2011, the preceding sentence shall be of no further force or effect.

Section 13.3 Notice of Dissolution. Upon the dissolution of the Company, the Board of Managers shall promptly notify the Members of such dissolution.

Section 13.4 Liquidation.

(a) Upon dissolution of the Company, the Board of Managers (in such capacity, the "Liquidating Trustee") shall carry out the winding up of the Company and shall immediately commence to wind up the Company's affairs; provided, however, that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of liabilities to creditors so as to enable the Members to minimize the normal losses attendant

upon a liquidation. The proceeds of liquidation shall be distributed in the following order and priority:

(i) first, to payment of all expenses and debts of the Company and setting up of such reserves as the Board of Managers reasonably deems necessary to wind up the Company's affairs and to provide for any contingent liabilities or obligations of the Company; provided that the unpaid principal of and interest on any loans made to the Company by Members (and their Affiliates), and by Members deemed to have made Deficiency Loans pursuant to Section 4.1 hereof, shall be distributed pro rata to the Members (and their Affiliates) who made such loans, in proportion to the total amount of principal and interest payable on such loans, such distributions being treated first as a payment of accrued interest on such loans and next as in payment of principal on such loans; and

(ii) second, the balance to the Members in accordance with the positive balances remaining in their Capital Accounts.

(b) Profits and Losses of the Company following the date of dissolution shall be determined in accordance with the provisions of this Agreement and shall be credited or charged to the Capital Accounts of the Members pursuant to Article IX in the same manner as Profits and Losses of the Company would have been credited or charged if there were no termination, dissolution and liquidation. Any taxable gain or any loss upon the sale, transfer, or other disposition of Company assets following the date of dissolution shall also be allocated to the Members in accordance with the allocation of Profits and Losses set forth in Article 9 in the same manner as Profits and Losses of the Company would have been credited or charged if there were no termination, dissolution and liquidation.

Section 13.5 Termination. The Company shall terminate when all of the assets of the Company, after payment of or due provision for all debts, liabilities and obligations of the Company, shall have been distributed to the Members in the manner provided for in this Article XIII and the Certificate shall have been canceled in the manner required by the Act.

Section 13.6 Claims of the Members or Third Parties. The Members and former Members shall look solely to the Company's assets for the return of their Capital Contributions, and if the assets of the Company remaining after payment of or due provision for all debts, liabilities and obligations of the Company are insufficient to return such Capital Contributions, the Members and former Members shall have no recourse against the Company or any other Member; provided, however, that nothing contained herein shall be deemed to limit the rights of a Member under applicable law. In the event any Member has a deficit balance in its Capital Account at the time of the Company's dissolution, it shall not be required to restore such account to a positive balance or otherwise make any payments to the Company or its creditors or other third parties in respect of such deficiency.

Section 13.7 Distributions In-Kind. If any assets of the Company shall be distributed in kind, such assets shall be distributed to the Member(s) entitled thereto as tenants-in-common in the same proportions as such Member(s) would have been entitled to cash distributions if (i) such

assets had been sold for cash by the Company at the fair market value of such property (taking the Gross Asset Value definition herein and Code Section 7701(g) into account) on the date of distribution; (ii) any unrealized income, gain, loss and deduction inherent in such property (that has not been reflected in the Capital Accounts previously) that would be realized by the Company from such sale were allocated among the Member(s) as Profits or Losses in accordance with this Agreement; and (iii) the cash proceeds were distributed to the Member(s) in accordance with this Article XIII. The Capital Accounts of the Member(s) shall be increased by the amount of any unrealized income or gain inherent in such property or decreased by the amount of any loss or deduction inherent in such property that would be allocable to them, and shall be reduced by the fair market value of the assets distributed to them under the preceding sentence.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Notices. All notices provided for in this Agreement shall be in writing, duly signed by the party giving such notice, and shall be delivered, telecopied or mailed by registered or certified mail or by recognized overnight delivery or courier service (e.g., Federal Express), as follows:

(b) if given to any Member, at the address such Member may hereafter designate by written notice to the Company.

Section 14.2 Failure to Pursue Remedies. The failure of any party to seek redress for violation of, or to insist upon the strict performance of, any provision of this Agreement shall not prevent a subsequent act, which would have originally constituted a violation, from having the effect of an original violation.

Section 14.3 Cumulative Remedies. The rights and remedies provided by this Agreement are cumulative and the use of any one right or remedy by any party shall not preclude or waive its right to use any or all other remedies. Said rights and remedies are given in addition to any other rights the parties may have by law, statute, ordinance or otherwise.

Section 14.4 Binding Effect. This Agreement shall be binding upon and inure to the benefit of all of the parties and, to the extent permitted by this Agreement, their successors, legal representatives and assigns.

All references herein to "Articles," "Sections" and "Paragraphs" shall refer to corresponding provisions of this Agreement.

Section 14.6 Severability. The invalidity or unenforceability of any particular provision of this Agreement shall not affect the other provisions hereof, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision were omitted.

Section 14.7 Counterparts. This Agreement may be executed in any number of counterparts with the same effect as if all parties hereto had signed the same document. All counterparts shall be construed together and shall constitute one instrument.

Section 14.8 Integration. This Agreement constitutes the entire agreement among the parties hereto pertaining to the subject matter hereof and supersedes all prior agreements and understandings pertaining thereto.

Section 14.9 Governing Law. This Agreement and the rights of the parties hereunder shall be interpreted in accordance with the laws of the State of Delaware, and all rights and remedies shall be governed by such laws without regard to principles of conflict of laws.

Section 14.10 Dealings in Good Faith; Best Efforts. Except as otherwise expressly set forth herein, each party hereto agrees to act in good faith with respect to the other party in exercising its rights and discharging its obligations under this Agreement. Each party further agrees to use its best efforts to ensure that the purposes of this Agreement are realized and to take all steps as are reasonable in order to implement the operational provisions of this Agreement. Each party agrees to execute, acknowledge, if necessary, deliver and file any document or instrument necessary or advisable to realize the purposes of this Agreement.

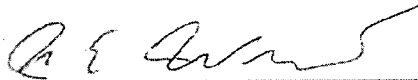

Section 14.11 Partition of the Property. Each Member agrees that it shall have no right to partition the Property, or any portion thereof, and each Member agrees that it shall not make application to any court or authority having jurisdiction in the matter to commence or prosecute any action or proceeding for partition of the Property, or any portion thereof. Upon the breach of this Section by any Member, the other Member, in addition to all other rights and remedies in law and equity, shall be entitled to a decree or order dismissing application, action or proceeding.

Section 14.12 Third Party Beneficiaries. Nothing expressed or implied in this Agreement is intended or shall be construed, to confer upon or give any person, firm or corporation other than the parties hereto, any rights, remedies, obligations or liabilities under or by reason of this Agreement, or result in their being deemed a third party beneficiary of this Agreement.

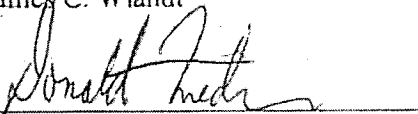

Section 14.13 Tax Disclosure Authorization. Notwithstanding anything herein to the contrary, the Member (and each Affiliate and Person acting on behalf of any Member) agree that each Member (and each employee, representative, and other agent of such Member) may disclose to any and all Persons, without limitation of any kind, the transaction's tax treatment and tax structure (as such terms are used in Sections 6011 and 6112 of the Code and the Treasury Regulations thereunder) contemplated by this agreement and all materials of any kind (including opinions or other tax analyses) provided to such Member or such Person relating to such tax treatment and tax structure, except to the extent necessary to comply with any applicable federal or state securities laws.

User Agreement

This User Agreement (this "Agreement"), with an effective date as of the date executed on the signature page hereof, is made by and between Bats BZX Exchange, Inc., a Delaware corporation, with its principal offices at 8050 Marshall Drive, Suite 120, Lenexa, Kansas 66214 ("Exchange"), and the user referenced below ("User").

1. **Term of the Agreement.** This Agreement will continue until terminated pursuant to the terms of this Agreement.

2. **Services.** Subject to the terms and conditions of this Agreement, User will have the right to access Exchange to enter orders on Exchange, receive status updates on orders, cancel orders, and execute trades against orders on the Exchange limit order book (collectively, the "Services"). User acknowledges and agrees that nothing in this Agreement constitutes an understanding by Exchange to continue any aspect in its current form. Exchange may from time to time make additions, deletions or modifications to the Services. User acknowledges and agrees that Exchange may temporarily or permanently, unilaterally condition, modify or terminate the right of any individuals or entities to access, receive or use Exchange in accordance with Certificate of Incorporation, Bylaws, Rules and Procedures of Exchange, as amended from time to time (the "Exchange Rules"). In the event of a conflict between the Exchange Rules and this Agreement, the Exchange Rules shall prevail. Exchange reserves the right to modify or change the Services provided Exchange notifies User prior to the effectiveness of the modification and User's continued use of the Services following the modification will constitute User's acceptance of the modification.

3. **Compliance.** Except as otherwise provided herein, with respect to all orders submitted to Exchange by User, it is the sole responsibility of User to ensure compliance, by itself, its customers and its representatives, with all applicable United States federal and state laws, rules, and regulations as well as those of FINRA or any other self-regulatory organization of which the User is a member to the extent applicable to User. User represents and warrants that: (i) it will use Exchange only if and when it is duly authorized to use Exchange pursuant to the Exchange Rules; (ii) it agrees to be bound by, and will only use Exchange in compliance with, Exchange Rules; (iii) it is and will remain responsible for its use of Exchange and the use of Exchange by any of its employees, customers or agents or, if User is a member of Exchange, by any person which has entered into a sponsorship arrangement with User to use Exchange (a "Sponsored Participant"); (iv) it will maintain and keep current a list of all authorized traders who may obtain access to Exchange on behalf of User and/or any Sponsored Participant(s); and (v) it will familiarize User's authorized traders with all of User's obligations under this Agreement and will assure that they receive appropriate training prior to any use of or access to Exchange.

4. **Monitoring.** User acknowledges and agrees that Exchange will monitor the use of Exchange by User for compliance with all applicable laws and regulations, including, without limitation, Exchange Rules. User acknowledges its responsibility to monitor its employees, agents and customers for compliance with Exchange Rules, the rules and regulations of any self-regulatory organizations of which User is a member and all applicable federal and state laws.

5. **Settlement of Transactions.** User agrees that it is User's absolute, unconditional, and unassignable obligation, in connection with each securities transaction effected by User on Exchange to ensure the timely delivery of the subject securities and/or funds as well as any required remittance of interest, dividend payments and/or other distributions in compliance with applicable laws and rules, including, without limitation, relevant rules under the Securities Exchange Act of 1934, as amended (the "Act") as well as the rules of any qualified clearing agency. User will promptly notify Exchange in writing upon becoming aware of any material change in or to User's clearing arrangements. Exchange retains the right to break any trade without liability to User or any of User's customers in accordance with the Exchange's Clearly Erroneous Executions Rule (Exchange Rule 11.17, as may be amended or re-numbered from time to time).

6. **Sponsored Participants.** Notwithstanding Exchange's execution and delivery to User of a copy of this Agreement, if User is a Sponsored Participant, and not a member of Exchange, as a condition to initiating and continuing access to Exchange, User must enter into and maintain customer agreements with one or more sponsoring members of Exchange establishing proper relationship(s) and account(s) through which User may trade on Exchange. Such customer agreement(s) must incorporate the sponsorship provisions set forth in Exchange Rules.

7. **Connectivity.** User is solely responsible for providing and maintaining all necessary electronic communications with Exchange, including, wiring, computer hardware, software, communication line access, and networking devices.

8. **Market Data.** User hereby grants to Exchange a non-exclusive, non-assignable, non-transferable, worldwide, irrevocable license to receive and use information and data that User or User's agent enters into Exchange ("User's Data") for the following purposes: for performing self-regulatory functions; for internal commercial purposes (i.e., purposes that do not include disclosing, publishing, or distributing outside of Exchange); and for use within Exchange market data products (i.e., products that include disclosure, publication, or distribution to third parties), provided that: (i) such market data products are provided in an aggregate manner that does not directly or indirectly identify User as the source of the information; and (ii) fees for any such market data product are filed with the Securities and Exchange Commission ("SEC") in accordance with the requirements of Section 19 of the Act. Subject to the foregoing license, as between Exchange and User, User retains all ownership and other rights associated with User's Data. No provision in this Agreement shall impair any right, interest, or use of User's Data granted by operation of SEC rules or any other rule or law. User represents and warrants that, with respect to User's Data: (i) User owns or has sufficient rights in and to User's Data to authorize Exchange to use User's Data to perform all obligations under this Agreement with respect thereto; (ii) use or delivery of User's Data by User or Exchange will not violate the proprietary rights (including, without limitation, any privacy rights) of any party; and (iii) use or delivery of User's Data by User or Exchange will not violate any applicable law or regulation.

9. **Restrictions on Use; Security.** Unless otherwise required by law, User may not sell, lease, furnish or otherwise permit or provide access to Exchange to any other entity or to any individual that is not User's employee, customer, agent or Sponsored Participant. User accepts full responsibility for its employees', customers', agents' and Sponsored Participants' use of Exchange, which use must comply with Exchange Rules and the User's obligations under this Agreement. User will take reasonable security precautions to prevent unauthorized use of or access to Exchange, including unauthorized entry of information into Exchange, or the information and data made available therein. User understands and agrees that User is responsible for any and all orders, trades and other messages and instructions entered, transmitted or received under identifiers, passwords and security codes of User's authorized traders, and for the trading and other consequences thereof, except in the event of willful misconduct, fraud or a breach of this Agreement by Exchange that results in unauthorized access by other parties. User may not sell, lease, furnish or otherwise permit or provide access to any data feed containing quotation or trade information from Exchange ("Exchange Data") to any other person or to any other office or place unless it signs and complies with a separate Bats Global Markets, Inc. Data Agreement. Each party shall install and maintain at all times during the term of this Agreement a corporate "firewall" protecting its computer network in accordance with commercially reasonable specifications and standards. Exchange shall not include in the operation of Exchange or the Services provided under this Agreement any computer code designed to disrupt, disable, harm, or otherwise impede in any manner, including aesthetic disruptions or distortions, the operation of User's computer system, or any other associated software, firmware, hardware, computer system or network (sometimes referred to as "viruses" or "worms"), or that would disable such system or impair in any way its operation based on the elapsing of a period of time, advancement to a particular date or other numeral (sometimes referred to as "time bombs", "time locks", or "drop dead" devices), or any other similar harmful, malicious or hidden programs, procedures, routines or mechanisms which would cause such programs to cease functioning, or provide or allow unauthorized access to the User's system, or to damage or corrupt data, storage media, programs, equipment or communications, or otherwise interfere with operations. In addition, Exchange shall implement a commercially reasonable method to intercept and block or delete any such viruses, worms, time bombs, time locks, drop dead devices or other malicious or harmful programs, procedures, routines or mechanisms, and carry out on a regular basis, no less frequently than monthly, and more frequently as reasonably required, a commercially reasonable method to scan its computer system and eliminate from it any such malicious or harmful programs, procedures, routines or mechanisms.

10. Information.

(a) **Confidentiality.** Both parties acknowledge that: (i) Exchange and the information and data made available therein, incorporate confidential and proprietary information developed, acquired by or licensed to Exchange; and (ii) each party may receive or have access to other proprietary or confidential information disclosed and reasonably understood as confidential by the disclosing party (collectively, the "Information"). The receiving party will use the disclosing party's Information solely to perform its obligations under this Agreement. The receiving party will take all precautions necessary to safeguard the confidentiality of the disclosing party's Information, including without limitation: (i) those taken by the receiving party to protect its own confidential information; and (ii) those which the disclosing party may reasonably request from time to time. Exchange will not disclose the identity of User or User's customers to any of its other members or to any third parties in connection with orders, trades and other messages and instructions entered or executed by User on Exchange, except as required by a court or regulatory or self-regulatory authority with jurisdiction over Exchange or User, or to facilitate the clearance and settlement of a trade, or with written permission from User.

(b) **Disclosure.** The receiving party will not disclose, in whole or in part, the disclosing party's Information to any person, except as specifically authorized under this Agreement. User may not disclose any data or compilations of data made available to User by Exchange without the express, prior written authorization of Exchange. The receiving party may also disclose Information in accordance with its regulatory obligations.

(c) **Unauthorized Use or Disclosure.** The parties acknowledge that any unauthorized use or disclosure of the disclosing party's Information may cause irreparable damage to the disclosing party. If an unauthorized use or disclosure occurs, the receiving party will immediately notify the disclosing party and take at its expense all steps necessary to recover the disclosing party's Information and to prevent its subsequent unauthorized use or dissemination, including availing itself of actions for seizure and injunctive relief. If the receiving party fails to take these steps in a timely and adequate manner, the disclosing party may take them at the receiving party's expense, and the receiving party will provide the disclosing party with its reasonable cooperation in such actions that the disclosing party may request.

(d) **Limitation.** The receiving party will have no confidentiality obligation with respect to any portion of the disclosing party's Information that: (i) the receiving party independently developed before receiving the Information from the disclosing party; (ii) the receiving party lawfully obtained from a third party under no obligation of confidentiality; (iii) is or becomes available to the public other than as a result of an act or omission of the receiving party or any of its employees; or (iv) the receiving party is compelled to disclose by law, regulation or legal process provided by a court of competent jurisdiction or other governmental entity to whose jurisdiction the receiving party is subject.

11. Clearly Erroneous Trade Policy. User has read and agrees to the terms stipulated in Exchange Rule 11.17 (Clearly Erroneous Executions), as Exchange may amend or re-number from time to time.

12. Corporate Names; Proprietary Rights. Exchange and User each acknowledge and agree that Exchange and User each have proprietary rights in their respective trade names, trademarks, service marks, logos, copyrights and patents, registered or unregistered (collectively, the "Marks"). Exchange and User each agree that they shall not use the other party's Marks in any way that would infringe upon the rights of the other Party. Further, this Agreement shall not grant either party the right to use the other party's Marks in any marketing, promotional or other materials without the prior review and written consent of the other party.

13. Fees. By signing this Agreement, User agrees to make timely payment of all system usage fees, as may be set forth in Exchange Rules or posted on Exchange's web site, as well as any applicable late fees for the failure to make payment within the required time period. Fees are payable within 30 days of the invoice date. User will be solely responsible for any and all telecommunications costs and all other expenses incurred in linking to, and maintaining its link to, Exchange. Failure to make payments within 30 days from the invoice date may result in suspension or termination of Services. User agrees to pay Exchange a late charge in the amount of 1% per month on all past due amounts that are not the subject of a legitimate and bona fide dispute. Subject to the Act, Exchange reserves the right to change its fee schedule with 48 hours prior notice to User (delivered via e-mail and posted to the Exchange web site). The provisions of this Section will survive the termination of this Agreement.

