KAUFMAN & COMPANY, LLC

Notes to the Statement of Financial Condition as of December 31, 2016

NOTE A - NATURE OF ORGANIZATION

Kaufman & Company, LLC, is a Massachusetts registered broker-dealer offering financial advisory services primarily in connection with arranging private placements, mergers and acquisitions.

In accordance with the operating agreement, the Company shall continue in existence until December 31, 2053 unless dissolved sooner.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounts Receivable. Management has elected to record bad debts using the direct write-off method. Accounting principles generally accepted in the United States of America require that the allowance method be used to reflect bad debts. However, the effect of the use of the direct write-off method is not materially different from the results that would have been obtained had the allowance method been followed.

Property and Equipment. The cost and estimated service lives used in computing depreciation are as follows:

	SERVICE YEARS	2016
Furniture and Fixtures	5-7	\$33,776

Income Taxes. No provision or liability for income taxes has been included in the financial statements. As a limited liability company, any income or loss is included in the tax returns of the members.

The Company's income tax returns are subject to examination by taxing authorities generally for a period of three years from the date they are filed. At December 31, 2016, the years 2013-2015 are open for examination.

Revenue Recognition. Revenue from financial advisory services are recognized when the contracted services are provided.

Advertising. The Company charges advertising costs to operations when incurred.

Concentration of Credit Risk. The Company maintains its cash account in one financial institution. At times, the balance may exceed federally insured limits. The Company has not experienced any loss in such account.

Notes to the Statement of Financial Condition as of December 31, 2016
(Continued)

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE C - RETIREMENT PLAN

The Company sponsors a profit sharing plan and makes annual contributions, dependent upon profits and at the discretion of management, to the trustee of the profit sharing trust to provide funds with which to pay benefits to employees at retirement.

NOTE D - OPERATING LEASES

The Company is obligated under a 24 month lease agreement expiring December 2016 for office space at an annual rental of \$137,560. Provisions of the lease agreement include: (1) payment of certain operating costs and real estate taxes.

<u>Year</u>	<u>Amount</u>
