Dear Mr. Thomas:

By letter dated August 10, 2017, we advised you that The Nasdaq Stock Market (the "Exchange") had received a Form 8-A from **Pressure BioSciences, Inc.** for registration of its common stock and common stock purchase warrants and the Exchange had approved the securities for listing and registration upon official notice of issuance.

Since then, we have been advised that the company has determined not to proceed with the listing at this time. Accordingly, we hereby withdraw our earlier certification of approval.

Sincerely,

*William Slattery*