14. DISCLAIMER OF WARRANTY. THE SERVICES ARE PROVIDED AS-IS, WITHOUT WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED CONDITIONS OR WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM TRADE USAGE, COURSE OF DEALING OR COURSE OF PERFORMANCE, AND OF ANY OTHER WARRANTY OR OBLIGATION WITH RESPECT TO THE SYSTEM OR ANY SOFTWARE OR OTHER MATERIALS MADE AVAILABLE TO USER AND ALL SUCH OTHER WARRANTIES ARE HEREBY DISCLAIMED. THERE IS NO GUARANTY THAT THE SERVICES PROVIDED BY EXCHANGE WILL MEET THE USER'S REQUIREMENTS, BE ERROR FREE, OR OPERATE WITHOUT INTERRUPTION. EXCHANGE GIVES NO WARRANTIES OF ANY KIND AS TO THE FITNESS, CAPACITY, OR CONDUCT OF ANY OTHER PERSON HAVING ACCESS TO EXCHANGE AND SHALL NOT BE HELD LIABLE TO OR THROUGH USER OR OTHERWISE FOR ANY USE OR ABUSE WHATSOEVER OF EXCHANGE BY ANOTHER PERSON HAVING ACCESS TO EXCHANGE, INCLUDING, WITHOUT LIMITATION, ANY FAILURE TO CONCLUDE TRANSACTIONS OR OBSERVE APPLICABLE MARKET REGULATIONS OR CONVENTIONS OR TO PAY REQUISITE TAXES OR OTHER CHARGES ON ANY TRANSACTIONS OR TO OTHERWISE ACT LAWFULLY.

15. NO LIABILITY FOR TRADES. ABSENT FRAUD OR WILLFUL MISCONDUCT BY EXCHANGE OR A CLAIM ARISING OUT OF EXCHANGE'S INDEMNIFICATION OBLIGATION, USER UNDERSTANDS AND AGREES THAT: (i) EXCHANGE IS NOT DIRECTLY OR INDIRECTLY A PARTY TO OR A PARTICIPANT IN ANY TRADE OR TRANSACTION ENTERED INTO OR

OTHERWISE CONDUCTED THROUGH EXCHANGE; AND (ii) EXCHANGE IS NOT LIABLE IN ANY MANNER TO ANY PERSON (INCLUDING WITHOUT LIMITATION USER AND ANY PERSON FOR WHOM USER IS AUTHORIZED TO TRADE OR ACT) FOR THE FAILURE OF ANY PERSON ENTERING INTO A TRADE OR TRANSACTION BY MEANS OF EXCHANGE TO PERFORM SUCH PERSON'S SETTLEMENT OR OTHER OBLIGATIONS UNDER SUCH TRADE OR TRANSACTION. ABSENT FRAUD OR WILLFUL MISCONDUCT BY EXCHANGE OR A CLAIM ARISING OUT OF EXCHANGE'S INDEMNIFICATION OBLIGATION, NEITHER EXCHANGE, NOR ANY OF ITS AGENTS, AFFILIATES OR LICENSORS WILL BE LIABLE FOR ANY LOSSES, DAMAGES, OR OTHER CLAIMS, ARISING OUT OF EXCHANGE OR ITS USE AND ANY LOSSES, DAMAGES, OR OTHER CLAIMS, RELATED TO A FAILURE OF EXCHANGE TO DELIVER, DISPLAY, TRANSMIT, EXECUTE, COMPARE, SUBMIT FOR CLEARANCE AND SETTLEMENT, OR OTHERWISE PROCESS AN ORDER, MESSAGE, OR OTHER DATA ENTERED INTO, OR CREATED BY, EXCHANGE WILL BE ABSORBED BY THE USER THAT ENTERED THE ORDER, MESSAGE OR OTHER DATA INTO EXCHANGE. NOTWITHSTANDING THE FOREGOING, EXCHANGE MAY BE LIABLE TO USER TO THE EXTENT SUCH LIABILITY ARISES BASED ON THE EXCHANGE RULE CURRENTLY NUMBERED 11.16 (LIMITATION OF LIABILITY), AS SUCH RULE MAY BE AMENDED OR RE-NUMBERED FROM TIME TO TIME.

16. NO CONSEQUENTIAL DAMAGES. ABSENT FRAUD OR WILLFUL MISCONDUCT BY EXCHANGE OR A CLAIM ARISING OUT OF EXCHANGE'S INDEMNIFICATION OBLIGATION, UNDER NO CIRCUMSTANCES WILL EXCHANGE OR ITS AGENTS, AFFILIATES OR LICENSORS BE LIABLE FOR ANY LOSS, DAMAGE, CLAIM OR EXPENSE, INCLUDING WITHOUT LIMITATION ANY DIRECT, CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE OR INCIDENTAL DAMAGES OR LOST PROFITS, WHETHER FORESEEABLE OR UNFORESEEABLE, BASED ON USER'S CLAIMS OR THE CLAIMS OF ITS CUSTOMERS, EMPLOYEES OR AGENTS (INCLUDING, BUT NOT LIMITED TO, CLAIMS FOR LOSS OF DATA, GOODWILL, USE OF MONEY OR USE OF EXCHANGE, INTERRUPTION IN USE OR AVAILABILITY OF EXCHANGE, STOPPAGE OF OTHER WORK OR IMPAIRMENT OF OTHER ASSETS), ARISING OUT OF BREACH OR FAILURE OF EXPRESS OR IMPLIED WARRANTY, BREACH OF CONTRACT, MISREPRESENTATION, NEGLIGENCE, STRICT LIABILITY IN TORT OR OTHERWISE. THIS SECTION WILL NOT APPLY ONLY WHEN AND TO THE EXTENT THAT APPLICABLE LAW SPECIFICALLY REQUIRES LIABILITY, DESPITE THE FOREGOING EXCLUSION AND LIMITATION. NOTWITHSTANDING THE FOREGOING, EXCHANGE MAY BE LIABLE TO USER TO THE EXTENT SUCH LIABILITY ARISES BASED ON THE EXCHANGE RULE CURRENTLY NUMBERED 11.16 (LIMITATION OF LIABILITY), AS SUCH RULE MAY BE AMENDED OR RE-NUMBERED FROM TIME TO TIME.

17. Indemnification by User. User agrees to indemnify and hold harmless Exchange, its owners, subsidiaries, affiliates, officers, directors, employees, agents, and any related persons and entities, from and against all expenses and costs and damages (including any reasonable legal fees and expenses), direct, consequential, and/or incidental in nature, claims, demands, proceedings, suits, and actions, and all liabilities resulting from, in connection with, or arising out of any failure by User, for any reason, fraudulent, negligent or otherwise, to comply with its obligations under this agreement and for any loss or claim which may arise from a claim that one or more trades or orders in securities placed by User with Exchange were in violation of any state or federal securities law or Exchange Rules unless such expenses, costs, damages, claims, demands, proceedings, suits, actions, or liabilities arise from Exchange's willful misconduct, fraud or breach of Exchange's obligations under this Agreement.

18. Indemnification by Exchange. Exchange agrees to indemnify, defend and hold harmless User and its subsidiaries, affiliates and its and their respective officers, directors, employees, and agents from and against all expenses and costs and damages (including any legal fees and expenses), direct, consequential, and/or incidental in nature, claims, demands, proceedings, suits, and actions, and all liabilities resulting from, in connection with, or arising out of any third party claim that Exchange or the Services, or User's use thereof, infringes any copyright, patent, trademark, trade secret or other intellectual property right.

19. Termination. User or Exchange may terminate this Agreement or any part of the Services upon 30 days written notice to the other party. In addition, Exchange may suspend or terminate the Services to User immediately if it determines, in Exchange's sole reasonable determination, that: (i) User has breached any material term of this Agreement; (ii) User is engaged in activities that Exchange determines to be detrimental to Exchange or its members; (iii) User poses a credit risk to Exchange; (iv) User is selling, leasing, furnishing or otherwise permitting or providing access to Exchange Data without the prior approval of Exchange; (v) User has violated any Exchange Rules; or (vi) User ceases to be a member in good standing with Exchange. Upon the termination of this Agreement for any reason, all rights granted to User hereunder will cease. The following Sections will survive the termination or expiration of this Agreement for any reason: 8, 9, 10, 12, 13, 14, 15, 16, 17, 18, 19, 24 and 26. In no event will termination of this Agreement relieve User of any obligations incurred prior to the termination or through its use of or connection to Exchange.

20. Acknowledgement of SRO Obligations. Exchange represents: (i) that Exchange is registered with the SEC as a national securities exchange pursuant to Section 6 of the Act; (ii) that Exchange has a statutory obligation to protect investors and the public interest, and to ensure that quotation information supplied to investors and the public is fair and informative, and not discriminatory, fictitious or misleading; (iii) that Section 19(g)(1) of the Act mandates that Exchange, as a self-regulatory organization, comply with the Act; and (iv) that Exchange has jurisdiction over its members to enforce compliance with the Act as well as the rules, regulations and interpretations of Exchange. Accordingly, User agrees that Exchange, when required to do so in fulfillment of its statutory obligations, may, in accordance with Exchange Rules, temporarily or permanently, unilaterally condition, modify or terminate the right of any or all individuals or entities, including User, to receive or use the Services. Exchange shall undertake reasonable efforts to notify User of any such condition, modification or termination, and User shall promptly comply with any requirement that may be contained in such notice within such period of time as may be determined in good faith by Exchange to be necessary and consistent with its statutory obligations. Any individual or entity that receives such a notice shall have available to it such procedural protections as are provided to it by the Act and the applicable rules thereunder and Exchange Rules.

21. Assignment. User's license to use the Services during the term of this Agreement is personal, nonexclusive and nontransferable. User shall not assign, delegate or otherwise transfer this Agreement or any of its rights or obligations hereunder without Exchange's prior approval, which will not be unreasonably withheld. Exchange may, as permitted by the Act, assign or transfer this Agreement or any of its rights or obligations hereunder to a related or unrelated party upon notice to User.

22. Force Majeure. Neither party to this Agreement will be liable for delay or failure to perform its obligations hereunder (other than a failure to pay amounts when due) caused by an event that is beyond the party's control; provided, however, that such party will not have contributed in any way to such event.

23. Severability. Each provision of this Agreement will be deemed to be effective and valid under applicable law, but if any provision of this Agreement is determined to be invalid, void, or unenforceable under any law, rule, administrative order or judicial decision, that determination will not affect the validity of the remaining provisions of this Agreement.

24. Arbitration. In connection with the following agreement to arbitrate, each party understands that: (i) arbitration is final and binding on the parties; (ii) the parties are waiving their right to seek remedies in court, including the right to jury trial; (iii) pre-arbitration discovery is generally more limited than and different from court proceedings; (iv) the arbitrators' award is not required to include factual findings or legal reasoning, and any party's right to appeal or seek modification of rulings by the arbitrators is strictly limited; and (v) the panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry. Subject to the preceding disclosures, each party agrees that any controversy arising out of or relating to this Agreement or the breach thereof will be resolved and settled by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association or in accordance with such other rules and procedures as are agreed to by the parties. The arbitration proceeding shall be conducted in New York, New York, unless otherwise agreed to by the parties. Judgment upon arbitration may be entered in any court, state or federal, having jurisdiction; provided, however, that nothing herein will prevent either party from: (i) petitioning a regulatory body regarding a matter in question over which the regulatory body has administrative jurisdiction; or (ii) pursuing injunctions before any administrative or judicial forum provided that all monetary and other relief is submitted for arbitration.

25. Amendment. Exchange may amend any term or condition of this Agreement on one hundred and twenty (120) days' written notice to User (which notice may be provided by way of a circular issued to Members generally). User may object in writing to the proposed amendment by providing a written response to the address specified above, such response stating in reasonable detail the basis of the objection. Such response must be received no later than sixty (60) days after the date that Exchange distributed the initial notice. Exchange will respond to User's timely objection in writing within thirty (30) days of receipt and will use reasonable efforts thereafter to meet with the objecting User (in person or by phone) to discuss in good faith any potential resolution. Otherwise, any use by User of the System after the expiration of the one hundred and twenty (120) day notice period shall be deemed acceptance by User of the amendment. User may not alter any terms and conditions of this Agreement, and no modification to this Agreement proposed by User will be binding, unless in writing and manually signed by an authorized representative of each party.

26. Miscellaneous. All notices or approvals required or permitted under this Agreement must be given in writing to Exchange at the address specified above or to User at its last reported principal office address. Any waiver or modification of

this Agreement will not be effective unless executed in writing and signed by the other party. This Agreement will bind each party's successors-in-interest. This Agreement will be governed by and interpreted in accordance with the internal laws of the State of New York, USA. For all matters not subject to Section 24 (Arbitration) above, both parties submit to the jurisdiction of the state and federal courts in and for the State of New York, USA for the resolution of any dispute arising under this Agreement. If any provision of this Agreement is held to be unenforceable, in whole or in part, such holding will not affect the validity of the other provisions of this Agreement. This Agreement, together with the applicable Exchange Rules, constitutes the complete and entire statement of all conditions and representations of the agreement between Exchange and User with respect to its subject matter and supersedes all prior writings or understandings.

IN WITNESS WHEREOF the parties hereto have caused this Agreement to be executed by their duly authorized officers.

If applicable, User may not disclose any data or compilations of data made available to User by Bats Trading without the express, prior written authorization of Bats Trading. The receiving party may also disclose Information in accordance with its regulatory obligations.

(c) **Unauthorized Use or Disclosure.** The parties acknowledge that any unauthorized use or disclosure of the disclosing party's Information may cause irreparable damage to the disclosing party. If an unauthorized use or disclosure occurs, the receiving party will immediately notify the disclosing party and take at its expense all steps necessary to recover the disclosing party's Information and to prevent its subsequent unauthorized use or dissemination, including availing itself of actions for seizure and injunctive relief. If the receiving party fails to take these steps in a timely and adequate manner, the disclosing party may take them at the receiving party's expense, and the receiving party will provide the disclosing party with its reasonable cooperation in such actions that the disclosing party may request.

(d) **Limitation.** The receiving party will have no confidentiality obligation with respect to any portion of the disclosing party's Information that: (i) the receiving party independently developed before receiving the Information from the disclosing party; (ii) the receiving party lawfully obtained from a third party under no obligation of confidentiality; (iii) is or becomes available to the public other than as a result of an act or omission of the receiving party or any of its employees; or (iv) the receiving party is compelled to disclose by law, regulation or legal process provided by a court of competent jurisdiction or other governmental entity to whose jurisdiction the receiving party is subject.

If any provision of this Routing Agreement is held to be unenforceable, in whole or in part, such holding will not affect the validity of the other provisions of this Routing Agreement. This Routing Agreement, together with the applicable Exchange Rules, constitutes the complete and entire statement of all conditions and representations of the agreement between Bats Trading and User with respect to its subject matter and supersedes all prior writings or understandings.

IN WITNESS WHEREOF the parties hereto have caused this Routing Agreement to be executed by their duly authorized officers.

Bats BZX Exchange, Inc.
Retail Member Organization Application

The completion of this application is required in order to be qualified by Bats BZX Exchange, Inc. (the "Exchange" or "BZX") as a Retail Member Organization ("RMO") and submit Retail Orders.

A "Retail Order" is an agency order or riskless principal order that meets the criteria of FINRA Rule 5320.03 that originates from a natural person and is submitted to BZX by an RMO, provided that no change is made to the terms of the order with respect to price or side of market and the order does not originate from a trading algorithm or any other computerized methodology. For purposes of this application, the term "natural person" refers to the origination of the order from a request made by a human as opposed to the generation of an order by a computer algorithm. An order from a natural person can include an order on behalf of an account held in a corporate legal form, such as an Individual Retirement Account, a Corporation, or a Limited Liability Corporation that has been established for the benefit of an individual or group of related family members, provided that the order originates from an individual.

If an RMO uses an algorithm to determine to send an existing Retail Order to the Exchange, such order is acceptable and is not deemed to have originated from a trading algorithm strictly as a result of the brokerage firm's algorithm, provided that the RMO assures that the Retail Order meets the underlying rule requirements, including that the routing algorithm does not change the terms of the order with respect to price or side of the market. Additionally, the Retail Order provision preventing changes to the terms of the order (e.g., price or side) is not meant to prevent an RMO from ensuring a better execution experience for the retail customer, such as by adding a limit to a Retail Order.

See BZX Rule 11.25 for a full definition of terms and requirements.

BUSINESS DESCRIPTION		
Please describe the current business structure of the division within your Firm that qualifies you as an RMO (attach an additional sheet if more space is needed):		

Please provide supporting documentation sufficient to demonstrate the retail nature and characteristics of your order flow. Examples of this supporting documentation may include sample marketing literature, website screenshots and other publicly disclosed materials describing the retail nature of your order flow, and such other documentation and information as the Exchange may require to obtain reasonable assurance that your order flow would meet the requirements of the Retail Order definition. Additionally, please provide a copy of your Written Supervisory Procedures (WSPs) related to the requirements set forth in BZX Rule 11.25.

Applicant has attached supporting documentation, including WSPs (required)

RMO SUPERVISORY REQUIREMENTS

By executing this Application, the Applicant attests that substantially all orders submitted by the Applicant as Retail Orders would meet the qualifications for such orders under BZX Rule 11.25. Applicant further attests that it has in place WSPs pursuant to Rule 11.25. Such WSPs require Applicant to:

- (i) exercise due diligence before entering a Retail Order to assure that entry as a Retail Order is in compliance with the requirements of this Rule, and
- (ii) monitor whether orders entered as Retail Orders meet the applicable requirements.

In addition, if Applicant does not itself conduct a retail business but routes Retail Orders on behalf of another broker-dealer, Applicant's WSPs must be reasonably designed to assure that the orders it receives from such other broker-dealer that are designated as Retail Orders meet the definition of a Retail Order. The Applicant must:

- (i) obtain an annual written representation from each other broker-dealer that sends the Applicant orders to be designated as Retail Orders that entry of such orders as Retail Orders will be in compliance with the requirements of this Rule (a form acceptable to the Exchange for such annual written representation is attached hereto); and
- (ii) monitor whether Retail Order flow routed on behalf of such other broker-dealers meets the applicable requirements.

Connectivity Services Agreement

This Bats Global Markets, Inc. Connectivity Services Agreement (“Agreement”) is a binding agreement between you (“User”) and Bats Global Markets, Inc. (“BGM”), acting on behalf of each of the subsidiaries and other affiliates of Bats Global Markets, Inc. that provide any portion of the Services (as defined below) to User, which may include, without limitation, Bats BZX Exchange, Inc., Bats BYX Exchange, Inc., Bats EDGA Exchange, Inc. and Bats EDGX Exchange, Inc. (each, the “Exchange”), and any other market subsidiary hereinafter created or acquired by BGM and operated by BGM or a subsidiary of BGM (collectively, “Bats”), and shall be effective as of the date executed on the signature page hereof (the “Effective Date”).

