## NOTES TO FINANCIAL STATEMENTS

December 31, 2016

### NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS

Endeavor Capital Holding Group, LLC, (the "Company") a New York limited liability company, is a securities broker-dealer registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority, Inc. ("FINRA"). The Company is a wholly owned subsidiary of Endeavor Holdings, Inc. (the "Parent"). The Company is not currently conducting business.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Revenue Recognition

The Company records securities transactions and related revenue and expenses on a trade date basis. Private placement fees are recorded upon the completion of the private securities offering.

#### Income Taxes

The financial statements do not include a provision for income taxes because the Company is not a taxable entity and all of the Company's earnings are reported on the Parent's tax return.

The Company is required to determine whether a tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any tax related appeals or litigation processes, based on the technical merits of the position. The Company files an income tax return in the U.S. federal jurisdiction, and may file income tax returns in various U.S. states. The Company is not subject to income tax return examinations by major taxing authorities for years before 2010. The tax benefit recognized is measured as the largest amount of benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement. De-recognition of a tax benefit previously recognized results in the Company recording a tax liability that reduces net assets. However, the Company's conclusions regarding this policy may be subject to review and adjustment at a later date based on factors including, but not limited to, on-going analyses of and changes to tax laws, regulations and interpretations thereof. The Company recognizes interest accrued related to unrecognized tax benefits and penalties related to unrecognized tax benefits in income taxes payable, if assessed. No interest expense or penalties have been recognized as of and for the year ended December 31, 2016.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than ninety days that are not held for sale in the ordinary course of business.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2016

### NOTE 3 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1. This Rule requires that the ratio of aggregate indebtedness to net capital may not exceed 15 to 1 and equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2016, the Company had net capital of \$11,247 which is \$6,247 in excess of its required net capital of \$5,000. The Company's aggregate indebtedness to net capital ratio was .622 to 1.

During the year ended December 31, 2016, the Company was not in compliance with its required minimum net capital under Rule 15c3-1 on one occasion and notified the SEC and FINRA on a timely basis. The Company was inactive during the year ended December 31, 2016 and did not conduct a securities business.

### NOTE 4 – MANAGEMENT AGREEMENT AND RELATED PARTY TRANSACTIONS

The Company has entered into an expense sharing agreement with a related entity in which the Company utilizes the services of the related entity in exchange for a monthly payment ranging from \$950 to \$1,100. The agreement provides the Company will receive the use of office space and communications equipment. For the year ended December 31, 2016, the Company issued the related entity \$13,950 in paid in capital for expense reimbursements.

The Company has advanced an owner of the Parent Company \$17,450. This amount has no specific terms of repayment nor a set interest rate. It is due on demand.

### NOTE 5 – 15c3-3 EXEMPTION

The Company, under Rule 15c3-3(k)(2)(i), is exempt from the reserve and possession or control requirements of Rule 15c3-3 of the Securities and Exchange Commission. The Company does not carry or clear customer accounts. Accordingly, all customer transactions are executed and cleared on behalf of the Company by its clearing broker on a fully disclosed basis. The Company's agreement with its clearing broker provides that as clearing broker, that firm will make and keep such records of the transactions effected and cleared in the customer accounts as are customarily made and kept by a clearing broker pursuant to the requirements of Rules 17a-3 and 17a-4 of the Securities and Exchange Act of 1934, as amended (the "Act"). It also performs all services customarily incident thereon, including the preparation and distribution of customer's confirmations and statements and maintenance margin requirements under the Act and the rules of the Self Regulatory Organizations of which the Company is a member.

### NOTE 6 – FINANCIAL INSTRUMENTS WITH OFF-BALANCE SHEET RISK AND CONTINGENCIES

The Company may engage in various corporate financing and investment banking activities in which counterparties primarily include broker-dealer, banks and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty with which it conducts business.

The Company's financial instruments, including cash and cash equivalents, deposit with clearing broker, due from related parties, and accounts payable and accrued expenses are carried at amounts that approximate fair value due to the short-term nature of those instruments

### NOTE 7 – GOING CONCERN

The accompanying statements have been prepared assuming the Company will continue as a going concern. The Company had no revenues in 2016 and a loss from operations. This raises substantial doubt about the Company's ability to continue as a going concern. A Member has pledged any additional support to the Company to enable it to continue as a going concern. The accompanying financial statements do not include any adjustments that might result from the outcome of this uncertainty.

There have been no material subsequent events that occurred during such period that would require disclosure in this report or would be required to be recognized in the financial statements as of December 31, 2016.
