#### **REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors and Member of Surya Capitale Securities LLC

We have audited the accompanying statement of financial condition of Surya Capitale Securities LLC as of December 31, 2016, and the related statements of operations, changes in member's equity, and cash flows for the year then ended. These financial statements are the responsibility of Surya Capitale Securities LLC's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Surya Capitale Securities LLC as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming the Company will continue as a going concern. As discussed in Note 7 to the financial statements, The Company had a loss from operations for the year 2016 and in the previous years. In addition, the Company had a net capital deficiency at December 31, 2016. These conditions raise substantial doubt about its ability to continue as a going concern. Management's plans regarding those matters also are described in Note 7. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

The Computation of Net Capital Under Rule 15c3-1 of the Securities and Exchange Commission, Computation for Determination of Reserve Requirements and Information Relating to Possession or Control Requirements Under Rule 15c3-3 of the Securities and Exchange Commission and Rule 15c3-3 Exemption Report has been subjected to audit procedures performed in conjunction with the audit of Surya Capitale Securities LLC's financial statements. The supplemental information is the responsibility of Surya Capitale Securities LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information for Determination of Net Capital Under Rule 15c3-1 of the Securities and Exchange Commission, Computation for Determination of Reserve Requirements and Information Relating to Possession or Control Requirements Under Rule 15c3-3 of the Securities and Exchange Commission, and Rule 15c3-3 of the Securities and Exchange Commission, Computation for Determination of Reserve Requirements and Information Relating to Possession or Control Requirements Under Rule 15c3-3 of the Securities and Exchange Commission, Computation for Determination of Reserve Requirements and Information Relating to Possession or Control Requirements Under Rule 15c3-3 of the Securities and Exchange Commission, in cluder Rule 15c3-3 of the Securities and Exchange Commission and Rule 15c3-3 Exemption Report is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Notes to Financial Statements December 31, 2016

#### 1. Nature of Operations

Surya Capitale Securities LLC (the "Company") is a broker-dealer registered with the Securities and Exchange Commission (the "SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company engages in investment banking activities such as private placements and also provides merger and acquisition advisory services.

#### 2. Summary of Significant Accounting Policies

#### **Basis of Presentation – Use of Estimates**

These financial statements were prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP") which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

#### Cash

All cash deposits are held by one financial institution and therefore are subject to the credit risk at that financial institution. The Company has not experienced any losses in such account and does not believe there to be any significant credit risk with respect to these deposits.

#### **Revenue Recognition**

Revenue and expenses related to private placement activities are recognized on the offering date or when it can be determined that the fees have been irrevocably earned. Merger and acquisition advisory service revenue is generally earned and recognized upon successful completion of the engagement or prorated over the term of the contract depending on the terms of the arrangement.

#### **Fixed Assets**

Computer equipment is recorded at cost, net of accumulated depreciation, which is calculated on a straight-line basis over estimated useful lives of three years.

#### **Income Taxes**

No provision for income taxes has been recorded because the Company is a single member limited liability company and is thus treated as a disregarded entity. Accordingly, the individual members of its parent report their share of the Company's income or loss on their personal income tax returns. The Company's parent is subject to the New York City unincorporated business tax.

As of December 31, 2016, management has determined that the company had no uncertain tax positions that would require financial statement recognition.

#### Notes to Financial Statements December 31, 2016

#### 2. Transactions with Related Parties

The Company has a lease with an affiliate to occupy office space at \$1,000 a month. Rent expense for the year ended December 31, 2016 was \$12,000.

During 2016, the Company entered into an agreement with an affiliate to provide consulting services.

#### 3. Regulatory Requirements

The Company is subject to the Uniform Net Capital Rule 15c3-1 under the Securities Exchange Act of 1934, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2016, the Company had net capital of \$2,703 which was deficient of the required net capital by \$2,297.

The Company does not handle cash or securities of customers. Accordingly, it is not affected by SEC Rule 15c3-3.

#### 5. Commitments

The Company has a lease agreement for its New York office space that expires in December 2017.

Future minimum payments to be made under this lease are due in future years as follows:

Year Ending December 31,	Con	Total 1mitments
2017	\$	12,000

#### 7. Going Concern

The accompanying statements have been prepared assuming the Company will continue as a going concern. The Company had a loss from operations during 2016. This raises substantial doubt about the Company's ability to continue as a going concern. The accompanying financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Management has pledged additional support to the Company to enable it to continue as a going concern.

# Notes to Financial Statements December 31, 2016

#### 8. Contingencies

During 2015, the Company was named in legal proceedings regarding bankruptcy of a firm from which it had received income of \$10,000 in a prior period. The lawsuit was dismissed in 2016 without any liability to the Company.

#### 9. Subsequent Events

During January 2017, the Company's net capital was above its minimum requirement.