1. Services. This Agreement authorizes User to receive the Services. As used in this Agreement, “Services” shall mean (i) those services described on User’s connectivity order form (the “Order Form”) and (ii) any other connectivity services provided by Bats to User to the extent such services are not addressed by another agreement between Bats and User. User acknowledges and agrees that nothing in this Agreement constitutes an understanding by Bats to continue any aspect of the Services in their current form. Bats may from time to time make additions, deletions or modifications to the Services. In such event, Bats shall use commercially reasonable efforts to notify User prior to any such change becoming effective. User’s continued use of the Services following the modification will constitute User’s acceptance of the modification.

2. Connectivity and Redistribution. User is solely responsible for providing and maintaining all necessary electronic communications required to link to the Services, including wiring, computer hardware, software, communication line access, and networking devices (as applicable). This Agreement authorizes User to access Bats, whether physically or logically, in order to provide Authorized Third Parties (as defined herein) with access to Bats and/or certain data feeds associated therewith and/or certain other authorized non-Exchange services. In order to receive and/or redistribute Bats data, User shall also enter into a Bats data agreement (the “Data Agreement”). Nothing herein shall limit User’s requirements and obligations arising under the Data Agreement, if applicable. User shall take reasonable security precautions to prevent unauthorized individuals or entities from gaining access to Bats. User shall comply with all reasonable security specifications or requirements of Bats in order to prevent Bats and Bats data from being improperly used or accessed, or from being improperly taken. User shall not provide any third party with access to Bats or Bats data unless such third party is an Authorized Third Party, pursuant to Bats’ prior written consent. For purposes of this Agreement, an “Authorized Third Party” is a party that Bats has approved to connect to Bats via connectivity supplied by User and/or to receive Bats data or other Bats authorized services transmitted through User.

2.1 Approval and Termination Notice Requirements. In order for a party to be approved as an Authorized Third Party, User must submit a request to Bats that includes the name and contact information of the party to whom connectivity will be provided. Bats will typically approve or reject a request within two (2) business days, but is under no obligation to respond within that time frame. Where a request is rejected by Bats, User may not provide the applicable party with connectivity to Bats. In the event User desires to terminate the provision of Services to an Authorized Third Party, User must submit written notice to Bats that identifies the name of the Authorized Third Party and the effective date of such termination. All notifications submitted to Bats pursuant to this Agreement shall be given in accordance with the Connectivity Manual available at http://cdn.batstrading.com/resources/membership/BATS_Connectivity_Manual.pdf, as may be amended from time to time (the “Connectivity Manual”). If any Authorized Third Party fails to comply with any of the conditions, terms or provisions of this Agreement, as applicable to such Authorized Third Party, a Data Agreement, or any other agreement between an Authorized Third Party and Bats, and the Authorized Third Party has failed to cure such non-compliance within the cure period, if any, set forth in the applicable agreement, or if an Authorized Third Party has made any representation in any such agreement which was or has become untrue, then User shall, within five (5) business days after receipt of notice from Bats of such failure or untruth, cease providing access to Bats and/or Bats data to such Authorized Third Party and shall, within seven (7) business days following the receipt of such notice, confirm such cessation by notice to Bats.

2.2 List of Authorized Third Parties. User shall maintain, keep current, and provide to Bats promptly upon request a list of Authorized Third Parties to whom User provides access to Bats and/or certain data feeds associated therewith. Unless otherwise provided by Bats, User shall use reasonable efforts to respond to such a request within fifteen (15) days of receipt of the request.

2.3 Network Requirements. User must comply with all applicable Bats Network Requirements, contained in the Connectivity Manual. Bats will provide notice of any material amendments to the Bats Network Requirements and User shall comply with the amended Bats Network Requirements within thirty (30) days of receipt of such notice.

3. Fees.

3.1 Services Fees. User agrees to make timely payment of all Services fees, as well as any applicable late fees, in accordance with the payment terms set forth in the Order Form or, if none are specified, within thirty (30) days of the invoice date. In the event of User's failure to make payment within such time period, Bats reserves the right to terminate the subject Service or Services upon notice to User. User will be solely responsible for any and all telecommunications costs and all other expenses incurred in linking to, and maintaining its link to, the Services. User shall pay Bats a late charge in the amount of 1% per month on all past due amounts that are not the subject of a legitimate and bona fide dispute.

3.2 Adjustments to Services Fees. Bats may adjust the fees for the Services upon reasonable notice to User; provided, however, that Bats may pass through to User, without notice, any third party charges, fees, taxes, or terms and conditions incurred by Bats in connection with the provision of Services. If User is receiving a physical connection from Bats, User may acquire a physical connection for transition purposes at no additional cost, provided that User transitions its connection within three (3) weeks from the date at which the replacement connection is live (i.e., Bats switchport is configured and connected to a User circuit or cross-connect). If, after three (3) weeks, the legacy connection is not terminated, User will be charged for an additional connection.

4. Term. The initial, one (1) month term of this Agreement shall commence upon the Effective Date and shall automatically renew for additional one (1) month terms at the beginning of each subsequent calendar month thereafter, unless terminated by User or Bats as provided below.

5. Termination.

5.1 By User. User may terminate this Agreement, or cancel any physical connection provided hereunder, upon thirty (30) days' prior written notice to Bats.

5.2 By Bats. Bats may terminate this Agreement, any or all of the Services provided hereunder, or any authorization to allow connectivity to an Authorized Third Party at any time or from time to time upon thirty (30) days' prior written notice to User. Notwithstanding the foregoing, Bats may suspend or terminate the Services immediately upon notice to User if it determines, in Bats' sole reasonable discretion, that: (i) User has breached any material term of this Agreement; (ii) User is engaged in activities that Bats determines are or may be detrimental to Bats, its investors or Exchange Members (as defined in the Exchange Rules), including without limitation detrimental to the performance and operation of the Services; (iii) User has become insolvent; has made an assignment for the benefit of creditors; is not paying debts as they become due, or admits, in writing, its inability to pay debts when due; has filed, or has filed against it, any petition under any applicable bankruptcy laws or an application for a receiver, trustee, or custodian of User is made by anyone; or User becomes the subject of any proceedings of bankruptcy, insolvency, reorganization, dissolution, receivership, liquidation or arrangement, adjustment, or composition, or otherwise poses a credit risk to Bats, its investors or Exchange Members; (iv) User is retransmitting or republishing any Bats data feeds, including market data, or providing any connectivity to Bats without the prior approval of Bats; (v) User has violated any Exchange Rules; or (vi) if User is a Member of an Exchange, User ceases to be a Member in good standing with the applicable Exchange, or User is otherwise no longer authorized to use the Services; or (vii) any representations or warranties made by User in connection with this Agreement are or become false or misleading.

5.3 Consequences of Termination. Upon the termination of this Agreement for any reason, all rights granted to User hereunder will cease and User shall immediately pay to Bats any and all amounts owed to Bats under this Agreement, including without limitation all Services fees owed in respect of the entirety of the then current calendar month (e.g., if the Agreement is terminated on February 15th, Users shall nevertheless be required to pay Bats the monthly Services fees for the entirety of the month of February). The following Sections will survive the termination or expiration of this Agreement for any reason: Sections 3, 5.3, and 6 through 14. In no event will termination of this Agreement relieve User of any obligations incurred prior to the effective date of termination or through its use of or connection to the Services.

6. Disclaimer of Warranty. THE SERVICES ARE PROVIDED AS-IS, WITHOUT WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED CONDITIONS OR WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM TRADE USAGE, COURSE OF DEALING OR COURSE OF PERFORMANCE, AND OF ANY OTHER WARRANTY OR OBLIGATION WITH RESPECT TO ANY SOFTWARE OR OTHER MATERIALS, OR ANY SERVICES, MADE AVAILABLE TO USER, AND ALL SUCH OTHER WARRANTIES ARE HEREBY DISCLAIMED. THERE IS NO GUARANTY THAT THE SERVICES PROVIDED BY BATS WILL MEET USER'S REQUIREMENTS, BE ERROR FREE, OR OPERATE WITHOUT INTERRUPTION. BATS GIVES NO WARRANTIES OF ANY KIND AS TO THE FITNESS, CAPACITY, OR CONDUCT OF ANY OTHER PERSON HAVING ACCESS TO THE SERVICES AND SHALL NOT BE HELD LIABLE TO OR THROUGH USER OR OTHERWISE FOR ANY USE OR ABUSE

WHATSOEVER OF THE SERVICES BY ANOTHER PERSON HAVING ACCESS TO THE SERVICES INCLUDING, WITHOUT LIMITATION, ANY FAILURE TO CONCLUDE TRANSACTIONS OR OBSERVE APPLICABLE MARKET REGULATIONS OR CONVENTIONS OR TO PAY REQUISITE TAXES OR OTHER CHARGES ON ANY TRANSACTIONS OR TO OTHERWISE ACT LAWFULLY.

7. **No Consequential Damages.** ABSENT FRAUD OR WILLFUL MISCONDUCT BY BATS OR A CLAIM ARISING OUT OF BATS' INDEMNIFICATION OBLIGATIONS (AS DESCRIBED BELOW), UNDER NO CIRCUMSTANCES WILL BATS OR ITS AGENTS, AFFILIATES OR LICENSORS BE LIABLE FOR ANY LOSS, DAMAGE, CLAIM OR EXPENSE, INCLUDING WITHOUT LIMITATION ANY DIRECT, CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE OR INCIDENTAL DAMAGES OR LOST PROFITS, WHETHER FORESEEABLE OR UNFORESEEABLE, BASED ON USER'S CLAIMS OR THE CLAIMS OF ITS CUSTOMERS, EMPLOYEES OR AGENTS (INCLUDING, BUT NOT LIMITED TO, CLAIMS FOR LOSS OF DATA, GOODWILL, USE OF MONEY OR USE OF THE SERVICES, INTERRUPTION IN USE OR AVAILABILITY OF THE SERVICES, STOPPAGE OF OTHER WORK OR IMPAIRMENT OF OTHER ASSETS), ARISING OUT OF BREACH OR FAILURE OF EXPRESS OR IMPLIED WARRANTY, BREACH OF CONTRACT, MISREPRESENTATION, NEGLIGENCE, STRICT LIABILITY IN TORT OR OTHERWISE. THIS SECTION WILL NOT APPLY ONLY WHEN AND TO THE EXTENT THAT APPLICABLE LAW SPECIFICALLY REQUIRES LIABILITY, DESPITE THE FOREGOING EXCLUSION AND LIMITATION. NOTWITHSTANDING THE FOREGOING, BUT SUBJECT TO THE EXPRESS LIMITS SET FORTH BELOW, BATS MAY BE LIABLE TO USER, IF USER IS AN EXCHANGE MEMBER, TO THE EXTENT SUCH LIABILITY ARISES BASED ON ITS THEN APPLICABLE EXCHANGE RULE CONCERNING LIMITATION OF LIABILITY. EXCEPT FOR FRAUD, WILLFUL MISCONDUCT, OR A CLAIM ARISING OUT OF BATS' INDEMNIFICATION OBLIGATIONS STATED BELOW, BATS' TOTAL LIABILITY IN RESPECT OF ANY AND ALL CLAIMS ARISING FROM OR RELATED TO THIS AGREEMENT, IN CONTRACT, TORT, OR OTHERWISE, WILL BE LIMITED TO THE LESSER OF: (i) ACTUAL DAMAGES INCURRED BY CLIENT AS A DIRECT RESULT OF BATS' ACT OR OMISSION, AND (ii) \$10,000.

8. **Indemnification by User.** User agrees to indemnify and hold harmless Bats, its owners, subsidiaries, and affiliates, its and their respective officers, directors, employees, and agents, and any related persons and entities, from and against all expenses and costs and damages (including any reasonable legal fees and expenses), direct, consequential, and/or incidental in nature, claims, demands, proceedings, suits, and actions, and all liabilities resulting from, in connection with, or arising out of any failure by User, for any reason, fraudulent, negligent or otherwise, to comply with its obligations under this Agreement, unless such expenses, costs, damages, claims, demands, proceedings, suits, actions, or liabilities arise from Bats' willful misconduct, fraud or breach of Bats' obligations under this Agreement.

9. **Indemnification by Bats.** Bats agrees to indemnify, defend and hold harmless User and its subsidiaries and affiliates, and its and their respective officers, directors, employees, and agents, from and against all expenses and costs and damages (including any reasonable legal fees and expenses), direct, consequential, and/or incidental in nature, claims, demands, proceedings, suits, and actions, and all liabilities resulting from, in connection with, or arising out of any third party claim that Bats or the Services, or User's use thereof, infringes any copyright, patent, trademark, trade secret or other intellectual property right.

10. **Assignment.** User's rights hereunder to use the Services during the term of this Agreement are personal, nonexclusive and nontransferable. User shall not assign, delegate or otherwise transfer this Agreement, or any of its rights or obligations hereunder, without Bats' prior approval, which will not be unreasonably withheld. Bats may assign or transfer this Agreement, or any of its rights or obligations hereunder, to a related or unrelated party, upon notice to User.

11. **Force Majeure.** Neither party to this Agreement will be liable for delay or failure to perform its obligations hereunder (other than a failure to pay amounts when due) caused by an event that is beyond the party's control; provided, however, that such party will not have contributed in any way to such event.

12. **Severability.** Each provision of this Agreement will be deemed to be effective and valid under applicable law, but if any provision of this Agreement is determined to be invalid, void, or unenforceable under any law, rule, administrative order or judicial decision, that determination will not affect the validity of the remaining provisions of this Agreement.

13. **Amendment.** This Agreement may be amended from time to time by Bats in its sole discretion, and Bats shall provide reasonable notice to User prior to any such amended Agreement becoming effective. Use of any Services following any amendment of this Agreement becoming effective shall constitute User's agreement to such amendment.

14. **Miscellaneous.** All notices or approvals required or permitted under this Agreement must be given in writing to Bats at the address specified above or to User at its last reported principal office address. No waiver under this Agreement will be effective unless executed in writing and signed by the party waiving any of its rights hereunder. This Agreement will bind each

party's successors-in-interest. This Agreement will be governed by and interpreted in accordance with the internal laws of the State of New York, USA. Both parties submit to the jurisdiction of the state and federal courts in and for the State of New York, USA for the resolution of any dispute arising under this Agreement. This Agreement, together with the Order Form, any addendums or schedules hereto and any other documents incorporated by reference, constitutes the complete and entire statement of all conditions and representations of the agreement between Bats and User with respect to its subject matter, and supersedes all prior writings or understandings with respect to such subject matter. In the event of any conflict between the business terms of the main body of this Agreement and any business terms set forth in an Order Form, such terms set forth in the Order Form shall govern.

IN WITNESS WHEREOF the parties hereto have caused this Agreement to be executed by their duly authorized officers.

2. Exchange Users. All rights under this Agreement granted to any Data Recipient that is also party to a User Agreement are granted subject to the terms and conditions of this Agreement and are in addition to the rights granted to Data Recipient under the User Agreement.

If Data Recipient is a member of an Exchange, then Data Recipient expressly acknowledges and agrees that (a) this Agreement does not limit or reduce in any way Data Recipient's obligations and responsibilities as a member of any applicable Exchange; (b) this Agreement does not in any way alter the procedures or standards generally applicable to disciplinary or other actions taken by Bats to enforce compliance with, or impose sanctions for violations of, applicable Exchange Requirements; and (c) the nonpayment of amounts due under this Agreement could result in the suspension or cancellation of Data Recipient's membership on an Exchange in accordance with applicable Exchange Requirements.

Any use of the Exchange Data by Data Recipient and Data User, including, but not limited to, distribution or reprocessing, unless expressly described in Data Recipient's System Description and approved by Bats, is prohibited. Data Recipient acknowledges and represents that it shall not use the Exchange Data at any time in contravention of the Exchange Requirements, including, and without limitation, the restriction on the display of information as set forth in Section 603(c) of Regulation NMS.

Should Data Recipient intend to make any material change to its System Description or in Data Recipient's use of the Exchange Data (including, but not limited to, redistribution and reproduction) in any manner not then described in Data Recipient's System Description, Data Recipient may only do so with Bats' prior written approval of Data Recipient's revised System Description and subject to payment of applicable fees. Bats shall promptly and in good faith approve or disapprove proposed modifications to Data Recipient's System Description. Data Recipient acknowledges and agrees that it acts at its own risk in developing any modification to its service and/or systems prior to receiving approval from Bats in accordance with this Section 4. Data Recipient is not required to notify Bats of non-material changes to its System Description.

5. Record Retention by Data Recipient. Data Recipient shall maintain complete and accurate records relating to the receipt of Exchange Data in accordance with the Exchange Requirements and other such information as Bats from time to time may reasonably request in writing.

6. Reporting. Data Recipient shall comply with the requirements of Bats as to usage reporting as Bats requires from time to time in writing. Unless otherwise provided by Bats, Data Recipient shall use reasonable efforts to provide such reporting within 15 days of the end of the applicable reporting period set forth by Bats but Bats shall not consider such reporting to be late until 45 days after the due date.

7. Proprietary Nature of Exchange Data. Bats represents that Exchange Data and the System constitute valuable proprietary information and rights of Bats and the Exchanges. Data Recipient expressly acknowledges and agrees that, as between Bats and Data Recipient, Bats has the exclusive proprietary rights in and to the System and Exchange Data that (a) originates on or relates to trading on any of Bats' markets; (b) relates to activities that are regulated or operated by one or more of Bats' markets; (c) Bats derives from Exchange Data that originates on or relates to any of Bats' markets; and (d) is a compilation or other rights in information and data that Bats gathers from other sources pursuant to separate agreements with those sources. The System and all Exchange Data, including without limitation any and all intellectual property rights inherent therein or appurtenant thereto, shall, as between Bats and Data Recipient, be and remain the sole and exclusive property of Bats. Data Recipient shall not, by act or omission, diminish or impair in any manner the acquisition, maintenance and full enjoyment by Bats, its licensees, transferees and assignees, of the proprietary rights of Bats in Exchange Data and the System. Data Recipient acknowledges and agrees that third party information providers who provide information, goods

and services to Bats in connection with the creation of Exchange Data have exclusive rights in their respective information and data. Bats makes no proprietary claim to any information derived from Exchange Data by Data Recipient.

8. Right to Deny Distribution. Bats retains the right to direct Data Recipient to terminate any external distribution of Exchange Data for any reason or no reason, in which event Bats shall notify Data Recipient and Data Recipient shall cease retransmitting Exchange Data as soon as commercially practicable.

9. Use of Name. Bats shall not: (a) advertise, publicly announce or otherwise state that it is providing services to Data Recipient or its affiliates or (b) use the name of Data Recipient or any affiliate thereof in any advertising or promotional materials, including but not limited to, any published list of data recipients or other clients in its web site displays, without the prior written consent of Data Recipient.

