REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Members
of Equifinancial, LLC

We have audited the accompanying statement of financial condition of Equifinancial, LLC as of December 31, 2016, and the related notes to the financial statements. This financial statement is the responsibility of Equifinancial, LLC's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial position. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial position presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Equifinancial, LLC as of December 31, 2016 in accordance with accounting principles generally accepted in the United States of America.

EQUIFINANCIAL, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016

Note 1 – Summary of Significant Accounting Policies

Nature of Business

Equifinancial, LLC (“the Company”) is a broker-dealer, registered with the Securities Exchange commission (“SEC”), a member of the Financial Industry Regulatory Authority (“FINRA”), and a member of the Securities Investor Protection Corporation (“SIPC”). The Company was organized in 2004.

The Company’s commission income is substantially derived from commissions from mutual funds and sales of annuities. Revenue is recorded when commissions are earned and expenses are recorded as incurred.

As is typical in the industry, the Company engages in activities with various financial institutions and brokers. In the event these counter parties do not fulfill their obligations, the Company may be exposed to risks.

Cash and Cash Equivalents

For purposes of reporting the statement of cash flows, the Company considers all cash accounts, which are not subject to withdrawal restrictions or penalties, and all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. Cash balances in excess of FDIC and similar insurance coverage are subject to the usual banking risks associated with funds in excess of those limits. At December 31, 2016, the Company had no uninsured cash balances.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Company, with the consent of its member, has elected under the Internal Revenue Code to be a Limited Liability Company for both federal and state income tax purposes. In lieu of corporation income taxes, the members of a Limited Liability Company are taxed on their proportionate share of the Company’s taxable income. Therefore, no provision or liability for federal or state income taxes has been included in the financial statements.

The Company has adopted the provisions of FASB Accounting Standards Codification 740-10, Accounting for Uncertainty in Income Taxes. Under ASC 740-10, the Company is required to evaluate each of its tax positions to determine if they are more likely than not to be sustained if the taxing authority examines the respective position. A tax position includes an entity’s status, including its status as a pass-through entity, and the decision not to file a tax return. The Company has evaluated each of its tax positions and has determined that no provision or liability for income taxes is necessary. The shareholders and the Company are generally not subject to U.S. federal, state or local income tax examinations related to the Company’s activities for tax years before 2013.

EQUIFINANCIAL, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016

Note 1 – Summary of Significant Accounting Policies (continued)

Fair Value of Financial Instruments

All of the Company's financial assets and liabilities are carried at market value or at amounts, which, because of their short-term nature, approximate current fair value.

Note 2 – Net Capital Requirements

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital at an amount equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness, and requires that the ratio of aggregate indebtedness to net capital not to exceed 15 to 1.

At December 31, 2016, the Company had excess net capital of \$1,785 and a net capital ratio of 2.3% to 1.

Note 3 – Related Party Transactions

The Company sub-leases office facilities from an entity owned 100% by the sole member at the rate of \$400 a month. Rent paid to the related party for the year 2016 was \$6,000 and is included in occupancy.

Note 4 – Commitments and Contingencies

The Company does not have any commitments or contingencies.

Note 5 - Subsequent Events

The Company has evaluated subsequent events through March 16, 2017, the date which the financial statements were available to be issued, and has determined that the Company had no events occurring subsequent to December 31, 2016 requiring disclosure.
