JACQUES FINANCIAL, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2016

NOTE 1 - ORGANIZATION

Jacques Financial, LLC, a Maryland limited liability company (the Company), was formed on January 24, 2000 for the purpose of providing clients with customized financial solutions to their retirement and short-term asset protection needs. Operations began on December 19, 2000 as a limited liability company. The Company elected S-Corporation on November 9, 2012. The services provided are for individual and institutional customers in the Mid-Atlantic region, and other states. The Company operates its broker/dealer business on the fully disclosed basis.

For the year ended December 31, 2016, the broker/dealer business accounted for 100% of total revenue.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting. As such, income is recognized in the period earned and expenses are recognized in the period incurred.

Income Recognition – Commissions revenue is recorded on a trade-date basis.

Commissions Receivable – Commissions receivable represent commissions due from various mutual fund families and annuities. These receivables are generally fully collected within 30 days. As a result, management has not provided an allowance for doubtful accounts.

Investments – Investments consist of money market funds, which are generally not subject to market value fluctuations.

Income Taxes – On November 9, 2012, the Company elected to be taxed as an S-Corporation. The members are taxed on their share of Company earnings. Therefore, no provision or liability for federal or state income taxes has been included in the financial statements. In general, the prior three years' tax returns, filed with various taxing agencies, are open to examination.

Cash and Cash Equivalents – For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments with a maturity of three months or less to be cash equivalents.

JACQUES FINANCIAL, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2016

NOTE 3 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule, Rule 15c3-1, which requires the maintenance of a minimum amount of net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The Company's ratio of aggregate indebtedness to net capital was 0.00 to 1 at December 31, 2016. Under Rule 15c3-1, the Company is required to maintain net capital of not less than \$50,000. The Company had net capital of \$511,393 at December 31, 2016, which satisfied the net capital requirements.

NOTE 4 – RELATED PARTY TRANSACTIONS

Pursuant to the management agreement, Jacques & Associates Certified Public Accountants LLC, is responsible for rent, utilities, salaries and wages, telephone, equipment, furniture and fixtures, postage, office supplies, accounting services and other general and administrative office expenses paid on behalf of the Company. For the year ended December 31, 2016, the Company paid \$1,582,977 in Operations Management Services. It is possible that the terms of certain related party transactions are not the same as those that would result for transactions among wholly unrelated parties.

NOTE 5 – CONCENTRATION OF RISK

The Company has agreements with numerous independent mutual fund families to originate the purchase and sales of mutual funds and annuities for the Company's clients. The manager of the Company is responsible for the majority of the revenue earned by the Company.

NOTE 6 – OTHER REGULATORY REQUIREMENTS

The Company does not hold any funds or securities for the accounts of customers and clears all its customers' transactions through another broker-dealer on a fully disclosed basis. It is therefore exempt from the customer reserve requirements of the Securities and Exchange Commission Rule 15c3-3 under Section (k)(2)(ii).

NOTE 7 – SUBSEQUENT EVENTS

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

NOTE 8 – COMMITMENTS AND CONTINGENCIES

The Company had no commitments, no contingent liabilities and had not been named as a defendant in any lawsuit at December 31, 2016 or during the year then ended.

NOTE 9 – GUARANTEES

FASB ASC 460, Guarantees, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and

indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of indebtedness of others.

The Company has issued no guarantees at December 31, 2016 or during the year then ended.

NOTE 10 – RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

The Financial Accounting Standards Board (the "FASB") has established the Accounting Standards Codification ("Codification" or "ASC") as the authoritative source of generally accepted accounting principles ("GAAP") recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates ("ASUs").

For the year ending December 31, 2016, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

REPORT ON EXEMPTION PROVISIONS
FOR THE YEAR ENDED DECEMBER 31, 2016

Report of Independent Registered Public Accounting Firm

We have reviewed management's statements, included in the accompanying Assertions Regarding Exemption Provisions, in which (1) Jacques Financial, LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Jacques Financial, LLC claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(ii) (the "exemption provisions") and (2) Jacques Financial, LLC stated that Jacques Financial, LLC met the identified exemption provisions throughout the year ended December 31, 2016, without exception. Assertions Regarding Exemption Provisions

We, as members of management of Jacques Financial, LLC ("the Company"), are responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements compel a broker or dealer to file annual reports with the Securities Exchange Commission (SEC) and the broker or dealer's designated examining authority (DEA). One of the reports to be included in the annual filing is an exemption report prepared by an independent public accountant based upon a review of assertions provided by the broker or dealer. Pursuant to that requirement, the management of the Company hereby makes the following assertions:

The Company claims exemption from the custody and reserve provisions of Rule 15c3-3 by operating under the exemption provided by Rule 15c3-3, Paragraph (k)(2)(ii).