10. Right to Audit. During the term of this Agreement and for a period 12 months thereafter, Data Recipient shall make its premises available to Bats or its appointed agent for physical inspection of Data Recipient's use of Exchange Data (including review of any records regarding the use of, or redistribution of, the Exchange Data and locations where the Exchange Data is being received), during normal business hours, upon reasonable advance notice, to verify the accuracy of reports in accordance with Exchange Requirements and to ensure that the type and amount of fees, if any, calculated or stated to be payable to Bats are complete and accurate. While on Data Recipient's premises, Bats or its appointed designee shall comply with Data Recipient's written standard security policies and procedures to the extent made known by Data Recipient to Bats or its appointed designee. In no event will Bats or its appointed agent audit Data Recipient more than once in any 12 month period, unless necessary due to a reasonable suspicion of non-compliance with any material provision of this Agreement. Data Recipient shall comply promptly with any reasonable request from Bats for information regarding Data Recipient's receipts, usage, processing, display and redistribution of Exchange Data. The costs of such audit shall be borne by Bats unless such audit reveals an underpayment by Data Recipient of 10% or more or a material breach of the rights or licenses granted to Data Recipient under this Agreement; in such case, Data Recipient shall reimburse Bats for its costs and expenses in conducting such audit, to the extent that such costs and expenses are commensurate with industry standards.

11. Qualification Requirements; Data Recipient Indemnification. Except as otherwise set forth in this Agreement, Data Recipient shall only furnish, or cause or permit to be furnished, all or any part of Exchange Data to a Data User who, at the time of receipt thereof, is of a type qualified (as set forth in applicable Exchange Requirements) to receive Exchange Data from Data Recipient. Data Recipient agrees that Bats may have different qualification requirements for different Data Users.

Data Recipient may have an obligation to obtain an executed Subscriber Agreement from External Subscribers or cause Data Feed Subscribers to execute a Bats Global Markets, Inc. Data Agreement with Bats. Data Recipient shall have no obligation to obtain an executed Subscriber Agreement from External Subscribers if Data Recipient represents and warrants that it has, or will have in place before distributing Exchange Data to any External Subscriber, a legally valid and enforceable Data Recipient Account Agreement with such External Subscriber.

Data Recipient may use a Service Facilitator to facilitate the dissemination of Exchange Data in Data Recipient's service, provided that Data Recipient has a legally valid and enforceable contract with such Service Facilitator, prior to distributing any Exchange Data to any Service Facilitator, that: (a) includes all limitations on the Service Facilitator's right to redistribute Exchange Data; and (b) protects Bats and the Bats Indemnified Parties to the same extent as if the Service Facilitator had signed a Bats Global Markets, Inc. Data Agreement with Bats directly.

Data Recipient shall indemnify Bats, all Bats Indemnified Parties and any third parties that provide information, goods, and services to Bats in connection with the creation of Exchange Data against any assertion of claims or losses relating against the Bats Indemnified Parties made by an External Subscriber who receives Exchange Data from Data Recipient (or any Person relying upon Exchange Data received by such a Data User) arising from Data Recipient's election to distribute Exchange Data to such External Subscriber pursuant to this Section 11 rather than presenting the Subscriber Agreement to such Persons. In terms of recordkeeping and retention, Data Recipient Account Agreements shall be subject to applicable Exchange Requirements. In the event of a dispute with Data User(s) relating to Exchange Data, Data Recipient agrees to provide Bats with copies of the relevant portions of the Data Recipient Account Agreements. In the text of a Subscriber Agreement, Data Recipient may be referenced as "Vendor".

If any Data User fails to comply with any of the terms or conditions of this Agreement applicable to Data Users, its agreement with Data Recipient for Exchange Data, or any other agreement between Data User and Bats (including the Additional Agreements), or has made any representation in any such agreement which was or has become untrue, then Data Recipient

shall, within 5 business days after receipt of notice from Bats of such failure or untruth, cease providing Exchange Data to such Data User and shall, within 10 business days following the receipt of such notice, confirm such cessation by notice to Bats. Data Recipient shall be solely responsible for the acts and omissions of Internal Subscribers. If a Data User is to be terminated under this provision, then Bats will request all Data Recipients to cease providing Exchange Data to such Data User.

12. Modifications; Fees. Data Recipient acknowledges and agrees that nothing in this Agreement constitutes an undertaking by Bats to continue: (a) Exchange Data, the System, or any aspect of either, in the present form or configuration or under the current Bats Specifications; or (b) to use existing communications facilities. Bats, in its sole discretion, may make modifications, additions, and/or deletions: (i) to Exchange Data, the System, or any aspect of either; (ii) to the Bats Specifications; (iii) to its communications facilities; or (iv) to Bats' decisions, policies, operating procedures, requirements, and other documentation (including, but not limited to, specifications, user guides and the Additional Agreements). Bats will use commercially reasonable efforts to provide Data Recipient with at least 60 days' notice of any material modification, addition, or deletion, except to the extent a shorter period is: (x) required due to any situation that necessitates modifications, additions, or deletions on an accelerated basis or otherwise precludes such advance notice, or (y) required pursuant to an order of a court, an arbitrator or a regulatory agency.

Data Recipient agrees to make timely payment of Connectivity Fees and Data Fees, as well as any applicable late fees for the failure to make payment within the required time period. The amount of applicable Connectivity Fees and Data Fees shall be set forth in Exchange rules or posted on the Bats' web site. Connectivity Fees and Data Fees are payable within 30 days of the invoice date. Data Recipient will be solely responsible for any and all other telecommunications costs and all other expenses incurred in connecting to and maintaining its connection to, Exchange. Failure to make payments within 30 days from the invoice date may result in suspension or termination of distribution of Exchange Data by Bats to Data Recipient. Data Recipient agrees to pay Bats a late charge in the amount of 1% per month on all past due amounts that are not the subject of a legitimate and bona fide dispute. Subject to the Act, Bats reserves the right to change its fee schedule, including Connectivity Fees and Data Fees applicable to Data Recipient. Bats will use commercially reasonable efforts to provide advance notice to Data Recipient (delivered via email and posted to Bats' web site) of any changes to Connectivity Fees. Bats will use commercially reasonable efforts to provide at least 60 days advance notice to Data Recipient (delivered via email and posted to Bats' web site) of any changes to Data Fees, provided, however, that such notice shall be not less than 30 days prior to the effectiveness of the change. **Receipt or use of Exchange Data after the applicable notice period for any modification, addition, or deletion shall constitute acceptance of Exchange Data, Connectivity Fees, Data Fees, the System, the Bats Specifications, or other decisions, policies, operating procedures, requirements, and other documentation as so changed.**

All Data Users shall be either Data Recipient Invoiced Subscribers or Bats Invoiced Subscribers. Data Recipient is not required to actually invoice Data Recipient Invoiced Subscribers, but, in any event, Data Recipient shall be responsible for the charges associated with the Data Recipient Invoiced Subscribers. Data Recipient shall bear all risk of non-payment by Data Recipient Invoiced Subscribers or by Data Users for whom Data Recipient is responsible for the charges. Bats will bear the risk of non-payment by Bats Invoiced Subscribers. Data Recipient shall reasonably cooperate with Bats in any lawful efforts by Bats to collect unpaid charges due Bats from current or former Bats Invoiced Subscribers. Data Recipient may choose to pay Bats any charges due on behalf of any Data User. Upon Data Recipient's payment to Bats on behalf of any Data User of any charges due hereunder, Data Recipient shall be subrogated to any and all rights of Bats to recover such charges.

In addition, for Data Recipient Invoiced Subscribers, Data Recipient shall pay any taxes, charges or assessments (other than taxes imposed on the net income of Bats) by any foreign or domestic national, state, provincial or local government bodies, or subdivisions thereof relating to the provision of Exchange Data pursuant to this Agreement, and any related penalties or interest. In addition, if Data Recipient or any Data Recipient Invoiced Subscriber is required by applicable law to deduct or withhold any such tax, charge or assessment from the amounts due Bats, then such amounts due shall be increased so that the net amount actually received by Bats after the deduction or withholding of any such tax, charge or assessment, will equal one hundred percent (100%) of the charges that are owed.

13. Term and Termination. This Agreement, subject to earlier termination in accordance with its terms, shall continue until it is terminated either by Data Recipient on not less than 30 days' written notice to Bats or by Bats on not less than 60 days' written notice to Data Recipient. Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice by Bats in the event that (a) Data Recipient is not permitted or not able to receive or Bats is prevented from disseminating Exchange Data, or any part thereof; (b) any representation, warranty or certification made by Data Recipient in this Agreement or in any other document furnished by Data Recipient is, as of the time made or furnished, materially false or misleading; (c) Data Recipient proceeds with a proposed action which would result in a default of its obligations or

covenants under this Agreement or in a breach of any representation, warranty or certification, which is material to Bats for regulatory, commercial or other reasons, made by Data Recipient in connection herewith, after Bats has notified Data Recipient in writing that such proposed action would constitute a default or breach hereunder; or (d) Bats, in its sole reasonable discretion, determines that any failure on the part of Data Recipient to comply with this Agreement has or is likely to have a materially adverse impact on the operation or performance of the System, Exchange Data or any Exchange, or likely to cause disproportionate harm to Bats' interests should termination be delayed. The following Sections will survive the termination or expiration of this Agreement for any reason: 1, 6, 7, 9, 10, 11, 12, 13, 14, 15, 16, 17, 20, 22, 23, 24, and 26. Any terms and conditions of the Additional Agreements incorporated herein by reference which by their terms are stated to survive the termination or expiration of such Additional Agreements shall survive the termination or expiration of this Agreement.

14. Confidentiality. Under this Agreement, Bats (and any Bats designee conducting an audit pursuant to this Agreement) shall keep confidential Data Recipient's System Description and Data Recipient's records, reports and payments that Bats or its designee has reviewed or audited, and any other Data Recipient information or material reasonably considered to be of a confidential nature (whether or not designated as such), as well as any and all information received in connection with this Agreement, including but not limited to, business, financial, operational, product, service and other information. Data Recipient acknowledges that it may also obtain confidential information, data, or techniques of Bats (whether or not designated as such). All such confidential information, whether written or oral, shall be deemed confidential upon disclosure to the recipient. Except as otherwise set forth herein, the recipient shall use such confidential information solely for use consistent with the purposes of this Agreement; shall hold such confidential information in confidence; and shall not use, disclose, copy, or publish any such confidential information without the prior written approval of the disclosing party. The recipient shall take reasonable security precautions, including at least as great as the precautions it takes to protect its own confidential information, but no less than reasonable care, to keep confidential the confidential information of the disclosing party. The recipient shall notify the disclosing party immediately upon discovery of any unauthorized use or disclosure of confidential information, and will cooperate with disclosing party in every reasonable way to help disclosing party regain possession of the confidential information and prevent its further unauthorized use or disclosure. The parties acknowledge that monetary damages may not be a sufficient remedy for unauthorized disclosure of confidential information, and that disclosing party shall be entitled, without waiving any other rights or remedies, to such injunctive or equitable relief as may be deemed proper by a court of competent jurisdiction.

Notwithstanding anything herein to the contrary, Bats or Data Recipient may disclose confidential information to the extent: (a) demanded by a court, arbitrator or government agency with regulatory jurisdiction over one or more of Bats' markets or over Data Recipient or any judicial or government order; (b) necessary to fulfill any Bats or Data Recipient regulatory responsibility, including any responsibility over members and associated Persons under the Act; or (c) necessary for Bats or Data Recipient and their respective employees, directors, and other agents to use such confidential information consistent with the purposes of this Agreement. If a party is required to disclose information pursuant to clauses (a) and (b) immediately above, such party shall notify the disclosing party in writing, to the extent permitted by law or regulation, of such requirement prior to disclosing such information and provide the original disclosing party, at its expense, with an adequate opportunity to obtain a protective order or other reliable assurance that confidential treatment will be accorded to the confidential information. The duties in this Section 14 do not apply to data, information or techniques that: (i) were lawfully in a party's possession prior to the date of this Agreement, provided the source of that information was not known by recipient to be bound by a confidentiality agreement with or other continual, legal or fiduciary obligation of confidentiality to disclosing party; (ii) is now, or hereafter becomes, through no act or failure to act on the part of recipient, generally known to the public; (iii) is rightfully obtained by recipient from a third party so long as the party does not know that the third party has breached any obligation not to reveal such data, information, or techniques; or (iv) can be demonstrated was independently developed by recipient without use or reference to the confidential information. All confidential information is and shall remain the property of the disclosing party. By disclosing confidential information to recipient, disclosing party does not grant any express or implied right to recipient to or under any patents, copyrights, trademarks, or trade secret information.

Bats shall not disclose its audit findings to any third parties (other than to its directors and independent consultants or subcontractors who are subject to confidentiality obligations or as otherwise set forth herein) and all information learned in connection with an audit shall constitute Data Recipient's confidential information. Notwithstanding the foregoing, nothing herein shall prevent Bats from using the audit findings to the extent the findings are used in the aggregate with other information and such aggregation does not (a) specifically identify Data Recipient or (b) create a context where Data Recipient's identity may be reasonably inferred.

15. LIMITATION OF LIABILITY; DISCLAIMER OF WARRANTIES. Absent fraud or willful misconduct by Bats, or a claim arising out of Bats' indemnification or confidentiality obligations set forth herein, Bats, its officers, directors, shareholders, employees, agents and consultants shall not be liable to Data Recipient or its affiliates, or to any Data User

or its affiliates, for any inaccurate or incomplete Exchange Data received from Bats or from a Redistributor, any delays, interruptions, errors, or omissions in the furnishing thereof, or any direct, indirect or consequential damages arising from or occasioned by said inaccuracies, delays, interruptions, errors or omissions. DATA RECIPIENT EXPRESSLY ACKNOWLEDGES THAT EXCHANGE DATA AND ANY AND ALL MATERIAL RELATED TO EXCHANGE DATA, INCLUDING BUT NOT LIMITED TO THE SYSTEM AND BATS SPECIFICATIONS, ARE BEING PROVIDED "AS IS." DATA RECIPIENT EXPRESSLY ACKNOWLEDGES THAT BATS DOES NOT MAKE ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO EXCHANGE DATA, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OR ANY WARRANTIES OF MERCHANTABILITY, QUALITY OR FITNESS FOR A PARTICULAR PURPOSE. ABSENT FRAUD OR WILLFUL MISCONDUCT BY BATS, ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS AND CONSULTANTS SHALL NOT BE LIABLE TO DATA RECIPIENT, OR TO ANY RECIPIENT OF EXCHANGE DATA REDISTRIBUTED BY DATA RECIPIENT, FOR INDIRECT, CONSEQUENTIAL, EXEMPLARY, SPECIAL, INCIDENTAL OR PUNITIVE DAMAGES OF ANY NATURE, INCLUDING BUT NOT LIMITED TO, LOSS OF OR DAMAGE TO DATA, LOSS OF BUSINESS OR LOST PROFITS, ARISING FROM ANY CAUSE WHATSOEVER, EVEN IF BATS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. ABSENT FRAUD OR WILLFUL MISCONDUCT BY DATA RECIPIENT, OR A CLAIM ARISING OUT OF DATA RECIPIENT'S INDEMNIFICATION OR CONFIDENTIALITY OBLIGATIONS SET FORTH HEREIN, DATA RECIPIENT, ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS AND CONSULTANTS SHALL NOT BE LIABLE FOR INDIRECT, CONSEQUENTIAL, EXEMPLARY, SPECIAL, INCIDENTAL OR PUNITIVE DAMAGES OF ANY NATURE ARISING FROM ANY CAUSE WHATSOEVER, EVEN IF DATA RECIPIENT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

16. Indemnification by Data Recipient. Absent fraud or willful misconduct by Bats or a claim arising out of Bats' indemnification or confidentiality obligations set forth herein, Data Recipient and its affiliates agree to indemnify and hold harmless Bats Indemnified Parties from and against any and all Claims and Losses imposed on or asserted against Bats Indemnified Parties by a third party resulting from, in connection with, or arising out of (a) any failure of Data User to comply with the terms and conditions of any Bats required agreement for Exchange Data if Data Recipient has failed to notify Bats in writing of such non-compliance within 10 days after Data Recipient knows of such non-compliance (unless such Data User is a party to a Bats Global Markets, Inc. Data Agreement); (b) any assertion of Claims and Losses relating to this Agreement against any Bats Indemnified Party made by any Data User (or any third party relying upon Exchange Data received by such Data User, unless such Data User is party to a Bats Global Markets, Inc. Data Agreement); (c) the receipt, use, or redistribution of Exchange Data in breach hereof by Data Recipient or its affiliates; and (d) any failure by Data Recipient or its affiliates to comply with its obligations under this Agreement; provided that: (i) Bats promptly notifies Data Recipient in writing of any claim, action, or allegation; however, failure to promptly notify Data Recipient of a claim shall not relieve Data Recipient of its indemnification obligations hereunder except to the extent that such failure prejudices the rights of Data Recipient; (ii) Data Recipient shall have sole control of the settlement and defense of any action to which this indemnity relates, but, upon Bats' request, shall inform Bats of the status of any proceedings or negotiations; and (iii) Bats reasonably cooperates to facilitate such defense. Data Recipient, in defending any such claim, action or allegation, except with the written consent of Bats Indemnified Parties, shall not consent to entry of any judgment or enter into any settlement which (A) does not include, as an unconditional term, the grant by the claimant to the Bats Indemnified Parties of a release of all liabilities in respect to such claim, action, or allegation and (B) subjects Bats Indemnified Parties to any obligation in addition to those set forth herein.

17. Indemnification by Bats. Bats agrees to indemnify, defend and hold harmless Data Recipient Indemnified Parties from and against all Claims and Losses imposed on or asserted against a Data Recipient Indemnified Party by a third party resulting from, in connection with, or arising out of a claim that Exchange Data, or Data Recipient's use thereof, or the System infringes any copyright, patent, trademark, trade secret or other intellectual property right; provided that: (a) Data Recipient promptly notifies Bats in writing of any claim, action, or allegation; however, failure to promptly notify Bats of a claim shall not relieve Bats of its indemnification obligations hereunder except to the extent that such failure prejudices the rights of Bats; (b) Bats shall have sole control of the settlement and defense of any action to which this indemnity relates, but, upon Data Recipient's request, shall inform Data Recipient of the status of any proceedings or negotiations; and (c) Data Recipient reasonably cooperates to facilitate such defense. Bats, in defending any such claim, action or allegation, except with the written consent of Data Recipient Indemnified Parties, shall not consent to entry of any judgment or enter into any settlement which (A) does not include, as an unconditional term, the grant by the claimant to the Data Recipient Indemnified Parties of a release of all liabilities in respect to such claim, action, or allegation and (B) subjects Data Recipient Indemnified Parties to any obligation in addition to those set forth herein.

