REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors
Polar Investment Counsel, Inc.
A Wholly Owned Subsidiary of Glacier Groups, Inc.
Thief River Falls, MN

We have audited the accompanying financial statements of Polar Investment Counsel, Inc. (A Wisconsin corporation), A Wholly Owned Subsidiary of Glacier Groups, Inc. (a Wyoming corporation), which comprise the statement of financial condition as of June 30, 2016, and the related statements of operations, changes in stockholder's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplementary information. Polar Investment Counsel, Inc.'s management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Polar Investment Counsel, Inc. as of June 30, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Schedule I, Computation of Net Capital Under Rule 15c3-1, Schedule II, Computation for Determination of Reserve Requirements Under Rule 15c3-3 (exemption), and Schedule III, Information for Possession or Control Requirements Under Rule 15c3-3 (exemption) to Audited Financial Statements as of June 30, 2016 have been subjected to audit procedures performed in conjunction with the audit of Polar Investment Counsel, Inc.'s financial statements. The supplemental information is the responsibility of Polar Investment Counsel, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2016

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. Organization and Nature of Operations – The Company was incorporated in the state of Wisconsin in May 1995. The Company is a wholly-owned subsidiary of Glacier Groups, Inc. The Company is registered with the Securities and Exchange Commission and the Commodities Futures Trading Commission and is a member of the Financial Industry Regulatory Authority (FINRA), the National Futures Association, and the Securities Investor Protection Corporation (SIPC). The Company's principal business activity is the sale of securities. Operations began in July 1997. In January 2011, the Parent Company reincorporated in the state of Wyoming.
- B. Recognition of Revenue – Commission income from sales of securities is recorded on the trade date.
- C. Cash Equivalents – The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.
- D. Accounts Receivable and Allowance for Doubtful Accounts – Accounts receivable are stated at the amount management expects to collect from outstanding balances. An allowance for doubtful accounts has not been established as of June 30, 2016. Based upon management's analysis of outstanding accounts receivable as of June 30, 2016 and the Company's past collection experience, an allowance is not considered necessary by management.
- E. Concentrations of Risk – The Company maintains its cash in accounts with federally insured banks. At times, the balances in these accounts may be in excess of the federally insured limit of \$250,000. The Company believes that there is no significant risk with respect to these deposits.

The Company is engaged in various brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The Company feels the risk at this time is minimal and they review the credit standing of their counterparties on a regular basis.

- F. Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- G. Income Taxes – Deferred tax assets and liabilities are recognized for future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets, including tax loss and credit carryforwards, and liabilities are measured using enacted tax rates expected to apply to taxable income in the years which those temporary differences are expected to be recovered or settled. The effect of a change in tax rates on deferred tax assets and liabilities is recognized in operations in the period that includes the enactment date. Deferred income tax expense represents the change during the period in the deferred tax assets and deferred tax liabilities. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. There are no deferred tax assets or liabilities recorded at June 30, 2016 for Polar Investment Counsel, Inc.

The Company files a consolidated federal income tax return with its Parent Company Glacier Groups, Inc. Management is of the view that there are no significant tax positions that may be challenged. Tax years ending June 30, 2012 through June 30, 2015 are open for examination by the IRS.

- H. Subsequent Events – Management has evaluated subsequent events through July 26, 2016, the date which the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2016

NOTE 2 – OFF BALANCE-SHEET RISK AND CLEARING AGREEMENT

The Company's customers may enter into various transactions involving derivatives and other off-balance-sheet financial instruments. These financial instruments include futures contracts, exchange traded options, to-be-announced securities (TBA's) and securities purchased and sold on a when-issued basis (when-issued securities). These derivative financial instruments are used to meet the needs of customers and are, therefore, subject to varying degrees of market and credit risk. In addition, the Company's customers may sell securities that they do not currently own and will therefore be obligated to purchase such securities at a future date. Since the Company enters into the aforementioned transactions solely for the benefit of its customers, the Company does not bear any of the credit or market risk of those customers, with the exception of the risk to the Company should its customers fail to honor their obligations related to these derivative and other off-balance sheet financial instruments, as mentioned below.

