REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Partners
of Titleist Asset Management, Ltd.:

We have audited the accompanying statement of financial condition of Titleist Asset Management, Ltd. as of December 31, 2016, and the related statements of operations, changes in partners' equity, and cash flows for the year then ended. These financial statements are the responsibility of Titleist Asset Management Ltd.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Titleist Asset Management, Ltd. as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

The Computation of Net Capital and Aggregate Indebtedness Under Rule 15c3-1 has been updated to properly reflect Titleist Asset Management, Ltd.'s minimum net capital based on the greatest of \$5,000, 6 2/3% of the aggregate indebtedness, or defined by the Commodity Futures Trading Commission as \$45,000. Titleist Asset Management, Ltd.'s net capital of \$121,179 was not changed. The reissued report properly calculates the minimum net capital as \$45,000, which is \$76,179 in excess of the minimum requirement.

The Computation of Net Capital and Aggregate Indebtedness Under Rule 15c3-1 ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of Titleist Asset Management, Ltd.'s financial statements. The Supplemental Information is the responsibility of Titleist Asset Management, Ltd.'s management. Our audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming our opinion on the Supplemental Information, we evaluated whether the Supplemental Information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the Supplemental Information is fairly stated, in all material respects, in relation to the financial statements as a whole.

TITLEIST ASSET MANAGEMENT, LTD
Notes to the Financial Statements
December 31, 2016

Note 1 - Nature of Business

Titleist Asset Management, Ltd. (the "Company") was organized in February 2003 as a Texas limited partnership headquartered in Austin, Texas. The Company became a registered broker/dealer with the Securities and Exchange Commission ("SEC") in March 2003 and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company began operations in September 2003. The Company operates under the provisions of Paragraph K(2)(ii) of Rule 15c3-3 of the SEC, and accordingly is exempt from the remaining provisions of that Rule. The Company's customers consist primarily of individuals located throughout the United States of America.

Note 2 - Significant Accounting Policies

Basis of Accounting

These financial statements are presented on the accrual basis of accounting in accordance with generally accepted accounting principles, which is required by the SEC and FINRA whereby revenues are recognized in the period earned and expenses when incurred.

Cash Equivalents

For purposes of the statement of cash flows, the Company considers short-term investments, which may be withdrawn at any time without penalty, and restricted cash, which will become available within one year from the date of the financial statements, to be cash equivalents. The Company is evaluating new revenue recognition standards for broker and dealer and will implement as required.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Securities Transactions

Securities transactions and the related commission revenues and expenses are recorded on a settlement date basis, generally the third business day following the transaction. If materially different, commission income and related expenses are recorded on a trade date basis.

Investment Advisory Fees

Investment advisory fees are received quarterly but are recognized as earned on a pro rata basis over the term of the contract.

Financial instruments and credit risk

Financial instruments that potentially subject the Company to credit risk include cash and accrued expenses.

Property and Equipment

Property and equipment are recorded at cost and are depreciated using the straight-line depreciation method over their estimated useful lives. Computers and equipment are depreciated over three years. Upon disposal, property and equipment and the related accumulated depreciation and amortization are removed from the accounts and the resulting gain or loss is reflected in the statements of operations.

TITLEIST ASSET MANAGEMENT, LTD
Notes to the Financial Statements
December 31, 2016

Note 2 - Significant Accounting Policies (continued)

Customer Funds

The Company is approved to sell private securities and limited partnership interests. The Company is not approved to hold customer funds on account. From time to time, the Company may accept funds from customers for deposit into an escrow account at a bank. Those funds will be held separate from the general funds of the Company in a custodial account.

Fair Value Measurements

The fair value of the Company's financial instruments reflects the amounts that the Company estimates to receive in connection with the sale of an asset or paid in connection with the transfer of a liability in an orderly transaction between market participants at the measurement date (exit price). The fair value hierarchy that prioritizes the use of inputs used in valuation techniques is as follows:

Level 1 – quoted prices in active markets for identical assets and liabilities;

Level 2 – observable inputs other than quoted prices in active markets, such as quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data;

Level 3 – unobservable inputs reflecting management's assumptions, consistent with reasonably available assumptions made by other market participants. These valuations require significant judgment.

The carrying amounts of the Company's financial instruments, which include cash and cash equivalents, receivables from broker-dealers, other assets, due to broker-dealers, accounts payable and accrued expenses, approximate their fair values due to their short maturities.

Income Taxes

The Company has elected to be taxed as a partnership. As such, the Company does not pay federal corporate income taxes on its taxable income. Instead, the partners are liable for individual federal income taxes on their respective shares of taxable net income. The Company is liable for Texas margin tax which is based on taxable margin, as defined under the law, rather than being based on federal taxable income. As of and for the year ended December 31, 2016, the Company's Texas margin tax expense was not significant.

Management Review

The Company has evaluated subsequent events through March 21, 2017, the date the financial statements were available to be issued.

Recent Accounting Pronouncements

Accounting standards that have been issued or proposed by the Financial Accounting Standards Board ("FASB") or other standards-setting bodies are not expected to have a material impact on the Company's financial position, results of operations or cash flows.

TITLEIST ASSET MANAGEMENT, LTD
Notes to the Financial Statements
December 31, 2016

Note 3 - Property and Equipment

Property and equipment consists of the following at December 31, 2016:

Computers and equipment	\$ 9,860
Less accumulated depreciation	<u>(9,860)</u>
Total	<u>\$ 0</u>

Depreciation expense for the year ended December 31, 2016 was \$0.