Bats shall not have the obligation to indemnify, defend and hold harmless Data Recipient's Indemnified Parties for any and all Claims and Losses imposed on, incurred by or asserted against a Data Recipient Indemnified Party as a result of any allegation of infringement or misappropriation if the System, Exchange Data, or any Bats Specifications have not been used in accordance with this Agreement which resulted in such infringement or misappropriation, or if Data Recipient uses the

System, Exchange Data, or any Bats Specifications after Bats notifies Data Recipient of a potential or actual infringement claim or to the extent it is based on use of a superseded version of the System, Exchange Data, or any Bats Specifications if such infringement or misappropriation would have been avoided by use of the current version of the System, Exchange Data, or Bats Specifications or if the infringement or misappropriation claim, action, or allegation is the result of the combination, operation, or use of the System furnished timely to Data Recipient by Bats, Exchange Data, or any Bats Specifications with hardware, software, or materials if such infringement or misappropriation would have been avoided by the use of the System, Exchange Data, or any Bats Specifications without such hardware, software, or materials.

In the event of a claim, action or allegation of infringement or misappropriation or if, in Bats' reasonable opinion, such a claim, action or allegation is likely to occur or if the use of the System, Exchange Data, or any Bats Specifications is enjoined because of infringement or misappropriation, Bats may, at its sole option and expense, (i) procure for Data Recipient the right to continue using the System, Exchange Data, or any Bats Specifications; (ii) replace or modify the System, Exchange Data, or any Bats Specifications to be non-infringing, and require the return of the potentially infringing or misappropriating items, if applicable, without liability to Data Recipient or any other third party; or (iii) terminate this Agreement immediately without liability to Data Recipient (other than indemnification by Bats in accordance with this Section) or any third party.

This Section sets forth the entire liability of Bats and the exclusive remedy of Data Recipient for the infringement or misappropriation of intellectual property by Bats.

18. Assignment. This Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective permitted successors and assigns. Data Recipient may not assign this Agreement without the prior written consent of Bats; provided, however, that Bats shall not unreasonably withhold such consent. Notwithstanding the foregoing, Data Recipient may assign this Agreement to (a) an affiliate or subsidiary; (b) a successor of Data Recipient, by consolidation, merger, or operation of law; or (c) a purchase of all or substantially all of Data Recipient's assets, in each case without the prior written consent of Bats, provided that Data Recipient (a) is not currently in breach of this Agreement or delinquent in any fees owed to Bats hereunder and (b) provides prior written notice to Bats. Bats may, as permitted by the Act, assign or transfer this Agreement or any of its rights or obligations hereunder to a related or an unrelated party upon prior written notice to Data Recipient.

19. Force Majeure. Neither party to this Agreement will be liable for delay or failure to perform its obligations hereunder (other than a failure to pay amounts when due) caused by an event that is beyond the party's control; provided, however, that such party will not have contributed in any way to such event.

20. Severability. Each provision of this Agreement will be deemed to be effective and valid under applicable law, but if any provision of this Agreement is determined to be invalid, void, or unenforceable under any law, rule, administrative order or judicial decision, that determination will not affect the validity of the remaining provisions of this Agreement, and such provision shall be construed to be effective and valid to the fullest extent under applicable law.

21. Relationship of the Parties. Nothing herein shall be construed to create a joint venture or partnership between the parties hereto. Neither party hereto shall have any express or implied right or authority to assume or create any obligations on behalf of or in the name of the other party or to bind the other party to any contract, agreement, or undertaking with any third party.

22. Entire Agreement; Priority Rules; Amendment; Waiver. Notwithstanding anything in this Agreement to the contrary, the terms and conditions of any applicable Additional Agreements entered into by Data Recipient with the Exchange shall be incorporated herein by reference, and, together with this Agreement, shall constitute the complete and entire statement of all conditions and representations of the agreement between Bats and Data Recipient with respect to its subject matter and supersedes all prior writings or understandings, including, without limitation, any Exchange Data Vendor Agreement entered into with the Exchanges. If there is any conflict or inconsistency between this Agreement and any of the Additional Agreements with respect to the receipt or use of Exchange Data as contemplated herein, the following order of precedence shall apply, to the extent applicable to Data Recipient: (a) the Price List or Fee Schedule; (b) the Bats Data Feed Order Form and System Description, the Hotspot Data Feed Order Form and System Description and/or the Direct Edge System Description/Data Feed Request, as applicable; (c) this Agreement; (d) the User Agreement; and (e) any additional terms and conditions, policies or agreements entered into by Data Recipient with Bats or any of its subsidiaries or affiliates (including without limitation Direct Edge LLC) relating to the subject matter hereof.

Except as may otherwise be set forth in this Agreement, Bats may alter any term or condition of this Agreement or the Subscriber Agreement on 60 days' prior written notice to Data Recipient, and any receipt or use of Exchange Data after

such date is deemed acceptance of the new term or condition. The means of notifying Data Recipient of such new term or condition may include, but not be limited to, emailing such term or condition to Data Recipient or posting such alteration on the Bats web site or a successor site upon written notice to Data Recipient. No failure on the part of Bats or Data Recipient to exercise, no delay in exercising, and no course of dealing with respect to any right, power, or privilege under the Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power, or privilege preclude any other or further exercise thereof or the exercise of any other right, power, or privilege under this Agreement.

23. Governing Law; Venue. This Agreement will be governed by and interpreted in accordance with the laws of the State of New York without giving effect to any choice or conflict of law provision or rule. Both parties submit to the jurisdiction of the state and federal courts in and for the State of New York for the resolution of any dispute arising under this Agreement.

24. Affiliates. Notwithstanding anything to the contrary in this Agreement, any affiliate of the Data Recipient is entitled to exercise the rights of Data Recipient set forth herein on behalf of itself, the Data Recipient, or any other affiliate of the Data Recipient, including, but not limited to, rights to use and distribute Exchange Data to other parties, subject to the terms of this Agreement. If this Agreement will be applicable to an affiliate, Data Recipient must submit a list of any such affiliate(s) to Bats. By submitting the names of its affiliate(s), Data Recipient agrees that the contact information set forth herein shall be deemed to be the contact information for each affiliate and that DATA RECIPIENT SHALL ASSUME ALL RESPONSIBILITY FOR AND WILL HOLD HARMLESS AND INDEMNIFY BATS AGAINST ANY ACTION OR INACTION BY AN AFFILIATE AS IF SUCH ACTION OR INACTION WERE THAT OF DATA RECIPIENT, AND DATA RECIPIENT AND ITS AFFILIATE(S) SHALL BE JOINTLY AND SEVERALLY LIABLE FOR ALL ACTIONS AND/OR INACTIONS OF THE OTHER(S). All of the rights and licenses granted to, and all obligations of, Data Recipient under this Agreement will apply to such affiliate(s) to the same extent as applicable to Data Recipient.

For purposes of this Agreement, an "affiliate" of Data Recipient shall include any entity that, from time to time, directly or indirectly Controls, is Controlled by, or is under common Control with Data Recipient. "Control" means the power to direct or cause the direction of the management or policies of another entity, whether through the ownership of voting securities, by contract, or otherwise. The Data Recipient may delegate any of its responsibilities, obligations or duties under or in connection with this Agreement to any affiliate of the Data Recipient or an authorized third party agent, which may discharge those responsibilities, obligations or duties on behalf of the Data Recipient in accordance with this Agreement.

25. Headings. Section headings are included for convenience only and are not to be used to construe or interpret this Agreement. All references contained herein to sections or subsections shall refer to the sections or subsections of this Agreement, unless specific reference is made to the sections or subsections of another document.

26. Cumulative Remedies. Except as otherwise limited herein, all rights and remedies provided in this Agreement are cumulative and not exclusive, and the exercise by either party of any right or remedy does not preclude the exercise of any other rights or remedies that may now or subsequently be available at law, equity, by statute, in any other agreement between the parties (including without limitation the Additional Agreements) or otherwise.

27. Counterparts. This Agreement may be executed in one or more counterparts, which shall each be considered an original but all of which shall constitute one and the same Agreement.

1. Definitions. Capitalized terms used herein shall have the meanings set forth in this Section 1.

"Claims or Losses" shall mean any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs, judgments, settlements and expenses of any nature, whether incurred by or issued against an indemnified party or a third-party, including, without limitation, (a) indirect, special, punitive, consequential or incidental loss or damage, and (b) administrative costs, investigatory costs, litigation costs and auditors' and attorneys' fees and expenses (including in-house personnel).

"Person" shall mean any individual, corporation, limited liability company, trust, joint venture, association, company, limited or general partnership, unincorporated organization, or other entity.

"Professional Subscriber" shall mean all other Persons who do not meet the definition of Non-Professional Subscriber.

"SEC" shall mean the U.S. Securities and Exchange Commission.

"Subscriber" shall mean, collectively, all Non-Professional Subscribers and Professional Subscribers.

"Vendor" shall mean "Data Recipient," as that term is defined in the Bats Global Markets, Inc. Data Agreement, as may be modified from time to time.

"Vendor's Service" shall mean the service from a Vendor, including the data processing equipment, software, and communications facilities related thereto, for receiving, processing, transmitting, using, and disseminating Exchange Data to or by Subscriber.

2. Use of Data. Subscriber may not sell, lease, furnish or otherwise permit or provide access to Exchange Data to any other Person or to any other office or place. Subscriber will not engage in the operation of any illegal business use or permit anyone else to use Exchange Data, or any part thereof, for any illegal purpose or violation of any Bats or SEC rule or regulation. Subscriber may not present Exchange Data rendered in any unfair, misleading, or discriminatory format. Subscriber shall take reasonable security precautions to prevent unauthorized Persons from gaining access to Exchange Data.

Use by Non-Professional Subscribers. Exchange Data is licensed only for personal use by a Non-Professional Subscriber. By representing to Vendor that Subscriber is a Non-Professional Subscriber, or by continuing to receive Exchange Data at a Non-Professional Subscriber rate, Subscriber is affirming to Vendor and Bats that Subscriber meets the definition of Non-Professional Subscriber as set forth herein. A Non-Professional Subscriber shall comply promptly with

any reasonable request from Bats, or its designee, for information regarding the Non-Professional Subscriber's receipt, processing, display, use, and redistribution of Exchange Data.

Use by Professional Subscribers. Exchange Data is licensed for internal business use and/or personal use by a Professional Subscriber. Professional Subscriber may, on a non-continuous basis, furnish limited amounts of Exchange Data to customers in written advertisements, correspondence, or other literature during voice telephonic conversations not entailing computerized voice, automated information inquiry systems, or similar technologies. Professional Subscriber shall make its premises available to Bats, or its designee, for physical inspection of Vendor's Service and of Professional Subscriber's use of Exchange Data (including review of any records regarding use of or access to Exchange Data and the number and locations of all devices that receive Exchange Data), all at reasonable times and upon reasonable notice, to ensure compliance with this Agreement.

3. Proprietary Data. Bats grants to Subscriber a non-exclusive, non-transferable license during the term of the Agreement to receive Exchange Data distributed to it by Vendor and, thereafter, to use such Exchange Data as permitted under the terms of this Agreement and all applicable laws, statutes, rules, and regulations of Bats and the SEC, including but not limited to, Bats' rule filings, Bats' decisions and interpretations and any specifications or successors of such laws, statutes, rules, and regulations. Subscriber acknowledges and agrees that Bats and its affiliates have proprietary rights to Exchange Data that originates on or is derived from markets regulated or operated by Bats and compilation or other rights to Exchange Data gathered from other sources. Subscriber further acknowledges and agrees that Bats' third-party information providers have exclusive proprietary rights to their respective information. In the event of any misappropriation or misuse by Subscriber or anyone who accesses Exchange Data through Subscriber, Bats or its third-party information providers shall have the right to obtain injunctive relief for its respective materials. Subscriber shall attribute the source of Exchange Data as appropriate under all circumstances.

4. Payment. Subscriber shall assume full and complete responsibility for the payment of any taxes, charges, or assessments imposed on Subscriber or Bats (except for U.S. federal, state, or local incomes taxes, if any, imposed on Bats) by any foreign or domestic national, state, provincial, or local governmental bodies, or subdivisions thereof, and any penalties or interest relating to the provision of Exchange Data to Subscriber. Interest shall be due from the date of the invoice to the time that the amounts that are due have been paid. To the extent permitted by applicable law, Subscriber acknowledges and agrees that the termination of Vendor's Services for failure to make payments shall not be considered an improper limitation of access by Bats. For Professional Subscribers, if any payment is due directly to Bats under this Agreement, payment in full is due Bats in immediately available funds within 30 days of the date of an invoice, whether or not use is made of, or access it made to, Exchange Data. Subscriber agrees to pay Bats a late charge in the amount of 1% per month on all past due amounts that are not the subject of a legitimate and bona fide dispute.

5. System. Subscriber acknowledges that Bats, in its sole discretion, may from time to time make modifications to its system or Exchange Data. Such modifications may require corresponding changes to be made to Vendor's Service. Changes or the failure to make timely changes by Vendor may sever, delay, or otherwise affect Subscriber's access to or use of Exchange Data. Bats shall not be responsible for any such effects. Bats does not endorse or approve any Vendor, Vendor's Service or equipment utilized by Vendor or Subscriber.

6. Limitation of Liability.

Bats, its officers, directors, shareholders, employees, agents and consultants shall not be liable to Subscriber or to any other Person for any inaccurate or incomplete Exchange Data received from Bats or from Vendor, any delays, interruptions, errors, or omissions in the furnishing thereof, or any direct, indirect or consequential damages arising from or occasioned by said inaccuracies, delays, interruptions, errors or omissions.

This Section shall not relieve Bats, Vendor, Subscriber, or any other Person from liability for damages that result from their own gross negligence or willful tortious misconduct or from personal injury or wrongful death claims.

Bats, Vendor, and Subscriber understand and agree that the terms of this Section reflect a reasonable allocation of risk and limitation of liability.

7. Disclaimer of Warranties. SUBSCRIBER EXPRESSLY ACKNOWLEDGES THAT BATS AND ITS THIRD-PARTY INFORMATION PROVIDERS DO NOT MAKE ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OR ANY WARRANTIES OF MERCHANTABILITY, QUALITY OR FITNESS FOR A PARTICULAR PURPOSE.

8. Third-Party Information Providers' Limitation of Liability. Bats' third-party information providers shall have no liability for any damages, whether direct or indirect, whether lost profits, indirect, special, or consequential damages of Subscriber or any other Person seeking relief through Subscriber relating to the accuracy of or delays or omissions in any Exchange Data provided by Bats' third-party information providers, even if the third-party information providers have been advised of the possibility of such damages. In no event will the liability of the third-party information providers or their affiliates to Subscriber or any other Person seeking relief through Subscriber pursuant to any cause of action, whether in contract, tort, or otherwise, exceed the fee paid by Subscriber or any other Person seeking relief through Subscriber, as applicable.

9. Claims and Losses. Subscriber agrees to indemnify and hold harmless Bats, its owners, subsidiaries, affiliates, officers, directors, employees, agents, and any related Persons from any and all Claims or Losses imposed on, incurred by, or asserted as a result of or relating to: (a) any noncompliance by Subscriber with the terms and conditions hereof; and (b) any third-party actions related to Subscriber's receipt and use of Exchange Data, whether authorized or unauthorized under this Agreement. Each party agrees to indemnify and hold harmless (and in every case, Bats shall be permitted to solely defend and settle) another party (including Bats) and their owners, subsidiaries, affiliates, officers, directors, employees, agents, and any related Persons, against any Claims or Losses arising from, involving, or relating to a claim of infringement or other violation of an intellectual property right by the indemnifying party provided that: (a) the indemnified party promptly notifies the indemnifying party in writing of the Claims or Losses; and (b) the indemnified party reasonably cooperates in the defense of the Claims or Losses.

10. Termination. Subscriber acknowledges that Bats, when required to do so in fulfillment of statutory obligations or otherwise, may by notice to Vendor unilaterally limit or terminate the right of any or all Persons to receive or use Exchange Data, or any part thereof, and that Vendor shall immediately comply with any such notice and terminate or limit the furnishing of Exchange Data and confirm such compliance by written notice to Bats. Any affected Person will have available to it such procedural protections as are provided by the Securities Exchange Act of 1934 (the "Act") and applicable rules and regulations thereunder. In addition to the termination rights permitted under any agreement Subscriber may have with Vendor, this Agreement may be terminated by Subscriber upon 30 days' written notice to Vendor and by Bats upon 30 days' written notice either to Vendor or Subscriber. In the event of Subscriber's breach, the discovery of the untruth of any representation or warranty of Subscriber, or where directed by the SEC in its regulatory authority, Bats may terminate this Agreement upon not less than 3 days' written notice to Subscriber provided either by Bats or Vendor.

11. Notices. All communications required to be given in writing to Bats under this Agreement shall be directed to:

Bats Global Markets, Inc.
8050 Marshall Drive, Suite 120
Lenexa, KS 66214
Attn: Legal Department

Direct communication to Subscriber at the last address known to Vendor shall be considered given (a) upon actual receipt if delivered by email, or (b) upon posting the notice or other communication on www.bats.com or a successor site. Subscriber promptly shall give written notice to Vendor of any change in the name or place of residence or business at which Exchange Data is received.

12. Assignment. This Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective permitted successors and assigns. Neither Vendor nor Subscriber shall assign this Agreement (including by operation of law) without the prior written consent of Bats, provided, however, that Bats shall not unreasonably withhold such consent. Notwithstanding the foregoing, Vendor or Subscriber may assign this Agreement to an affiliate or subsidiary without the prior written consent of Bats, provided that the assigning party is not currently in breach of this Agreement or delinquent in any fees owed to Bats. Bats may, as permitted by the Act, assign or transfer this Agreement or any of its rights or obligations hereunder to a related or unrelated party upon notice to Vendor and Subscriber.

13. Severability. Each provision of this Agreement will be deemed to be effective and valid under applicable law, but if any provision of this Agreement is determined to be invalid, void, or unenforceable under any law, rule, administrative order or judicial decision, that determination will not affect the validity of the remaining provisions of this Agreement.

14. Entire Agreement; Amendment; Waiver. This Agreement constitutes the complete and entire agreement of the parties to this Agreement with respect to its subject matter and supersedes all prior writings or understandings. If there is any conflict and/or inconsistency between this Agreement and Vendor's agreement with Subscriber, the terms of this Agreement shall prevail as between Bats and Subscriber. Bats may modify any term of this Agreement

upon 60 days' written notice either to Vendor or Subscriber, and any use of Exchange Data after such date shall be deemed acceptance of the new term or condition. No failure on the part of Bats or Subscriber to exercise, no delay in exercising, and no course of dealing with respect to any right, power, or privilege under the Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power, or privilege preclude any other or further exercise thereof or the exercise of any other right, power, or privilege under this Agreement.

