Report of Independent Registered Public Accounting Firm

To: The Board of Directors and Stockholder of
Birchwood Securities Corporation

I have audited the accompanying statement of financial condition of Birchwood Securities Corporation as of December 31, 2016, and the related statements of operations, changes in stockholder equity, and cash flows for the year then ended, that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934 and the related notes to the financial statements and supplemental information. Birchwood Securities Corporation's management is responsible for these financial statements. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Birchwood Securities Corporation as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The information contained in Schedule I and Supplementary Note has been subjected to audit procedures performed in conjunction with the audit of Birchwood Securities Corporation financial statements. The supplemental information is the responsibility of Birchwood Securities Corporation's management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

BIRCHWOOD SECURITIES CORPORATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2016

(1) NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Birchwood Securities Corporation (the Company) was incorporated in the State of New Jersey in 1984 as a broker-dealer registered with the Securities and Exchange Commission pursuant to Section 15 of the Securities and Exchange Act of 1934. The Company is registered as a broker-dealer with the Commonwealth of Pennsylvania Securities Commission and is a member of the Financial Industry Regulatory Authority (FINRA), and the Securities Investment Protection Corporation (SIPC).

The Company clears through Vision Financial Markets and does not carry customer funds. Accordingly, the Company claims exemption from the requirements of Rule 15c3-3 under Section (k)(2)(ii) of the rule.

Basis of Accounting

The financial statements and accompanying notes are prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”) unless otherwise disclosed.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Statement of Cash Flows

For purposes of the statement of cash flows the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months, that are not held for sale in the ordinary course of business. Cash is held at a major financial institutions and is insured by the Federal Deposit Insurance Corporation.

Commissions

The Company generates commissions from executing and clearing client transactions on stock and options markets. These commissions are recorded on a settlement date basis in the statement of operations which approximates the commissions earned on a trade date basis.

BIRCHWOOD SECURITIES CORPORATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2016

(1) NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Company elected to be taxed for Federal and Pennsylvania State income tax purposes as an S-Corporation. Under this structure, the shareholder is liable for any Federal or State income tax due. Therefore, no provision or liability for federal or state income taxes has been included in the financial statements.

The Company's tax returns and the amount of income or loss allocable to the shareholder are subject to examination by federal and state taxing authorities. In the event of an examination of the Company's tax return, the tax liability of the shareholder could be changed if an adjustment in the Company's income or loss is ultimately determined by the taxing authorities.

Certain transactions may be subject to accounting methods for federal and state income tax purposes which differ from the accounting methods used in preparing the financial statements. Accordingly, the net income or loss of the shareholder and the resulting balances in the shareholders' capital account reported for federal and state income tax purposes may differ from the balances reported for those same items in these financial statements.

The Company recognizes and measures its unrecognized tax benefits in accordance with ASC Topic 740, Income Taxes. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of the financial reporting period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that require a change.

Management has determined that the Company has no uncertain tax positions that would require financial statement recognition at December 31, 2016. This determination will always be subject to ongoing evaluation as facts and circumstances may require. The Company remains subject to U.S. federal and state income tax audits for all years subsequent to 2013.

In addition, no income tax related penalties or interest have been recorded for the year ended December 31, 2016.

Fair Value Hierarchy

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

BIRCHWOOD SECURITIES CORPORATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2016

Fair Value Hierarchy - continued

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1.* Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.
- Level 2.* Inputs other than quoted prices included in level 1 that are observable for the assets or liability either directly or indirectly.
- Level 3.* Inputs are unobservable for the assets or liability.

The availability of observable inputs can vary from security to security and is affected by a wide variety of factors, including, for example, the type of security, the liquidity of markets, and other characteristics particular to the security. To the extent the valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining the fair value is greatest for instruments categorized in level 3.

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

For further discussion of fair value, see "Note 6 Fair Value"

(2) OPERATING LEASE COMMITMENT

There were no operating lease commitments for the year ending December 31, 2016.

(3) NET CAPITAL REQUIREMENTS

The Company is subject to the Uniform Net Capital Rule (Rule 15c3-1), of the Securities and Exchange Act of 1934 which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). Minimum net capital must be least \$5,000. At December 31, 2016, the Company's "aggregate indebtedness" and "net capital" (as defined) were \$25,269 and \$286,913, respectively, and its aggregate indebtedness to net capital ratio was .0881 to 1.

BIRCHWOOD SECURITIES CORPORATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2016

(4) RESERVE REQUIREMENTS

The Company is exempt from both the computation of reserve requirements (Rule 15c3-3) and the possession or control requirements (Rule 15c3-3, Exhibit A) because it does not carry security accounts for customers or perform custodial functions relating to customer securities.

(5) Concentrations of Credit Risk

The Company maintains its cash at one financial institutions in amounts that at times may exceed federally insured limits. The Company has not experienced any losses in such accounts through December 31, 2016.

The Company is engaged in various trading activities in which counter parties primarily include broker-dealers, banks and other financial institutions. In the event that the counter parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter party.

(6) Fair Value

Cash, receivables, accounts payable and other current liabilities are reflected in the financial statements at carrying value which approximates fair value because of the short-term maturity of these instruments.

(7) Subsequent Events

The Company has evaluated subsequent events occurring after the statement of financial condition date through the date of March 11, 2017 which is the date the financial statements were available to be issued. Based on this evaluation, the Company has determined that no subsequent events have occurred which require disclosure in or adjustment to the financial statements.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To: The Board of Directors and Stockholder of
Birchwood Securities Corporation

I have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Birchwood Securities Corporation identified the following provisions of 17 C.F.R. §15c3-3(k) under which Birchwood Securities Corporation claimed an exemption from 17 C.F.R. §240.15c3-3: under—k(2)(ii), (the "exemption provisions") and (2) Birchwood Securities Corporation stated that Birchwood Securities Corporation met the identified exemption provisions throughout the most recent fiscal year without exception. Birchwood Securities Corporation management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Birchwood Securities Corporation compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