Note 4 - Commitments and Contingencies

Leases

The Company leases office space under an operating lease, with a five (5) month notification of termination at any time, for the San Antonio office and a lease for the Austin office that expired in August 2016. The new Austin office lease is a verbal month-to-month agreement that can be cancelled at anytime. The Company recognizes rent expense on a straight-line basis over the lease term. Total rent expense under the leases was \$83,136 for the year ended December 31, 2016.

Future minimum lease payments under the non-cancelable operating leases are as follows for the year ending December 31, 2016:

2017	<u>17,500</u>
Total minimum lease payments	<u>\$ 17,500</u>

Sub-Clearing Agreement

Included in the Company's sub-clearing agreement is an indemnification clause. This clause relates to instances where the Company's customers fail to settle security transactions. In the event this occurs, the Company will indemnify the clearing broker-dealer to the extent of the net loss on any unsettled trades. At December 31, 2016, management of the Company had not been notified by the clearing broker-dealer, nor were they otherwise aware, of any potential losses relating to this indemnification.

Note 5 - Related Party Transactions

As mentioned in note 4, the Company entered into a verbal month-to-month lease with an affiliated company with common ownership in September 2016. The Company pays \$2,000 per month. Total rent expense paid during the year ending December 31, 2016 was \$8,000.

Note 6 - Net Capital Requirements

The Company is subject to the SEC uniform net capital rule ("Rule 15c3-1"), which requires the maintenance of a minimum amount of net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2016, the Company had net capital and net capital requirements of \$121,179 and \$45,000, respectively, which was \$76,179 in excess of the minimum requirement. The Company's aggregate indebtedness to net capital ratio was 5.44 to 1.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Partners
of Titleist Asset Management, Ltd.:

We have reviewed management's statements, included in the accompanying Exemption Report Year Ended December 31, 2016, in which (1) Titleist Asset Management, Ltd. (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) (the "exemption provisions") and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

RE: EXEMPTION REPORT YEAR ENDING DECEMBER 31, 2016

Titleist Asset Management, Ltd. (the "Company") is responsible for complying with 17 C.F.R. 40.17a-5, "Reports to be made by certain brokers and dealers." We have performed an evaluation of the Company's compliance with the requirements of 17 C.F.R. 240.17a-5 and the exemption provisions in 17 C.F.R. 240.15c3-3(k) (the "Exemption Provisions"). Based on this evaluation, we make the following statements to the best of knowledge and belief of the Company:

1. The Company identified the following provisions of 17 C.F.R. 240.15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. 240.15c3-3(k)(2)(ii).
2. The Company met the identified Exemption Provisions throughout the most recent fiscal year ended December 31, 2016 without exception.

The Company is exempt from the provisions of 17 C.F.R. 240.15c3-3 of the Securities Exchange Act of 1934 (pursuant to paragraph (k)(2)(ii) of such Rule) as the Company does not carry margin accounts and does not hold funds or securities for, or owe money or securities to, customers.

REPORT ON INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
ON APPLYING AGREED-UPON PROCEDURES

Board of Directors and Partners of
Titleist Asset Management, Ltd.:

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and with the SIPC Series 600 Rules, we have performed the procedures enumerated below with respect to the accompanying General Assessment Reconciliation ("Form SIPC-7") to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2016, which were agreed to by Titleist Asset Management, Ltd. and SIPC, solely to assist you and the other specified parties in evaluating Titleist Asset Management, Ltd.'s compliance with the applicable instructions of Form SIPC-7. Titleist Asset Management, Ltd.'s management is responsible for Titleist Asset Management, Ltd.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1) Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
- 2) Compared the amounts reported on the audited Form X-17A-5 (FOCUS Report) for the year ended December 31, 2016 with the amounts reported in Form SIPC-7 for the year ended December 31, 2016, noting no differences;
- 3) Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
- 4) Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
- 5) Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT
ON INTERNAL CONTROL

To the Board of Directors and Partners of
Titleist Asset Management, Ltd.:

In planning and performing our audit of the financial statements of Titleist Asset Management, Ltd. (the "Company") as of and for the year ended December 31, 2016, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

As required by Regulation 1.16 of the Commodity Futures Trading Commission ("CFTC"), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding customer and firm assets. This study included tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Regulation 1.16 in making the periodic computations of minimum financial requirements pursuant to Regulation 1.17. Because the Company does not carry accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. The daily computations of the segregation requirements of section 4d(a)(2) of the Commodity Exchange Act and the regulations there under, and the segregation of funds based on such computations.
2. The daily computations of the foreign futures and foreign options secured amount requirements pursuant to Regulation 30.7 of the CFTC.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraphs. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraphs, and to assess whether those practices and procedures can be expected to achieve the CFTC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in accordance with generally accepted accounting principles. Regulation 1.16(d)(2) lists additional objectives of the practices and procedures listed in the preceding paragraphs.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the CFTC to be adequate for its purposes in accordance with the Commodity Exchange Act and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraphs of this report, were adequate at December 31, 2015, to meet the CFTC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the CFTC, and other regulatory agencies that rely on Rule 1.16 of the CFTC, and is not intended to be and should not be used by anyone other than these specified parties.