15. Governing Law; Venue. This Agreement will be governed by and interpreted in accordance with the internal laws of the State of New York, USA. Subscriber hereby submits to the jurisdiction of the state and federal courts in and for the State of New York, USA for the resolution of any dispute arising under this Agreement.

16. Headings. Section headings are included for convenience only and are not to be used to construe or interpret this Agreement. All references contained herein to sections or subsections shall refer to the sections or subsections of this Agreement, unless specific reference is made to the sections or subsections of another document.

17. Third-Party Beneficiary. Vendor and Subscriber hereby designate Bats as a third-party beneficiary of this Agreement, having the right to enforce any provision herein.

18. Cumulative Remedies. Except as otherwise limited herein, all rights and remedies provided in this Agreement are cumulative and not exclusive, and the exercise by either party of any right or remedy does not preclude the exercise of any other rights or remedies that may now or subsequently be available at law, equity, by statute, in any other agreement between the parties (including without limitation the Additional Agreements) or otherwise.

19. Counterparts. This Agreement may be executed in one or more counterparts, which shall each be considered an original but all of which shall constitute one and the same Agreement.

These Policies cover the receipt, use, pricing, reporting, and distribution of Exchange Data. Unless otherwise specified, and except in the case of foreign currency trading data, references herein to “Exchange Data” refer to U.S. Exchange Data. Professional Data User - Any Data User other than a Non-Professional User.

Uncontrolled Data Distributor – A Data Recipient that is authorized by Bats to distribute Exchange Data externally to a customer that is not an Affiliate of Data Recipient where the Data Recipient does not control the entitlements of and display of information to such customer (*i.e.*, a “Data Feed Subscriber”).

2 Display Requirements

Each Data Recipient must identify Bats as the source of any Exchange Data through use of the name of the applicable Exchange – “Bats BZX Exchange”, “Bats BYX Exchange”, “Bats EDGA Exchange”, “Bats EDGX Exchange”, or “Hotspot” – on applicable depth of book displays of Exchange Data. Distributors of Bats quote or last sale information to Data Users must provide a prominent attribution message on all displays, including wall boards, tickers, mobile devices, and audio announcements on voice response services. In the case of a ticker, the attribution message should be interspersed with the Exchange Data at least every 90 seconds.

If the Exchange Data is being provided on a delayed basis, the Data Recipient must appropriately attribute Exchange Data as delayed (e.g., “Data Delayed 15 Minutes”). Alternatives for Exchange Data attribution on displays may be permitted with the prior written approval of Bats if the alternative accurately and unambiguously describes the source of the Exchange Data. Requests for alternative attribution may be made via email to marketdata@bats.com.

Marketing Materials

Each Data Recipient may use Bats’ corporate name, the names of Bats’ market data products, and the trademarks of Bats set forth in the Bats Brand Standards Manual available through contacting Bats Market Data Services at marketdata@bats.com in any marketing, publicity or advertising materials related to the business of the Data Recipient, provided that such use is solely for purposes of exercising Data Recipient’s rights under the Data Agreement and is in compliance with the guidelines set forth in the Bats Brand Standards Manual.

3 Record Retention Requirements

Each Data Recipient must create and maintain complete and accurate books and records relating to the Data Recipient’s performance of its obligations and exercise of its rights under the Data Agreement, including without limitation the receipt, use, display and distribution of Exchange Data and the administration of the Bats Subscriber Agreement or equivalent, if applicable.

4 Data Recipient Approval Requirements

Each firm that is requesting Exchange Data must complete and submit to Bats the following: (i) Data Agreement, (ii) List of Affiliates (if applicable); (iii) Exchange Data Order Form and System Description; and (iv) Service Facilitator List (if applicable). The Exchange Data Order Form and System Description requires firms to provide key contact information, identify the desired feed(s) and a description of the system that makes use of Exchange Data internally or if you are distributing externally, a description of the service(s) and Exchange Data you plan to provide to Data Users.

Each completed Data Agreement, List of Affiliates (if applicable), Exchange Data Order Form and System Description, and Service Facilitator List (if applicable) should be emailed to marketdata@bats.com for approval.

¹ Firms that distribute CTA consolidated volume must comply with the [CTA Consolidated Volume Policy](#) as provided on the [CTA Plan website](#).

5 Distribution to Affiliates of Data Recipient

Any Data Recipient that distributes Exchange Data to one or more of its Affiliates must complete and submit the Bats List of Affiliates showing the Affiliate(s) receiving Exchange Data. An “Affiliate” is defined as any entity that, from time to time, directly or indirectly Controls, is Controlled by, or is under common Control with Data Recipient. “Control” means the power to direct or cause the direction of the management of policies of another entity, whether through the ownership of voting securities, by contract, or otherwise. By submitting the names of its Affiliate(s), the Data Recipient agrees that the contact information provided shall be deemed to be the contact information for each Affiliate.

One or more of the entities (each a “Connected Entity”) that is part of the group comprised of the Data Recipient and the Affiliates listed on the List of Affiliates (collectively, the “Affiliate Group”) is permitted to own connectivity with Bats to receive Exchange Data directly from Bats. Each Connected Entity shall be identified in writing to Bats. Any member of the Affiliate Group that also receives Exchange Data indirectly from another Data Recipient (in addition to a Connected Entity) that is an Uncontrolled Data Distributor is not required to complete and return to Bats a separate Data Agreement and Exchange Data Order Form and System Description. Rather that entity is bound by the same Data Agreement and other relevant documents executed by the applicable member of the Affiliate Group.

6 Uncontrolled Data Distributor Requirements

To become an Uncontrolled Data Distributor, the Data Recipient must describe, using the Exchange Data Order Form and System Description, its plan to distribute Exchange Data externally to any customer that is not an Affiliate of the Data Recipient.

Request Process

Uncontrolled Data Distributors are responsible for either (i) directing each prospective Data Recipient to download the required documents from the Bats website, or (ii) providing a hard copy of each required document to the prospective Data Recipient. Required documents include the following:

- Signed Data Agreement
- Completed and signed Exchange Data Order Form and System Description
- Completed and signed Bats List of Affiliates (if applicable)
- Completed and signed Bats Service Facilitator List (if applicable)

Approval Process

After the required documents have been completed, the prospective Data Recipient must submit the required documents to Bats (as described above) for approval. Bats will review the documents and may contact the Data Recipient directly for additional information. The review of the documents includes, but is not limited to, a review of the intended use of the Exchange Data and the entitlements.

Upon approval, Bats will notify both the Data Recipient and the Uncontrolled Data Distributor via fax or email. Once approved by Bats, the Uncontrolled Data Distributor is authorized to provide the approved Exchange Data to the Data Recipient. **A new Data Recipient may not receive Exchange Data until and unless Bats has specifically approved the distribution of the requested Exchange Data product.** Please note that if an Uncontrolled Data Distributor provides Exchange Data to an unapproved Data Recipient or releases any Exchange Data prior to Bats' approval, the Uncontrolled Data Distributor is responsible for paying Bats any fees and other charges that would have been assessed such Data Recipient during the unauthorized time frame had the Data Recipient and release of Exchange Data to such Data Recipient been approved.

7 Uncontrolled Data Distributor Reporting

Bats requires all Uncontrolled Data Distributors of Exchange Data to submit reports, on a monthly basis, providing firm and Exchange Data details (as described below) for each Data Feed Subscriber receiving the Exchange Data. Each such report must include the following:

- Each Data Recipient's name, contact information, and billing address
- Address at which each Data Recipient receives the Exchange Data

- Exchange (BZX, BYX, EDGA, EDGX, Hotspot US, Hotspot London or product name if the Exchange Data is an aggregate of multiple Bats exchanges) and type of Exchange Data subscribed to by each Data Recipient
- The earliest date upon which each Data Recipient received or will receive such Exchange Data from the Uncontrolled Data Distributor (installation date)
- The last date upon which each Data Recipient received or will receive such Exchange Data from the Uncontrolled Data Distributor (termination date)

Uncontrolled Data Distributors may report to Bats by entering details directly or via upload files in CSV format. Monthly reporting for the prior month's activity is due on the 15th of the current month (i.e., August 15th is the due date for July reporting).

Please contact marketdata@bats.com if you have any questions about reporting requirements. If you are newly reporting to Bats, a user login will be created for you to access the system.

8 Controlled Data Distributor Requirements and Reporting

Internal Controlled Data Distributors

Internal Controlled Data Distributors have the right to provide Exchange Data to employees of the Internal Controlled Data Distributor or any Affiliate thereof (i.e., Internal Subscribers) identified on a Bats List of Affiliates submitted by the Internal Controlled Data Distributor to Bats.

Internal Controlled Data Distributors are not required to administer a Bats Subscriber Agreement or equivalent with Internal Subscribers. Only a Data Agreement, List of Affiliates (if applicable) and Exchange Data Order Form and System Description completed by the Internal Controlled Data Distributor is required to be submitted to Bats.

External Controlled Data Distributors

External Controlled Data Distributors must administer a Bats Subscriber Agreement or equivalent to each Data User, or External Subscriber, whether an individual or a firm (except for Trial Users as defined below). Bats will not administer this agreement or equivalent to an External Controlled Data Distributor's customers.

The Data Agreement specifies that External Controlled Data Distributors must administer Subscriber Agreements to all External Subscribers. If an External Controlled Data Distributor opts not to administer a Subscriber Agreement, then the External Controlled Data Distributor is required to indemnify Bats in the event of a claim by an External Subscriber or otherwise.

External Controlled Data Distributors have four options to administer the Bats Subscriber Agreement or equivalent.

Administration Options for the Bats Subscriber Agreement	
1. Data Recipient Indemnification	Data Recipient administers its own agreement to External Subscribers as an equivalent to the Bats Subscriber Agreement. Submission of a sample copy of the Data Recipient's agreement, and any amendments thereto, is required.
2. Incorporation by Reference	Data Recipient adds specific language into the Data Recipient's own agreement with the External Subscriber. Submission of a sample copy of the Data Recipient's agreement, and any amendments thereto, is required.
3. Online Click-Through Subscriber Agreement	Data Recipient offers the agreement via the Internet. Submission of a sample copy of the Data Recipient's agreement, and any amendments thereto, is required.
4. Hard Copy Subscriber Agreement	Data Recipient provides External Subscriber with a paper copy of the Bats Subscriber Agreement. Data Recipient retains executed

originals, but does not submit the agreement to Bats.
--

Option 1 – Data Recipient Indemnification

Section 11 of the Data Agreement permits External Controlled Data Distributors to choose to indemnify Bats in lieu of administering the Bats Subscriber Agreement to each External Subscriber.

External Controlled Data Distributors that opt for indemnification are required to include certain basic protections and rights in their own legally enforceable customer agreements that ensure Bats is protected to the same extent as if the External Controlled Data Distributors had administered the Bats Subscriber Agreement to each External Subscriber. An External Controlled Data Distributor may then provide the Exchange Data immediately after administering its own account agreement to the External Subscriber.

External Controlled Data Distributors that opt for indemnification must follow these guidelines:

1. Prior to distributing the Exchange Data, the External Controlled Data Distributor will have in place a legally valid and enforceable contract (a "Data Recipient Account Agreement") with the External Subscriber that (i) governs the accounts held by the External Subscriber with the External Controlled Data Distributor through which the External Subscriber is entitled to access the Exchange Data, including any limitations on the External Subscriber's right to redistribute the Exchange Data, and (ii) protects Bats and the Bats Indemnified Parties (as defined in the Data Agreement) to the same extent as if the External Controlled Data Distributor had presented and the External Subscriber had signed the Bats Subscriber Agreement.
2. In terms of recordkeeping and retention, Data Recipient Account Agreements are subject to applicable Bats requirements. In the event of a dispute with External Subscriber(s) relating to the Exchange Data, the External Controlled Data Distributor agrees to provide Bats with copies of the relevant Data Recipient Account Agreements.
3. External Controlled Data Distributor must indemnify Bats, all Bats Indemnified Parties and any third parties against any assertion of claims or losses relating to the Exchange Data made by an External Subscriber who receives the Exchange Data from the External Controlled Data Distributor (or any person relying upon the Exchange Data received by such External Subscriber) arising from External Controlled Data Distributor's election to distribute Exchange Data to such External Subscriber under a Data Recipient Account Agreement rather than under a Bats Subscriber Agreement.

Option 2 – Incorporation by Reference

In lieu of administering the exact language of the Bats Subscriber Agreement to each Subscriber, External Controlled Data Distributors may choose to add specific language protecting Bats to their own legally valid and enforceable customer contract (each a "Data Recipient Account Agreement") in addition to offering a copy of the Bats Subscriber Agreement. Thus, by signing the Data Recipient Account Agreement, External Subscribers also assent to the standard Bats Subscriber Agreement terms.

External Controlled Data Distributors that opt for "Incorporation by Reference" must follow these instructions:

1. Include the language below prominently on the signature page of the Data Recipient Account Agreement. Prior to including this language in the Data Recipient Account Agreement, in the blank provided, insert the term in the Data Recipient Account Agreement that references the person receiving the information (*i.e.*, customer, account holder, subscriber, member, etc.).

By executing this Agreement, _____, (known as "Subscriber" in the Bats Global Markets Holdings, Inc. Subscriber Agreement) agrees that:

- a. it has read and agrees to be bound by the Bats Global Markets Holdings, Inc. Subscriber Agreement, a copy of which is attached hereto;
- b. the Data Recipient/Vendor (i) is not an agent of Bats Global Markets Holdings, Inc.; (ii) is not authorized to add to or delete any terms or provisions from the Bats Global Markets Holdings, Inc. Subscriber Agreement; and (iii) is not authorized to modify any provision of the Bats Global Markets Holdings, Inc. Subscriber Agreement; and

- c. **no provision has been added to or deleted from the Bats Global Markets Holdings, Inc. Subscriber Agreement and that no modifications have been made to it. Both the Subscriber and the person executing on behalf of the Subscriber warrant that the Subscriber is legally able to undertake the obligations set forth in and the signatory is duly authorized to bind the Subscriber to the Bats Global Markets Holdings, Inc. Subscriber Agreement.**

2. Provide each External Subscriber with a copy of the Bats Subscriber Agreement.

Once the Data Recipient Account Agreement is signed by both the External Subscriber and the External Controlled Data Distributor, and the External Subscriber has been provided a copy of the Bats Subscriber Agreement, Bats considers the External Subscriber to be authorized to receive Exchange Data. Please note that Bats does not require External Controlled Data Distributors to submit copies of the executed Data Recipient Account Agreements to Bats.

Option 3 – Online Click-Through Version

External Controlled Data Distributors are permitted to offer an online click-through version of the Bats Subscriber Agreement to each External Subscriber, but if a Bats Subscriber Agreement is not administered properly, the External Controlled Data Distributor must indemnify Bats in the event of a claim.

To offer an online click-through version of the Bats Subscriber Agreement to External Subscribers, copy the full text of the Bats Subscriber Agreement and complete the necessary programming to ensure the External Subscriber can enter the following information:

- Firm Name
- Full Name of Person Authorized to Sign the Agreement
- Title of Person Authorized to Sign the Agreement
- Date of Authorization

The following language must be provided to the External Subscriber where the External Subscriber must agree to it by marking the applicable checkbox:

“ACCEPTED AND AGREED: I, an authorized officer of the Subscriber to which the preceding terms and conditions refer, acknowledge that I have read the preceding terms and conditions of this Agreement, that I understand them, and that I hereby manifest my assent to, and my agreement to comply with, those terms and conditions by “clicking” on the following box.”

Submission of a sample copy of the Data Recipient’s agreement, and any amendments thereto, is required.

Once these steps have been completed, Bats considers the External Subscriber to be authorized to receive Exchange Data.

Option 4 – Hard Copy Agreement

External Controlled Data Distributors are permitted to offer a hard copy/paper version of the Bats Subscriber Agreement to each External Subscriber. Bats permits External Controlled Data Distributors to accept faxed and scanned copies of the agreement as legal documents.

External Controlled Data Distributors that opt for the hard copy version of the Bats Subscriber Agreement should follow these instructions:

1. Copy the text of the Bats Subscriber Agreement onto company letterhead.
2. Print the Bats Subscriber Agreement on your organization’s letterhead for your records.

Once the Bats Subscriber Agreement is signed by both the External Subscriber and the External Controlled Data Distributor, and the External Subscriber has been provided an executed copy of the Bats Subscriber Agreement, Bats considers the External Subscriber to be authorized to receive Exchange Data.

Display Usage Reporting

Controlled Data Distributors are required to report the number of devices used for Display Usage to Bats depending on the requirements for the specified data product as follows:

Product	Internal Display User Reporting Requirement	External Display User Reporting Requirement
Bats Depth	No Reporting Required	No Reporting Required
Bats Top	No Reporting Required	Monthly Reporting Required
Bats Last Sale	No Reporting Required	Monthly Reporting Required
Bats One Feed	No Reporting Required	Monthly Reporting Required
Bats Options Depth	Monthly Reporting Required	Monthly Reporting Required
Hotspot US Depth	No Reporting Required	Monthly Reporting Required
Hotspot London Depth	No Reporting Required	Monthly Reporting Required

If a product shown above requires no reporting, Controlled Data Distributors do not have to report the Data Users receiving the controlled data or Data User display quantities. For products that require Display Data User Reporting, Controlled Data Distributors must count every Professional Data User and Non-Professional Data User to which they provide Exchange Data. Thus, the Controlled Data Distributor's count will include every Data User that accesses the Exchange Data, regardless of the purpose for which the Data User uses the Exchange Data. Controlled Data Distributors must report all Professional Data Users and Non-Professional Data Users in accordance with the following:

- In connection with a Controlled Data Distributor's distribution of Exchange Data, the Controlled Data Distributor should count as one Data User each unique Data User that the Controlled Data Distributor has entitled to have access to the Exchange Data. However, where a device is dedicated specifically to a single individual, the Controlled Data Distributor should count only the individual and need not count the device.
- The Controlled Data Distributor should identify and report each unique Data User. If a Data User uses the same unique method to gain access to the Exchange Data, the Controlled Data Distributor should count that as one Data User. However, if a unique Data User uses multiple methods to gain access to the Exchange Data (e.g., a single Data User has multiple passwords and user identifications), the Controlled Data Distributor should report all of those methods as one Data User.
- Controlled Data Distributors should report each unique individual person who receives access through multiple devices as one Data User so long as each device is dedicated specifically to that individual.
- If a Controlled Data Distributor entitles one or more individuals to use the same device, the Controlled Data Distributor should include only the individuals, and not the device, in the count.

