INDEPENDENT AUDITOR'S REPORT

To the Member of
Spot Quote, LLC
Houston, Texas

I have audited the accompanying statement of financial condition of Spot Quote, LLC (formerly known as Deep ATS, LLC) (the "Company") as of December 31, 2016, and the related statements of operations, changes in member's equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements.

I conducted the audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, I express no such opinion. An audit also includes assessing the appropriateness of accounting principles and policies used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that that the audit evidence that I obtained is sufficient and appropriate to provide a reasonable basis for my audit opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental information on pages 9 through 10 has been subjected to the audit procedures performed in conjunction with the audit of Spot Quote, LLC. The supplemental information is the responsibility of the Company's management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the accompanying supplemental information. In forming my opinion on the supplemental information, I evaluated whether the accompanying supplemental information, including its form and content, is presented in conformity with 17

C.F.R. § 240.17a-5. In my opinion, the supplemental information is on pages 9 through 10 is fairly stated, in all material respects, in relation to the financial statements as a whole.

SPOT QUOTE LLC (Formally DEEP ATS, LLC)
(A Wholly Owned Subsidiary of Spot Quote Holdings, Inc. formally Deep Liquidity, Inc.)
Notes to Financial Statements
December 31, 2016

Note 1 - Nature of Business

Spot Quote LLC formally Deep ATS, LLC (the "Company") was organized in the State of Texas in October 2004. The Company is wholly owned by Spot Quote Holdings, Inc. formally Deep Liquidity, Inc. (the "Parent"). The Company's registration with the Securities and Exchange Commission ("SEC") as a broker/dealer in securities became effective in January 2006. The Company is a member of the Financial Regulatory Authority, Inc. ("FINRA"). The Company currently has no active customers and primarily trades securities for its own account. The Company is also building an Alternative Trading System financed by its Parent as discussed in Note 4.

The Company operates under the provisions of Paragraph (k)(2)(ii) of Rule 15c3-3 of the Securities Exchange Act of 1934, and accordingly, is exempt from the remaining provisions of the Rule. The Company does not hold customer funds or securities, but as an introducing broker or dealer, will clear all transactions on behalf of customers on a fully disclosed basis through a clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer. Under these exempt provisions, the Computation for Determination of Reserve Requirements and Information Relating to the Possession and Control Requirements are not required.

Note 2 - Significant Accounting Policies

Basis of Accounting

These financial statements are presented on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. Revenues are recognized in the period earned and expenses when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of reporting cash flows, the Company has defined cash equivalents as highly liquid investments with original maturities of less than ninety days that are not held for sale in the ordinary course of business.

Revenue Recognition

Commission fees are recognized on an accrual basis and are included in income as commissions are earned from the completion of transactions or as payments are received per agreement with the client.

SPOT QUOTE LLC (Formally DEEP ATS, LLC)
(A Wholly Owned Subsidiary of Spot Quote Holdings, Inc. formally Deep Liquidity, Inc.)
Notes to Financial Statements
December 31, 2016
(Continued)

Securities Transactions

Purchases and sales of securities are recorded on a trade date basis. Commission revenue and expense are recorded on a settlement date basis, generally the third business day following the transaction. If materially different, commission revenue and related expenses are recorded on a trade date basis.

Trading Profit

Trading profits include gains and losses on securities traded as well as adjustments to record securities positions at market value. Dividends are recorded on the ex-dividend date.

Financial Instruments and Credit Risk

Financial instruments that potentially subject the Company to credit risk include cash and cash equivalents and payable to related party. The Company may from time to time have cash balances in excess of federally insured limits at various times during the year.

Income Taxes

The Company has elected to be taxed as a corporation for federal income tax purposes. Income taxes are accounted for under the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. This method also requires the recognition of future tax benefits such as net operating loss carry forwards, to the extent that realization of such benefits is more likely than not. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the statement of operations in the period that includes the enactment date.

The Company regularly assesses uncertain tax positions in each of the tax jurisdictions in which it has operations and accounts for the related financial statement implications. Unrecognized tax benefits are reported using the two-step approach under which tax effects of a position are recognized only if it is "more-likely-than-not" to be sustained and the amount of the tax benefit recognized is equal to the largest tax benefit that is greater than fifty percent likely of being realized upon ultimate settlement of the tax position. Determining the appropriate level of unrecognized tax benefits requires the Company to exercise judgment regarding the uncertain application of tax law. The amount of unrecognized tax benefits is adjusted when information becomes available or when an event occurs indicating a change is appropriate. Future changes in unrecognized tax benefits requirements could have a material impact on the results of operations. As of December 31, 2016, open Federal tax years include the tax years ended December 31, 2013 through December 31, 2016.

The Company is subject to Texas franchise tax. The tax is based on taxable margin, as defined under the law, rather than being based on federal taxable income. For the year ended December 31, 2016, the Company had no Texas franchise tax expense due.

Date of Management's Review

Management has evaluated the financial statements for subsequent events through February 26, 2016, the date the financial statements were available to be issued.

Recent Accounting Pronouncements

Recent accounting pronouncements issued by the FASB, the American Institute of Certified Public Accountants, and the SEC are not believed by the Company's management to have a material impact on the Company's financial statements.

Note 3 - Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities and Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2016, the Company had net capital of \$148,512 and net capital requirements of \$100,000. The Company's ratio of aggregate indebtedness to net capital was 0.012 to 1. The Company is exempt from customer protection provisions of Rule 15c3-3 under the Securities Exchange Act of 1934, in that the Company's activities are limited to those set forth in the conditions for exemptions appearing in paragraphs (k)(2)(ii) of the Rule.

Note 4 - Related Party Transactions

The Company is under the control of its Parent, Spot Quote Holdings, Inc., and the existence of that control creates operating results and financial position significantly different than if the Companies were autonomous.

The Parent made capital contributions to the Company of \$24,584 during 2016.

The Company has a Reimbursement of Expenses Agreement in place with Spot Quote Holdings, Inc. The Company has a payable to its Spot Quote Holdings, Inc. totaling \$1,831 at December 31, 2016, resulting from advances from the Parent.

Note 5 - Concentration

The Company has \$150,343 or 100% of its total assets, in a cash account at Wells Fargo.

**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM'S REVIEW REPORT
REGARDING THE EXEMPTIVE PROVISIONS OF RULE 15c3-3**

To the Member of Spot Quote, LLC:

We have reviewed management's statements, included in the accompanying Spot Quote, LLC Exemption Report, in which (1) Spot Quote, LLC (the "Company") identified the following provisions of 17 C.F.R. §15c 3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(ii) (the "exemption provisions") and (2) management stated that the Company met the identified exemption provisions throughout the year ended December 31, 2016, without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Houston, Texas

SPOT QUOTE LLC Exemption Report

Spot Quote LLC (the “Company”) is a registered broker-dealer subject to Rule 17a-5 promulgated by the Securities and Exchange Commission (17 C.F.R. 240.17a-5, “Reports to be made by certain brokers and dealers”). This Exemption report was prepared as required by 17 C.F.R. 240.17a-5(d)(1) and (4). To the best of its knowledge and belief, the Company states the following:

- (1) The Company may file an Exemption Report because the Company had no obligations under 17 C.F.R 240.15c3-3.
- (2) The Company met the identified exemption provision in 17 C.F.R 240 15c3-3 (k)(2)(ii) throughout the most recent fiscal year without exception.

I, Sam Balabon, affirm that , to my best knowledge and belief, this Exemption Report is true and correct.
