I have audited the accompanying statement of financial condition of Student Options, LLC as of December 31, 2016 and the related statements of income, changes in stockholder's equity, changes in liabilities to claims of general creditors, and cash flows for the year ended. These financial statements are the responsibility of Student Options, LLC management. My responsibility is to express an opinion on these financial statements based on my audit.

1. General Information and Summary of Significant Accounting Policies

Description of Business

Student Options LLC (the "Company"), is a California limited liability company formed on September 24, 1998. The Company is registered as a broker and dealer in securities with the Securities and Exchange Commission ("SEC") and is a member of NYSE Arca and the Securities Investor Protection Corporation ("SIPC"). The Financial Industry Regulatory Authority ("FINRA") is its examining agency.

As a registered Floor Broker, the Company acts in an agency only capacity conducting a commission business in Equity Derivatives execution. The Company does not commit capital or otherwise engage in proprietary trading activities. During the normal conduct of business the Company may engage in the following activities: order execution and reporting, representation of non-marketable limit orders, liquidity seeking function, supplying factual market information, match buy/sell orders, and maintain compliance with all applicable laws and regulations.

Vision Financial Markets LLC (the "Clearing Broker") provides clearing services to the Company.

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting wherein income is recognized as earned and expenses are recognized when incurred.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

<u>Cash</u>

The Company maintains its cash in bank deposit accounts, which, at all times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

Income taxes

No provision for federal or state income taxes has been made since the Company is treated as a pass through entity for income tax purposes and its income is allocated to the members for inclusion in the members' income tax returns. Management has concluded that the Company is not subject to income taxes in any jurisdiction and that there are no uncertain tax positions that would require recognition in the financial statements. Accordingly, no provision for income taxes is reflected in the accompanying financial statements. If the Company were to incur an income tax liability in the future, interest on any income tax liability would be reported as income taxes. Management's conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based upon ongoing analysis of tax laws, regulations and interpretations thereof as well as other factors. With few exceptions, the Company is no longer subject to examination by tax authorities for years before 2012.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

I have reviewed management's statements, included in the accompanying Representation Letter of Exemptions in which (1) Student Options, LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Student Options, LLC claimed an exemption from 17 C.F.R. § 15c3-3(k)(2)(ii), and (2) Student Options, LLC stated that Student Options, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Student Options, LLC .'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Student Options, LLC compliance with the exemption provisions. A review is substantially less in scope that an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I'm not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