Controlled Data Distributors must submit usage reports of real-time Exchange Data on a monthly basis using the Bats Data Recipient Declaration system by entering details directly or via upload files in CSV format. TCB Data is available as an alternative if requested. Monthly reporting for the prior month's activity is due on the 15th of the current month (*i.e.*, August 15th is the due date for July reporting). For Display Usage reporting, firms may submit revised reporting in order to correct errors in the reporting of total quantities or Data User categorization. Controlled Data Distributors may only submit revised

reporting within 60 days of the date where usage activity occurred 30 calendar days after the reporting due date (i.e., June 14th for April reporting). Each report must include the following:

- Data User Firm name, contact information, and billing address
- Address at which Data User receives the Exchange Data
- Type of service
- The earliest date upon which a Data User receives the Exchange Data from the Controlled Data Distributor
- The last date upon which a Data User receives the Exchange Data from the Controlled Data Distributor (termination date)
- Number of Display Data Users

Controlled Data Distributors that distribute Exchange Data to Data Users that have obtained an Enterprise license are not required to report Data User quantities monthly, but are required to provide Data User quantities for each Data User every six months.

Non-Display Usage Reporting

Non-Display Usage may include but is not limited to:

- Algorithmic/automated trading
- Order routing
- Surveillance
- Order management
- Risk management

Firms operating a registered Automated Trading System (ATS), Electronic Communication Network (ECN) or National Securities Exchange trading platform will be required to (i) promptly provide Bats with written notice in the case that equity depth Exchange Data is or will be used within the trading platform (including any order routing system dedicated for use within the trading platform); and (ii) provide Bats with written notice when equity depth Exchange Data is discontinued for use within the trading platform or dedicated order router.

Usage Fees

For External Controlled Data Distributors, Display Usage fees by Data Users will be collected by the External Controlled Data Distributor and then remitted to Bats, including Enterprise or Digital Media fees, if applicable. See Section 12 of these Policies for more details. Non Display Usage fees will apply for firms that use equity depth Exchange Data within a registered ATS, ECN or Exchange.

Notice and Enforcement

Each External Controlled Data Distributor shall (i) enforce each of its External Subscriber's compliance with the terms of the Subscriber Agreement; (ii) provide Bats written notice of any violation thereof by an External Subscriber, immediately upon becoming aware of such violation; (iii) provide Bats notice of termination of any Bats Subscriber Agreement, immediately upon receiving or serving notice of such termination; (iv) provide Bats any assistance as Bats may reasonably request in enforcing Bats' rights under any Bats Subscriber Agreement; (v) upon Bats' request, cease providing any Exchange Data to any External Subscriber; and (vi) provide Bats written notice promptly upon becoming aware of any acts or omissions of any External Subscriber or other person, in addition to those otherwise required to be reported herein, which External Controlled Data Distributor believes, in its reasonable discretion, might jeopardize or prejudice the rights of Bats in any Exchange Data or threaten the security or operations of any systems or other technology utilized by or on behalf of Bats or any Data Recipient to disseminate any Exchange Data.

Trial Usage

External Controlled Data Distributors are permitted to provide real-time Exchange Data to their Data Users through a trial or for demonstration purposes for a limited time. If an External Controlled Data Distributor desires to provide Exchange Data to any Data User on a trial basis, such External Controlled Data Distributor is not required to qualify Data Users through one of the methods identified above in the event the External Controlled Data Distributor (i) enters into the External Controlled Data Distributor Trial Addendum (the "ECDD Trial Addendum") and (ii) fully complies with each of the following requirements:

- No Data User shall be permitted to use Exchange Data pursuant to the ECDD Trial Addendum for a period of longer than thirty (30) days (the "Trial Period"). At the end of the Trial Period, the Data User that has participated in the trial must cease all use of the Exchange Data or be qualified (as of the effective date of termination of the Trial Period) through one of the methods identified above.
- Each Data User may participate in the trial only once for each Exchange Data product offered by Bats.
- The External Controlled Data Distributor must (i) continuously maintain a list of each Data User to which Exchange Data is provided under the ECDD Trial Addendum, together with the Data User's firm name and contact information, the specific Exchange Data product to which such Data User was or will be provided access, the date such Data User commenced or will commence receiving the Exchange Data, and the last date upon which the Data User received or will receive the Exchange Data pursuant to the ECDD Trial Addendum; and (ii) provide such documentation to Bats via marketdata@bats.com, promptly upon Bats' request.

9 Service Facilitator

A Data Recipient may delegate any of its responsibilities, obligations or duties under or in connection with the Data Agreement to an authorized third party agent ("**Service Facilitator**"), which may discharge those responsibilities, obligations or duties on behalf of the Data Recipient in accordance with the Data Agreement; *provided, however*, that the Data Recipient shall be and will remain responsible for compliance by such Service Facilitators with all applicable terms and conditions of the Data Agreement and all other acts and omissions thereby in connection with the receipt, use and distribution of the Exchange Data. Service Facilitators may support one or more functions for the Data Recipient including, but not limited to, website operation, software development, facilities and equipment operation, and service installation. The Data Recipient must, through a legally enforceable written agreement with each Service Facilitator:

- Ensure Bats is protected to the same extent as if the Service Facilitator were a party to the Data Agreement, including without limitation by permitting Bats to audit the Service Facilitator on the same terms as Bats is permitted to audit the Data Recipient under the Data Agreement.
- Ensure no terms of such agreement conflict with the terms of the Data Agreement.
- Ensure Exchange Data or controlled data distribution of Exchange Data to a Data Recipient may occur only after the Data Recipient is authorized by Bats, or Data Recipient is qualified through one of the Controlled Data Distributor qualification methods outlined above.
- Ensure the Data Recipient, and not the Service Facilitator, controls all entitlement of Exchange Data to the Data Recipient.

Notwithstanding the foregoing, the Service Facilitator must sign a Data Agreement and must fulfill all requirements of the Exchange if the Service Facilitator receives Exchange Data directly from Bats. Finally, if the Data Recipient uses any Service Facilitators, the Data Recipient must provide a list of all Service Facilitators to Bats on the Service Facilitator List.

10 Delayed Data

Once a period of time has passed since the dissemination of Exchange Data by Bats, Real-time Exchange Data will become Delayed Exchange Data. There are different requirements for the distribution of Delayed Exchange Data as compared to Real-time Exchange Data. The following definitions apply:

- **Delay Period** – The period of time that has passed since the dissemination of Exchange Data by Bats, which is currently 15 minutes.
- **Real-time Exchange Data** – Exchange Data distributed prior to the Delay Period.
- **Delayed Exchange Data** – Exchange Data distributed after the Delay Period,

Controlled Data Distributors of Delayed Exchange Data are not required to qualify Data Users in respect of receipt of Delayed Exchange Data identified in the Controlled Data Requirements section of these Policies. Thus, Controlled Data

Distributors of Delayed Data are not required to administer a Bats Subscriber Agreement or equivalent with such Data Users. In addition, Uncontrolled Data Distributors of Delayed Exchange Data are not required to obtain a Data Agreement from Data Users receiving Delayed Exchange Data or report Data Users receiving Delayed Data. The waiver of the qualification and agreement requirement by Bats does not limit the Controlled Data Distributor's or Uncontrolled Data Distributor's obligations as described within the Data Agreement executed with Bats.

For Distributors providing Delayed Data, Bats requires that an appropriate delay message be provided to Subscribers for all displays of Exchange Data. The delay message must prominently appear on all displays containing Delayed Data, such as at or near the top of the page. In the case of a ticker, the delay message should be interspersed with the market data at least every 90 seconds. Examples of appropriate delay messages are as follows: "Data Delayed 15 minutes", "Data Delayed 24 hours", "Delayed Data", "Del-15", and "Data Delayed until Midnight CET".

11 Derived Data

"Derived Data" is pricing data or other data that (i) is created in whole or in part from Exchange Data and (ii) cannot be readily reverse-engineered to recreate Exchange Data or used to create other data that is a reasonable facsimile or substitute for Exchange Data. In addition, Derived Data that contains price data and is based upon a single security symbol or currency pair is generally fee liable at the underlying product rates. Data Recipients distributing Derived Data must use the Exchange Data Order Form and System Description to describe any Derived Data created using Exchange Data. Distributors of Derived Data are not required to report Data Users receiving Derived Data. Distribution of Derived Data does not require the Data User receiving Derived Data to sign a Data Agreement with Bats, but note, if a distributor opts not to administer a Bats Subscriber Agreement, then the distributor is required to indemnify Bats in the event of a claim.

12 Fees

Fees for U.S. Exchange Data (Depth, Top (LEVEL 1) and Last Sale) are displayed on the Bats website at:

<http://www.bats.com/us/equities/membership/pricing/>
http://www.batsoptions.com/support/fee_schedule/

If a Data Recipient is receiving identical Exchange Data from (i) multiple Uncontrolled Data Distributors or (ii) from one or more Uncontrolled Data Distributors and Bats, the Data Recipient will only be required to pay the distribution fee once to Bats – either the Internal Distribution Fee or the External Distribution Fee – depending on whether the Data Recipient is distributing the Exchange Data internally or externally. Notwithstanding the foregoing, if a Data Recipient is distributing the Bats One Feed internally and externally, the Data Recipient will be required to pay both the Internal Distribution Fee and the External Distribution Fee.

Historical Data

Data Recipients can subscribe to Bats Historical Depth, Top (LEVEL 1), and Last Sale data on a T+1 basis. Up to three months of data is available via download from the Bats website. Additional data can be uploaded to a 1TB hard drive for a single fee per drive per Exchange. A Bats web login account is required to subscribe to these Historical Data feeds. For assistance, please visit http://www.batstrading.com/market_data/products/ or contact Bats Market Data Services at 212.378.8821 or marketdata@bats.com.

Other Data Feeds

To request a subscription to the Bats Auction Feed, please contact Bats Market Data Services at 212.378.8821 or marketdata@bats.com.

13 Audit

Bats has the right to conduct comprehensive audits of Data Recipients on a regular basis. The purpose of the audits is to ensure that Data Recipients that distribute Exchange Data are complying with the terms of their agreements with Bats. Bats will review Data Recipients to verify that they are in compliance with Bats' data requirements. Audits will cover a Data Recipient's market data infrastructure for three (3) years preceding the date of the audit. The Data Recipient's liability shall be limited to unpaid fees, together with interest, for underreporting, underpayment or other financial noncompliance that has occurred during the audit period, plus any costs and expenses as set forth in Section 10 of the Data Agreement, provided such underreporting, underpaying or other financial non-compliance is a result of a good faith error by Data Recipient.

Please refer to Section 10 of the Data Agreement for more details regarding Bats' audit right.

Upon the Company's listing on the Exchange, the Company must comply with the Exchange's requirements relating to Board Composition, Executive Sessions, Audit Committee, Compensation of Officers, Director Nomination Process, Code of Conduct, Quorum, Review of Related Party Transactions and Direct Registration of Company's Securities. By completing this form, you are certifying your Company's compliance with, or exemption from, these requirements.

In addition, the Bats BZX Exchange Rules include certain disclosure and notification requirements relating to the use of exemptions and phase-in schedules that are not outlined in this certification. Each Company is responsible for ensuring compliance with such requirements.

Also note that a Company that is a Smaller Reporting Company¹, Controlled Company², or a Foreign Private Issuer³ may need to submit a new certification if that status changes.

1. **Independent Directors-Rule 14.10(c)(2)(A)**

I hereby certify that the Company's board of directors is comprised of a majority of independent directors as required by Rule 14.10(c)(2)(A). If the Company is currently exempt from this requirement, check the appropriate box below:

For Initial Public Offerings, Companies Emerging From Bankruptcy and Transfers From Other Markets: Check here if the Company is utilizing the phase-in provisions pursuant to Rule 14.10(e)(2) to satisfy this requirement. If this box is checked, the certification above will be effective as of the end of the phase-in period.

A company relying upon this exemption must disclose in its annual meeting proxy statement (or, if the Company does not file a proxy, in its Form 10-K or 20-F) that it is a Controlled Company and the basis for that determination. In the event the Company ceases to be a Controlled Company, a new certification will be required.

For Foreign Private Issuers: Check here if the Company is following home-country practices in lieu of this requirement and has provided the Exchange with a written statement from independent counsel in the Company's home country certifying that the Company's practices are not prohibited by the home country's laws. The Company must disclose in its annual reports filed with the SEC that it does not comply with the independent director requirement of Rule 14.10(c)(2)(A) (as well as each other requirement of Rule 14.10 that it does not follow) and describe the home-country practice followed by the Company in lieu of such requirement.

For Limited Partnerships: Check here if the Company is utilizing the limited partnership exemption pursuant to Rule 14.10(e)(1)(D) to satisfy this requirement. If relying on this exemption, the Company must also submit to the Exchange

The fact that an applicant may meet the Exchange's numerical guidelines does not necessarily mean that its application will be approved. In connection with the review of any application, and as set forth in the Exchange's Listing Rules, the Exchange reserves the right to request additional information or documentation, public or non-public, deemed necessary to make a determination regarding a security's qualification for initial inclusion, including but not limited to, any material provided to or received from the SEC or other regulatory authority.

Please provide the following information in a separate attachment to this application.

Regulatory Proceedings/Litigation

1. With respect to the Company, its predecessors and its subsidiaries, provide a detailed description of all inquiries, investigations, lawsuits, litigation, arbitration, hearings, or any other legal or administrative proceedings commenced within the past ten years:

In connection with all proceedings that have been concluded, please provide documentation, which reflects the final disposition of each proceeding. The Company should update Staff promptly of any and all material developments related to the matters identified in the response to these questions and should supplement its response if additional matters arise while its application is pending.

2. Please note that securities of companies listing on the Exchange are required to be eligible for a Direct Registration Program operated by a clearing agency registered under Section 17A of the Exchange Act, such as the one offered by The Depository Trust Company ("DTC"). Company agrees and understands that a trading symbol is provided to Company for the limited purpose of identifying Company's security in authorized quotation and trading systems and that Company has no ownership rights in the trading symbol. The assignment and use of a trading symbol is governed by the National Market System Plan for the Selection and Reservation of Securities Symbols, and may be amended from time to time.
6. Company authorizes the Exchange to use Company's corporate logos, website address, trade names, and trade/service marks in order to publicize Company's listing on the Exchange, as well as to convey quotation information, transactional reporting information, and other information regarding Company in connection with the Exchange. 8. Company certifies that, no officer, board member, or non-institutional shareholder with greater than 10% ownership of the Company has been convicted of a felony or misdemeanor relating to financial issues (e.g., embezzlement, fraud, theft) in the past ten (10) years. The term "officer" in the foregoing sentence is used as such term is defined by the Securities and Exchange Commission in Rule 16a-1(f) under the Securities Exchange Act of 1934, or any successor rule.

Exchange Warranties; Disclaimers of Warranties

9. For any goods or services provided to Company, the Exchange shall endeavor to provide them in a good and workmanlike manner. Beyond the warranties stated in this section, there are no other warranties of any kind, express, implied or statutory (including the implied warranties of merchantability or fitness for a particular use or purpose).

Limitation of Liability

10. In no event will the Exchange be liable for any trading losses, loss of profits, indirect, special, punitive, consequential, or incidental loss or damage, even if the Exchange has been advised of the possibility of such damages. If the Exchange is, for any reason, held liable for any of the above, the liability of the Exchange is limited:

b) in all other instances, to the amount of the annual listing fee paid by Company during the twelve (12) months preceding the accrual of the claim.

11. Notwithstanding the foregoing, the Exchange shall not be relieved from liability for damages that result from the Exchange's gross negligence or willful tortious misconduct, or from personal injury or wrongful death claims.
12. For goods and services provided under a separate written agreement, the limitation of liability provisions in that agreement shall govern any claims relating to or arising from the provision of those goods and services.

5. CLP Quoting Incentives

.03 Supplemental Competitive Liquidity Provider Program for Exchange Traded Products

(a) *Overview.* The Supplemental Competitive Liquidity Provider Program for Exchange Traded Products (“ETP CLP Program”) is a voluntary program designed to promote market quality in certain securities listed on the Exchange. A CLP Company, as defined below, may list an eligible CLP Security, as defined below, on the Exchange, and in addition to the standard listing fee set forth in the fee schedule, a Sponsor, as defined below, may pay a fee (a “CLP Fee”) in order for the CLP Company to participate in the ETP CLP Program on behalf of an eligible CLP Security. The CLP Fee will be used for the purpose of incentivizing one or more ETP CLPs, as defined below, to enhance the market quality of the CLP Security. Subject to the conditions set forth in this rule, this incentive (the “CLP Rebate”) will be credited from the General Fund of the Exchange to one or more ETP CLPs that make a quality market in the CLP Security pursuant to the ETP CLP Program.

(b) *Definitions.* For purposes of this Rule, the terms set forth below shall have the following meanings:

(1) The term “ETP CLP” means a Member that electronically enters proprietary orders into the systems and facilities of the Exchange and is obligated to maintain a bid or an offer at the NBBO in each assigned CLP Security in round lots consistent with paragraph (i) below.

(2) The term “CLP Company” means the trust or company housing the ETP or, if the ETP is not a series of a trust or company, then the ETP itself. For ETPs housed by CLP Companies that have Sponsors, CLP Fees for CLP Securities will be paid by the Sponsors associated with the CLP Companies.

(3) The term “CLP Security” means an issue of or series of ETP securities issued by a CLP Company that meets all of the requirements to be listed on the Exchange as an ETP.

(4) The term “ETP” includes Portfolio Depository Receipts, Index Fund Shares, Trust Issued Receipts, and Managed Fund Shares, as defined in Rule 14.11(b), 14.11(c), 14.11(f), and 14.11(i), respectively.

(5) The term “Sponsor” means the registered investment adviser that provides investment management services to a CLP Company or any of such adviser’s parents or subsidiaries.

(c) *Application and withdrawal of CLP Companies.*

(1) *Application.* An entity wishing to participate in the ETP CLP Program must submit an application in the form prescribed by the Exchange.

(2) *Withdrawal.*

(A) After a CLP Company, on behalf of a CLP Security, is in the ETP CLP Program for not less than two consecutive quarters, but less than one year, it

5. CLP Quoting Incentives

may voluntarily withdraw from the ETP CLP Program on a quarterly basis. The CLP Company must notify the Exchange in writing not less than one month prior to withdrawing from the ETP CLP Program. Notwithstanding, the Exchange may determine to allow a CLP Company to withdraw from the ETP CLP Program earlier. In making this determination, the Exchange may take into account the volume and price movements in the CLP Security; the liquidity, size quoted, and quality of the market in the CLP Security; and any other relevant factors.

(B) After a CLP Company, on behalf of a CLP Security, is in the ETP CLP Program for one year or more, it may voluntarily withdraw from the ETP CLP Program on a monthly basis. The CLP Company must notify the Exchange in writing not less than one month prior to withdrawing from the ETP CLP Program.