To facilitate securities transactions, including the aforementioned transactions, on behalf of its customers, the Company has entered into an agreement with another broker/dealer (Clearing Broker/Dealer) whereby the Company forwards (introduces) customer securities transactions to the Clearing Broker/Dealer, fully disclosing the customer name and other information. The processing and, if applicable, any financing pertaining to the introduced transactions are performed by the Clearing Broker/Dealer. The customer account is therefore maintained and recorded in the books and records of the Clearing Broker/Dealer. As part of the terms of the agreement between the Company and Clearing Broker/Dealer, the Company is held responsible for any losses arising when the customers introduced by the Company to the Clearing Broker/Dealer fail to meet their contractual commitments pertaining to the purchase, sale and possible financing of securities transactions and other financial instruments. The Company may therefore be exposed to off-balance-sheet risk in the event the customer is unable to fulfill its contracted obligations and it is necessary for the Clearing Broker/Dealer to purchase or sell securities or other financial instruments at a loss. The Company's exposure to risk would consist of the amount of the loss realized and any additional expenses incurred pertaining to the transaction or other customer activity.

The aforementioned agreement may be terminated by either party with 45 days of prior notification. The Company is required to maintain a \$100,000 deposit with the Clearing Broker/Dealer to assure its performance under the agreement.

NOTE 3 – RELATED PARTY TRANSACTIONS

As mentioned in Note 1, the Company is a wholly-owned subsidiary of Glacier Groups, Inc. (Parent). The Company files consolidated income tax returns with the Parent.

The Parent pays substantially all overhead and operating expenses on behalf of the Company other than commission expense and clearing and execution charges. Pursuant to a written agreement, the Company reimburses the Parent for these expenses through a management fee. The expenses paid by the Parent for the year ended June 30, 2016 are as follows:

Compensation and Related Benefits	\$ 89,100
Occupancy	14,949
Communications	33,912
Regulatory Fees	51,334
Insurance	10,241
Other	<u>49,899</u>
Total	<u>\$249,435</u>

Thief River Falls, MN

We have reviewed management's statements included in the Focus Report Part IIA, in which (1) Polar Investment Counsel, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which Polar Investment Counsel, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) (the "exemption provisions") and (2) Polar Investment Counsel, Inc. stated that Polar Investment Counsel, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Polar Investment Counsel, Inc.'s compliance with the exemption provisions. REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5(g)(1) AND CFTC REGULATION 1.16

Board of Directors
Polar Investment Counsel, Inc.
A Wholly Owned Subsidiary of Glacier Groups, Inc.
Thief River Falls, MN

In planning and performing our audit of the financial statements of Polar Investment Counsel, Inc., A Wholly Owned Subsidiary of Glacier Groups, Inc. (the Company), as of and for the year ended June 30, 2016, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not, for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the U.S. Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

In addition, as required by Regulation 1.16 of the Commodity Futures Trading Commission (CFTC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding of assets. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Regulation 1.16, in making the following:

1. The periodic computations of minimum financial requirements pursuant to Regulation 1.17.

Management of the Company is responsible for establishing and maintaining effective internal control and for the practices and procedures referred to in the preceding paragraphs. In fulfilling this responsibility, estimates, and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraphs, and to assess whether those practices and procedures can be expected to achieve the SEC's and the CFTC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) and Regulation 1.16(d)(2) list additional objectives of the practices and procedures listed in the preceding paragraphs.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first, second, and third paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in the Company's internal control and control activities for safeguarding securities and certain regulated commodity customer and firm assets that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second and third paragraphs of this report are considered by the SEC and CFTC to be adequate for their purposes in accordance with the Securities Exchange Act of 1934, the Commodity Exchange Act, and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second and third paragraphs of this report, were adequate at June 30, 2016, to meet the SEC's and CFTC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the CFTC, the Financial Industry Regulatory Authority, the National Futures Association, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 or Regulation 1.16 of the CFTC or both in their regulation of registered brokers and dealers and futures commission merchants, and is not intended to be and should not be used by anyone other than these specified parties.
