NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016

1 – GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

BIA Capital Strategies, LLC (the Company) was formed in the Commonwealth of Virginia on December 31, 2003. The Company received its registrations/licenses from the Securities and Exchange Commission (SEC) and Financial Industry Regulatory Authority (FINRA) as a securities broker/dealer on June 7, 2004; from the State of Virginia on June 8, 2004; the State of Connecticut on July 30, 2004; and the State of New York on January 5, 2005.

The Company is engaged in business as a securities broker-dealer, that provides several classes of services, including merger and acquisition business, private investment banking, and venture capital services, and provides strategic and consulting services primarily to the media and communications industry. The Company assists business clients with capital raising and buying and selling entities in exchange for investment banking fees.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(i), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investment banking fees for merger and acquisition, private investment banking, and venture capital services are recognized on the closing date. Non-refundable retainer income is recognized as received.

The Company, with the consent of its members, has elected to be a Virginia Limited Liability Company. For tax purposes, the Company is treated like a partnership, therefore in lieu of business income taxes, the members are taxed on the Company's taxable income. Accordingly, no provision or liability for federal or state income taxes is included in the accompanying financial statements.

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through Date of Approval, which is the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

BIA CAPITAL STRATEGIES, LLC

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016

2 – INCOME TAXES

As discussed in Summary of Significant Accounting Policies (Note 1), the Company has elected to be a Virginia Limited Liability Company. As such, all of the Company's taxable income is passed through and taxed at the individual member level. Therefore, no provision or liability for federal or state taxes is included in the accompanying financial statements.

3 – FAIR VALUE MEASUREMENT – ACCOUNTING PRONOUNCEMENT

FASB ASC 820 defines fair value, establishes a frame work for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the assets or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 - Quoted prices in an active market for identical assets or liabilities;

Level 2 - Observable inputs other than Level 1, quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active, and model derived prices whose inputs are observable or whose significant value drivers are observable;

Level 3 - Assets and liabilities whose significant value drivers are unobservable.

The following table presents the Company's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2016:

	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
<u>Assets</u>				
Short-term investments, at market value	\$ 26,155	\$ 26,155	\$ -	\$ -
Securities not readily marketable, at market value	39,835	-	-	39,835
	<u>65,990</u>	<u>26,155</u>	<u>-</u>	<u>39,835</u>
<u>Liabilities</u>				
Liabilities	\$ -	\$ -	\$ -	\$ -
Total	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

BIA CAPITAL STRATEGIES, LLC

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016

4 – SHORT TERM INVESTMENTS, AT MARKET VALUE

The Company holds certificates of deposit which have been classified as short term investments because their maturity dates exceed the criteria for classification as cash or cash equivalents. All certificates held as short term investments have a maturity date of 90 days or less. For the year ended December 31, 2016, the investments held in this account, all of which mature in 90 days or less, are carried at their fair market value of \$26,155. Interest earned on these certificates is included on the Statement of Operations as interest income of \$11.

5 – RELATED PARTY TRANSACTIONS

The members of the Company are also members of BIA DP Management LLC ("BIA DP"), the management company of a related private equity partnership, BIA Digital Partners LP ("the LP"). From time to time, the Company may represent a client in which the LP may invest. The Company is precluded from earning an investment banking fee on capital actually invested by the LP.

Originally, the Company had a contractual agreement with BIA Capital Corp. ("BIA Capital"). The agreement provided for reimbursement to BIA Capital for identified facility, overhead and employee costs on a fixed basis and for travel and other expenses on a variable basis. However, with the March 2015 closure of BIA Capital Corp., BIA Capital Strategies has assumed the expense allocation responsibility of BIA Capital Corp. Going forward, this Agreement will now be between BIA Capital Strategies and BIA DP Management LLC.

During 2016, the Company incurred transaction-specific business development costs of \$60,625.

It is possible that the terms of certain of the related party transactions are not the same as those that would result for transactions among wholly unrelated parties.

6 – RECENTLY ISSUED ACCOUNTING STANDARDS

The Financial Accounting Standards Board (the "FASB") has established the Accounting Standards Codification ("Codification" or "ASC") as the authoritative source of generally accepted accounting principles ("GAAP") recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates ("ASUs").

For the year ending December 31, 2016, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended.

BIA CAPITAL STRATEGIES, LLC

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016

6 – RECENTLY ISSUED ACCOUNTING STANDARDS (CONTINUED)

The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

7 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2016, the Company had net capital of \$52,733 which was \$47,733 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness (\$13,822) to net capital was 0.26 to 1, which is less than the 15 to 1 maximum allowed.

8 - COMMITMENT AND CONTINGENCIES

Commitments

The Company had no commitments, no contingent liabilities and had not been named as a defendant in any lawsuit at December 31, 2016 or during the year then ended.

9 - GUARANTEES

FASB ASC 460, Guarantees, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of indebtedness of others.

The Company has issued no guarantees at December 31, 2016 or during the year then ended.

10 - SUBSEQUENT EVENTS

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

REPORT PURSUANT TO RULE 17A-5 (D)
REPORT ON EXEMPTION PROVISIONS
FOR THE PERIOD ENDED DECEMBER 31, 2016

Report of Independent Registered Public Accounting Firm

We have reviewed management's statements, included in the accompanying Assertions Regarding Exemption Provisions, in which (1) BIA Capital Strategies, LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which BIA Capital Strategies, LLC claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(i) (the "exemption provisions") and (2) BIA Capital Strategies, LLC stated that BIA Capital Strategies, LLC met the identified exemption provisions throughout the year ended December 31, 2016, without exception. BIA Capital Strategies, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about BIA Capital Strategies, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Assertions Regarding Exemption Provisions

We, as members of management of BIA Capital Strategies, LLC (“the Company”), are responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements compel a broker or dealer to file annual reports with the Securities Exchange Commission (SEC) and the broker or dealer’s designated examining authority (DEA). Pursuant to that requirement, the management of the Company hereby makes the following assertions:

The Company claims exemption from the custody and reserve provisions of Rule 15c3-3 by operating under the exemption provided by Rule 15c3-3, Paragraph (k)(2)(i).