(3) After a CLP Company, on behalf of a CLP Security, is in the ETP CLP Program for one year, the ETP CLP Program and all obligations and requirements of the ETP CLP Program will automatically continue on an annual basis unless: (1) the Exchange terminates the ETP CLP Program by providing not less than one month prior notice of intent to terminate or the pilot ETP CLP Program is not extended or made permanent pursuant to a proposed rule change subject to filing with or approval by the Commission under Section 19(b) of the Exchange Act; (2) the CLP Company withdraws from the ETP CLP Program pursuant to subsection (c)(2) of this rule; or (3) the CLP Company is terminated from the ETP CLP Program pursuant to subsection (n) of this rule.

(d) CLP Company Participation and Fee Liability.

(1) For a CLP Company, on behalf of a CLP Security, to be eligible to participate in the ETP CLP Program, the following conditions must be satisfied:

(A) The Exchange must have accepted the ETP CLP Program application of the CLP Company with respect to a CLP Security, and must have accepted the ETP CLP Program application of at least one ETP CLP in the same CLP Security;

(B) The CLP Security must meet all requirements to be listed on the Exchange as an ETP;

(C) The CLP Security must meet all Exchange requirements for continued listing at all times the CLP Security participates in the ETP CLP Program; and

(D) During such time that a CLP Company lists a CLP Security, the CLP Company must, on a product-specific website for each product, indicate that the product is in the ETP CLP Program and provide a link to the Exchange's ETP CLP Program website.

(2) CLP Fees.

5. CLP Quoting Incentives

(A) A CLP Company participating in the ETP CLP Program shall incur an annual basic CLP Fee of \$5,000 per CLP Security. The basic CLP Fee must be paid to the Exchange prospectively on a quarterly basis.

(B) A CLP Company may also incur an annual supplemental CLP Fee per CLP Security. The basic CLP Fee and supplemental CLP Fee, when combined, may not exceed \$100,000 per year. The supplemental CLP Fee is a fee selected by a CLP Company on an annual basis, if at all. The supplemental CLP Fee must be paid to the Exchange prospectively on a quarterly basis.

(i) The amount of the supplemental CLP Fee, if any, will be determined by the CLP Company initially per CLP Security and will remain the same for the period of a year.

(ii) The Exchange will provide notification on its website regarding the amount, if any, of any supplemental CLP Fee determined by a CLP Company per CLP Security.

(C) The CLP Fee is in addition to the standard (non-ETP CLP Program) Exchange listing fee applicable to the CLP Security and does not offset such standard listing fee.

(i) For a CLP Security housed by a CLP Company that has a Sponsor or Sponsors, the CLP Fee with respect to a CLP Security shall be paid by the Sponsor or Sponsors of such CLP Security.

(D) The Exchange will prospectively bill each CLP Company for the quarterly CLP Fee for each CLP Security.

(E) CLP Fees (basic and supplemental) will be credited to the General Fund of the Exchange.

(3) Exchange Traded Products. Any CLP Company, on behalf of a CLP Security, shall be eligible for the ETP CLP Program unless and until such CLP Security has had a CADV of equal to or greater than one million shares for three (3) consecutive calendar months. Any CLP Security initially listed on the Exchange shall be eligible for the ETP CLP Program for the first six months that it is listed on the Exchange, regardless of the ETP's CADV. Notwithstanding the foregoing, an ETP participating in the Competitive Liquidity Provider Program under Exchange Rule 11.8 Interpretation and Policy .02 (the ".02 Program") shall not be eligible for participation in this ETP CLP Program until and unless such ETP is no longer participating in the .02 Program.

(4) A CLP Company that, on behalf of a CLP Security, is approved to participate in the ETP CLP Program shall issue a press release to the public when the CLP Company, on behalf of a CLP Security, commences or ceases participation in the ETP CLP Program. The press release shall be in a form and manner prescribed by the Exchange, and, if practicable, shall be issued at least two days before

5. CLP Quoting Incentives

commencing or ceasing participation in the ETP CLP Program. The CLP Company shall dedicate space on its website, or, if it does not have a website, on the website of the Sponsor of the CLP Security, that (i) includes any such press releases, and (ii) provides a hyperlink to the dedicated page on the Exchange's website that describes the ETP CLP Program, as described in paragraph (o) below.

(e) *Incentives and Penalties for ETP CLPs.* ETP CLPs are subject to both a daily quoting requirement in order to be eligible to receive financial incentives and a monthly quoting requirement in order to remain qualified as an ETP CLP. Any ETP CLP that meets the daily quoting requirement set forth in paragraph (i) below, will be eligible to receive a CLP Rebate for each day's quoting activity. The details of the financial benefits to ETP CLPs are included in paragraph (m) below. An ETP CLP that does not meet the ETP CLP monthly quoting requirement is subject to the non-regulatory penalty provision described in paragraph (l) below ("Non-Regulatory Penalties").

(f) *Qualifications of an ETP CLP.* To qualify as an ETP CLP, a Member must be a registered Market Maker in good standing with the Exchange consistent with Rules 11.5 through 11.8 and must have:

(1) Adequate technology to support electronic trading through the systems and facilities of the Exchange;

(2) One or more unique identifiers that identify to the Exchange ETP CLP trading activity in assigned CLP Securities. A Member may not use such unique identifiers for trading activity at the Exchange in assigned CLP Securities that is not ETP CLP trading activity, but may use the same unique identifiers for trading activity in securities not assigned to an ETP CLP. If a Member does not identify to the Exchange the unique identifier to be used for ETP CLP trading activity, the Member will not receive credit for such ETP CLP trading;

(3) Adequate trading infrastructure to support ETP CLP trading activity, which includes support staff to maintain operational efficiencies in the ETP CLP Program and adequate administrative staff to manage the Member's participation in the ETP CLP Program;

(4) Quoting and volume performance that demonstrates an ability to meet the ETP CLP quoting requirement in each assigned CLP Security on a daily and monthly basis; and

(5) A disciplinary history that is consistent with just and equitable business practices.

(g) *Application Process.*

(1) To become an ETP CLP, a Member must submit an ETP CLP application form with all supporting documentation to the Exchange.

5. CLP Quoting Incentives

(2) The Exchange will determine whether an applicant is qualified to become an ETP CLP based on the qualifications described in paragraph (f) above (“Qualifications of an ETP CLP”).

(3) After an applicant submits an ETP CLP application to the Exchange, with supporting documentation, the Exchange shall notify the applicant Member of its decision.

(4) If an applicant is approved by the Exchange to receive ETP CLP status, such applicant must establish connectivity with relevant Exchange systems before such applicant will be permitted to trade as an ETP CLP on the Exchange.

(5) In the event an applicant is disapproved by the Exchange, such applicant may seek review under Chapter X of the Exchange’s Rules governing adverse action and/or reapply for ETP CLP status at least three (3) calendar months following the month in which the applicant received the disapproval notice from the Exchange.

(h) *Voluntary Withdrawal of ETP CLP Status.* An ETP CLP may withdraw from the status of an ETP CLP by giving written notice to the Exchange. Such withdrawal shall become effective when those CLP Securities assigned to the withdrawing ETP CLP are reassigned to another ETP CLP. After the Exchange receives the notice of withdrawal from the withdrawing ETP CLP, the Exchange will reassign such CLP Securities as soon as practicable but no later than thirty (30) days after the date said notice is received by the Exchange. In the event the reassignment of CLP Securities takes longer than the 30-day period, the withdrawing ETP CLP will have no obligations under this Interpretation and Policy .03 and will not be held responsible for any matters concerning its previously assigned CLP Securities upon termination of this 30-day period.

(i) *ETP CLP Quoting Requirements.*

(1) The Exchange will measure the performance of an ETP CLP in assigned CLP Securities by calculating Size Event Tests (“SETs”) between 9:25 a.m. and 4:05 p.m. on every day on which the Exchange is open for business. The Exchange will measure each ETP CLP’s quoted size, excluding odd lots, at the NBB and NBO at least once per second to determine SETs. The three ETP CLPs with the greatest aggregate size at the NBB at the time of each SET (a “Bid SET”) will be considered to have a winning Bid SET (a “Winning Bid SET”). In the event of a tie, all ETP CLPs with the same aggregate size at the NBB will be considered to have a Winning Bid SET if there are two or less CLPs that have greater aggregate size at the NBB. Of the ETP CLPs with a Winning Bid SET for a particular Bid SET, the ETP CLPs with the greatest aggregate size at the NBB will receive three (3) Bid SET credits (“Bid SET Credits”); the ETP CLPs with the second greatest aggregate size at the NBB will receive two (2) Bid SET Credits; and the ETP CLPs with the third greatest aggregate size at the NBB will receive one (1) Bid SET Credit. Separately, the three ETP CLPs with the greatest aggregate size at the NBO at the time of each SET (an “Offer SET”) will be considered to have a winning Offer SET (a “Winning Offer SET”). In the event of a tie, all ETP CLPs with the same aggregate size at the

5. CLP Quoting Incentives

NBO will be considered to have a Winning Offer SET if there are two or less CLPs that have greater aggregate size at the NBO. Of the ETP CLPs with a Winning Offer SET for a particular Offer SET, the ETP CLPs with the greatest aggregate size at the NBO will receive three (3) Offer SET credits (“Offer SET Credits”); the ETP CLPs with the second greatest aggregate size at the NBO will receive two (2) Offer SET Credits; and the ETP CLPs with the third greatest aggregate size at the NBO will receive one (1) Offer SET Credit.

(A) **Daily Quoting Requirement.** An ETP CLP must have Winning Bid SETs or Winning Offer SETs equal to at least 10% of the total Bid SETs or total Offer SETs, respectively, on any trading day in order to meet its daily quoting requirement and to be eligible for the CLP Rebate (each such ETP CLP an “Eligible ETP CLP”) for a CLP Security, as described in sub-paragraph (m)(1). Eligible ETP CLPs will be ranked according to the number of Bid SET Credits and Offer SET Credits each trading day, and only the Eligible ETP CLP or Eligible ETP CLPs ranked number one and the Eligible ETP CLP or Eligible ETP CLPs ranked number two in each of the Bid SET Credits and Offer SET Credits will receive the CLP Rebate.

(B) **Monthly Quoting Requirement.** An ETP CLP must be quoting at the NBB or the NBO 10% of the time the Exchange calculates SETs to meet its monthly quoting requirement.

(2) For purposes of calculating whether an ETP CLP is in compliance with its ETP CLP quoting requirements, the ETP CLP must post displayed liquidity in round lots in its assigned CLP Securities at the NBB or the NBO.

(3) An ETP CLP may post non-displayed liquidity; however, such liquidity will not be counted as credit towards the ETP CLP quoting requirements.

(4) The ETP CLP shall not be subject to any minimum or maximum quoting size requirement in assigned CLP Securities apart from the requirement that an order be for at least one round lot; however, the ETP CLP must be quoting, at a minimum, the number of shares in five round lots (usually 500 shares), excluding odd lots, at the NBB or NBO at the time of a SET in order to have a Winning Bid SET or Winning Offer SET, respectively. The ETP CLP quoting requirements will be measured by utilizing the unique identifiers that the Member has identified for ETP CLP trading activity.

(5) In order for an ETP CLP to have a Winning Bid SET during Regular Trading Hours, the ETP CLP must also be quoting at least a displayed round lot offer, excluding odd lots, at a price at or within 1.2% of the ETP CLP’s bid at the time of the SET. For an ETP CLP to have a Winning Offer SET during Regular Trading Hours, the ETP CLP must also be quoting at least a displayed round lot bid, excluding odd lots, at a price at or within 1.2% of the ETP CLP’s offer at the time of the SET.

(j) *Assignment of CLP Securities.*

5. CLP Quoting Incentives

(1) The Exchange, in its discretion, will assign to the ETP CLP one or more CLP Securities for ETP CLP trading purposes. The Exchange shall determine the number of CLP Securities assigned to each ETP CLP.

(2) The Exchange, in its discretion, will assign one (1) or more ETP CLPs to each CLP Security subject to the ETP CLP Program, depending upon the trading activity of the CLP Security.

(k) *Entry of Orders by ETP CLPs.* ETP CLPs may only enter orders electronically directly into Exchange systems and facilities designated for this purpose. All ETP CLP orders must only be for the proprietary account of the ETP CLP Member.

(l) *Non-Regulatory Penalties.*

(1) If an ETP CLP fails to meet the ETP CLP quoting requirements set forth in paragraph (i), the following non-regulatory penalties may be imposed by the Exchange:

(A) If, between 9:25 a.m. and 4:05 p.m. on any day on which the Exchange is open for business, an ETP CLP fails to meet its daily quoting requirement as set forth in sub-paragraph (i)(1)(A) above by failing to have at least 10% of the Winning Bid SETs or Winning Offer SETs for that trading day, the ETP CLP will not be eligible to receive a CLP Rebate for that day's quoting activity in that particular assigned CLP Security in accordance with sub-paragraph (m)(1); and

(B) If an ETP CLP fails to meet its monthly quoting requirement as set forth in sub-paragraph (i)(1)(B) above for three (3) consecutive months in any assigned CLP Security, the ETP CLP will be at risk of losing its ETP CLP status, and the Exchange may, in its discretion, take the following non-regulatory actions:

(i) revoke the assignment of the affected CLP Security(ies) and/or one or more additional unaffected CLP Securities; or

(ii) subject to sub-paragraph (1)(2) below, disqualify a Member's status as an ETP CLP.

(2) The Exchange shall determine if and when a Member is disqualified from its status as an ETP CLP. One (1) calendar month prior to any such determination, the Exchange will notify the ETP CLP of such impending disqualification in writing. If the ETP CLP fails to meet the monthly quoting requirements set forth in sub-paragraph (i)(1)(B) above (for a third consecutive month) in a particular CLP Security, the ETP CLP may be disqualified from ETP CLP status. When disqualification determinations are made, the Exchange will provide a disqualification notice to the Member informing such Member that it has been disqualified as an ETP CLP.

(3) In the event a Member is determined to be ineligible for the CLP Rebate pursuant to sub-paragraph (1)(1)(A) or is disqualified from its status as an ETP

5. CLP Quoting Incentives

CLP pursuant to sub-paragraph (l)(1)(B), such Member may seek review under Chapter X of the Exchange’s Rules governing adverse action. Any Member disqualified from its status as an ETP CLP pursuant to sub-paragraph (l)(1)(B)(ii) may re-apply for ETP CLP status in accordance with paragraph (g) (“Application Process”) above. Such application process shall occur at least three (3) calendar months following the month in which such Member received its disqualification notice.

(m) *Financial Incentives for ETP CLPs.*

(1) *CLP Rebates.* Eligible ETP CLPs, as defined in sub-paragraph (i)(1)(A) above, shall compete for CLP Rebates based on each day’s quoting activity as follows:

Class of Security	Amount of Total Daily CLP Rebate	Allocation of Daily CLP Rebate*
CLP Securities Listed Pursuant to Rule 14.11(b), (c), (f), and (i)	One quarter of total annual CLP Fees for the CLP Security divided by the number of trading days in the current quarter	<p>For CLP Securities in which the CLP Fee is equal to or greater than \$40,000 and for which there are three Eligible ETP CLPs, the ETP CLPs with the highest, second highest, and third highest number of Bid Set Credits** will receive 50%, 30%, and 20%, respectively, of half of the daily CLP Rebate for the CLP Security;</p> <p>For all other CLP Securities, ETP CLPs with highest and second highest number of Bid SET Credits will receive 60% and 40%, respectively, of half of the daily CLP Rebate for the CLP Security;</p> <p>For CLP Securities in which the CLP Fee is equal to or greater than \$40,000 and for which there are three Eligible ETP CLPs, the ETP CLPs with the highest, second highest, and third highest number of Offer Set Credits will receive 50%, 30%, and 20%, respectively, of half of the daily CLP Rebate for the CLP Security;</p>

5. CLP Quoting Incentives

		For all other CLP Securities, ETP CLPs with highest and second highest number of Offer SET Credits will receive 60% and 40%, respectively, of half of the daily CLP Rebate for the CLP Security.
--	--	--

* In the event only one ETP CLP is eligible for the bid or offer portion of the CLP Rebate, 100% of such rebate will be provided to such ETP CLP. In the event that multiple ETP CLPs have an equal number of Bid SET Credits or Offer SET Credits, the ETP CLP with the highest executed volume in the CLP Security will be awarded the applicable portion of the CLP Rebate. Where no ETP CLPs are eligible for the bid or offer portion of the CLP Rebate, no CLP Rebate will be awarded to any ETP CLP and no refund will be provided to the applicable CLP Company or its Sponsor.

** Size Event Tests, or SETs, are defined in paragraph (i) above.

(n) Termination.

(1) The ETP CLP Program will terminate with respect to a CLP Security under the following circumstances:

(A) A CLP Security sustains a CADV of one million shares or more for three (3) consecutive months, however, any CLP Security initially listed on the Exchange shall be eligible for the ETP CLP Program for the first six months that it is listed on the Exchange, regardless of the CLP Security's CADV;

(B) A CLP Company, on behalf of a CLP Security, withdraws from the ETP CLP Program, is no longer eligible to be in the ETP CLP Program pursuant to this rule, or its Sponsor ceases to make CLP Fee payments to the Exchange;

(C) A CLP Security is delisted or is no longer eligible for the ETP CLP Program;

(D) A CLP Security does not, for two consecutive quarters, have at least one ETP CLP that is eligible for a CLP Rebate.

(2) Termination of a CLP Company, CLP Security, or ETP CLP does not preclude the Exchange from allowing re-entry into the ETP CLP Program where the Exchange deems proper.

5. CLP Quoting Incentives

- (o) The Exchange will provide notification on its website regarding the following:
- (1) Acceptance of a CLP Company, on behalf of a CLP Security, and an ETP CLP into the ETP CLP Program;
 - (2) The total number of CLP Securities that any one CLP Company may have in the ETP CLP Program;
 - (3) The names of CLP Securities and the ETP CLP(s) in each CLP Security, the dates that a CLP Company, on behalf of a CLP Security, commences participation in and withdraws or is terminated from the ETP CLP Program, and the name of each CLP Company and the associated CLP Securities on behalf of which it is participating in the ETP CLP Program;
 - (4) A statement about the ETP CLP Program that sets forth a general description of the ETP CLP Program as implemented on a pilot basis and a fair and balanced summation of the potentially positive aspects of the ETP CLP Program (e.g. enhancement of liquidity and market quality in CLP Securities) as well as the potentially negative aspects and risks of the ETP CLP Program (e.g. possible lack of liquidity and negative price impact on CLP Securities that are withdrawn or are terminated from the ETP CLP Program), and indicates how interested parties can get additional information about CLP Securities in the ETP CLP Program; and
 - (5) The intent of a CLP Company, on behalf of a CLP Security, or ETP CLP to withdraw from the ETP CLP Program, and the date of actual withdrawal or termination from the ETP CLP Program.

(p) The ETP CLP Program will be effective for a pilot period set to expire on April 28, 2016.
