Listing Application

This Pricing Supplement comprises the details required to list the issue of Notes described herein pursuant to the listing of the Global Medium-Term Note Program of ADB.

Use of Proceeds

The net proceeds of the issue of the Notes will be included in the ordinary capital resources of ADB which will then be allocated to a special sub-portfolio therein and tracked against the disbursements to Eligible Projects (as defined below). As long as the Notes are outstanding, the balance of the sub-portfolio will be reduced, at the end of each quarter, by amounts matching the disbursements made during the quarter with respect to the Eligible Projects. Pending such disbursement, the sub-portfolio will be invested in accordance with ADB’s liquidity policy.

Eligible projects under ADB’s Green Bond framework (“Eligible Projects”) include projects funded by ADB, in whole or in part, that (i) target a reduction of greenhouse gas emissions into the atmosphere or removal of greenhouse gas emissions from the atmosphere (“Climate

Change Mitigation Projects”) and/or (ii) target the reduction of the vulnerability of human or natural systems to the consequences of climate change and enhance resilience and adaptive capacity (“Climate Change Adaptation Projects”).

Examples of Climate Change Mitigation Projects would typically include, without limitation, those that fall under the following sectors:

- Renewable energy – projects that use energy resources that can be naturally replenished (solar, wind, geothermal, and small hydro energy generation);
- Energy efficiency – projects that deliver more energy services with the same energy input (excluding fossil fuel projects); and
- Sustainable transport – projects that provide accessible, safe, environmentally friendly, and affordable transportation.

Examples of Climate Change Adaptation Projects would typically include, without limitation, those that fall under the following sectors:

- Energy – projects that help improve energy security (excluding fossil fuel projects);
- Water and other urban infrastructure and services – projects that improve water security and livelihoods of vulnerable urban populations, such as, providing urban flood protection; and
- Transport - projects that reduce the vulnerability of transport infrastructure.

The above examples of Eligible Projects are for illustrative purposes only and no assurance can be provided that disbursements for projects with these specific characteristics will be made by ADB during the term of the Notes.

Material Adverse Change Statement

There has been no material adverse change in the financial position or prospects of ADB since the date of the financial statements included in the Information Statement of ADB, which was most recently published on 25 April 2017.

Recent Developments

On 6 May 2017, ADB’s Board of Governors approved the following with respect to its 2016 reported net loss of U.S.\$11.2 million after appropriation of guarantee fees to the special reserve:

- a. U.S.\$14.6 million, representing the adjustment to the loan loss reserve as of 31 December 2016, be added from the net income to the loan loss reserve;
- b. U.S.\$513.9 million, representing the ASC 815/825 adjustments and the unrealized portion of net income from equity investments accounted for

under the equity method, for the year ended 31 December 2016, be added from the cumulative revaluation adjustments account;

10. If a default occurs with respect to one or more of the several underwriting commitments to purchase any Notes under this Terms Agreement, the Manager or Managers who have not defaulted with respect to its or their respective several underwriting commitment will take up and pay for, as nearly as practicable in proportion to its or their respective several underwriting commitments, Notes as to which such default occurred, up to but not exceeding in the aggregate 20% of the principal amount of the Notes for which the non-defaulting Manager or Managers were originally committed; provided, however, that if the aggregate principal amount of Notes as to which such default occurred exceeds 16.667% of the principal amount of the Notes, and arrangements satisfactory to the non-defaulting Manager or Managers and ADB for the purchase of such principal amount of Notes as to which such default occurred have not been made within 48 hours of such default, the non-defaulting Manager or Managers shall be entitled to terminate this Terms Agreement without any liability on their part. 11. All notices and other communications hereunder shall be in writing and shall be transmitted in accordance with Section 10 of the Standard Provisions.

The Standard Provisions and this Terms Agreement shall be governed by and construed in accordance with the laws of the State of New York.

With respect to any legal action or proceedings ("Proceedings") in the courts of England arising out of or in connection with this Terms Agreement, each of the parties irrevocably submits to the non-exclusive jurisdiction of the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that Proceedings

have been brought in an inconvenient forum and further irrevocably agrees that a judgment in any Proceedings brought in the English courts shall be conclusive and binding upon it, *provided, however*, that in accordance with Article 50, paragraph 2 of the Agreement Establishing the Asian Development Bank (the "Charter"), no action shall be brought against ADB by any member of ADB, or by any agency or instrumentality of a member, or by any entity or person directly or indirectly acting for or deriving claims from a member, or from any entity or instrumentality of a member, and that, in accordance with Article 50, paragraph 3 of the Charter, the property and assets of ADB shall, wheresoever located and by whomsoever held, be immune from all forms of seizure, attachment or execution before the delivery of final judgment against ADB.

ADB hereby irrevocably appoints Freshfields Bruckhaus Deringer LLP at 65 Fleet Street, London EC4Y 1HS as its agent in England to receive, for it and on its behalf, service of process in any Proceedings in England. If for any reason such process agent ceases to be able to act as such or no longer has an address in London, ADB irrevocably agrees to appoint a substitute process agent and shall immediately notify the Managers of such appointment in accordance with Section 10 of the Standard Provisions and this Terms Agreement. Nothing shall affect the right to serve process in any manner permitted by law.

12. Nothing in this Terms Agreement shall be construed as an express or implied waiver, renunciation or other modification of any immunities, privileges or exemptions of ADB accorded under the Charter, international convention or any applicable law.

This Terms Agreement may be executed by any one or more of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts together shall constitute one and the same instrument.
