Report of Independent Registered Public Accounting Firm

The Audit Committee of the Board of Directors of HFF, Inc. and the Partners of HFF Securities L.P.

We have audited the accompanying statement of financial condition of HFF Securities L.P. (the Partnership) as of December 31, 2016. This financial statement is the responsibility of the Partnership's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of HFF Securities L.P. at December 31, 2016, in conformity with U.S. generally accepted accounting principles.

HFF Securities L.P. Notes to Statement of Financial Condition December 31, 2016

1. Organization

HFF Securities L.P. (the Partnership) is a broker-dealer that performs private placements of securities by raising equity capital from institutional investors for discretionary, commingled real estate funds to execute real estate acquisitions, recapitalizations, developments, debt investments, and other real estate-related strategies. As such, the Partnership's operations are impacted by the availability of credit in the market and capital flows into the real estate sector. The Partnership may also provide other investment banking and advisory services on various project or entity-level strategic assignments such as mergers and acquisitions, sales and divestitures, recapitalizations and restructurings, privatizations, management buyouts, and arranging joint ventures for specific real estate strategies.

The Partnership is an affiliate of a financial intermediary and advisor in the commercial real estate industry that has locations in 23 major cities nationwide. The Partnership shares office space with the affiliate in its Los Angeles, California office. In addition to its core business, the Partnership earns fees for referring clients to the affiliate.

The Partnership was formed as a Delaware limited partnership and shall continue through April 2054 unless dissolved earlier by voluntary agreement of the partners or by any other act constituting dissolution under applicable law.

Capital contributions may be required only with the consent of the partners. Distributions of net cash flow (as defined in the partnership agreement) are made at the sole discretion of the General Partner (as defined in the partnership agreement). None of the partners may withdraw from the Partnership without the consent of the other partners.

2. Summary of Significant Accounting Policies

Concentration of Credit Risk

The Partnership's financial instruments that are exposed to concentrations of credit risk consist primarily of cash. The Partnership places its cash with financial institutions in amounts that at times exceed the Federal Deposit Insurance Corporation insurance limit. The Partnership has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash.

Notes to Financial Statements (Continued)

2. Summary of Significant Accounting Policies (continued)

Cash and Cash Equivalents

Cash and cash equivalents include cash in bank accounts and short-term investments with original maturities of three months or less.

Income Taxes

The Partnership is organized as a limited partnership under the laws of the state of Delaware. Under those provisions, the income and expenses of the Partnership are passed through and reported on the partners' individual income tax returns. Accordingly, no income taxes are reported in the accompanying financial statements.

The Partnership is subject to the provisions of the Financial Accounting Standards Board (FASB) ASC 740-10, Accounting for Uncertainty in Income Taxes. This standard establishes consistent thresholds as it relates to accounting for income taxes. It defines the threshold for recognizing the benefits of tax-return positions in the financial statements as "more likely than not" to be sustained by the taxing authority and requires measurement of a tax position meeting the more-likely-thannot criterion, based on the largest benefit that is more than 50% likely to be realized. For the year ended December 31, 2016, management analyzed the Partnership's inventory of tax positions taken with respect to all applicable income tax issues for all open tax years (in each respective jurisdiction), and concluded that no provision for income tax is required in the Partnership's financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Notes to Financial Statements (Continued)

3. Net Capital Requirement

. . . .

The Partnership is subject to the SEC's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital not exceed 15 to 1. At December 31, 2016, the Partnership's net capital ratio was 0.2 to 1.0. At December 31, 2016, the Partnership had net capital of \$4,893,635, which was \$4,793,635, in excess of its required minimum net capital of \$100,000.

4. Related-Party Transactions

During 2016, the Partnership engaged in related-party transactions with HFF, Inc., its limited partner, and with Holliday Fenoglio Fowler, L.P. ("HFF LP"), its commercial real estate financial intermediary affiliate. At December 31, 2016, a total of \$100,669 is due to HFF, Inc., and a total of \$142,971 is due from HFF LP as more fully set forth below.

	HFF, Inc.	HFF LP	Total
Balance payable as of Jan. 1, 2016 Current year activity:	\$(150,222)	\$ (344,831)	\$ (495,053)

Balance (payable) / receivable as of Dec. 31, 2016	\$(100,669)	\$ 142,971	\$ 42,302

5. Legal Proceedings and Claims

The Partnership is subject to certain legal proceedings and claims arising out of the conduct of its business. In accordance with ASC 450, *Contingencies*, a reserve for estimated losses is recorded when the amount is probable and can be reasonably estimated. If a range of possible losses exists, the Partnership records the accrual at the low end of the range. The Partnership does not believe that any pending legal proceedings will have a material impact on the Partnership's financial condition or results of operations.

Notes to Financial Statements (Continued)

6. Subsequent Events

,

ł.

The Partnership has evaluated subsequent events through February 28, 2017, the date on which these financial statements were issued.

Report of Independent Registered Public Accounting Firm on Applying Agreed-Upon Procedures

To the Partners of HFF Securities L.P.

We have performed the procedures enumerated below, which were agreed to by the Partners and management of HFF Securities L.P. (the Partnership), and the Securities Investor Protection Corporation (SIPC), set forth in the Series 600 Rules of SIPC. We performed the procedures solely to assist the specified parties in evaluating the Partnership's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7) for the year ended December 31, 2016. The Partnership's management is responsible for the Partnership's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards of the Public Company Accounting Oversight Board (United States) and American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed and our findings are as follows:

 Compared the assessment payments made in accordance with the General Assessment Payment Form (Form SIPC-6) and applied to the General Assessment calculation on Form SIPC-7 with respective cash disbursement record entries.

No findings were found as a result of applying the procedure.

2. Compared the amounts reported in the audited financial statements required by SEC Rule 17a-5 with the amounts reported in Form SIPC-7 for the fiscal year ended December 31, 2016.

No findings were found as a result of applying the procedure.

3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers supporting the adjustments.

No findings were found as a result of applying the procedure.

4. Verified the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the schedules and working papers supporting the adjustments.

No findings were found as a result of applying the procedure.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7) for the fiscal year ended December 31, 2016. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

Report of Independent Registered Public Accounting Firm on Applying Agreed-Upon Procedures

To the Partners of HFF Securities L.P.

We have performed the procedures enumerated below, which were agreed to by the Partners and management of HFF Securities L.P. (the Partnership), and the Securities Investor Protection Corporation (SIPC), set forth in the Series 600 Rules of SIPC. We performed the procedures solely to assist the specified parties in evaluating the Partnership's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7) for the year ended December 31, 2016. The Partnership's management is responsible for the Partnership's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards of the Public Company Accounting Oversight Board (United States) and American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed and our findings are as follows:

1. Compared the assessment payments made in accordance with the General Assessment Payment Form (Form SIPC-6) and applied to the General Assessment calculation on Form SIPC-7 with respective cash disbursement record entries.

No findings were found as a result of applying the procedure.

2. Compared the amounts reported in the audited financial statements required by SEC Rule 17a-5 with the amounts reported in Form SIPC-7 for the fiscal year ended December 31, 2016.

No findings were found as a result of applying the procedure.

3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers supporting the adjustments.

No findings were found as a result of applying the procedure.

4. Verified the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the schedules and working papers supporting the adjustments.

No findings were found as a result of applying the procedure.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7) for the fiscal year ended December 31, 2016. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
